INSPIRING ADDRESS BY SIR JOHN WILLISON TO LOCAL BUSINESS MEN

"Reminiscences of Public Men in Canada" Was the Subject, and it Was Expounded in a Manner Which Delighted Large Gathering at Y.M.C.A.

The members of the Business Men's Club of the Y. M. C. A. have started a series of most delightful evenings. A repast is served at 6.30, then some distinguished man speaks for an hour or so, and a little after nine o'clock the participants disperse.

The speaker for the opening evening, it will be remembered, was Hon. Mr. Hanna, who gave a most instructive address on prison reform. Last evening Sir John Willison, editor of the Toronto News, gave some of his reminiscences with reference to the public men and public events of Canada and the address was most enjoyable.

Mr. C. Parker presided in an able manner. Sir John Willison, in opening his address, said he did not intend to give his hearers anything serious. In fact, his remarks would have a tendency to have the pleasure of speaking to such a gathering of Brantford citizens. He considered the Canadian people had suffered perhaps from oratory dealing with the Canadian Club Movement, but to-night he did not intend to make them suffer. Anyhow, it was better to die from oratory than some things.

To-day we Canadians are in a unique position. We have seen a country in the making, and we have helped to make it. He remembered at his home in Huron where he was born, seeing a tree which was where now hardly a tree can be found. He himself had participated in the activities.

His remarks were to be of an autobiographical nature. Canada, he believed, was to be the leader of the overseas dominions. Whether they had thought of it or not, he thought that in this Dominion they would have a lead in the Empire's destiny. For a third of a century he had been in political newspaper work. He started in London at three dollars a week, and out of this paid \$2.75 for his board, and when he told the late Hon. A. S. Hardy this he asked what in thunder he had done with the other twenty-five cents. The first recollection he had of a political meeting was at a little village four miles from his then headquarters. Mr. Greenway was the speaker, and as the meeting grew on a man drove up in a rig, and the people began to shout, "Speak now!" The man was Mr. E. B. Wood. Within five minutes that speaker had his hearers, who had been very noisy, under perfect control, and during his speech the words were frequently heard, "That's right," "That's sense." That speaker had impressed him more than any ever since.

Ashgrove Man Killed; Two Girls Are Injured

Cutter Struck by Train, Occupants Thrown 100 Feet—Human Chain Lifts Victims From a Deep Snowdrift.

DEAD.
ROBERT WRIGHT, 26 years farmer, of Ashgrove, Ont.

SERIOUSLY INJURED.
MISS MILDRED BESSEY, 16 years, of Ashgrove. Broken thigh and arm; also internal injuries. May die.

MISS PEARL BESSEY, 14 years, of Ashgrove. Severely bruised and suffering from shock. Will recover.

ESQURESSING, Ont., Feb. 7.—A blinding snow storm, a dangerous crossing, on an up-grade, and a special train, contributed to the smashing of a cutter which proved fatal to one person and may to another to-day. A remarkable feature about the rescue of the victims, who were buried in a snow drift one hundred feet away from the point of contact with the engine, was the formation of a human chain down the thirty foot icy embankment as a means of bringing them back to the tracks, although terribly injured.

Picked Up Pupils.
Mr. Robert Wright, a well-known Ashgrove farmer, had driven into the

HYDRO DID IT--REDUCTION IN THE RATES BY CATARACT WILL BE EFFECTED IMMEDIATELY

The crash has come. The Western Counties Electric Company, has reduced its lighting rates. It might be presumed that the inspiration to the Cataract interests to give Brantford lower rates came from the introduction of Hydro Electric. In fact it is frankly admitted that there is no libel in making such a statement.

Here are the new rates:
Six cents per kilowatt hour with a discount of 10 per cent for prompt payment. This discount is secured by those signing a one year contract. In case a consumer signs a five year contract he gets a discount of 20 per cent.

There will be no more meter rentals and charges will be based entirely on current used. It is further announced with a flourish, that there will be no floor space charge.

As regards commercial lighting the Company officials state that it is reduced by 50 or 60 per cent and is based on the installed lighting capacity.

The former domestic lighting rate was 8 1/2 cents per kilowatt. The company says that unless anyone ties up to contract, this rate will still apply. They must have a contract, preferably, of course, a long term affair.

The decision to reduce was arrived at some time ago, but as will be noticed was not carried into effect until Hydro has been partially turned on for domestic use.

Hydro Electric officials have anticipated a fight and are prepared for it. They declare that present Hydro prices are lower than the reduced rate offered by the private company. At any rate they submit that Cataract reduction is one of the first benefits secured from the introduction of Hydro and a benefit long deferred. It is estimated that the Western Counties Company has over 6,000 light users in this city.

TROOPS GUARD THE PALACE OF HUERTA

A New Revolt Was Suspected in Mexico City Last Night.

All Night Conference Held by Minister of War and Others.

MEXICO CITY, Feb. 7.—Troops guarded the palace, the arsenal and the artillery barracks throughout the night, as the result of last night's reports that conspirators had planned a coup d'etat in the shape of a new revolt in the city against the government of General Huerta.

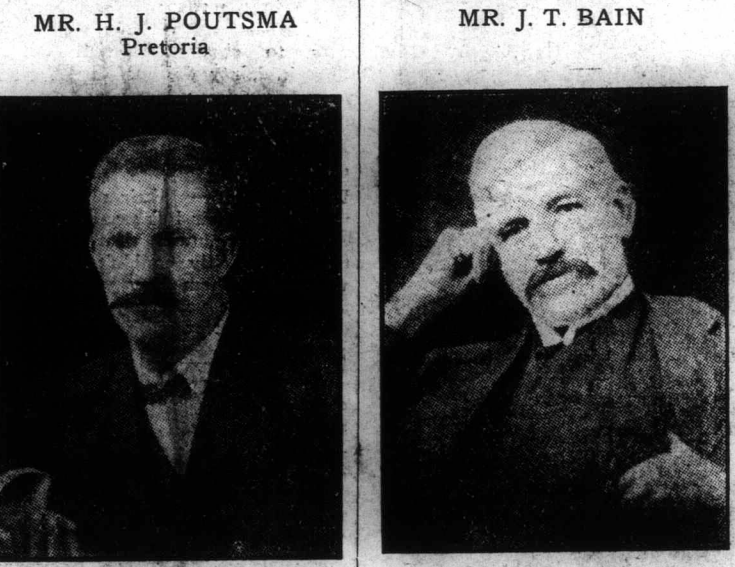

For a time last night considerable excitement was caused by the activity of the soldiers and by the report that an outbreak had actually occurred in the suburbs, a distance of miles northeast of the capital, where fighting was said to be in progress. Telephone messages early to-day failed, however, to confirm the rumors of fighting. It was thought that the fact that troops had been hurriedly sent to the suburbs in accordance with military plans to be in readiness for a possible uprising, was responsible for the Guadalupe reports.

General Blanquet, minister of war, and other military officers, in command in the capital, were in conference during the night, and it was naturally assumed that the military activity that ensued was an outcome of their talk. Officially it was denied, however, that the meeting was held to consider any plot.

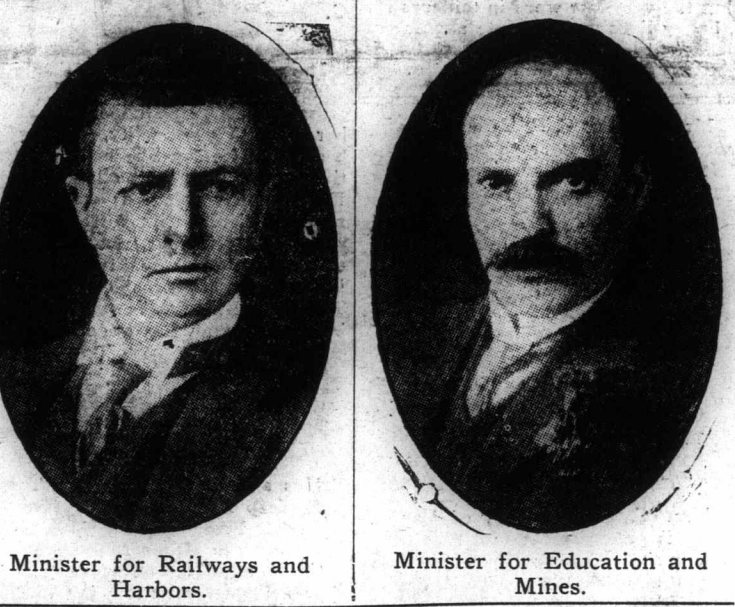

Reports about the capital were that 2,500 police in the capital were involved in the plot, and that they had pledged themselves to revolt with certain of the troops.

The beginning of the new revolt, according to the reports, was fixed for February 9, the anniversary of the beginning of the ten days bombardment of the capital by the rebels last year, which was followed by the death of President Madero and the assumption of the provisional presidency by General Huerta.

MEXICAN CROESUS MUST GO TO WORK

Forty Times a Millionaire, His Fortune is Tied Up by Revolutions.

EL PASO, Texas, Feb. 6.—His immense income tied up by three years of revolutions, Alberto Terrazas, of the family whose name in Mexico, is a synonym for great wealth, has been compelled to seek a means of livelihood.

This information, as astounding in Mexico and along the Rio Grande border as similar news affecting a Rockefeller or a Vanderbilt would be in the United States, became known here yesterday, with his departure for Pasadena, California. He was accompanied by his family, but not the usual retinue of servants.

Near Pasadena Terrazas expects to buy or lease a small farm where he can make a modest living. He is one of those who see no prospect of peace in his native land, and until tranquility is restored the income of the vast Terrazas family fortune, estimated at \$35,000,000 to \$40,000,000 in American gold will be tied up. Even in the event of peace it may be lost, for the rebels have declared it confiscated.

"I don't mind going to work; it may be a good thing," he said to friends before his departure, and then smiled at his own remarks, for his prodigality with money has been a story, chapters of which have been written on two continents.

Terrazas was once Governor of the State of Chihuahua, but he never worked for a living. Now, according to himself he is to labor by his bread and butter.

WILL FIGHT ATTEMPT TO HAVE RAILWAY GO TO CATARACT INTERESTS

Mayor Spence Declared This Morning City Has Had Enough Dealings With Cataract--Will Sale of Railway be Made?--Latest Developments.

As reported in the Courier last night, General Manager Coleman of the Dominion Power & Transmission Company, was in Brantford yesterday, looking over the street railway situation, and it was confirmed to-day by civic authorities that the Cataract interests would likely make an offer for the railway. In this connection the railway would prove of advantage to the company, in that a new source would be secured for the sale of power. It is well known that if the city secures control Hydro power will be used.

Mayor Spence, when seen this morning, announced the city's attitude very plainly. "This city," his Worship said, "has had one agreement with the Dominion Power & Transmission Company, and doesn't want another. We will fight such a sale at every turn, because it is not desirable to have Brantford again tied up hard and foot to a corporation which has by its policy here in the past shown little if any regard for public interests."

Yesterday it was decided in the courts that, pending likelihood of a sale, the matter would not be disposed of until February 16. If a sale is not made in that time the franchise will become forfeited. The city proposes to make a move, but what it is would not be divulged to-day. There was a conference lasting until midnight last night, and the matter will be brought up in the City Council Monday evening. It was the opinion of the city guardians this morning that no sale of the railway would be effected. If that prediction turns out to be true, the chances are favorable toward the forfeit of the franchise, as announced by the judges yesterday. With the franchise forfeited certainly no sale would be made, because the city will refuse to grant another franchise, but will make a settlement with the mortgagees and bondholders and assume possession.

It is regarded that the crucial point of the situation has arrived, but what will be the eventual settlement, or even the next step, is hard to say.

Gladstone Quits Job in S. Africa

(By Special Wire to The Courier)
NEW YORK, Feb. 7.—A cable to the Tribune from London says:
According to the Daily Citizen, Viscount Gladstone has resigned the Governor-Generalship of South Africa, and is expected to return home with the least possible delay. The announcement, according to the same authority, is to be made on the first day Parliament reassembles. Sidney Buxton, president of the Board of Trade, is freely spoken of as Lord Gladstone's successor. Mr. Buxton will probably be raised to the peerage.

LORD LONSDALE HURT.

NEW YORK, Feb. 7.—A London cable to the Herald says:
Lord Lonsdale received a severe shaking up and had a narrow escape in a train collision at Kettering railway station during a dense fog yesterday. His valet was severely injured about the face.

E. Company Line-up.
The following players will line-up with E. company for the football match with C. company at the armories on Monday evening: Joe Scanlan, goal; Thos. Forgie, and Jack Scanlan, backs; H. Carey, G. Cramp and D. Miller, forwards.

Internal Feud Now Tears Ranks Of The Militants

LONDON, Feb. 7.—Miss Sylvia Pankhurst, daughter of the militant suffragette leader, to-day announced her secession from the Women's Social and Political Union, the militant women's organization. Her East End of London Federation, which hitherto, has been a branch of the parent organization, will henceforth be entirely independent.

The recent riot among the militant suffragettes is said to be due to Miss Sylvia Pankhurst's ultra revolutionary aspirations which the leaders of the Women's Social and Political Union are beginning to believe are damaging their cause.

Christobel Anxious to Return
Reports of dissensions in the inner circles of the militant organization involving the Pankhurst triumvirate, have been in circulation for some time. According to these Christobel Pankhurst is anxious to end her long exile in Paris and return to London and take control of the organization for it is doubtful if her mother, Mrs. Emmeline Pankhurst, who is still in Switzerland, will be well enough for some months to resume her arduous duties of commander-in-chief.

But Christobel, the reports have it,

IRELAND A PAWN USED BY UNIONISTS

Redmond Says Latter Have No Real Objection to Home Rule.

LONDON, Feb. 7.—John Redmond the Irish Nationalist leader, in a speech at the National Liberal Club yesterday, reiterated his willingness to make the utmost possible concessions to Ulster which are compatible with Irish national integrity. Mr. Redmond also gave this warning: "Never again will Ireland allow herself to be governed by the old rotten system of superiority and ascendancy. If those who imagine they can kill the Home Rule Bill succeeded, Ireland would never again submit, she would be absolutely unmanageable." He expressed the conviction that the Unionist party no longer had any real objection to the principle of Home Rule for Ireland, but was using Ireland as a pawn in a game to destroy the present Government, and in so doing restore to the House of Lords the power of the veto.

James Hewer has resigned as tax collector of Guelph because the enforcement of payments makes too many enemies.

Sylvia Still Militant

Sylvia Pankhurst, on the other hand, is prepared to abandon militancy until she has fully tested the fighting capacity of her "people's army," which she organized in the east of London, and with which she is accredited as believing she can start a revolution which will enforce the government to enfranchise women.

Several of the younger and more ambitious members of the W. S. and P. U. view with unconcealed satisfaction the Pankhurst feud, believing that it will end the autocratic sway the Pankhursts have exercised over the society since Mr. and Mrs. Frederick Pethick Lawrence were driven out of it last year.

SOCIAL EVENTS

A FACE

Between the curtains of snowy lace
Over the way is a baby's face
It peeps forth smiling in merry glee,
And waves its pink little hand at me.

My heart responds with a lonely cry,
But in the wonderful By-and-By—
Out from the window of God's "To-Be,"
That other baby shall beckon to me.

That ever-haunting and longed-for face,
That perfect vision of infant grace,
Shall shine on me in a splendor of light,
Never to fade from my eager sight.

All that was taken shall be made good,
All that puzzles me understood,
And the wee white hand that I lost one
day,
Shall lead me into the Better Way.

Miss Norah Wallace left on Thursday to visit friends in Toronto.

Dr. Britton, Vancouver, is the guest of his brother Dr. F. Britton, Dufferin avenue.

Miss Adelaide Matzambert leaves on Monday to visit her cousin in New York.

Miss Tonsford of Stoney Lake, Manitoba, is the guest of Mrs. W. C. Boddy.

Mrs. W. F. Cockshutt will leave early next week for Clifton Springs, New York.

Mr. and Mrs. Yeigh spent Friday in Hamilton the guest of Miss Wickens.

Mrs. W. L. Creighton, Dufferin avenue, has returned from a visit to Toronto.

Major Wilkes, who was here for his mother's obsequies, will return to Winnipeg to-morrow.

Miss Rowe from the South is the guest of Mrs. Lloyd Harris, "Pensans," Dufferin Avenue.

Miss Emily Bunnell was the hostess of an informal little bridge of two tables, Friday evening.

Mrs. A. A. Allan, Toronto, and Mrs. Harvey, Vancouver, are the guests of their sister, Mrs. James Cockshutt Lorne Crescent.

Mrs. A. T. Duncan has returned from a week's visit in Toronto, where she was the guest of Miss Fitzgerald, Avenue Road, and attended the Mendelssohn concert.

THE SLOPPY-STYLISH SUIT OF TO-DAY

At first glance this costume appears to be a gracefully caught up evening wrap; but in reality it is no wrap at all, but the very last word in tailors for the promenade. The suit with its loose, baggy lines and absolute absence of "fit," is entirely in accord with the "sloppy" fashions of the moment. It is built of French-blue velvet and is handsomely trimmed with Sika fox.

East evening after choir practice the members of Wellington Street choir were invited to the home of Mr. and Mrs. John T. Ham, Nelson street, where they were most hospitably entertained.

The Philathea Class of the Sunday School of the First Baptist Church, gave an "at home" at the residence of Mrs. Lister, 73 William St. on Thursday afternoon to the women of the church and congregation. Miss McLeod, a returned missionary, being the guest of honor. Mrs. Geo. Matthews, Mrs. L. Brown and Miss McLeod receiving with Mrs. Lister.

A much anticipated event in theatrical circles will be the appearance of Martin Harvey next Wednesday evening, in "The Only Way," a dramatized version of Dickens' "Tale of Two Cities." Most people have read it. Whatever opinion we may have of its literary qualities, there can be very little difference of view as to its world wide appeal. It is true to life, to type, and appeals to the average individual conviction, and he is in the tremendous majority and often knows instinctively what is right; he is humanity in the aggregate.

Bed Covers
Pretty covers for beds can be made of crocheted or heavy chintz, to be used instead of the time honored counterpane, says the New York Sun. The covers are to be cut at the corners so they will fit and lie flat and may be finished off with lace or wash edging. Use the same material elsewhere in the room, on dresser, table, cushions—even to the curtains. Be sure to choose a well covered though dainty design.

The Reason.
Mrs. Youngbride—"Norah, I don't mind your entertaining your women friends in the kitchen evenings, but I must insist on their making less noise with their boisterous laughing." Norah—"Sure, mum, I'm sorry, but the ladies rally couldn't help it. I was tellin' them how you tried to make a cake yesterday mornin'."—oston Transcript.

Lady Guy.
It is difficult to realize that Mrs. Grace E. Denton (Lady Guy) has crossed the Great Divide. Her ability her bright personality, young of heart, and feeling. She had an attractive style in writing, all her own. Her many friends—as well as her shadow friends with sorrowing sympathy will miss her, not only as social editor, but also in her weekly Lady Guy's Page, in Saturday Night. The optimistic pen is laid aside, the beloved woman has gone home.

Brides and Young Girls Are Taught to Keep House, Learning Everything From Cooking to Making the Home Active
Could anything be more practical than a little three-room flat outfitted as a model home, the whole affair being used as a school for brides? St. George's Church, New York—picturesque old landmark of Stuyvesant Square—has opened such a school, with two sessions a day.

The daughter of the late J. P. Morgan presented the school to St. George's Memorial House. It was intended for "children more than twelve years old" for it is the children of congested East Side neighborhoods who are the teachers of their parents when it comes to matters of household art.

The Lights Are On.
Can we ever be sufficiently grateful to Hon. Adam Beck for illuminating our province, our city, our homes, our streets, bringing within range of the poor man's home cheap light; changing darkness to cheerfulness under the sway of the electric king's magic wand. A hero to be sure is Beck, who without fee or favor fought for the people's light with Herculean and unwearied efforts until it is a fait accompli. What magic stories go with light! And here it is in lavish, golden showers, heartening and beaming on the dull and cheerless byways; making bright, squalid environs, and bringing within the reach of all, light, showers of light, furnished by the power of man's genius. From a window an arc light is in service, pouring its cheerful rays abroad, showing the beautiful outlines of the trees, making the street glorious with peeps of bright colors, shining from windows, aglow with electricity. When the moon hides her bright face, then the goddess of electricity appears as her understudy and all arranged with the object of serving the poor man as well as the rich. A name that will be revered by posterity will surely be Adam Beck!

Here's to the man of magic!
Here's to the man of power!
Here's to Beck, the Electric King!
Here's to his cause and power!
Let the toast pass!
Drink all on masse—
Drink with Adam's ale in the glass!

Women's Art Association of Canada are holding their annual exhibition in the new galleries, 594 Jarvis Street, Toronto, opening on Saturday, February 14th.

This has been an unusually quiet season socially—a contrast to last winter, when the merry-go-round whirled with many dates in the calendar.

Lady Laurier entertained at a weekend tea in honor of her niece, Miss Pauline Laurier, of Montreal. Mrs. Joseph de Lorimier of Montreal poured tea and Miss Counter-coffee.

Mr. Gerald Wilkes and his cousin, Mr. Maurice Wilkes, who were here to attend the obsequies of their grandmother, the late Mrs. James Wilkes, returned to Toronto, Thursday evening.

The Dufferin Rifles Chapter I. O. D. E. who were to have given a tea at the officers quarters at the Armories, Feb. 16th, have indefinitely postponed the function, owing to the late lamented death of Mrs. David Gibson, who was a convener as well as a councillor of the order.

Mr. and Mrs. C. R. Tweney, having returned from their wedding trip, left on Wednesday evening for Moose Jaw, Sask., where they will reside.

Mrs. Harry Lee (nee Nina Butterworth) will receive for the first time since her marriage, on Thursday at her home, 152 Murray St. and afterwards on the second Thursday of each month.

Master Joseph Campbell of St. George, a pupil of the violin under Mr. W. G. Darwen, successfully passed his winter examination at the Toronto Conservatory of Music.

Mrs. C. G. Henshaw, of Vancouver, is at present in Edinburgh, where she is to appear before the Royal Scottish Geographical Society presenting one of her illustrated lectures dealing with Vancouver Island. During her visit there she is the guest of her relations, Sir Joseph and Lady Fayer.

Mrs. Glen Elliss was the hostess on Tuesday afternoon of a most enjoyable bridge of five tables in honor of her niece, Miss Jakes, who received with her. The rooms and table were attractive—a mass of spring flowers. In the tea room, Mrs. Chester Harris presided, Mrs. H. W. Fitton was prize-winner.

The late Mrs. James Wilkes, who passed away, Tuesday, represented the Christian gentleman of a past generation, with all the lofty ideals that are worth while. From a window one can see the lights out in the rooms here they shone for 80 many years. But the sunburst is in the further shore. We have said "Good Night," but some day, some here, hope to say "Good Morning."

It came as an appalling shock to her many friends the sudden call of Mrs. David Gibson. Always full of life and energy, of a cheerful disposition and winning personality. In the church, the home and various circles she was a bright and moving spirit. And the devoted mother has been taken from her husband and family at the age of thirty-seven years. The sorrowing sympathy of many, many friends and citizens are in spirit beside the bereaved family in the crushing trial that has befallen their happy home.

School Proves Popular.
Older girls heard of it, however, and clamored for admission to the classes. New little brides heard of it and, longing to start their married life aright, also clamored. Now, Miss McCutcheon says, the school threatens to outgrow its allotted space and spread all over the neighborhood.

Plain, cheap fare, easy to cook and to digest, is the order of the model kitchen, and little Scotch Miss McCutcheon manages to put many a nugget of useful philosophy into her household lessons.

"Is it all appreciated?" she exclaimed, in reply to a query. "Well I should say it was. It's almost pathetic to see how eager the East Siders are to learn good living. They fairly drink in the lessons, and a trip through the neighborhood would soon prove to you that they profit by every word. I believe any bride who modeled her home after this three-room flat would be assured of a happy and prosperous married life!" New York Mail.

The First Silk Hat
January 15 should be kept as a feast by hatters, for on that date in 1797 John Hetherington emerged from his haberdashery shop in the Strand wearing the first silk hat ever seen in public. Hetherington was promptly surrounded by an astonished mob of such proportions that he was arrested and charged before the Lord Mayor with inciting to riot. The officer who arrested him testified that he "appeared upon the public highway wearing a tall structure which he called a silk hat, having a shiny lustre, and calculated to frighten timid people. Several women fainted at the unusual sight, while children screamed, dogs yelped and a boy was thrown down by the crowd, which gathered, and broke his right arm." The defendant was bound over in £500 to keep the peace.

Apart from bridge and tango, the chief topics of perennial interest are the world, the flesh and the weather. The devil is behind them all.

Local Market Prices Today

Chickens continue high in price. This morning on the local market chickens were offered at 50 to 75 cents. Eggs sold at anywhere from 38 to 45 cents, while butter remained unchanged in price. The markets continue small, but this is quite usual at this time of the year. The inclement weather has much to do with this as vendors do not care to stand for hours in the cold. The more vendors the greater the quantity offered and lower prices; thus the necessity of a covered market.

Strenuous is No Name For It

Continued from Page Six Mousseau's Health MONTREAL, Feb. 7.—There is nothing the matter with Mr. Mousseau physically, except the extreme results of the severe mental shock he sustained a short time ago," said Dr. A. De Martigny this morning when asked if he would give an explanation of the silence of the doctors appointed by the committee to report on J. O. Mousseau's state of health. The doctors reported last night at Quebec that Mr. Mousseau was too ill to testify, and would be so for several months, but all three declined to reveal the nature of his illness.

"He is like a man who has received a heavy blow on the head," continued Dr. De Martigny. "His physical state is very dependent on his mental condition. I feel perfectly confident that he is not stimulating illness in any degree or form."

"You must remember that last year Mr. Mousseau was under the doctor's care for mental prostration for two months and had been treated at intervals for years before that. Also that his father died of paralysis at the age of 58, after two years of suffering from this malady, before which time he had been apparently a perfectly healthy man."

ARSON SQUAD AGAIN

INVERNESS, Scotland, Feb. 7.—An "arson squad" of militant suffragettes to-day set fire to and burned to the ground Fitzbank house, a highland residence, containing 16 miles from here. The house belonged to the widow of a county councillor and was temporarily unoccupied. The usual traces of the presence of suffragettes were found in the grounds in the shape of a quantity of suffrage literature.

A DECREASE.

LONDON, Feb. 7.—The January statement of the Board of trade shows a decrease of \$16,128,000 in imports and an increase of \$11,802,000 in exports.

Lodge Notes

Sons of Scotland Camp Scotia, S. O. S. held a most successful and enjoyable meeting on Thursday evening. A good attendance of members was present, and three new members were initiated, while several applications were presented. A most acceptable addition to the usual routine was made by E. J. Anderson in a splendid rendering of Scottish songs, a feature thoroughly enjoyed by all. The recent Burns' anniversary celebration was felt by all to be the best yet held. Financially a very small balance is shown on the right side, but the chief aim of the Camp is to arrange a fitting celebration of the immortal memory and bring together the many Scotsmen who have made their home in the Telephone City.

THE VISIT OF SIR JOHN WILLISON.

Canadians have sometimes been puzzled over the particular merit of some individual receiving a title, but not so in the case of Sir John Willison. If ever a man received such a distinction because of sheer worth it is he. His early surroundings did not possess any great advantages from a material point of view, but he had what is far better, the endowment of a keen intellect, a big capacity for work, high ideals and an engaging personality.

As a parliamentary reporter, later editor of the Toronto Globe, and now editor of the Toronto News, he has been intimate for over a quarter of a century with the leading men of both political parties, and has been given their fullest and unreserved confidence. The fact of a change in political allegiance has never lost him a friend, because all have recognized that any step in his career has been based on sincere conviction. As a newspaper man, he has always been the soul of integrity, and, as a writer has few equals anywhere.

His talk last night was discursive and not at all cohesive—in fact was not intended to be so. With deft touch and keen power of analysis he presented his hearers with a series of charming vignettes of public men and lifted the veil with regard to many notable occurrences in the political arena. Sir John Macdonald and Sir Wilfrid Laurier, to whom he awarded the palm for personal charm, Blake, the intellectual giant, with at times an unfortunate manner and lacking many essentials of leadership, Tupper, and other gladiators, Hon. G. Ross and Hon. G. Foster, whom he ranked as standing highest in the matter of high average of speeches—these and kindred personalities he presented in captivating review. And with a thrill of local satisfaction his audience heard the names of three of their fellows included, the late Hon. E. B. Wood, the late Hon. A. S. Hardy and Hon. W. Paterson. Referring to the feeling that the prominent men of today did not average with those of the past, he rightly pointed out that the occasions were not so great as in the earlier formative days. The speech was non-political throughout, and enriched with many witty anecdotes and well told stories.

Sir John reminded his hearers that they had the privilege of seeing a nation in the making, and to this it may be added that said making owes much to the type of man such as he has proved himself.

CAPITAL PUNISHMENT

The matter of capital punishment when it was brought up in the House, as usual with reference to this subject, resulted in a difference of opinion. Some were evidently against such a method, and others were equally certain that it was a deterrent with reference to crime. In this latter regard Mr. F. B. Carvel, member for Carleton, denied that the principle back of hanging was revenge. The object was to deter others from crime. The State of Maine, where the extreme penalty did not prevail, was next to his own province, and there were more murders there than in the Provinces of Nova Scotia and New Brunswick put together. He told of one parish in New Brunswick in which for a long term of years there had been an excess of crime. Two hangings had finally taken place there, and since then not one criminal had been sent to the penitentiary from a district formerly infamous. Capital punishment, has of course, always been a world wide institution often practised under circumstances of great torture and cruelty. It is not so very long ago that in the Old Land hanging took place for counterfeiting, forgery, sheep stealing, poaching, highway robbery, practicing the black art, piracy, and thefts of nearly all degrees. Many thousands went to their deaths for these things. Commencing with 1824, Sir Richard Peel commenced to lessen

the list of cases to be so punished, and in a little over half a century ago the extreme was placed for murder and high treason. The execution of anyone is not to the average individual a pleasant thing to either witness, or contemplate, and yet withal it is astonishing how many people seem to have a marked desire to witness such events. In Brantford, for instance, in 1859 when two colored men, Moore and Over, were executed in the open for the murder of a mail carrier between this city and Paris, the Courier of that time records that "over 8,000 people were present." Things are done much more circumspectly now.

It was a witty Frenchman who once remarked in effect, "If capital punishment is to be abolished, let the murderers first begin." Without any doubt, slaying is much more frequent in those civilized regions which do not use either the hangman's rope, or the electric chair.

NOTES AND COMMENTS

Sir James Whitney is now able to smoke a cigar. That's better than other kinds of weeds.

With regard to the British War Office, Col. Sam Hughes has got his gander up, and by the great hornspoon, it's some dander.

The Western Counties Power Company have at last reduced their rates. Score one more for the Hydro Electric system.

Returns just issued show that for the first ten months of the fiscal year the Dominion revenue is one million dollars ahead of a like period the previous year. Blue Ruin Laurier has another thinklet coming.

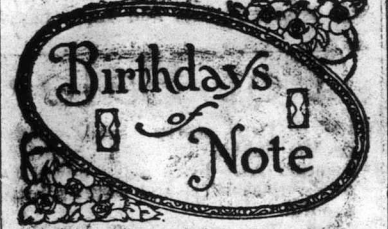

In the States they are talking of raising the rates on Pullman cars. At the same time the rake off of the colored gents for a whisk off you don't need is likely to remain at the same old figure.

The inevitable has happened with regard to those gentle exemplars of womanhood, the three Parkhursts. Having smashed into everything else they can think of, they are now doing the same to each other.

The Liberal members have been very meek thus far this session. They will get left if they are banking on the promise that the meek shall inherit the earth, or even the government benches.

Rev. Billy Sunday, the baseball player who turned evangelist, has collected so far \$300,000. His favorite texts do doubt are when the prodigal son made a home run, when Rachel walked with a pitcher to the well and the shut out of the Egyptians at the Red Sea.

Mr. E. N. Lewis, member for East Huron, has been deluged with congratulations upon his advocacy of women suffrage on the basis of "no babies, no vote." If he should try to apply a similar rule to the lords of creation, he would cut out Premier Borden, ex-Premier Laurier and a whole lot of others of us.

BIRTHDAYS

SATURDAY, FEBRUARY SEVENTH Hamar Greenwood, M.P., the Canadian barrister who has made quite a name for himself in British politics, reaches his forty-fourth birthday to-day. His career may be well illustrated by a story of his student life in Toronto which is still repeated by his fellow students. They say that when he arrived at the University from the country, he wore a blazer or tennis coat of many and glaring colors, trousers with a pronounced stripe and somewhat frayed at the bottom and a dilapidated straw hat. In this garb he was a mark for student satire. Next year however the raw freshman blossomed out in a frock coat of delicate grey, with neatly pressed trousers, flowers in buttonhole, patent leathers and silk hat. In much the same way he has come to the front in England, whither he originally travelled, it is said, aboard a cattle-ship.

ASHGROVE MAN

(Continued from Page 1) 1,000 feet. The injuries to the driving party are said to have been caused by the distance they were thrown, and not, as first assumed, by being struck by the engine. The two young boys who were standing on the back of the cutter, saw the danger and jumped in the nick of time.

Human Chain Formed. The train was stopped suddenly and the jolt given the passengers brought a large number out on the bank. As soon as it was learned what had happened an empty rear coach was hastily fitted up as a temporary hospital, to which the three injured people were taken, after being hauled up the slippery bank by about twenty-five men, who linked hands and stretched themselves a distance of forty feet. By this means the injured were gradually brought in "cradles" of arms of bankmen. Neither of the injured had lost consciousness and their moans were heartrending. The smaller girl, Miss Pearl Bessey, seemed to disregard her own injuries, and thought of nothing but the welfare of her sister, for whom she cried piteously. Later she became hysterical and was soothed with difficulty.

Very Serious Injuries. After a half hour's delay the train made for Georgetown, where Dr. McAndrews and others were waiting to render first aid. It was found that Wright's back was broken and one of his legs shattered. Miss Mildred Bessey had sustained a broken thigh and arm, as well as receiving serious internal injuries. Miss Pearl was severely bruised and her right knee injured.

Upon the arrival of the "up" train from Toronto at 4.30 the coach containing the injured was hitched on and Wright and Miss Mildred Bessey were conveyed to Guelph. Wright gradually lost consciousness during this part of the journey and subsequently died as he was being taken from the train to the General Hospital. Miss Pearl Bessey was taken to her home, but will have to undergo an operation in Guelph to-day. Later Mr. and Mrs. Bessey were in attendance at their daughter's bedside two years ago but leaves no family.

Coroner Savage empanelled a jury at Guelph last night, and an inquest will be held there this afternoon. St. Catharines has only 88 workless men. Fred Preston of Niagara Falls, will receive a Humane Society medal for saving Peter Langskill from a motor boat in the whirlpool.

LADIES' AID MET FRIDAY

Organization is in Excellent Condition—Plans Are Discussed.

The monthly meeting of the Women's Hospital Aid was held in the library on Friday morning with a good attendance, and was presided over by Mrs. J. E. Waterous. After the reading and adoption of the minutes, Mrs. Livingston, in the absence of the treasurer, read the financial statement, which showed a balance on hand in the general fund of \$463.29. Fees were received from Miss Jones, North ward, \$20, and from Mrs. Ames, East ward, \$30.75. Mrs. Ames deserves credit for increased membership in her district. When three years ago she undertook the collection, there were but fifteen members and now there are upwards of 140.

Some accounts were presented and passed for payment. A letter from the Governor's appointing a meeting of the house committee and superintendent with the W. H. A. officers, was read, and a letter from Mr. G. H. Muirhead enclosing a cheque for \$10, with his best wishes, also several letters of thanks, Mrs. J. J. Hurley and Mrs. Ed. Brooks reported having made five visits at the hospital during January and were much interested in the work. The patients were always glad to see the visitors. The wards had been crowded and are still quite full. They had distributed oranges, flowers, jellies, marmalade and magazines. Contributions for this purpose had been given them by Mrs. J. E. Waterous, Mrs. Brandon, Mrs. Silverthorn and Mrs. Brooks, and a collection of toys for an Armenian baby by Mrs. C. Secord.

Mrs. Goodwin and Miss Best will visit during February. Miss Preston reported that the junior aid is working very hard. They had met last week and formed a constitution and are now in the midst of a campaign. Their membership is divided into sides, the reds and the blues; their purpose being to raise money and increase their membership. Already one side reports having gained 30 new members. On Saturday, Feb. 7, the reds are having a kitchen bazaar at Mrs. Agnew's home, Brant avenue, and on the following Saturday the blues will hold a talent tea at the Y. W. C. A. This contest will close in June with a banquet given by the losing side. They also purpose again holding a dance at Thanksgiving, on Friday, Oct. 23rd. Mrs. Cleghorn reported that the

children's branch also have several plans for Easter and later. These younger branches are very busy, which allows the senior society to take a well earned rest.

A motion of sympathy with Mrs. Tisdale in her recent illness was passed, and a resolution of sorrow at the loss of our member, Mrs. D. S. Gibson, and it was moved by Mrs. Livingston and seconded by Mrs. Schell, "That the W. H. A. wish to express their deepest sympathy with Mr. Gibson and family in their great bereavement. As a society, we will miss her willing work and strong assistance," and that a copy of this resolution be sent to Mr. Gibson.

Plans and arrangements were made for the annual re-union on Wednesday, February 18th, when all members and friends of the hospital and W. H. A. are asked to be present and show their sympathy in the work. The meeting was then adjourned.

Laid at Rest

Mrs. D. S. Gibson. Many sympathizing friends and relatives by whom the deceased was held in high esteem, attended the funeral of the late Mrs. D. S. Gibson, which took place yesterday at 3 o'clock from the family residence 102 Dufferin Avenue to Farringdon cemetery. Beautiful and impressive services were conducted at the home by the Rev. T. A. Woodside of Zion Presbyterian Church, assisted by the Rev. J. W. Gordon of St. Andrew's Presbyterian Church. The pallbearers were Dr. Ballache, Dr. Palmer, M. E. B. Cutcliffe, Gordon G. Duncan, G. D. Heyd and Walter Turnbull.

Those attending from out of the city included: Mr. Jack Clark, J. E. Gibson, Sir John Gibson, Dr. and Mrs. Williams, of Toronto; W. W. Livingston, E. C. Jackson, Mr. and Mrs. E. L. Torrence, Tillsonburg; Judge Livingston, Welland; Mr. and Mrs. James Gibson, D. Z. Gibson, Wm. Gibson, Caledonia; Major Zealand, H. W. Zealand, Alexander Stewart, S. G. Gibson, J. G. Farmer, W. Dryman, Robert Innes, Hamilton and E. H. Jackson, H. P. Innes, W. L. Innes of Simcoe.

During excavations in connection with the widening of the bridge at Kingston-on-Thames, a Roman bath has been discovered. It is being exhibited to the public on payment of a small charge.

Five men were injured on Tuesday by the collapse of a staging at Messrs. Bartram & Sons' shipyard, Sunderland. They were thrown 25 feet into the hold of a ship in which they were working.

CONFERENCE HELD WITH LADIES' AID

In Reference to Hospital Matters Was Held Yesterday Afternoon.

A conference was held in the Free Library yesterday afternoon with reference to the assistance which members of the Ladies' Aid Association can render the Hospital and the Nurses' Home now that their part in connection with the erection of the latter structure has been completed. There were present: Mrs. J. E. Waterous (president); Mrs. R. S. Schell, Mrs. T. S. Wade and Mrs. W. C. Livingston, of the Ladies' executive; Miss Carson, Hospital Superintendent, and Dr. Bell, C. H. Waterous and F. D. Reville of the House committee of the hospital.

Dr. Bell occupied the chair. There was full and cordial discussion. The ladies said their association of twelve hundred members, were anxious to continue their help in every way possible. A number of things were mentioned such as screens, invalid chairs, blinds, rest boards, screens, etc., etc. for the Hos-

After the enumeration it was decided that Miss Carson and Dr. Bell should send a list to the Secretary of the W. H. A. The ladies will then decide which work they desire to take up first. When necessary there will be supplemental help from the Board of Governors. The meeting was productive of excellent and mutually satisfactory results.

Euchre Club. Mr. and Mrs. E. Beal, entertained the members of the O. N. O. Euchre club on Wednesday evening last. A delightful time was spent. The prize winners of the evening were: Mrs. Krieger and Mr. W. Foy. Dainty refreshments were served by the hostess; invalid chairs, blinds, rest boards, screens, etc., etc. for the Hos-

Taking a Trip to Ottawa-- This is an age of Co-operation! Without co-operation the modern high Standards of Business Efficiency could not have been attained. And in recognition of the wonderful influence of this spirit of co-operation, business enterprises form mutual associations for the purpose of benefitting more fully thereby. They infuse sluggishness with enthusiasm, and, to quote a well-known business executive: "Enthusiasm is Business Itch." The Central Canada Launderer's Association was formed for a double purpose. The first: to help its members; and the second: to protect the public. And it is succeeding in doing both. Next Wednesday and Thursday (Feb. 11th and 12th) the Central Canada Launderers' Association will meet in convention at Ottawa. There will be gathered the shrewdest and ablest Executives in the laundry industry in Canada. Our Managing Director, Mr. Garry Pickles, will make a trip to Ottawa to be present at this Convention. He is certain to return with many more plans and ideas to still further improve the already high quality of Brantford Laundry service. That is the sole purpose of his trip. YOU are the beneficiary! CITY LOCAL NEWS ITEMS

Water Commissioners Meet. A meeting of the Water Commissioners will be held this afternoon at 2 o'clock.

Technical Education. A meeting of the Committee on Technical Education will be held in the Board Room on Monday evening.

No Police Court. The inclement weather has some effect upon law-breakers, for at the police court this morning, there were only three drunks on the list and they were let off lightly.

Moose Lodge. The organization committee of the Moose Lodge met last evening and the members of the different committees were appointed. A further meeting will be held on Monday evening in the office of Mr. Percy Shultis, Market street.

Sunshine Service. A sunshine service will be held tomorrow evening at the First Baptist Church. The music will be extra good. The whole service will centre about the thought of the evening. The pastor will preach on "The Best Medicine."

Remembered Him. Mr. Wm. Ellsworth, manager of the Knox store, who leaves for London shortly, was pleasantly remembered by his employees yesterday, with an address, which was accompanied by a silk umbrella with sterling silver handle; also with a Waterman fountain pen. Mr. Ellsworth, who was taken by surprise, expressed his thanks for the remembrance.

Will Enforce Act. The act with regard to motor vehicles will in future be much more strictly enforced. In view of the fact that many people are in Brantford who have not the necessary licenses, driving automobiles as testers and other occupations concerning cars. Chief Slemin gives them an extract of the laws of the Motor Blue Book, which reads: "No person shall, for hire, pay or gain drive a motor vehicle on a highway unless he is licensed to do so and no person shall employ any one to drive a motor vehicle who is not so licensed." They are also reminded of the clause relating to payment of registration fees, etc. "Registration fees must be paid to the Provincial Secretary for all motor vehicles, according to the latest edit of the Motor Vehicles Act." These clauses are plain reading and their purpose can hardly be misconstrued.

Guessed Out Again. Joe Gillies, a burglar well known in police circles, and who has served terms in Kingston penitentiary, is in the county and High Constable Keir will pay his fare out of the county in order to relieve the community of his presence.

Licence Fee. Purdy, Mansell, Ltd., Toronto, having plumbing work to do for the Massey-Harris Co. of this city, have written the city, asking the amount of the licence fee, as they wish to comply with the by-law.

Rendered Unconscious. Mr. N. S. Lingeman of the American Radiator Co. staff, city, had a very narrow escape from serious injury last night. He stumbled down a steep stairway at his boarding house, 114 Darling St. and was rendered unconscious for some time. To-day Mr. Lingeman is reported to be doing well and will be around in a few days.

House of Refuge. The House of Refuge board have planned to make extensive improvements at the institution. Yesterday afternoon the board visited the house and made a thorough inspection with the result that it was decided to put in several metallic ceilings, paint the floors, remodel the men's lavatory and the hospital. Tenders will be called for and the work proceeded with as early as possible. The hospital was most vigorously condemned in a recent Government report.

Will Start Sewers. The present civic work having been exhausted, the works department will start two sewers, one on North Park street and the other on Henry and Elliott Avenue. This work will commence on Monday. No additional men will be employed, the work only being sufficient to keep the present number at work. Orders have been issued and a new lot of men will on Monday, substitute a large portion of the present gangs.

Evangelistic Services. The meeting at the Calvary Baptist Church last night was addressed by Rev. G. N. Simmons, who spoke from the text "Repent ye therefore, and be converted that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord." The service was one of the best yet held. Miss Ida Fuller and Mrs. Baird sang appropriate and appreciated solos. An evangelistic service will be held on Sunday evening. The pastor, Rev. W. E. Bowyer will speak from the subject "A Bad Beginning, but a good Ending."

FOR FORTY YEARS ON GRAND TRUNK

Death of Charles Pelling on Friday Closes an Eventful Career.

Many friends will learn with deep regret of the death of Charles Pelling, 71 Arthur street, who fell asleep yesterday afternoon. The deceased was 68 years of age and for forty years had faithfully served the Grand Trunk Railway. For 15 years he had resided in this city and during that time made many friends. He was a member of St. Jude's church. Besides a sorrowing widow there are left to mourn his demise two sons and one daughter, Chas. J. of Toronto and Fred and Laura of this city. Services will be held at his late residence on Sunday evening, interment taking place in Petersburg on Monday.

B. C. I. Sports Last Night

The spectators who journeyed to the B. C. I. gymnasium last night were well rewarded, by seeing a splendid game of indoor sports which was put on by the students. The main feature of the evening was the basketball game between the Guelph Collegiate and the local team. The evening on the whole was a great success. The program was commenced at 8.15 by a broom-ball game between upper and lower school, which resulted in a 4 to 1 victory for the seniors, mainly due to the fact that most of the husky men of lower school were unable to be present. Buskard played a good game for the losers, while Patten did good work for the winners. The line up: Upper—Fraser, goal, Watson; point, Feely, centre, Patten, right; Bart, left. Lower—Jones, goal; Moffat, point; Brandon, centre; Sage, right; Buskard, left.

Between the halves of the broom ball game Watson and Decker staged a boxing bout, terminated with a little farce comedy. It was a real friendly open hand slapping match in which both played the defensive. It was a three-round bout and the comedy came in the last act, when imaginary punches in the face made them both groggy. The decision was a draw.

Before the basketball game, some real comedy was displayed in the form of a blind-folded pillow fight in which Moffat, Jones and Kelly showed great form as test drivers. They kept the crowd in convulsions throughout the whole affair, doing a great deal of pillow swinging, but very little hitting. It was the funniest event of the evening.

Then came the basketball game, which resulted in a 20-19 victory for Brantford, the Guelph boys being only outclassed in team play, which was quite evident in the local's play. It would be hard to pick the best men on the Brantford team, as all played excellent ball. Brantford started right from the first to roll a score up and broke away with a good lead right at the start. The game itself was quite clean and free from fouls, and Guelph are to be complimented on the good sportsmanship they showed, which has before been proved in Rugby. The victory for Brantford added another to a list of three years standing in which the locals have never lost a game on their own floor, sustaining only one loss last year at Hamilton, due to the poor gymnasium. The Brantford team will play the return game next Friday, when it is hoped they will continue their victorious season.

Between the halves of the basketball game, Cassidy and Livingston put on another boxing bout somewhat different from the first one. Unlike the first one there was no comedy and no slapping, but a real exhibition of closed-fisted boxing, in which both took and gave in manner which showed there was no put up job about it. Both showed skill in blocking some good blows, Livingston doing most of it with his head. It was a three round bout of three minute rounds, and was interesting throughout, the last round proving a hummer, and both went off the floor groggy.

After the programme the Guelph team was entertained and refreshments were served to them by a few of the girls of the school, after which a few speeches were made and a vote of thanks were moved to the ladies which was replied to by Miss Nora Hanna, and the evening was over. Basketball line-up: Brantford—Backs, Lyle, Sweet, centre, Macdonald; forwards, Slemin and Wood. Guelph—Backs, McKay, Fairly, centre, McPherson; forwards, Carroll and Nelson.

Another One. Arrangements have been under way for some weeks to secure some of the best American boxing and wrestling talent here for the Grand Opera House, February 20. It was announced to-day that the bouts will be pulled off.

Paris News

PARIS, Feb. 7.—The ninth annual carnival held under the auspices of the Daughters of the Empire drew the usual large crowd to the Paris rink last night. The costumes presented a blaze of color and the scene was indeed pleasing. There were the usual number of cowboys, policemen, tramps, etc. Some of the costumes, although not in the prize-winners, showed striking originality on the part of their designers. The Paris Citizens' band was in attendance. The judges, Messrs. J. K. Martin, C. B. Robinson and D. H. Downey, after much deliberation, awarded the prizes as follows:

Characteristic Lady—Miss Mabel Ferguson as "Little Bo-Peep."

Characteristic Gentleman—J. Gibbs as Uncle Sam.

Patriotic—Miss Constance Foley, as Britannia.

Comic—W. Rutherford, Clown.

Best Couple—J. Tobin and Miss L. Lake, (both of Brantford); as Cowboy and Indian Girl.

Boy under 14—Eddie Flahiff.

Girl under 14—G. Armitage, Indian Girl.

Paris curlers made a splendid showing in Toronto when they went into the finals for the Ontario tankard, being defeated in their final game by Toronto Granites. They defeated the local rink in the semi-finals, Ontario before going down to defeat at the hands of the veterans, Rennie and Wilson.

The Lake Erie and Northern have a gang of Russians employed on their work here and have also engaged several local laborers. They will take on more men as they require them, and will give preference to those recommended by Mayor Patterson. This is to relieve distress by giving work to more needy families. It is said that Paris will be the headquarters for some 150 men during the coming summer, when ballasting and other work will be completed.

A petition has been circulated and received the necessary number of signatures from grocers, dry-goods merchants, tailors and shoe dealers to ensure an early closing by-law being passed, affecting those merchants at the next meeting of the council. The hours of closing will be 7 p.m., during the first four nights of the week, and to 10 p.m. on Fridays and Saturdays.

McMillan and Sons vs. Frank J. Fitcher, farmer, a jury case, was tried yesterday before Judge Hardy. The plaintiff sued for \$100 damages for breach of warranty relative to the sale of a horse. The action was dismissed with costs against the plaintiff. W. S. Brewster, K.C., for the plaintiff. M. W. McEwen for the defendant.

THE PROBS

TORONTO, (Feb. 7)—The depression which was in the Mississippi valley yesterday is now centered over the Georgian Bay causing heavy gales from Lake Superior to Cape Breton, attended by heavy snow which in a few southern localities has turned to rain. The extreme cold continues in the west. Shippers of perishable goods will have to provide protection.

Gales west to north, snow in some localities. Temperature on Sunday well below zero.

STRENUOUS IS NO NAME FOR IT

Graft Probe in Quebec Exhausts Energies of All Concerned.

[By Special Wire to The Courier] QUEBEC, Feb. 7.—The probes into the Montreal Mail graft allegations rested to-day after a strenuous week. While the worst is known, and the legislators of both the Upper and Lower House are relieved that the allegations have not covered more ground, a little more digging remains to be done.

Next week when the upper council committee meets, it will call before it L. P. Berard and Achille Bergévin, two of the legislative councillors who have figured in the Mail charges, though whether they will decide to give evidence or to refuse on the ground that they might incriminate themselves, cannot be decided.

The strain of the probes has been most strenuous. First of all J. O. Mousson, of the lower House, charged by the mail with accepting bribes, was brought down with an attack of nervous prostration at the mere thought of the enquiry, and is not likely to be able to give evidence before the committee proper.

Then Mr. Bisailon of counsel for the Mail was forced to return home ill.

Last night the pace at the lower House enquiry was so furious that three French stenographers found themselves unable to stand the strain.

A good story was told to-day of how the alleged "Mr. Sampson" fooled a Montreal newspaperman. The latter met the detective going from Montreal to Quebec and the two got quite chummy.

The newspaperman liked the genial and generous "American millionaire," so much that he sent him a copy of his latest book, which happened to be a detective story called "The Trait-or."

The journalist also offered to introduce Mr. Sampson to Mr. Edward Beck, who had really employed the sleuth, but Mr. Sampson said: "No, I would rather not meet him. One must draw the lines somewhere with newspapermen, though, of course, I except you."

The newspaperman was immensely impressed with Sampson because he claimed that he drank champagne for breakfast.

The local press made a lot of fun out of the Lanctot-MacNab encounter, the Chronicle printing several imaginary telegrams offering the pugilistic Deputy Attorney-General a position in the ranks of the "white hopes," while Bombardier Wells was quoted as resigning the honor of being knocked out for the British Empire in favor of Mr. Lanctot.
