Beloved Doaktown Lady Passes Away

Mrs. Henry Waterton Succumbs to Attack of Influenza—Was Prominent Church Worker and Beloved by All

The many friends of Mrs. Henry Waterton, wife of the Rev. Henry Waterton, Rector of Kingston will be grieved and shocked to hear of her death last Wednesday afternoon. She was ill only a few days with influenza followed by double pneumonia and heart failure.

She was a great and willing worker in the Church and Sunday School as well as an enthusiastic president of the Kingston Women's Auxiliary and an honorary president of the three branches of the parish.

All branches recently showed their appreciation of her work of this organization. During the brief time (two and a half years) she has been in the parish, Mrs. Waterton organized three Sunday Schools, one at Roads Point, one at "Nutters" also one at Lakeside, in which she took such pride and worked so faithfully and unselfishly that she soon considered her own health. Mrs. Waterton was thoughtful of others taking opportunities of helping in sickness and need. Her bright and cheerful disposition made her beloved by all who knew her. She was about 28 years of age. She will be greatly missed by her large circle of friends and heartfelt sympathy is extended to Mr. Waterton in his sad bereavement. Mrs. Waterton is survived by her sorrowing husband, her father and mother, Mr. and Mrs. Geo. H. Hinton of Doaktown, one sister, Florence, and one brother, Earle. A service was held at Kingston Rectory on Friday afternoon at 2 o'clock, when a large number of sorrowing parishioners from all parts of the parish attended to show their love and respect, services being read by the Rev. M. S. Showan, Rector of Sussex who gave a short address and words of Mrs. Waterton's life and work in Kingston. The remains were taken to Doaktown on Friday and a funeral place there on Sunday afternoon in the family plot of the Union burying ground.

There was a service in St. Andrews Church, where deceased was organist for some years and where she was married.

The service being taken by the Rev. A. J. Patstone and the lesson was read by the Rev. A. J. MacNeil, the church was filled by many who had known and loved her from childhood.

The pall-bearers were—Messrs. Chester Mitchell, Herman Attridge, Ellis Mersereau, Lorne Hixen, Thos. Chalmers and Walter Lesley.

The floral tributes were very beautiful including a lovely Cross of Roses and Carnations with the inscription, "In memory of the dear and loving wife of the late Geo. Hinton." A broken circle—in loving remembrance from the family.

A wreath—With deepest sympathy from Aunt Nancy Russell and family.

Wreath—With sympathy from Misses Ida and Louisa Northrup and Mrs. Laura Whiting.

Wreath—In loving remembrance from Lang Beach and Whitehead Women's Auxiliary.

Wreath—With deepest sympathy from Roads Point Sunday School.

Fiat Honquet—With deepest sympathy from Mr. and Mrs. R. A. Watson.

Cross—In esteemed memory and deep and heartfelt sympathy from the Chapter of Kingston Deacons.

A very beautiful sheaf—Mr. and Mrs. J. T. MacBean Mrs. A. C. Maclean and Misses Margaret and Albert MacLagan.

A wreath—Parish of Ludlow and Blissfield.

Victims Of La Grippe Left Weak Disheartened and An Easy Prey to Other Troubles

A Nova Scotia Man Tells How He Found New Health and Strength

If you have had an attack of la grippe, or Spanish influenza you are not out of danger until your blood is restored to normal.

Influenza leaves behind it weakened vital powers, thin blood, indigestion, and over-sensitive nerves. In this condition the system becomes an easy prey to deadly pneumonia, bronchitis, nervous prostration, rheumatism and even consumption. Ask anyone who has had an attack of influenza what their present condition of health is and most of them will answer "since I had the grippe I have never been really well." This general feeling of weakness will continue until the blood is built up again, and for this purpose nothing can equal a fair treatment such as Dr. Williams' Pink Pills. First to last these pills make new, rich, red blood which reaches every organ and nerve in the body, and through this weak, dependent victims of influenza are transformed into cheerful, healthy, happy men and women.

Among the many victims of la grippe who proclaim the value of Dr. Williams' Pink Pills is Mr. Amos Kauback, of Petit Rivere, N. S., who says:—"I was taken down with a severe attack of la grippe, or influenza. After a time the early symptoms of the trouble left me, but I did not regain my usual strength, and I had always been a strong man. There were times when I felt I could hardly crawl about, and I was so run down I could scarcely go about my business. I continued taking medicine but it did me no good. Then I found the trouble was affecting my digestion and the disagreeable feeling from this added to my general misery. I was finally advised to take Dr. Williams' Pink Pills, and I decided to try them. I had only been taking the pills a few weeks when I found my strength returning, my appetite improved, and still continuing the use of the pills a few weeks more found me restored to my old-time vigor. I can most strongly recommend Dr. Williams' Pink Pills to all who have passed through an attack of influenza, as a safe medicine for renewing their strength."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at a box or six boxes for \$2.00 from the Dr. Williams' Medicine Co., Rockville, Ont.

Doaktown Loses Aged Resident

Doaktown lost one of its oldest and most respected citizens on Monday last in the person of Mr. Samuel Betts, following a short illness of La Grippe and complications.

Deceased who was unmarried was a life long resident of Doaktown and was held in high esteem in the community. For a number of years he followed the lumbering industry, but of late has lived rather a retired life, but acted as Collector of Rates, etc., for Blissfield Parish.

The funeral on Tuesday was largely attended, services being conducted by Rev. Mr. Kincard.

ADVISED PLANTING WEEDS IN FIELD

Sacramento, Cal., Jan. 18.—That Industrial Workers of the World had been advised to plant noxious weeds in California fields as a means to offset the prosecution of several of its members charged with murder, was revealed in testimony today at the trial of 40 members of the organization charged with an act of sabotage throughout the west. Testimony to the effect was given by W. Dennis, formerly a member of the organization, now manager of a manufacturing plant at Berkeley, Cal.

This practice, was suggested, Dennis said at the time "Blackie" Ford and H. D. Suhr were on trial at Wheatland, Cal. for the murder of District Attorney W. T. Maxwell.

REAL VALUE

is based, not on the price paid for a commodity, but on the benefit derived. That is why Zam-Buk is the cheapest skin healer on the market—because the benefit derived is 95% greater than can be got from ordinary ointments. This is due to the fact that Zam-Buk is all medicine—100%. Ordinary ointments are 5% medicine and the balance animal fat.

The superiority of Zam-Buk is proved by the many cases of chronic skin trouble and old sores which yield to the power of Zam-Buk after all other treatments have failed.

The unusual power of penetration which Zam-Buk possesses enables it to reach the underlying tissues, where skin troubles have their "root." Then the germicidal properties in Zam-Buk destroy all germs. Until this is done healing can never be thorough. The reason why sores that have been treated with ordinary ointments break out again is because the remedy has never got to the seat of the trouble, but has only healed over the outer skin. Zam-Buk, on the contrary, uproots skin disease and the cure is complete and permanent.

Zam-Buk should always be used for eczema, ringworm, scalp sores, pimples, abscesses, ulcers, blood-poisoning, bad leg, piles, cuts, burns and scalds. All dealers or Zam-Buk Co., Toronto. 50c. box, 3 for \$1.25.

Relieve Your Rheumatism For 25c.

NR does it by improving digestion, assimilation and elimination—the logical way.

NR Today—Relief or No Pay

There are three vital processes of human existence—the digestion of food, the extraction of nourishment from it and the elimination of the waste.

Let anything interfere with these processes—let them be interrupted or improperly carried on, and sickness of some kind follows.

Poor digestion and assimilation means failure to derive full nourishment from food and that in turn often means impoverished blood, weakness, anemia, etc.

Poor elimination means an accumulation of waste matter which poisons the body, lowers vitality, decreases the power of resistance to disease and leads to the development of many serious ills.

Rheumatism—due to some interference with the process of elimination, which rid of certain body poisons—cannot be expected to yield to any medicine that fails to correct the condition responsible for it. Could any reasonable person expect to rid himself of rheumatic pain as long as rheumatic poison is allowed to remain in the body?

Think of this. It explains the success of Nature's Remedy (NR Tablets) in so many cases where other medicines have failed. Thousands are using NR Tablets every day and getting relief. Why pay five or ten times as much for uncertain things? A 25c box of Nature's Remedy (NR Tablets), containing enough to last twenty-five days—must help you, must give you prompt relief and satisfactory benefit or cost you nothing.

And Nature's Remedy is not only for the relief of rheumatism. It improves digestion, tones the liver, regulates kidney and bowel action, improves the blood and cleanses the whole system. You'll feel like a new person when you've taken NR Tablets a week. You've tried the expensive medicines and doctors, now make the real test. You'll get results this time. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

OBITUARY

MRS. JAMES TOBIN

After a long and painful illness, Mrs. James Tobin passed away Monday at her home Doyle's Brook at the age of sixty years. Deceased was severely injured in the Whooper wreck eight years ago, at her death was the result of the injuries received at that time. Mrs. Tobin was a patient in the Miramichi hospital for some time and four weeks ago returned to her home, where she lingered until Monday.

Deceased was a daughter of the late William Furlong and is survived by one son, Thomas A. home, and one daughter, Mrs. Allen, at Moncton.

Also surviving are two sisters, Mrs. Michael Donovan, Newcastle and Mrs. William, John Furlong, and Philip Furlong of Newcastle.

A funeral was held Wednesday morning at ten o'clock to the Catholic church at Chatham, interment in the cemetery adjoining the church.

MURDOCH CAMERON

On Saturday night Jan. 11th inst. the death occurred at the residence of the late Murdoch Cameron a respected resident of Black River, at the early age of thirty four years.

Mr. Cameron was one of the party of men in the A. & R. Loggie Co's lumber camp who were stricken with influenza and recently brought to the hospital for treatment. In Mr. Cameron's case pneumonia developed and caused the best medical skill, resulting in his death as stated.

His remains were taken on Monday to Black River where interment took place in St. Stephen's cemetery. Cemetery services being conducted by Rev. J. H. A. Anderson, St. John's Church, Chatham, in the absence of Rev. J. M. Fraser, present undergoing treatment in a hospital at Newcastle. A large number of friends and neighbors from the community were present to pay their last respects to the departed.

Mr. Cameron leaves to mourn his loss a widow and one child, a widowed mother and brother at the home in Black River and one sister, Mrs. George Bradley of Bedford, Vt., U. S. A. Mrs. Cameron was formerly Miss Whitney of Red Bank, N. B. These all have the sincere sympathy of the whole community in their sudden and sore bereavement.

TO OUR READERS

The Advocate comes to its readers this week, the first time since our fire on October 28th last, the product of our own office, and has been produced under difficulties, but we trust soon to be able to publish a paper of which our readers will be proud. Our newspaper press, which we thought had been only damaged by water at the fire and which we had hoped to use collapsed yesterday when some of the most important parts, which had evidently lost their temper with the heat of the fire, broke off like toothpicks, and now we find that we will have to install a new newspaper press. In our Job Department practically everything has been renewed with the latest and most improved materials, and we now have one of the most complete job printing departments east of Montreal. Our new equipment includes new type, steel run dust proof type cabinets, and type cases, two 1918 Model, Gilding Job presses, and a complete line of new printing papers. In this department we can guarantee quick delivery, and superior workmanship. Our newspaper department will be in good running order in the next few weeks, and we trust will be as well equipped as our Job Printing Department. To our friends who have stood by us in our trying times of the past few months, we desire to express our heartfelt thanks.

Well Satisfied With
Baby's Own Tablets

Mrs. Emilie Malette, Montpelier, P. Q. writes:—"I have used Baby's Own Tablets for some time and am well satisfied with them. They are surely the best medicine I know of for little ones." What Mrs. Malette says, thousands of other mothers say. Once they have used the tablets for their children they would use nothing else. The tablets are a mild but thorough laxative; are absolutely free from opiates, narcotics or other harmful drugs and may be given to the youngest baby with perfect safety and good results. They are sold by medicine dealers or by mail at 25 cents a box from 'The Dr. Williams' Medicine Co., Brockton, Ont.

NORTH'D COUNTY COUNCIL DOES
NOT LIKE NEW HEALTH ACT

(Continued from page 1)
now exist under a proper health act would not exist.
Coun. Watling asked that if the Board were appointed would there be other appointments under them. There are men needed in every parish to look after health matters. There had been no "flu" in Black River, and would never have been any if there were proper precautions taken, but the school had been opened when there were numerous cases there. He wanted men appointed so that when a house was placed under quarantine to see that the quarantine was kept. Three men cannot give the County justice.

Coun. Baldwin did not think the Government should load the responsibility on the County. The Government has the whip hand in the matter and personally he would not vote for the measure.
Coun. Williams thought the motion was a little drastic. He would like more information on the matter regarding the working of the act, and thought Dr. Desmond, who was present would explain it.

Dr. Desmond in reply to Coun. Watling said that the County would be divided into Health Districts, as near the parish lines as possible, and each district would have an inspector whose duty it would be to quarantine, keep quarantine and properly fumigate after the disease.
Dr. Desmond continuing said that one of the greatest advantages of the new Health Act, was Medical Inspection in Public Schools. At the present time out of every twelve children attending school eight were diseased in some manner, and handicapped in the race for education. Under the Health Act, doctors would be selected to look after a number of schools. They would be paid a salary to be fixed by the Board, and also provide free vaccination. Compulsory vaccination in schools would also be insisted upon. Another feature of the new act was that serum for all diseases would be available at a few hours' notice, whereas now it takes days to get it, and all doctors would be provided with tubes, so that in cases of contagious diseases they could send to the laboratory at St. John, and find out all about the disease in question, whether it was dangerous or not. The three members appointed by the County and the two by the Government, would not be paid any salary, but they would only be given mileage for the services rendered.

Coun. O'Shaughnessy asked what the Health department proposed doing with children found diseased in the schools, to which Dr. Desmond replied that the doctor making the inspection notifies the parent of such pupil that such disease exists, and the parent must have the disease remedied and the pupil present a certificate that it was cured before being allowed to go to school and mingle with other children. He tuberculosis everyone would oppose a child with that disease in school, but with proper treatment in its first stages it could be cured.
To Coun. Williams Dr. Desmond said that the salary of the secretary, and fifteen sanitary inspectors was fixed by the Board.
To Coun. Powers he said that medical inspection of schools would be made twice a year, once shortly after the term started and again at Christmas.
Dr. Desmond said that a rough estimate of the cost of the new act was about one dollar for every family of five.

Coun. Anderson was glad that they were looking into the matter of costs. They were custodians of the County's finances, and were now \$12,000 behind and the finances were a serious question, and before we put any more assessment we should look into the matter. The County was worse off financially now than for the last thirty years.
Coun. T. Parker contended that it would not be necessary to appoint another medical man, as Dr. Desmond was ex-officio a member.
Coun. Vanderbeck said that with the appointment of another doctor and two members by the Government was only a scheme to get control of the Board. He had not seen the bills incurred by the Board of Health since July, but noticed one for \$400 had passed without being certified to. This had been contracted by order of the local Government and should be paid by them. The Government might just as well appoint the five men and run the Board as they would run it anyway.
Coun. McKnight said that the money question was important, but the question of health was more so. Medical inspection of schools was most important to everybody. Dr. Desmond and Dr. Roberts had both said that was where disease started. Diseases had been hid in the past that would be found out in school inspection. Money questions were very important but not nearly so important as health of children going to school. He knew the County was in debt, but was in favor of adopting the act. We should take an interest in it and see how it would work.
Coun. D. Doyle thought that the Council would make a mistake if it took no action. The Government would then contract bills and they would have to be paid, as had already been proven out in the county, and

the County should have a say in the matter.

Coun. T. Parker asked what opponents of the new act proposed doing if they rejected the act. If they anything else to offer.

Coun. Lavioie—"Let the Government run it."

Coun. L. Doyle said that the question to decide was what was to be done. The principal items were safeguarding the public health and the ratepayers. If the Council took no action the Government had power. It might be better to let them try it. The Government appoint the principal officers on everything, so let them have all action.

Coun. O'Shaughnessy was in favor of Medical Inspection of Schools, but let the Government do it. Let the government run the Board of Health for one year and see how they make out. They would have all the say and the County lose. The County would have to pay the big end and the towns get off easy. What would the ratepayers say to the electors if they pay \$5,000 or \$10,000 more assessment on them. He knew they would be defeated.

Coun. Williams said Chatham paid about 29 per cent. of total assessment of County.

Coun. Watling said to give the Government no money and then they would not need to say how it was to be expended. Let the Government run it for a year.

The Warden said that if Council rejected the act they must have something to offer in its place. If the law does not go into force there would be nothing to protect the health of the County. He cited instances where the new act would have remedied matters.

Coun. Doyle said that the County had been running the Board of Health for years and the Government were not satisfied, so let them run it a year and see what they can do.

Another member of the Council were taking a rather speedy action. Coun. McKnight moved that a committee of five be appointed to look into the matter of the Public Health Act and report back to the Council.

Coun. Watling said that the Council were taking too much time to discuss the matter. If it had to be discussed again the Council would be in session until Sunday.

On the amendment being put it was lost. Original motion that no action be taken was carried on the following vote: Yeas: Couns. Sinclair, Somers, O'Shaughnessy, Powers, O'Donnell, Mersereau, Vanderbeck, E. J. Parker, Hayes, Schofield, LeBlanc, Lavioie, Baldwin, Harriman, L. Doyle, Anderson, Fowle, McKnight, Watling, Nays: Couns. McKnight, Allard, D. Doyle, Gill, Tweedie, Williams, Thos. Parker.

On motion Council adjourned until one o'clock, for Committee work, and on resuming further adjourned until two o'clock for dinner.

AFTERNOON SESSION
Council reconvened at two o'clock. Coun. Parker read communication re default list for parish of Bissett and asked for explanation from the Treasurer.

Secretary Treasurer said that there was no default list for 1918, but as the collector had not been connected on roads he had applied the over collection to old default lists, and instead of a default list of \$1485, there was a credit of this amount.

On motion of Couns. Parker and Mersereau returns of Samuel Betts, collector of rates for Parish of Bissett, passed.

On motion of Coun. McKnight the following County Accounts passed:

On motion of Couns. T. Parker and Mersereau the following parish of Bissett accts. passed:
Sec-Treas. acct. with Bissett parish clerk.
Sec-Treas. acct. with Bissett pauper lunatics.
On motion of Coun. E. J. Parker returns of Everett Allison, collector of rates for the parish of Derby passed.
On motion of Couns. Somers and Powers the following resolution passed:
Whereas, under the present Road Act it is the policy of the Government to expend all the taxes collected upon automobiles on the trunk roads; and whereas, in the opinion of this Council this policy is unfair to owners of automobiles in outlying districts who have to pay taxes to go to the upkeep of roads which they seldom or never use;
Be it therefore resolved that this Council recommend that all moneys collected for said taxes be expended in the districts where such taxes are collected and that a copy of this resolution be forwarded to the Minister of Public Works and the members of the Legislative Assembly of New Brunswick.
On motion of Couns. E. J. Parker and Vanderbeck the Sec-Treas. Acct. with the parish clerk of Derby passed.
On motion of Couns. Schofield and Hayes the following accounts of the parish of Blackville passed:

Sec-Treas. acct. with Blackville roads.
On motion of Couns. Schofield and Hayes the sum of \$162.00 was assessed on the parish of Blackville for the support of pauper lunatics.
On motion of Coun. Gill the following Nelson accts. passed:
Sec-Treas. acct. with parish clerk for Nelson.
Sec-Treas. acct.
Return of Patrick Gorman, special collector of default taxes.
Return of Thos. Dalton, collector of rates, district No. 2.
Thos. Dalton, collector of road taxes.
On motion of Couns. Parker and Vanderbeck parish officers for parish of Derby passed.
On motion of Couns. E. J. Parker

and Vanderbeck Sec-Treas. acct. Derby roads passed.
Coun. E. J. Parker asked if anything had been done in regard to running a line between the parish of Derby and South Esk.
Sec-Treas. said notice had been given in time last year, but would have matter attended to at once.
Coun. McKnight read petition from several of the residents of the parish of Bissett asking for a bye-law prohibiting the running at large of cattle in a certain part of that parish and on motion was referred to bye-law committee.
Coun. Williams suggested that rate payers in districts referred to in bye-laws to be given notice so that the bye-law could be argued.
On motion of Coun. McKnight the following accts. passed:
E. P. Williston acct. of the County School funds showing a balance of \$10,985.42 on hand.
Geo. Stables, auctioneer, \$5.00.
M. S. Benson, coroner, \$5.00.
E. P. Williston, Scot Act acct., showing a default of \$136.48.
T. H. Whalen, res., printing births, deaths and marriages, \$14.80.

An Important Announcement
to the People of Newcastle

We have long realized the necessity of a good phonograph, which would play ALL records CORRECTLY.

We knew that, when such a phonograph could be designed and produced to play properly any record, that it would immediately be the people's choice.

That "Final Phonograph" has at last been produced and it is being made in Canada.

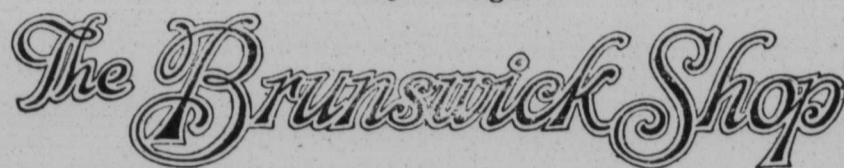

NO LONGER need your selection of records be limited. The pleasure of hearing ALL ARTISTS may now be yours, through the possession of this ultimate phonograph made by the famous Brunswick-Balke-Collender Co., of 70 years experience in the wood-craftsmanship.

Among the many features that combine to raise the Brunswick above all other phonographs is the "ULTONA" reproducer which by the mere turn of a hand is adapted to any make of record, and the ALL-WOODSOUND CHAMBER—built like a violin.

We take pleasure in announcing to the people of Newcastle that we have opened an Agency for this "All Phonographs in One" and invite everyone to call and hear the true, natural tone which this musical instrument possesses.

We will be glad to demonstrate any record on the Brunswick, including the popular line of Brunswick records also.

Come and enjoy an evening with us at our store

Coun. Vanderbeck said sheep had been killed before the law came into force and moved that bill not be paid. On motion of Coun. Hayes return of Walter Merseve, collector of rates for the parish of Blackville passed, showing \$1.00 due collector.

Return of Chas. Underhill collector of rates of the parish of Blackville, passed. Return of Michael Hogan, collector of rates, parish of Blackville, passed, showing \$4.14 due collector.

On motion of Coun. Lavoie a sum of \$191.10 was ordered assessed on the parish of Rogersville for the support of pauper lunatics for 1919. Return of Coun. McGraw, collector of rates of district No. 3, Rogersville, passed, showing a balance due collector of \$30.88.

On motion of Coun. McKnight the sum of \$412.00 was ordered assessed on the parish of Newcastle for the support of pauper lunatics, 1919. On motion of Couns. McKnight and Doyle, returned of Patrick Keane, collector of rates, district No. 1, Newcastle, passed, and the default list was ordered to be handed to J. P. for collection.

Return of Patrick Keane, collector of rates, district No. 2, Newcastle, passed. Sec. Treas. act. with Newcastle pauper lunatics passed. Sec. Treas. act. of Newcastle rates passed.

On motion of Coun. Somers return of J. P. Ferguson, collector of rates, South Esk, passed, showing a balance due collector of \$21.00. On motion of Edward Shilker, collector of rates, South Esk, passed, showing a balance of \$3.11 due collector.

The return of Edward Goodfellow, collector of rates, South Esk, passed, showing a balance of \$21.00 due collector. On motion of Coun. Doyle a resolution was passed that a law be enacted allowing no scrub hells to run at large in the County of Northumberland.

Coun. Doyle said the bill was to improve stock. Agricultural Societies had asked him to bring the matter up. After a lot of discussion the motion was defeated by a vote of 8 to 16. Coun. O'Donnell asked the clerk of the Peace what constitutes a Fowl.

Clerk of the Peace Whalen said any enclosure whether it had a roof or not, or any person's barn constitutes a fowl, and any dog unless kept and chained in charge it is legally in pound. On motion of Couns. Schofield and Hayes parish officers for the parish of Blackville passed.

On motion of Coun. LeBlanc return of W. Richard road tax collector, passed. Sec. Treas. act. with the parish clerk, Rogersville, passed. Sec. Treas. act. with Rogersville pauper lunatics passed.

Sec. Treas. act. with Rogersville roads, passed. Council adjourned until 10 o'clock Thursday. THURSDAY. Warren called Council to order at 10 o'clock. Minutes read and approved.

Coun. LeBlanc moved to excuse Coun. Lavoie for absence today, he having been called home by important business. Carried. On motion of Coun. Doyle it was resolved that no July session be held, but that the Warren appoint a committee of five to pass accounts.

Coun. LeBlanc moved that E. P. Williston, moved that E. P. Williston be paid \$10 for translating and publishing a report of the Council. Carried. Coun. Somers wanted to know why the dog tax had not been assessed and collected in all the parishes.

Carried. Coun. McKnight moved list of officers for Newcastle. Passed. Coun. Watling thought the Council should do something to thank the men who have been fighting our battles. He hoped something would be done.

Coun. E. J. Parker moved that a committee be appointed for the purpose. Carried. Committee—Schofield, E. J. Parker, Watling. Mayor Troy, on motion of Coun. Vanderbeck, was heard on the Salvation Army Million Dollar drive, and eloquently advocated the claims of that body on public generosity.

The Warrent said the same men who conducted the Y. M. C. A. and K. of C. drives were conducting this one. Coun. Vanderbeck moved that \$100 be voted for the purpose. Coun. Hayes moved in amendment that \$200 be voted.

The motion \$100 was adopted with out debate or division. Mayor Troy thanked the Council and the Councillors for their donation. Coun. Fowle moved list of Hardwick officers. Passed.

Coun. Hayes was sorry the Councillors had not looked higher than \$100 for the Army. Coun. Gill moved list of parish officers for Ludlow, \$255 for pauper lunatics, return of Peter O'Neil, col. of rates, return of Thos. Lynch, col. of road tax, do. col. of default, pass. Carried.

Coun. O'Shaughnessy moved parish accounts of North Esk, returns of Jos. Solley, John Forsyth, Herbert Fair, Anthony Cain, assessment of \$140 for pauper lunatics, pass. Carried. All. Doyle moved that the Sec. Treas. be authorized to have Hon. Peter Mitchell's price estimated and suitably framed. Carried.

Coun. Adams moved that \$110 for pauper lunatics, Alwyck, and returns of J. W. Longue, Albert Maczarrall, J. E. Burchill, Robert B. Robichaud, pass. Carried. Coun. Fowle moved that \$115 be assessed on Harwick for pauper lunatics, and returns of Jubal McDougal, Frank McDougal, and road accounts, pass. Carried.

Coun. Anderson submitted the report of the Board of Health. An epidemic of snailpox prevailed during the first few months of the year—251 cases and there were 47 cases of diptheria, 79 of measles, 219 of diphtheria, and a few mild cases of typhoid. During October, November and December influenza became epidemic over a large section of the county—1,125 cases being reported, with 167 deaths. The disease in the nursing camps was of a very severe type. Doctors were sent to Rogersville and Blackville, and trained nurses were sent to the afflicted. The board did all it could to keep down expenses while doing everything possible to relieve the afflicted and combat the disease. (Signed) J. W. Vanderbeck, Wm. Anderson, F. J. Desmond.

Coun. Thos. Parker reported in favor of the Bay du Vin by-law amendment. Adopted. Coun. McNaughton moved that the county dog tax account pass—\$296.40; see July account, Stothart Mer. Co. bill for public wharf, \$28.83; bill of J. Weir, \$46; bill of B. F. Malby, including furnace in jail, \$88.75 (to be charged to Land Fund); bill of M. S. Co. \$68. T. H. Whelan, \$15, pass. Carried.

BEDRIDDEN WITH RHEUMATISM

Felt That He Would Never Walk Again "FRUIT-A-TIVES" Brought Relief.

MR. LORENZO LEDUC

3 Ottawa St., Hull, P. Q. "Fruit-a-tives" is certainly wonderful. For a year, I suffered from Rheumatism; being forced to stay in bed for five months. I tried all kinds of medicine but without getting better; and thought I would never be able to walk again.

"One day while lying in bed, I read about 'Fruit-a-tives' the great fruit medicine; and it seemed just what I needed, so I decided to try it.

The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me.

I have every confidence in 'Fruit-a-tives' and strongly recommend them to every sufferer from Rheumatism".

We Cannot See Into The Future

Cases of President Wilson and Lord Beaverbrook Compared by Nova Scotia Paper

(Eastern Chronicle, New Glasgow, N. S.)

Just twenty years ago Woodrow Wilson lectured on history before the Brooklyn Institute. The report was a stick in length and was buried at the bottom of the column on an inside page. But Woodrow Wilson was then on the right track and was heading straight for a royal salute at Dover and a chatty visit with the worth-while crowned heads of Europe, and a night in a hounding bed at Buckingham Palace. It is hard to tell who the great one is, as you see them walking up and down Fulton street—Brooklyn Eagle.

While interesting, there is nothing so absolutely remarkable in the circumstance. Some time ago in looking up back files of the Eastern Chronicle, around about 1901, we came upon an item reading: "Max Aitken, Insurance Agent, left town for Halifax this week. It now seems that Max was on the same track, just as much as Woodrow was when he delivered his lecture on history. Both have since made his name known to the great masses of the Atlantic with an escort of battle-ships. If writers on the other side can be credited, Max Aitken had something to do with the royal salute that greeted the great American. Aitken is now Lord Beaverbrook, but they tell us he still 'max' his intimate with him. He calls Lord George 'David', J. M. Barrie, 'Jim', and H. G. Wells, 'Herb'. That's going some, as the small boy would say.

He is credited with the organization of the British War Condition Cabinet, when he crooked his finger and "David" came from one side and his Jewish New Brunswick, "Herb", came from the other side. In a trice he had a government with Lloyd George and Bonar Law working together. Max was content to be Minister of Propaganda in the government. From a lecture platform in Brooklyn to a royal salute in England in twenty years is admittedly making progress; yet the spasms from insurance agent in New Glasgow to dispenser of propaganda for a whole empire, with a peckage thrown in, may run their course as great as you see them walking up and down Provost street, New Glasgow.

Annual Meeting Highland Society

Hon. Robert Murray Is New President—Grant Increased to Miramichi Hospital

The annual meeting of the Highland Society of New Brunswick at Miramichi was held at the Canada House, Monday, of last week, Pres. R. Cory Clark in the chair.

The following new members were elected: Rev. L. H. McLean, Percy Russell, John H. Toy, Newcastle and Claude Brown, Chatham.

The treasurer's statement showed a cash balance on hand of \$957.71 and 23 shares of Bank of Nova Scotia stock amounting to over \$2000.

Secretary reported the death of three members during the year—J. Hutchinson, J. C. Miller and Col. A. R. G. MacKenzie. Rev. L. H. McLean and Secretary reported a committee to send letters of condolence to relatives.

Mr. Davidson gave his report as the Society's representatives on the Maritime Hospital Board. He paid a tribute to the courage, skill and efficiency of the hospital staff and commended the work of the hospital.

In addition to the usual grants of benevolent purposes, including the grant of \$250 to the hospital and the following amounts were voted: Supplemental grant to Miramichi Hospital \$50 and Dr. J. H. McLean, Vice-President.

Rev. L. H. McLean, Chairman, with Wilson, Treasurer, Allan J. Ferguson, secretary, and G. G. Stochart, Vice-President, were re-elected.

Rev. L. H. McLean, Chairman, J. H. Stochart, Secretary, and G. G. Stochart, Vice-President, were re-elected.

A Kidney Remedy
Kidney troubles are frequently caused by badly digested food which overtaxes these organs to eliminate the irritant acids formed. Help your stomach to properly digest the food by taking 15 to 30 drops of Extract of Roots, sold as Mother Seigel's Curative Syrup, and your kidney disorder will promptly disappear. Get the genuine.

Winter Weather Hard On Little Ones

Our Canadian winters are extremely hard on the health of little ones. The weather is so severe that the mother cannot take the little one out for an airing. The consequence is that baby is confined to overheated, badly ventilated rooms; takes cold and becomes cross and peevish. Baby's Own Tablets should be given to keep the little one healthy. They regulate the stomach and bowels and prevent or cure colic. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Extends Sympathy In Hero's Death

Minister of Militia Writes Feeling of Death of Private Charles Arbeau of Upper Blackville

Mrs. Agnes Arbeau of Upper Blackville has received the following letter from Major General Arbuthnot, minister of Militia in reference to the death of her son, Pte. Charles Arbeau, who was recently killed in action.

I desire to express to you my very sincere sympathy in the recent death of your son, No. 3255109, Private Charles "Burr" Arbeau, Canadian Exped. Force, who in sacrificing his life at the front in action with the enemy has rendered the highest services of a worthy citizen.

The heavy loss which you and the Nation have sustained would indeed be depressing were it not redeemed by the knowledge that the brave comrade for whom we mourn performed his duties fearlessly and well as became a good soldier, and gave his life for the great cause of human Liberty and the Defence of the Empire.

Again extending to you in your bereavement my condolence and heartfelt sympathy.

I am, Yours faithfully, S. C. McWUBURN

ODDS AND ENDS FROM VARIOUS QUARTERS

Versailles first became a Roman settlement about the year 1032. When Louis XVI. built a magnificent chateau in the place of an English city of 10,000, has the unique distinction of having no pawnshops within its boundaries.

The university of Petrograd is the largest university of its kind in the world, one building of which has a courtyard of nearly a quarter of a mile. The Kiel Canal was designed and constructed principally for her own war-ships. It cost \$20,000,000 to construct and its maintenance costs \$2,000,000 a year.

With the exception of one or two at the British Isles, Russia is the most illiterate country in Europe, over sixty per cent of the inhabitants being unable to read or write. During the long winter siege of Sebastopol the British soldiers in the Crimea allowed their beards to grow, and on their return revived the fashion, which has never died out.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver, and Bowels.

Look at the tongue, mother! It coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

NEW C. P. O. S. LINERS

THE part played by the Canadian Pacific Ocean Services in the great European war will make a big chapter in Canadian history. Undoubtedly the sea supremacy of Great Britain was one of the most potent factors in the winning of victory which was obtained, and the ships of the C. P. O. S. took a big part in making Great Britain supreme in any action and irrespective of disease sea service in which they did not take a part. Mounted with guns some of them were where there was fighting to be done.

Over 4,000,000 tons of cargo and munitions of war have been carried in addition to many thousand horses and mules.

The C. P. O. S. have carried from the outbreak of hostilities to October 31st, 1918, 1,011,000 troops and passengers all over the world, embracing ports in China and Japan, Singapore, Bombay, Mesopotamia, Suez, Gallipoli, ports in the Mediterranean, Colombo, Dares-Salaam, Delagoa Bay, Durban, and Mauritius, in addition to the west coast of North and South America, and the United States and Canadian ports. The total loss of troops carried caused by enemy action and irrespective of disease has been eight in number. On one consecutive continuous voyage one of the company's vessels steamed 28,441 miles.

Over 300 officers and engineers were found out of the company's service for the Royal Navy. Lieut. R. N. Stuart, one of these, has won the D.S.O. and the V.C., while many others have received decorations and been mentioned in despatches.

The Mississauga, a C. P. O. S. steamer, was the first vessel to sail on her maiden voyage from Great Britain to Canada after the outbreak of the war in 1914, a sister ship, the Metagama, sailed on her maiden voyage from Liverpool, March 24th, 1915.

These two splendid ships have been followed by two larger ships, the Melita, which sailed from Liverpool Jan. 26th, 1918, and her sister ship, the Minnedosa, on her maiden trip from Liverpool Dec. 8th, 1918 to St. John—the first steamer to sail since hostilities ended. The Minnedosa is a splendid acquisition to the steady large fleet of C. P. O. S. vessels. She has a gross tonnage of 14,000, length 546 feet, width 67 feet, depth 45 feet and a total cargo capacity of 488,000 cubic feet.

A small number of two-berth staterooms are provided on this deck.

On Deck "C" (or Lower Promenade Deck) is to be found the Bureau and Ticket Office. A special feature is the spacious square and gallery round the well over the Dining Saloon. A good number of well appointed, airy and commodious staterooms are provided amidships for cabin passengers containing three and four berths. At the forward end an entrance for third class passengers is provided.

On "D" Deck is situated the Dining Room, which extends the whole breadth of the ship and has seating accommodation for 300 persons, placed at small and large tables. It is tastefully decorated in the Georgian style, a special feature being the open staircase. There is accommodation for 60 cabin passengers on this deck in four berth staterooms.

At the extreme after end of "D" Deck, the Third Class Smoking and also Third Class Ladies' Room is to be found, whilst at the forward end there is a Third Class Dining Saloon, with seating capacity for 140 persons, another Smoking Room and also General Room. The Main Third Class Dining Saloon, seating over 400, is also on this deck.

On the starboard side of deck "E" are a number of Cabin Staterooms containing two and four berths, whilst another Third Class Dining Saloon, with a seating capacity for 125 persons, is situated in the after end of the ship. The Mississauga was torpedoed and sunk by a German submarine in 1918.

WOMEN OF MIDDLE AGE

Need Help to Pass the Crisis Safely—Proof that Lydia E. Pinkham's Vegetable Compound Can be Relied Upon.

Urbana, Ill.—"During Change of Life, in addition to its annoying symptoms, I had an attack of grippe which lasted all winter and left me in a weakened condition. I felt times that I would never be well again. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain in strength and the annoying symptoms disappeared and your Vegetable Compound has made me a well, strong woman so I do all my own housework. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life."—Mrs. FRANK HENSON, 1316 S. Orchard St., Urbana, Ill.

Women who suffer from nervousness, "heat flashes," backache, headaches and "the blues" should try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound.

One of the most dramatic war endings was the conclusion of the Peninsular War. Wellington had just won a great triumph at Toulouse, the casualties on both sides numbering some fifteen thousand, and the armies were rejoicing or sorrowing, when a tired courier rode up to announce that the war has been ended five days before with abdication of Napoleon.

"CASCARETS" WORK WHILE YOU SLEEP For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight. Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a well barrel. That's the first step to misery—indigestion, foul gases, bad breath, yellow skin, mental depression, everything that is horrible and nauseating. A Cascareset to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

Received Nothing but Kindness from the Officers who Served in France

A strong letter of endorsement of the Salvation Army's work at the front was written by a patient in the Davidsville (Toronto) Military Hospital to the Red Shield Drive Committee. The man lost one of his limbs, but was fortunate enough to get back to his own country. His letter is in part as follows:— I would like to express my thanks for the good I have received from the Red Shield Drive of Canada and the Red Shield Drive of the United States. I have been in the hospital for some time and have received nothing but kindness from the officers who served in France. I have had many good things to eat and have been kept warm and comfortable. I have been able to rest and have been able to get some work done. I have been able to get some letters home and have been able to get some news from my family. I have been able to get some news from my friends and have been able to get some news from my country. I have been able to get some news from my home and have been able to get some news from my family. I have been able to get some news from my friends and have been able to get some news from my country. I have been able to get some news from my home and have been able to get some news from my family.

UNDERHILL

Underhill, N. B.—Mr. and Mrs. John Underhill are expecting the arrival of a son. Mrs. James Campbell is spending a few months with her mother, Mrs. George Mountain. Pte. Herbert Coughlan is home from St. John on furlough. Mr. Herbert Coughlan was called home from the lumber woods owing to the illness of his family. Mr. Hooper, an eye specialist passed through here last week. Miss Miss Underhill is spending a few days with Mrs. Myra Coughlan. Miss Bernetta Coughlan is spending a week with her sister, Mrs. Wm. McLaughlin, Doaktown. Mrs. Ernest Baisley is spending the winter with Mrs. Tegan Crawford. Mr. George Vickers arrived home from the woods recently. Mrs. Al Underhill was calling on her sister Mrs. Herbert Coughlan. Mrs. Thos. Coughlan was calling on friends last week.

WAYETON

Wayeton, N. B.—No seeing any notes from this place for some time I thought I would write a few. Mr. Keith Mullin spent Sunday with friends in this place. Miss Daisy Baisley spent the latter part of the week with mother. Mr. Frederick McCombs passed through here enroute to Mr. P. Kingston's Camp. Mr. Clarence Nowlan, who spent the past few months in this place has returned to his home in Sunny Corner. Mr. John Howe was the guest of Mrs. Washington Doherty on Sunday last.

WILL RESIDE HERE

Mr. and Mrs. Charles H. Gough and child arrived in Newcastle last week from England and are now the guests of Mrs. Gough's mother Mrs. R. L. Melby. Mrs. Gough was formerly Miss Mary Melby and went overseas as a Canadian Nursing Sister and there met her husband, who was a Captain in the Australian forces. Mr. and Mrs. Gough will make their home in Newcastle where Mr. Gough will open a physical culture studio as well as conduct the business of Thomas Malby and Son funeral directors.

Don't Bother with "Special Pastry Flour"

You can get the same flaky lightness in your Pie Crusts, Tarts and Cookies, with

BEAVER FLOUR

as you can with any pastry flour. Beaver Flour is milled of the famous Ontario fall wheat, strengthened with western spring wheat. And more than that—Beaver Flour makes a loaf of bread that is a joy to eat—with fine, even texture and a delicious, "homey" nutlike flavor, unknown to those who still use the tough, tasteless, western spring wheat flour. Make the change today—order a barrel of Beaver Flour at your grocer's and have really delicious Bread and Pastry.

Attention of sound is a thing the possibilities of which we do not yet comprehend. It is said that Caruso can break a wine glass by singing. The sub-bass of the phenomenon has been known to break china plates to pieces with irresistible force. One report why Germany and Austria were able to keep going during the war and that in spite of the blockade is that they have a greater percentage of forest than any other European country except Russia. Twenty-six acres out of each hundred of Germany's area are forest; and Austria has even more, her forest covering thirty acres of each hundred. These countries, therefore, had plenty of raw material for pit props, railway ties, trench timber and duck boards, as well as for paper and explosives. Up to January 1, 1918, Britain had lost in the war one member of the royal family, twenty-one peers, thirty-two baronets, eleven knights, 149 sons of peers, 135 sons of baronets, and 208 sons of knights. As a result of successions to English titles, have changed within the past four years. The ferries on San Francisco bay carry nearly 50,000,000 passengers a year. The total fishing area of the North Sea is about 200,000 square miles.

Burns Anniversary Fittingly Honored

(Continued from page 1)

time that a friend overhauled his schemes and induced him to go to Edinburgh, promising him he would find there every advantage for his poetic ambitions. He assured him he would meet with success in Edinburgh, so, under the patronage of the noblest of men, the Earl of Glencairn, Burns moved to Edinburgh. He found himself in a new world and wretched in being divorced from Jean Armour, whom he dearly loved. At this time he renewed his acquaintance with Mary Campbell—Highland Mary.

In Edinburgh Burns shone simply because he was nature's prince, and on Armour releasing him from obligations to Jean, he settled in Kilmarnock, with friends. It was in Kilmarnock that 600 copies of poems in the Scottish dialect were published which netted him £20; but "the ear of the world was taken as it were by storm, a great original genius was Scotland's now." Yet he was not happy. Mary Campbell, to whom his thoughts turned in his separation from Jean Armour, died suddenly at Greenock, and he found himself very much alone. Edinburgh again drew him to her stately courts and literary halls, and here he gained the admiration of the literary circles of Scotland's cultured city. A second edition of his work was published and he realized something like £400.

On March 13, 1788, he bargained for the farm of Ellisland in Dumfries, and in June he took up his abode there.

On August 5 of same year he and Jean Armour were declared husband and wife by the church. He did not find the life of a farmer suitable to him so he sought the position of Exciseman. It was in this sphere he got in touch with the peculiarities of the drink business, hence his two poems—"Willie Brewed a Peck o' Maut," and "The Whistle." He did good work as Exciseman and his appointment to Supervisor after one year at £200 was contemplated. It was at this time he composed "Tam O'Shanter" and this pretty tale annexed to Alloway Kirk is certainly the most popular of his works. Straitened circumstances overtook him, Ellisland was eating up his earnings. He failed to get the supervisorship. Accordingly he left Dumfries in 1791. Probably due to disappointment, it was at this stage of his career that his moral course was downward. In Dumfries he found well-to-do loafers. They proved a bad influence, and yet it was here that many of his poems and songs were inspired. Ill health began to show together with pecuniary difficulties. Debts were not being paid and in distress he began to borrow. In a desire to regain his health he went to Brown on the Solway for sea-bathing. It proved useless, he knew the end was at hand and he looked death calmly in the face. He was not a man without a high conception of God, on the contrary, he valued sincere religion as indicated in "The Cottar's Saturday Night," and his contempt for the spurious is splendidly portrayed in "Holy Willie's Prayer." Religion to him was a sacred verity, and even in the midst of apparent waywardness the impressions made on him in boyhood's days around the family altar never ceased to, at least in part, mould his later thoughts. With him we, too, believe that there may be much religion in "honest doubt and that," while in the common moralities of life we may look in vain for things either religious or sacred. He lived in advance of his days. To him life was more than the guinea attainment of honesty was the highest attainment of life, for he knew that "an honest man was the noblest work of God."

In July, 1796, he returned to Dumfries. It was with difficulty that he walked up the small brae leading to his house, and great gloom overspread the town—they realized the great poet was really dying, in his humble cottage.

As the final hour dawned when death came to claim Scotland's bard, the family gathered round, his bonnie Jean in an adjoining room, he muttered against the legal agents whose letter embittered his parting hour, and the morn of July 21, 1796, told the world that the "weary soul had passed into the undiscovered country from whose bourne no traveller returns."

His foibles and failures are apparent to all. What he resisted is known only to him and to his God. Thus would he have us judge him, and in his own immortal words, I close: "Thou gently scan your brother man, Still gentler sister woman; Though they may gang a kennin' wrang To step aside is human. Who made the heart, 'tis He alone Decidedly can try us; He knows each chord—its various tones, Each spring—its various bias. Then at the balance let's be mute, We never can adjust it; What's done we partly may compete, But know not what's resisted."

Mrs. Richards Leaves Miramichi Hospital

Resigns As Superintendent After
Three Successful Years—
Will Take Post-
Graduate Course

Mrs. Mable D. Richards, who for the past three years has been the efficient Superintendent at the Miramichi Hospital has tendered her resignation, to take effect on February 1st.

Mrs. Richards, who is a graduate of the Rhode Island Training School for nurses, was for a number of years Matron of Victoria Hospital, Fredericton, and also conducted a private Hospital in that city for some time, before coming to Newcastle to accept the position of Superintendent of the Miramichi Hospital. During her stay here, she has been most courteous and efficient in her duties and conducted that institution on the same high level that it was the intention of the founder that it should be conducted and her loss will be keenly felt, not only by the members of the Hospital Staff but by the public, who have had occasion to need the care of that institution, as will Newcastle Women's Institute, of which, Mrs. Richards was a valued member.

Mrs. Richards leaves shortly for the United States, where she will take a three months post-graduate course, and at the completion of which, she will again open her private hospital in Fredericton.

OBITUARY

MRS. HERMAN HENDERSON

The very sad death occurred on Sunday night, Jan. 27th, of Mrs. Herman Henderson, of the Bridge, Newcastle. She had been sick about a week with influenza, and was getting better when complications set in which resulted in her death. Deceased was, before her marriage, Jessie, eldest daughter of Mr. and Mrs. William McTavish, of North Esk Boom, and was twenty three years of age, and had only been married about ten months. It is hardly two months since she lost her brother Roy, of influenza and pneumonia. Much sympathy is felt for her young husband, who is also ill with influenza, also her sorrowing mother and father in the loss of their two dear children in so short a time. She also leaves to mourn, two sisters and two brothers, Greta, Sallie, Major and Russell, all at home. The deceased was of a kind and loving disposition and a general favorite with all who knew her, and leaves a large circle of relatives and friends to mourn her early death.

The funeral was held on Tuesday afternoon at one o'clock, and was very largely attended. Services were conducted at the house by Rev. J. F. McCurdy. Her remains were laid to rest in the Whitneyville Presbyterian cemetery, beside her brother. The sympathy of the entire community goes out to the stricken family in the loss of their loved ones.

Our Father up in Heaven called
The one whose love he'd given,
Tho' here on earth the body lies
Her soul is safe in Heaven.
