OPENING OF THE NEW GRAMMAR SCHOOL

One of the Most up-to-date Buildings in
the Maritime Provinces.

The Campbellton Grammar school was opened on Monday with a record breaking enrolment. This handsome school deserves more than a passing word as it is today one of the finest public schools in the province and a credit to the new Campbellton. The building is of concrete and brick and is one hundred and forty eight feet long by sixty-eight feet, eight inches wide, two and a half stories high.

The basement which is of concrete has a ceiling ten feet high and is well lighted by many large windows. In this are situated the following rooms which are entered from above by wide massive stairways.

The boiler and fuel storage room is of fire proof construction - near the centre of the building. The walls and floor are of concrete while the ceiling and doors are protected by asbestos. In this room are placed the two forty-five H. P. return tubular boilers which supply steam for the low pressure steam heating and ventilating system. These boilers are so connected that in extremely cold weather both may be used, while in milder weather only one is necessary, which will mean a great saving in fuel.

Mr. Daniel Currie who has had a long experience in the handling of steam boilers has been appointed Janitor and is giving his work careful attention.

The basement is divided into boys and girls sections. In the boy's side are large play rooms for use in stormy weather, lavatory fitted with automatic flush closets and urinals, and also a number of basins with hot and cold water so that no boy need go into his class room with dirty hands or face.

Here also at a later date will be the Manual Training department, a large airy, well lighted room being set aside for this purpose.

In the girl's end are large play rooms, toilet room fitted with automatic flush closets and wash basins with hot and cold water etc. Here also a room has been set aside for a domestic science department which will be fitted up at a later date. The main floor is reached from the street by a handsome and striking entry, with easy steps. At the head of these steps entering into a spacious hall is erected an arch, with massive colonial columns. To the right and left along this hall are situated the following rooms:—Three rooms for the primary department, teachers cloak room, grade III cloak room, office of the school board where all meetings will be held. Class rooms for grades IV, V, VI, VII and VIII.

In the hall which is wide and spacious are on each side of the main entrance automatic sanitary drinking fountains. Wardrobes are also erected here for the use of the different grades. These wardrobes are ranged along the walls and are ventilated by large pipes which assure the clothes being well aired. The wood finish in this hall is of birch, hard pine and cypress, finished in the natural with dark green varnish. Flush door knobs and in each class room which have in each a small observation wicket through which a full view of the class room is obtained.

The two stairways which lead to the second floor, are wide and massive, and are constructed of brick with a green finish and birch lap wainscoting.

On the second floor are class rooms for grade IX and the Principal's room in which grades X and XI are mustered. These rooms are all finished in the same style while two extra rooms have been provided for emergencies.

On the second floor is situated the laboratory which will be fitted up with all necessary apparatus for lectures, demonstrations and experiments. Perhaps the most noteworthy feature of the new school is the fine assembly hall 63 feet by 68 feet and 21 feet high.

Here will be held the closing exercises of the school, from this platform will be made the valedictory addresses of the brightest scholars, and hard earned prizes and diplomas will be presented here. It is the hope of the Board that many social functions will also be held in this room, which may be the means of brightening the social life of teachers and scholars and also bring the parents and friends in closer touch with school life and ideas.

This hall is large, well lighted and airy and has an ample stage with two dressing rooms. In the rear of the assembly room, provision is made, should occasion demand it for two additional class rooms. In the south end of the building are the two spare class rooms already noted, while near them is a room set aside for the teacher's private use. Here they may meet in their spare moments, and in this room will be kept the books of reference and the library.

The halls on this second floor have also wash basins with hot and cold water for the convenience of teachers and pupils.

Stand pipes with hose connections are placed where they can most easily be reached in cases of emergency or fire and a special company will be organized to take charge of the fire fighting appliances.

Regular fire drills are now compulsory in all public schools.

The building throughout is finished in the plainest and most substantial manner. The floors are of polished birch and the finish of cypress and hard pine. The ceilings are of embossed metal painted in pleasing and harmonizing tints. The class room furniture is of the best, individual seats and desks being provided in all the departments.

Messrs. Lutz and Cripps of Sussex were the contractors and they deserve every credit for the way in which the work has been carried along to completion in spite of the many difficulties which

ACCIDENT AT I. C. R. YARDS

On Tuesday afternoon Stephen Turner section foreman on the I. C. R. met with a painful accident. He was preparing the wing plow for going out when it was found that one of the wings had jammed. Turner essayed to remove the obstruction and while so engaged one of the plow crew inside tripped over the lever releasing the wing which caught Turner on the shoulder. He was removed to his home where Drs. Lunan and Price treated him. He is suffering from a dislocated shoulder.

ENGAGEMENT ANNOUNCED

The engagement is announced of Dr. Harry Brett, of Banff, and Miss Helen M. Fleming, head nurse of the Bret hospital, Banff formerly of Campbellton, N. B. The date of the marriage is not yet announced.

confronted contractors here during the past season. The heating and ventilating system is of the newest and most approved type and was installed by Messrs. Hazan of Amherst.

The plumbing contract was looked after in a creditable manner by Mr. A. H. English who did all the plumbing under his own supervision.

The teachers with the enrollment for this town are as follows:

- Grades X and XI Principals Carr
- " IX Miss Beatrice Smith
- " VIII " Mary Mitchell
- " VII " Margaret Hennessy
- " VI " Ellis B. Dickson
- " V " Jennie B. Carter
- " IV " Gertrude Brown
- " III " Miss Galivan
- " II " Layton
- " I " Duffy

The total enrollment is about 450.

Altogether the citizens can take pride in their new school. It is thoroughly up-to-date and the School Board are to be congratulated upon so successfully grappling with this momentous question, and having the work completed in so short a time. Proper provision has been made for the increasing requirements of the town and the trustees have safeguarded the people in every way.

The building when properly equipped throughout will cost in the vicinity of fifty thousand dollars which is really a low figure considering the fine building which we now possess.

The present School Board is composed as follows:—F. F. Matneson, chairman; Mrs. A. A. Andrew, Mrs. E. X. Russell, Messrs. A. E. G. McKenzie, L. G. Pinault, M. D. Max M. Mowat, D. A. Stewart, D. F. Graham, John Ventour, S. Lughlan, S. G.

DEATH OF RUTH MCRAE

The death of Ruth youngest daughter of Wm. McRae occurred on Sunday evening Jan. 7th at 8.30 p. m. at Campbellton.

The deceased girl who was only 19 years of age was a general favorite with all, of a bright genial disposition and will be greatly missed. She was ill for but a short period and her death came as a severe shock to her many friends. Her mother, four sisters Mrs. George R. Fielders of Montreal, Mrs. F. Nevin of New York, Misses Annie and Mary of Campbellton and six brothers, Jas. A., Davice R., Wm. L., George T., Fred J. and Allan A., all of Campbellton will mourn the loss of a loving daughter and affectionate sister.

The interment took place on Thursday afternoon to the Rural Cemetery. The pallbearers were Messrs. K. M. Hope, A. E. G. McKenzie, A. A. Andrew, F. E. Shepherd, A. Gillis and Mr. Mc-Avey.

The floral tributes were many and costly, beautiful wreaths and set pieces being sent by loving friends. Rev. T. P. Drumm conducted the funeral services at the house and grave.

The Graphic extends the sympathy of the whole community to the bereaved family.

TORTURED FOR THIRTY FIVE YEARS

I really could not live without "Fruit-a-lives"
FRANKVALE, Ont. Jan. 25th, 1910.
"For thirty-five years (and I am now a man over seventy) I have been a terrible sufferer from Constipation. No matter what remedy or physician I employed, the result was always the same—impossible to get a cure. About two years ago, I read about "Fruit-a-lives" and I decided to try them. I have used "Fruit-a-lives" ever since. They are the first and only medicine that suited my case. If it were not for "Fruit-a-lives" I am satisfied that I could not live." JAMES PROUDFOOT.

The greatest remedy in the world for all forms of Indigestion and Dyspepsia, is "Fruit-a-lives". Doctors as well as hundreds of people proclaim it. "Fruit-a-lives" cures all stomach troubles because it makes the liver active, strengthens the kidneys, purifies the blood and keeps the stomach sweet and clean. "Fruit-a-lives" is the only remedy made of fruit juices. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers, or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

MILLIE M. FORSYTH —TO— MR. AND MRS. J. STEWART ON THE DEATH OF THEIR SON, ERNEST

All on this earth do pass away—
How soon all earthly joys pass by—
The flower that is so bright to-day
Will on the morrow die.
All on this earth is but alone—
Here nothing shall endure;
Here nothing we can call our own;
No earthly joy is rare,
Here our dear friends all pass away,
To return to us no more;
While we weep o'er the cold clay
In grief nor loss deplore.
You, too, have shed the sorrowing
Tear
For one dear unto your heart;
But death to all is drawing near,
All loving friends to part.
It was in the month of December,
On that bright and cheerful day,
That he, thy dear son,
By death was borne away.
Little did you think when you did
rise,
When all was fair and bright,
That tears of grief would dim your
eyes
Before the coming night.
But God, whose eye is over all,
To guard them from all ill
No evil then can us befall
Without his holy will.
He sends us trials here below
To raise our thoughts above,
For us to be prepared to go
To join the friends we love.
You who are with grief oppressed,
Thus by a sudden blow
I look not on earth for joy or rest,
Dear friends you will find it so.
But look by faith to Christ alone,
The eternal Son of God;
To Him that liveth to atone,
That shed for all His blood.
He is a Saviour merciful and kind
To all with sorrows here oppressed,
It is He that can calm the troubled
mind,
And give the weary rest.
The doubts and fears within you
rise,
And o'er cast your mind with gloom;
And tears of sorrow dim your eyes,
While weeping o'er the tomb,
But could you see beyond the skies,
That happy throng above,
No more would doubt with in you
rise,
Or fears for him you love.
Could we but see that happy land—
The land of pure delight,
Where thousands and ten thousand
stand,
Arrayed in robes of white
These living flowers divinely bloomed
No grief can enter there,
Beyond the confines of the tomb,
All is a bright and fair,
Then dry for him the falling tear,
That now at rest doth lie;
That now at rest doth lie;
In glory waits on high.

PRESENTATION TO REV. R. H. STAVERT

At the home of Mr. and Mrs. S. M. Dunn, Harcourt, where he had been invited to spend the evening of the 5th instant Rev. R. H. Stavert, pastor of the Harcourt and Millbranch Presbyterian churches and well known as an indefatigable temperance worker, received a very pleasant surprise. He was presented with an address and purse of money, given by the Harcourt section of the congregation and a number of friends from the other churches.

The address was read by Mrs. S. M. Dunn, and the presentation made by Mrs. Leonard Barrett. The following is the address:

To Rev. R. H. Stavert, Harcourt:
Dear Pastor: As another landmark in life's journey has been passed and we enter upon a New Year, we the members of your church at Harcourt, desire to convey to you our appreciation of the faithful service you are rendering to God's cause in this community. We recognize the sincerity of your efforts to advance the cause of truth, purity, and temperance, and desire to give you all the encouragement we can in your work for God's cause and for our benefit.

While fully conscious that any gift of ours is totally inadequate to express the feeling of our hearts towards you and your work we desire to present to you this small offering, trusting that you will receive it in the spirit in which it is given, and that God's blessing will rest richly upon it, and your work during the year which we have entered.

Signed on behalf of the members of the Presbyterian church of Harcourt: Mrs. Ezra Keswick, Mrs. S. M. Dunn, John Beattie, Silas Smallwood, Wm. G. Cameron.

Which is Your Choice?

Sloppy, leaky wooden troughs, or clean, durable Concrete?

Wooden drinking troughs are about as reliable as the weather. They are short-lived and require replacing every few years—not to mention continual patching to keep them in repair. The best of wood cannot withstand, for long, constant dampness and soaking. Its tendency to rapid decay soon shows itself in leaks and stagnant pools of water around trough. Contrast with this the durability, cleanliness and well-ordered appearance of Concrete.

The dampness which destroys lumber only intensifies the strength and hardness of Concrete. You can impair a wooden trough with comparatively little use; but it takes a powerful explosive to put a Concrete water tank out of business.

OPPORTUNITY

is useless unless you possess the courage to act. You might possess great wisdom, you might read a good deal or travel much and thus acquire a knowledge of opportunities to make money, but unless you have the courage to act on your judgment and wisdom all of these desirable qualities are entirely useless. Lots in Poe are a good investment at present prices. The town is bound to grow rapidly. Owing to the easy terms of payment you have the ability to buy and if you do not buy now it is because you are lacking in courage, and the chances are you will never be like the man who now acquires most rich, courageous and wise.

TORRENS TITLE

Poe townsite is held by us under the Torrens system of title. Under this system the title is guaranteed by the Government and therefore absolutely safe.

PRICES AND TERMS

Prices of lots range from \$50 to \$100 each, and they can be purchased on terms of one-fourth cash, balance in eighteen equal monthly payments or quarter-cash, balance in six, twelve and eighteen months.

INFORMATION

We have issued an attractive circular giving full information pertaining to the town and its prospects, together with showing lots for sale. If you wish to receive this circular, map, circular cut out and fill in the attached coupon and mail to us.

According to Government Estimates \$100,000,000,000

was made in Western Town Property during the year 1909

Did you participate in these huge profits or did you "pigeon hole" the propositions submitted to you by your western friends for future consideration? In short, are you the man who made a profit or the unfortunate one who had the chance but did not possess sufficient judgment to recognize the opportunity or sufficient courage to close a deal? The man or woman entitled to sympathy is the one who says: "Five or ten years ago I had the chance to buy this or that property at \$100 or \$500, and now it is worth \$10,000." The average person sneers at the person who makes such a statement and says: "I would have bought and made that money." Are you going to say five years from now that you had a chance to buy a lot at Poe, Alta., at from \$50 to \$100 each, or are you going to be the man who will have from \$1,000 to \$10,000 in cash as a result of having bought property in this town in this year of grace, 1912?

POE A COMING COMMERCIAL CENTRE

Poe is located on the main line of the Grand Trunk Pacific Railway between Edmonton and Saskatoon. It is located in one of the finest farming districts in Western Canada. The surrounding country is settled by a progressive line of farmers and consequently will become the market centre for Northern Alberta. Poe district possesses rich coal mines, is close to rivers and lakes and large forests are easily accessible from this point. These natural resources in are for the residents of the area, first, low cost of living, and second, great commercial activity, two essentials in the upbuilding of a large town, thus creating valuable real estate.

POE AS A MANUFACTURING CENTRE

This townsite and contiguous territory has the requirements outlined by large manufacturing concerns for the location of large factories or large enterprises of any kind, employing large numbers of people. The rivers and lakes furnish water, the coal fields and forests furnish fuel and cheap building material, the fine farming lands furnish farm products, enabling the residents to live at a low cost. The town is located on the main line of a transcontinental Railway, assuring the necessary transportation facilities. These combined conditions will furnish cheap labor, one of the most important features of a manufacturing centre.

Poe is a Good New Town in which to engage in Business or a Profession

ALMOST A CLEAN SWEEP

Conservatives Carry a Tremendous Majority of P. E. I. Seats.

Charlottetown, P. E. I., Jan. 3.—The elections today resulted in almost a clean sweep for the Conservatives. When the new house meets Premier Matheson will have twenty-six if not twenty-seven supporters, whilst the opposition will be represented by two or three members only.

In today's elections only two Liberals have safe majorities. Hon. John Richards their leader and his colleague A. McWilliams in second district of Prince who are returned by 165 and forty-nine respectively.

In the second district of Kings R. N. Cox, Liberal is one vote behind A. E. Simpson, Conservative. The result will not be known till declaration day when the special votes put in for these men all over the Island are counted. They will likely increase Simpson's majority judging by previous elections.

At last general election in 1908 seventeen Liberals and thirteen Conservatives were elected. These were changed by bye-elections to sixteen to fourteen and on Nov. 15 last the Conservatives by capturing seats in the third and fourth districts of Queens obtained the government.

The city of Charlottetown where two Liberals were returned by acclamation in 1908, and by a large majority in 1904 made a big turn over, the Conservatives winning by overwhelming majorities.

Christian Church Should Help Poor.

Chancellor Lloyd George Points to Early Christianity.

Lloyd-George spoke in London the other day, with the faith that is in him and in impassioned accents and incidentally he furnished his adversaries with a new weapon of attack. The chancellor was addressing a church meeting in Wales.

"Poverty," he said, "is not the fault of Providence which provides in abundance. There are millions of men, women, and children, in this country, the richest in the world, who through no fault of their own, row up in life sudden in poverty, wretchedness and despair."

"You cannot deal with a problem of this magnitude, by mere spasmodic appeals to the charity of the benevolent. That is hopelessly inadequate. You might as well try to run the army and navy by voluntary subscriptions. It is the community alone that can command the resources to drain this morass of wretchedness, so as to convert it into a verdant and fertile plain. I don't agree with the view that the church is concerned solely with spiritual things. Those who take that view, reflect on the career of the Master. They repudiate the prospect and doctrines of the greatest disciples whose first act on founding a church was to establish a fund for the care of the poor and they were the first poor law guardians ever established."

CHATHAM MEN CHARGED WITH BURGLARY

A Chatham dispatch says that 3 men, John Cribbes, Herbert Gannon and George Walker, it is charged, broke into James McLeod's grocery store, Hill street, Saturday night and just as they were effecting a neat and clean get away, Officer Thompson came along. The men saw him and ran, but he gave chase, firing his revolver to stop them. He succeeded in collaring one. Later in the morning a second was traced to a home below town and arrested, and yesterday morning Cribbes, under the impression that he could not be arrested on Sunday, drove boldly up Water street. The police took him into custody. The men will probably come up for examination on Wednesday.

LOCAL OPTIONISTS GAIN IN ONTARIO

Over Half of Ontario Now Under no License.

Toronto, Jan. 3.—Returns of the local option contests throughout the province gave cause for rejoicing among the temperance forces. The comparative standing of the results is as follows: 18 local option victories, 80 licenses abolished, 15 municipalities sustained local option on by-laws to repeal it, 46 defeats, including 18 defeats by the three-fifths majority requirements; total dry territory, 460 municipalities; Wet territory, 362 municipalities.

351,595 NEW CANADIANS

The department of the interior has compiled figures showing immigration in 1911 to have totalled 351,595, as against 311,084 in 1910. The British immigration shows a particularly large increase, reaching 141,035, in comparison with 123,013 for the year of 1910. The American immigration increased some four thousand, the figures this year, December excepted, being 125,399. The continental immigration jumped six thousand, totalling this year 72,478.

A MODERN MIRACLE

He Had Eczema 25 Years and Doctors Said "No Cure."

Yet Zam-Buk Has Worked Complete Cure.

This is the experience of a man of high reputation, widely known in Montreal, and whose case can readily be investigated. Mr. T. M. Marsh, the gentleman referred to, lives at 101 Delorimier Avenue, Montreal, and has lived there for years. For twenty-five years he has had eczema on his hands and wrists. The disease first started in red blotches, which itched and when scratched became painful. Bad sores followed, which discharged, and the discharge spread the disease until his hands were one raw, painful mass of sores. This state of affairs continued for twenty-five years.

In that time four eminent medical men tried to cure him, and each gave up the case as hopeless. Naturally, Mr. Marsh tried remedies of all kinds, but he also, at last, gave it up. For two years he had to wear gloves day and night so terrible was the pain and itching when the air got to the sores. Then came Zam-Buk! He tried it, just as he had tried hundreds of remedies before. But he soon found out that Zam-Buk was different. Within a few weeks there were distinct signs of benefit, and a little perseverance with this great herbal balm resulted in what he had given up all hope of—a complete cure! And the cure was no temporary cure. It was permanent. He was cured nearly four years ago. Interviewed the other day, Mr. Marsh said: "The cure which Zam-Buk worked has been absolutely permanent. From the day that I was cured to the present moment I have had no trace of eczema, and I feel sure it will never return."

If you suffer from any skin trouble, cut out this article, write across it the name of this paper, and mail it, with one cent stamp to pay return postage, to Zam-Buk Co., Toronto. We will forward you by return a free trial box of Zam-Buk. All druggists and stores sell this famous remedy, 50c. box, or three for \$1.25. Refuse harmful substitutes.

PUGSLEY GOES TO MONTREAL

Hon. Wm. Pugsley, M. P., present member of the Bar of New Brunswick, took the entrance examinations for the practice of law in the Province of Quebec on January 6, along with a dozen young aspirants. It is the intention of Mr. Pugsley to practice in Montreal.

SEVEN YEARS OF MISERY

All Relieved by Lydia E. Pinkham's Vegetable Compound.

Sikeston, Mo.—"For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like I too, I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could talk to every suffering woman and girl."
—Mrs. DEMA BERTUNE, Sikeston, Mo.
The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound.
It is more widely and successfully used than any other remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means had failed. Why don't you try it!

Know an Auto From Hood to Tires

Expert knowledge of automobile construction is essential to car owners and drivers alike. To the owner it means certainty when buying a car, and a great saving in cost of up-keep. To the driver it means greater demand for his services, a larger salary, and a permanency of position. To both it means knowing if a car is right, and when not right, exactly what to do and how to do it.

All this valuable knowledge is set forth in the Automobile Course of the International Correspondence Schools—the most thorough and practical Automobile Course in the world. The subjects covered are: Gasoline Automobiles, Gasoline Automobile Engines, Automobile Engine Auxiliaries, Automobile Carburetors, Electric Ignition, Transmission and Control Mechanisms, Bearings and Lubrication, Automobile Tires, Automobile Operation, Troubles and Remedies, Overhauling and Repairs—information that enables you to thoroughly understand any auto, from hood to tires, and how to handle it.

This Course has been prepared by recognized experts actually in the business. In other words, it is practical as well as theoretical. To learn about it, and how you can most easily become an automobile expert, write today to

A NEW DANGER—POISONOUS FOODS

Within a few days seventy seven inmates of a poor-house in Berlin have been fatally poisoned by eating rotten fish that had been smoked to disguise its disgusting nature. Now comes a despatch from Coburg, Ont., to the effect that five boxes of sausages had been seized by the health officer of the town for being in a disgusting state of decomposition and therefore not only unfit for human food, but positively dangerous to health. It was further ascertained that these sausages had been forwarded by a packing-house in Toronto to an agent in Coburg to be fixed over and made palatable by the addition of spices. The discovery has created so great a sensation that the authorities will be forced to hunt down all concerned, and, if the facts are proven as stated, to punish them as severely as the law will allow. But clearly that is not severely enough to fit so dastardly a criminal. It is little short of murder to knowingly put on the market poisonous food as fit for human consumption. Poisonous food which is the result of the decomposition of meat or flesh of any kind, is just as deadly as arsenic, though its effect is slower, and too many precautions cannot be taken to guard against it, while the man who for the sake of miserable gain seeks to impose it upon his fellow being, should be treated as an enemy to society.

But the question arises, how long has this criminal business of fixing and spicing such stuff been going on, and how much of it from time to time gets into general circulation, or is it not to be supposed for an instant that its sale is intended for the small Coburg market. Nothing but the most rigid inspection of each package, both at the place of manufacture and sale, no mere sampling, can guard the public against danger in this connection.

Miss Campbell, our popular school teacher, spent her holidays at her home in New Richmond.

Mr. Wilson Edwards returned from Montreal last week.

Mr. G. McKenzie of Moncton is visiting her mother, Mrs. Jean Dunville.

Miss Myrtle Dickson was the guest of Miss Dickey for a few days last week.

Mr. Gannet Fair is visiting her friends in New Richmond.

Mr. and Mrs. Clarence Edwards are receiving hearty congratulations from their many friends on the arrival of a little daughter.

Mrs. Frank Gaudin of E-cumiac River very pleasantly entertained a number of her friends last week, dancing being the chief amusement. Among the distinguished guests were—Miss Minnie Laote, Mrs. Stafford Kerr, Mr. Dick Lavoie and Mr. Scott McKay.

Makes Hair Grow

The White Drug Co., has an invigorator that will grow hair or money back.

The time to take care of your hair is when you have hair to take care of.

If your hair is getting thin, gradually falling out it cannot be long before the spot appears.

The greatest remedy to stop the hair from falling is SALVIA, the great American Hair Grower, first discovered in England. SALVIA furnishes nourishment to the hair roots and acts so quickly that people are amazed.

And remember it destroys the Dandruff germ, the little pest that spoils the life and goes to the hair from the roots.

SALVIA is sold by The White Drug Co. under a positive guarantee to cure Dandruff, stop Falling Hair and Itching Scalp in ten days, or money back. A large bottle costs 50c. The word "SALVIA" (Latin for sage) is on every bottle.

CONVICTED FOR POACHING

There was a case of poaching tried before Police Magistrate Matheson last week. Six men, three of the McNaughton boys of Dee Side, George Delany, John Fitzgerald and Sandy Fraser of Matapedia, were convicted, and fined \$25.00 each and costs.

The poaching occurred during the early part of the season, on the Restigouche River, when accused threw their net out between two scows, and we understand that only one small salmon was taken. This punishment makes it very expensive for poachers, we are informed that the case was worked up by Mr. Max M. Mowat Head Guardian of the Restigouche Riparian Association and that at the time the offense was committed there were no Guardians near at hand which demonstrates the fact that the system now in vogue for guarding the rivers, is almost perfect, and that it is almost impossible for poachers to escape. This should be a warning to the people living along the rivers for in killing salmon, they are to mix our metaphors, only killing the goose that lays the golden egg.

If it were not for the wealthy Anglers who come to our rivers each year there would be a great deal less money in circulation.

THE LOCAL NEWS

Thursday saw us in the grip of a severe snowstorm. The friends who had the best place on that day.

Work is proceeding apace on the erection of the new electric power engine. The service it is gladly noted has shown a marked improvement of late.

In our report of last week regarding Mr. Wainwright's death we were informed in error as to Mr. Wainwright's position. He was Secretary Treasurer of the Hiparian Association, not of the Restigouche Salmon Club.

The Council of the Board of Trade met on Monday evening when many pressing matters were discussed and put in shape for placing before the general meeting which takes place on the 27th inst.

BORN

At Campbellton, Jan. 2nd, to Mr. and Mrs. E. W. McKnight, a daughter.

Messrs. Gustaf H. Hedelius, Stockholm, Sweden; Knut Nordin and Karl Axel Brinman, of Head of Tide, Restigouche county; Joseph Alder, of Nordin, Northumberland county and Hedley Oquist, of Newcastle, are applying for incorporation as the Hardwood Planing Mills, Limited, to carry on a lumbering and milling business on the Restigouche, with a capitalization of \$150,000.

The following is culled from the Manufacturers Record of Calgary. A business worthy of special mention is that of H. A. Jacobsen & Co., established 2 years ago.

They are importers and wholesale dealers in Watches, Clocks, and Jewellery and are manufacturers' agents with trade territory covering Alberta, British Columbia, Saskatchewan and Manitoba. Mr. Jacobsen the proprietor whose experience in this line of business covers a life time, is a native of New Brunswick and has been resident in Calgary for the past five years. He stands high in business and social circles.

FOR AGED PEOPLE

Old Folks Should Be Careful in Their Selection of Regulative Medicine.

We have a safe, dependable, and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitutions who suffer from constipation or other bowel disorders. We are so certain that it will relieve these complaints and give absolute satisfaction in every particular that we offer it with our personal guarantee that it shall cost the user nothing if it fails to substantiate our claims. This remedy is called Rexall Orderlies.

Recall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity. Three sizes, 10c., 25c., and 50c. Sold only at our store—The Rexall Store.

For sale by T. WRAN.

Work on the Chateau Laurier, Ottawa was the new \$2,000,000 hotel, constructed by the Grand Trunk System is progressing very favorably.

Nearly all of the plastering of the hotel is now completed and there remains only to be done the lobby, bar and grill room ceiling. Most of the marble floors for the dining-room corridor are laid, and after the plaster work of the lobby is completed, work will be started on the marble work of that floor. Heat and light have been in the building for the last two months, and when the plaster is sufficiently dried in the various public rooms, the decorators will be able to commence the interior decorations.

Some of the woodwork for the big rooms is in the hotel, and the erection of this is going on. The general appearance of the various rooms, is beyond expectation, and when completed will be of the richest effect, artistic in design, and wonderfully beautiful.

Dr. de Van's Female Pills. A reliable French regulator; never fails. These pills are exceedingly powerful in regulating the reproductive portion of the female system. Reduce all cheap imitations. Dr. de Van's are sold at 1c. a box, or three for 25c. Mailed to any address. The Sobell Drug Co., St. Catharines, Ont. For sale by the White Drug Co.

JACQUET RIVER

As the correspondent from Jacquet River has been neglecting his or her duty of late, I will try to give you some idea of what is going on in our little village.

On Friday last we had a large fall of snow but now the roads are in excellent condition.

Mrs. Alexander DeGrasse who for the past month has been visiting relatives in Waltham, Mass., is expected home this week.

Mr. Francis Keaty who for the past year has been employed for the Louison Lumber Co., spent the Christmas holidays with his parents in Richibucto.

Miss Olive Furlotte was the guest of Miss Elizabeth Arsenault Thursday last.

Rev. J. Z. Lambert spent his vacation with his parents in Quebec.

Mr. Sam Rosan was the guest of Mr. and Mrs. Lawrence Arsenault on Thursday last.

Misses Elizabeth Arsenault and Mary Furlotte who have been spending their vacation with their parents left this evening on the local for Dalhousie convent which they had been attending last term. May this year be one of success for them.

NEW CARLISLE NOTES

In St. Andrew's Episcopal church Sunday evening, service suitable for Christmas Eve was conducted by the Rector, Rev. E. A. Dunn. The Christmas carols—"Carol Sweetly Carol," "See Amid the Winter Snow," "Good Christian Men Rejoice" and "In Excelsis Gloria," and Christmas Hymns were sung. On Christmas Day Holy Communion was celebrated at 8 a. m. Sermon and Holy communion at 9 with large congregations at both services.

Thursday morning at 10 service was conducted in St. Andrew's, it being Holy Innocents' Day. A watch night service was held in this church New Year's eve at 11.30 p. m. a good congregation being present.

Mr. and Mrs. Wilson Smith of New York are visiting friends here.

Miss Bessie Hall who has been teaching school in Port Daniel is spending the Xmas holidays at her home.

RICHESON CONFESSES TO MURDERING MISS LINNELL

No Assurance of Leniency—Law Was Allowed to Take Its Course.

Boston, Jan. 6.—Yesterday Rev. Clarence V. T. Richeson under indictment for the murder of Miss Linnell, his eighteen-year-old sweet-heart, by whom he was about to have a child born, but whom he had deserted to marry Miss Violet Edmund, an heiress, sent for his lawyers, yesterday, and confessed everything, crucifying himself upon the cross of his conscience. His statement read as follows:—

To John Lee, Esq., Wm. A. Morse, Esq., and Phillip E. Dunbar, Esq.:

"Gentlemen—Deeply penitent for my sin and earnestly desiring, as far as in my power lies, to make atonement, I hereby confess that I am guilty of the offence of which I stand indicted. I am moved to this course by no inducement of self-benefit or leniency, Heinous as is my crime, God has not wholly abandoned me, and my conscience and manhood, however depraved and blighted, will not admit of my still further wronging, by a public trial, her whose pure young life I have destroyed.

"Under the lash of remorse I have suffered and am suffering the tortures of the damned. In this I find a measure of comfort.

In my mental anguish I recognized that there is still, by the mercy of the Master, some remnant of the Divine spark of goodness lingering with me.

"I could wish to live only because within some prison's wall I might in some small measure redeem my sinful past, help some other despairing soul, and at last find favor with my God.

"You are instructed to deliver this to the district-attorney or to the judge of the court.

"Sincerely yours,
"CLARENCE V. T. RICHESON."

Since he mutilated himself with a piece of jagged tin in the Charles street jail a few days before Christmas, Richeson has been on the verge of a nervous and mental collapse. His lawyers received no assurance of any recommendation to mercy.

Boston, Jan. 9.—Rev. Clarence V. T. Richeson stood to-day at the bar of justice, declared his guilt of the premeditated murder of his former sweetheart, Miss Linnell, and heard without a tremor the words of Judge Sanderson that condemned him to death in the electric chair on the week beginning May 10.

CHINA TO BE ROBBED AGAIN

Russia Excludes China From Mongolia, and Prepares to Take Charge Herself.

Peking Jan. 9.—Two important developments yesterday intensified the interest in the situation in China. These were a renewal of hostilities and the demand of the Russian government that China recognize the independence of Outer Mongolia. Revolutionaries from Shan Si and Shoo Si, having recaptured the town of Shaoh Chow, are advancing on Ho Nan, while reinforcements have been dispatched to the imperialists. The armistice has not been renewed and there is a deadlock in the peace negotiations so that early fighting may be expected between the opposing forces. In addition to requesting China to recognize the Katuktu of Urga as the monarch of Outer Mongolia the Russian government has notified China that the independence of Outer Mongolia must be recognized as concerns internal affairs.

The note adds that Russia will assist the Mongolians in maintaining order and that she intends to build a railway from Kiakhta to Siberia, to Urga. Henceforth China will not be permitted to maintain military forces or send colonists to Outer Mongolia but may retain control of external relations. To this note China has as yet made no reply. To the other powers, however, the Chinese government to-day communicated the substance of the Russian demands.

China is unable to defend herself with reference to Mongolia. Hereafter the Desert of Gobi will mark the Chinese boundary on the northwest.

The statement that Russia will assist in maintaining order in Outer Mongolia probably means that she will increase her troops in that territory, which heretofore has served merely as consular guards. It is believed that several railways will follow the Kiakhta Urga line and that much of the country will be developed.

Russia's permission to China to retain control of its external affairs is meaningless because practically there are no dealings with any country except Russia. The general opinion held here is that the Chinese government really suffers nothing from the loss of Mongolia, although Russia and the Mongolians will probably be greatly benefited. Peking officials look for British action in Tibet at a later date as it is believed unlikely that Russia has taken the present step without previously consulting with Great Britain and Japan. Inner Mongolia, so far, has been left undisturbed.

Labor Leaders and Temperance College Socialists Meet

The most ascetic party in the House of Commons are the Labor men. This used not to be the case in the old days. To-day the Labor men can be seen in a row at table with glasses of water beside them. Keir Hardie is a teetotaler; Ramsay MacDonald, the present Labor leader, is a teetotaler. Thomas Burt, the first Labor member of the House of Commons, and still the most universally respected is a teetotaler and so one might go through the list.—T. P. O'Connor in London Public Opinion.

New York, Dec. 28.—Delegates from forty colleges and universities, representing a three-fold increase in membership the past year, were in attendance at the third annual convention of the Intercollegiate Socialist Society, which met in this city to-day. The convention speakers included Congressman Victor L. Berger of Milwaukee, Mayor-elect George R. Lunn of Shenectady, and several other prominent representatives of the Socialist party.

REFORMS SOUGHT BY LABOR DELEGATES

Ottawa Jan. 7.—The Dominion Trades and Labor delegates are to meet the government to-morrow with numerous requests for reform. Among them are: Allowing musicians to play on Sunday, one day off in seven for waiters and waitresses, exclusion of Asiatics and insistence that all immigrants have \$25 in cash on landing, eight-hour day and increase for letter carrier, eight-hour day in public works and adoption of the federal department of public health, abolition of the senate, 100 night pay of railway employees, opposition to bounties on steel, etc., more practical enforcement of alien labor law and government inspection of locomotive boilers.

Have you ever heard of a case of catarrh, bronchitis, inflammation of the lungs, or pleurisy that did not start with a common cold? Every cold you catch has in it the makings of one or other of these diseases, if it can break down your defences.

The wise course, as soon as you feel the cold coming on, is to start taking Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne, and keep it up till the cold is knocked out completely. This splendid cough syrup will do the trick quickly and thoroughly.

A YORK CO. MYSTERY

Since one day last week a strange dog has remained continuously near a hole in the ice of the north-east branch of the Nashwaakiss stream, York Co., about two or three miles above the Estey Bridge. All efforts to get the animal to leave the place have proven fruitless.

The mystery which was caused at the head waters of the Nashwaakiss stream by the dog which insisted on remaining near an air hole in the ice and which gave the people in that locality the impression that the animal was owned by a hunter who had probably been drowned there, has been solved.

QUEBEC FAMILIES COMING

A correspondent of the Chatham Commercial writes as follows: "The prospective work at Legaceville next summer: 'Everyone who has visited Legaceville knows the great colonization work done there by Rev. Fr. Lagace. The reverend gentleman is now in Montreal in the interest of his colonization and has already interested some financiers in his schemes. As soon as the proposed railroad is decided to be built by the government or by a company, the said parties will at once build a shoe shop and a shirt factory; and next summer they will start a fish business. Rev. Fr. Lagace is looking to have industries in his settlement, to be in a position to employ all his colonists, having already the demand of over fifty families willing to come and settle in Legaceville next summer.'

The Annual Business Meeting of the Ladies' Aid was held in St. James Sunday School Hall, Dec. 15th, 1911. We are glad to report a very successful year. During the year seven new members were added to our roll, making a total of forty-two active members. Proceeds for the year amounted to \$599.27.

The officers elected for the coming year are: President—Miss Fleming. 1st Vice—Mrs. James Troy. 2nd—Mrs. John Robinson. Secretary—Mrs. Robt. Nicholson. Treasurer—Mrs. James Riddle. Auditor—Mrs. A. E. Shaw. "Santa Claus" called at the house, Christmas Eve and left a beautiful pearl pendant and pins for Mrs. Meather, a gift from the Ladies' Aid.

A CLASSIC CONSUMPTION

Words of a Prominent Canadian Citizen as He Has Viewed the War Against Consumption

"Men, women, and children are all being mowed down every day by this fell disease—consumption—and it is a mistake."

These words of Mr. Edward Murray, spoken at a gathering in Montreal a year ago, may be fittingly termed a classic on consumption.

The records of the Muskoka Sanatorium, as do those of other institutions of a like kind, on this continent and in Europe, show very clearly that this much dreaded disease can be, and is being, conquered by the treatment followed in a well-managed sanatorium. In our own Province, within the time that the hospitals in Muskoka have been in existence, the death rate from consumption has been reduced seventy-five per cent.

The life-saving possibilities of the sanatorium in Canada are limited only by the means required to carry on such a institution. For this reason we very cheerfully ask our readers to help in the great and growing work that is being done at Muskoka.

It is a fine statement for the trustees of the Muskoka Free Hospital for consumptives to be able to make, that from the month of April, 1902, when the institution was first opened, up to the present day, not a single patient has ever been refused admission to this hospital because unable to pay.

Mr. W. J. Gage, Chairman of the Executive Committee, 34 Spadina Ave., or the Sec. Treas., 347 King W., Toronto, will gladly receive and acknowledge contributions.

We have a large shipment of No. 7 blue lined envelopes, good quality suitable for business correspondence which we are clearing out at \$2.00 per thousand, printed with your name, address, etc. Special price for larger lots. Price—Cash with order. Address—The Graphic, Campbellton

WHISKEY HOLDS ITS VICTIM

Until Released by Wonderful Samaria Prescription.

Liquor sets up inflammation and irritation of the stomach and weakens the nerves. The steady or periodical (pre) drinker is often forced to drink even against his will by his unnatural physical condition.

Samaria Prescription stops the craving, steadies the nerves, builds up the general health and makes drink actually distasteful and nauseous. It is tasteless and odorless and can be given with or without the knowledge of the patient.

"I can never repay you for your remedy. It is worth more than life to me. My husband has been offered liquor several times but would not touch it. He said it had no charm for him now. May God's choice blessings ever rest on you and yours are my prayers ever. No one knows it but those who have tried it. As soon as I can I will see others that I know would give anything to stop their husband from drink. I will give them your address."

Mrs. K-Dewinton, Alta. (Name withheld on request) Read the following one of the numerous unsolicited testimonials received. Now if you know of any family needing this remedy, tell them about it. If you have any friend or relative who has formed or is forming the drink habit, help him to release himself from its awful clutches. Samaria Prescription is used by Physicians and Hospitals.
