The copy filmed here has been reproduced thanks to the generosity of:

D.B. Weldon Library
University of Western Ontario

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D.B. Weldon Library
University of Western Ontario

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Whereas the Corporation of the Village of Alvinston by by-law number 10-1899, by vote of the electors decided that all further expenditures in the Village of Alvinston in connection with the construction of sidewalks shall be by special assessment on the property benefited and not by law exempt from assessment therefore in the manner provided for in the Municipal Act.

On all lots which a sidewalk shall be deemed by the Engineer as no benefit no assessment shall be made against such lot, even if such lot does front on or abutt on said improvement.

7. Any allowance made in pursuance of the next preceding two sections and every assessment to defray the cost of any sidewalk fronting on any lands which by law are exempt from taxation for such purposes and all street crossings shall be assessed as the Corporation share of the cost of such improvement.

In case the petition shall be found to be insufficient he shall so certify and the council shall be filed and no action taken.

11. Upon the receipt of any such petition by the engineer from the council with directions so to do the engineer shall forthwith examine into the subject matter of the petition and report with as little delay as possible upon the necessity for and the advisability of undertaking the proposed improvement.
