## DIOCESE OF HURON FOR THE MANAGEMENT OF THE MISSION FUND, PASSED DECEMBER 7, 1864.

1. That whenever a Mission is vacant, or a new Mission about to be established, before a clergyman is appointed thereto, it shall be previously visited by a Committee, who shall report to the Standing Committee of the Church Society the amount which such Mission is able and willing to contribute towards a Clergyman's support. A Committee for this purpose shall be appointed for every Deanery, to consist of the Rural Dean, ex-officio, of a Clergyman to be named by the Bishop, and of a layman selected by the Rural Dean.

2. That the Standing Committee, after duly weighing all the circumstances of each Mission, shall recommend to the Society what sum, if any, be apportioned thereto, and for what period ;

That it shall be the duty of the Secretary to notify the Standing Committee at each meeting of all grants which are within six months of expiring, in order that action may be taken to renew the grant, if necessary, or that notice may be given at least three months before the expiration of the grant to the Clergyman and Churchwardens that such grant cannot be renewed.

3. That it shall be the duty of the Clergyman and Churchwardens of every congregation which is brought under the provisions of this By-Law to make half-yearly reports, according to the annexed form, to the Standing Committee, which shall be sent to the Secretary of the Society by the 1st day of May and the 1st day of November in each year, and all grants made by the Church Society under this By-Law, shall be contingent upon these reports being regularly and punctually made.

  - b. What is the amount of arrears at (Easter or October 1st) ?
  - c. Why has this arrear been allowed to accrue ?
  - d. Is there any provision for paying this arrear promptly ?
4. That the Secretary shall lay these reports before the Standing Committee at the June and December Quarterly Meetings, with a list of those congregations which are in arrears to their Clergymen.
5. That the Standing Committee, after considering each case, shall decide what action is to be taken, and, if necessary, shall direct the Secretary to write to the Rural Dean, and request the District Committee to visit the Mission and to point out to such congregation, at a vestry meeting to be called for that purpose by the Clergyman, the necessity of fulfilling their promises.

The District Committee shall report, without delay, the result of such visit to the Secretary, in order that it may be laid before the next meeting of the Standing Committee.

6. That when a Mission, after having been visited once, or oftener, and may be considered necessary by the Standing Committee, is still found to be in arrear to its Clergyman a sum equal to, or nearly equal to, six months' stipend promised by such mission, the Bishop shall be respectfully requested to remove the Clergyman to another Mission, and if the Bishop should so remove him, or sanction his removal to another Diocese, then the arrears due by the Mission to the Clergyman shall be paid to him out of the General Purposes Fund of the Church Society, provided always that in no case shall a larger arrear than a sum equal to six months' stipend, promised by such Mission, be paid to the Clergyman under the provisions of this By-Law; and no Clergyman shall be appointed to such defaulting Mission, unless good cause can be shown to the contrary, until the arrears advanced by the Society shall be repaid by said Mission.

That this By-Law shall come into force immediately upon its being adopted by the Church Society; and any Mission now established may be brought under it, if desired by the parties interested, by an arrangement in accordance with the provisions herein contained, upon the express understanding that no action with regard to arrears having accrued previous to its coming under the provisions of this By-Law be taken into account.

## Church Society of the Diocese of Huron, for Restraining Undue Expenditure in Church Building, Passed June 27, 1865.

In all Parishes or Missions where any assistance is required from the Society to aid in building a Church or Parsonage, and in all Parishes or Missions where assistance is given under the By-Law for Managing the Mission Fund, towards the Clergyman's stipend, all such assistance, both in Church building, and in assisting in the support of the Clergyman, shall be dependent upon the following Rules being complied with :—

That before any Church or Parsonage shall be commenced in such Parish or Mission, a Report shall be made, by the Clergyman and people interested in the erection of said Church or Parsonage, to the Standing Committee, containing the following particulars, a copy of which shall be sent to the Rural Dean :—

1. When a Church is about to be built; the locality and distance from any other Church; and the number of Church families within a circle of five miles of the proposed Church; and when a Parsonage is to be built, its position with reference to the Church or Churches in the Mission.

2. What kind of Church or Parsonage is proposed to be built, and what it is estimated to cost.

3. What amount is subscribed towards the said Church or Parsonage, and in what manner; and what amount has been paid.

4. The assurance that the building of the said Church or Parsonage will not interfere with nor lessen the amount subscribed by the Congregation or Mission towards the Clergyman's stipend.

5. That the grant of such proposed Church or Parsonage shall be laid before the Standing Committee.

That it shall be the duty of the Standing Committee to report to the Society what should be the amount spent upon and what should be the size and material of, such Church or Parsonage; and what sum should be granted by the Church Society towards the erection of such Church or Parsonage; such grant from the funds of the Society to be made on the following conditions—

1. That the deed for the site of the Church or Parsonage, free and unincumbered, shall be vested in trust in the Society.

2. That no larger nor more expensive Church or Parsonage be built than shall be agreed upon by the Society.

3. That no contract shall be given out until at least one half of the Subscription List for said Church or Parsonage shall be actually paid and in hand; nor shall such contract cover work which shall cost more than fifty per cent. beyond the money in hand.

4. That the grant from the Church Society shall not be paid until the Church or Parsonage is enclosed and roofed, and, so far, paid for, but not by the debt being assumed by any person or persons, unless such person or persons relieve the Congregation or Mission from all future liability for the same; and further, before such grant is paid, the Churchwardens and Vestry, or Building Committee, shall promise in writing that they will not engage in any further work upon the Church or Parsonage until the money necessary for such further work is actually in hand.

*CAP. XLV.—An Act to Incorporate the Church Society of the Diocese of Huron, and for other purposes therewith connected.*

[Assented to 24th July, 1858.]

WHEREAS, Her Majesty, by Her Royal Letters Patent, bearing date at Westminster, on the second day of October, in the twenty-first year of Her Majesty's Reign, was pleased to divide the Diocese of Toronto into two Dioceses, the one to be called the Diocese of Toronto, and the other the Diocese of Huron, in the manner and with the limits and boundaries in the said Letters Patent mentioned; and by reason of such division it hath become expedient to incorporate a Church Society in the Diocese of Huron; And whereas, a Society for the said Diocese of Huron has been recently formed, and hath prayed that the members thereof, and their successors, may hereafter form a separate society, with the corporate name and rights and subject to the provisions hereinafter mentioned: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

1. From and after the passing of this Act, there shall be, and there is hereby constituted in and for the Church of England Diocese of Huron as now constituted, a corporation by the corporate name of the "CHURCH SOCIETY OF THE DIOCESE OF HURON," which shall have and is hereby invested with the like corporate rights, powers and privileges, as by any Act or Acts of the Parliament of this Province, are conferred on any Church Society incorporated in any Diocese of the Church of England in this Province; and to the said corporation and to the members thereof, the several clauses and provisions of the said Acts shall apply as fully as they would have applied to any of the said Church Societies, and to the members thereof, in so far as may not be inconsistent with this Act, and subject always to the provisions herein contained.

2. The Church Society of the Diocese of Huron hereby incorporated shall be composed and consist of the Lord Bishop of the Diocese of Huron for the time being, and of those members of the Church Society of the Diocese of Toronto, who shall, at the time of the passing of this Act, be resident within the Diocese of Huron, unless and until it shall be otherwise provided by the By-Laws of the said Church Society of the Diocese of Huron, and of such other persons as shall, from time to time, hereafter be elected members of the said Church Society, in manner provided.

3. The Church Society of the Diocese of Huron shall and may receive and take from any of the said Church Societies any of the property held by such last-mentioned Societies, and discharge the trusts relating thereto, and such last-mentioned Societies shall thereupon be discharged from such trusts.

4. Nothing herein contained shall be construed to affect in any manner or way the rights of Her Majesty, her Heirs or Successors, or of any person or persons, or of any body, politic or corporate, such only excepted as are herein mentioned and provided for.

5. This Act shall be deemed a Public Act.
