The next day two children, a little boy and girl of eleven and twelve, were at play in the barrack-vard.

was shot off in battle."

"He did not wish it to be seen," said dying with thirst. Lena, "and was hiding his eyes with haps he has a wife and children, and if he has been forced to leave them, it is quite as bad as losing his left hand."

"How," replied the boy. "If the new man behaves well, the colonel will "Do you know I was very unhappy about that poor recruit," said Wilhelm to his playfellows; "a great weight has been removed from my heart now that he has given in and taken the oath."

"Do you know I was very unhappy about that poor recruit," said Wilhelm to his playfellows; "a great weight has been forced to leave the barracks; more over, the promised bounty of fifteen dollars had not been given him, on the has given in and taken the oath." perhaps allow him to send for his wife

"Ah if he could do that" rejoined "But my father said that there are strange circumstances about this tall man, and that here he can have nothing to do with his wife and children. They must not even know where he is. and that is no joke, Wilhelm." "Has he taken the oaths?" asked Wilhelm.

"Not he," replied Lena. "He does all he can to avoid it, but it will be of no use. My father says that such a bird will not be allowed to fly away

plied Wilhe'm, "and the king can not

France or Frankfort," answered Lena, when my father was telling mother about the new recruit. Do you know Wilhelm, that the men in the guardroom have had half a cask of beer given them? That must have made the new recruit's mouth water, and the lifeguards understand that sort of thing horoughly. Go with me. Let us see the fun; perhaps they will give us a little beer Your father used to be a soldier, and mine is one still."

The children made their way into the spacious guard-room of the life-guards. The recruit was sitting near the glowing stove with his head resting on his ands, gazing towards the table, around which the guards were drinking, and carrying on a lively and even a dissolute conversation. His face, red and awollen, was streaming with prespiraion; and there could be no doubt that he was in a state of great suffering.

"Come, comrade," said Corporal Wimmer, and turning to the recruit, " be reasonable, and submit to what can

snother husband, and you will have tane, my patience is at an end!"

forced me to take the oath; but I before that had sworn fidelity to my dear wife to be taken care of, but that costs sively, and his eyebrows were contract- of more value than a forced oath." nothing. She obeys every order, and ed threateningly. Soon he turned deep never takes to drinking. She only red, indicating stormy gusts of resentspeaks when her husband desires her | ment. and is firm and faithful. Trust confidently to her, then, and say yes with-

bit of black commissariat bread was all that was allowed him with it. When that was allowed him with it. When the day came for the newly-drilled recruits to take the solemn oath upon the regimental colors, in presence he had eaten about half the fish, he asked undertone. for some thing to drink. Wimmer, Wimmer had brought out his pocketWimmer had brought out his pocketWimmer had brought out his pockettest against his unjust detention, and to

CHAPTER V.—BARRACK LIFE.

In the barrack-yard a row of very tall men were standing one behind the other

Their other

tion. Librecht Hiebendahl was not ashamed of the silent tears which he are in a corner of the large room. His comrades were either on guard, or regiment of giants in all Europe; and I we were to listen to the complaints of every recruit, the whole regimest and its tall soldiers would come to nothing, and that would never do! For there is not another regiment of giants in all Europe; and I we were to listen to the complaints of every recruit, the whole regimest and its tall soldiers would come to nothing, and that would never do! For there is not another regiment of giants in all Europe; and I we were to listen to ashamed of the silent tears which he whole regimest and its tall soldiers would come to nothing, and that would never do! For there is not another regiment of giants in all Europe; and I we were to listen to ashamed of the silent tears which he as in a corner of the large room.

"The recruit must come from a distance," said Wilhelm; he does not extended out. This gave the drill-mas-"The recruit must come from a dis- down the raised foot which had been ing at the gigantic guardsman in the speak the Berlin dialect."

ter Wimmer the opportunity of giving them a sound rating. He called the recruits lubbers and blockheads, stupid apes, idiotic fellows, cattle and simple-tors. He told them a sound rating apes, idiotic fellows, cattle and simple-tors. He told them a sound rating apes, idiotic fellows, cattle and simple-tors. He told them a sound rating apes, idiotic fellows, cattle and simple-tors. He told them a sound rating apes, idiotic fellows, cattle and simple-tors. He told them a sound rating apes, idiotic fellows, cattle and simple-tors. He told them a sound rating apes and rating apes and remains too long a name, and can not be personunced so quickly as Lane. Besides, the merchant Hiebendahl is as good as dead and buried, and the guards-man Lane has taken possession of his tall body. May I not tell the colonel to soll. "Then he would speak French," retons. He told them that geese could to produce for themselves better food to produce for themselves better food the king can not stand on one leg better than they could, that the usual rations, and looked unstand on one leg better than they could, than the usual rations, and looked upstand on one leg better than they could, and that the street boys of Berlin would on the hard, coarse, black bread with if you had to sit in that miserable posibe more teachable. He ordered them disgust, and sold it at a moderate price tion for seventy-two hours."

The guardsman made no reply to how to turn their eyes, their heads, to the poor people in Berlin. Librecht their arms, their legs. "Heads up!" he shouted, and chucked the recruit he soldier's fare was to him, was un-leisure to meditate upon his wretched Lane under the chin with a thump that fortunately obliged to eat it, and to condition

to one a blow on the body, to another a thrust in the back, and to a third such a fillip on the nose that the tears came into the poor fellow's eyes. Children into the poor fellow's ey want half a sheet of white paper and the loan of pen and ink for a quarter of a hopy. Leapness you go to school an hour. I suppose you go to school, the drill-master treated his subordiand therefore you will be able to fulfill my request ?'

"I do certainly go to school," replied ink and paper. Do you not know that "Halt!"-"Attention!" Wimmer they are strictly forbidden?-that no "Eyes right! - right!" ordered situation as servant, if I were to do

"Is it possible," said the recruit, sian soldier, and so you must remain, two! Twenty-one! Twenty-two! - with astonishment. "What cruelty!" even if an angel were to come from Halt! Now tell me, Lane, you nine- "If I might advise you," continued heaven to try and release you. Are you and ninety times blockhead! where are Wilhelm, "you would not let it be better than all of us? we all belong to you turning your eyes to? Instead of known that you desire to write, or that the same corps. Look and see if we looking straight before you, as I order- you can write. If your corporal or any can not make ourselves merry in our ed you, you are squinting out towards one else were to know, it might do you PILE & HUMOR

dren?" sighed the recruit.

"What wife? what children?" said than you are! You seem as though you were always dreaming. You ought to remain long among the soldiers, come Wimmer. "Your wife will have be at home with your mammy. Lane, another husband, and you will have Lane, my patience is at an end!"

what may. They kidnapped me; they forced me to take the oath; but I before does not scold; she certainly requires The muscles of his face worked convulbefore god's holy altar and that vow is From this moment the merchant took

to master the other duties of military g service as quickly as possible. In hopes "You mean [to be disagreeable in of the sooner obtaining his aim, he unomrade?"

"I am thirsty," said the recruit,
"My name is Hiebendahl, not Lane," reared Joseph learned to obey as a slave,
"My name is Hiebendahl, not Lane," and even when an innocent prisoner did turning away.

"Ha, ha!" laughted Wimmer, "is rage.

"Do not excite yourself, my friend,"

"The people get an appetite here;"

"Do not excite yourself, my friend,"

"The people get an appetite here;"

"Do not excite yourself, my friend,"

"The people get an appetite here;"

"Do not excite yourself, my friend,"

"The people get an appetite here;"

"The but you must eat before you drink. said Wimmer, "here you are Lane, and tals; in pipe-claying the leather, and Turn to, comrade, and eat your fill, and you will remain Lane, and that is cleaning; in washing, drying and manglthen you will enjoy what you drink."

The recruit cast a look of dismay at the dish of herrings which stood before
