The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## SOME PRESS NOTICES

### OTTAWA CITIZEN

Dr. Bourinot's new book on "How Canada is Governed," which has just appeared in Toronto, will be welcomed by a large body of readers as embodying a great amount of information, in most readable and intelligible language, respecting the origin, nature and working of the governmental institutions of Canada.

We recommend the study of this admirable book, which is another illustration of the author's desire to develop sound political thought in this country.

### TORONTO MAIL AND EMPIRE

The arrangement and the style are admirably calculated to simplify the subject. The words used render the meaning clear to the mind of the ordinary reader, and the explanations leave him no knots to untie. For these reasons, and on account of its cheapness, the work is likely to meet with a very general reception, and it will doubtless fill a large sphere of usefulness that up to the present, has been a void. Its simplicity will be likely to carry the study of our institutions and constitutional practice into the school-room. That would be a national benefit. It would help our schools to make citizens as well as scholars.

### OTTAWA FREE PRESS

It is a book which should be in the hands of every citizen who wishes to inform himself on the executive, legislative and judicial authorities which govern this Dominion in accordance with English constitutional principles. No other work so well meets the requirements of students in our academies and colleges, and we should like to see it adopted as a text book in every province of Canada.

### MONTREAL GAZETTE

We consider this hand-book a work of real value. There is not a chapter in it that has not noteworthy features, and we cordially recommend it as a book which it is everyone's interest to see in his neighbor's hands. The more it is studied in our schools, and offices, and homes the more worthy will be our citizens of Canada and of the great motherland to which she owes her institutions and her liberties.

### QUEBEC MORNING CHRONICLE

One of the most valuable books on Canada ever published is "How Canada is Governed," from the industrious, well-informed and prolific pen of Dr. George Bourinot, C.M.G., and Clerk of the House of Commons. The learned doctor is our highest constitutional authority, and his important works on Parliamentary practice, government, and kindred topics have made his name famous in every country which enjoys responsible government.

The book ought to be in the hands of all pupils attending our schools, students in the universities, and the libraries of the country. It is a work of great permanent value, and the best treatise on the subject that we ever have seen.

### OTTAWA EVENING JOURNAL

Dr. Bourinot's new book on "How Canada is Governed," just published in excellent style by the Copp, Clark Co., of Toronto, presents the most succinct and popular review of Canadian institutions that has yet been attempted by any writer.

It is a book which ought to be in the hands of every Canadian, young and old.
