Office and Residence
463 SPADINA AVENUE

Dr. Stowe's Dental Parlor is fitted up with all the Newest Electric Dental Appliances and Furnishings, which so largely contribute to the comfort of the patients and the convenience of the operator. The Electric Mallet is best suited to all gold fillings, and is especially adapted to the large cavities of front teeth whose frailty render filling unsafe by the old method without the use of the **Electric Mouth Illuminator** he is enabled to see his patients in the evening.

The Doctor solicits and is prepared to execute **Difficult Operations** with skill and facility.

"Canada's Greatest Dyers and Cleaners"

MERCHANTS AND SHOPPERS ALWAYS WELL PLEASED

It may be a dry goods merchant or milliner, for we are large merchant dyers. Or we may be speaking to the individual customer who has brought a dress, or mantle, or silk wrap, or plume to be dyed or cleaned.

In every case the work is done in perfect manner as years of experience and most modern machinery make it possible.

—A large part of our trade—and none is more satisfactory—is the
—dyeing and cleaning of men's and women's wearing apparel
—often making unnecessary the purchase of a new dress or suit.

American Copper Co. 93 A ST. W

We take no pride in the quantity of our product; rather make a few good Cuts than many "good enough." The result of this policy in the engraving business is as it should be—we have lots of it to do; and do each job as if it were the only one.

MOORE & ALEXANDER.

There is no longer any need to go out of Canada for the best engravings for any purpose—we make them—the largest users of engravings in the Dominion use ours—they have tried them all—they say ours are equal to the best made in the world.

MOORE & ALEXANDER.

A well made engraving or attractive design catches the eye—fixes itself on the mind of the reader—tells the story at a glance and makes the advertisement, booklet, or circular much more effective—at least the kind we make does

Our engravings are equal to the best made in the world—the largest users of engravings in Canada say so and use them
