HARTLAND

WAS THE BEST JUDGE OF CATTLE

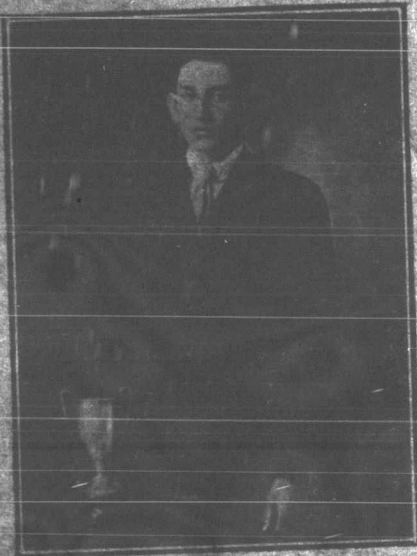

Bright Gordonsville Boy, Vocational
School Student, Wins Medal

Canada's fertile soil, rich pastures
and interesting climate make her an
ideal stock raising country, and she
can boast of many good herds and
flocks, while the increasing use of
pure-bred sires is doing much to im-
prove the quality of her grade live-
stock. While our country is thus fa-
vored, our standards are yet far below
what it should be. A few favored sec-
tions are producing a very desirable
type and quality of animal, but in too
many quarters a very inferior grade
of livestock is to be found. Depart-
ments of Agriculture, the breed as-
sociations, and individual breeders

uniform animal possessed of a full
measure of quality. In short, each
competitor failed completely unless he
left the exhibition furnished with an
inspiring, an impetus to further im-
prove himself in matters pertaining
to livestock, and an inspiration to
breed still better animals. We believe
that we are justified in claiming that
not one competitor "failed." The
names and addresses of the first six
young men, listed in order of pro-
ficiency, follows:

1st. Ralph Lloyd, Gordonsville
2nd. Austin Nixon, Lower Brighton
3rd. Howard Gibson, Jacksonville
4th. Irving Everett, Jacksonville
5th. Murray Kilfoil, Kilfoil
6th. Donald Bedell, Woodstock

The great war has brought vividly
to the attention of all classes of our
people the importance of agriculture.
Livestock now is recognized as the

have done much to improve conditions,
but it is to the farm boy, the future
breeder of good livestock, that we
must look for greater improvement.
Realizing this, the Woodstock Provin-
cial Exhibition Executive, this year,
featured a Livestock Judging Compe-
tition, open to all young men, not ex-
ceeding 18 years of age. Fourteen
young men entered the judging arena
and faced four classes of stock, each
one comprising three head, including
a class in heavy horses, dairy cattle,
beef cattle and sheep. The animals
were very kindly loaned for the pur-
pose by exhibitors. The classes picked
out for the young men such that
would entail sound judgment and solid
reasoning for the placing thereof.
Twenty minutes was the period given
in which the boys were to place the
class, write their reasons and submit
the cards to E. P. Bradt, Deputy Min-
ister of Agriculture, who supervised
the work of the young men in the
ring. As soon as the time allowance
for each class was up, the exhibition
judge, in his respective class, was
called upon to gather the competitors
around him and place the class, ex-
plaining in detail his reason for so
placing the animals. Not only did
the boys benefit by the discourse given
on each class, but the many specta-
tors, gathered around the arena,
showed by their keen interest that
they, too, gained much.

A committee, consisting of the ex-
hibition judges and the Deputy Min-
ister of Agriculture, corrected and
scored each competitor's card, giving
him his percentage standing. The
final summing up showed that
Ralph Lloyd, Gordonsville, 16 years of
age, whose photograph appears, had
amassed the greatest number of
points, by virtue of which he won the
silver cup donated by E. W. Math,
Woodstock. This cup to become the
property of the winner for two
years in succession. It was inter-
esting to note that the first six young
men, listed in order of proficiency in
the competition, were boys who, last
winter, were in attendance at the
Course in Agriculture and Farm Mech-
anics at the Woodstock Vocational
School, Woodstock. These young men
together with their classmates, ex-
pect to again enter this institution this
fall to complete the two year course.
The contest had its educational fea-
tures. By virtue of the young man's
previous knowledge of judging, com-
bined with that supplied him by the
judge, who correctly placed each class,
the competitor learned the type and
conformation sought after in each
class of farm animals; he was told
where to look for quality, and was
shown the points which denoted it.
Breed characteristics were impressed
upon him in such a practical manner
that he can carry his ideal mind and
use it in his selection of animals for
his own or other herds or flocks. He
knows now that size without quality
must always give place to the more

most important branch of Canadian
Agriculture, and pure bred stock as
the source from which all our best
animals are produced. But if the
standard of our agriculture is to be
maintained and advanced it can only
be done by giving the farm boy a
chance. He and his sister are the best
products of our farms. Give him a
pure-bred. Give him the chance to
attend an agricultural course at some
institution during the winter months.

MEAN-LAMONT

A very pretty event was celebrated
at the manse, Glenaville, on the eve-
ning of Sept. 24, when Isabelle, eldest
daughter of Mr. and Mrs. John R. La-
mont, West Glenaville, was united in
marriage to W. Meen of Coldstream.
Rev. E. C. MacLennan officiated in
the presence of a small company of
the bride's relatives and friends. A
reception was held at the home of the
bride's parents on the evening of the
25th when a large number of friends
assembled. After spending a pleas-
ant evening, and partaking of a sum-
ptuous lunch, the guests departed for
their severed homes, wishing the new-
ly wedded couple much happiness and
prosperity. Many gifts were pre-
sented to the bride, who is deservedly
popular in the community.

Chautauque at Hartland Oct. 20-22.

RECORD-BREAKING FLOOD DOES FEARFUL HAVOC

Damage all Along the River Follows
Heavy Rain—Hartland Bridge
Again Damaged

The rain that set in Thursday morn-
ing was the heaviest the county has
known in years. The downpour last-
ed 36 hours without cessation, and
on Friday morning the water in the
river was seen to be rising fast. From
7 on Friday evening to 6 Saturday
morning the rise of water amounted
to seven feet, while the total rise was
12 feet.

There was much damage all along
the river but the New Brunswick
Contracting and Building Co., engaged
in rebuilding the Hartland bridge were
the largest individual losers. Prac-
tically the whole of four or five weeks
work was swept away and a large
portion of their plant has gone with
the tide. A huge coffer-dam contain-
ing many thousands feet of lumber
went adrift along with a scow and
much other material. Two large hoist-
ing engines, derricks and dredges are
somewhere in the bottom of the river.
The loss may exceed \$20,000 and will
delay work for weeks. The public
will feel the loss of the foot bridge.

The ferry was swept away in the
deluge and all means of crossing the
river except by canoe were ended.
The ferry will be running by the end
of the week.

Farmers felt the loss of grain and
potatoes very seriously.

No one can recall, and there is no
record of such a height of water in Oc-
tober.

THE STORK PASSES OVER

It is seldom, if ever, that the fam-
ous "stork" is seen. Although his vis-
its are frequent, hitherto he has been
as unrevealed from human eyes as
Santa Claus. The joy-bringing bird
in his passage last week was thought
to have been an immense airplane, and
was witnessed by many. But not so;
it was the "stork" and his contribu-
tion was a nine-pound girl to Stanley
Tomplings' home, another fine girl for
James Layman, and a little bunch of
feminine delight to brighten the house-
hold of E. A. Belyea of Coldstream.

NO INCREASE IN PRICE

Notwithstanding the enormous in-
crease in the cost of production, over
three times previous to war prices,
that great weekly, the Family Herald
and Weekly Star of Montreal, have
decided to accept renewals and new
subscriptions at the old rate (\$1.50 a
year) from all who remit before De-
cember 1st, 1922. This should be good
news to readers of that big weekly.
The Family Herald has been vastly
improved and is beyond doubt the
greatest value in newspapers.

HAND BADLY INJURED

Last week while working in the saw-
mill near Avondale, Earl Belyea had
his hand so badly cut on a saw that he
may lose the member. Dr. Belyea was
summoned and found the right hand
much mangled. At the best Mr. Belyea
will have only partial use of his hand,
while late report is that infection has
set in and amputation may be neces-

JOHN T. CARR

OWES HER LIFE TO "FRUIT-A-TIVES"

After Years of Suffering with Dyspepsia, this Fruit Medicine Gave Relief

MILE ANTOINETTE BOUCHER

917 Dorion St., Montreal.

"I am writing to tell you that I owe my life to 'Fruit-a-tives' for this remedy relieved me when I had abandoned all hope of ever recovering my health. I suffered terribly with Dyspepsia. I had it for years and all the medicines I took did not do me any good. I read something about 'Fruit-a-tives' being good for all Stomach Troubles and Disorders of Digestion so I tried them. After finishing a few boxes, I was entirely relieved of the Dyspepsia and my general health was restored. I thank the great fruit medicine, 'Fruit-a-tives', for this wonderful relief."

Mile ANTOINETTE BOUCHER.

50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

To Electors of the County of Carleton;

Ladies, Gentlemen and Comrades: Having been chosen by the Returned Men of this county as their candidate for the House of Assembly, and having accepted, I appeal to you for your support.

I will be strictly independent, and will give an independent support to any and all legislation that will benefit my country and its people. I will be always ready to help remedy any wrong that can be made right by legislation for any man, woman or child who come to me.

I stand for no Party, Creed or Class, and, friends and comrades, we need straight, strong men who are not bound by party, but who stand for the people and keep independent. Comrades, I will endeavor to represent you and be a sentinel and an advocate for you as long as I am in a position to do so in the House. I am not running against any party, but I will run with the others who are nominated for this election. I am coming confidently looking to my Comrades and my friends for support.

There is legislation of importance that was expected by Returned Men, but as the House was dissolved before it was complete, I naturally feel we should have a look after our interests. Will it not appeal to the "fair play" spirit of our people to see one of our Returned Men standing alone, independent and showing faith in the people of his County?

I have had the honor of serving my Country overseas as a member of the 26th Battalion, and since I came back to N. B. I have done all I could to help the Widows and Orphans of our dead Comrades, and I ask your support so I may be able to help more fully. It is not vain ambition that has influenced me, but a deep feeling that we should be represented in the next House of Assembly; and to be able to be of more aid to my Country.

Comrades, rally to my cause. Friends of the returned men, help me forward and help! If you ladies feel that we deserve a representative in the House, we have faith that your votes will make victory sure. Remember, I am not seeking personal honor, but I stand on principle and I am representing the boys who were permitted to come home; also the boys who gave their lives for us. If I win I thank you in advance; if I do not get sufficient votes to elect me, I will be proud to know I did my duty and gave my Comrades and our Friends an opportunity to express their approval. I leave the matter with you, the Electors of Carleton.

Remember the dark days of the war! Remember your boys! We won. How will you respond?

You have three men you may vote for: will the Soldier candidate get one of your votes on Election Day? I am not against you; I am for you and my country. Give me your vote and the people of the Province will applaud you.

I will not be able to see you all before Election Day, but many of you know me already and a vote for me will be a vote showing appreciation of what the Boys did for us Overseas.

Yours faithfully,
(Sgd) S. G. BARTER,
Arundale, N. B.

September 21, 1920.

ANDOVER NOTES

Hon. J. F. Tweeddale of Arthurette and Fredericton was in the two villages during the past week.

W. B. Hoyt was a business visitor at Limestone several days last week.

Mrs. Charles Everett is visiting friends in Fort Fairfield and Houlton for a week or ten days.

At the cafeteria supper furnished by the Women's Institute and given in the Masonic Hall last Tuesday afternoon the sum of \$45 was realized. Proceeds to be used for institute work.

Gage Montgomery, who has been spending the past two months in Alberta, returned to Andover last Tuesday and is now working in the Hayward & Squires law office at Perth.

Mrs. Julia Sutton is spending a few days in Fredericton.

Mr. and Mrs. Abraham Smack who have been living on the Shepard Wright farm for the past two years will move soon in the T. R. Cameron house.

Mrs. T. Herbert Manser of Aroostook Jct. is appointed a delegate to attend the Women's Institute Convention to be held in Moncton October 12, 13 and 14.

Charles Walker of Everett, Mass., was a recent guest at the home of Mr. and Mrs. Alex Walker of Andover.

Mr. Walker returned to his home Friday.

Mrs. James Scott entertained a few ladies at the tea hour Wednesday afternoon.

Alex Stevenson of Perth has lately had his boot and shoe store enlarged and renovated, making it one of the finest shoe parlors this side of St. John.

Rev. A. E. Koehaly of Marysville was in the villages during the past week.

Miss Grace Porter was at Aroostook Jct. on business last Thursday.

R. W. Demmings and J. Miles McCrea was at Plaster Rock the early part of last week.

Percy Gaunter of Australia arrived at Andover last week and for a day or two was the guest of Mr. and Mrs. H. W. McAlary.

Mesdames Pickard and two children of Four Falls spent a day or two recently with Mrs. Wallace McLeod.

Manzer Gibson of Arthurette was in town Saturday.

At the Farmers' meeting Tuesday afternoon there was a large attendance. James E. Porter acted as chairman.

D. W. Pickett of Andover and George Warnock of Grand Falls offered themselves as candidates for the coming election.

H. F. Stewart's house in Perth is rapidly nearing completion.

Mrs. Isaac Green of Montreal who before her marriage was Miss Ada Gibson of Andover, with her little son were in town Saturday in company with Aubrey Gibson and Mr. and Mrs. Grant of Aroostook Jct.

Mrs. Green also visited her sister, Mrs. Charles Watson of Salmon River.

Mr. and Mrs. Roy Wetmore of Perth have moved into the John E. Stewart house in Andover.

Mildred Howlett of Cabano was in town during the past week.

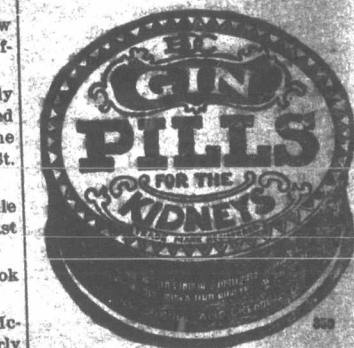

Rev. A. E. Koehaly, the pastor of the Andover Baptist Church, was recently married in Woodstock to Miss Florence Ritchie of Perth, daughter

of Bruce Ritchie. Miss Ritchie for years has been a valued employee in the N. B. Telephone co. and by her pleasant and lady-like ways made many friends who wish her and her husband many years of happiness. The young couple will reside at Marysville where Mr. Koehaly has been pastor of the Baptist church.

Mr. and Mrs. Guy Watson have lately moved to Jacksonville where for the future they expect to make their home.

The trial of Newman Clark has again been postponed, the date being assigned, November 30.

A large crowd was in town Saturday afternoon to attend Nomination meeting. Speeches were made by the Hon. J. F. Tweeddale, Messrs. McCluskey,

PRICE vs. VALUE IN SHOES

In buying shoes (and everything else as well), it's value you want. Imported shoes cost more because of the freight, duty and exchange. These things don't add to the value of a shoe. They only increase its cost.

This store has one mission in life. That is to give you the best value. Made-in-Canada Shoes are today better value, grade for grade, than shoes imported from any country. They reflect the very latest and best styles and shapes. The material is honest. Workmanship is high grade. And so, because the prosperity of this store depends upon service to our customers, we sell and recommend Made-in-Canada Footwear, knowing that we can thereby give you the best value and satisfaction.

TWEEDDALE and McCLUSKEY FOR VICTORIA

To the Electors of Victoria County, Ladies and Gentlemen:

In response to the urgent request of a large number of the electors of the County, We beg to announce that we will be candidates at the forthcoming election in this County in support of the present Local Government.

In doing so, we particularly call your attention to the great improvement to the roads of the Province during the past three and a half years, to the marked agricultural development, to the successful administration of the Crown Lands, to the creation of the Department of Health, and to the importance of the proposed hydro-electric development. The Prohibition Act as administered has been warmly indorsed by the people at the recent referendum, and the extension of the franchise to women for the first time merits for us the support of the lady electors in this contest.

We are deeply and keenly interested in the importance of having every possible assistance and encouragement rendered with a view to the advancement of agricultural interests. For the first time in the history of this Province this County has been honoured by holding the important portfolio of Minister of Agriculture. With the prestige and influence of that important portfolio at the present time, what benefit can possibly accrue to the farmers of this County, as well as to the people at large, by now electing the candidates of any other party?

The development of the Water Power at Grand Falls in the immediate future is assured, if the present Government is sustained, as we confidently expect it will be. No question of such vital importance to this County has been an active and live issue in a Provincial contest for many years past. Already a Commission has been appointed to deal with the matter of hydro-electric development, and legislation enacted last session shows the policy of the Government in the matter to be a bona fide one. We stand for an early and full development of this long standing water power. In the face of strenuous efforts of the Opposition, the Government at its last session passed legislation for the development of Water power at the Tobique Narrows. This will certainly result in a large increase in the population and a marked industrial development in the near future, which will redound to the interest of the County as a whole and particularly to the business interests of that community.

We believe it is of the utmost importance to the Province, and at this time particularly to the interests of this County, that the Foster Government be again returned to power, in order that it may be given a reasonable time and opportunity to carry out and develop the many advanced and progressive policies, already inaugurated or which it has in contemplation. Its record has been one of economy marked with a progress, which certainly merits the warm approval of all who have at heart the welfare of this County and the province at large. The absence thus far of any serious charges and of Royal Commissions to investigate the conduct of members of the Government stands out in marked contrast to the closing years of the preceding administration. On the record and platform of the Government we now appeal to you with confidence for your support.

We will advocate and warmly support any policy calculated to advance the interests of Victoria County, and in appealing to you for your support on October 9th we regret it will be impossible, with the very limited time at our disposal, to personally meet all of you to discuss the important issues involved.

We have the honor to be, yours faithfully,

J. FLETCHER TWEEDDALE
JOHN R. McCLUSKEY

THE CONTEST IN VICTORIA

GOVERNMENT SUCCESS IN COUNTY ASSURED

Work of the Minister of Agriculture on Behalf of Farmers is Highly Appreciated in His Constituency—Policy of Foster Government is Endorsed by Voters—Mr. Tweeddale's Good Record.

At a representative gathering of the government supporters in Victoria county Hon. J. F. Tweeddale, minister of agriculture and John R. McCluskey of Grand Falls were selected as government candidates for the forthcoming election. The selection of this ticket assures a rousing government victory in Victoria county and will be received with enthusiasm in every section of the county.

Hon. Mr. Tweeddale has for some fifteen years represented this county in the legislature. His record is well known to the electors and warmly commends him to their confidence and support. In the discussions of the larger public issues in the legislature he has always advocated sound policies in the interests of the province at large. At the same time for this county he has achieved results which will give not only immediate but lasting

Hon. J. F. TWEEDDALE
Minister of Agriculture

benefits. With the assistance of his late colleague, Mr. Burgess, he has promoted and secured legislation which has resulted in the power and electric development at Aroostook Falls. For the purpose of providing larger areas for settlement purposes in the development of the county it was necessary to secure more land. For that purpose a large portion of the New Brunswick Railway land was acquired. The difficulties involved in the undertaking were found in the fact that it became necessary to compel that company to sell and to induce the government to take over the lands. Time has shown the wisdom of this course, since the purchase price was \$38,000 and already from the revenue of these lands upwards of \$200,000 have been paid into the exchequer of the province. At the same time a large area has been settled and more is available to accommodate prospective settlers upon these, which are among the best agricultural lands in the province.

Hon. Mr. Tweeddale's experience and his political record in the legislature have won for him a place in the councils of the government and for this county the important portfolio of agriculture.

The benefits of his progressive policies in aid of agriculture are recognized throughout New Brunswick. Among the policies of his department for the utilization of the natural resources of the province may be mentioned the purchase of the large deposit of pure lime, with the installation of the most modern lime-grinding plants on the continent which are now supplying the farms in every part of the province with finely ground pure agricultural lime for which the delivered price is \$5 per ton, thus saving to the farmers in the remote sections from \$5 to \$7 per ton. The generous use of this lime will mean an increased production of twenty-five per cent in the field crops of the province.

Of the co-operative creameries established in the province, one Moncton, now in operation for only two years, has this year paid in cash for the cream within the radius of its supply a very large amount of money. In order to supply wheat millers of the most modern type the bonus has been raised from \$500 to \$1,000 for a mill of fifty barrels per day capacity. Six such mills have been erected during his administration of the department and the province is now equipped with a sufficient number of mills to meet all the requirements of the farmers throughout the province. Other important policies too numerous to mention have been inaugurated by his department.

While Mr. McCluskey is a new man on the ticket and has had no experience in public life he is well and fav-

orably known among the business men of this town and will certainly make a useful and creditable representative of this county in the next legislature.

The opposition statement yesterday that Hon. Mr. Tweeddale was present at the farmer's convention at Andover is ridiculous as he was not present and neither authorized nor influenced any person to propose his name to the meeting.

ELECTION CARD

To the Electors of County of Carleton, Ladies and Gentlemen: We the undersigned candidates in support of the Provincial Government courteously solicit your support in the general election for our Province.

The Foster administration deserves the support of the people of this county and province. It is not necessary or convenient to give details why but the following are ample reasons:

1. That in spite of the hard conditions imposed by the Great European War the credit and financial standing of our province has been maintained, and better showing made in these matters than many of the provinces of the Dominion.

2. The Foster Government has spent nearly four times as much on the roads and bridges of the country than the former government, the total of the last three years of the old Government was slightly over one million dollars, whereas the present administration in like period has spent over three and one half million dollars. The permanent work in Carleton County speaks for itself.

3. Agriculture has received special attention, the Government has co-operated with the farmers in the purchase and marketing of live stock, the ordinary work of the department has been improved and extended. The policy of getting ample supply of crushed lime rock for the farmers at a low cost should appeal to all. What say you of the assistance given the Woodstock Exhibition? Every elector is familiar with those fine buildings and equipment.

4. The Crown lands are our chief natural asset. In place of the old haphazard methods these lands are being classified and every dollar of the stumpage collected. Under the increased stumpage the revenue for the present fiscal year is placed at \$1,500,000.

5. The scope of education has been extended by establishing Vocational Schools, Carleton county boasts the finest of its kind in the province. Salaries of teachers have been increased, insuring a supply of efficient teachers for the country schools.

6. Ladies of Carleton County, the Foster Government gave you the right to vote in this election. Will you not give that Government your support?

7. Among other good and progressive legislation may be mentioned the Public Health Act. Remember its services in the time of the "Flu" epidemic. The Jury Act, the Workmen's Compensation Commission, and legislation enabling the water powers of the province to be developed.

Ladies and Gentlemen, the time is too short to enable us to visit you personally. If you will favor us with your votes on election day, we assure you to give this county our best attention. Remember that the Foster Government will be returned and it is of vital interest to this county to elect supporters of that Government.

Yours faithfully,

ROBERT L. SIMMS
M. E. COMMINS, M.D.

MAJ. HOOPER FOR SOLDIER-CANDIDATE

St. John, N. B., October 3.

Dear Editor:

May I beg of you the courtesy of space sufficient for a few remarks with regard to the Election on Saturday next.

I am not a party man. I want to see the best and strongest possible Government of strong, clear-headed, clean-hearted men, well led.

It is also my judgment, highly desirable to have a small body of men pledged neither to the government nor to the opposition—Independents, as they are called.

I am especially interested in the Candidature of Mr. S. G. Frier of Avondale. I have the pleasure of knowing this candidate personally. I have also read with great satisfaction his letter addressed to the electorate of Carleton County. To my mind Mr. Barter appeals, as a man of good judgment, sound common sense, and unimpeachable character. To my heart he appeals as representing a body of men, who by their splendid qualities, their heroism and endurance, have written the name of Canada in imperishable characters on the page of the World's History. I refer of course to the glorious Canadian Expeditionary Force. The fact of hav-

S. G. BARTER
The Soldier-Candidate

ing served as a soldier in the "Great War" does not of necessity qualify a man to represent his county in the "Provincial House", but if Mr. Barter possesses the qualities and qualifications I have named (and I believe that he does possess them in full measure) then assuredly he ought to be able to count upon the united support of all returned soldiers in Carleton county and also upon a large measure of support from men and women of the county who realize what they owe to the deathless army of Canada. I would much like to see the "returned soldiers" ably represented in our Provincial House.

I have ventured to write this letter, entirely unknown to and unsolicited by Mr. Barter, the returned Soldier Candidate, just because I know he is in the field and because he is one of those whom I have served throughout the War as "Padre" and since the war in the hospitals of our Province. I know them and I love them.

I am, Mr. Editor, with warmest thanks for your space,
Yours faithfully,
E. Bertram Hooper
Late Hon. Maj. C. E. F.
Still the "Soldiers Padre," as Chaplain of "K" Unit, D.S.C.R.

KING COLE TEA

"YOU'LL LIKE THE FLAVOR"

Ten Years After

Ten years ago the first packages of KING COLE TEA were packed and put on the market. The time that has elapsed since then has been filled with hard work and with many difficult situations to be met and overcome. But withal, it has been a period of unquestionable, steady and persistent progress. KING COLE TEA has never looked back. Every year has brought its increase. Today its sale is ten times greater than the first year's business. This is the public's remarkable tribute to the worth of KING COLE TEA. It speaks for unusual service.

THE OBSERVER

Published every Thursday in the interests of Carleton and Victoria counties from the office in the Town of Hartland, N. B. Liberal in politics and practicing the apostolic injunction to "Provide things honest in the sight of all men." Owned by The Observer Limited, Fred. H. Stevens, Editor and Manager. Branch office at Grand Falls.

SUBSCRIPTIONS, in Canada, \$2.00 a year; in the U. S. \$2.50, cash. The paper will be sent until a written order to discontinue is received and all dues are paid.

ADVERTISEMENTS: Small ads of 30 words or less will be inserted one week for 50 cents, 3 weeks for \$1.00. Rates for larger ads on application. All forms of announcements except births, marriages, deaths and church services must be paid for.

Items and correspondence on live local topics are invited. Address all communications and make all orders payable to Observer Limited, Hartland, N. B.

HARTLAND, N. B., OCTOBER 7, 1920.

THE ELECTION

At the stage of the campaign it is apparent that the Foster government will be sustained with an increased majority. Carleton county should return at least one supporter, as Opposition members can secure few favors, and a government has no cause for gratitude to a constituency that votes against it. Right or wrong, this is the bare fact. Hence, vote for a farmer or a soldier if you want to, but first see that one of the government candidates gets a vote.

The Opposition denounces the Government on the old threadbare argument of "incompetence and extravagance." The claim is not backed up by a single concrete instance, and in all ways the opposition's criticism of the government is weaker than is usually the case in general elections.

INSULTING THE FARMERS

B. F. Smith and his supporters, the discredited Opposition, insults the intelligence of the Farmer candidates in the assertion that they need his practiced art to initiate them in their legislative duties. Smith is a "politician" with a reputation wider than the province and it is a reputation no man covets, and no honest man would submit to training in the school that made B. F. Smith notorious. The three Farmer candidates are asking themselves which of them is the Jonah—which of them is the biggest fool in Mr. Smith's opinion.

TARIFF ON POTATOES

(Aroostook Daily News)

Aroostook potato prices have dropped to \$1.50 per barrel, which will hardly pay for the fertilizer some Aroostook farmers used to produce their crops. Aroostook is seriously feeling the need for a protective tariff—Partridge Express.

But is it the lack of a protective tariff that has forced the price of Aroostook-grown potatoes down to the present level?—Blidford Journal.

If you ask us, we'll say it is not. It is the operation of the law of supply and demand. That great law is working this year as it did last year and the year before last and all the years since Adam's son Cain began tilling the soil.

Last year there were not enough potatoes raised in the United States to supply the demand and the produce dealers of the western states flocked to Aroostook to secure potatoes for their markets. As a result of the unusual demand the price was high, very high, even with no protective tariff. This year, just at present, there is an oversupply of potatoes owing to good crops everywhere in the United States, north, south,

east and west, and as a result the price is low.

At "digging time" potatoes are almost invariably lower in price, a large number of the growers, selling their crops rather than placing them in storage, thereby throwing a very large quantity of potatoes on the market, creating an oversupply, a fall of no tariff.

Up to the present time, according to reports of the Government Bureau of Markets, the imports from Canada have not exceeded fifteen cars per day, which, spread over the whole country is not a drop in the bucket. No potatoes have not as yet come in from foreign ports (we can hardly call Canada foreign), in fact we have been exporting fully as many potatoes to Cuba as we have been importing from Canada. In spite of this the price of potatoes is dropping lower each day but it is not the lack of protective tariff that has forced the price "down" this year any more than it forced the price "up" last year. This year there is overproduction; last year there was underproduction and the application of the law of supply and demand governed the price last

ROYAL YEAST CAKES

There is more energy in a pound of good bread made in the home with Royal Yeast Cakes than in a pound of meat. Breadmaking is a simple operation and requires no previous experience. Full instructions in Royal Yeast Bake Book, mailed free on request.

E. W. GILLETTE CO. LTD. TORONTO

year and will again govern it this year.

Aside from the fact, however, we are in favor of protective tariff on potatoes for the same reason perhaps that the Journal may be in favor of a protective tariff on cotton goods. Our farms, our crops, our farmers, our laborers, need protection to stabilize prices in years of overproduction to prevent foreign countries from raising potatoes expressly for our markets, even though we did have the highest prices on record last year and four years ago without a protective tariff.

Stone crocks are the ideal containers for butter, eggs, meats, bread cakes, etc. They keep food sweet and clean. Carr sells them.

Dedication of Victoria Church

The new Reformed Baptist Church at Victoria is to be dedicated Oct. 17. A general invitation is extended to pastors and people, as well as to the public round about. Rev. P. J. Traflet, a former pastor who was instrumental in building up the church at Victoria, spiritually, and adding a considerable number to its membership, has been invited to preach the dedicatory sermon and H. S. Mullen to preach in the afternoon service. The preacher for the evening service will be selected. Prayer is asked that Oct. 17 may be a wonderful day at Victoria, and that many may receive a great spiritual uplift.

MOUNT PLEASANT ITEMS

Charlie Wason and Walter Clarke returned home from Nashua, where they succeeded in getting a moose and two deer.

I noticed in Bristol items the account of a large potato and cucumber. Randolph Rideout has got a potato weighing two lbs. nine ozs. and Harry Foster has a cucumber weighing two and a half pounds. Anyone wishing to see them by going into H. M. Foster's store.

Every 10c Packet of

Local News and Personal Items

The Observer asks every reader to help make this page interesting by contributing any local news or personal items they may know about. The editor must depend on the parties interested to supply items for this page. Don't hesitate to send personal concerning yourself and your family; we want them all. Don't blame the editor if what you expect to see is not here if you have not freely taken the pains to see that the editor was informed of the item. Anything in the nature of advertising appearing in these columns must be paid for at the usual 5 cents a line. This applies to Cards of Thanks, Announcements of Marriages or Deaths, For Sale, Wanted, Lost, Found, etc. Charged items will be 10 cents a line. Better send the money with the item, counting six words as a line. No ads. less than 25¢ a week.

Vote early.

Chautauque, Oct. 20-22.

Some fine weather for potato digging this week.

Miss Beulah Snow of Lowell, Mass., is a guest of Mrs. W. P. McMullin.

The Foster government gave the women of New Brunswick the right to cast their votes.

Mrs. J. C. Day has gone to spend a few days with her cousin, Mrs. Milton Curry at Tracey station.

Mrs. J. D. Shaw has returned from Upper Woodstock where she had been visiting her daughter, Mrs. James Rogers.

For sale—The concrete building near the station at a reasonable price. Apply to Mrs. Warren Rideout, Somerville.

George Rideout of Somerville has bought of C. E. Barnett that portion of his farm known as the Cyrus Shaw place.

The Opposition has only 25 candidates in the field, hardly enough to control the legislature even if every one was elected.

The Carleton-Victoria Teachers' Institute will meet in the Fisher Memorial School, Woodstock, on Thursday and Friday, November 4 and 5.

S. R. Hatfield, the young merchant of Windsor, was here on Monday. He is going into business determined to make a go of it and will likely be successful.

W. P. McMullin and his daughter, Mrs. F. A. Allen, were at West Florenceville on Tuesday in attendance at the funeral of a relative, Mrs. Samuel Darkin.

Purina Pig and Cow Chow is a funny name but that's what they call it and it's one of the best feeds for pigs and cows we have ever had. Have also Bran and Shorts—at Carr's.

Mrs. M. L. Hayward, the smallpox victim, is making rapid recovery and there is little fear of any other cases developing. The diphtheria patients are also convalescent, with no new cases.

Patrick Culbert has sold his farm below town to W. Guy McCollom who will come from Ashland to take possession of his new property at once.

R. L. Simms, government candidate addressed a Hartland audience on Monday, making the welcome announcement that the Simonds-Peel ferry would be free to the public until the close of the season.

The Standard presents as the greatest of the crimes of the Foster government the "taking of money collected for other purposes and putting it into ordinary revenue, and then spending it." Instead of putting into ordinary revenue money collected for other purposes, the old government put it into a party campaign fund, to be spent in debauching the electorate. Which, think you, is the more serious offense?

Have you brought your Chautauque

Mr. J. F. Murdoch continues to steadily improve in health.

Sausages, Ham and Bacon. The kind you like for sale at Carr's.

Mrs. Lemuel McLean of Marysville is a guest of Mrs. Ruth McMullin.

G. I. Sealey of Aroostook Jet. was in town this week doing electrical wiring.

Lost—A chain of an auto truck between Hartland and Hale. Finder please leave at The Observer office.

Mr. and Mrs. E. R. Marich and children of Bristol will leave on Saturday for Europe. They expect to spend the winter months on the island of Malta, Mr. Marich's former home.

Church of England Harvest Thanksgiving service at Beaufort on Sunday morning at 10:30 with Holy Communion, at Glassville at 2:30 with Holy Communion. Service at Hartland at 7:30.

On Tuesday Mrs. W. F. Thornton, Arthur Thornton, Mrs. I. A. J. Ward and Weldon Ward, in one party, Mr. and Mrs. Kenneth Keith and Mrs. W. D. Keith in another motored to Houlton.

Mrs. B. Hayden Shaw of Hartland, returned home Tuesday afternoon from a visit of one week with Mrs. Penton P. Foster and Mrs. H. Smith Dow of this town.—Fort Fairfield Review.

Dudley T. Day, manager of The Plymouth, is winning praise for the satisfaction he is giving the public at that popular hostelry. The service is now even better than ever before.—Fort Fairfield Review.

The "overcoat races," which will be held at Woodstock, October 7 and 8, Thursday and Friday, should be of much interest if the weather is fine. There are six classes planned out, each with a \$500 purse, also a \$1,000 free-for-all.

George Simms of South Knowlesville brought to The Observer office on Monday two cucumbers which together tipped the scales at 4 lbs 9 oz. One of them alone weighed 2 lbs. 8 1/2 oz., beating the big cucumber reported from Bristol by four ounces.

S. W. Smith offers \$23 for pulp wood and is shipping in Canadian cars, or \$1 more if loaded in foreign cars; is also contracting for green pulp for next winter delivery. Better consult him before disposing of your pulp wood.

It is well known that it is cheaper to run one large house than several small ones. It is the same with factories. The establishment that employs a thousand men can be run cheaper than two or three small ones that only employ 25 or 50. Simmonds Ltd. are the largest manufacturers of beds and bedding in the British Empire, consequently can sell cheaper than the smaller companies. Carr sells their goods. Get his prices before purchasing.

Your ballot will be all right if it bears the names of one or both of the Government candidates.

For Sale—Hackney Colt Foal, a good one. Mrs. Polonium. Apply to J. B. Donkin, Hartland.

The services of the Kenyon Evangelistic Party closed at the United Baptist Church on Monday evening. The meetings were well attended and, it is hoped, will prove productive of much lasting good.

Mrs. Kinney, wife of Capt. B. O. Kinney, M. D., arrived here last week after the long journey from St. Lucia, British West Indies, where her husband has been serving the Imperial government for more than a year. Mrs. Kinney is the younger daughter of Dr. and Mrs. Curtis and will remain at their home until her husband completes his government engagement. She brought home her little child, born at St. Lucia less than a year ago.

Mrs. Charles E. Foster

The death occurred at Lansdown on Sept. 7 of Mrs. Charles E. Foster after a long illness of dropsy. She lived at Lansdown more than 40 years and will be greatly missed. She leaves two sons, John and Eddie, and three daughters, Mrs. Samuel Tompkins of Suckney, Mrs. William Montgomery of Glassville, and Mrs. W. M. Campbell of Caribou.

Funeral services were conducted by Rev. G. A. Giberson assisted by Revs. H. V. Bragdon, Earl Giberson, Mr. McLennan and R. Foster. Her remains were interred at Lansdowne beside those of her husband who died four years ago.

CARD OF THANKS

We would like to take this opportunity of thanking our friends who were so kind to us during the brief sickness and death of little Reta, especially those who sent flowers. A wreath from H. D. Keswick and family, spray of roses, Mr. and Mrs. H. H. Hatfield and Miss Helen Raymond; pillow from family; flowers from the "Canadian Girls in Training", Miss Porter and others whose names we did not get, but we wish to thank them just the same.
