The Uses of Adversity.

(From the Messenger.)

Some days past, August days of for the victarage at the far end of the tropical beat, when golf or any active village. They were familiar figures exercise was not to be thought of. Kitty spent must of her time in a hammock in the garden, while Mr. Rylands went a fishing down the she was so obviously devoted. Wo river, where the trees made a pleas. men came to their doors and, shadant shade and the water ran clear ing their eyes, gazed after them as and cool. For the most part he lay they passed along. They had not " with idle elbow on the grass," his yet made up their minds about these fishing rod beside him, gazing ab. stractedly across the river. One thought preyed upon him and possessed him-that one great thought they were all frankly indifferent to which, when a man is compelled to their poorer neighbors, and they eatertain it, drives all other thoughts lived in a bright, gay world of their away-it was the thought that he own, where sorrow or care did not must die. He was trying to get familiar with it. As the Egyptians of old used to bring a skeleton into the midst of their feast, to remind slowly slong the dusty road. The them of a time when they would sir had become close and sultry, and feast no more, so now daily he turn. the roses in Kitty's belt drooped and ed and grappled with his grim faded. The doge, with lolling thought, thinking that familiarity tongues and downcast heads, trudged along close at heel, and only Faust

might rob it of some of its borror. He had not needed the recent visit had the energy for a short, grumpy to the specialist to assure him of the bark as two men on bicyles shot past fact that he was no better ; he knew in rather a dusty plight, one of them himself the sinister import of the lifting his hat as he passed. "Who was that, dad ?" asked drenching night sweats which made

his shortest sleep a horror and struck Kitty.

"I don't know," he answered. fear to his heart at every awakening. His doctor had suggested Davos "I think they must be visitors for Plaz, and he had shuddered out a you," she said. "Look ! they are horrified "Never." He remember- dismounting by our house; let us ed a visit to his sister there-he had hurry on gone to bring her and his mother The cyclists had pulled their mahome : they were returning in haste chines under the hedge by the roadfor the Alpine sir could not revive wide and they were attentively rethat poor, withering flower, and she garding the house.
