MURDOCK CONSULTS MINERS AND BESCO

LABOR MINISTER SILENT AFTER CONFERENCES

Declares Time Not Opportune to Make Statement

TROUBLES LESS

Night of Comparative Quiet Is Enjoyed in Nova Scotia Strike Area

SYDNEY, N. S., June 17.—Chief interest in the Cape Breton industrial situation centered today in the presence here of Hon. James Murdoch, Minister of Labor, and the possibilities of his efforts as a conciliator between the British Empire Steel Corporation and its employees. It is known that he held conversation today with representatives of the United Mine Workers and also with J. E. McLurg, vice-president of the corporation.

Mr. Murdoch did not wish to say anything this morning, he intimated, both because the situation had not progressed far enough to make any announcement, and he felt any statement at this time might prejudice a delicate situation.

QUIET NIGHT

With a night of comparative quiet passed, and with the United Mine Workers' organization backing up the normal civil police by large numbers of their members sworn in as special constables, together with the presence of troops in the mining district, it was generally felt here today that the destructive part of the strike had passed, except for damage to mines from flooding.

STORE RAIDED

GLACE BAY, N. S., June 17.—The only depredation reported this morning was the raiding of a small colliery warehouse containing mine supplies at Dominion No. 1, and the breaking of the doors of the engine house at Colliery No. 1A. People were kept indoors by a gale and heavy downpour of rain.

Further detachments of troops from the Royal Canadian Regiment and the Royal Canadian Dragoons arrived last evening.

SOVIET TO ABANDON EXILE PRISON CAMP

Solovetsky Monastery to be Succeeded by Jails on Russian Mainland.

Canadian Press. MOSCOW, June 17.—The Solovetsky monastery, a desolate, forbidding prison camp on Solovetsky Island, in the frozen White Sea, which has been the terror of political offenders under the Soviet regime, will soon become but an echo of the past.

On recommendation of the state political police, the council of people's commissars has decided to abolish the prison, which houses several hundred social revolutionists, mensheviks, anarchists, and others who rebelled against the present government. The official decree directs that, beginning August 1, these and future prisoners of this category, shall be interned in prisons on the Russian mainland.

In Imperial days, Solovetsky Island, with its ancient religious shrines, treasures and traditions, was considered one of the holiest places in Russia, but in 1921 the Bolsheviks converted it into an exile camp.

FAMINE IS FEARED

Rumania Opens Special Credit For People in Bessarabia.

Canadian Press. BUCHAREST, June 16.—The entire province of Bessarabia, which Rumania recovered from Russia, as a result of the war, is threatened with famine because of last year's crop failure. The National Bank has opened a special credit of \$40,000,000 for sending provisions to the province.

Segregation of Classes Is Urged

HALIFAX, June 17.—There are to be great advances made in higher education within the next 20 years, declared President W. W. Patterson of Acadia University, Wolfville, in addressing a local club here yesterday. He especially emphasized the need of segregating classes of students in order that the slower students, mentally, should not retard the more clever students.

Brothers Are Reunited Here After Forty-Eight Years' Separation

FRANCE FACES NEW CRISIS IN MOROCCO

Says 12-Mile Limit Helps

SOUTHAMPTON, June 17.—Sir Ernie Howard, British Ambassador to the United States, told reporters on arriving here for a vacation that the existence of the 12-mile limit rum search and seizure between Great Britain and the United States had helped the present excellent Anglo-American feeling.

SOLARIO WINNER OF ASCOT DERBY

Sparus Second and Manna Third—Large Crowd Witnessed Today's Events.

ASCOT, June 17.—Sir J. Rutherford's Solario won the Ascot Derby stakes for £1,000 sterling here today. W. M. G. Singer's Sparus was second, and H. E. Morris' Manna third. Manna was the winner of this year's Derby.

Solario won by 1 1/2 lengths. Half a length separated the second and third runners. The betting was Solario 11 to 4 against; Sparus 10 to 1 against, and Manna 13 to 8 on.

Despite cooler weather today, the going was hard, for showers that had threatened did not fall and the turf was baked and dry. A very large crowd witnessed the races.

P. Nabel's Cockpit won the Royal Hunt Cup race also run here today. Sol Joel's Polyphones was second, and C. Howard's Priory Park third. Thirty ran.

DIES SUDDENLY

Mrs. Catherine Harding Passes Away in North End at Age of 84.

Mrs. Catherine Harding, aged 84 years, died suddenly today at the home of her son, William Harding, 482 Main street. She had attended church at St. Peter's on Sunday and rose this morning apparently in her usual vigor. Suddenly she passed away, leaving to mourn four sons, William, employe of W. Malcolm Mackay, Ltd.; Peter, of Saint John; George, of T. McAvity & Sons, Ltd.; and Frank, of New Bedford, Mass. One son was killed at the Battle of Vimy Ridge, another who enlisted, returned safely. Her husband, Peter Harding, died 14 years ago. Mrs. Harding was born in Ireland, but resided in Saint John since her girlhood.

SENATE GIVES IN

OTTAWA, June 17.—The Senate decided last night not to insist on its amendment to the Fruit Act. A conference between the two Houses on the Senate amendment has been proposed.

TRAWLER SEIZED

PARIS, June 17.—(United Press)—A German trawler, trying to smuggle arms to Alder-Krim, has been caught at Agadir and conducted to Mogador.

THE Tourist Edition of The Telegraph-Journal, which will be issued on Monday, June 22, will be sent to all subscribers without extra charge.

This special edition will also be on sale through newsdealers and newsboys at the regular price of three cents a copy—but only a limited number will be sold in this way.

Those who desire copies for mailing may secure them, already wrapped, from any Telegraph-Journal newsdealer, at five cents a copy.

Copies for mailing may also be ordered by filling in the coupon on page 3 and having them mailed direct from The Telegraph-Journal office. The price, if ordered in this way, is ten cents a copy, the extra charge of five cents being the cost of postage.

In order that this edition may be placed in the hands of as many prospective tourists as possible, and so secure the best results every resident of this province should send copies to friends and relatives living elsewhere.

Thousands of orders for this Tourist Edition have already been received but there are still a limited number available. Send in your order today and avoid disappointment.

LOYALTY OF THE NATIVES BEHIND LINES DOUBTED

No Question of Military Supremacy Now, Says Bradford

By A. L. BRADFORD, United Press Staff Correspondent. Copyright 1925 by United Press.

CIBRALTAR, June 17.—France has no need to worry from a military standpoint at the present about the warfare of Abd-el-Krim against French Morocco. Of this I am firmly convinced by my observations with Premier Painleve at the front. But another danger confronts France, perhaps.

France manifestly can rely to the limit on her native and foreign troops—there are virtually no native Frenchmen, except officers, on the front—but experts shake their heads doubtfully over the question of the continued loyalty of natives behind the lines.

Across the fly-ridden tables in the Moroccan cafe this question is whispered: "Will the natives, if given money, rise up against France?"

MASSACRE RECALLED

One recalls the Fex massacre of 1912, when the natives massacred virtually all the French population and, one cannot forget in this picturesque playground of a world different from the European, that there is a trail of fanaticism beneath the surface.

But Krim sent his Rifians out with subtle propaganda and it is hard to distinguish a Rifian from a loyal French native, for they are at least brothers under their skins.

It is this propaganda which causes concern.

GRAVE DANGER

French experts say that Paris must support Painleve's policy to the limit, adding, that if Krim succeeds against the French—by stirring disloyalty among the natives—then all Islam may rise against the colonial powers in a struggle too terrible to contemplate.

Auto Driver Held For Man's Death

TORONTO, June 17.—Harold Powell, aged 23, of Scarborough Junction, Ont., was instantly killed last night when he was struck by an automobile while walking along Kingston road here. Powell was pinned beneath a touring car, driven by Alex. Aikman, who was afterward arrested on a charge of manslaughter.

Scotch Minister To Supply In Halifax

HALIFAX, June 17.—Rev. James Campbell of Glencairn, Scotland, arrived in Halifax yesterday and will spend the summer months here supplying the pulpit of the continuing Presbyterian church of Halifax.

CARLETON FINANCES ARE IN GOOD SHAPE

Bank Debt Reduced From \$10,000 to \$3,000—Exhibition Grant Asked.

Special to The Times-Star. WOODSTOCK, N. B., June 17.—At this morning's meeting of the County Council, a committee appointed to value the county buildings reported that the buildings were worth \$100,000; the poor farm was worth \$18,456.70.

The finance committee reported that financially the county was in good condition. The total bonded indebtedness was \$11,000. The council pays on the bond \$2,000 a year. Last year at this time on current account there was a bank debt of \$10,000; at present on current account the bank deficit is \$3,000.

R. W. Maxwell, secretary of the Agricultural Society, addressed the council asking for a grant of \$1,000 for the fall exhibition. The matter will come up in the afternoon session. It was called to the notice of the council that a few names had been omitted from the Soldiers' monument, and Councillor Stevens and MacDougall were appointed with power to act.

MacMillan Away On Voyage To Arctic

BOSTON, June 17.—A word of farewell from the secretary of the navy Wilbur to Commander Donald B. MacMillan who will set out from Boston today for Wisconsin, Maine, on the first leg of his ninth journey into the Arctic regions, has been transmitted to the explorer. It was conveying "good bye, good luck, and come back safely."

To Call General Strike In China

LONDON, June 17.—The Daily Telegraph's Peking correspondent reports that the situation is serious at Kaileng-Fu, capital of Honan, and foreigners are leaving. A general all-China strike is to be called June 25.

General Chang Tso Lin, the Manchurian warlord, adds the correspondent is sending a strong bodyguard for President Tsian Chai Jui, owing to rumors that General Fong's troops may join with the students.

LOCAL MEDICAL SOCIETIES URGED

Speakers at Campbellton Convention Favor Idea—Dr. J.R. Nugent Presents Report.

Special to The Times-Star. CAMPBELLTON, June 17.—The 48th annual convention of the N. B. Medical Society opened here this morning with the president, Dr. George W. Fleming, of Petticoatic, in the chair. About 50 doctors were present. The meeting was opened with prayer by Rev. W. W. McVain, M. A., of Campbellton.

Capl. N. C. MacKay, Mayor of the town expressed his pleasure at being able to welcome the delegates in the name of the people of Campbellton and assured the members present that all he or the Campbellton people could do to make their visit a pleasant one would be eagerly done. The president thanked his worship for the sentiments expressed and good wishes extended.

STORM IS BLAMED

Railroad officials blamed the storm for the disaster. By a queer twist of fate, the train had been routed at the old main line of the road at Delaware Water Gap, Penn., instead of the more travelled cut-off built several years ago.

The New Jersey board of public utilities has sent investigators to the scene. Coroners of Philadelphia, Hackettstown and Belvidere, N. J., have started inquiries.

HARD TO IDENTIFY

HACKETTSTOWN, N. J., June 17.—Leopold Neumann, the agent who organized the excursions of middle westerners, who were on an annual trip to Germany, was busy today seeking to establish the identity of those dead whose names were still unknown.

His work was hindered, he said, by the fact that about 80 of the excursionists left the scene of the wreck for New York and sailed on the Republic yesterday. The bodies of three women who died in Easton are still unidentified. Although their names are known, it was stated to be impossible to establish which is which.

CHINA IS WARNED

Foreign Diplomats Send Note to Government Emphasizing Gravity of Situation.

PEKING, June 17.—Another note emphasizing the gravity of the situation caused by recent disturbances in China and calling upon the Chinese government to take measures, was sent to the foreign office today by the Italian Ambassador Signor Cerruti, representing also other members of the foreign diplomatic corps.

Governor Starts On Western Tour

OTTAWA, June 17.—The Governor General and the Lady Byng of Vimy, attended by Captain Price-Davies, A. D. C., and accompanied by Major P. K. Hodgson, and Miss Sandford, left Ottawa yesterday for a tour of western Canada. Captain J. R. Chaplin, A. D. C., will join their Excellencies in two weeks' time.

FIVE INQUIRIES INTO RAILWAY WRECK START

42 Dead, 36 Injured Toll of New Jersey Derailment

Canadian Press. NEW YORK, June 17.—Five separate investigations were under way today in the wreck of a Delaware, Lackawanna and Western Railroad tourist special train at Rockport, N. J., 40 miles west of here, in which 42 persons were killed, and 36 to 50 injured. Of the injured, the cases of 16 are considered serious.

The train carried 182 German Americans, mostly from Chicago, and bound for Hoboken, N. J., to embark on the liner Republic, to visit their homeland. Only eighty sailed on the Republic yesterday.

ON DOWN GRADE

Speeding on a down grade, the seven-wheeled train hit a stretch of mud and debris that had been washed away by a heavy rain, and the engine and four steel cars from the rails.

Three cars piled up on top of the overturned engine. The steam pipes burst, and the engine spouted fire, scalding the passengers in the cars.

HOURS OF AGONY

It was the breaking of the pipes that caused the death of at least 30 of the victims. The suffering was intense. One man jerked a roll of bills from his pocket and begged a rescuer to kill him. Only four trainmen and a few passengers were killed instantly. One woman was decapitated. The others went to hospitals at Easton, Pa., Dover, N. J., Philadelphia, Morris-town and Hackettstown.

Anglo-Catholic Conference On Church Union To Be Resumed In London, Says Shaftsbury

LONDON, June 17.—The fact that the famous conference at Malines, Belgium, under the patronage of Cardinal Mercier, and several dignitaries of the Church of England, and the Roman Catholic church, are to be resumed, was announced last night by the Earl of Shaftsbury, at a meeting held here on the question of church union.

The Earl of Shaftsbury declared that the goodwill of the Pope and the Archbishop of Canterbury had been accorded the coming conference. However, it would be rash, he said, to expect too much from it, although the difficulties in the way of reunion were not insurmountable.

The latest of the Malines conferences was held in the second week of May.

More Unemployment In Great Britain

LONDON, June 17.—Unemployment in Great Britain, which was announced as totaling 1,247,300 on June 6, increased a further 48,804 during the succeeding week, it was learned today. The Laborites, who hold the government responsible for the situation, announce their intention of raising a debate in the House of Commons at the earliest opportunity.

Tuberculosis Vaccine Reported To Produce Effective Result

PARIS, June 17.—The preventive vaccine against tuberculosis known as "B. C. G." is producing most effective results, according to a report read before the Academy of Medicine, by Prof. Calmette, assistant director of Pasteur Institute.

Of 173 nursing babies vaccinated three years ago, the report said, none had died of tuberculosis and 94 examined last month were in perfect health. Of 137 babies vaccinated at the beginning of 1924, all members of tubercular families in Paris, none had died of tuberculosis.

"B. C. G." is administered in milk to babies from three to 10 days old.

WINSLOW AND WM. L. HUGHSON ENJOY REUNION

Four Brothers Left Havelock Home In 1877

GETS SURPRISE

Now Plan to Pay Short Visit To Old Hometown In Kings

"HAVE you some property at Havelock?" The question was asked Winslow Hughson of Adelaide street, aged 77, on Monday evening on the veranda of his summer home at Renforth by a strange man.

"Yes, I have," replied Mr. Hughson, and forthwith the two old gentlemen fell to discussing the matter in question, boundaries, price, etc. The strange visitor thought he might like to take a run up to Havelock and view the property, and this was agreeable to the owner, who also thought he noticed a queer little smile gathering on the stranger's face.

"By the way," asked Mr. Hughson, "I don't know your name?" "The stranger laughed.

"Winslow, don't you know me?" he asked.

VISITOR ENJOYS IT

Winslow Hughson gazed up into the stranger's face and then thought he heard a suppressed chuckle from inside the house where the family were gathered. The longer he looked, the more convinced he became.

"It isn't you, is it, Will?" he asked. "It sure is," replied William L. Hughson. "It's a funny thing you don't know your own brother." There was no doubt about it now. It was his brother whom he had not seen for 48 years—nearly half a century.

His brother was typical of many New Brunswick families, whose sons and daughters are scattered far and wide across the continent. In company with four other brothers, Will Hughson set out from the old Havelock home at Havelock the year of the great fire in Saint John, 1877.

LEAVE FARM HOME

Their parents were John and Sarah Hughson, long since dead, and although they were well cared for, the prospect of farm life did not appeal to them and they set out in the world to make their own way as best they could.

None of the four stopped in Saint John long as business was at a standstill then owing to the fire. Will Hughson first went to Troy, N. Y., and from there out to St. Louis. In time, he married and settled down and corresponded with Winslow Hughson, who, in the meantime, had come to Saint John to live. The years passed and correspondence ceased among the brothers. A few years ago, a letter came from Will Hughson, saying that he was living in Alton, Ill., with his son-in-law and that his wife had died. Winslow Hughson a few months ago almost decided to visit the brother whom he had not seen for all those years, but was dissuaded from going.

MAINE MILL BURNS

Half Million Dollar Loss Suffered in Blaze at Washburn Plant.

WASHBURN, Maine, June 17.—The entire mill property of the American Realty Company here, was burned by a fire which broke out last night, and was still burning vigorously today, although considered under control. In addition to the mill, which ground pulpwood, 40,000 cords of pulpwood were being rapidly consumed. The loss was estimated at approximately \$500,000.

CROPS DESTROYED

WINNIPEG, June 17.—Seventy-five per cent of the crops in the White and Birch River districts, were completely ruined by the floods last week, and 27 of the many destitute families are being cared for by a provincial government relief bureau.

HIGH COURT OF FORESTERS IN SESSION HERE

Seventy-five Delegates Gather in Orange Hall for Meetings

SAIL ON RIVER TO BE GIVEN VISITORS

High Chief Ranger Lingley Presents Conditions in Review.

The High Court of New Brunswick, I. O. F., opened this afternoon in Orange Hall, Germain street, with the High Chief Ranger, Duncan G. Lingley, in the chair. About 75 delegates were expected from various parts of the province.

This evening, if the weather is of the right variety, there will be a sail on the river tendered the visiting delegates by the Saint John courts. Should the weather man prove unkind they will be tendered a theatre party at the Imperial.

High Chief Ranger. In his report Duncan G. Lingley, High Chief Ranger, said that 21 years ago, in Fredericton, he presented his first report as High Chief Ranger, having been elected to that honorable position at Edmundston in the previous year.

Continuing, he said that Fred Clark was appointed organizer for New Brunswick and had done good work. Two new courts had been organized through his efforts and new members added to other courts.

"A bright spot in my term of office," he said, "has been the organization of 'Court Lingley' at West Saint John. This court owes its existence to the efforts of Brother Clark, ably assisted by Brother A. V. Duffy.

"In company with P. H. C. R. Grass, P. H. V. C. R. Stephenson and several other members, I assisted at the organization early in February of this year, when it was initiated. I promised that a turkey supper would be provided if the court membership was doubled within three months. As the conditions were met within six weeks, the supper was held on the evening of March 17, at West Saint John, and was one of the most enjoyable functions I have ever attended. The court now has a membership of 44, and is still increasing. The attempt to organize a court at West Saint John seemed hopeless, but results show that concerted effort can accomplish a great deal. I strongly recommend the wholeheartedness of the members of 'Court Lingley' to the other courts of New Brunswick.

DEATHS SPOKEN OF. "Among the most prominent of our members called to rest 'The Great Court of Love' since our last meeting are the following: "Brother George W. Mersereau, who passed away while filling the office of High Chief Ranger. Brother Mersereau was an enthusiastic Forester. He went overseas during the war in command of the 122nd Battalion, and the

DEATHS. HARDING—Suddenly, at her residence, 42 Main street, on June 17, 1925, Catharine, widow of Peter Harding, leaving four sons to mourn. Notice of funeral later.

KENNEDY—Suddenly, at his residence, 143 Britain street, on June 16, 1925, Bernard, son of the late Patrick and Margaret Kennedy, aged 27 years, leaving three daughters to mourn. Funeral Friday at 2.30 from the residence of his daughter, Mrs. Thomas McCarthy, 55 Broadview Ave., to St. John the Baptist Church, 1010-1012.

MAGIE—At Upper Maugerville, on June 16, 1925, Mrs. Magie, nee Magie, wife of the late W. R. Magie, leaving one son and two daughters to mourn. Funeral was held Friday, June 12, 1925, from her late residence, Maugerville.

SMITH—On June 16, 1925, at the residence of C. W. Greenfield, 68 Middle street, Mrs. Catherine B. Smith, in the eightieth year of her age. Service at the house Wednesday, 8 p. m. Funeral at Brown's Flats on arrival of Mailetic.

WESTON—At Gagetown, N. B., June 15, Edith J., wife of Capt. R. H. Weston, after a short illness, leaving her husband, two sons, three brothers and three sisters to mourn. Funeral at Gagetown today (Wednesday), at 2 o'clock.

IN MEMORIAM. ARTHURS—In loving memory of our dear husband and father, William C. Arthurs, who entered into rest June 16, 1925.

Boys Are In Court In Case Over Money

Three juveniles were before Magistrate Henderson today, one charged with theft of \$30 and the other two on charge of receiving money, knowing it to be stolen. According to the evidence of Detectives Biddiscombe and Saunders, one of the boys was sent by a lady to collect a bill. He received the \$30 in payment, but on the way home lost the purse and the contents. When he went back to look for it, another boy handed him the purse, but it was empty. Later, the finder produced \$10 and said his mother had given it to him. He gave each of the boys \$3 and they spent most of it. The magistrate sent the boys below to consider his decision.

strenuous life greatly weakened his constitution. About a year after his return home, he was stricken with a severe illness which he could not conquer and he lay down to a well earned rest.

"Brother Millman, our Supreme Physician for many years, and who will be remembered by all who knew him, as one who early and late was a fraternalist.

"Brother John T. Hawke, of Moncton, who was the oldest Forester as regards length of time in the order in New Brunswick. Brother Hawke's service had been always at the service of the order, which he joined in its infancy.

"Brother Elliott G. Stevenson, who died in California a short time ago, and who was Supreme Ranger when the order was passing through troublous times.

"Companion Mawhinney of Court West Wind, who entered into rest early in the year, and who will be much missed at the meetings of the court.

"There are many others on the list, and we are reminded that, sooner or later, we, too, must obey the call of the Master.

DORMANT COURTS. "I regret very much to state that a large number of our courts are dormant, not meeting at all. I would recommend that the High Court enquire carefully into this matter and suggest a remedy. A number of courts have amalgamated with good results.

The organization department has been doing better work during the last few months, but I believe that greater publicity of the aims of the order and its standing at the present time, would bring about better results. "By their works ye shall know them," is as true today as it was hundreds of years ago, and our order is not going behind in good works.

ORPHANS HOME. "The Orphans' Home at Oakville is the pride and glory of our order. The young lives cared for and carefully trained to meet life's problems will tell more eloquently than human tongues of the value of this part of the I. O. F. labor of love. Under Brother C. O. Morgan last year, after everything necessary for the orphanage in the way of fruit and vegetables had been provided, more than \$2,000 worth was raised, and all this from 22 acres of land. The hand of him who so largely guided and framed this work, is still, but the name of 'Daddy Morgan' will ever live in our hearts.

"Over 20 years ago I had the pleasure of placing in Brother Morgan's care, the first New Brunswick children sent by the Foresters of our province. At the time I made representations that the care of the orphans committed to the care of the Foresters Home should not be in our power to do anything for the fact that attention was paid to what I said, and the children have been dressed in the ordinary way, and not in a uniform.

IN SANATORIA. "Our Sanitoria are doing a grand work. The Eastern, at Rainbow Lake, and the Western, from New Brunswick who are laid in their praises of the benefits they have received there. The Western, in the mountains of California, is doing equally good work.

"Just a word about our duty to our order. You and I stood before the altar and solemnly promised to do everything in our power to advance the welfare of the Independent Order of Foresters. How have we kept our vows? Some present today can, with upraised faces, claim that they have been true, but others cannot reply. I call upon all to remember their initiation promises and to fulfil their obligation while there is time and opportunity to do so. "Play up and play the game." Let us all carry to our homes and courts a determination to wake up fraternally.

FINANCES. "Our High Court finances are not at all flourishing. The High Court has not paid its way. The decline in membership was a hard blow. The Supreme Chief Ranger, Brother Hunter, has written me that the executive council will recommend to the Supreme Court at its next session, the restoration of our High Court dues. This, with the renewed efforts of each Forester, and the determination of each to secure at least one new member, will lessen the difficulties of the High Standing Committee.

In closing, I bid you welcome to the City of Saint John, the Loyalist City, and oldest incorporated one in the British Dominions. I trust you will enjoy your visit here, and also that you will take part in the business of the High Court. If you do not agree with any motion or recommendation that may come before the High Court, say so. I come before the High Court, say so. I come before the High Court, say so. I come before the High Court, say so.

C. C. M. A. President Sees Benefits in Economy and Hard Work

FIFTEENTH ANNUAL MEETING IN TORONTO

Simonton Declares Taxpayers Partly Responsible for Conditions.

Canadian Press. TORONTO, June 17.—"Let us realize that today we are perhaps building more permanently for success than during the hectic days of prosperity, that economy and hard work are cardinal virtues, and if ever present will result in steady conditions."

In the foregoing words did F. E. Simonton, of Calgary, National President of the Canadian Credit Men's Association, sum up present conditions in Canada, in presenting the fifteenth annual report to the annual meeting of that organization here today.

Mr. Simonton said that Canada today looked back to the period of say 15 years ago, with a certain amount of envy for at that time remarkable national progress was evident. Now, after several years of readjustment, the country was proceeding under a burden of taxation, the aftermath of what had come before, looking forward to a time when immigrants would again "wrench their way to our land, helping to people the vast areas and helping with the bearing of the country's burdens."

LURE OF THE U. S. Dealing with the competition of the United States in Canadian markets, and the lure of the States to young Canadians, Mr. Simonton remarked: "Certainly it seems that we are paying the penalty of being located so near sea, whose powerful neighbor we are to progress slowly until her land is overflowing. Will the Fordney tariff continue to shut out our products while she floods our markets? Are we to continue preferential tariffs in the motherland, while our woolen, shoe and other industries suffer?"

Mr. Simonton said that politicians and governments had been blamed in large measure for "oppressive taxation and its effect on business," and asked if some blame should not also be laid on those "who are undoubtedly responsible, namely, the taxpayers of Canada, not excepting business men."

He said that Canadians expected cattle rushed eastward at express speed in half train loads. "Elephants for two or three trains a day with stops at stations not justified, where one would serve as well. Factions crying demands for millions for the improvement of port facilities, and other public works.

The people of Canada controlled the expenditures of the "W" bill, yet they demanded facilities in many cases far ahead of the population.

Winslow and Wm. L. HUGHSON Are Reunited. Continued from Page 1. owing to his advanced age, he now being 77 years of age.

Then, Will HUGHSON set out himself, coming by way of Chicago, Detroit and Montreal. His daughter sent a telegram to the usual Adelaide street address, but the family in the meantime had moved out to the country. Finally, the telegraph people located George HUGHSON, son of Winslow, car foreman here for the C. N. R., and when Will arrived, his nephew soon found him and between them concocted an innocent little plot for Winslow's benefit. Needless to say, the brothers are hugely delighted at seeing each other and are planning a little trip to Havrelock to revisit the scenes of their childhood.

THE LATE BERNARD KENNEDY. Bernard Kennedy, who was found dead at his home, 143 Britain street, yesterday, was a veteran of the Great War, enlisting in 1915 with the C. A. S., and after being discharged, joining again in 1917 with the 16th Field Ambulance. He received honorable discharge at close of war. He was a clocksmith by trade. He leaves three daughters, Mrs. William Logan, of Pembroke, Me.; Mrs. Thomas McCarthy and Mrs. Thomas Evans of this city; one brother, Patrick Kennedy of Quincy, Mass., and one sister, Mrs. Frank Fawcett, of Saint John, and 15 grandchildren. The funeral will be held on Friday afternoon at two o'clock from the home of his daughter, Mrs. McCarthy, 55 Broadview avenue, to St. John the Baptist church.

TREASURER'S REPORT. Thomas Murray, High Treasurer, reported the receipts and expenditures for last each year since 1920. It showed a balance of \$868.32, on hand at present. Supplies totalled \$180, sum of \$100 in supplies, \$157.26, regalia and office furniture, \$250. Liabilities were: Supreme Court loans, totalling \$1,500; supplies, \$811.27, and \$265.82 due to St. J. Todd.

TO INSPECTOR'S STAFF. Charlie Gorman, skater, has been attached to the staff of the local liquor inspectors. He took over his new duties yesterday.

LOCAL COKE PLANT EXPECTED TO BE FIRST

Saint John Industry Likely to Take Advantage of Federal Aid

GREAT HELP VISIONED FOR MARITIME COAL

Quebec and Montreal Also Are Expected to Construct Works.

OTTAWA, June 16—A comprehensive plan for the reduction of fuel cost in Canada, for making this country more independent of the United States...

WHAT MEASURE PROVIDES.

In a general way, the proposed legislation provides that any company in Canada may enter upon an agreement with the federal government for the construction of coking plants...

While Alberta coal might conceivably be utilized in this plan in Ontario the cost of transportation of that coal to Ontario would make the plan almost impracticable.

SAINT JOHN TO BE FIRST.

It is believed that the first place to take advantage of this legislation will be Saint John with its proximity to the coal producing area...

The provisions of the legislation as outlined in the resolutions are as follows: "Resolved, (1) That it is important in the national interest that the cost of fuel to consumers be reduced...

"(2) That it is expedient to bring in a measure to encourage the construction of works for the production of domestic fuel from coal mined in Canada.

MINISTER OF MINES.

"(3) That 'minister' in these resolutions shall mean the minister of mines, and 'works' shall mean by-product coke ovens."

"(4) That the governor in council may, as an aid to the construction of works for the production of coke from coal mined in Canada, authorize the payment out of any unappropriated money forming part of the consolidated revenue fund of Canada, of assistance in accordance with the provisions of the proposed legislation to any incorporated company approved by the governor in council...

PLANS TO BE PRESENTED.

"(5) That any company which seeks to enter into an agreement with His Majesty to construct works for the production of domestic coke from coal mined in Canada, under the proposed legislation, as part of its application therefore shall present detailed working plans and specifications of the proposed works accompanied by estimates of the cost thereof, including estimates of all necessary equipment, machinery, plant and site (provided as to the site the company is obliged to pay therefor and does not obtain or has not obtained it by way of bonus or gift), and such estimates of cost shall be in such detail as shall enable the engineer appointed by the minister to verify the same for the purpose of the report to be made by him.

3 PER CENT PAYABLE YEARLY.

"(6)—(1)—That the amount payable in respect of works for the production of domestic coke from coal mined in Canada which have been constructed under the proposed legislation shall be an annual sum not exceeding 3 per cent of the cost of the work as fixed and determined under sub-section 2 of the resolution each year during a period not exceeding 15 years from the time the governor-in-council has determined under the proposed legislation that the work has been completed.

"(6)—(2)—The cost on which the amount payable shall be calculated shall be fixed and determined by the governor-in-council upon the recommendation of the Minister based upon a report of an engineer appointed by the Minister for the purpose, accom-

planned by plans and specifications of the proposed works, and such costs shall include the cost of all necessary equipment, machinery and plant, and any sum bona fide expended or to be expended by the company in the purchase of a site for the production of domestic coke...

WORK UNDER SUPERVISION. "(7)—That the construction of the works shall be under the supervision of the Department of Mines and they shall be completed within the time limited by the agreement unless the time is extended by the governor-in-council and the amount to be paid shall be payable during the period agreed to by the governor-in-council upon a report of the Minister determines that the work required by the agreement has been completed and the production of domestic coke as contemplated by this legislation may be forthwith proceeded with.

"(8)—That the agreement, in addition to such other provisions as the governor-in-council may determine, shall contain covenants on the part of the company— (a) To use in the manufacture of coke only coal mined in Canada and in the event of other coal being so used to pay His Majesty as liquidated damages the sum of \$1 per ton for each ton of coke produced from coal other than coal mined in Canada;

TO SELL COKE PRODUCED. "(b) To sell the coke produced in works constructed under the proposed legislation at fair and reasonable prices and such prices shall be subject to control by the Dominion Fuel Board or by such other authority or person that the governor-in-council may determine;

"(c) To maintain and operate the works for the production of domestic coke within the limits of the capacity thereof in such manner as to meet the reasonable requirements of the public; and

"(d) Provisions for investigation and report in the event that the Minister is of opinion that the company has failed to comply with the proposed provisions or covenants and in case of differences for arbitration and for making the decision of the Board of Arbitration a rule order or decree of the Exchequer Court;

"(e) For the keeping in repair of said works by the company;

"(f) For the taking possession of the works in the event of the company failing to comply with the proposed provisions or covenants and in case of differences for arbitration and for making the decision of the Board of Arbitration a rule order or decree of the Exchequer Court;

"(g) For the taking possession of the works in the event of the company failing to comply with the proposed provisions or covenants and in case of differences for arbitration and for making the decision of the Board of Arbitration a rule order or decree of the Exchequer Court;

"(h) For the taking possession of the works in the event of the company failing to comply with the proposed provisions or covenants and in case of differences for arbitration and for making the decision of the Board of Arbitration a rule order or decree of the Exchequer Court;

Objections Raised To Dublin Cabaret

LONDON, June 16—A piquant situation has been created in Dublin where the widely advertised Irish cabaret will begin its performances sometime this month in the Mansion House. Behind the cabaret are Grant Morden and James Duggan, the well known Irish book-maker, and the project is not only arousing the hostility of the Irish who hate to think that their Mansion House and Governor-General should be associated with this kind of entertainment, but the Archbishop of Dublin has also openly protested against it.

HIP SAUCE A revelation to all who try it.

VERIFIED STATEMENT. "(10)—The company before receiving the first payment under these provisions and annually thereafter shall file in the office of the Minister a verified statement to the financial state of the company and details of the business.

COKE PLANTS.

The Dominion Government's legislation to promote the construction and operation of coke plants in Canada is now outlined in Ottawa despatches.

Some time ago, when it became known that legislation of this character was contemplated, it was reported that if the assistance given proved substantial, coke plants would be established in Saint John and in Halifax, as well as in the larger cities in other provinces.

MORE CHEERFUL.

The Canadian West is feeling distinctly more cheerful because of the good prospect for a large grain crop. Measured by the official survey of the crop conditions as at June 1, the wheat is considerably above the average of the last ten years, and conditions have somewhat improved during June.

The outlook in Alberta is described in the official report as better than anywhere else in the Dominion, a vast improvement over June of last year. While harvesting has already begun in the southern portion of the United States, it is somewhat early to build too great confidence upon existing conditions in the Canadian West, but they certainly justify a most hopeful attitude.

The Minister of Public Works writes that the Common Council's request for the extension of the breakwater will be given careful consideration — the customary reply. It needs more than

Odds and Ends

"You never know what you'll find among the odds and ends." — From "Notes by a Waviano."

The "Agreeable" City of London

(Christian Science Monitor.) Dr. Samuel Johnson thought a country gentleman should bring his lady to visit London as soon as he could, that they might have "agreeable topics for conversation" when they were by themselves.

Tradition has something to do with it. In many parts there is not a street, hardly a house, but is linked with the name of some old friend in history or literature. The Tower, Westminster Abbey, St. Paul's, Whitehall—the very sound of the words is enough to set the trumpets blowing and the banners flying. But in the Abbey and St. Paul's the records are mostly ceremonial and official—the streets and houses where their days were passed will tell you much more of both great and humble.

Or Charles Lamb's Or Pepps, that other great London "Samuel" in Russell Street and Buckingham Street you may see their houses, and in Whitehall is the Admiralty, on whose walls hangs the portrait of the most famous of all secretaries, Colonel Newcome calls you to the Charterhouse, Becky Sharp to Steyne House (to be identified today with Hertford House—where the pictures are), and in Kensington Garden not far from the "Big Penny," Peter Pan now has a statue of his own.

The Borough will remind you of Sam Weller—a third cockney "Samuel"—or you can follow in your motor more or less closely John Gilpin on his ride to Edmonton. These are but a few of those whose names will find you elsewhere in London, a mixed company, but on the whole an "agreeable" one.

The housebreaker has been especially busy of late, and on every side rises the dust of demolition, but there is still enough left to show the forms and manners of those bygone days. But not the color! The climate of fog and the smoke have seen to that, and are still seeing to it—of spite of the gallant efforts of the Coal Smoke Abatement Society.

Most of the commercial and public buildings are faced with Portland stone, so that this material—in some places sooty black, in others bleached by years of winds and rain—and the London stock brick, together dominate all the views in the city. In this light and atmospheric color light is successful, must be strong and broadly handled. The subtle and delicate design, so delightful in Paris or New York, is of no use here, and withers in a week.

FAIRMOUNT IS JUST YEAR OLD

East Saint John L. O. B. A. Lodge Celebrates Anniversary

Membership Growth is Reported—Western County Lodges Prepare for 12th.

Fairmount Lodge, No. 598, L.O.B.A., celebrated its first anniversary last evening at a large and enthusiastic meeting at which there were present representatives of Dominion, Johnston, Cullum, Roxborough and Baxter lodges.

When refreshments were served by an efficient committee, Mrs. Philip MacIntyre, the worthy mistress, cut and distributed the nicely iced birthday cake that was adorned by one candle.

MEMBERSHIP 40. Fairmount Lodge was organized on April 28, 1924, by the Provincial Grand Mistress, Mrs. Elsie Dupliss, and the Provincial Grand Deputy Mistress, Mrs. Joseph Taylor, Mrs. Philip MacIntyre, who was elected the first Worthy Mistress, still retain office.

No Subject for Levity (Tid-Bits) A borough council was discussing the wages of the cemetery superintendent when one member suggested that they should bury the question.

One or two people laughed. The chairman remonstrated. This, he said, was a subject for punning—it was far too grave. Then they all laughed.

MORE POTATOES SHIPPED TO CUBA

One Ship Loading, and Three to Start Tomorrow—Some 200 Car Loads.

About 200 carloads of potatoes will be shipped through this port to Cuba in the near future as an unexpected addition to the export business of the year. O. R. Estey, of Woodstock, one of the leading dealers of the province, said last night while in Saint John.

Practically all of the good potatoes in New Brunswick had been disposed of, he declared. There had been many thousands of barrels, however, which had sprouted and been thrown away after the good ones were picked out.

Despite the low prices prevailing last season, as the result of the general over-production, and the bumper crops everywhere, the farmers of Victoria and Carleton counties had planted very

WOMEN'S HOME TO BE READY IN FALL

Board of Management in Moncton Arranges Loan of \$25,000.

MONCTON, June 16.—At a meeting of the board of management of the Inter-Provincial Home for Women in the City Building here this afternoon a committee was appointed to secure a superintendent. This committee will report at the next meeting of the board on the third Tuesday in July.

An effort is being made to have the Home, which is located in Coverdale, Albert county, finished by autumn.

Among those who attended the meeting was Bishop Richardson, representing the diocese of Fredericton, who is lending all the aid possible from the Anglican church. Others present were: Rev. H. A. Goodwin, of Saint John; Rev. H. E. Deblie, of Amherst; Rev. W. D. Wilson, of Middleton; Canon Sisman, Rev. G. W. F. Giendening, Rev.

J. A. Ramsay, D. A. McBeath and L. W. McAnn, of Moncton.

Rev. Mr. Goodwin returned to the city last night and said that a mortgage loan of \$25,000 is being raised in order to finance the completion of the unit of the Home now under construction. As soon as the loan negotiations were completed, construction would be resumed and he expected the work would begin in about two weeks' time and be complete by November. There are at present two financial agents in the field collecting subscriptions for the fund, Rev. George S. Gardiner and Rev. Mr. Fraser of Truro. Rev. Mr. Goodwin said that there had been three applicants for the position of superintendent and he expected that an appointment would be made at the next monthly meeting of the board of management.

SHOWERS WELCOMED.

Heavy showers throughout yesterday were welcomed by farmers and gardeners but were not very popular with the citizens generally. The total rainfall of the day amounted to .61 of an inch, bringing the total for the month so far up to 2.2 inches. The temperatures varied from 60 degrees to 64 degrees yesterday.

Kelly-Higgins

Rev. Eugene P. Reynolds solemnized with nuptial mass, at the Cathedral of the Immaculate Conception this morning at 7 o'clock, the marriage of Miss Catherine E. Higgins, eldest daughter of Mrs. Ellen E. Higgins and the late James Higgins, to William E. Kelly, son of Mr. and Mrs. James Kelly, all of Saint John. The bride was becomingly attired in an ensemble suit of sand color with hat to match and carried a bouquet of Ophelia roses.

Townsend-Hobson

SACKVILLE, June 15.—William Abner Townsend, of Hopedale, Mass., formerly a resident of Jolicoeur, recently joined the ranks of the benedictines. His marriage to Miss Lillian Hobson, daughter of Mr. and Mrs. George H. Hobson, of Worcester, Mass., took place on May 30 at the home of the bride's parents, Rev. Dr. William F. Mitchell, of Wesley M. E. Church, officiating at the ceremony. Miss Hobson, who is a graduate of Worcester High School, holds the position of librarian in the North Grafton State Hospital, Grafton, Mass. Mr. Townsend is employed with the Draper Corporation at Hopedale, Mass. The newly-weds will reside at Milford, Mass.

Wiggins-Raymond

Many New Brunswick people will be interested to hear of the wedding of Miss Lillie Smith Raymond, daughter of W. Edmond Raymond, of this city, and John Keble Wiggins, son of Rev. Dr. C. F. and Mrs. Wiggins, of Sackville, the ceremony being solemnized in St. Mary's church, Mystic, Connecticut, on Monday, June 15, 1925. The bride, who is well-known in Saint John, her birthplace, has been a frequent visitor here from her duties as a teacher on the Hudson, New York. Mr. Wiggins is a merchant in Sackville, and his bride will reside in Connecticut where the state from which the Raymond and Wiggins families came many years ago as Loyalist settlers in Saint John and this adds interest to their choice of this locality for their wedding. Many good wishes will greet Mr. and Mrs. Wiggins on their return to New Brunswick, where they have a wide circle of friends here and elsewhere in the province.

Carter-Tower

SACKVILLE, June 15.—A wedding of local interest was solemnized at the rectory, Moncton, at 6 o'clock Wednesday evening, when Margaret Augusta, youngest daughter of Mr. and Mrs. Willard E. Tower, of West Sackville, was united in marriage to Josiah Bradford Carter, son of Mr. and Mrs. N. B. Carter, of Mapleburg. Rev. W. B. Sism officiated at the ceremony, which took place with Miss Dora Johnson and Miss Esther Milner, both of West Sackville, as witnesses. The bride was becomingly attired in a suit of navy blue tulle with hat and scarf to match.

Codner-Eddy

Rev. F. T. Bertram, pastor of the United Church (Carleton Methodist), solemnized the marriage of Miss Edith A. Eddy, of Bathurst, to Robert H. Codner, of Saint John, at the parsonage on Monday evening, June 15, 1925, in the presence of several immediate relatives, Mr. and Mrs. Codner will reside in Saint John.

Dewar-Patterson

Bloor street Baptist church, Toronto, was the scene of a pretty wedding on Wednesday, June 10, when Mary Elizabeth, daughter of Mr. and Mrs. James Patterson of Alliston, Ont., became the bride of Charles Edward Dewar, son of Mr. H. V. Dewar of St. George, N. B. Rev. W. A. Cameron officiated. The bride, who was given away by her father, wore a dress of blonde georgette with hat and shoes to match and carried a bouquet of sunset roses and lily of the valley. The only ornament worn was the groom's gift, a diamond bar pin. Miss Edith Patterson, sister of the bride, was bridesmaid. The groom was attended by Harold S. Russell of Toronto. The wedding music was played by Malcolm Wood, and during the signing of the register Charles H. Leslie sang "Because I Loved You So." Immediately after the ceremony the happy couple left for Ottawa. On their return they will spend a few days at Alliston before leaving for St. George where they will make their home.

Golding-Bailey

Many friends attended the wedding of Miss Tressa Agnes Bailey, daughter of Mr. and Mrs. George Bailey, 82 Kennedy street, and William F. Golding, son of Mr. and Mrs. William Golding of Fairville, which was solemnized in St. Andrew's church this morning at 8:30 o'clock by Rev. J. Sutherland Bonnell. The bride, who was given in marriage by her brother-in-law, Walter B. McColligan, was prettily gowned in an ensemble suit of lawn with hat, shoes and bouquets to match, carried a bouquet of Ophelia roses and

Deaths

Mrs. R. H. Weston

After a short illness Mrs. Edith J. Weston, wife of Capt. R. H. Weston, died at her home in Gagetown on June 15. She was a life-long resident of Gagetown and her passing will be sincerely mourned. Besides her husband she is survived by two sons, three brothers and three sisters. The sons are Bruce V. Weston, of Saint John, and Francis J. Weston, of Gagetown. The brothers are Fred Brooks, Harry Brooks and Lewis Brooks, all of Gagetown. The sisters are Mrs. Walter Coy and Mrs. Fred Weston, of Boston, and Mrs. George Coy, of Upper Gagetown.

Mrs. C. B. Smith

After an active life of 80 years Mrs. Catherine B. Smith died yesterday. She had resided at the home of her daughter, Mrs. C. W. Greenleaf, 66 Middle street, West Saint John. She was the widow of Captain John Smith, for years resident of Brown's Flats, N. B., and is survived by two daughters, Mrs. Robert R. Sheldrick, Kingston and Mrs. C. W. Greenleaf, West Saint John, and one sister, Mrs. Emily Lyon, also of Kingston. Interment will be at Brown's Flats on Thursday.

Mrs. Mary A. Tobin

YARMOUTH, June 16.—The death occurred at her home High street, Saturday of Mary A., widow of Fowler Tobin, of Yarmouth, aged 78 years. She had been ill for several months. Mr. Tobin, in the days of the stage coach, drove for many years on the route between Yarmouth and Digby, and also between this town and Shelburne. Mrs. Tobin is survived by two daughters, Mrs. James Jenkins, in Vancouver, B. C., and Mrs. L. M. Johnson, of Boston, at present in Yarmouth. The funeral took place Monday, service being conducted by Rev. E. H. Cochrane, pastor of the Zion United Baptist church.

Phileas LeBlanc

SHEDIAK, June 16.—Following a short illness, the death occurred early this morning of Phileas LeBlanc, aged 67 years. He entered the employ of R. C. Tait & Co., at the age of 20, remaining in the service until a short time ago. He is survived by his widow, Adelaide, and two sons, Edouard and Edouard, and one daughter, Mrs. Anthony Vatur, all of Shediac. Two sons, Andre and Edouard, served in the great war, and both were wounded in France.

Mrs. Annie A. Magee

In the passing of Mrs. Annie A. Magee of Upper Magalloway, widow of W. B. Magee, who, for more than 75 years, the community has lost one of its most respected citizens. Of a very lovable disposition she was known throughout the length and breadth of the community as being one who never lost an opportunity of helping those in need. During her illness, which extended over eight years, she bore her sufferings with great Christian fortitude. The many and beautiful floral offerings testified to the esteem in which she had been held. She is survived by one son, Charles, in the West; two daughters, Mrs. R. C. Smith and Miss Allis A. Magee, both of Boston; one sister, Mrs. J. Sterling, and one brother, Smith Mesereau, both of Boston. Mrs. Harry Cummings of this city is a niece. The funeral was held on June 12 at 2 p.m., service being conducted by Mr. Westrap.

IN HONOR OF BIRTHDAY

Mr. and Mrs. William Quinn entertained for their little daughter, Ellen, in honor of her sixth birthday at their home, 28 Prince Edward street, yesterday afternoon. Games were played and the afternoon was much enjoyed. Refreshments were served and those assisting were the Misses S. McDonald, Vera Campbell, Gladys McNeill, Margaret Fleming and Mildred Parson. Those present included Bernice Grondine, Anna McNeill, Jean Parson, Hilda Shepherd, Helen Lessemore, Helen Owens, Nora Hill, Constance Quinn, Christian Lee, Walter Harrison, Jack Quinn, Lloyd Parson, Gerrard McNeill, Frederick Quinn, Gordon Campbell, Walter Campbell, Stanley Campbell and Ronald Finlay.

FLORAL TRIBUTES

C. W. L. CONVENTION MARKED SUCCESS

Miss M. H. McCloskey, Home From Hamilton, Speaks of National Meeting.

Miss M. H. McCloskey returned to the city yesterday afternoon after attending the Catholic Women's League National Convention in Hamilton. Miss McCloskey, who is the diocesan president here, was appointed convener of the national committee of education of the organization.

There were about 750 delegates at the convention, and every part of the Dominion was represented. Of the 24 councillors, who are the presidents of the various diocesan branches there were 21 present. Miss McCloskey said the reports of membership and finances had shown a very large growth in the organization, and a very gratifying condition of the funds.

The Sisters of Service activities, immigration and travelers' aid work, child welfare work, social service work, fostering of the Girl Guide movement and activities in the educational field as well as in the realm of legislation form the chief of the branches of the C. W. L. programme, and in each department the reports showed much zeal and much accomplishment. Miss McCloskey remained for the opening of the meeting of the executive which followed the general convention, but did not stay until the close.

Mrs. W. M. Long, of Hamilton, Ont., retiring president, presided at the convention and the officers elected were as follows: President, Mrs. D. C. McCann, London, Ont.; vice-presidents, first, Mrs. Duggan, Edmonton, Alta.; second, Mrs. J. C. Hagen, Halifax; third, Mrs. F. A. Parent, Pembroke, Ont.; honorary secretary, Mrs. N. J. Lyons, of Ottawa; honorary treasurer, Miss M. L. Quillman, Niagara Falls, Ont.; and executive secretary, Miss Margaret Jones, Montreal. Mrs. J. G. Burke, Saint John, was elected a member of the national committee on the Sisters of Service. The motto of the league is "For God and Canada" and the national aspect of the various enterprises was specially stressed at the meetings, Miss McCloskey said.

The Saint John diocesan branch had seven delegates present. Mrs. James Priel, of Moncton; the diocesan voting delegate, Miss McCloskey; diocesan councillor, Mrs. Bourke, of Moncton; representing the Moncton sub-division; Mrs. John Owens, representing the Saint John sub-division; Mrs. Margaret Corkey, president and Miss Genevieve Dever, representing the Saint John north sub-division, and Mrs. J. G. Burke as visiting delegate.

The other delegates from Saint John will return to the city later this week. Miss McCloskey said the banquets tendered the delegates were brilliant

Nature says, Two Sets of Teeth are ample!

—and even Nature herself cannot replace them if through neglect you fail to make them last your lifetime. Nor can Nature replace tooth enamel once it has become scratched or worn away by gritty dentifrices. The beautiful surface of your teeth once lost is gone for ever, and the teeth are left open to the attacks of decay.

Be careful, then, in your choice of a dentifrice.

Colgate's is a dental cream safe for a lifetime. It contains no harsh grit or strong drugs. It thoroughly cleanses and polishes the teeth but never harms them. It removes food deposits, and keeps the mouth sweet and refreshed. By using Colgate's after every meal, and seeing the dentist twice a year, you ensure the preservation of your teeth.

Cooking School Recipes

At the cooking school at N. B. Power Co. headquarters, Tuesday afternoon, Miss Mason gave out the following recipes:

Standard Gingerbread Recipe—1/4 cup shortening, 3/4 cup brown sugar, 1 egg, 2-3 cup black molasses, 2 1/2 cups flour, 2 teaspoonfuls baking powder, 1/2 teaspoonful soda, 1/2 teaspoonful salt, 1 teaspoonful ginger, 1 teaspoonful cinnamon, 1/2 teaspoonful nutmeg, 1/2 cup boiling water. Cream sugar and fat; add egg and molasses and beat well. Mix and sift remaining dry ingredients, add to first mixture with boiling water last. Pour into shallow greased pan and bake in moderate oven for 45 minutes.

Date Gingerbread—1/2 cup shortening, 3/4 cup brown sugar, 1 egg, 1/2 cup black molasses, 1 cup sour milk, 1/4 teaspoonful salt, 1 cup chopped dates, 2 cups flour, 1/2 teaspoonful soda, 1 teaspoonful baking powder, 2 teaspoonfuls ginger, 1 teaspoonful cinnamon, 1/2 teaspoonful cloves. Sift flour with baking powder and soda, add remaining dry ingredients. Stir in molasses, sour milk and melted shortening. Stir in chopped dates. Put mixture into

Blue-jay is the efficient way to rout a corn. It leaves nothing to your guess-work. You do not have to decide how much or how little to put on. Each plaster is a complete standardized treatment, with just the right amount of the magic medication to end the corn. Simply put on the plaster—it does the rest.

So goes the old saying. And few indeed, like to confess a corn. It seems such an undainty thing—an admission of physical untidiness. One may conceal the presence of a corn, but not its ill-effect. It shows itself in the face—and the humor. That twinge in the toe means a frown on the forehead—and a thorn in the disposition. But how foolish to carry a secret-sorrow in your shoe! You can end the pain in ten seconds—and the corn in two days—with a pleasant Blue-jay plaster.

Mr. W. Edmond Raymond has announced the marriage of his daughter, Lillie Smith, to Mr. John Keble Wiggins, of Sackville, N. B., on Monday, June 16, at Mistie, Conn., U. S. A.

Mr. and Mrs. E. Atherton Smith, who motored from St. Andrews on Monday, left again yesterday for their summer home there. Mrs. Smith came into the city to attend the joint meetings of the Canadian Clubs in connection with the reception to the Boston delegates who are coming next week to Saint John. Mrs. Smith also attended the annual luncheon meeting of the Saint John County Hospital, which was held at the hospital, where the commissioners, of which Mrs. Smith is one, were entertained at luncheon by the officials, Dr. H. A. Farris being the presiding host.

Miss Lola Marshall, of West Saint John, left last night for Boston to attend the wedding of her brother, Melville J. Marshall, of Vancouver, which takes place in Boston this week.

Mrs. David Hudson, of Glace Bay, N. S., who has been visiting her sister, Mrs. A. E. Killam, of Moncton, has gone to Windsor, N. S., to attend the closing of King's College, where her son, David Hudson, is a student.

Mrs. Charles Dykeman entertained the Sewing Circle of the Fairville Baptist church at her home in Fairville last evening with a pleasant social time at the close of the work period. Miss Ida Wayne, her sister, assisted the hostess in serving refreshments. Those present were Mrs. C. B. Black, Mrs. Carl Cunningham, Mrs. William Fox, Mrs. Allan Thorne, Mrs. Thomas Alcorn, Mrs. H. Gallant, Mrs. Robert McMillan, Mrs. C. H. Beveridge, Mrs. George Currie, Mrs. Walter C. Ross, Mrs. Lester McLaugh, of Toronto, was a guest.

The following is from the Brighton Item, of Brighton, Mass.—"Misses Marion and Evelyn Grace gave a party Wednesday at 70 Brooks street honoring Miss Eva McAfee of Saint John, N. B. The gathering was delightfully entertained by Miss Katherine Palmer, who sang several selections and Edward O'Leary, Boston College '25, who did some of the clever eccentric dancing which delighted Keith's audiences a couple of weeks ago. The party was chaperoned by Mr. and Mrs. Joseph Shine of Lake street and Mr. and Mrs. Robert

Dickey of Brooks street. Among the guests were college friends from Simmons, Tufts, Boston College, University of Vermont, University of New Hampshire and Norwich University. Dancing was enjoyed by all."

Symbols of health and happiness
Fairy grains that raise and keep them in the children's cheeks

RED, rosy cheeks are the symbols of healthy childhood. Sparkling eyes, the challenge of good health.

The wonderful fairy grains, puffed to eight times normal size, give rosy cheeks and sparkling eyes.

Changeable appetites of childhood demand variety. These fascinating grains meet every demand in the many ways they may be served.

At meal time or in the evening, serve them with milk or cream. After school, the children like to fill their pockets with these delicious nut-like grains.

Quaker Puffed Rice and Quaker Puffed Wheat are the whole grains, rich in minerals and carbohydrates. Milk or cream adds vitamins. They satisfy youthful hunger but do not tax youthful digestion. All cooked, ready to serve.

Your grocer has Quaker Puffed Wheat and Quaker Puffed Rice. For variety, keep a package of each in the house all the time.

For Lunch Time

Try puffed grains for lunch, either with or without meat. When you are fatigued, they bring sustenance without uncomfortable heaviness.

TO SPEND TWO YEARS REBUILDING SKELETON OF OLD-TIME MONSTER

Bones of Diplodocus, Ninety Feet Long, Are Unearthed in Utah.

By LARRY BOARDMAN. WASHINGTON, D. C., June 17.—"A fine diplodocus..." The words were those of C. W. Gilmore, curator of animal paleontology at the Smithsonian Institution. His job is to reconstruct skeletons of prehistoric animals. The reference was to a pile of bones and rocks in the basement of the National Museum, a part of the Institute. "Yes, a splendid diplodocus," Gilmore continued, "and fortunately he appears to be all intact."

C. W. GILMORE.

A \$1002 shipment. The rocks containing the bones were shipped to Washington. It was quite a load—the freight bill was \$1002. "Now we have to get the bones out of the rocks and piece them together in proper order. Then the diplodocus skeleton, along with a clay model showing what he actually looked like, will be ready for exhibition in the hall upstairs. Of course it's all very slow work. We have to proceed with the greatest care in removing the rock so we won't break the bones. Each one of the spinal vertebrae, for example, takes from one to two months to get out—and the diplodocus is between 80 and 90 feet long! Then it's quite a job piecing the bones together. The crates in which the rocks are received are all numbered, and we number the bones as we remove them. Then we set them up according to a numbered chart. "If a bone is missing, we put in a substitute—but in this case they seem to be all there. "We started work on this specimen us two years more before we are through. "But he'll be a fine diplodocus when he's done—one of the best."

Pays \$10,000,000 For Old Books in 7 Years

LONDON, June 16.—"I have spent about \$10,000,000 on old books and manuscripts in Europe in the last seven years," said Dr. A. S. W. Rosenbach, a famous Philadelphia book collector, before he sailed in the White Star liner Majestic.

My present visit to Europe has resulted in an outlay of about \$2,000,000, he continued, "and I have secured some wonderful treasures privately, apart from my purchases at the public sales. The most expensive item this time was Baxter's 'Call to the Converted' in the American-Indian language, printed at Cambridge, Massachusetts, in 1664. I gave \$34,000 for that—the fourth highest price ever paid for a book. There is still a wealth of treasure left in European libraries.

BRITISH AID TO JAPS CAUSES DIFFICULTIES

Baldwin Government Gets Problem to Solve in Chinese Trouble

POSITION IS WORSE IN SHANGHAI STRIKE

Curious Alliance in East Places Motherland in Unenviable Predicament.

By H. BAILEY United Press Staff Correspondent. LONDON, June 15.—British protection of Japanese lives and property in China is now accepted in authoritative circles here as one of the chief causes of the hostility displayed towards the British, which is sweeping through China and menacing Britain's future in that country.

It is pointed out that the original trouble in Shanghai was due to the strike of Chinese workers in Japanese mills and that the British came to the aid of the Japanese with the result that they were denounced for firing on the strikers. "The Americans have managed to avoid incurring this hostility."

POSITION GETS WORSE. The Japanese in turn are now coming to the aid of the British, but the result of this curious protective alliance is to place Britain in a far worse position than that which she occupied at the time she backed the Japanese.

It is explained in this offer, he said, that he spent his time in curing the disease rather than the effect of the disease. "I am a healthy person," he said, "and all disease is caused by wrong living and where disease is communicated from one person to another it is because the second person is in a condition to receive it."

THE WAY TO CURE DISEASE, he said, was to correct the habits of living that created it—that is cure what creates the disease.

M'CURDY HEAD N.S. BOARD OF INVESTIGATION

Commission of Five Will Probe Deficiencies in Confederation Act

ACTION IS TAKEN ON PREMIER'S RESOLUTION

Details of Controversy With Toronto Newspaper Are Given Out.

HALIFAX, June 16.—Hon. F. B. McCurdy, former minister of public works under the Meighen administration, has been selected by the government of Nova Scotia to head the commission of five which will inquire into the conditions under which the interests of Nova Scotia have been prejudiced, it is alleged, by the economic system of Canada.

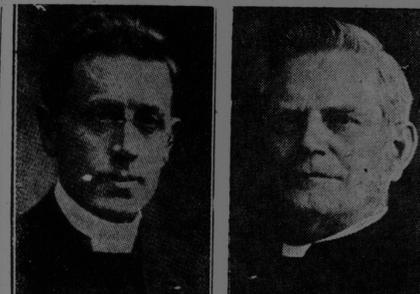

This commission is the outcome of resolution of Premier Armstrong adopted by the legislature on April 29.

The resolution expressed the opinion that Nova Scotia had not benefited under the provisions of the British North America Act in the measure the framers of that act had intended, and resolved that steps be taken to obtain such modification of the fiscal policy of Canada as would give the province all the advantages due under the terms of Confederation pact.

The appointment of a commission to collect data on the subject was included in the resolution.

OTHERS APPOINTED. In addition to Mr. McCurdy, those appointed are: Albert E. McManon, Kentville, president of the Maritime Board of Trade, and general manager of the United Fruit Companies of Nova Scotia, Ltd.; D. H. McDougall, formerly vice-president of the British Empire Steel Corporation in charge of operations in Nova Scotia; A. HIS ACTION IS APPLAUDED BY UNION COUNCIL

Head of New Assembly Calls Sacrifice One of Greatest Known

DR. T. ALBERT MOORE IS NAMED SECRETARY

Two Weeks of Prayer During Month of October Decided On.

TORONTO, June 17.—Rev. Dr. George Campbell Pidgeon of Toronto, ex-moderator of the Presbyterian General Assembly, was last night unanimously elected as first moderator of the General Council of the United Church of Canada, Rev. Dr. S. D. Chown, former General Superintendent of the Methodist Church, who led that church into the union, introduced the motion which made Dr. Pidgeon moderator.

Rev. Dr. T. Albert Moore was elected secretary of the Council, but asked until tomorrow to decide.

The election of Dr. Pidgeon provided one of the most dramatic moments that the deliberations of the council has so far produced. Earlier in the day it had been agreed that there was to be a ballot, but no nominations, each member balloting for his own choice for moderator.

DR. CHOWN WITHDRAWS. When Dr. W. H. Wainwright, chairman for the evening, proceeded to business, Dr. Chown, who was on the platform, asked that no ballots be cast for him. This request produced a visible effect on the members of the assembly, many of whom had considered that the choice inevitably rested between Dr. Chown and Dr. Pidgeon. Dr. Chown said he realized that his statement would be a disappointment to many of his friends, but it was made after careful consideration, and without hint or suggestion from anyone.

"I have passed the three score years and ten," he continued, "and I could not bear to have this great church suffer by reason of any shortcomings in the service I could render it. I have also felt that a Presbyterian had better be selected as moderator." Dr. Chown then mentioned that when he

The pair will travel through Canada to the Atlantic, then across to England, and after a stay there will proceed to South Africa, India, Australia and end the journey in New Zealand. Jackie's family have left to take up their home in New Zealand, where they will welcome him next year.

Mr. Sarsfield is traveling over the Empire for the New Zealand government, telling of New Zealand's varied attractions, and Jackie will help him by talking to school children wherever he goes.

LETTER GIVEN OUT. Mr. McCurdy has given out to the press a copy of a letter he has written to the Toronto "Saturday Night" in which he states reasons for his belief that the resolution and proposals of the Nova Scotia government in the matter of obtaining tariff concessions in the interests of Maritime development are not new doctrine nor without precedent, and that they are possible of fulfillment.

He answers an editorial in "Saturday Night" on May 23, entitled "Nova Scotia's Dream children, and bases his arguments on sections 121, 122 and 123 of the British North America Act.

They have already made trial flights successfully following their arrival aboard the steamer Ingerat at Advent Bay, but cloudy weather is temporarily delaying their start.

The Amundsen relief ships will also proceed to the edge of the ice, but the steamer Heimdal will replace the Furr. Captain Hagerup, of the latter craft will, it is understood, assume command of the Heimdal.

Hagerup emphasized that there were considerable ice packs along the edge of the ice-field which would probably render difficult the search. For this reason, it was deemed advisable to wait a few days for clear weather.

CLOUDS HALT HUNT

Planes to Scout Polar Ice Rim For Amundsen, Wait Fair Days.

BY CAPT. J. WARMING. United Press Staff Correspondent. SPITZBERGEN, June 15.—The airplanes to scout the Polar ice rim for trace of the Amundsen-Ellsworth North Pole flyers are ready to start.

They have already made trial flights successfully following their arrival aboard the steamer Ingerat at Advent Bay, but cloudy weather is temporarily delaying their start.

The Amundsen relief ships will also proceed to the edge of the ice, but the steamer Heimdal will replace the Furr. Captain Hagerup, of the latter craft will, it is understood, assume command of the Heimdal.

Hagerup emphasized that there were considerable ice packs along the edge of the ice-field which would probably render difficult the search. For this reason, it was deemed advisable to wait a few days for clear weather.

BODY WALLED UP IN DOCTOR'S OFFICE

Marseilles Police Uncover Mysterious Murder and Place Physician Under Arrest.

MARSEILLES, June 16.—A mysterious murder which has excited public opinion has just been uncovered. The victim was a bank teller named Rumeil, who disappeared in March last.

Dr. Bougrat, who is charged, had been living out three months, calmly receiving patients with the body hidden in the wall just behind his office desk, alleges that Rumeil committed suicide, but he was unable to explain the disappearance of the cash and the personal valuable the teller was known to be carrying.

Several patients who were waiting for consultations tried to lynch Bougrat as he was taken handcuffed to jail.

Boy Thought Dead In Manitoba Flood

Canadian Press Dispatch. WINNIPEG, June 16.—Seventy-five per cent of the crops in the White and Birch River districts were completely ruined by the floods of last week. Twenty-seven families now are being cared for by the provincial relief bureau.

Failure to find five-year-old Tony Skawionyk of Reynolds, Man., has led to the belief that he was drowned during the height of last week's flood.

MILLIONS IN THIS BIG ESTATE SALE

Fifty-six Acres in Bloomsbury Being Disposed of by Foundling Hospital.

(By Dominion News Service.) LONDON, June 16.—Fifty-six acres of Bloomsbury will be sold by the Foundling Hospital soon for more than \$6,000,000. The estate was bought by the hospital in 1741 from the then Lord Salisbury for \$2,500.

Negotiations for the sale of this large area, which includes not only the Foundling Hospital, but the Royal Free Hospital, Russell Square Underground Station, scores of hotels and boarding houses and many valuable sites have been going on for some months. The transaction has now been almost completed by a syndicate of city business men, known as the Foundling Estates.

The sale will necessitate the removal of the Foundling Hospital to the country, but the hospital authorities will not say when this will take place or where will be the hospital's new home.

The exact proposals of the syndicate are not yet revealed, but its chairman has said that it is intended to improve the amenities of the neighborhood. Part of the property will be kept as an open space.

In view of the fact that the great arterial road from the Angel, Ilhington, to Bayswater, mentioned in the London traffic committee's report, is mapped to go right through the estate, the site becomes one of great importance. The Foundling Hospital and grounds occupy nine of the 56 acres comprising the estate.

Motherwell Bars Grain Mixing Plan

Canadian Press Dispatch. OTTAWA, June 16.—W. R. Motherwell, Minister of Agriculture, stated his complete opposition to the principle of mixing of grain before the committee of the House of Commons on agriculture today. Hon. T. A. Cresser opposed the minister's suggestion.

Treasures of Ancient Rome Found Under Sands in Africa

By THOMAS B. MORGAN. TRIPOLI, Africa, June 11.—The finest and greatest just been unearthed intact in the ancient Roman city of Sabratha. The bust is colossal, measuring six feet square and perfect in its place as the greatest Jupiter in existence, replacing the Jupiter of Ostia, now in the Vatican museum. The new discovery is known as "The African Jupiter."

The colossal size of the head gives immediately the feeling of power and might and is enough in itself to typify the "father and king of the gods." The features and the strength and portraiture in every characteristic of the attributes of the chief of the Grecian deities.

Effusive curls of abundant hair cover the head and fall gracefully down the side, enveloping it to the neck, where the beard, equally luxuriant, gives further strength to the powerful chin. The eyes are well set, gazing as if afar over the universe, conveying the idea of the vastness of Jupiter's power. The nose is of the classic Grecian form, giving the sensation of wisdom and justice. The mouth shows benevolence and magnanimity, softening the awesome omnipotence, which the features combine in depicting.

Sabratha flourished during the times of Imperial Rome. It was noted more for its commerce than as the African abode of any of the Emperors. Like ancient Rome, it could not leave out the Roman games and the public baths. Vast evidences of these are visible in the present excavations. Sabratha was the gateway for much of the Roman traffic in North Africa. The port was extensive, harboring the ships of commerce which plied between the Italian peninsula and the mainland of Africa.

Another perfect piece of sculpture dug up in Sabratha is the bust of the Goddess Concord. Its lines are graceful and easy, indicative of the classic Greek.

The statue is the grand find of all the works uncovered in the new excavations in Sabratha. It has already been raised on a strong base in a prominent place among the other works of art. Its great advantage over most of the statues unearthed in the numerous excavations, lies in the fact that it was found intact and that not one bit of sculpture must be added to it. From its general lines, Italian archaeologists deduce that it is a Grecian work of the third century after Christ.

Building Case in City Discussed by Council—Repairs to Fountains

The City Council yesterday afternoon ordered the payment of the costs of Teed & Teed in the recent mandamus case, discussed the matter of changes to the building of E. P. Watson, at the corner of Sydney street and King Square, and accepted tenders for coal for the harbor and ferry department.

for 85 a year. This action was approved.

Tenders for a tail shaft for the ferry steamer Ludlow were opened and referred to the Commissioner of Harbors and Ferries and superintendent of ferries, with power to act, as follows: Saint John Iron Works, \$270; Union Foundry and Machine Works, \$300; Dick & Dodge, \$315; J. Fred Williamson, \$240.

Commissioner Bullock reported that he had received notice from Alexander Gray, engineer of the Department of Public Works, Ottawa, that the West Side slips would be dredged out this summer and he moved that the usual release from liability to the Government be signed.

On motion of Commissioner Bullock the following tenders for coal were accepted for the harbor and ferry departments: Colwell Fuel Co., for ferry, American soft coal at \$7.40; for harbor department, Minnie soft coal at \$7 a ton; J. S. Gibson & Co., hard coal at \$13.65 for delivery on the west side and \$13.40 for delivery on the east side.

FOUNTAIN REPAIRS.

Commissioner Bullock said that the matter of repairs to the drinking fountain at the head of King street had been brought to his attention and he would like a report from the Commissioner of Public Works on the cost of restoration.

Commissioner Harding said that he would like to know if it was the intention to repair the drinking fountain on the west side at the head of Rodney Slip.

Commissioner Frink said he would bring in a report on the cost of making the necessary repairs to the fountain at the head of King street and that the west side fountain would be repaired this summer.

Commissioner Bullock said he had been asked about the operations of the auditor and said he would like to have a report in writing from Commissioner Wigmore as to the cost of this machine as compared with the methods formerly used and the its efficiency.

Commissioner Wigmore said that he would be very glad to furnish the information and the report would be most encouraging to the public, as it would show the machine would soon pay for itself. He would, he said, have been very glad to have given this in-

formation to Commissioner Bullock had he asked him for it at any time.

MATTER OF COURTESY.

Mayor Potts expressed the opinion that asking for information of this kind without first taking the matter up with the commissioner in charge of the department affected was not a very courteous proceeding.

A letter from James Carleton, building inspector, in reference to the request of E. P. Watson for a permit to make some alterations to his building at the corner of Sydney street and King Square, was read. In this letter he pointed out that the law was very clear on the matter and the permit had been refused because no wooden

building could be erected or maintained in No. 1 fire district and nowhere in the act or the by-laws was there any provision for the building inspector departing from the law.

Commissioner Bullock said that he thought this put the Council in rather a peculiar position as they had appointed a committee to try and settle this matter in a way satisfactory to Mr. Watson and the building inspector and he doubted if the committee had any power.

The letter was filed and the members of the Council went into private session to discuss the case brought by

the building inspector against Mr. Watson for going ahead with this work and the fact that each member of the Council had been summoned as a witness in the case.

BUFFALOS INITIATE.

The Carleton Lodge of the Royal Antediluvian Order of Buffalos entertained the New Brunswick Lodge members at its regular meeting on Monday evening in Oddfellow's Hall, Market Building, when the New Brunswick Lodge members paid a regular visit and the initiation of 15 members took place. After the business meeting refreshments were served and their was social enjoyment. The Buffalo orchestra under the direction of W. Davis provided excellent music. Every one present thoroughly enjoyed the evening.

LUNCHEON SERVED.

Following the precedent of other years, the annual luncheon meeting always held at the Saint John County Hospital was given yesterday by Dr. H. A. Farris and his officials. The regular monthly reports were heard with H. B. Schofield, chairman, presiding. Those present were Mrs. E. Atherton Smith, Mrs. J. H. Frink and J. W. Dean, Dr. C. M. Kelly, Dr. S. H. McDonald and L. W. Simms were unable

to be present because they had been called out of town. A delicious luncheon was served by the culinary staff of the hospital.

Always Ahead of Industry

INDUSTRY'S needs have never yet caught up with Goodyear's ability to build belting that not alone handles present-day production but allows a margin of safety for even speedier and more economical output.

Goodyear engineers have gone on from one achievement to another, not content to wait for Industry to demand something better.

The manufacturer, the mill superintendent, the mine production manager, any user of belting, who seeks the economy of greater production, will want to consider the merits of the belting he will use—its capacity for long service, its ability to stand the strain of an extra load, its cost in relation to production.

Choosing Goodyear Belts, he can lay his plans with confidence, for Goodyear Belts are designed and constructed with a foresight that provides for just such measures of economy.

Whatever your belting need, you will find that Goodyear has provided for it.

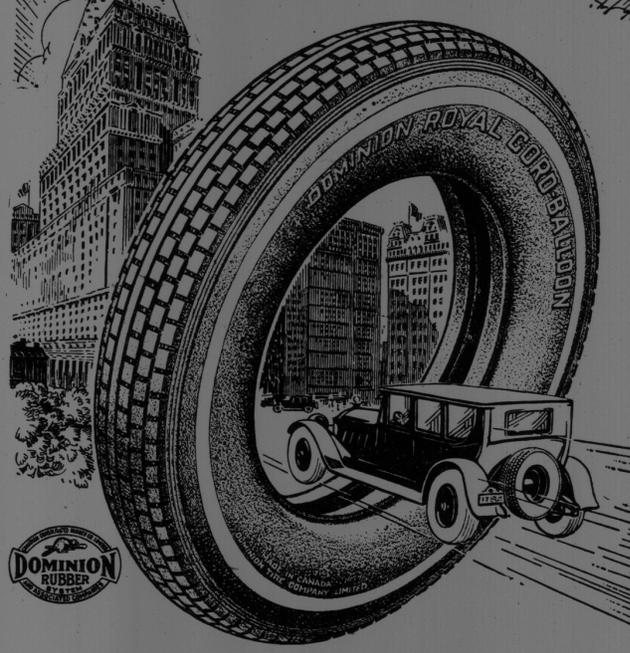

Get in touch with the Goodyear dealer or with the nearest Goodyear Branch. A trained belt man will call on you.

HIGH SCHOOLS GRADUATE 187

Exercises in City This Year by Three Classes Planned

Valedictorians at St. Vincent's Announced—Social Plans Being Arranged.

For the first time this year there is a graduating class in St. Vincent's High School for boys and it has been arranged that the closing exercises will be held in the Assembly Hall on the evening of June 29 and the closing exercises for the girls' High School on the following day, which is the official school closing day. J. Harrington, principal of the boys' High School, said yesterday that he expected there would be 24 or 25 boys in the graduating class and at the closing exercises Allen O'Brien would be valedictorian and Ralph Broderick would give the class prophecy. The programme will include musical selections by the pupils, a play-lette, "Music Hath Charms," and the presentation of prizes and diplomas. It has not been definitely arranged who will give addresses or present the prizes. Following the closing exercises the boys will be entertained at a banquet in the Y. M. C. I. by the members of the Catholic Women's League.

LARGE CLASS.

In St. Vincent's Girls' High School the graduating class will be the largest in the history of the school, exceeding the number of last year's class, 37. Sister Magdalene said last night that Miss Eleanor Chaisson will be the valedictorian of the class and the programme of the closing exercises will include choruses and a dialogue as well as the presentation of prizes and diplomas. For the girls' High School closing also it has not been definitely arranged who will give the addresses or present the prizes.

St. Vincent's graduating class of girls will be entertained at a dinner at the Admiral Beatty Hotel on the evening of June 30 by St. Vincent's Alumnae.

SAINT JOHN HIGH.

W. J. S. Myles, of the Union street High School, said that the number of graduates this year would be about the same as last year, 125, but that the examinations were not yet finished and it would not be known until next week who was to be the valedictorian. The High School graduation exercises will be held in the Imperial Theatre on the morning of June 30 and an interesting programme will be arranged. At the present time examinations are taking up the attention of the High School pupils. On Friday the examinations for the High School Alumnae medal and the Governor-General's medal will begin. There are 12 pupils in grade IX writing the Alumnae medal examinations and 12 pupils in grade X writing the examinations for the Governor-General's gold medal.

Memorial Gift Comes From Capital

Miss Eliza W. Peters, of Fredericton, formerly of Saint John, has forwarded to Mrs. E. Altherton Smith a contribution of \$10 for the Saint John soldiers' war memorial and in the accompanying letter Miss Peters said she was very pleased with what she had read of the erection of the memorial and she considered the design as shown in the newspaper pictures, to be "simply perfect." Throughout the days of war Miss Peters was indefatigable in her efforts on behalf of the soldiers and very frequently she handed to Mrs. Smith some donation or gift for some special patriotic appeal. Her latest donation was sent as a tribute to "our honored dead" and was handed by Mrs. Smith to W. L. Caldwell, treasurer of the war memorial fund.

CONTINUING CHURCH CLOSING MEETING

Presbyterian Assembly Adjourns to Meet Next Year at Quebec.

TORONTO, June 16—The Presbyterian Assembly this afternoon adjourned until next June to meet in Montreal. Rev. Dr. Ephraim Scott, the Moderator, said that, although the assembly had concluded its work,

the work of the church was just beginning. He said that he had missed only two assemblies in the last 50 years and that he had never seen one where there was more enthusiasm than at this one.

Appointments took up most of the afternoon. Dr. A. S. Grant of Toronto, was appointed secretary of the mission committee. The following missionaries were appointed for the synods for organization work:

ORGANIZERS NAMED.

Maritime Provinces—Rev. F. G. MacIntosh; Montreal, Rev. A. S. Reid; Saskatchewan—Rev. W. A. Cameron; Alberta—Dr. M. White.

The organizer for British Columbia will be appointed later.

The assembly went on record on the temperance question by passing the same resolution as last year, expressing confidence in prohibition as the proper policy for Canada. A resolution of thanks to Prof. J. G. MacHan, of Princeton University, for getting pulp supply for the Maritime Provinces was passed.

AMHERST MAN GUILTY.

AMHERST, N. S., June 16—Arthur W. Brownell was found guilty of arson in Supreme Court this afternoon, while true bills were returned against Harry and Freeman Correy, accused of willfully destroying timber lands, and also Bedford Cole, accused of stealing hay from A. E. Bradshaw.

BERNARD KENNEDY FOUND DEAD IN HOME

Grandchild Makes Discovery When She Calls to See Him.

Bernard Kennedy, aged 65, who was living alone in the basement of a house in Britain street, near the corner of Sydney street, was found dead yesterday afternoon on the kitchen floor by his 14-year-old granddaughter, Katie Evans. The girl, who is a daughter

of Mrs. Thomas Evans, called on her grandfather and receiving no answer knocked on the door and crawled through a window and discovered the body. Detective Biddiscombe was notified and in turn notified coroner H. A. Porter, who after viewing the body gave permission for its removal to the General Public Hospital morgue for an autopsy. Mr. Kennedy was a returned soldier and a blacksmith by trade and was last seen alive by his daughter, Mrs. Thomas Evans, on Sunday last and death is supposed to have been caused by heart disease.

MAGNESIA BEST FOR YOUR INDIGESTION

Warns Against Doping Stomach With Artificial Digestants.

Most people who suffer, either occasionally or chronically from gas, sourness and indigestion, have now discontinued disagreeable diets, patent foods and the use of harmful drugs, stomach tonics, medicines and artificial digestants, and instead, following the advice so often given in these columns, take a teaspoonful or two of Bisulphated Magnesia in a little water after meals with the result that their stomachs no longer troubles them, they are able to eat as they please and they enjoy much better health. Those who use Bisulphated Magnesia never dread the approach of meal time because they know this wonderful anti-acid and food corrective, which can be obtained from any good drug store, will instantly neutralize the stomach acidity, sweeten the stomach, prevent food fermentation, and without the slightest pain or discomfort. Try this plan yourself, but be certain to get pure Bisulphated Magnesia especially prepared for stomach use.

Debate and Addresses, Supper and Other Features Mark Jubilee Event—Prominent Former Graduates Heard in Praise of Alma Mater

Special to The Times-Star. UNIVERSITY OF ST. JOSEPH'S COLLEGE, June 17—The marked success which attended yesterday's features of the commencement exercises and jubilee of the college was continued today, when the graduation exercises were held, with a large attendance, including relatives of the young men. Saint John students figured prominently.

The proceedings opened with a selection by the college orchestra, following which the valetorians were read.

VALETORIAN. The valetorian was delivered by J. Edward Dalton, son of Charles E. Dalton, of prominent in amateur baseball circles in this city. It was as follows:

Reverend Father Superior, Reverend Fathers and Brothers, Members of the Faculty, Fellow Students, Ladies and Gentlemen:

Today, we of Arts '25 have assembled in this hall for the last time as students. We have completed our years of preparation and tomorrow we go forth to take our place in the world. However, as the hour draws near when the ties which bind us to our Alma Mater must be severed and the scenes so cherished must be left away from our vision, a contemplation of the joys and sorrows we have shared causes us to pause and instinctively we shrink from the course which may seem to the friends of today the recollections of yesterday, for there are feelings of friendship inborn within us, that under circumstances such as the present, refuse to be repressed and, despite the strongest effort of the will, betray our gentler nature.

HAPPY MEMORIES

Such are the emotions that render the class of '25 reluctant to part from surroundings the remembrance of which will ever cause our respect to cheer us when assailed by the trials and doubts of tomorrow. Such, too, are the emotions which compel the graduate of tomorrow to look back upon the days of his youth that he may again clasp the tender hand that guided him through the darkness, for reason alone was insufficient to lead man to his end.

JUBILEE EVENTS UNIVERSITY OF ST. JOSEPH'S COLLEGE, Memramcook, June 16—The celebration of the sixtieth anniversary of the foundation of St. Joseph's College and the opening exercises of the sixty-third annual commencement were begun here tonight when a large number of former students were guests of the college at a banquet at which Rev. Louis Gaudin, C. S. C., Ph. D., D. D., president of the university, presided.

The Father Superior proposed a toast to the King and asking the orchestra to play God Save the King. He then proposed a toast to the Pope and asked those assembled to respond by singing Christus, Iustus, Dominus, Regnat.

Judge LeBlanc of Moncton said that the visiting graduates had returned to their homes as members of the community. They had been out in the world and had returned by the most liberal professions, but all with the same love for their Alma Mater. They found St. Joseph's flourishing. She had had great progress during the last 25 years. Words could not express the thanks we owe to the Fathers and Brothers of the institution for the sacrifices they had made. They had done their utmost to provide a liberal Catholic education. He hoped they would continue their noble work begun by the general founder, Father Lefebvre.

HON. MR. JUSTICE BYRNE. Judge Byrne of Sussex said the occasion was most pleasing. It recalled a flood of memories. Moreover, it gave him opportunity to do some work for the alumni a few words in honor of the institution which was founded over 60 years ago by the Venerable Father Lefebvre. It was an institution which, while not neglecting material progress, had given a great impetus to spiritual welfare. It had aided in the spreading of the faith and had been of great assistance to the church. It had shaped many men's lives; it had given many to the church, besides sending countless others into the world to do their duty.

There were two stars that would guide them during life, their ideal and faith. An ideal was not a dream, but a changed inevitability to action. Faith led man through darkness, for reason alone was insufficient to lead man to his end.

Mr. Bourgeois then gave a touching farewell to his Alma Mater, the professors, the students and his classmates. Another selection by the orchestra followed, and the degrees, diplomas and special premiums were then presented.

The list of degrees was published already, and the premiums were won as follows:

Archbishop O'Leary. His Grace Archbishop Henry O'Leary, of Edmonton, paid a tribute to the founders of the college, the venerated St. Joseph, an institution conducted by the Fathers of Holy Cross, and another Notre Dame. He was full of optimism for the future of the college.

Very Rev. Dean Carney, V. G., of Fredericton, who is bishop-elect of the French clergy, Dr. J. L. Violette, M. T. A., of St. Leonard, P. E. I., were the other speakers. They paid tribute to the founders of the institution and noted the progress that it had made, several mentioning the opportunity which the college afforded for acquiring a working knowledge of both English and French.

BILINGUAL DEBATE. In the bilingual debate, on the question of putting an embargo on the export of pulpwood from Canada, Gerald E. Guavin, '26, who argued for an embargo, was awarded the decision over Georges F. Poirier, '25, who opposed it.

About 100 were present at the dinner. Afterwards the company adjourned to the Memorial Hall for the debate, bilingual contest and other items on the program.

ADDRESS OF WELCOME. The address of welcome to the Alumni, given by J. Arthur Burns, Saint John, was in part as follows: Alma Mater bids you welcome. She extends to you her heartfelt greetings upon your return to her loving embrace. Today she is celebrating the sixtieth anniversary of her foundation, and it is indeed a memorable occasion, for all of us. Sixty long years she has labored in the interests of Catholic youth education with untiring perseverance and dauntless energy.

Material progress has always been a distinctive mark of this institution but intellectual and religious strength have been even more noticeable. "By their fruits ye shall know them"; our Alma Mater has borne good fruit and she may justly be proud of those who have brought renown to her name.

ALL PROUD OF THEM. Nor is she alone proud of you; each and every one of us feels the happiness of your return. We are all sons of St. Joseph's and it is our dearest hope that one day we may again to those heights in the Church, the State and the professional and business life which have been reached and kept by you.

"BIENVENUE." The address of welcome in French was given by Lionel D. Landry, '25, who said in part: "Dear brothers, we receive you with extended arms. All these decorations, this music, these wishes are but a feeble expression of the joy we witness at your arrival.

Your presence inspires us with the love of glory and duty. Are you not the worthy defenders of the principles which the good professors of St. Joseph's have taught you while here as students? "We admire you in your successes, we desire to follow your footsteps and we are ourselves worthy of your praise. Mater in taking advantage of the lessons we have also received from our devoted and unwearied professors.

Later in life it will be our turn to fight, but one day we will have someone to guide us, we will follow your advice, and your example. And we will have the firm principles which the good professors of St. Joseph's have taught you while here as students? "We admire you in your successes, we desire to follow your footsteps and we are ourselves worthy of your praise. Civil Governmentship Of Canton Abolished

CANTON, June 17.—The Kuomintang, or People's Party, is reported to have decided to abolish the civil governmentship, and place the government of Canton in the hands of a council of seven. This decision, it is understood, was taken at a meeting here last Sunday. Regarding finances, all funds are to go through the civil treasury, the military commanders being forbidden to levy taxes. Many existing taxes are being abolished.

Common Stock Drops Another Point; Preferred Goes Down Three

MONTREAL, June 17.—Further liquidation in Asbestos Corporation issues, the weakness of which made them prominent in yesterday's trading, featured the opening of today's stock market, the common shares dropping another point to 67 and the preferred to 103. Continued delay in the much mooted merger, coupled with a rumor that another hitch had occurred, is said to be responsible for the present downward trend of these stocks. They were easily the most active during the early trading this morning. The balance of the list did not receive much attention. Brazilian came next in activity, selling unchanged at 57 1/2, while Steel of Canada, after opening up 1/2 at 87 1/2, fell to its closing figure at 87 1/2. HOLLAND Gold Mines and Price Bros. were the only other leaders to appear in board lot transactions. The former was the same at 14.85 but the latter fell 1/2 to 39 1/2.

Engineer Weston Has Been at Niagara—Chairman Smith Speaks of Agreements

S. R. Weston, chief engineer of the New Brunswick Electric Power Commission, has been at Niagara in consultation with Dr. H. G. Acres, and Dr. Smith was in the city today in connection with the signing of agreements between the riparian owners on the Maine portion of the Saint John river for the payment of compensation for lands overgrown by the stores created in the development of Grand Falls.

GRAND FALLS PLANS BEING LOOKED OVER

Contracts must be signed with the International Paper Co., the Bangor and Aroostook Railway and the Saint John Lumber Company, protecting their rights and these papers must be in preparation before the new development. Dr. Smith said last night that he believed the terms would be called for as soon as the plans and specifications had been drawn up.

PHILADELPHIA ATHLETICS SHATTER WORLD'S BASEBALL RECORD

RECOVER FROM THEIR RECENT BATTING SLUMP

Score 23 Runs In Three Consecutive Innings

NEW YORK, June 17.—In Philadelphia yesterday, the Athletics slaughtered Cleveland again 12 to 7, and incidentally shattered a world's record. By scoring 10 runs in their first two innings, the Athletics brought their total of runs up to 23 for three consecutive innings, their 13 runs for the day before coming in their final time at bat.

The New York Giants craft is tossing about on turbulent seas after having felt the backwash of five straight defeats by the Pittsburgh Pirates. A 19-11 verdict was rung up for Pittsburgh yesterday in ten innings. A homer by Wright submerged the New Yorkers.

Reds In Third Place Cincinnati, by defeating Brooklyn, 6 to 5, passed the Dodgers and slid into third place. This victory gives the Reds ten wins out of their last eleven games.

Boston was forced to go 13 innings to gain a 7 to 4 verdict over the Cubs, while St. Louis humbled the white Phillies six to four.

Walter Johnson Wins Walter Johnson allowed St. Louis only nine scattered hits and Washington handed the Browns a 3 to 0 shut-out. The Yanks despite Ruth's third circuit wallop of the season, went down before Detroit 6 to 3, while Boston was giving Chicago a scientific lesson and winning 2 to 1.

INTEREST IN the various baseball leagues throughout the city is becoming more intensified. The leaders in both the City Senior and Intermediate leagues have met with reverse and the other clubs are fighting hard to oust them from their lofty positions.

PAUL BERLENBACH'S sensational climb to the light heavyweight championship has created considerable interest in cauliflower circles. The fact that the new title holder was formerly a wrestler and in a short period of time became an outstanding figure in the ring has caused fans to take more than the usual interest in his doings.

PETER MANNING, world's champion writer, is evidently out to establish a new mark this year. In an exhibition race at Findlay O., recently this great race horse turned in a mile in 2:03 1/2. This is undoubtedly the fastest time ever trotted so early in the season.

THE FIGHT for Benny Leonard's lightweight crown has now slumped down to a hard hitting South American, Loaysa, and a rugged former newsboy from Buffalo, Goodrich. The Chilean battered his way through the semi-finals over Cirilin Olanco of Cuba, while Goodrich's terrific left cut through Valgar's defence, time after time, and earned him the right to meet the southern boxer in the final.

WAS BADLY BEATEN Ernie Goozeman underwent a terrific mauling at the hands of Bud Taylor.

SAUCY SUE IS WINNER OF BIG RACE IN ENGLAND

ASCOT, England, June 17.—Lord Astor's Saucy Sue won the Coronation stakes for £1,000 sterling run here today. Saucy Sue was winner of both the one thousand guineas and the Oaks this year. Reid Walker's Inca was second, and the Aga Khan's Frouze Mahal, was third. Four ran.

Won By 10 Lengths Saucy Sue won by ten lengths. Four lengths separated Inca and Frouze Mahal. The betting was: Saucy Sue, 10 to 1; Inca 10 to 1 against, and Frouze Mahal, 50 to 1 against.

STRIBLING FAMILY CARRY-OFF HONORS

Details of Boston Bouts—Feature Event Was Marred by Frequent Clinches.

Despite the sultriness and later storm, last evening was a fair one for the Stribling family, says the Boston Post.

Main Bout Poor It was her boys and not the fighting Ma cheered, for, while Babe's mass with Brignolia was pretty good, Sir William's affair with Cook merely added another to the list of punk bouts that Boston clubs are accumulating.

Neither man did a lot of fighting and barring the four knockdowns, few clean blows were landed. Cook appeared to be willing enough, but after an opening rush in each round would settle back to defensive work. He did a lot of fine blocking and few blows reached him.

When it came to dividing up the rounds, Stribling had about seven, but went to Cook and one was even.

CLAIM VIOLATION OF CONSTITUTION Water Department Team Protest Game Played With St. John The Baptists.

The Water Dept. team in the City League protested the game won by the St. John the Baptists from them on Monday evening last by 5 to 0 score on the grounds that the Saints violated a rule of the league constitution in playing Noel at shortstop without securing the consent of the managers of all the teams in the league, as required under the constitution.

At the executive meeting, the report of Umpire Morrissey on the conduct of two of the Royals' players will come up and the decision of the league president will be given out.

Games Tonight Royals vs. Saint Johns in the City Amateur League on the south end and the Trojans and Saint John the Baptist on the north end diamond.

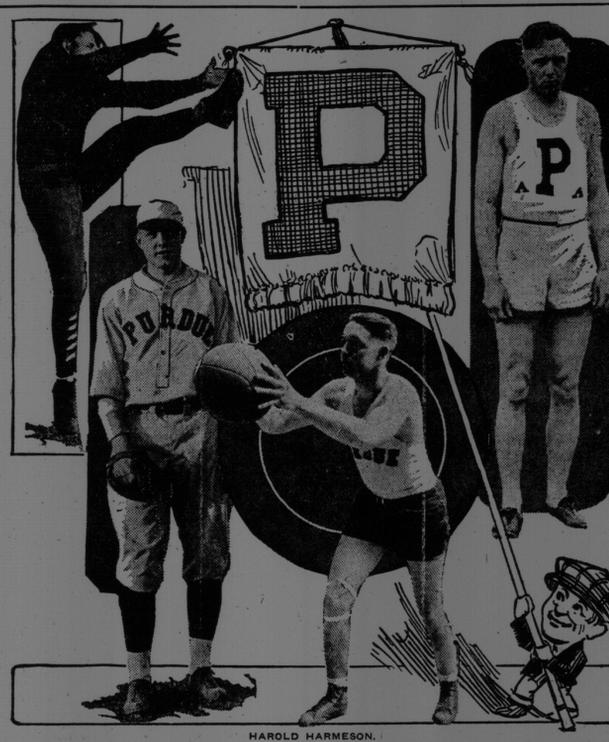

St. Luke's vs. Canucks in the City Intermediate League on Nashwaak Park.

St. George's vs. Church of the Assumption in the Soft Ball League, in West Saint John grounds.

CITY LEAGUE. A doubleheader will be staged in the City League tonight as a result of the rainy weather yesterday.

At various times it has been suggested that the umpire be authorized to act on such plays without appeal.

Purdue's Star All-Round Athlete

HAROLD HARMESON. Harmeson shines in football, basketball and track. He's a halfback, outfielder, forward, sprinter and broad-jumper. He's captain-elect of the 1925 gridiron team.

At the Boiler-maker institution they call Harmeson Purdue's most versatile performer since the days of Elmer Oliphant. Like Harmeson, the sturdy Oliphant starred on the gridiron, diamond, court and cinder-tracks.

In these days of specializing, Harmeson, indeed, rates as a most unique personage in Big Ten athletic activities.

Wright Wins But Crocker Is Defeated

NEW YORK, June 17.—(Canadian Press)—Jack Wright, Canadian Davis Cup player, advanced into the round before the semi-finals yesterday in the Metropolitan clay court tennis championship, when he defeated both Watson Washburn and Ralph De Motte.

Willard Crocker, Wright's running mate, was defeated by Vincent Richards.

BASE BALL

In plays where a baserunner fails to touch a base, where a runner leaves his base too soon on a fly ball that is caught, or where a player bats improperly, what should be the attitude of the umpire?

In baseball the three situations cited are known as appeal plays. Even if the umpire is aware of the mistake, he must overlook same unless the team in the field makes the proper play and requests a ruling on the matter.

It is not unusual for players to fail to touch the bases in their proper order, leave a base too soon on a caught fly and bat out of order. In all probability they get away with it more often than they are discovered and penalized.

The position of the umpire in a ball game is merely the judge of plays. He is there to give decisions, not to make plays.

When a player fails to touch a base, leaves a base too soon or bats out of order, it is up to the team in the field to observe such slips. It calls for alert, heads-up baseball. If the team is playing such baseball, it will profit by having the runner or batsman declared out for failing to observe the rules of the game.

If the umpire made rulings on such plays it would remove the premium that goes to the alert team or individual, would place the slow thinker and poor observer on the same plane with the smart player.

At various times it has been suggested that the umpire be authorized to act on such plays without appeal.

STAR TWIRLER SAID TO BE IN GOOD CONDITION

Will Strengthen St. John The Baptist Team

Tucking his diploma under his arm and tearing off his mortar board and gown, "Tack" Dalton will leave St. Joseph's College this afternoon and, barring accidents, should arrive in the city in time to take part in tonight's game against the Trojans on the North End grounds.

Dalton received his degree yesterday in addition to several prizes won for his athletic prowess by scoring the highest number of points at the college meet. He made a great record for himself at the college, being chosen valedictorian for his class.

A Leading Pitcher. The South End boy has been one of the leading amateur pitchers in the city for the last few years and reports are that he has taken on weight and is in good shape for the coming campaign.

He will bring considerable strength to the St. John the Baptist team and from now on the race for the pennant will be the hottest in many years. If Dalton arrives in time, he may pitch tonight's game for the Saints.

ADVOCATES CHANGE IN BOXING RULES

Would Prohibit Greasing of Combatants and Regulate The Wearing of Trunks.

Doer Almy in the Boston Post says: "Within a short time an organization that cannot be ignored will bring to the attention of the Boxing Commission a number of suggestions which will urge be incorporated in the commission's rules relative to boxing in this State.

These suggestions will embody a ruling relative to the powers and duties of a referee in the matter of fouls, will prevent the greasing of combatants, will regulate the wearing of trunks relative to the waist line, will clearly define that a boxer is "out" of the fight after a count of 10 and correct and strengthen other weak spots in the code now in use.

An exhaustive text of ring officials and in keeping with their duties and responsibilities. Fight managers and their fitness will be urged, also an increase in their pay more ringsters will receive attention. Also the actual suspension of managers and ringmen who, after warnings, persist in infringements of the rules or verbal or other attacks on ring officials or spectators."

FITZSIMMONS VERSUS ROMERO. NEWARK, N. J., June 17.—Bob Fitzsimmons, son of the former heavyweight champion, and Quintin Romero, of Chile, both heavyweights, have signed to meet in a 12 round match June 22.

BASEBALL GAME POSTPONED. An exhibition game which was to have been staged on the South End diamond this evening between the Y. M. C. I. and the Imperial news, has been postponed as the grounds will be in use for a City League fixture.

HARRY GREB MATCHED. WICHITA, Kas., June 17.—Harry Greb, world's middleweight boxing champion, and Sergeant Ralph Brooks, Kansas heavyweight, will meet here July 17 in a 10-round no-decision bout.

NEW YORK, June 17.—Harry Greb, world's middleweight champion, and Humbert J. Fugazy, promoter of the Italian Hospital fund show. Fugazy agreed to use experts in clearing away the seats in time for the Giants and Phillies to take the field for their scheduled baseball game on Sunday, July 5.

NEW YORK, June 17.—Frankie Genaro, American flyweight champion, was awarded the judges' decision over George Marks, bantamweight, of California in a ten round bout here last night. Genaro weighed 116 pounds and Marks 117.

"I move," he concluded, "that a ballot be cast by the secretary for the election of George Campbell Pidgeon as moderator."

ACTION APPLAUDED.

There was a burst of applause as Dr. Chown finished, which was renewed when the chairman said that his "noble and self-effacing statement" represented the spirit of true Methodism.

Dr. W. C. Wallace seconded the motion, which was carried by standing vote, with Dr. W. T. Gunn acting a vote for the Congregationalists.

Dr. Pidgeon, amid another enthusiastic demonstration, then mounted the platform, where he was greeted with a hearty handshake by Dr. Chown.

"We have just witnessed one of the noblest acts of self-denial in the history of Canadian Christianity," said Dr. Pidgeon. "I never dreamed of anything of the sort happening, and for years I have lived in the expectation that Dr. Chown would be the leader of the new church. I am staggered by what he has done."

Dr. C. W. Gordon of Winnipeg expressed the appreciation of Presbyterians for "the great act" of the Methodist leader and moved that a committee be appointed to frame suitable words in which to express the council's deep regard for what Dr. Chown had done. Dr. D. L. Ritchie, of the Congregational College, Montreal, seconded, and the chairman named Dr. Gordon, Dr. Ritchie, Principal Murray and Dr. Gunn.

TWO WEEKS OF PRAYER.

TORONTO, June 16—As a period of prayer and consecration for the United Church, it was recommended at the meeting of the General Council this afternoon that the two weeks from October 4 to October 18, inclusive, should be set apart.

The recommendation was contained in the report of the committee on the

NEW YORK, June 16—The Honorable Supreme Court of the State of New York said a kind word for the bootlegger Monday. "I do not think that bootlegging is wrong or immoral," said Justice May, presiding over the court in Brooklyn, "but," he added, "it is illegal."

Justice May delivered his opinion of the bootlegging profession in the court of an alimony hearing incidental to the divorce suit of Edwin H. Squiters and Mrs. Squiters, of Bay Shore, Long Island.

Mrs. Squiters alleged that her husband's income as a bootlegger would amount to more than \$25,000 a year. She wants \$7,500 a year from him.

During this period it was asked that there should be a reconsecration of spiritual life, a re-visualisation of the task of the church, and a rededication of the entire membership to God. The moderator was authorized to prepare this call to prayer and prepare a statement of the church's task.

The committee reporting on the motion of Judge Chesley for the abolishing of gadget training in the schools, recommended that it be transmitted to the presbyteries for consideration, and recommended the formation of lay associations.

The committee of publications was reporting when the council rose, the Methodist book steward, Dr. S. W. Pallas, having stated that the Methodist Church had a \$2,000,000 equity in the publishing house in Toronto, with a turnover last year of \$1,000,000 and a payroll of \$10,000 a week. He hoped too much would not be expected of the new paper immediately, and that there would be no demands for regional papers to begin with.

NEW YORK, June 17—Freed Osterie, 55 years old, a paralytic, who formerly lived at 11 West Seventeenth street, while crossing Seventeenth avenue at Seventeenth street on crutches was knocked down by a taxicab and killed by another automobile which passed over his body after he had been hurled to the surface car track. The chauffeur of the automobile, a coupe, fled, but Thomas Clancy, 27 years old, chauffeur of the taxicab, of 206 West Sixty-fourth street, picked up the man and carried him to a nearby restaurant. The victim died before the arrival of Dr. Pelter in an ambulance from New York Hospital.

Clancy was arraigned before Magistrate Jean Norris in the Jefferson Market Court on a technical homicide charge, and was remanded without bail for examination in the Homicide Court. He told the police that Osterie was crossing the avenue slowly and he attempted to pass behind him. He tried to swing his machine away from the man, but the left front fender struck him and tossed him to the car track. Osterie attempted to arise, but the coupe passed over his head and body, fracturing his skull.

**BOY GETS PRIZES
 DRESSED AS GIRL**

Haverford Senior Too Bashful to Step up For His Diplomas.

PHILADELPHIA, June 17—To hide his embarrassment and avoid congratulations by his fellow-graduates, Charles C. Sellers, an honor student at Haverford College, attended commencement exercises attired as a girl.

Young Sellers, who received the degree of Bachelor of Arts and won three coveted prizes, is 22 years old, a son of Horace W. Sellers, a Philadelphia architect.

The student's masquerade was successfully carried through at the commencement and at the class day exercises on the campus.

Sellers received his diploma "in absentia." Later he smiled in appreciation as he was eulogized and prizes were awarded to him. None of his classmates seated near him recognized him as the student who was being honored.

Not only his inherent modesty but a resolve made four years ago not to appear again in public and receive a diploma, is said to be responsible for young Sellers' prank. When he was graduated in 1921 from the Montgomery School, Wynnewood, he stumbled when ascending the platform to receive his diploma. Covered with confusion, he retired to his seat and, according to fellow-students, pledged himself "never to walk across a platform again."

DEFENCE CONVERS.

Clarence Darrow, Bainbridge Coby and Dudley Field Malone, associate defense counsel, visited the American Museum of Natural History. They saw in the Hall of the Age of Man specimens showing the evolution of man and the evolution of the horse.

They conferred with Professor Henry Fairfield Osborn, authority on evolution and president of the museum, and promised aid in lining up scientific witnesses.

In this connection the New York Evening Post says:

"Greenwich Village is on its way to Rheas county. There shortly will descend upon Dayton, Tenn., the greatest aggregation of assorted cranks, including agnostics, atheists, communists, syndicalists and new dawns ever known in a single procession."

"The Scopes case, teachers, researchers, workers, biologists and other men of science are being smothered in the rush of long-haired men and short-haired women, feminists, neurotics, free-thinkers and free-lovers who are determined to shine in reflected glory. The vital issues on the trial in Tennessee are being lost in the stampede of professional martyrs and a swarm of practicing egotists."

MAKING READY FOR VISITORS FROM BOSTON

Executives of Local Canadian Clubs Complete Their Arrangements.

ARRIVE ON DINGLEY ON NEXT TUESDAY

Hundreds are Expected at Reception in Honor of U. S. Delegation

At a joint meeting of the executive representatives of the men's Canadian Club and the women's Canadian Club held yesterday afternoon in the office of Col. E. C. Weyman, president of the club, further arrangements for the visit of a delegation of members from the Boston Canadian Club to a reception and dance in the Admiral Beatty Hotel on Wednesday the 24th, were decided upon.

OFFICIAL BOSTON GROUP.

Advisers from Boston stated that the visiting delegation will include three past presidents of the Boston Canadian Club, Fred R. Basley, Col. A. P. Graham and John P. Masters. There will be other gentlemen attending in official capacity. Representatives from the women's auxiliary of the Boston club will include Mrs. Rupert D. Foster, president, who is a talented speaker quite prominent in the Canadian colony of Massachusetts; Mrs. Harry Small, first vice-president; Mrs. J. B. McRoberts, third vice-president and other ladies. It is also quite probable the secretary of the men's club, J. Ernest Kerr, and a member of the executive, will be in the party.

ENTERTAINMENT PLANS.

At yesterday's meeting groups of members were assigned such duties as the organizing of automobile parties, teas, excursions, welcoming party, golf guides, reception committee and in a general way the plan of procedure during the visitors' stay was fully decided upon. All the proceedings will be entirely informal.

MANY INVITATIONS.

Navigations are being issued to the men and women members of the clubs with the privilege of inviting non-member husbands or wives, male and female escorts. As the membership of the combined organizations is between 800 and 900 and each has a privilege of inviting their escort, a very large party is expected. It is proposed to employ the whole function suite of the hotel. As the guests arrive by the elevators and staircases on the second floor they will be received by a joint representation of officers. They will then be seated in the ballroom. After a brief exchange of greetings and courtesies, including musical honors to both flags, the seats will be quickly removed and dancing will begin. From then on the affair will take on the nature of an informal dance. A buffet supper is to be served in the private dining room of the second floor attached to the club quarters.

CLARENCE MOORE IS AWAY TO BORDER

Local Speedy Ball Player Secured For Milltown Team by Manager McCourt.

Clarence Moore, star right fielder for the Saints, left this morning for Milltown where he will play with that team in the Border Town League. Moore has been playing sensationally this season and has been sought by Milltown for several weeks. Last night he received a long distance call and in a few minutes had made satisfactory arrangements with Manager McCourt. He left on the early morning train and should arrive in good time to compete in the opening game this evening in St. Stephen.

Since returning from Boston Moore has been playing sensationally and hitting around the 500 mark. In addition to being a fast outfielder he recently played shortstop for the Saints and his work was a feature. He covered a large amount of ground and accepted every chance. Joe Ford was in charge of the Milltown team, but it is said he returned to Boston owing to the serious illness of his wife. McCourt, who was formerly one of the leading pitchers on the Fredericton team in the New Brunswick League, is acting manager.

WATER FRONT WORK

Wharf Properties at Sand Point Being Repaired—McLeod Warehouse Gets New Roof.

The harbor department crew are busy making repairs to the city water front properties. Commissioner Bullock said this morning. At present men are at work on the Union St. trestle, work running from No. 4 to No. 5 berth. New stringers are being placed and a deck will be laid. The C. P. R. is also putting a new top on the company's trestle which links up with this one. Tomorrow men will start on the work of strengthening the sub-structure of No. 5 shed. As this is tide mark it will take some time to complete, the men being able to work only a few hours at a time. Messrs. J. E. Wilson, Ltd., are at work on the new roof for the McLeod warehouse. In this work the firm are using Saint John made materials.

DOUBLE FINE

In the police court this morning Patrick Kane was fined \$8 or two months in jail for being drunk and \$10 or 20 days for destroying public property at the jail. Policemen Thomas Pratt and John, gave evidence regarding the ripping up of fittings in a cell.

CONTRACT AWARDED

Commissioner Bullock said this morning that the contract for the new tail shaft for the ferry steamer Ludlow had been awarded to the Saint John Iron Works. Their tender was \$276. One lower tender was submitted but the successful bidders were able to promise immediate delivery and this was the reason they were given the work.

SUMMONS COMMISSIONERS

The case against E. P. Mr. Watson said he had summoned all the witnesses, but they had not appeared. He said he would summon them again for the Friday hearing.

CORNER STONE PLANS

The vocational school committee visited the site of the school this morning and decided to have the corner stone laid on Wednesday afternoon, June 24, at 4.30 o'clock. The programme will include addresses by Dr. M. Curran, M. L. A., chairman of the School Board, who will lay the corner stone; Lieut.-Gov. Todd, Mayor Potts and Hon. Ernest Magrath, M. L. A. and choruses by the school children under the direction of Prof. J. F. Browne.

PAVING WORK

Good progress with the work of paving St. James street was reported this morning by Commissioner Frink. Today a start was made on pouring the concrete for the foundation under the rails of the New Brunswick Power Company. The commissioner said there had been nothing further done about the paving of Douglas Avenue but unless there was a move by the council the paving of the stretch from the end of the present paving to the bridge would be gone ahead with just so soon as the department of public works could get around to it.

WEDDING ANNIVERSARY

Last evening relatives and friends of Mr. and Mrs. Frank Cheyne surprised them at their home, 19 Champlain street West End in honor of their twentieth wedding anniversary. They were taken completely by surprise as they entered the room to the music of the wedding march, Rev. R. B. Robinson presiding. A beautiful set of china. The bride and groom of 20 years thanked the gathering for their thoughtfulness on their anniversary. The evening was spent very pleasantly with music and a social time. Dainty refreshments were served. The gathering dispersed with a sing-song of old songs.

FORTY HOURS ENDED

In the Church of the Assumption in West Saint John last evening the Forty Hours Devotion was brought to a close. Rev. A. P. Allen of Peterville, N. B., recited the litany and Rev. Walter Holland of St. George gave an eloquent instruction. A procession of the Blessed Sacrament followed and over 200 children, the altar boys and priests participated. The choir sang appropriate hymns. Benediction of the Blessed Sacrament followed with Rev. C. P. Carleton officiating, assisted by Rev. H. Ramage as deacon, Rev. Father Allen as sub-deacon and Rev. J. J. Ryan, the pastor, as master of ceremonies. The altar was beautifully decorated with cut flowers and plants.

DE MONTS EVENT

At a meeting of the conveners of the various committees for a buffet supper and dance to be given by the ladies of De Monts Chapter it was decided to make the matter of dress the choice of the guests, formal or informal as they see fit. Bridge will also be played by those who desire it. A provision of the latest dances will be provided and the committee planned at the meeting, held at the home of Mrs. Walter W. White, to make the event one of the happiest of functions. The ladies of the chapter have constituted themselves hostesses to make the affair a complete success. They will make the possibility of raising their quota for their beneficent and patriotic work assured, it was reported after this morning's meeting.

They sent me a letter askin' me how many covers I wanted—an' I said I wanted enough to cover me an' Hanner. Then she said I'd hev to get a necktie. Some of the fellers up to the market said I orto wear a white one—an' some said I orto be black. I guess I'll get one that's half right, anyway. I sinit much on style—an' if it wasn't fer Hanner I'd wear the one I got on now—but you got to satisfy the women when you go out in a crowd. Hanner hes hed Birdie McWinn helpin' her with a noo dress that'll hev more colors in it than a rainbow. You jist want to keep your eye peeled when we sell in an' grab our knives an' forks—yes, sir."

VENUE NOT SILENT ON NOTING DATE

Premier is in City Today Consulting With Government Supporters.

Rumor Says Date May Be Announced at Hampton Convention on June 20.

Hon. P. J. Veniot, Premier of New Brunswick, arrived in the city at noon today to consult with the local supporters of the government on matters in connection with the coming campaign. When seen by The Times-Star at noon he said there was nothing yet for publication on the date of the election and he could not say just when the date would be made public. Questioned as to the personal of the enlarged New Brunswick Electric Power Commission the Premier said this matter was engaging the attention of the government and he hoped soon to be able to announce the names of the men who would have charge of the development of the Grand Falls, the way for which had been cleared by the decision of the International Joint Commission.

MEETING TUESDAY

The next meeting of the Government will be held the first Tuesday in July, he said, unless a special meeting was necessary to get things in line for the work at Grand Falls. On Saturday the Premier will attend the government convention at Hampton and will address the gathering. It is said he may announce the date of the election at that meeting.

HEARING IN CASE OF THREE MEN IS BEGUN

Woman is on Stand in Police Court—Not Sure of One of The Three.

Preliminary hearing into a serious charge made against three young men, Robert Short, George Winchester and Harold Winchester, by Mrs. Archibald Stratton of Erin street, was commenced in the police court this morning before Magistrate Henderson, and after hearing the evidence presented by Dr. G. B. Peat, the case was set over until Friday afternoon at 2.30 o'clock. In the meantime the court and others will view the place where the alleged attack took place. Detective Sergeant Power conducted the prosecution, and E. J. Henneberry appeared for the accused.

WOMAN TESTIFIES

Mrs. Stratton said that while returning home from the North End on last Sunday evening about 10 o'clock she was accosted by George Winchester on the north side of King Square, near Sydney street, who asked her if she would like him to drive her home, and she consented. She said she got into the car, and then noticed two other men in the car. George Winchester and Short sat in the back seat with her. She said she wanted to get out, but they would not let her. The car was driven out to Kane's Corner. The witness was then put through a grilling cross-examination by Mr. Henneberry. After much questioning, she said she would not swear that Harold Winchester was the third man in the car, but was positive about the other two. Henneberry asked that Harold Winchester be discharged, but His Honor said he would not do this just at present. The witness said that Henneberry that she had had several quarrels with her husband about another man and had said that "she would go with this man in spite of the devil," from recently had made up with her husband.

DUMBELLS RENEW FRIENDSHIPS HERE

Ross Hamilton Travels by Auto—Captain Plunkett is Away on Honeymoon.

The visit of the Dumbells company revived close friendships of the members of the company with many people in the city. Ross Hamilton did not leave with the rest of the troupe on the early morning train for Moncton but as he is motoring during the eastern tour, left in his car at 10 o'clock in the forenoon. To join the company at Saint John he drove his car 925 miles from Kingston, Ontario between Saturday night and supertime Monday, just previous to the opening of the show here.

Captain M. W. Plunkett, manager of the show and producer, though programmed for Saint John was enroute to England on a honeymoon tour, having married Mrs. Taylor of Guelph a short time ago. During his stay in the Old Country the Captain will secure new musical and sketch material for the next production of the Dumbells entitled "Lucky Seven," the seventh annual edition by the boys. It is booked for Saint John next November.
