KING'S EVIL

Was the name formerly given to Scroic because of a superstition that it could be cured by a king's touch. The world is

wiser now, and knows that SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected,
the disease perpetuates its taint through
generation after generation. Among its
earlier symptomatic developments are
Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas,
Purulent Ulcers, Nervous and Physical Collapse, etc. If allowed to continue, Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases,
Tubercular Consumption, and various other dangerous or fatal maladies, are
produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effectual an alterative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great Regenerative Medicine

Is composed of the genuine Honduras Sarsaparilla, with Yellow Dock, Stillingia, the Iodides of Potassium and Iron, and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an
