TWENTIETH ANNUAL REPORT
OF THE
COUNCIL OF THE ASSOCIATION.

The Council have to present the following as their report for the year 1886, being the twentieth since the formation of the Association.

1. With a balance of \$169.00 remaining on hand the Association is financially in a satisfactory condition. For a full account of the finances the Council refer to the treasurer's statement duly audited and submitted herewith. Out of the balance on hand, however, are yet to be provided some twelve medals due the county associations.

It is a matter of regret that the list of members remains so small and active steps should, perhaps, be taken to secure the more general membership of militia officers. As the Association is in reality a branch and auxiliary of the active force in the province it is deserving of this slight support from all officers who would see the shooting efficiency of the Militia improve.

2. The amount of the annual prize list was reduced by about \$100.00 to partly offset the loss consequent upon the disallowance of sighting shots. The reduction was effected by striking out the competition previously known as the Battalion Match, and the Prince of Wales, so long shot at the shorter ranges, was made a Queen's Range match, and in connection with it were offered the usual prizes for Battalion Teams. With Captain Hazen's consent his challenge cup was also placed in the match as the first team prize; the Skirmishing Match being altogether struck out.

All four of the suggestions contained in the first paragraph of last year's report were, after consideration, carried out, and on the whole proved advantageous.

The Maiden Match brought out three teams of new comers, one each from the 8th Cavalry, 67th Battalion and St. John Rifles

The matches commenced as usual on a Tuesday, the 17th of August, and though somewhat delayed on that day by rain were finished easily

by Thursday evening. The Council judge from the general expression of opinion that the competitors approved of the meeting being thus limited to three days.

The number of competitors was slightly in excess of that of last year. The register keepers were all non-competitors, and the duty was more punctually carried out. Another year, though, they must be made more conversant with their duties before they enter upon the work.

The ammunition of Canadian manufacture is still far from being reliable and to it more than to any other cause is to be attributed, as last year, the miserably low average of winning scores.

3. The Council must again point out that the Provincial Rifle Association is almost wholly unaided by county associations and regimental clubs. Only three of the seven county associations held their matches before Sussex, and there is not a genuine regimental rifle club in the province. The Council are very strongly of opinion that it is the duty of the county associations to do what they can to augment the attendance at the provincial meeting, and that they should not fail to hold their competitions beforehand. The prospect is happily a little better than it was last year, for there is now an energetic club at Moncton with a good membership, and from which a representation may be expected as soon as a company of active militia can be formed there, and another club is about being organized at Hampton in connection with the 8th Cavalry.

4. The past year has seen the inauguration of the annual team match between the three Maritime Provinces. Correspondence on the subject was resumed early in the season and the opening match was eventually shot at Moncton on the 15th of July. The Association of Prince Edward Island was not able this year to send a team, so the match was confined to Nova Scotia and New Brunswick. The shooting on the part of both teams was surprisingly high and, though our team gained the match, it was only by the narrow majority of eight points. The totals were 701 and 693. The team from this province was chosen by the executive committee as the time would not admit of any other course; but the council are of opinion that some competitive method should be adopted, and they recommend this for consideration.

October 6

A number of resolutions passed at a meeting of the two teams will be submitted for the consideration of the Association and the Council hope that they will all meet with approval.

5. Success, and that of a brilliant kind, is also to be recorded of another Ottawa Team. The members of the Association must feel more than satisfied with the many high places taken by our representatives in the individual competitions, and must appreciate the fact that two of these—those in the Governor General's and Wimbledon Twenty—are the first in honor in the eyes of Dominion riflemen.

6. In compliance with an application to the militia department 20 unused Martini rifles of the early manufacture have been loaned to the Association and are now in store at St. John for issue to the members. The Association has now control of about fifty of these rifles of which thirty or more may be relied on. Martini ammunition has been placed in the militia stores and can be procured in the usual way, on deposit of \$24 per 1,000 rounds.

7. The Association continues under annual obligation to Lieut.-Col. Mavnsell for his prize in the Nursery Match. The Council would insert here their further thanks to him for having aided several applications to headquarters, and for his kind attendance at the conclusion of the annual matches to assist in the presentation of prizes. Among the prizes presented was a handsome pitcher, a gift to the marksmen of Kings County by Wm. Pugsley Jr., M. P. P. The executive committee had the pleasure of carrying out the conditions of the prize in accordance with Mr. Pugsley's wishes, and the Council are glad to mention this act of favor to so large a portion of the competitors.

8. The Intercolonial and New Brunswick Railways gave the usual reduced rates to competitors, for which the Council begs to return the thanks of the Association. Before the next competition, the Association should make a determined attempt to secure free passage to Sussex on the Intercolonial for volunteers in uniform. If it is granted anywhere on that line our riflemen should also enjoy the right.

Respectfully submitted,

JOHN H. PARKS, Major,

President.

October 6th, 1886.

St. John, N. B., 6th October, 1886.

OTTAWA TEAM REPORT.

ST. JOHN, N. B., Sept. 30th, 1886.

SIR,—As my fellow-members of the Ottawa Team again elected me to the captaincy, I have now to submit to the Association, the usual team report.

Under the arrangement made for our transport we obtained here in St. John, on militia requisition, return tickets to Point Levi, and were spared all further trouble in regard to that part of the journey. We found it to be the best arrangement yet made for the purpose.

The team consisted of 28 men, 25 of whom had previously competed at a Rideau meeting, so the team was both in point of numbers and experience, a strong one.

I am glad to be able to state that we camped out on the range as suggested in last year's report, and as far as I know the members without exception found the change of benefit. It certainly added much to the pleasure of our stay at Ottawa. The catering was objectionable, but another year, if earlier and more definite arrangements were made with Mr. Dunlop, he would mess us in a separate tent at a fixed price per meal.

The members of the Association are no doubt quite familiar with the exceptional luck which befell the team in the individual competitions. Indeed it might almost be said that the individual victories of all former teams had been repeated by the team of 1886. Thus, briefly, the team won five first, four second and three third places, had eight men in the Governor-General's Sixty, and has four of these in the Wimbledon Twenty, and in addition again carried off the first and third prizes in the Governor-General's Match.

In the Battalion and Affiliated Matches our few teams did not take any prizes; but for the London Merchants' Cup the New Brunswick eight stood second. This important match is likely to be placed on a very different footing in future programmes, and will be shot with the Martini-Henry at Queen's ranges. A motion to this effect was very heartily received at the general meeting of competitors.

It v
my pa
the tea
ernor-

The
largely

The Pr

It would be a great omission and an altogether unwilling one on my part not to refer to the honor which Sergeant Loggie brought to the team and himself by repeating his last year's victory in the Governor-General's Match. Those of us who were present will, I am sure, long recall his trying position—three shots to go and three bulls to win—and the well-earned applause which greeted the third appearance of the white disc.

The entrance fees were paid by me out of the Provincial Grant, and subsequently each of the members was paid the balance due him.

Another year, I think the Association ought to communicate early in August with the Grand Trunk and Canadian Pacific Railways in regard to reduced fares to Ottawa. There is no doubt but that better terms can be secured if they are worked for in time.

The prize return is submitted herewith. The amount, \$931, is largely in excess of the winnings of any former team.

I remain,

Your obedient servant,

J. TWINING HARTT, *Captain,*
St. John Rifles.

The President N. B. Provincial Rifle Association.

THE INTER-PROVINCIAL MATCH.

CONDITIONS.

1. The match shall be an annual one between teams of eight (8) representatives of the Rifle Associations of New Brunswick, Nova Scotia and Prince Edward Island. Teams shall be composed solely of *bona fide* members of the Active Militia.
2. Ranges—200, 500 and 600 yards; 7 shots at each range, and two (2) sighting shots, at the option of each competitor.
3. Rifle—Martini-Henry.
4. The position at the different ranges shall be respectively that required in the first stage of the Queen's.
5. Targets and scoring—those of Wimbledon for the year.
6. The members of the teams shall shoot in the full or undress uniform of their corps.
7. Coaching and spotting shall be allowed.
8. Blow-off shots shall be allowed.
9. Teams will provide their own ammunition.
10. The competition shall be shot early in the month of July in each year, on a day agreed upon by the three associations.
11. The match shall be shot on a centrally situated, and as far as possible, a neutral range.
12. Each team shall be under the control of a Captain appointed by its Association, and the competition shall be under the joint conduct of the three Captains. Each team may also have the services of an adjutant to assist in coaching. The Captain may or may not be a member of his team.
13. Each Association shall contribute an annual entrance fee of — dollars, out of which the necessary range expenses of the competition shall be defrayed and arm badges provided for the members of the winning team.
14. A handsome challenge prize shall be obtained through the joint efforts of the three Associations, and shall be held for the year by the President of the winning Association.

INTER-PROVINCIAL MATCH.

First Inter-Provincial Match, held at Moncton, N. B., on Thursday, July 15th, 1886.
