F. A. PARENT,

216 Princess St.,
KINGSTON.

FOSTER'S KINGSTON DIRECTORY, 1898-9.

A
Life Insurance Policy

Enables a poor man to leave an estate to provide for his family, and a rich man to leave a fund to protect his financial interests.

The Unconditional Accumulative Policy issued by the Confederation Life Association guarantees EXTENDED INSURANCE or a Paid-Up Policy after two years or a cash value after five years.

EXTENDED INSURANCE.

Under this provision the full amount of the policy is, in the event of the non-payment of the premium when due, extended as a term insurance and the policyholder is held fully covered for a term which is definitely set forth in the policy.

CONFEDERATION LIFE
ASSOCIATION.

W. C. Macdonald,
Actuary.

J. K. MACDONALD,

KINGSTON
Street Directory.

The occupation is given in the Street Directory only at the place of business; This is done, first, to distinguish a residence from a place of business; and second, because the occupation can be given much more fully in the alphabetical than in the Street Directory, the latter being merely a plan of the streets showing the relative position of the buildings.

S. E. for side entrances is used in the Street Directory to show that the building in question faces the cross street.

Adelaide Street, west from Montreal to Alfred, first north of James.

Actual Experience has shown beyond a doubt that the lives of Ab-
 stainers are better lives for insurance than those
 of Non-Abstainers, and no one will dispute the fact that the best lives
 should have the cheapest and best insurance. . . To get it patronize The
 Temperance and General Life.

Thirty Years' Experience

of The Temperance and General Provident Institution of Great Britain (one of the six largest British companies) shows a saving of 20% of the expected mortality in its Temperance Section for profits, and only 3% in its General Section.

THE TEMPERANCE AND GENERAL LIFE gives Abstainers the full advantages they are entitled to.

Thirty Years' Experience

of The Temperance and General Provident Institution of Great Britain (one of the six largest British companies) shows a saving of 29% of the expected mortality in its Temperance Section for profits, and only 3% in its General Section.

THE TEMPERANCE AND GENERAL LIFE gives Abstainers the full advantages they are entitled to.

Count not the Cost

of keeping in force an Investment Policy of Insurance, as, whether the insured lives to the completion of the investment period or not, the amount payable to him if he survives the period selected, or to his beneficiary, if his death occurs prior thereto, is a handsome return for the amount invested.

The Compound Investment Policy

ISSUED BY THE

NORTH AMERICAN LIFE ASSURANCE Co.

TORONTO, ONT.

is a very attractive, liberal, and remunerative form of insurance. It specially provides for the **LOAN** to the insured, if desired, of all premiums beyond the 10th, and if death should occur thereafter, the full amount of the policy becomes payable, premium loans, if any, being cancelled. IT FURTHER PROVIDES for the return of the 11th and subsequent premiums, together with the full face of the policy, should death occur after the 10th year and within the Investment period selected.

Pamphlets explanatory of this advantageous form of Investment Insurance, and copies of the last annual report of the Company illustrated, furnished on application to any of the Companies Agents; or, to the Head Office, 112-118 King Street West, Toronto.
