ate to her contributions to the general band's counsel during the day, and it is revenue. Their protest against the understood that Mr. Howe will make an revenue. Their protest against the assumption of the debt of Canada will be useless, as this has been determined on and agreed on for some time, and they will probably fail in having the new debt apportioned other than according to population; but they may be able to obtain some increase in our subsider.

that will indirectly compensate us for our losses under the new adjustment.

The Independence of Partisans.

The only difference between political partisans is that some are in office and some are seeking office. Those in office enjoy the patronage, power and importance of office, and those out of it declaim scaling these things as corruptions of the received the news of the refusal with the same indifference, merely saying to a new trial. He has the coolest demean or of any prisoner in the Tombs, and some such as the trials and chats just as jocularly as if he were whiling away his leisure hours in the abode of pleasure and ease instead of in the Tombs. With his most intimate friends not a word of despair, of anger, or quarrelling with his fate escapes him. He discusses everyday topics with non-chalance and takes great interest in all the events going on in the outside world. He received the news of the refusal with the same indifference, merely saying to declaim against these things as corruption and robbery while straining every nerve to obtain them for themselves.

He received the news of the refusal with the same indifference, merely saying to his father, who was with him, "They've denied me a new trial. My case will now go to the Court of Appeals."

would vote for the resolution. Mr. Anglin paid a high tribute to the industry of the New Brunswick Judges. Mr. Cameron hoped Ministers would take steps to increase their own salaries. as their present remuneration was not commensurate with their expenses or labors. The increase to the Judges was | 2d.

On the motion increasing mem bers pay, Domville said he was enopposed to the thousand dollars allowance. There were men with families, in New Brunswick, in the public service on \$400 yearly salary, and it was unjust to tax such people to pay members \$16 daily. He would like to see ministers get \$10,000 yearly. They were cheap at the money. \$6 daily was sufficient to pay for all members did. He

would move in amendment that members Mr. Anglin said Domville's motion was only show, as he knew it would not be carried. The amendment was lost. Several members on both sides advocated an increase in ministers' salaries.

A Bill incorporating the Canadian Atlantic Cable Co. was passed in committee of the whole. Sir John moved for the issue of a writ for the election of a member to fill the vacancy in Hauts Co., N. S.

Halifax. 

Freights.

Eathingte May 31—Tonnage is in good surpy for present wants, and rates favor shippers. Under limited receipts of corn no reports of grain charters, though there are numerous vessis here to lead that were chartered on the oher side; we quote 55 degree for handy sized vessels. To Liverpool, steamer Ganges has fill cargo engaged; no sailing vessels to resent on the berth; rates are easier; engagements per steamer, Lard 46; Cotton ½6; Oil Cake 30; Grain 96. To Bremen, per steamer—Maryland and Ohio Tobacco 232 66; to Holland via do 37 66; Cotton ½1. Charters include bark Adelaide Norres, to River Platte Lumber \$3.79 M feet and primage; two brigsto Halifax 30c \$9 bbl; on to Wey West Coal \$4.25; several vessels to \$7 Thous. Coal \$5.25; gold; barked \$45 tons, to come around from New York, to load Tobacco to Marseilles, 40c \$9 hbd.

Gallao, April 14th—[Bryce, Grace & Co's Report]—Rates for Guano from Peruvian Islands have advanced, and a further improvement must take place if present demand for shipping continues. But a small proportion of the heavy crop of grain recently harvested in Chili having been forwaried, and the production of Nitrate boing enormously increased with the Estance nestioned, inspires the belief that ton-

JAMES HINCH, nov 22 READ THIS. PORTLAND, March 14th, 1860.

To Mrs. Waterbury.—Dear Madam.—I desire to add my testimony to your already Celebrated Dinner Pills. During my whole life time, until about six years ago, I was severely afflicted with Indigestion. Biliousness and all their attendant cuils. I had tried many medicines, and got but temporary relief. At the time above mentioned, I was advised to try your Pil's: I did so for three months, according to directions: since that time I have had no joyed good health.

I am yours, &c...
