### PATON'S SUITS & OVERCOATS

### THERE IS IND VIDUALITY IN PATON'S CLOTHES for MEN

We do not mistake freakishness for individuality. But we do succeed in getting into the Suits and Overcoats that bear the Paton label a certain distinction that is a characteristic of the apparel of the best dressed man-and that is not commonly to be had in clothing bought ready-to-wear.

All of this clothing is made expressly for us, and made in special ays which we prescribe.

Choice of high grade and attractive fabrics; of cold shrunk canvas for interlining; of the best grade of buttons, tapes and other tailor's "fixings" are the first step.

But the artistic and scientific cutting of the cloths and the careful and intelligent hand tailor work by skilled craftsmen are what give to Paton's Clothes their individuality and assure long service to the wearer. Each week we make endeavors to do better than in the seasons past. This season we believe we have better Clothes than we or any other store ever had to offer for the prices. There is a full range—we make especial efforts to have Clothing of the proper proportions for men of many builds.

Suits and Overcoats \$6, \$7.50, \$8.50, \$10, \$12.50, \$13.50, \$15, \$18 and \$20. SEE OUR COLLEGE COAT - - IT'S A WINNER.
