APPOINTED TO BE USED "AT ALL MEETINGS OF THE BOARD, AND OF  
[COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with Thy most gracious favor and further us with Thy continual help; that in all our works, begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. *Amen.*

*(Board of Home Missions only.)*

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favor our Sovereign Lady, Queen Victoria: and so to rule her heart that she may in all things seek Thy honor and glory. Prosper with Thy blessing our missionary work. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord. *Amen.*

*(Board of Home Missions only.)*

O Lord Jesu Christ, who at Thy first coming didst send Thy messenger to prepare Thy way before Thee; grant that the ministers and stewards of Thy mysteries may likewise so prepare and make ready Thy way, by turning the hearts of the disobedient to the wisdom of the just, that at Thy second coming to judge the world, we may be found an acceptable people in Thy sight, who livest and reignest with the Father and the Holy Spirit, ever one God, world without end. *Amen.*

*(Board of Foreign Missions only.)*

Almighty God, who, by Thy Son Jesus Christ, didst give commandment to the Holy Apostles, that they should go into all the world and preach the Gospel to every creature; grant to us whom Thou hast called into Thy Church a ready will to obey Thy word, and fill us with a

hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the heathen that have not known Thee, and on the multitudes that are scattered abroad as sheep having no shepherd. O Heavenly Father, Lord of the harvest, have respect, we beseech Thee, to our prayers, and send forth labourers into Thine harvest. Fit and prepare them by Thy grace for the work of their ministry; give them the spirit of power, and of love, and of a sound mind; strengthen them to endure hardness; and grant that both by their life and doctrine they may set forth Thy glory, and set forward the salvation of all men, through Jesus Christ our Lord. *Amen.*

*(Board of Foreign Missions only.)*

O merciful God, who has made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live, have mercy upon all Jews, Turks, infidels, and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, Blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. *Amen.*

Almighty God, Father of all mercies, we Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly for the providential support by which our work has been thus far sustained; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou has given us in the same our Lord and Saviour Jesus Christ; to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. *Amen.*

Our Father which art in Heaven, hallowed be Thy name; Thy kingdom come; Thy will be done on earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. *Amen.*

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. *Amen.*

# THIRD ANNUAL REPORT

OF THE

## Board of Home Missions.

The Board, in presenting their Third Report, would call attention to the fact that the depression in monetary matters has been more severely felt than in the preceding years, more especially amongst the fishermen. In many localities the destitution is really deplorable, and your Missionaries in those Parishes have had to suffer to a degree inconceivable to residents in the cities, yet they have worked on uncomplainingly and patiently, earnestly and faithfully doing their Master's work, looking and trusting for the only rewards worth working for, viz., the "well done" of the Master. And although your Board was compelled to reduce the grants of most of the Missions, knowing that the Parishes could not make up the deficiency, yet in only one case has there been a remonstrance sent in to the Board; and in most cases, the subscriptions in 1879 have been in excess of previous years, and a comparison of the subscription lists for 1877, 1878, and 1879 shows a favorable result, viz:—

Subscription List for 1877.....	\$4'37 71
“ 1878.....	3542 45
“ 1879.....	\$4880 09
Collected by Sec. to April, 1879... 419 19	
	5299 28
Increase in Sub. List of 1879, over 1877... 1161 57	
“ “ “ 1878... 1756 83	

This fact, of itself, proves that the people are waking to a sense of their responsibilities, and have a heart alive to the work of God and the spread of His cause, for this increase has taken place in the year of the greatest depression; and it is to be further noticed that the increase has not been in the city, but in the country.

Your Secretary has, during the past year, visited the following Parishes, and was everywhere most kindly received and welcomed;

and with one or two exceptions, the congregations have been large and attentive, and their increased contributions have proved that the interest has not been altogether evanescent.

*January.*—Port Medway, Bridgewater, Petite Riviere, Mahone Bay, Blandford, Liverpool, New Dublin, Lunenburg, Chester, Hubbard's Cove.

*February.*—St. Margaret's Bay; Halifax—St. Paul's, St. Luke's, St. George's; Dartmouth, Berwick, Aylesford Herring Cove, Sackville, Newport, Windsor, Kentville, Cornwallis.

*March.*—Annapolis, Granville, Weymouth, Bridgetown, Windsor Forks, Rosette, Digby, Yarmouth. Wilmot.

*April.*—Pictou, Tatamagouche Pugwash, Spring Hill, Parrsboro', Stellarton, River John, Wallace, Amherst, Londonderry, Truro.

*Fall Trip.*—Glace Bay, North Sydney, Arichat Sydney, Louisburg, Port Mulgrave Manchester, Antigonish, Guysboro'.

Were it not that to mention some Missions individually, and not others, would seem to be invidious, your Secretary would like to give a sketch of the organization of the juveniles in Bands of Helpers, who have been helpers indeed. It was feared by some that these juvenile bands would interfere with the success of the adult collectors; but in no Parish from which your Secretary has heard has such been the case; but, on the contrary, in one Parish where the Rector sent in \$50.00 as the result of their work in 1879, the adult collections had increased in proportion.

It has been suggested that the List of Subscriptions shew only the amount promised and not always paid; and is consequently not a true criterion, your Secretary cannot say how true this is for past years, but for 1879 only \$5.70 remains unpaid, which is highly satisfactory and creditable to the Parishes.

During his visits to the various Parishes, your Secretary has met with many pleasing incidents which prove an increasing interest in the Mission work of the Church, one of which only is here space to record. When at Annapolis the collection was being made, a lady (name unknown) put in a gold ring as her offering; its worth in gold was two dollars, at which price your Secretary bought it, and afterwards sold it to a lady of St. George's Parish for \$20, making a total of \$22 to the funds; but it is not the amount so much as the spirit prompting the gift.

Your Board propose for the coming year to carry out fully, with the assistance of the Rectors and Missionaries, permanent local organizations; and also to enlist the young, and train them as good soldiers of Christ.

The Auditors for 1879 reported they had found the accounts for the year correct and satisfactory, and that the securities corresponded with the Secretary's statement.

Your Committee would recommend that no grant should be made or continued to any Parish or Mission in which the Church property is not insured.

Your Committee cannot conclude this Report without expressing their gratitude to the great Head of the Church for the measure of success with which He has been pleased to honor their endeavours to spread His cause, and to bring light into the dark places, and do loyally to Him pledge themselves to work more faithfully and earnestly than heretofore, relying on Him for strength and guidance.

REPORT OF THE  
**Widows' and Orphans' Sub-Committee**  
 TO THE BOARD OF HOME MISSIONS.

The Income of this Fund for 1879 was \$2,059.67, derived from the following sources:—

Premiums of Clergy.....	\$761 61
Collections and Donations.....	374 31
Interest on Investments.....	923 75
	\$2,059 67

The charges upon the Fund were \$2,073.28, leaving a deficit of \$37.18. This, at first sight, appears discouraging, and needs some explanation. Several arrears of Interest remained unpaid in consequence of the severe financial pressure, which have since been paid, so that actually, there is not only no deficit, but a balance on hand.

There are at present ten claimants upon the fund. The pension now paid to each of these is \$200 per annum, but this Sub-Committee have the power to reduce that pension to \$100 per annum, should the state of the fund render such reduction necessary.

The following securities were held for the fund at the end of the year 1878:—

1 Share Temperance Hall.....	
8 Provincial Debentures.....	\$3,893 00
Dominton Stock ... ..	1 0 0 0
Mortgages .....	17,592 67
Savings' Bank.....	29 47

The premiums from the clergy may be estimated at \$600 annually and the collections at least at \$300. There is, therefore, no room fo

anxiety at present as to the stability of the pension, although there is but a small margin left for an increase of claimants.

Your Committee would urge on the various non-contributing Parishes to increase their subscriptions to this most excellent and much needed charity.

It must be remembered that all Certificates issued subsequently to May, 1872, are necessarily void if the holder removes from this Diocese, except under certain circumstances named on the certificates. # Board of Foreign Missions.

## SECRETARY'S REPORT.

The Board would respectfully urge on the Rectors and Missionaries throughout the Diocese that all monies raised in their Parishes for Algoma should be sent through the Treasurer of B. F. M. direct, or at least a notice sent to him of all the amounts forwarded otherwise, as in the past no record could be kept of the amounts raised in the Diocese for Foreign Missions, and the Treasurer's Report cannot give the Diocese the credit for the full amount raised.

The Treasurer's report comprises nineteen months—viz, from May 17, 1878, to December 31, 1879, no report having been submitted last year.

## EXTRACT FROM LETTER.

BRIDGEWATER, *Christmas, 1879.*

I am glad to report to the Boards of Home and Foreign Missions that the amount from Bridgewater is nearly double of last year. The hard times have scarcely yet passed away, and the Society has reduced its amount to this Mission, yet, thanks to the visit of the Secretary and his noble army of "Youthful Helpers," we have conquered hard times and reduced pay by sending in far more than in any former year. Some have not readily understood our new name; and as the Boards of Home and of Foreign Missions is but a continuance of the work of the D. C. S., our Reports ought to be numbered from the old Reports. We cannot afford to throw away so many years of hard toil, and we trust faithful work. I am glad also to report that our congregations have continued to increase, and to attend more regularly; and that our number of communicants is also much increased. Hoping that the Society may long continue to enjoy the blessing of God our Saviour, and that each Parish and Mission may report large additions to their subscriptions,

I remain, yours, &c.,

W. E. GELLING.

### WIDOWS' AND ORPHANS' FUND, DIOCESAN SYNOD.

#### RULES AND REGULATIONS.

"It shall also be one of the objects of the Board of Home Missions to provide for the Widows and Orphans of deceased clergymen, but no part of the funds shall be appropriated to this object except such as shall be specifically given and paid into the Synod therefor."

1st. In accordance with the above, the Board of Home Missions will open a special Account for this object, to be called the Widows' and Orphans' Fund. This fund shall be formed and consist of all subscriptions, donations, legacies, and other contributions given and paid to the Synod for this special object, and of all premiums received under these Rules, and of all benefits arising therefrom; and this fund shall be held and applied to and for this particular object and none other.

2nd. A standing Committee of seven members shall be appointed, in whom, together with the Secretary of the Board of Home Missions, (who shall be paid as Secretary of this Committee,) shall be vested the whole management of this matter, subject to an appeal to the general Society.

3rd. The Diocesan Synod undertakes to pay out of this Widows' and Orphans' Fund, the pensions which become due under the following Rules.

4th. Every Clergyman of the Church of England within the Diocese, wishing to avail himself of the benefits of this fund, shall, within one year from taking Orders, or from his admission into the Diocese, apply to the Secretary for a Certificate of pension, and shall pay the annual sum or premium therefor, as hereafter mentioned.

5th. Any applicant after such period of time shall only be permitted to receive such Certificate at the option of the Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every Clergyman applying for a Certificate, accord-

7th. If any Clergyman marry the second time, he shall pay the annual sum or premium for the age he may be when he marries the second time.

8th. Upon payment of the first sum or premium, the applicant shall receive a Certificate, as hereafter mentioned, and the same sum shall be paid by him, up to the time of his death, on the first day of January in each year.

9th. If any person fail to pay the amount of his premium within 40 days after the payment becomes due, all claim to the pension under his Certificate shall be forfeited, and the same shall thereupon become null and void. But if he desires to have his claim to the pension renewed, it shall be in the power of this Committee to re-admit him on such terms as they see fit.

10th. Removal of the Clergyman from this Diocese, except in the case of any Clergyman who shall become a Missionary of the Board of Foreign Missions of this Diocese, or who undertakes work in Algoma while a Missionary Diocese, forfeits all claim to the pension. Seventy-five per cent. of the amount of premiums, paid by the holder of the Certificate himself, shall be returned to him upon the surrender of his Certificate.

11th. If any Clergyman shall go beyond the limits of Europe, or of North America 35° North latitude, without the leave of the Committee, he shall forfeit all claim to the pension.

12th. The widow of every Clergyman who shall have paid the

annual sum or premium (subject to the above exceptions) shall receive a pension of \$100 per annum during widowhood.

13th. If at any time it is the opinion of the Sub-Committee that the state of the funds will safely warrant their so doing, they shall have power to increase the amount of the pensions.

14th. If the widow die or marry again, the child or children of her deceased husband shall receive the pension. But no part of the pension shall be received by those children who have arrived at the age of sixteen years, if males, or eighteen years, if females; while those who are still under those respective ages will receive the full amount of the pension.

### ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Committee were adopted May 17th, 1850 :—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages, or other securities, to be approved of by the Endowment Committee, and to be conveyed and held for the benefit of the incumbent, or resident Missionary, for the time being, of any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Synod.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension.

V. The Endowment Committee shall hold any sums contributed toward the endowment of any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Committee, such opportunity or proposition for endowment shall come within the true intent and scope of the foregoing regulations, they shall authorize the said sums to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted,

the question shall be referred to the General Meeting of the Board, at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Board of Home Missions in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Committee to form a correct judgment. All such applications to be made to the Secretary of the Board of Home Missions, who is ex-officio Secretary of the Endowment Committee.

The Endowment Committee, in a Report May 11th, 1863, made the following recommendations :

"That while no restriction is made as to the sum which a Parish may withdraw from its '*Reserved Fourths*,' and invest as heretofore, yet that \$1,000 be the minimum to which they should amount before they can be placed in trust with the Board and the interest be payable to the incumbent."

"With reference to the control of the Board over the *Reserved Fourths*, the Committee state that they have no wish to interfere in any way with the right of the Parishes to manage their own property. They would merely, for the better security of this fund for the support of the Clergy, recommend—That a Rule be adopted which would require that, when an investment made by any Parish from its *Reserved Fourths* may be paid off, the money be returned to this Board to be held under the same rules and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment."

The first recommendation was adopted, the second is still under consideration.

## QUEBEC SCHEME.

### RULES AND REGULATIONS.

1st.—That no grant be ordinarily more than \$200 per annum to one Mission, or to one Clergyman.

2nd.—That in future, where there is no special condition, grants be made for *three* years from the first of the month either next preceding or next following the date ; and that they cease, in every case, at the expiration of that period, unless renewed, at the least *six* months before their termination.

3rd.—That all Parishes and Missions receiving aid from the Board of Home Missions toward the salary of their Ministers shall, by their wardens or other representatives, pay to the Secretary of the Board half-yearly, on or before the 30th of June and 31st of December in each year, such proportions of the required salary as may be arranged by mutual consent of themselves and the Board.

4th.—On receipt of the stipulated half-yearly amount from the Parish or Mission, the Secretary shall accept the order of the Minister for the full half year's salary as agreed upon jointly by the two contracting parties.

5th.—Should the Minister accept part of the amount payable by the Parish or Mission in kind at *cash* prices, his receipt for the sum in the form of a bill of items, may be counted by the wardens or representatives towards making up the amount to be paid to the Parish or Mission.

6th.—Should the sums agreed to be paid by the wardens or representatives not be paid when due, or within thirty days after falling due, the proportion agreed to be paid by the Board may be continued for six months, and the Board shall enquire into the cause of such deficiency, and consider the subject at the ensuing meeting.

7th.—The receipt of the Clergyman for money given at the offertory may be received from the wardens as part of the conditional payment required by the Board from the people.

## CHURCHES.

Every application for aid in the erection of a Church must contain the following information :—

1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.

2.—The title of the ground on which the building is to be erected.

3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.

4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.

5.—The frequency and regularity of the proposed services in the Church.

6.—That all the sittings are to be free and unappropriated.

It is the wish of the Board of Home Missions that no Clergyman should, when building a Church, rely upon aid from the Board, without first ascertaining whether it is in the power of the Board to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished. Grants to Parsonages are made on similar conditions.

“The Endowment Committee receive and hold any money given in trust for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given.”

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Board.

“The Board will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that Parish.”

“All subscription lists received before the 31st December in each year, will appear in the next forthcoming report, while those received after that date shall be omitted.”

“If reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Board.”

☛ The attention of the Local Committees is particularly requested to the above regulations.

“All applications for aid from this Board are proposed at one meeting of the Board and considered at the next.”

“No person shall be qualified to vote at any general meeting of the Board, nor to be elected a member, who has not been a subscriber for three months preceding the day of meeting.”

At the General Meeting in 1869 the following Resolution was adopted:—

“The Church property, in any Parish, which is actually occupied

by the Incumbent of the said Parish, shall be valued by competent valuers upon his taking charge, and be considered at the same value for salary during his incumbency; and the valuers shall be appointed as follows, viz.: one by the Parish, one by the Board of Home Missions, and another by those two."

*AN ACT to vest in the Diocesan Synod of Nova Scotia the Funds held by the D. C. S.*

*Whereas*, At a meeting of the D. C. S., held in the month of July, 1876, it was resolved, &c., &c.

*And whereas*, At the General Session of the Diocesan Synod of Nova Scotia, held in the same month, the said resolution was adopted by the Synod.

*And whereas*, It is considered expedient in order to carry such (resolution) into effect, that an Act be passed to vest in the said Diocesan Synod of Nova Scotia all real and other property held in trust by or for the said D. C. S.

Be it therefore enacted by the Governor, Council, and Assembly, as follows:

1. All property, real and personal, held by or in trust for the D. C. S., or other funds respectively connected therewith, are hereby declared to have become vested in the Diocesan Synod of N. S. in trust, to be held and managed for the several purposes for which they have heretofore been held and managed by the D. C. S., as fully and effectually as the same were previously vested in or held in trust for said D. C. S.

2. The said Synod shall be bound to fulfil all engagements made by the said Society previous to such transfer, and to observe all the conditions under which the several funds may have been held in trust by the said Society.

3. In all cases where moneys of D. C. S. have been loaned on mortgage in this Province for the benefit of any trust funds in connection with said Society, and in all like cases, it shall and may be lawful in case of the payments of the amounts due on such mortgages, for the said Synod to discharge such mortgages, by writing under their seal, and thereby the mortgagers, their heirs, executors, administrators, or assigns, shall be fully discharged from all further liability on account of such mortgages.

4. The receipt of the Treasurer of the Synod shall be a sufficient discharge to the Treasurer of the said Society for all moneys and securities transferred by him.
