## NOTICE!

Will all my good Customers, please take notice that my terms of credit are, "All accounts due 1st of each month," and that on account of present conditions it is absolutely necessary that these terms be strictly adhered to. Consequently all accounts are rendered the 1st of each month and payment will, in future, be insisted upon on or before the 10th. To anyone whose account is unpaid after the 10th, further credit will be refused until their account is paid. This rule will be strictly enforced in the future. All accounts unpaid on the 15th will receive a second and final notice, and if still unpaid at the end of the month, will positively be left for collection. Also, further credit to those who do not pay in accordance with above terms will be refused. Having invested and lost a lot of money in lumbering and other outside investments it is absolutely necessary that I adhere strictly to the above terms. Will all my many good customers please take notice of this at once and govern themselves accordingly. All accounts due on May 1, or before and still unpaid will positively be left for collection on or before June 30.

### MINUTES OF ANNUAL SCHOOL MEETING

(Official Report)

The annual School Meeting of District No. 3, Brighton, assembled in the Neighborhood Theatre at 7:30 P. M., July 10, 1922. Meeting called to order by H. D. Morgan, Chairman of the Board of Trustees, and declared open for nominations for Chairman.

A. P. Campbell nominated Mr. Morgan and an other name being placed before the meeting the Secretary, J. T. King, put the motion that the nominations close, and declared Mr. Morgan elected.

The Secretary then explained that it was proposed, desirable to hold the annual meeting in the evening instead of at 10:30 A. M. in order to get a good attendance of those who were too busy to attend a morning session. Application for meeting to be held in the evening was made to Inspector Moore and the latter giving the Board permission to hold all School Meetings in the evening from now on.

The Secretary also read the minutes of the last annual meeting which showed a record attendance of over 400 persons. About 100 names were on the list and a large number of others interested in the school.

The Secretary then read the report of the Finance Committee and explained the same to the meeting.

## SAID HE COULD NEVER BE WELL

### "Fruit-a-lives" Restored Him to Health

150 AVENUE PUIS IX, MONTREAL  
"For three years, I was a terrible sufferer from Dyspepsia and my general health was very bad. I consulted a physician and took his medicine but I did not improve; and finally he told me that I could not be cured."

At this time, a friend advised me to try "Fruit-a-lives". After taking two boxes, I was greatly relieved; and this fruit medicine made me completely well. My digestion and general health are now splendid."

## HISTORY OF HARTLAND

The Following took a Prize at the Recent Graduation Exercises  
BY AGNES WATERS

Let us go back in memory to the time when this country was an unbroken wilderness, except for a few small Indian encampments here and there. There were no roads, except Indian trails through the forest, no bridges spanned the rivers. But on the water the Indians went from place to place in canoes.

Then a few venturesome white men, mostly descendants of the United Empire Loyalists, who had settled on the lower St. John, came up to try their luck.

The first of these was William Orser and family who came all the way from St. John in canoes to the mouth of the Becaguimac. This little stream was named by the Indians and meant "River of Salmon". They found shelter for a number of nights beneath their upturned canoes. They took up a grant of land that extended from the Becaguimac to what is now Charles Bradley's lower line. Six sons were born to them here, and these had forty-two children. Those descendants of William Orser who are living today in Hartland are: Mrs. David Morgan, Mrs. Samuel White, Moses Orser, Albert Orser, Ziba Orser, Mrs. Martha Nevers, Odubert Orser, Stephen Orser and Mrs. Edward Britton.

The next settler was Lawrence Wilsey. The Orsers wanted to annex another grant to the lower part of their own, but Mr. Wilsey also wanted it. Mr. Orser would not start to the Crown Land Office on Friday, thinking it was an unlucky day, so he got there one day behind Wilsey. The Crown Land Office told Wilsey that he could not have it unless by consent of the Indians, but the officer said he would abide by any transaction made with them. Wilsey travelled in the summer, following the shore from Fredericton, with a bobbed, a plow and a yoke of three-year-old oxen. When he arrived, he began plowing on a small clearing made by the Indians where McMullin's house now stands. When the Indians

found out about this they came down from Andover and ordered him off. He made peace with them by giving them thirty bushels of corn a year. After this the Indians came every year for their corn, then they would go up over the hill, grind it between rocks, and have a big feast. The lot owned by Mr. Wilsey extended from the lower line of the Orser lot to what is now Kennedy's upper line. The descendants of this pioneer living in Hartland are Mr. W. P. McMullin, Mrs. Gordon Boyer and Mr. Guy McMullin.

Next below this, the land was taken up by William Turner who sold it out to Samuel Hayden. His descendants are, Granville Nevers, Byron Nevers and Arvin Nevers.

This place was first known as the "Mouth of the Becaguimac" and later as the "Mouth of the Guimic". There are several versions of the origin of the word Hartland—after Rev. Samuel Hart, some say from James R. Hartley, others say because it was the heart of the Country.

The first residence was built by Samuel B. Orser, then E. B. McIsaac built a house where F. F. Plummer's store is now. W. S. Nevers built a house and store where Mr. and Mrs. Howard Adams live. Part of S. B. Orser's house was rented by S. Hart Shaw and George R. Burt, but shortly afterwards moved across the street and built a store over a stump of a willow. Ninety nine years ago the McMullin house was built as a hotel for passengers travelling the river. When it was built the carpenter made the statement that it could be rolled over without pulling it apart.

Supplies were first brought in by two-boats. The first steamship came up the river in 1873 and was called the "Novelty". On its first trip up river it became stranded on the island above the bridge. It went back and never returned. Then came the Reindeer, Carleton, Bonnie Doon, J. D. Pierce, John Warrins, and Madawaska steamers. The latter was made at Grand Falls for service there, but finding business dull, they removed the engine and took the boat to Fredericton. On its return up river it had the first whistle. It arrived in a dense fog and people ran out looking in fear and wonder thinking it was a band of Indians coming upon them. Formerly the boats used a horn to announce their coming.

The first road ran up back of the town and was a continuation of what is now High Street. It ran over the hill by F. Hagerman's and crossed the Becaguimac. In 1889 it was changed to the present highway.

People first crossed the river by ferries. The first one crossed by Kennedy's. It was propelled by oars. Later on one run by cable was brought farther up the river. On May 4, 1901 a bridge was opened for the public travel and was for a while a toll bridge. The great celebration was on July 1. The main speakers on this occasion was the present Judge McKeown and the late H. R. Emerson. About one thousand people were present at this. On April 6, 1920 two spans were taken out by the ice. In 1921 concrete piers replaced the old ones and a covered top was put on. In 1950 a bridge was built over the Becaguimac.

I will now trace the history of the school. The first school house was built of logs and stood on the hill near where McMullin's barn now stands. It was built a little earlier than 1894. The first teacher's name was Dixon. This little school house was then moved up to where Jarvis Day's house is. In 1850 a frame school house was built at the upper end of town. It was also used as a church. It is now part of the house owned by Bert Smith. Before 1882 a school house was built next the present one. It was burned while this one was being built. The present one was built in 1899. The school was made Superior in 1882. Some of its principals were: Allan A. Rideout, Joseph Howe, H. F. Perkins, E. J. Alexander, Miss Murray, Charles Palmer, Dr. Peppers, Inspector P. R. Hetherington, Joe Barnett, Bruce Barry, C. D. Dickson and Miss W. A. M. Clark.

The first post-master was W. S. Nevers. He kept post office in his private residence. Mail was brought up by Robert Hume, from Woodstock every Saturday. Then John Barnett kept an office where the Windsor hotel is now. In 1912 the recent post office was built. On January 18, 1912 the town clock was set up in its tower. Mr. Barnett was post-master, followed at his death by Edward McCollum.

Hartland owes its rapid growth to the fact that "It has at the mouth of the Becaguimac", to quote from a Carleton Sentinel dated 1853, "A splen-

did water privilege with power at all seasons of the year sufficient for driving the machinery of sawmills, grist mill or factories of any description that may be erected thereon." The first saw-mill at this place was burned and Samuel Nevers bought the site and built a mill, sawing planks and boards by the "up and down" method. Isaac Stephenson, later a member of the U. S. Senate and a Wisconsin millionaire, lived here at this time. Then Benjamin Jewett bought it from Nevers. He had a grist mill and saw mill. Later on Sawyer bought, enlarged and improved it. Then it changed hands to Sayre who now owns it.

Alexander Shaw built a mill at the lower end of town which was destroyed by fire. Then a man by the name of Miller moved a mill on this site and it was destroyed by flood. Later on J. K. Flemming built the present one afterwards selling out to Price & Nevers who in turn sold out to Sayre the present owner. There was at one time a clap-board mill at the Poklok owned by John McLeod.

About the year 1896 a woodworking factory was built a few rods below the depot. One of the first managers was J. F. Alcorn. It gave employment of from eight to twelve hands. It manufactured all kinds of interior finishings. In association with Mr. George Shaw Mr. Alcorn also established a broom handle industry. These were exported to other countries. This was later taken over by another company. This factory is not operating now.

In 1900 Mr. Chas. H. Perkins came from Bangor and entertained a monument works at the end of the bridge. This building was destroyed in the fire of 1907. He moved to a building now owned by Harry Lipsett. When he left this building James Rogers moved in operating a grist mill. Then he moved across the road on the bank of the river. Here he had a grist mill and a planing mill combined.

The first church building was the Free Baptist built in 1875. Rev. Charles McMullin was the first pastor. Others were T. O. DeWitt, Mr. DeWare and J. B. Taggett and Dr. C. T. Phillips.

The Baptist Church was organized by Rev. A. H. Hayward. The land on which the church is built was donated by Rev. Benjamin Jewett. The main body of the present building was built in 1897. The annex was built later on. At the present time they are putting an extension on the back part. The ministers were A. H. Hayward, J. D. Wetmore, E. C. Jenkins.

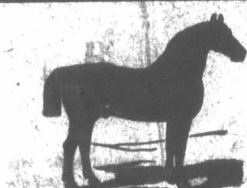

In 1905 the Free Baptist united with the Baptist making an organization called the United Baptist. The Ministers after the Union were A. F. Baker, Mr. Steeves, O. E. Steeves, S. W. Schurman, George Kincaid and E. A. Trites.

The Methodist church was built in 1894. Mrs. T. T. Hammond formerly Miss Maude Keswick, laid the cornerstone. The ministers were, William Penna, Henry Penna, Robert Clements, S. A. Bailey, Ernest E. Gough, John Dunlap, Stanley Young, Mr. E. Smith, John B. Gough, George A. Ross, Daniel Rice, George Ayres, B. O. Hartman, Frederick T. Bertram, George N. Somers, W. E. Smith, P. J. Tiltpatrick, Mr. Helps, Mr. Crisp, J. L. King and Rev. Thomas Pierce.

On Nov. 6, 1892 the Reformed Baptist Church was dedicated. Some of the pastors were Mr. Trafton, Mr. Kinghorn, Mr. Colpitts, Rev. Mr. McDonald, S. A. Baker, Percy Trafton and Rev. H. C. Mullin.

The Anglican church was built in 1918 on Burt's flat. There have been two rectors, Rev. N. Franchetti and Rev. W. P. Haigh.

High Speed Steel Without Tungsten.

A new high speed steel of British origin is without tungsten in its composition and advantages of both a practical and economical nature are claimed. It is cobalt-molybdenum steel, the cobalt apparently acting as a stabilizer and as correcting certain disadvantages said to exist in molybdenum-tungsten steels. The new steel is claimed to possess the highest point of efficiency ever obtained. The hardening temperature required is only in the neighborhood of 2,000 degrees Fahrenheit. The steel is also reported to machine exceptionally soft and easily. The specific gravity of cono steel is reported to be equal to that of the old carbon tool steel, and so 10 per cent less than that of the tungsten high-speed steels. As a result it is estimated that a given weight of cono steel will produce 10 per cent more tools than the same weight of regular high-speed steel.

Industrial Research.

Again and again during the war it was insisted by all manner of authorities in England that one of the great efforts of the future should be in the direction of encouraging industrial research. This was in fact, a war lesson, and Great Britain evidently has no intention of losing it. Already a government department of "scientific and industrial research" has been established; while, according to the chairman at a recent meeting of the Institution of Electric Engineers, "universities all over the country, led by University college, London, are equipping their training departments."

The Fields Men.

The two girls were talking, and one was deploring a recent experience. "He promised to teach me to drive his car," she said, "and I wanted to do it in fine style, so I went uptown and bought me a very fancy pair of rubber gloves."

The other nodded sympathy. "The first continued: "And then what do you think happened? Why the fellow thing got mad and got him a new girl before I had even got those driving gloves paid for."

Simple Operation.

Douglas, three and a half years old, returned from the barber shop with his hair nicely bobbed. His mother overheard him say to an admiring playmate: "Why, the barber man did it just as easy—he just ran the 'lectric iron over my head."

Earl's Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. Complete Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrh of the Eustachian Tube is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surface of the system, thus reducing the inflammation and restoring normal conditions. Circulars free. All Druggists. P. J. The Band played here Saturday evening for the first time and seemed to make every one step livelier.

#### CARLISLE NOTES

We are glad of the sunny hours, glad, too, that some of our brook bridges are being replaced and we should be glad still if a piece of our road, (or cowpath missing since the flood) could be brought back or replaced with a new piece before someone goes over the hill, into the old Mill Pond. We don't think there has been any work done on our road for two years and we don't know if we've got a commissioner or not.

A very large crowd was out Thursday night to welcome Harry Shaw and his bride with an old fashioned serenade which was long and noisy.

Mr. and Mrs. Ben Turner came from Presque Isle on Saturday, returning on Sunday taking Mrs. Turner's mother, Mrs. Bela Shaw with them for a visit with her daughter.

Clifford Pratt is building a lath mill to be operated here through the summer.

Mr. and Mrs. A. W. Pratt and son, Guy also, Mrs. C. H. Orser are attending special meetings in York County.

Mr. and Mrs. Addington Newell have a new baby girl, Laura Madeline.

Cook Dickinson has been putting in a new cement cellar.

Mrs. James Stephenson has been visiting her mother, Mrs. Nevers.

A great many people are fishing these days and a great many are fighting potato bugs and weeds.

Some have been attending the meetings at Windsor where Evangelist Foster has been labouring.

Our community was shocked and saddened on the morning of June 29 when it was learned that Mrs. Ellen Shaw had passed away.

Deceased was 73 years old, the widow of the late Wesley F. Shaw, one of the early settlers of Carlisle who predeceased her 14 years ago. "Aunt Ellen" as she was familiarly known to her friends was a pillar of our church and respected by all who knew her, and was ready when the call came to answer "Master here am I". She had kept house since her husband's death for her son Harry and on Thursday morning arose and partly prepared breakfast and when Harry came in from milking he found her body lying on the couch, but the spirit had flown

to God who gave it. The funeral was held Saturday afternoon and was very largely attended. Rev. Addington Giberson preached a very impressive sermon from the words: "I have fought course." The Windsor choir had charge of the music and sweetly rendered "Asleep in Jesus", "The Blessed Lights of Home" and "Will the circle be Unbroken"?

She leaves to mourn, two daughters, Mrs. Harvey Faulkner and Mrs. Lee Orser, both of Carlisle; Two sons, John of Mars Hill and Harry at home. Also many relatives and friends.

#### JASPER PARK LODGE

AN IDEAL STOP-OFF POINT

With the advent of reduced fares to Alberta and British Columbia points, many who have long anticipated seeing the Canadian Rockies and Pacific Coast will make the journey this year. To them, and to the individual travelling "Across Canada" for purely business reasons, the "National Way" and the Canadian National Railways' premier trains, the "Continental Limited" and the "National" appeal most strongly, the route connecting as it does the great urban centres of Canada, and traversing regions of outstanding interest. The various Canadian National hostilities en route suggest excellent stop-off points and are noted for the excellence of their service. To their number is added this year Jasper Park Lodge on Lac Beauvert.

Jasper Park, Alberta, in the Canadian Rockies, is the largest of Canada's National Parks, its area of 4,400 square miles offering unlimited holiday possibilities to the Tourist and Sportsman. Dolley Varden trout lurk in the clear pure mountain streams, the encircling mountains, and a new unspoiled Alpine wonderland of snow-crowned peaks and verdant valleys gladdens the eye. In this delightful setting on Lac Beauvert, three miles from Jasper Station (with which it is connected by motor car service), is Jasper Park Lodge, operated by the Canadian National Railways' Hotels Department and now open for the reception of guests.

Of artistic log construction the Lodge comprises a large, comfortable lounge building, surrounded by dining hall and separate sleeping building in each room, baths, etc. In with all modern conveniences, running water in each room, bath, etc. In conjunction with the lodge is a dancing pavilion where good music assures to the guests delightful evening diversion.

From the Lodge a magnificent panorama greets the eye. Mount Edith Cavell, so called in memory of the martyred British Red Cross Nurse, stands out in bold relief, its glinting slopes making it to appear as a "sheet suspended from the heavens." The picturesque valley of the Athabasca is flanked by Pyramid Mountain, the richness of its varied color effects presenting a very striking contrast. Whistlers Mountain, Colon Hange, Roche Bonhomme, are but a few of the mighty peaks that meet the gaze. Riding is, of course the popular pastime and ponies are available for this exhilarating sport. Within easy reach of the Lodge, afoot or by motor car, are numerous points of interest. Maligne Canon and George, one of the most interesting attractions in the Park, is but six miles distant. Easily accessible streams will tempt the fisherman. The amateur photographer

#### Headaches Gone

Perhaps you can imagine what this means to one who has suffered terribly with headaches for ten years.

Read about it in this latter.

Mrs. Teena A. Smith, Country Harbor Cross Roads, N. S., writes:

"I feel that if anyone can recommend Dr. Chase's medicine I certainly can. I suffered for ten years from severe headaches, and although I took all kinds of headache powders they just relieved me at the time. I became very nervous and run-down, and everything seemed to trouble me. I have taken eighteen boxes of Dr. Chase's Nerve Food and I feel made a greatly new person of me. I feel that I could not have lived without it. I do not have one headache now for every hundred I used to have, and my nerves are good and strong. I just weighed 109 pounds when I began using Dr. Chase's Nerve Food, and now I weigh 121. Knowing what this treatment has done for me, I cannot too highly recommend it to others."

will revel in Nature's bounteousness. Animal, bird and plant life is found in wonderful variety. Seventy different species of birds, seven hundred different species of plants and flowers have been accounted for, and within the confines of the Park which is a bird and game preserve are big horn mountain sheep, and goat: bear—cinnamon, brown and black; caribou and moose, elk, beaver, otter, marten and deer.

For those more venturesome, who would explore the more difficult and extended trails, guides, ponies, pack-horses and complete outfits can be obtained at the Lodge, from which point also parties set out on hunting expeditions beyond the confines of the Park.

This delightful region is fully described in a new booklet entitled "Jasper Park Lodge", copies of which may be obtained from the nearest Canadian National or Grand Trunk agent.

A member of the C.W.N.A. The Observer, with 500 other Canadian Weeklies, is bound to the strict observance of the Rules of the Association.

**SUBSCRIPTION:** \$2.00 per year, payable in advance. Subscribers in U. S. must pay 50 cents extra for postage.

**ADVERTISING RATES:** Small ads, such as Wanted, For Sale, To Let, Announcements of Meetings of any kind, Engagements, any forthcoming Event, Cards of Thanks, In Memoriam, etc., are charged 50c. for one week. \$1.00 for three weeks, strictly cash with the order. Display ads, 1st insertion 50c. per column inch; following insertions of the same ad 15 cents per inch. Minimum contract rate 15c. per inch. Sworn circulation average for year ending Sept. 1921, 1925. Mailing list may be inspected by advertisers.

**Contributions:** News items from any part of Carleton and Victoria counties are eagerly sought. Brief letters on timely topics will be published at the Editor's discretion but all such must be signed by the writer. It is useless to send poetry, prose literature or any other matter which is not real news of general interest to the readers in the two counties. Such will not be published, nor returned, if postage is not included.

**PRINTING:** The Observer office is so well equipped for general printing that it is every day successfully competing with the largest city offices. The quality of our PRINTING and the generally satisfactory service rendered in this department enables us to command full price and a full run of work at all times. We do high class printing and accept and deliver promptly any order, small or large. Office stationery and Commercial work, Book and Periodical Printing, all handled equally well.

HARTLAND, N. B., JULY 19, 1922.

## SPECIAL TO SUBSCRIBERS

During the past few weeks the books of The Observer Ltd. have been undergoing a careful audit with a most important change in its business affairs in view. The next work on the books to be taken up is the matter of subscriptions. On August 1 all that are not paid in advance will be transferred from the filing cabinet to the general ledger—and the amount charged will be \$2.00 a year. We will collect every cent of it.

Each subscriber may determine by a glance at the address label on his paper just how his account stands, and if he remits sufficient funds so that he will be paid in advance the amount of \$1.50 per year will be accepted if it comes before Aug. 1. On that date the accounts go out of the subscription clerk's hands.

To make the accounts more clear every subscriber in arrears will within a day or two be sent a statement and remittance blank and envelope.

### AMBIGUOUS SIGN

Directly in front of The Observer office on Main street appears a sign "Road Closed to Auto Traffic." At least 250 car drivers daily ask The Observer the meaning of the sign. They are told it should read "Detour to Woodstock." The road is in good shape for automobiles except a distance of a few hundred feet, where, at Acker Creek, a bridge is out. This ambiguous sign is causing lots of trouble and should immediately be replaced by one expressing what it means. By the way has the provincial government a right to send an officer into the centre of Hartland town and proclaim that its Main street is "Closed to Auto Traffic."

Think it over people!

### MINUTES OF ANNUAL SCHOOL MEETING

(Continued from first page)  
 lowed with the same Scrutineers who reported 51 votes for G. B. Nixon, 21 for Alton and 7 for McQuarrie, the first mentioned being declared elected.

Messrs. Plumer and Nixon then made the declaration of office before the Chairman as required by law.

A. W. Kyle was elected Auditor for the ensuing year.

The Secretary submitted estimates as follows:

Teachers' Salaries	\$4850.00
Wood	200.00
Janitor Work	150.00
Repairs, etc.	150.00
Secretary and office expenses	350.00
Discounts	50.00
Outstanding Bills	150.00
Unforeseen expenses	300.00
	\$6200.00

As Assets there was—  
 Cash on hand over 300.00  
 Cash in Bank 380.00  
 Taxes Collected 650.00  
 Tuition Fees, Grants 300.00

Showing that not less than \$4500 should be voted.

Moved by A. F. Campbell, seconded by Thomas Hurley that the sum of \$5000 be voted for the next year.

There was some discussion of the Compulsory school law, explanation being made by the Secretary who condemned the law as being too slow in operation and useless for the purpose. Miss Winifred Clark, Principal, being present the Chairman invited her to the front. She roundly scored parents for allowing their children so many excuses from school which resulted many times in the pupil not grading, also loss of interest in school work as well as a growing disregard of control at home or at school. She said the teachers were there prepared to teach and were paid for their work, but much of this expenditure was lost by failure to attend and remain the full session.

Amasa Plummer suggested that henceforth no excuse should be taken unless for a good and sufficient reason. C. E. Rideout feared that many of the so called excuses from parents were bogus. During the discussion it was pointed out that education in this District now costs from \$25 to \$30 per pupil per year and it should be the business of those who paid a heavy tax to see that every child got the utmost benefit.

C. E. Rideout was called upon to report on the movement for a new school. He said that the Board felt times were pretty hard at present to make much progress along this line. He had got an estimate on a seven-room building with basement and assembly room at 60,000 and another at \$40,000. He thought the new building should be located on the school garden grounds, the garden being moved to another part of the ground. He felt that a new school house was very much needed as for the next year two departments would have to be put in the third storey of the old building. He was much afraid of fire but hoped no precious lives would be lost. Conditions were of course much better now than there was a good fire-escape and fire drill of the pupils.

A. R. Rigby asked if it had been decided to build. It was explained by the Chairman that there was no resolution as yet to go ahead with a building. The Trustees had visited Woodstock and other schools and had obtained some photos of school buildings such as we would require. He thought it was not a very opportune time to go into such a large expenditure as even if bonds were sold it would make a very heavy budget.

J. E. McCollom inquired the time

bonds could run. The chair explained that permission could be obtained from the Board of Education to have them run twenty or twenty-five years.

A. R. Rigby and others thought it a mistake to put children in the third storey, that a frame house should be built for primary grades, thus drawing off about 25 per cent from the present building and keeping these younger children away from the older and rougher pupils and perhaps evil influences.

A. W. Kyle thought times were not any harder here than in many other places where they were putting up new, up-to-date, comfortable and commodious buildings. We ought to have a new house as conditions were very bad at times around the old one. The outshouses were not such as Hartland should tolerate for the children and often the grounds were overflowed with water.

Frank Hagerman contended that interested parties had diverted the water courses at the railroad and caused the overflowing of the school grounds and these conditions should not be allowed to go on by the Trustees Board.

John Murdock, the town supt. of streets, protested that the culverts would not take care of the recent heavy rains, hence the overflow on the school grounds at the back of the building.

No one having seconded a motion by A. R. Rigby that a frame building be put up at once to take care of the primary dept. the chairman suggested that as two new Trustees had been elected it would be well to let the new Board consider the whole question and decide what ought to be done in the best interests of the District and a special meeting be called a little later on when some definite plan or a number of plans could be laid before the people for their yeas or nays.

J. E. McCollom seconded by T. Hurley put the above suggestion in the form of a motion limiting the time to three weeks.

After much discussion and many suggestions by J. T. G. Carr, Frank Dickinson, A. W. Kyle, Rev. W. P. Haigh, J. E. McCollom, A. Plumer and others who stated that the Trustees would not know anything more about it in three weeks than now, that this meeting was not in position to instruct the Trustees Board as to what ought to be done, that the Board should be given a chance to consider a plan of action or several plans; the motion carried.

Percy Barter suggested that the present school grounds could be tiled, drained, well filled and graded and these grounds were much better situated and afforded a better foundation for a large building than on the other side of the street.

Frank Alton considered it was time for the Trustees Board to get into communication with the Town Council regarding the care of the water from the Underhill brook so called and take steps at once to see that it was properly conducted to the proper sewer and being put a motion was duly seconded and carried.

The Chairman noted the number of ladies present and extended an invitation to any who wished to make a few remarks. No one responding on motion the meeting adjourned.

J. Stirling King, Chairman.

### SAD DEATH OF MISS PEARL GRAHAM

Dear Editor and Readers: On July 6 our daughter Pearl was taken ill. We called Dr. Belyea and under his skilled treatment she soon recovered from tonsillitis that she had been troubled with at times for over three years.

Again on July 12 she was taken very ill and we thought it was a relapse, but as the treatment did no good we again called Dr. Belyea who found she had appendicitis. He operated and found that the appendix was affected from the tonsils and that the whole system was full of the poison.

Dr. Belyea with his noble wife and Nurse Boone and Nurse Barter did all that medical science knew to do but of no avail. The poison had gone too far.

The tonsils were not removed at all as they were too much inflamed.

Mr. and Mrs. Frank Graham.

### ANNUAL CLASS MEETING

On Friday the Ever-Ready class of the Methodist Sunday school held their annual meeting and picnic on the lawn of their teacher, Mr. E. J. McCollom. This is the young ladies class and at the business session Mr. McCollom was unanimously rechosen as teacher for the ensuing year. Miss Mary Carr, past president resigning Miss Marion W. Stevens was elected

in her stead. Miss Edna Allen retained the office of Sec-Treas. The event was very enjoyable from the entertaining point of view. Each had pledged themselves to add something in the way of entertainment. The result was extremely amusing and surprising. The evening's program was finished up by entering the house and having real music when good night was said. Mr. and Mrs. McCollom extended a cordial invitation to come again next year.

### BUSINESS LOCALS

The Bank of Montreal building is spick and span with a set of new window awnings ordered through Frank Plummer. The front of the Neighborhood theatre is also much improved in appearance by the application of paint in harmonious coloring.

If there is any virtue in the old prophecy concerning St. Swithin's Day, we are to have a period of fair weather. The day dawned bright and clear with typical midsummer weather. The legend is that rain on this day will bring forty days of rain.

Miss Georgia Reid, R. N., arrived home on Saturday to spend the summer at her home here. She had a very enjoyable trip coming most of the way by automobile, visiting the mountains in New Hampshire and other summer resorts. Miss Reid has been supervisor of nurses at McLean Hospital at Waverly, Mass., but has resigned this work.

Madame Zella, clairvoyant-palmist, is in Hartland at Hotel Carleton for a few days, and will give readings to any desiring them. This lady is well known throughout Canada and spent the whole of last winter in Halifax where she has met great success. Learn your future and avoid trouble. Readings 50 cents and \$1.00. At Woodstock Madame Zella predicted the finding of the drowned Kenney boy, giving the almost exact location.

On Saturday evening there were parked in the space between the bridge and post office fifty-seven automobiles while the street was in a constant state of blockade. Early in the year it was predicted that there would be few automobiles on the streets this summer and no new ones. As the season advances it has been revealed that more new cars of the better class have been sold than ever.

On Sunday there was the first great influx of American visitors this season. More than 100 Maine cars crossed the river bridge on that day.

Mr. and Mrs. A. W. Knox and Mrs. T. S. VanWart motored from Houlton on Sunday and were guests of Mr. and Mrs. C. H. Taylor for a few hours. Mrs. VanWart remains for a longer visit.

The Women's Auxiliary of Holy Trinity church will hold a lawn party and sale of fancy goods and cooked food on the lawn of Mrs. Henry Tedlie on the evening of August 2. There will also be a fine musical program. The admission fee will be 35 cents.

There have been many fishing trips to Miramichi during the past two weeks and there come reports of very nice catching of salmon and trout. So far the Observer has had no tangible evidence of any fish being caught.

Someone who tried to be funny after a recent visit at the new Greenwood Cemetery remarked that it was the only live spot in the business section. That man was a pessimist—possibly.

Some things we have been out of are on sale again at Carr's: Ladies' low priced hose, ladies' caps and aprons, table oil-cloth and table linen, white cambric, white and green leno, Men's khaki skirts (large size), Paris green, nails and spikes, tarred felt, poultry wire, linseed oil, turpentine, paints for outside and inside work.

Rev. H. C. Mullen, who for several years has been pastor of the Reformed Baptist church, has removed to take charge of the church at Beales, Me. Rev. E. W. Lester is his successor here and comes from Marysville where he has been pastor for some time.

Brighton Lodge No. 31, Knights of Pythias will hold their annual decoration service on Sunday, July 23. All members are requested to meet at Castle Hall at 12 noon, bringing as many flowers as possible. The brotherhood will march from the Hall to Greenwood Cemetery and then by auto procession to Simonds burying ground.

One day last week James Hovey, an employee in F. E. Sayre's mill, during a few minutes the machinery was down, went to an opening in the end of the mill for a breath of fresh air. He took a dizzy or faint spell and fell 20 feet striking on a log and a piece of timber. He was picked up unconscious and remained so for about 20 minutes. The extent of his injury was a badly bruised hip and shoulder and a severe general shaking up.

Next Sunday at Holy Trinity church there will be celebration of Holy Communion at 8 a.m., and sermon at 11 a.m., followed by a High Celebration of the Eucharist. The music at this solemn and impressive service is beautifully rendered and the public in general will not be turned away. Sunday school will follow immediately after this service and in future will be held at 11 a.m. or immediately after morning service.

# HAD THE FIRE GOT BEYOND CONTROL—

in the high wind which blew Friday, April 28—had the fire got beyond control—what would have been left of the wooden portion of the town of Hartland? Do you know that if the adjacent buildings had caught that the combined fire apparatus of two or three towns like Hartland could not have saved your home? Hartland's portion would have been that of Fairville on May 1. BE WARNED by these fearful Fire Devastations and make sure that your insurance is safe. Safe and solid is the insurance that I sell—and I insure anything that is insurable against any kind of loss whatsoever. Strong Companies at the usual rates and terms.

### SUDDEN DEATH FROM PARALYSIS

Mainstream was shocked by the sudden death of Mrs. Ephraim Clark. Mrs. Clark was in apparently good health and while driving her team into Hartland was seized with paralysis and expired in a few moments.

Deceased was only 4 years of age and leaves to mourn their sad loss, her husband, whose health is very poor, an aged mother, two daughters, Bessie and Elsie, and six sons—Clarence, Theodore, Lynwood, Orrie, Arthur and Arthur. Two sisters, Mrs. Bruce Seely and Mrs. Horace Clear; five brothers—Wintfield Shaw, Frank, Jim Shaw, Herman Shaw, Wellington Shaw and Harley Shaw. Mrs. Clark is daughter of the late Jarvis Shaw who died some two months ago. She was one of the most highly esteemed of our community, of very amiable disposition, professed religion in early life and lived a consistent Christian.

The funeral service was held at Rockland church, Rev. H. V. Bragdon officiating. The many floral tributes and the large concourse of people bear silent testimony of the high respect in which our sister was held.

We tender our heartfelt sympathy to the bereaved ones.—H. V. B.

### CARLETON COUNTY ROADS

Mr. Editor: Recent question was raised as how Carleton county was favored by the Minister of Public Works as compared with Gloucester. Curiosity caused me to compute the expenditure for the last two years. I find that in 1920 Gloucester county re-

## BEGAN AS OFFICE BOY, IS NOW GENERAL MANAGER

John J. Scully Becomes Gen. Manager of C.P.R. Eastern Lines.

The Canadian Pacific operates something like 20,000 miles of railroads and its employees number something like 80,000. On such a long road, and amidst such a large number of co-workers, one can only reach distinction and success by hard work and consistent application.

John J. Scully, who has just been appointed General Manager for Eastern Lines of the Canadian Pacific Railway, is a typical example of railway men who climb to the top of the ladder. On January 4th, 1887, when in his fifteenth year, young Scully embarked on his railroading career when he joined the Canadian Pacific as office boy in the offices of the Car Accountant at Montreal. In February, 1888, he became a clerk in the same office. Moving to Farnham, Quebec, in June, 1888, he became clerk there to the Assistant Superintendent. In August, 1890, he returned to Montreal headquarters as clerk to the Superintendent. April, 1891, saw him return to Farnham to his former position in that town. Mr. Scully joined the Mechanical Department of the railway at Montreal in March, 1893, as clerk. In September, 1894, he was transferred to Toronto Junction as clerk in the Mechanical Department there. Evidently Mr. Scully made good headway at Toronto Junction, for in March, 1898, he was appointed assistant to the Master Mechanic. In August, 1901, he was promoted to be assistant to the Master Mechanic at Winnipeg. Mr. Scully gained wide experience in Western Canada. In August, 1902, he became chief clerk in the General Superintendent's office at Winnipeg. In June, 1903, he became Assistant Superintendent for the Western Division. Promotions following were: July, 1903, chief clerk to Assistant General Manager, Winnipeg; April, 1904, Assistant Superintendent at Brandon; August, 1904, Superintendent at Brandon; November, 1904, Superintendent at Kenora; May, 1910, Superintendent Western Division; July, 1910, General Superintendent, Saskatchewan Division;

JOHN J. SCULLY

April, 1922, General Superintendent at North Bay for Algoma Division.

Some few years ago George H. Mann visited one of the towns where Mr. Scully was stationed. A lady friend was speaking to George about the town, and telling him about its many fine qualities, "and one never need an alarm clock in our house," she cautioned.

"You are up with the sun, I suppose," said George.

"No," was the reply, "We're up with John J. Scully. Every morning at half past seven sharp, winter and summer, he goes past our door, and that is our alarm."

"John J. Scully is a great worker, and one of the best of men," added George.

Mr. Scully's wide experience in East and West will be a great acquisition to him in dealing with the many problems of his present position. The new General Manager of the Eastern Lines, C.P.R., is very popular, and has received congratulations from all over the country on his promotion. He succeeds Mr. Alfred Eric, who after 40 years' service with the C.P.R., has relinquished his duties on the advice of his physicians and has been granted extended leave of absence.

ceived from the Department of Public Works in round figures \$128,000 while Carleton County received the sum of \$181,000 and Carleton is much the smaller county. The recent census gives Carleton 21,000 and odd people and the County of Gloucester over 36,000. So based on population Gloucester received about \$2.27 per head and Carleton \$8.60 per head, or more than twice as much.

In 1921, last year, Gloucester county

got in round figures \$175,000 and Carleton County 278,000, or, based on population, Gloucester received about \$4.88 per head, and Carleton \$13.24, very near three times as much.

Do you not think Carleton has been used more than fair, and that it is a shame that some will whisper prejudice against the Minister of Public Works?

Yours faithfully

Robert L. Simms.

## NOW DO MY WORK WITH EASE

Because Lydia E. Pinkham's Vegetable Compound Restored My Health

Hornell, N. Y.—"I was in bad health but there didn't seem to be any one thing the matter with me."

I was tired out all over and it was an effort for me to move. I was irritable and could not sleep at night and had trouble with my bowels and at my periods. It seemed that nearly every one around me knew of your medicine and wanted me to try it, so at last I took Lydia E. Pinkham's Vegetable Compound Tablets and Lydia E. Pinkham's Blood Purifier and improved every day. I do all my own work now except the washing and do it with ease. I can accomplish as much in a day now as it would have taken me a week to do last winter and I try to get every one I know to take your medicine to build them up. You are welcome to use this letter as a testimonial if you like."—Mrs. CHAS. BAKER, 21 Spencer Ave., Hornell, N. Y.

In almost every neighborhood there are women who know of the value of Lydia E. Pinkham's Vegetable Compound. They know because they have taken it and have been helped. Why don't you give it a trial?

## A BUSINESS COUPE OF STEEL

Dodge Brothers offer to the business public of America an entirely new principle in Coupe body construction.

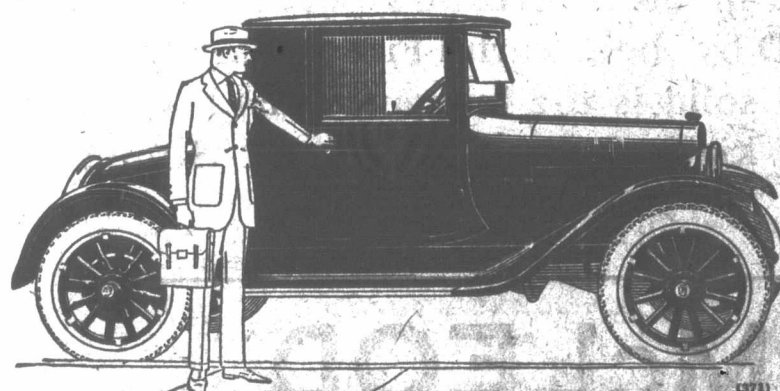

From framework to window mouldings the body is built of steel. It is the first all-steel closed car ever marketed. This design anticipates every possible requirement of commercial travel. It insures unusual quietness—unusual grace—unusual stamina. It has made it possible to give the Coupe that same lustrous baked-on enamel finish for which Dodge Brothers open cars have long been famous.

The upholstery is of genuine leather—leather that will wash and wear. The seat is wide and comfortable. Carrying compartments are accessible and spacious. The car is equipped with a heater, dome light, window levers, windshield cleaner, cord tires, Yale door locks, and every other appointment necessary to the owner's comfort and protection.

Built inside and out to withstand the wear and tear of everyday use, it retains the same lightness and beauty of line which you are accustomed to look for in Dodge Brothers cars.

It is the Business Coupe which business people the world over have been expecting—from Dodge Brothers.

Guy Turner and wife are visiting Aroostook.

Donald Howard has returned to visit his parents for the summer. Donald was one of the boy heroes of the war. He enlisted in Campbellton in the Fall of 1914, when not quite 15 years of age, was sent to St. John and was attached to the famous fighting 28th Regiment and served in the trenches in France with that regiment. He was sent home again on account of being under age. He is the possessor of two military medals, and as sharpshooter, the other as pistol expert.

After the war Donald enlisted in the U. S. A. service and was sent to the Philippines, as staff sergeant, 17th Balloon Co., American Air Service, Fort Wm. McKinley, and last year made a trip to China and Japan. An interesting letter was received last week by Mr. Langley from another Aroostook boy who was educated at the village school. Henry Langendyk, whose father was formerly a fitter at Aroostook is now in the American Consulate at Amsterdam, Holland, and is a stenographer, can speak English, French, and German, and says he intends learning more languages. This boy speaks highly of the Canadian climate and hopes ultimately to return to Canada.

## HER RECOVERY IS AMAZING TO MANY FRIENDS

MRS. McARTHUR TELLS HOW TANLAC BROUGHT COMPLETE RELIEF FROM STOMACH TROUBLE THAT WAS SO BAD SHE COULD NOT WALK UP THE STAIRS—GAINS WEIGHT TOO.

"My friends all express surprise over the fine change in my health, and I always tell them how Tanlac caused my improvement," said Mrs. Kenneth McArthur, 2 S. Bentinck St., Sydney, N. S.

"I was dreadfully weak and run down for six years, suffering from a bad form of stomach trouble. No matter how careful I was of what I ate I had awful attacks of indigestion. I had trouble with my heart skipping and jumping, but I know now it was due to the condition of my stomach. I was nervous and miserable, getting little rest day or night, and so fagged out I couldn't climb the stairs."

"I began taking Tanlac just in time for I had almost lost hope. Now I am feeling like a different woman. I have a hearty appetite, eat anything, sleep restfully and have gained weight. I think Tanlac is truly wonderful."

Tanlac is sold by all good druggists.

## LOCAL AND PERSONAL ITEMS

On July 23, Rev. H. R. Bell will  
preach as follows—Centreville 11 a.  
m. and 7:30 p.m.; Carvell 3 p.m.  
Come and hear.

Many of our citizens attended the  
celebration at Florenceville on Wed-  
nesday, while others went to Wood-  
stock to spend the holiday. The chief  
attractions at Florenceville were the  
parade by the members of the Orange  
Order, and the baseball games when  
Juniper was victorious over Florence-  
ville. Florenceville won when Bath  
and Florenceville played.

Eddie Walton was the victim of a  
shooting accident on Tuesday when  
returning from a fishing trip to Miram-  
ichi. He was brought to Centreville  
and the physicians failing to locate the  
bullet was taken to the hospital in  
Woodstock. His condition is some-  
what improved, although the bullet  
has not been removed.

Dr. Brown and Miss Brown were in  
Woodstock on Thursday.

A. C. Gibson is able to be out after  
his recent illness.

Mr. and Mrs. Joseph Brockway of  
Foxcroft, Mrs. Wendell Piper and  
daughter of Bangor, Mrs. Fred Oliver  
of Guilford and Miss Janice Irvine of  
Portland, Oregon, visited their cousin,  
Miss Addie Irvine on Friday.

Miss Margaret Burrow of Devon  
spent her vacation at the home of  
Mr. and Mrs. Leland Clark.

Burton Clark and Lee Kennedy cil-  
lided at the end of the Florenceville  
bridge on Saturday and one car was  
slightly damaged.

Local talent of Easton, Maine gave  
a play on Tuesday evening to a fair  
house, which was much enjoyed by all  
who attended.

Mr. Bruce left for his home in P.  
E. I. on Thursday.

Mrs. A. G. Gibson has gone to Chat-  
ham to visit at the home of Harold  
Baldwin for a few weeks.

### DR. CODY DEAD

Dr. and Mrs. McClintock received a  
message on Wednesday that Dr. Cody  
was seriously ill, and they left for Bos-  
ton on Thursday. They were accom-  
panied as far as Woodstock by Mrs.  
S. W. Niles. Mr. Niles got another  
message Sunday saying he had passed  
away on Saturday and the body would  
be brought to Bridgewater on Monday  
and from there to Centreville where  
the funeral would take place Tuesday  
afternoon.

### SAD DROWNING AT

### TRACEY MILLS

The little daughter of Mr. and Mrs.  
Lew White of Royalton was accident-  
ly drowned on Saturday. The funeral  
was held at Tracey Mills on Sunday  
afternoon. The bereaved parents have  
the heartfelt sympathy of the commu-  
nity in their affliction.

### Jacksonville Jottings

Mr. and Mrs. John Foster and  
daughter Mabel of Lower Windsor,  
were guests of Mr. and Mrs. William  
Hopkins Wednesday last.

Mr. and Mrs. Moody Hallett were  
guests of Mr. and Mrs. Redler Fraser  
Sunday.

Most of the farmers have com-  
menced haying.

Miss Alta Fraser has been the guest  
of her grandmother, Mrs. Joe, Craig  
of Lower Windsor, also of her aunt,  
Mrs. Clarence Leakey of Bannock.

Mrs. James McDonald of this place  
was the guest of Mrs. Walter Craig  
one day last week.

Miss Mabel Good and Miss Mary  
Shaw of this place were guests of Mrs.  
Walter Craig a week ago Saturday.

J. D. Fraser of this place is making  
some repairs on Moody Hallett's  
house.

Miss Josephine Fraser was quite  
badly bitten in the right arm and leg  
by Sam Harper's dog Friday night.  
The dog was shot next morning.

### ELI S. WATERS

The death occurred at his home in  
East Corner Friday, July 7, of Eli  
S. Waters in the 62nd year of his age.  
Death was due to paralysis from  
which he had been a sufferer for some  
time. The funeral was held on Sun-  
day and was very largely attended.  
Burial service at the grave was con-  
ducted by the Orange Lodge of which  
the deceased was a member. The pall-  
bearers were: Herbert Walker, John  
Gillies, Thomas Coleridge and Fred  
Roland. The service at the church  
was conducted by Rev. Hugh Miller.

### Why Do They Do It?

What makes people fill one  
theatre right after night for 448  
nights for one play and stay away  
from another theatre with another  
play, as though it were a plague  
spot?

One play is doubtless as widely  
advertised as the other and the  
casts of both are probably equal in  
ability. And yet the crowd goes  
to one and stays away from the  
other.

Of course the answer is plain.  
One has merit; the other has not.  
The play which is to be given on  
the Chautauque program is one of  
the few good ones, the few which  
have had exceptionally long runs  
in New York and Chicago, this  
proving without a doubt that "they  
have the goods."

"Turn to the Right" ran 448  
nights in New York and 319  
nights in Chicago. It is called "the  
comedy that will live forever." It  
has the heart interest of the ever-  
compelling story of mother-love. It  
is clean. People who are familiar  
with the Chautauque type of play  
agree that this is a fine example  
of the type.

A special single admission price  
of \$1.00 is announced for the at-  
traction, but season ticketholders  
will escape this extra tax. This  
looks like an opportunity for lovers  
of drama, especially comedy drama.

### For Sale at Bargain

100 acre farm, about 60 acres  
cleared, balance in lumber land, sit-  
uated in Greenfield, near the home of  
Mr. T. W. Caldwell, M. P. This farm  
has enough hardwood on it to pay  
full price asked for the farm. This  
is a real bargain. Also, choice of  
two nice residences on Maple Street  
in town here for sale at a low price.  
Reason for selling, personal. Also  
wish to sell my mill and lot at Shick-  
ney. This is a fine new mill, well lo-  
cated, including a large piece of  
ground for piling purposes. This mill  
contains Rotary, Edger, Lath Machine,  
Planer, Pulp Routers and Sash Steam  
Feed. Can easily cut 20 to 25 M per  
day. This is offered at a great bar-  
gain. Part terms if necessary. My  
reason for selling is that I wish to  
devote my entire time and capital to  
my retail business.

**S. W. SMITH**  
East Florenceville

### THE REWARD OF CARELESSNESS

Many fine homes have been lost by  
lightning, merely because rodding was  
one of the things their owners were  
going to do "some day." Loss of your  
home may be the reward of similar  
carelessness.

The Dodd System of Lightning Pro-  
tection makes loss by lightning IM-  
POSSIBLE and is GUARANTEED in  
writing.

THE COST? Nothing compared  
with the possible saving.

Call, write or telephone me about it  
at once and I will arrange to fix you up  
with the old and reliable Dodd &  
Struthers System.

Terms to suit you.

Centreville, N. B. N. B. phone 29-6

### KENNEDY HOUSE

CENTREVILLE, N. B.

I have purchased in the above town  
the property known as the Centreville  
Hotel and after having made neces-  
sary alterations in order to meet the  
demands of the public, I feel satisfied  
that with my up to date house and  
efficient staff of help, I can meet and  
cater to the requirements of the tra-  
velling public and in view of this so-  
licit your patronage. Our slogan is  
"CLEANLINESS, COURTESY, CON-  
GENIALITY."

We shall make arrangements to car-  
ry and bring passengers from trains  
here and at Florenceville.

The hotel in future shall be named  
**THE KENNEDY HOUSE.**

**L. L. KENNEDY, Proprietor.**
