The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

The Brantford Stove Works,

BRANTFORD, ONT.

IN issuing this **ILLUSTRATED CATALOGUE** of our Iron Stable Fittings Department, we have used every endeavour to make it a **STANDARD REFERENCE BOOK** for the **ARCHITECT, BUILDER, FARMER** and **HORSEMAN**.

The healthfulness, economy, and superiority of Iron Stable Fittings is a fact already established, and having considerable personal experience, and aided by the suggestions of Gentlemen conversant with stable furniture requirements, we are able to present you with a Catalogue of the Iron Stable Fittings we manufacture, which are unexcelled, they having gained the desirable reputation of being thoroughly **practical, durable and ornamental**. These Castings are made of the **best material** and by choice workmen, are drilled, counter-sunk, painted, and ready to screw into position. Experienced persons sent to give practical information and receive instructions and orders; also to superintend the erection of the fittings if thought necessary.

LIBERAL DISCOUNTS ALLOWED TO THE HARDWARE TRADE,
OR FOR LARGE ORDERS.

Your orders solicited for these desirable goods.

Yours, etc.,

B. G. TISDALE.

CORNER HAY RACK.

This Rack holds sufficient hay for any ordinary horse, but if desired it can be made larger by using narrow wainscotting from the top of Rack to the ceiling it then forms a Drop Rack.

We suggest placing one of these Racks on each side of alternate stall partition Guards, this forms a half circle and causes only one hole to be cut in the loft floor to supply the two Racks. No waste of hay or dust from this style of Rack.

Price painted \$2.50.

THE ABOVE GALVANIZED OR BRONZED TO ORDER.
