REPORT.

IN consequence of the delay in the payment of the usual Grant by the Militia Department, your Council were unable to fix the day for the Annual Match until a very short time before it took place, but notwithstanding the limited notice, the number of competitors has increased, and it will be found on reference to the Secretary's abstract that the total averages in all the competitions are higher this year than they have ever been before.

His Excellency the Governor General has kindly presented another Silver Cup to the Association which was won by Private J. Larkin, H. B. R. ; and Lieut.-Gen. Sir W. F. Williams has again for the fifth time given for competition a gold watch and chain, of which Corporal John Corbin H. B. R. was the winner after a very close contest, the six highest competitors having obtained thirty-six marks each out of a possible score of forty.

The Association is this year indebted to Messrs. J. & T. J. Egan and Messrs. Clemen Bros. of Halifax, for some handsome presents which were given as extra prizes, and it is to be hoped that others will follow their example and thereby encourage the Active Militia in attaining greater proficiency in the use of the rifle.

The thanks of the Association are again due to the Officer commanding Her Majesty's troops for the use of the necessary tents, and the services of Ensign Lepperd of the 84th Regiment, with a sufficient number of non-commissioned officers and men to act as markers and Register keepers ; and the Council have much pleasure in stating that at no previous meeting of the Association was the marking better, or the regulations more faithfully and satisfactorily carried out.

The Association is also indebted to Surgeon T. R. Almon who attended gratuitously as Medical Officer during the Match.

The Treasurer's account is herewith submitted shewing a balance of \$270.20 in favor of the Association; all outstanding claims as far as can be ascertained have been paid except the cost of the new Challenge Medal which has not yet been completed.

The meeting of the Dominion of Canada Rifle Association having been held this year at Fredericton N. B., a number of the Active Militia of this Province were enabled to attend, and this Association was represented by nearly sixty members, who gained prizes to the amount of about seven hundred dollars, besides eleven first class and seven second class badges. The third prize in the affiliated Rifle Association match was allotted and paid over to this Association, but a memorandum was afterwards received from the Statistical Officer than an error had been made in paying it, and on receiving a certificate from him and the Secretary that the prize was really won by the Brockville Association, the money was returned.

This Association will also be pleased to learn that the Council of the Dominion Association have decided to hold their next annual competition at Bedford in this Province, and also that, except in one match especially for small bores, the competitions will be confined to the regulation rifles.

WIMBURN LAURIE,
Colonel M. B.,
President of the Association.

Capt. H. B. R.,
Secretary.
