The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

British Columbia Archives and Records Service.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

WORKING CONDITIONS

PART II - GENERAL

RECOGNITION OF ASSOCIATION

1. The Company recognizes the Employees' Union or Association and will not discriminate against any employee because of his connection with same. The Company agrees that all employees affected by this agreement shall, within one month after appearing on the payroll, become and shall remain members of the Association in order that all questions and grievances may be dealt with by one head. In case of suspension or expulsion of any of its members by the Association, the Company agrees to suspend or dismiss from its service such members, upon the satisfactory proof of such misconduct alleged for which suspension or expulsion is made.

INTERFERENCE BY ASSOCIATION

4. The Association agrees that it will not in any way interfere with or limit the right of the Company to discharge or discipline its employees for sufficient cause except for membership of the Association.

DISMISSAL FOR INEFFICIENCY

5. The Company shall have the absolute right to dismiss any employee for inefficiency provided an employee so dismissed shall have an appeal to the General Manager. In the event of the General Manager's decision not being satisfactory to the Association, the case shall be subject to arbitration under Subsection (c) of Section 7 of this Agreement.

NAMES OF EMPLOYEES: ADVISING ASSOCIATION

6. The Company shall forward the names of all men entering its employ affected by this Agreement to the secretary of the Division within one week after the date of their first pay check.

GRIEVANCES

7. (a) Properly qualified officers of the Association Divisions shall be recognized by the Company in discus-

ing any grievance of any employee. Grievances will first be presented to the Local Manager or Superintendent, and if a satisfactory adjustment cannot be obtained, an appeal will be made to the General Manager.

(b) Any employee suspended or dismissed for cause, and upon investigation not being proved guilty, shall be reinstated and paid for all time lost through such suspension or dismissal. Investigation of a charge in cases of suspension or dismissal shall be held within four days. The suspended or dismissed employee shall be notified at least 24 hours in advance when and where to attend, and also be notified of the nature of the charge laid against him. He shall have the right to produce witnesses and evidence thereat, and also the privilege of having officers of the Association present, if he so desires. Final decision in all cases of suspension or dismissal shall be given within 48 hours after the hearing of the charge is closed.

(c) In the event of a decision given by the Company under the foregoing subsection not being considered just and equitable by the Association, the Company agrees to refer same to a Board of Arbitration, which Board shall consist of one officer of the Company and one officer of the Association. These two shall meet within 48 hours and select a third arbitrator or umpire, and in the event of a disagreement and a selection not being made within five days, such umpire shall be appointed by a judge of the Supreme Court. The decision of the Board shall be final and binding on all parties. Each party shall bear the expenses of its own arbitrator, and the expenses of the umpire shall be borne equally by the parties hereto.

(d) If any employee has been suspended or dismissed for any violation of duty constituting, in the opinion of the Company, an indictable offence, then the Company shall immediately inform such an employee to that effect, designating such violation, without being required to furnish the evidence in support thereof. If the Association is not satisfied with such suspension or dismissal, it shall within seven (7) days notify the Company in writing to that effect, and if within seven (7) days after receiving such notice the Company does not criminally prosecute the employee for such alleged violation, then such suspension or dismissal shall be subject to arbitration and dealt with under the foregoing subsection.

It is understood that the provisions of this subsection are not in any way to impair, affect or delay criminal proceedings being taken at any time against any employee.

LEAVE OF ABSENCE

(a) Should the business of the Division so increase that it becomes necessary to have a Business Agent, and an employee is appointed, then the Company shall recognize the employee so appointed as Business Agent, and he shall retain his seniority in the Company's service and have access to the Company's premises at all reasonable times.
