The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

1. We, the undersigned, representatives of the undermentioned Fire Insurance Companies, transacting business in the Province of British Columbia, hereby constitute ourselves a Board of Fire Underwriters for the purpose of underwriting Fire Insurance at uniform rates of premium in the City of Victoria and throughout Vancouver Island in the Province of British Columbia, for conserving the interests of the Companies represented by us.

2. We hereby agree and pledge ourselves to adhere strictly to the Rates and Rules of Fire Insurance adopted at a meeting held at Victoria on the 29th day of September, 1890, contained in the printed book of Rules and Rates published bearing that date.

3. That we will neither directly nor indirectly depart from nor remit any part of the premium or any part of the commission, nor employ more than one city agent for each Company represented by us, whose name shall be submitted to, approved of, and recorded by the Executive Committee.

It shall be the duty of the Secretary to furnish the names of such city agents when approved to all the Companies. But it is expressly agreed and understood that under no circumstances shall any commission or brokerage be paid either directly or indirectly to any person other than the said city agent for the procuring or influencing of business.

4. That the said Board shall appoint a committee of six members to serve as an Executive Committee, such Executive Committee to be elected annually at the annual meeting of the Board, and to hold office until their successors are appointed.

5. That an Inspector shall be appointed at a general meeting whose duties shall be as hereinafter provided.

6. All policies and renewal receipts shall be approved and stamped by the Inspector before delivery to the assured; or the Daily Reports may be stamped in lieu of Policies or Renewal Receipts.

7. In case of violation of the agreement as to Rates or Rules the penalty shall be the immediate cancellation of the policy, and failing to do so immediately, a fine not to exceed twenty-five dollars shall be imposed. In all cases where policies are issued at insufficient rates, the agent so offending shall be prohibited from writing on such risk for a period of twelve months.

8. The duties of the Executive Committee shall be,

First:—To hold regular monthly meetings and oftener, if found necessary, for the disposal of their business at the discretion and power of their Chairman or President. They may form sub-committees of their members for the division of their labors, and at their discretion adopt rules for their own government.

Second:—To order the payment of all bills after the same have been duly audited.

Third:—To levy assessments, if required, for any expenses incurred over and above ordinary expenses. To receive and act on complaints made by the Inspector for violations against this agreement. The findings of the Executive Committee on fines to be final.

9. The Executive Committee shall have power to dispose of the revenue collected from fines at their discretion provided such disposition shall not be made for any other purpose than that connected with the management of this compact without the consent of the majority of the members of this Board.

10. Meetings shall be held annually in the second week of each year.

11. Special meetings may be held upon request of any three members, in writing, signifying the object of the meeting. One week's notice to be given to each member of the time and place of such meeting and the object thereof.

12. Inspector's duties:—

To examine every Policy or Daily Report and Renewal Receipt before issuance of the same, and if found correct so to stamp it, and also to stamp all endorsements or alterations made on Policies or Renewal Receipts which may affect or alter ratings, and all other evidences of return premiums and vouchers therefor. For this purpose he shall be furnished with a proper stamp.

Any Policy, Daily Report or Renewal Receipt or endorsements or alterations thereon affecting rates without the Inspector's stamp shall constitute a violation of this agreement.

The Inspector shall have the liberty to inspect the books and returns of any Company.

Plans and diagrams of any risks not shown on Fire Map must be given the Inspector with the Policy, Daily Report or Renewal Receipt. All rates must be in accordance with the printed tariff. If any risks be found which are not covered by the rates provided in the printed schedule, it shall be the duty of the Inspector in conjunction with the Executive Committee to fix a special

rate on such risk and immediately promulgate the same to each of the signers hereto.

The Inspector shall act as Secretary of the Board and of the Executive Committee, and before entering upon his duties shall take an oath of office binding him to observe strict secrecy in dealing with the figures and business of any individual Company.

13. Each of the signers hereto further agrees for himself and city agent:—

First—To pay for each Company represented the sum of \$5.00 monthly for Inspector's salary, printing and rent of meeting room; and also to pay his proportion of other expenses of this Board, if required, incurred under this agreement, and not to withdraw from the Board without giving at least thirty days' notice in writing, all his dues being paid.

Second—To properly submit to the Inspector for his examination every Policy, Daily Report or Renewal Certificate, and all endorsements and alterations thereon affecting rates wheresoever written, covering property within the jurisdiction of this Board, it being understood that the Inspector's approval when stamped upon any such paper is conditional on the completeness or correctness of the representations upon which it was obtained.

Fourth—Not to insure or accept from, nor to place, nor cause to be placed, either by re-insurance or otherwise, any business in any Company or agency not represented in this Board within its jurisdiction.

Fifth—That each complaint of violation by any member of this Board shall at once be reported to the Inspector for his investigation, the Inspector to report the results of his investigation to the Executive Committee, whose finding upon the complaint shall at once be served upon the offender, who shall comply with the finding of the Executive Committee within fourteen days from the date of such service.

14. That at all general and special meetings not less than six of the agents, signers hereto, shall constitute a quorum for the transaction of business at all meetings, each Company represented being entitled to one vote. BUILDINGS IN COURSE OF CONSTRUCTION.

Buildings or dwellings in course of construction, but prior to oc-
 cupation, to be charged short rate on double the annual basis rate of
 dwellings and buildings, exposures to be added.

The fifteen days repair privilege not to apply to unfinished struc-
 tures. The construction risk not to apply to owners.

LONG TERM RISKS

Dwellings and their private barns, stables, outbuildings and
 fences pertaining thereto, academies, bridges, churches, colleges, hos-
 pitals, seminaries, school houses, and State, County, City, or Town
 public buildings or their contents, may be written for two years at
 three-fifths more than the annual rate, and for three years at twice
 the annual rate; but in no case is the long term risk to apply to
 buildings used for commercial purposes.

SHORT TERM RISKS.

A risk taken for a period of less than one year, or cancelled at the
 request of the assured, shall be charged for at the short rate of the
 annual rate, as per short rate table attached hereto.

FRAME DWELLINGS.

The annual rate on frame dwellings and their outbuildings, in-
 cluding private stables and contents, shall be as follows:—

Detached 50 feet, 62½ cents per annum.

Detached between 10 and 50 feet, 75 cents per annum.

Frame dwelling exposures in ranges or otherwise, within 10
 feet, ¼ per cent. additional to the ¾ per cent. rate for each
 dwelling house exposure.

Frame building exposures within 10 feet, 25 cents additional
 to basis rate of ¾ per cent.

RULE A.—An intervening space of ten feet to break a range. Out-
 houses or private stables not to constitute an additional exposure to
 the dwellings to which they belong, but to be counted as an exposure
 to adjoining property, unless the dwelling to which they belong has
 already been counted as such.—See Note, e.

BRICK DWELLINGS.

Brick dwellings, without frame kitchen or additions, detached 25
 feet, 50 cents per annum; frame exposures within 25 feet, ¼ per cent.
 additional for each exposure.

Brick dwellings with frame kitchen or additions same rate as
 frame dwellings.

Brick dwellings outside the City limits ¼ per cent. additional to
 city rates. Frame exposures within 25 feet 25 cents added for each
 exposure.

Churches, Schools, and Public Buildings, when not specially
 rated add to dwelling house rate and exposures, 25 cents.

Brick veneer dwellings charged same rate as frame dwellings.

FRAME BUILDINGS

Frame buildings unless specially hazardous or specially rated, to rate as follows:—

Detached 50 feet, $1\frac{1}{4}$ per cent. per annum.

Detached 10 to 50 feet, $1\frac{1}{2}$ per cent. per annum.

Frame dwellings exposures within 10 feet, 25 cents each additional to basis rate of $1\frac{1}{2}$ per cent.

Frame building exposures within 10 feet, 50 cents each additional to basis rate of $1\frac{1}{2}$ per cent. Rule A to apply in this case also.

Frame buildings and contents outside the city limits, 25 cents additional to basis rate.

NOTES FOR GUIDANCE WHERE RISKS ARE NOT SPECIALLY HAZARDOUS.

Note a. Buildings occupied as stores and dwellings rate as stores on buildings and contents.

b. Each tenement or occupancy on the ground floor of wood stores or dwellings is rated as a separate exposure.

c. If a brick building intervenes between wood buildings the exposures count from the same. If a twelve inch standard wall without openings and extending two feet above the adjoining roofs intervenes between frame buildings the exposure shall be counted therefrom.

d. The evident purpose for which a building has been constructed, viz., for a dwelling, store, hotel, etc., shall determine its rate, unless otherwise actually occupied at the time of application.

e. Where frame buildings or dwellings are ten feet or more asunder but the intervening space is occupied in whole or in part by sheds, awnings, privies, or piazzas, reducing the clear interval to less than ten feet, the buildings or dwellings shall be considered as adjoining. But sheds and outbuildings shall not be charged for as separate exposures.

All mills and factories not included in the list of miscellaneous risks to be specially rated.

RATES FOR SUBURBAN AND COUNTRY DWELLINGS.

Residences outside Victoria City Limits, but within 4 miles, $\frac{1}{8}$ per cent. additional to city rates, exposures and deficiencies to be added. See City Rates.

Add for exposures as follows:—

For barns between 50 and 100 feet 25 cents to above basis rate, between 25 and 50 feet add 50 cents to above basis rate, dwellings within 25 feet of barn to be charged same rate as barns.
