## RULES AND REGULATIONS

PASSED AT DIFFERENT TIMES, AND NOW ORDERED TO BE PUBLISHED.

THAT no resolution or proceeding inconsistent with or modifying any resolution or proceeding adopted by a general meeting, be entertained by the executive committee in Halifax, except upon a month's notice to the committee being given by the person proposing the same, and that no such resolution or proceeding be carried into effect until the same shall have been confirmed by a general meeting to be summoned for the consideration thereof, if necessary to be arranged before the annual general meeting.

That a corresponding committee of three residents in Windsor, or its neighborhood, the chairman whereof shall be, if possible, a member of the executive committee, be appointed to meet on the second Wednesday in every month, and at such other times as may be expedient, upon summons of the chairman, to confer with the officers of the College or Collegiate School upon any subject to be submitted to them either by such officers, or by the executive committee in Halifax, in reference to the College or School, and to report thereon to the executive committee.

A month's notice shall be given of all resolutions affecting the rights of members, or creating new offices or salaries.

No individual shall be entitled to vote under a parochial certificate, unless he be authorised by a parish meeting.

All annual general meetings of this association shall be holden at Windsor.

That the treasurer make up his annual account to the 30th of April in each and every year.

All undergraduates, resident at College, shall be competent to compete for the prize or certificate for modern languages.

At the annual meeting held at Windsor, June 29, 1859, Dr. King moved the resolution, notice of which was given at the last annual meeting by the Rev. Dr. Twining, in reference to the mode of election of Governors, viz.: that the present mode of voting for each individual

separately and in alphabetical order be discontinued, and that the usual mode of putting all the names proposed on the same ballot, out of whom those having the highest number shall be declared elected, should be adopted; which motion was seconded by Dr. Almon. After considerable discussion, Mr. A. M. Cochran moved in amendment that the following proviso be added: "Provided that no person shall be declared elected as Governor unless he have a majority of votes cast." The amendment was seconded by Nepean Clarke, Esq., and carried. The original resolution of Rev. Dr. Twining, as amended by Mr. Cochran's proviso, then passed.

At the general meeting, October 17th, 1856, it was *resolved*, "That the right of voting by proxy be in no way interfered with."

The following resolution was passed at the general meeting, 24th June, 1857:

*Resolved*, That the ballot be not sent round for any officer of this association, or of the Board of Governors, whose name has not been previously proposed and seconded by some member of the association; and that the ballot be not taken until all the names of the persons intended to be proposed for any office be given.

At the annual meeting held at Windsor, June 27th, 1860, the following resolution was proposed by Dr. Almon, seconded by Rev. Dr. Robertson, and passed:

*Resolved*, That a Prize of £5 be given to the student passing the best examination for Matriculation, in June next. The day of examination and other details to be settled by the President of the College.

At the annual meeting held June 25th, 1862, this grant was discontinued from want of funds.

At the same meeting, the Rev. G. W. Hill moved the following resolution, which was seconded by Dr. Almon, and passed unanimously.

*Resolved*, That the Executive Committee of the Associated Alumni be empowered at their monthly meetings, during the interval between one annual general meeting and the next, to elect members of the Incorporation, provided that no black beans be cast against them.

Rev. Professor Hensley moved the following resolution:—

*Whereas*, The funds of this association are pledged, and consequently no funds are left for providing the alumni scholarship and the usual prizes.

*Resolved*, That honorary certificates be granted in the several departments instead of the prizes as heretofore,—which passed.

## REPORT.

THE lapse of another year having again brought together the Associated Alumni, the Executive Committee in accordance with established custom beg to present their fifteenth Annual Report.

The year that has passed has been marked by an event of more than ordinary interest to the College, viz.: the commencement of the long talked of, and much needed, additional, building for College Hall, Library, and Museum. It will be remembered that at the last annual meeting of this Association a Committee was appointed to solicit funds for that desirable object. In October last your Committee held a special meeting to receive the report of that Committee, at which it was represented that the estimated cost of the buildings would be £1750, and the amount then raised was about £1400;—at that meeting your Committee was requested to guarantee any deficiency that might arise, and a resolution was passed recommending the Association to appropriate whatever funds might be available to make up the deficiency that then existed. Since that time considerable alterations were made in the plans of the buildings, which increased the cost to £2,250, and a special general meeting of the Alumni was called, in accordance with the Bye Laws, on the 12th April last, at which the Building Committee reported that Mr. Lang had tendered to construct a suitable stone and brick building, according to plans and specifications then submitted, for the sum, just mentioned, of £2,250. The Committee also reported that the subscription list then amounted to about £1800, and they wished before entering into any contract to be indemnified against any personal liability.

Whereupon a resolution was passed empowering the committee to

enter into the necessary contracts with Mr. Lang, and pledging the funds of the Association towards the payment of the deficiency.

Under these circumstances the work has been commenced, and is progressing as rapidly as possible, and it now becomes the duty of this meeting to devise means to liquidate the obligations thus incurred.

The annual income of the association has never been much more than sufficient to meet the ordinary expenditure, so that nothing can be drawn from that source unless the sums granted for prizes be discontinued. In this connection your committee again find it necessary to call attention to the large amount of subscriptions in arrear. There being now between £60 and £70 of back dues—some of which has been owing for four and five years.

At a meeting of your committee held in July 1860, this matter was discussed, and a resolution was passed, directing the Secretary to inform subscribers in arrears that unless the amount due was promptly discharged, their names would be reported at the next annual meeting with a recommendation that they be struck off the list. No further action was taken at that meeting,—and it will be for this meeting to determine whether it is advisable to continue those upon the list, who are so largely in arrears.

Your committee beg to recommend to the favorable consideration of this meeting, a resolution, notice of which was given at the last annual meeting by the Rev. Mr. Hill, empowering this committee at their monthly meetings to elect members of the association under certain restrictions, as they feel convinced it will be the means of increasing the number of annual subscribers.

The importance of the purchase made some time since of Silurian Fossils, from the Rev. Mr. Honeyman, has been amply illustrated by the attention which has been bestowed upon them, by scientific men in the mother country, who have inspected them in the Nova Scotia Court of the Great Exhibition. The recent gold discoveries in this country—now no longer problematical—have drawn much attention to the Geological formation of the Province—and will render more than ever valuable the services of our present talented Professor of Natural Science.

The Treasurer's account shows a balance on the 30th April last, (at which date the Bye Laws require it to be made up) of \$583.31. Since then several bills have been paid, leaving the available balance—\$279.31.

The immediate business before the meeting is, first to elect two Governors in the room of Dr. Almon and Harry King, Esq., who in the order of their election go out of office, but who may be re-elected. It also becomes necessary in conformity with the Bye Laws to elect a Vice President and three members of the Committee in the place of Rev. James C. Cochran, Benj. Curran and S. L. Shannon, Esqrs., who retire by rotation, but who also are eligible for re-election.

By order of the Committee.

FITZ. COCHRAN,

*Secretary.*
