REPORT OF THE COUNCIL
OF THE
Dominion of Canada Rifle Association.
1885.

The Council in submitting the Eighteenth Annual Report of the Proceedings of the Dominion of Canada Rifle Association feel it to be their first duty to tender the thanks of the Association to all its supporters, and especially,

To His Excellency the Governor-General, the Marquis of Lansdowne, for his liberal donation to the Prize Fund, and for the encouragement to Rifle Shooting, by his gift of Silver and Bronze Medals to the several Provincial Rifle Associations.

To the Government and Members of the House of Commons for the liberal grant voted to the Association at the last Session of Parliament.

To the Hon. Minister of Militia and Defence, Sir Adolphe P. Caron, K.C.M.G., M.P., for his continued interest in the Association.

To Lt.-Colonel Ouimet for his donation of \$100 to the General Prize Fund.

To Major-General Sir Frederick Middleton, K.C.M.G., for his prize of \$50.

To the President and Directors of:

The Bank of Montreal for their	5th	year's	donation.

To Colonel Wilson, of Bannockburn, Scotland, for the gift of a handsome Silver Jug for competition amongst the Marksmen of Canada, who had shot at Wimbledon.

To Mr. Steward, Optician, 406 Strand, London, England, for the gift of a Cup.

To the Canada Club of London, the thanks of the Association are also due for again presenting to the Wimbledon Team a handsome Silver Cup as a prize for the highest aggregate score, which was won by Staff Sergeant Ashall, of the 2nd "Queen's Own Rifle" Battalion, Toronto.

It is to be hoped that the continued success of our Marksmen at Wimbledon, (winning as they did last year, besides many other prizes, five places in the second and three in the third stage of the "Queen's," an achievement never before effected,) will convince the supporters of the Association that their aid has had good results, and will encourage them to continue the same in the future.

The Annual Matches on the Rideau Ranges also proved to be a splendid success, both as regards the numbers entered, and the regularity with which they were conducted. Not a single protest was recorded during the entire meeting, and the Treasurer's statement will show that the financial result was satisfactory:—The number of competitors, was slightly under that of the previous year (owing doubtless to the many marksmen away on active service in the North-west), but the entries were six hundred and eighty three more than in 1884, as the following comparative table will show.

As recommended at the General Meeting of 1884, a Standing Match at 200 yards was added to the programme, and the Pistol Match was enlarged. The Middleton Match was a new feature.

At the ranges, previous to the matches, the firing points were all newly levelled and the butts repaired, and the improvements were thoroughly appreciated by the competitors, many of whom expressed great satisfaction thereat.

In the Military Matches, although there were a less number of entries than in the previous year, the firing was far ahead of that of former years; for example the “British Challenge Shield” Match, which was won in 1884, with 37 hits and a score of 160; was won in 1885 with 65 hits and a score of 241, and out of the 900 rounds fired by the nine corps competing, the hits made were as follows:

240 Body Hits,
146 Head Hits,
53 Upper Hits,

439 Total Hits, with nine corps competing, as compared with 424 hits made by fourteen corps, or 25 men more in 1884.

In the Gzowski Match, the same nine corps firing 1,350 rounds (Skirmishing 20, Volley Firing 5, and Independent Firing 5 rounds), the following results were obtained:

S.	V. F.	I. F.
248	70	73 Body Hits,
115	34	46 Head Hits,
50	15	23 Upper Hits.

413 119 142 Total, 674 Hits, with 9 corps,
as compared with 664 “ “ 14 “

In view of the probability of Sighting Shots being abolished, as strongly recommended at the Annual General Meeting held during last year's matches at the Rideau Ranges, it will be necessary to arrange for further target accommodation for extra series and pool firing, which the Council think can be effected by utilizing the old butts where the "Brunel" targets were, and putting in, say, half a dozen new targets.

The Prize List, thanks to the continued support given to the Association, was last year again very materially enlarged, and the increase in the number of entries in the Martini and "Extra Series" matches, shows that the competitors thoroughly appreciated the augmentation.

The Council desires to draw the attention of the Association to the remarks of Colonel Ross in his report on, and letters connected with the management of last year's Wimbledon Team, especially with reference to the advisability of our Marksmen having more practice and becoming more familiar with the use of the Martini, particularly at long ranges. That arm is now used altogether at Wimbledon; our shots can win places in the second and third stages of the "Queen's" Prize, but can never hope to pull off that Grand Prize, with the limited practice they can now obtain at the long ranges.

Dr. Horsey, Surgeon, G.G.F.G., assisted by Dr. Grant, Jr., Assistant-Surgeon, G. G. F. G., attended throughout the meeting as medical officers, without any remuneration, and although there was no case calling for their skill, the thanks of the Association are due to those gentlemen for the time so generously given, and the Council cannot close this portion of their report without thanking Major Macpherson, G.G.F.G., Executive Officer, the Range Officers and the rest of the Staff for their assiduous attention to their duties.

FINANCE.

The Treasurer's statement of the finances of the Association, duly audited, is submitted herewith.

The receipts from all sources for the year amounted to \$16,823.91, which, with the balance of \$1,373.77 carried forward from last year, makes a total on the credit side of \$18,197.68; while the expenditure amounted to \$16,877.97, leaving a balance of \$1,319.71 in favor of the Association.

This is independent of the balance of \$217.61 at credit of special account, carried forward from last year, held on account of Provincial Prizes (Marquis of Lorne donation). The Province of Prince Edward

Island having qualified this year competed and received the distribution of \$100, leaving a balance of \$117.61, and \$5.60 interest thereon, being a total of \$123.21 at credit of that account. The Province of British Columbia having yet to qualify for the competition, the accrued interest will be distributed proportionately to the provinces which may become entitled to the same.

The affiliation fees from Rifle Associations amounted to \$655, as against \$631 in 1884, an increase of \$24, the number of Rifle Associations affiliating this year being as follows:—Provincial Rifle Associations, 7; County and other Rifle Associations, 40.

Members' fees for the year amount to \$202, as against \$230 in 1884, a decrease of \$28.

The amounts received from Associate Members was \$278, an increase this year of \$11 as compared with 1884.

The receipts from "Special donations," "Banks" and "Manufacturers" amounted to \$1,700, as against \$1,992 received in 1884, a decrease of \$292.

The entry fees this year, including sighting shots, blow-off tickets, pool gains, post entry fees and fines, amounted to \$3,125.64, as against \$2,917.10 in 1884, an increase of \$208.54.

Comparison of the items on the debit side of the account with those of 1884 shows some fluctuations. The expenses connected with the Wimbledon Team being more than last year, a reference to the details of the expenditure will explain this excess.

The cash prizes this year, it will be observed, amounted to \$6,023.03, exclusive of the \$100 "Special Provincial Prizes." being \$748.07 more than the amount distributed in 1884.

The details of the disbursements made by Lieut.-Col. Ross, commanding the Wimbledon Team of 1885, will be found in the appendix.

REPORT OF
LIEUT.-COL. ROSS,
COMMANDING WIMBLEDON TEAM, 1884.

OTTAWA, 7th NOVEMBER, 1885.

SIR,—I have the honor to report that, in obedience to orders, I took command of the Wimbledon Team of 1885 on Tuesday, the 23rd of June.

The team was ordered to assemble at Ottawa on Monday, the 22nd of June, to commence practice previous to sailing.

The members were all present with the exception of Captain Corbin, 63rd Battalion. He was on his way from the North-West, where he had been serving with his battalion, and was permitted to join his comrades on the steamer at Rimouski.

The practice of the team may be considered only moderately satisfactory during the week here; the latter part was carried out under the supervision of Captain Clark, 90th Battalion, who had been appointed Adjutant.

We left Ottawa on the evening of Friday, the 26th of June, embarking on the "Parisian" on Saturday, the 27th of June.

The voyage to Liverpool was a most agreeable one; Dominion Day was duly celebrated. The efforts of the team to amuse their fellow passengers were much appreciated.

We arrived in Liverpool on Sunday morning, the 5th of July. The team remained there until Monday, when they proceeded by L. & N. W. Railway direct to Wimbledon. I remained in London to make arrangements as to banking, &c.

Immediately on reaching Merville, I addressed Lord Ranelagh, K.C.B., commanding 2nd South Middlesex Rifles, by letter and telegram, announcing our arrival, requesting he would be so kind as to arrange for the use of the ranges of his regiment, as alluded to in Lieut.-Col. White's report of last year. Owing to unforeseen circumstances, the ranges referred to were not available at the time we wished. How-

ever, through Lord Ranelagh's kindness and the zeal of his adjutant, Major T. S. Clarke, King's Royal Rifle Corps, the team were allowed the use of the ranges at Caterham for one day only (Thursday). We availed ourselves of the kind offer, and the indulgence granted was of great benefit.

Through the courtesy of Col. Lumsden and the officers of the London Scottish, the team were made honorary members of the regiment, and as such used their ranges to a limited extent for a day or two. On the whole, the practice obtained during the week was unsatisfactory.

Whilst in the camp, I took opportunity to return the thanks of the D. R. A. to Lord Ranelagh and the officers of the 2nd South Middlesex Rifles, and to Colonel Lumsden and the officers of the London Scottish, for their unbounded kindness to their brother riflemen.

The team were entered for eighteen matches and sundry pools. The item of expense may be considered large, but to give the men a chance of more practice it was thought advisable to afford them every opportunity; the results proved the wisdom of my action.

The weather during the whole of the meeting was beautiful.

The firing of the team during the first week was very good, as the results proved.

In the "Queen's," by their steady work, *five* got places in the "three hundred," which is a victory of itself, when it is taken into consideration that nearly 3,000 men competed for places in this match, and Canada had but twenty representatives.

In the latter part of this match, *three* got into the "sixty."

The closing stage of this most interesting contest demonstrated beyond cavil that our marksmen are at a great disadvantage firing at the long ranges, for two reasons, viz.—the want of practice, and their limited knowledge of the use of the Martini-Henry.

I regret that it did not fall to the lot of the team of 1885 to bring back to Canada the Kolapore Cups. It must be admitted that we were fairly beaten. The teams drawn up against us were the most powerful that could be selected. The greatest impediment to the Canadians winning was the peculiar state of the atmosphere, caused by excessive heat, and again cropped up the want of practice with the Martini-Henry. I must not omit to note a new feature in this competition; a money prize of £25 sterling has been added to the cups. Colonel Burt with very good humor hinted to me that our chances of winning in the

future were small, first by reason of the money prize, and again evidently by the want of practice with the Martini-Henry. The Channel Islands teams were very strong; next season it is almost a certainty that an Australian team will be present to compete.

His Royal Highness the Duke of Cambridge inspected the team on Saturday, the 18th of July. As usual, he expressed his pleasure in once more seeing a contingent from Canada at Wimbledon, and holding such positions in the scores. His Royal Highness was most flattering in his expressions of pleasure at the success of the Canadian arms in the North-West. I endeavored in my humble way to return thanks for his kind words towards our fellow soldiers of the Canadian Militia and ourselves.

On Thursday, the 23rd of July, the Canada Club, with their usual kindness, requested Sir Charles Tupper, C.B., K.C.M.G., to present to the winner thereof, Staff-Sergeant Ashall, 2nd Queen's Own Rifles, a very handsome silver cup.

I availed myself of the opportunity to invite to a garden party as many Canadians as I could find, and other English friends; and it was in their presence that Sir Charles Tupper presented the cup, accompanied with very many kind words.

In returning thanks to the Canada Club, I took the opportunity to tender to Sir Henry Wilmot, Bart., V.C., Captain St. John Mildmay, and all the Wimbledon staff, my thanks and those of the team for numberless acts of kindness extended to us. From unforeseen circumstances, no reporter was present; and I feel constrained, for many reasons, to place on record a remark which fell from Sir Henry Wilmot in the course of his speech. It is as follows:—

“I consider the team now before me the best that ever stood on Wimbledon Common. For justification of my remarks, I have only to point to the prizes.”

The team regretted that it was impossible, from other engagements, for Her Royal Highness the Princess Louise and the Marquis of Lorne to visit the Canadian camp.

Owing to the late campaign in the North-West, the Canadian camp was thronged with visitors from early morn to late at night. By means of a few photographs and war weapons, we endeavored to enlighten our guests as to the kind of foes our Canadian army had to contend against.

In thanking the officers, non-commissioned officers and men of the

Volunteer force of Great Britain for their unnumbered acts of kindness, I have only to regret that it was not in my power in any adequate manner to repay such attention.

I must not omit to thank Reuter's representative, the correspondents of the *Globe*, *Mail*, and other papers for their great courtesy.

The Adjutant of the team, Captain Clark of the 90th Battalion, Winnipeg, was of the greatest assistance to me, and his knowledge of rifle shooting, in all in its phases, conducted in no slight measure to produce the results which the team of 1885 may cite without blushing.

I cannot close without alluding to the soldierly bearing of the team; their conduct and unstinted attention to my wishes and orders was most pleasing and gratifying.

I annex hereto copies of sundry communications I have addressed to the chairman of the Council, bearing on the Wimbledon team.

The account current is also annexed.

I have the honor to be, Sir,

Your obedient Servant,

THOS. ROSS, Lt.-Colonel,

G. G. Foot Guards,

Commanding Wimbledon Team of 1885.

Lt.-Colonel

THE HON. GEORGE A. KIRKPATRICK,

President,

Dominion Rifle Association,

&c., &c., &c.

OTTAWA, 31st OCTOBER, 1885.

SIR,—I have the honor to transmit herewith a memo. *in re* Wimbledon, which I wish you to submit to the Council at its approaching meeting. This memo. and the suggestions contained therein have been arrived at after much consideration by Capt. Clark and myself. There are several other points to be considered. My mind is not sufficiently formed to commit these to paper at the present. They will form the subject matter of another communication.

I have the honor to be, Sir,

Your obedient Servant,

THOS. ROSS, Lt.-Col.

Commanding Wimbledon Team of 1885.

The Chairman of Council,

Dom. Rifle Association.

MEMO.—*Re* WIMBLEDON TEAM.

It would be desirable that the programme of the National Rifle Association for the year be on hand at Ottawa before sailing of team, so that each member could have a copy for study on the voyage.

It is under consideration to hold a Scottish National Meeting next year. If this is arranged I would suggest that the team be sent over in time to take part in it as the best means of preliminary practice. It is intended that the meeting take place one week before Wimbledon. The members of the team should pay their own entry money for this meeting.

In event of no such meeting taking place I would suggest that early correspondence be opened with the London Scottish or other corps, so that facilities for practice may be open on arrival. I consider practice in England of more importance than the practice at Ottawa before sailing.

I would suggest that the Department of Militia issue a quantity of arms (M. H.) to each battalion sending competitors to Ottawa, the commanding officers issuing same to competitors and being responsible for their custody.

The M. H. rifles should be in the hands of the "twenty" from the end of the meeting at Ottawa, and the practice ammunition should be served at same time.

Competitors have not always time in the Spring to fire the quantity allowed.

To be successful at Wimbledon competitors require to be using the M. H. rifle constantly.

The issue of these rifles to battalions in correspondence to the members going to Ottawa would enable the Dominion meeting to be shot over with M. H. rifles as at Wimbledon.

The best results at Wimbledon are usually obtained by those who have been frequent visitors there. I would therefore suggest that the *highest ten* each year be chosen without restriction, and that the system at present in operation be applicable only to the *lower ten*.

To win the Kolapore Cup or even to take second place requires veteran shots of long experience. Young hands as a rule do not make the best team men.

Only the oldest and most reliable shots are year after year selected for the home teams.

It would be desirable that greater facilities be extended for practice at 800 and 900 yards in view of competitors getting into the Queen's "sixty." It would, in my opinion, be better to use the time before sailing in practice at these ranges. Our men have proved that they can get into the "sixty" at the shorter ranges, but without long range practice they can never win the Queen's prize.

To prevent discussion on a most unpleasant topic I recommend that the Treasurer prepare a schedule of the allowances that will be made to competitors, both officers and men, for their journey home from Quebec before the team leaves Canada.

I would also suggest that it be expressly laid down whether the officers attached to the team as Commandant and Adjutant are to be allowed their expenses to Wimbledon and return to Liverpool. I think it is a justifiable expenditure.

THOS. ROSS, Lt.-Colonel,
Commanding Wimbledon Team of 1885.

— — —
OTTAWA, Nov. 3, 1885.

SIR,—With reference to my letter of the 31st inst., I transmit herewith a further memo. *in re Wimbledon Team*, with a request that the same may be laid before the Council at your earliest convenience.

I have the honor to be, Sir,

Your obedient Servant,

THOS. ROSS, Lt.-Col.
Commanding Wimbledon Team of 1885.

THE CHAIRMAN OF COUNCIL,
D. R. A., Ottawa.

— — —
MEMO *in Re* WIMBLEDON TEAM.

It is submitted as worthy of discussion that the present system of division of Prize Money be abolished, and that the prizes go to the winners.

The men who work hard should get what they earn ; those who go to Wimbledon for a holiday would see the necessity of making greater efforts in shooting. The Kolapore money should always be divided when won ; this would secure the best men for the Team.

I would suggest that the Secretary of the Dominion Rifle Association place himself in communication with the authorities who have control of Ranges in the vicinity of London, with a view to obtain the use of a Range for practice immediately on the Team landing in England even if the Dominion Rifle Association have to pay a fixed sum per annum for the accommodation. It is most pleasing to receive offers for the use of Ranges from the different Regiments, but it would be more useful if we were independent of such hospitality. My experience leads me to believe in the superiority of a week's practice in England to a week devoted to that duty in Canada.

The accommodation at Wimbledon is most ample, in fact a part of it is on too large a scale. I would recommend that a smaller marquee be provided for the Commandant. I would have a marquee pitched solely for the use of the Team. In that I would provide sufficient furniture to make it comfortable. It should be used as a mess tent. I cannot but think that the comfort of the Team would be materially added to if an arrangement could be made for messing together.

The Secretary of the Dominion Rifle Association might place himself in communication with Bertram & Roberts, and ascertain if such a scheme was practicable, and the cost thereof. The advantages that would ensue from such an arrangement are manifest to any officer who has had command of a Team. An alteration would have to be made in laying out the camp. No additional expense would be incurred, for by using only one marquee for the Commandant a saving of £1 15s. stg. would be effected.

ANNUAL GENERAL MEETING.

OTTAWA, 1ST SEPT., 1885.

The 3rd Annual General Meeting of the Dominion Rifle Association was held on the range on Tuesday, 1st of September. The chair was occupied by Lieut.-Colonel Kirkpatrick, President of the Association, and there were present Major General Laurie, Lt.-Col. Lamontagne, Captain Hood, Lt. Col. White, Captain Gourdeau, Lieut. Abbott, Major Blaiklock, Lieut. Ibbotson, Lieut.-Col. Macdonald, Captain W. C. Macdonald, Lieut. Tidswell, Captain Barnhill, Major Macpherson, Major Anderson, Captain Perley, Lieut.-Col. Gibson, Lieut. Patterson, Capt. James Adam, Captain P. Jackson, Lieut.-Col. O'Malley, Captain Jos. Edwards, Captain Hartt, Lieut. Sims, Captain Chagnon, Lieut. Jameson, Sergt. Anthony, Captain McDougall, Lieut. H. H. Gray, Staff-Sergt. Wynne, Private Clarke, Major Cates, Lieut.-Col. Macpherson, Private Rose, Sergt. K. Mathews, Piper Clarke, Lieut.-Col. Bacon and many others.

The minutes of the last year's meeting were read and confirmed.

INFORMATION FOR MARKSMEN.

Captain Macdonald, Q. O. R., moved that it be recommended to Council that in future the annual report of the Association should be sent to each competitor desiring a copy, and leaving his address with the Secretary.

Lieut.-Col. White, 43rd Battalion, suggested that the report be sent to commanding officers of battalions.

Captain Perley, H. Q. Staff, was opposed to this, unless the commanding officers became members of the Association. He said there was a lamentable lack of interest in rifle shooting.

Captain Sims, 3rd Victoria Rifles, advocated that copies be sent for distribution among the different rifle associations.

The Chairman pointed out the good that might result from a wider distribution of the reports. He thought that an Association such as this, which distributed \$6,000 annually in prizes, should have a membership of more than 100, which was about the number of full members at present. A thousand would be more like the proper number.

After discussion on a suggestion made by Captain Edwards, 3rd Victoria Rifles, that copies of the annual programmes be given a wider circulation than at present, it was resolved on motion of Lieut.-Col. White, 43rd Battalion, that it be recommended to Council, that the old system of having placards printed be adopted, these to be posted up in armouries and other public places.

THE AMMUNITION QUESTION.

Sergt. Mathews, 3rd Victoria Rifles, asked what ammunition it was proposed to use at next meeting. His Association for one would like to know this, as they would take care to procure a supply of the same for practice. They had found the Canadian ammunition to be unsatisfactory this year.

Captain Adam, 13th Batt., said preparations were in progress to have a thorough test of the Canadian ammunition, and he had no doubt it would be better in future.

The Chairman said that the best ammunition they could obtain would be served out at the next meeting.

It was afterwards decided that when the Council determines what ammunition shall be used, the fact will be made known through the press to those interested.

RAILWAY FARES.

Captain Sims brought up the question of the railway fares charged competitors. He thought that by concerted action the rates might be lowered to single fare, instead of fare and a third, as at present.

Considerable dissatisfaction was expressed also with the present practice of requiring certificates preliminary to the issue of the tickets, which requirement causes much delay and annoyance.

ABOLISHING SIGHTING SHOTS.

Lieut. Jameson, 60th Batt., asked for the opinion of the meeting on the matter of abolishing sighting shots, in conformity with the practice at Wimbledon.

Major Anderson, 43rd Batt., spoke in favor of the abolition, if no serious loss to the revenue resulted.

The discussion that ensued went to show that while \$600 revenue

derived from the sale of the tickets would be lost, there would also be a reduction in the expenses of the meetings, as they could be finished in one day less. There would also, it was pointed out, be a considerable increase in extra series if sighting shots were abolished.

The motion that the meeting recommend to the Council to abolish the use of sighting shots in future was carried unanimously, as was also one recommending that "blow off" shots be likewise abolished.

"ANY POSITION" MATCHES."

Piper Clark, 5th Royal Scots, moved, seconded by Captain Sims, 3rd Vics., that this meeting recommend to Council, that matches be established in future competitions, at distances over 600 yards, in which shooting in any position should be allowed. Carried.

EQUIPMENT IN MILITARY MATCHES.

Captain Macdonald, Q. O. R., expressed the opinion that some change should be made in the conditions governing the equipment in the Gzowski military matches, as the men should not be compelled to carry the knapsacks and other burdens now imposed upon them. He said that nowhere in actual service were they supposed to be so equipped. He also asked that more time be allowed for firing than had been given last year.

Captain Perley said the conditions governing the competition for the Gzowski Cup had been framed by Colonel Gzowski himself, and could not be altered without his consent.

Lieut. Col. Gibson thought that if proper representation were made to Col. Gzowski, he would agree to the change proposed.

The Chairman said that Col. Gzowski felt very strongly on the subject of having this strictly a military match, though perhaps he might agree to a change in the conditions.

It was then moved by Captain Macdonald, seconded by Captain Ibbotson, and carried unanimously, that this meeting recommend to Council that the order of dress in the Gzowski match be changed, and that it be fired in future in "drill order."

ADJUSTING SIGHTS.

Captain Sims asked if competitors would be allowed to adjust their sights when advancing or retiring in the skirmishing matches.

It was decided that adjusting the sights should be allowed, but not loading.

DECIDING TIES.

Captain Hood, 5th Royal Scots, asked that some provision should be made for deciding ties in the skirmishing matches. He thought the only fair way was to decide by the number of hits.

The matter was left to the Executive Committee.

A STANDING MATCH.

Lieut. Gray, Guards, asked why a "standing match" had not been included in this year's grand aggregate, the competitors' meeting last year having passed a recommendation to this effect. As our men had to compete in standing matches at Wimbledon, it was of great importance that they should receive some training here.

THE MARTINI.

Lieut.-Col. O'Malley moved, seconded by Lieut.-Col. White, that as the Government had some 12,000 Martini rifles in store, an endeavor should be made to have them served out to the Rifle Association.

Major Blaiklock thought that application for these Rifles should more properly come from the different Battalions.

Lieut.-Col. White said their idea was that the representatives of this meeting would carry greater weight.

THE WIMBLEDON TEAM.

Major Anderson, 43rd Batt., asked for the sense of the meeting on the rule restricting competitors winning places on the team from going to Wimbledon oftener than twice in five years. He thought it was highly important that Canada should be represented at Wimbledon by the strongest possible team, and that it was in the interest of Canada and Dominion marksmen that the rule should be abolished.

Captain Perley said a letter had just been received from Lieut.-Col. Ross, the commander of this year's team, urging the abolition of the rule.

The Chairman said the rule had been made with the view of bringing new men to the front. A good suggestion had been made by Major-General Laurie, viz., that the first ten on the team should be allowed to go unconditionally.

Captain Sims, 3rd Vics., moved in amendment, seconded by Pte. Rose, 5th Royal Scots, that it be recommended to Council, that the first ten who accept should be allowed to go unconditionally.

Captain Hartt, St. John Rifles, said that if the rule was wrong at all, it should be abolished entirely. He thought its working had not been satisfactory, and that the team which went to England should not be a nursery team, but the best possible.

The amendment was then put and lost, the vote being 20 yeas to 28 nays.

The main motion, recommending the abolition of the restriction, was then carried by 31 yeas to 11 nays.

KOLAPORE BADGES.

Captain Hartt, St. John Rifles, brought up the matter of wearing Kolapore badges similar to those issued to the successful teams, by men who had not been on such teams.

It was pointed out that the trouble arose through a mistake of the manufacturer of the badges complained of.

There being no further business, the meeting then adjourned.

COUNCIL MEETING HELD UNDER BY-LAW NO. 2.

OTTAWA, November 11th, 1885.

The Chairman having stated the cause of calling the meeting,

It was moved by Lieut.-Col. Vance Gravely, seconded by Captain Toller, "That forty Martini Henry rifles and 200 rounds of ammunition each, be immediately issued to the first forty men who notify their acceptance of a place on the Wimbledon team for 1886, provided they are chosen ; the issue to be made upon the order of, and through the commanding officer of the corps to which they respectively belong, the rifles loaned to be returned to the Dominion Rifle Association by those of the forty who do not proceed to Wimbledon, not later than the day of sailing of the team from Quebec, and by the twenty, immediately after the completion of the Wimbledon matches of 1886.—Carried unanimously.

The Secretary was instructed to communicate with Messrs. Bertram & Roberts, to ascertain what arrangements could be made for messing the Wimbledon team in their own camp.

The meeting then adjourned.

| c. Magpie..... | Black and White disc. |
| d. Outer..... | Black disc. |

f. *Misses* will *not* be signalled ; but if a target is lowered under the impression that it has been hit, and if no hit is found on it, after raising it the marker will wave a *black* disc, to signify that the target has not been struck.

2. When *two* shots strike a target simultaneously, that which has the highest value will alone be signalled with the *signal disc*, and the competitor whose proper turn it was to fire at the target will be credited with that shot, provided he has fired. *Both hits will*, however, be shown by spotting discs.

3. On a target being lowered, the position of a hit, if any, will be shown by the spotting disc when the target is again raised.

4. The signalling shall not be questioned, but if a shot is not signalled, and the Officer in charge of the firing points be satisfied that a reasonable doubt exists as to whether the shot may not have struck the target, he may call on the Officer in charge at the butt to examine the

target, and the result of such examination shall be final. Any competitor challenging a shot shall deposit the sum of fifty cents with the Officer in charge at the firing point, which shall be forfeited in case no hit is found on the target.

5. If on a target being raised the *spotting disc* appears manifestly to disagree with the *signal disc*, the Register Keeper shall stop the firing at the target, and report the circumstance to the Range Officer, who shall decide the shot after enquiry of the Officer in charge at the butt, but no deposit will be required, nor shall there be any appeal from the decision given.

6. All claims for shots signalled *must be made before* another shot is fired at the target in question.

7. If at the moment at which a competitor fires, his target should be lowered in such a manner as to falsify the result of his shot, the Range Officer is empowered to cancel the result of such shot, and to permit the competitor to fire another shot in its place.

8. All alterations of the registers must be initialled by the Officer making them, but no alterations, except in the case of a clerical error, shall be made without his having first signalled to the butt.

9. No person will be permitted to go to examine a target during the meeting except the Executive Officer or such person or persons as he may duly authorize to do so in his behalf.

In Skirmishing.

When the number of hits counted on the target exceeds the number of shots allowed in the competition, three marks shall be deducted for every such hit in excess of the number of such shots, unless it be proved that such hits on the targets in excess of the number of shots allowed could only have been made by competitors in the squad firing more than the authorized number of rounds, in which case the squad shall be disqualified.

7. No two competitors shall shoot in any competition with the same rifle; nor shall a competitor change his rifle at any range during a competition, unless his first rifle should become unserviceable through an accident, which must be verified by the Officer in charge.

8. The competitor must, after delivering *each shot*, pay attention to the score called out by the Register keeper, and himself see that such score is correctly entered on the Register, so that any objection to the score recorded may be investigated before the next shot is fired.

9. In the case of unreasonable delay in firing on the part of any competitor, or of such delay as the Range Officer may consider likely to prolong the firing beyond the time allowed, the Range Officer shall have the right to caution and time the competitor by a sand glass purporting to run one minute, more or less, and if after such caution the competitor does not fire before the sand glass has run out, the Range Officer shall declare the shot forfeited and call on the next competitor to proceed with his firing.
