BERESFORD CRITICAL

Appearance in House of Lords Marked by Bitter Tirade.

speech in the house of lords, and his plea was spirited and epigrammatic.

"There is some doubt," he began, "whether the government is going about its task in the right way."

"These orders-in-council may be statesmanship, but they are not war, and they are not likely to win war."

"The Marquis of Lansdowne replied to Lord Beresford point by point.

"It is by no means true that there has been anything approaching a universal increase in the quantity of goods from neutral countries in the past year."

"I sometimes wish the people of this country could have experience, say for instance, of the conditions prevailing now in Austria and Germany."

"Respect Neutrals' Rights." The government's position as follows: "The principles of international law are flexible and capable of great change."

Lord Lansdowne told the house of lords last night that the home government has decided to create a ministry of blockade. The department will be in charge of a man of cabinet rank, and it will devote its energies solely to the complete shutting off of German seaborne trade.

The change announced by Lord Lansdowne is an important departure, which will bring about increased and more efficient exercise of naval pressure on Germany. It has just transpired that the Germans have suffered the move to increase its rigors has created great alarm in commercial circles of the enemy.

The arrival of a Japanese squadron in the Mediterranean Sea, together with a great number of aircraft, was reported in German newspapers yesterday, according to a despatch from Copenhagen. THE BIGGEST RECRUITING TUESDAY FOR MONTHS

Two Hundred and Nine Toronto Men Offered for Overseas Yesterday.

BACK FROM THE FRONT Thirty-one Will Arrive in City on Saturday—Many Officers Promoted.

A total of 209 recruits came forward to enlist in Toronto yesterday, 199 of them at the recruiting office at the depot, and making it the biggest "Recruiting Tuesday" since the 15th of August, 1915.

Another ten offered at the 109th Regiment armories. Yesterday's recruits were distributed as follows: Highlanders, 10; Q.O.R. Overseas, 37; 216th, 13. The Q.O.R. Overseas Battalion is now 910 strong, the Miscellaneous, 281, and the Sportsmen's 675.

While the 198th Battalion, Lt.-Col. J. A. Cooper, O.C., has not yet actively started on his recruiting tour, he has already secured a number of recruits at headquarters units together, and yesterday passed the 150 mark.

Over 350 boys of the City Playgrounds and 13 of the supervisors have already responded to the call. Another 70 boys have recently enlisted from the East Riverdale, Cedarvale and Moss Park Recreation Centres.

Lieut. J. K. Mossman, A.M.C., has been appointed medical officer of the 17th Battalion, and has been promoted to the rank of captain. Captain J. R. Coekburn, C.O.T.C., has been appointed to the staff of the 17th Battalion also.

Captain E. H. Lancaster, St. Catharines, has been appointed to command the 4th Battery, C.F.A., which is being raised in St. Catharines.

The following officers have been appointed to the 17th Welland County Battalion: Junior major: Lieut. E. E. Fraser, 44th Regiment; Adjutant: Lieut. J. B. McAndrews, 19th Regiment; Quartermaster: Lieut. W. B. Burton, 2nd Dragoons; Quartermaster: Capt. H. Williams, 44th Regiment, and Paymaster: Captain J. R. Wylie, G.G.B.G.

Honorary Colonel Harry Cockshutt has been granted the rank of lieutenant-colonel in order to command the 215th Overseas Battalion, which has just been authorized for northern Ontario.

Lieutenant A. Worthington, 13th Royal Regiment of Hamilton, has been appointed to the 16th Overseas Battalion.

DUCKWORTH ON TRIAL ON CHARGE OF MURDER

Prisoner's Defence is That Shooting of Brother-in-Law Was Accidental.

Tragedy Was Outcome of Dispute Over Seizure of Belongings.

Special to The Toronto World. ORANGEVILLE, Ont., Feb. 22.—Thomas Duckworth's trial on a charge of murdering his brother-in-law, Harry Strutt, in the home of the former on Nov. 2 last, will begin tomorrow. The grand jury, after three hours' deliberation, returned a true bill against the prisoner this afternoon.

Strutt had been assisting in the removal of belongings from Duckworth's house, about three miles from Grand Valley, the eviction having been ordered to satisfy a debt owed to Duckworth's landlord, Duckworth, on hearing of the action taken, tried to secure an injunction at Grand Valley, falling in this, it is alleged that he bought cartridges, returned and shot Strutt thru the heart with a repeating rifle.

Argument of Defence. The contention of the defence is that the shooting occurred during a scuffle and that the rifle may have been discharged accidentally.

The witness, who was called to the stand, testified that he saw Duckworth in the house when the shooting occurred.

The crown had all its witnesses on hand today, including Dr. C. J. Clune, who performed the autopsy, and Dr. Herwick, the coroner who held the inquest.

Crown Attorney Island has subpoenaed about twenty witnesses and the defence ten. Duckworth will, it is understood, take the stand to testify that he had no rifle, that Strutt threatened him with his own weapon, and that in the ensuing struggle he (Duckworth) was only trying to defend himself. Proof of the ownership of the rifle will be a vital point in the case.

T. C. Robinson, K.C., of Toronto, and A. A. Hughton, Orangeville, represent the prisoner, who, arraigned this evening, pleaded not guilty. The trial will proceed at 9.30 tomorrow morning, and by night the prisoner will likely know his fate.

Really—It is Better. The business men's luncheon served daily at the Hotel Cecil, Toronto, is one of the best in the city. The menu is excellent and obtainable elsewhere. Romanelli's Orchestra in attendance every evening from six to eight.

Eight Thousand People AT MILITARY CARNIVAL Hundreds Were Unable to Gain Admission to Great Fete at Arena Last Night.

Eight thousand citizens attended the big military carnival held at the arena last night under the auspices of the Ladies' Auxiliary of the 109th Regiment.

The arena was packed with spectators and the program was most interesting. The program included a grand parade of soldiers dressed in hundreds of various fancy costumes, exhibitions of whitening and figure skating, and a performance by the band of the 109th Regiment and a burlesque on the life of a soldier.

The carnival was a success and the proceeds will be used for the benefit of the 109th Regiment. The program was most interesting and the spectators were well entertained.

NOVEL MATERIALS USED FOR SPORTS COSTUMES

Jersey Silks, Chamois Cloth and Heavy Satins Are to Be Much Worn.

NEW SUITS CHARMING

Color Preferences Run to Polka Dots and Checker Board Square Patterns.

Spring sports costumes made from jersey silks, chamois cloth, or soft but heavy satins are most captivating. The devotee fortunate enough to be in possession of one of the new sports suits has certainly a pretty addition to her spring wardrobe.

The skirt is absolutely untrimmied, being made entirely of the stripe, and measuring about four yards about the hem. The coat is of pure white satin with large pockets buttoned down with ornamental flaps and introduces the drop shoulder, full sleeves cut with the striped silk and a splendid wide shawl collar to match.

ATTRACTIVE WEAVES IN SILK FOR STREET SUITS

Stores Show Galaxy of New Spring Dress Materials of Amazing Variety.

STRIPES ARE THE CRAZE

Costumes Are Made Daintily With Trimmings of Braid, Buttons and Broadcloth.

Already the counters of department stores are blossoming forth with a galaxy of new spring dress materials, amazing in variety and texture. Silks of course in many attractive weaves are in the lead for formal street and afternoon costumes.

As to color and design they are without limit, each pattern outstripping the other in daintiness of hue and formation of figures. Checks are very smart stripes practically the craze, and checks just the thing. Many of the silk costumes and coats are made chic with their trimmings of braid, buttons and broadcloth.

For Leap Year Babies

The great war that has caused such a disturbance to finance, commerce, travel and the many other things that formerly occupied attention—all these are now subservient to the ever present desire to win—but, notwithstanding that, old Dame Nature pursues the even tenor of her way and the birth rate continues normal. It is to be expected that Feb. 29, 1916, will not be different in this respect from any previous Leap Year.

The Toronto World, following a Leap Year custom, inaugurated twelve years ago, will again this year present to every baby born in Ontario on Feb. 29, a beautiful silver mug, suitably engraved with the name and date. The distinction of being born on Feb. 29 is discounted by the fact that they will have a real birthday only every four years. A local firm of silversmiths have promised to produce something unique in the mug line for those new arrivals who are due to become citizens of Ontario on Feb. 29.

Last Leap Year The World awarded silver mugs to 123 babies; eight years ago 81 was the number that qualified for the much-prized piece of silver. There are no entrance fees or other restrictions connected with the award. The only regulations to be observed are:

- 1. Only babies born in Ontario are eligible.
2. Babies born between the hours of 12 o'clock midnight, Feb. 28, 1916, and midnight, Feb. 29, 1916.
3. The entry for the award must be made by filling out a coupon which will be published in The World (Daily and Sunday), from Feb. 25 until March 31, inclusive.
4. The date of each child's birth, together with the name, must be vouched for in the place indicated on the coupon by the attending physician.
5. Entries not made on printed coupon will not be considered.

Watch The World for further particulars.

The World invites all Leap Year Babies that were born in 1912, 1908 and 1904, and who were awarded a World Leap Year mug, to send a recent photograph, which will be reproduced in The Sunday World Art Section at an early date.

Breakfast in Tomatoes.

Some day, when the oven is being used for other cooking, plan to have for dinner round or planked steak cooked with tomatoes, and for this dish either fresh or canned ones can be utilized. Place the steak in a slightly-greased baking pan, which has a close-fitting cover. Cover it with tomatoes, sliced if fresh, or just turned out of the can if canned. Add also one small onion, coarsely chopped, and a small piece of bay leaf, together with salt and pepper. Cover the whole closely and cook for an hour and a half without removing the cover of the baking dish. Add no water, as the tomatoes are moist enough.

Cornflour Baked Pudding.

Dissolve four tablespoons of cornflour and a little salt in part of a quart of milk; heat the remainder until nearly boiling; add the dissolved cornflour; boil three minutes, stirring briskly. When cool, mix thoroughly with three eggs, well beaten together, with three tablespoons of sugar. Flavor to taste and bake half an hour.

Importance of Hot Oven.

Before putting a roast of beef in the oven, be sure that the oven is very hot, so hot that it will sear the meat quickly, else the juices will be drawn out of the meat.

"He is Always Telling Others About Them"

Brother and Sister Cured by Dr. Chase's Kidney-Liver Pills—News of Cure Too Good to Keep.

In this letter Mrs. Hurley relates how glad she and her brother are to tell how they were cured of indigestion and kidney trouble by Dr. Chase's Kidney-Liver Pills. That is the kind of enthusiasm Dr. Chase's medicines arouse and that is why they are so generally known and used today. People who are cured tell their friends and neighbors, and so the word is passed along. From the limits of Dr. Chase's practice at Ann Arbor, Mich., the good news of these medicines traveled until they are known the world over and considered indispensable in many thousands of homes. This is the kind of letters we are receiving daily and there can be no mistaking the enthusiasm expressed here: Mrs. J. J. Hurley, Upper Hanwell, York Co., N.B., writes: "I suffered from indigestion for two years and tried a great many kinds of medicine, but got no lasting relief until I used Dr. Chase's Kidney-Liver Pills. I would take severe vomiting spells and be weakened down so that I could not do my own work. I shall never be able to give the medicine enough praise for the benefit derived from its use, and will strongly recommend it to all my friends. My brother has also used Dr. Chase's Kidney-Liver Pills and they have entirely cured him of lame back and kidney trouble. He is always telling others about them." Dr. E. L. Brine writes: "I can certify that this statement of Mrs. J. J. Hurley is correct in all details." Chronic indigestion is a most variable associated with torpid sluggish action of the liver, kidneys and bowels and can never be really cured until these organs are awakened to healthful action by such treatment as Dr. Chase's Kidney-Liver Pills. One pill a dose, 25 cts. a box, all dealers, or Edmanson, Bates and Co., Ltd., Toronto.

WOMEN WORK FOR RELIEF OF SERBIANS

Annual Meeting of Committee Held at Toronto University Yesterday.

MUCH CLOTHING SHIPPED

Valuable Assistance Given by Out of Town Societies—Officers Elected.

President Falconer of Toronto University presided at the annual meeting of the Canadian Serbian Relief Committee, held in the room round of University College yesterday afternoon. Miss E. C. Weaver, retiring convener of the Toronto branch, gave a very interesting account of the work in the city from the time of the formation of the organization. At the Hall and Empire building a room had been opened for workers from 10 to 5 daily. Clothes had been received and 28 bales packed for the suffering Serbians had been transported free by the G.T.R., C.P.R. and Intercolonial railways, and at reduced rates by the C.E.R. boats. The secretary, Mrs. W. B. Irvine, reported that supplies had been received from many outside towns, women's institutes, factories and schools. Much interest had been aroused and financial assistance obtained thru the addresses of Miss Lonsmith and Dr. Sharpe. The first entertainment given in Toronto had been arranged by Mrs. A. B. Ormaby, who opened her house for the occasion. The treasurer reported receipts \$2,612.27, balance on hand \$1,094.10, the remainder, except a small sum for expenses having been sent thru the British Serbian Relief. Col. Noel Marshall addressed the meeting on the question of amalgamation of Serbian and Montenegrin relief. Both are allies, he said, both were Slav, and both had similar necessities. Today the Canadian Red Cross had voted \$100,000 for distribution, \$10,000 of which had gone to each of the countries in question. Joint relief committees had been formed in Quebec, Ottawa and Hamilton. On motion of Mrs. L. A. Hamilton the matter is to go to the executive with a recommendation to carry out the suggested amalgamation if it is found feasible. A meeting of the local branch, Mrs. Hamilton presiding, was held at the close of the larger committee. Miss Lee, Mrs. Wolbert and Miss Hardy were appointed provisional officers. Dr. Sharpe, Miss Lee and Mr. R. L. Richardson were nominated to look up a suitable waterroom. Votes of thanks were passed to the press, The Mail and Empire building, the railways and C.P.R. steamships, the university, Ericson Brown, Sharkey Company, to members of Belgian Relief Committee, Murray-Kay and Simpson Company, with a special vote of appreciation to the janitor of the Mail and Empire building for many services and courtesies. The following were elected to office in the Canadian Serbian Relief, with power to place other names on the nomination paper: President, Dr. W. D. Sharpe, accepted; 1st vice, Mrs. L. A. Hamilton, accepted; vice-president, Mrs. MacKeen, Government House, Halifax, accepted; Mrs. Brown, Regina, accepted; Mrs. Mackay, Montreal, accepted; corresponding secretary, Mrs. Winifred B. Irvine, Toronto, accepted; recording secretary, Mr. L. Carlisle, Toronto, accepted; treasurer, Mr. A. H. Campbell, Toronto, accepted.

EPHESUS BOMBARDED BY ALLIED WARSHIPS

Smyrna-Aidin Railway Fired at by Three Anglo-French Cruisers.

ATHENS, Feb. 22.—The ancient city of Ephesus, in Asia Minor, is the last Biblical town to feel the war. Three Anglo-French warships bombarded the Ephesian suburbs for several hours on Jan. 28, 29 and 30, according to Constantinople despatches today. The bombardment was directed at the railway from Smyrna to Aidin which passes by the ruins of the centuries-old town. The ironclads stood inside the Gulf of Scaia Nova and directed a methodical shell fire at the railway, while the famous old buildings of Ephesus were damaged. Turkish authorities set fire to the town of Vourla, on the Gulf of Smyrna, largely inhabited by Greeks, according to despatches received here today. Greek residents had been warned several days in advance and were taken off by Greek ships. The town was completely destroyed. Controller O'Neill, who was acting mayor yesterday, expressed himself as being well pleased with the action of council on Monday in deciding not to increase the city's debt for the purpose of purchasing parks. "We must keep down our tax rate if we are going to bring manufacturers here," said the controller.

ENTENTE ALLIES' UNION CANNOT BE DESTROYED

Viscount Bryce and Former Premier Clemenceau Speak of Unflinching Determination. PARIS, Feb. 22.—The Anglo-French parliamentary committee began its sessions today. Viscount Bryce, head of the British section, addressed the French delegates, over whom former Premier Clemenceau presided. He said there would be no separate peace among the warring powers, nor any compromise. He characterized the meetings as definite proof of the indestructible union of the entente allies. Democracy for Europe

It is well said by The New York Sun that the French Revolution was a hunger strike. Revolution is always in the air where the people suffer.

The war is emphasizing these problems, and must emphasize them more and more as time passes. The autocrats of Prussia and Austria plunged Europe into the bath of blood and horror from which the people, not the autocrats, suffer most.

It is a question of how long the people of Germany will continue to bear the burden upon them. The people of France and Russia and Britain are bearing a voluntary burden.

Government must be of the people and for the people, and the new governments of Europe must be democratic in spirit if not in form.

Some English names have been suggested to replace the Prussian one. Would it not be well to select a real Canadian name from the melodious tongues of the first inhabitants?

One of the peculiar things that occasionally happen in Toronto is the

claim for damages that a citizen makes against the city when the city has done something that adds considerably to the value of his property.

Several cases are before the public at present, but one that has gone through all the stages will serve as an example.

Misled by a passage quoted from an official letter which stated that the city was unable "to pay over" the amount of an insurance policy, we took the view that the city should not retain money in its hands which had been given it on account of a particular private soldier.

It is a most unfortunate case, but the conditions were well understood. We have dwelt upon them before, but under the impression that the company had in this case waived its objection and paid the money to the city.

Since the companies refused to take any more risks the city has had to carry the risks themselves. The refusal of the company to recognize liability for the man who resided outside the city, simply gives another man who lives inside the city limits insurance protection under the general policy, which covers so many individual soldiers as such, and not as separately named policy-holders.

## TWO CAPABLE MEN TO LEAD THE LEAFS

Birmingham Will Manage and Arthur Irwin Will Be Business Agent.

The affairs of the Toronto Ball Club for the coming season are in capable hands. Two of the best known baseball men on the continent will have the playing end of the game in hand in Joe Birmingham, a star outfielder and ex-manager of the Cleveland Naps, and Arthur Irwin, a Toronto boy, and ex-manager of the Leafs, and late scout of the New York Americans.

Both are real live wires and the Leafs should be a hustling organization. Joe Birmingham will play regularly and look after the team on the field. Arthur Irwin will have the business end to take care of and spend his spare time in digging up new talent. Irwin has a host of friends in major league companies who by the Leafs will profit.

These two men have a big job before them. They will have to build up practically a new club, and every art of the baseball game will need to be put into practice to give the Toronto players.

Manager Birmingham and Business Agent Irwin arrived yesterday and immediately went into session with President McCaffery to tackle the 1916 situation. Arthur Irwin leaves on a trip to round up talent before the end of the week, but Manager Birmingham will stay and be given an insight on how the local club is run.

The Leafs will likely train close to New York, but nothing definite will be decided for a week or two. The Leafs at present own Pitchers Herbert Manning and Cook, Catcher Kelly, Infielders Graham, Hall and Blackburne, and Outfielders Birmingham, Brackett and Wilson.

Many of the old time Toronto fans will recall the great team that Arthur Irwin led almost to a pennant in 1907, and on which were such well-known players as Buck Freeman, Jimmy Casey, the late Dan McGann, Billy Lush and Bill Dineen. This leaf team ran like a thunderbolt from last season when he took Syracuse, under Al Beckenberger, won the pennant, but the Leafs beat them out in the post-season series for the Stetson Cup.

Manager Birmingham is a clean-cut looking young stateside and looks to have many years of good baseball stored up in his system. Birmingham was batting over .300 two seasons ago when he broke his leg in a game against New York Americans. He is fully recovered, and will play outfield for the Leafs this season.

### BASKETBALL

At the Evangelia Settlement gymnasium the East Hamilton Y.M.C.A. team defeated the Toronto Evangelia Settlement team by the score of 42-40. At half time the score was 18-14 favor Toronto, but in the second half the Hamilton boys came right back and made up their lost ground, resulting in a tie at full time 39-39. It was decided to play five minutes overtime in order to decide the game. The whistle blew, Toronto fouled, Hamilton scored penalty shot a minute or two after Hamilton fouled. Toronto scored. Score 40-40. With about fifty seconds to play Harve Andrews for the "Y" team made a phenomenal shot from center, scoring the two winning points. Final 42-40. Jordan and Spencer played exceptionally well, while H. Andrews starred for Hamilton.

### FOR INDOOR TENNIS HONORS.

NEW YORK, Feb. 22.—R. Lindley Murray of California won the U.S. national indoor tennis championship in singles here today by defeating A. H. Mann, Jr., former Yale captain, of New York by the score of 6-2, 6-2, 6-7, 7-5. Dr. William Rosebush and Arthur M. Lovibond won the doubles championship, defeating King Smith and Arthur S. Craigin. The scores were 6-4, 1-6, 6-4, 6-6 and 10-8.

### TONIGHT'S GAME SHOULD DECIDE SENIOR GROUP

Both the Riverdale and Argonauts were out at the arena last night, the former having every man in line, and they are all fit and ready for the big game of Friday night. The Leafs will weaken the team if he plays up to form, while the Leafs are right on edge on the defence. The forward line was going strong in good style, and the point guard of the big fixture, Jack McCamus a lot of good, as he is now in shape. The Argos realize that it is their last edge, and will put up a desperate battle all the way.

The report from the Leafs camp is quite true, but there is little reason to doubt that they will be in their best places when the bell rings for the big game. Noble is not in the best of shape, but Manager Alf Smith expects him out today. Glen Smith has a cold, but will be on the defence. The rest of the team are right on edge, and they are well supplied with able substitutes. Last night the Leafs worked out with their new defence, and is ready in case of a new defence, and is ready in case of a new defence, and is ready in case of a new defence.

### OTTAWA ABERDEENS MAY PLAY IN CLEVELAND OR PITTSBURG

On account of the application of the Aberdeen Hockey Club of Ottawa for a franchise in Boston, Secretary George V. Brown of the Boston A.A. made enquiry from the Amateur Athletic Union of Canada as to their standing. He was informed by Secretary Crow that the Canadian Amateur Hockey Association was recognized as the governing body for the winter sport, and that, as the Aberdeens were under suspension they were ineligible for competition where A.A.U. jurisdiction governs.

### WHETHER RANDALL WILL BE ALLOWED TO PLAY AGAINST OTTAWA HERE ON SATURDAY IS STILL IN DOUBT

Whether Randall will be allowed to play against Ottawa here on Saturday is still in doubt. The Toronto defence man missed the train yesterday, and will not be home till this morning. His side of the trouble is still to be determined, and then President Quinn will take definite action. If he is barred, his loss will be felt. Harry Meakin's suspension has been lifted, and he will be given another chance Saturday. The Toronto players emphatically deny that Randall hit Stavenau when the latter was lying on the ice. Stavenau made an attempt to charge Lesieur, and Randall protected the blue shirt's goal. The injury was mostly faked.

Torontos had a light workout yesterday. Several of the players were absentees thru being rested up. Light practices will be the order this week.

If the Toronto team wins at Ottawa Saturday, they will have broken the record for the N.H.A. with six straight wins at home.

## CRACK HOCKEY TEAMS TO PLAY AT ARENA

Hundred and Twenty-Seventh Battalion Seven Will Meet Fast Local Players.

Toronto hockey fans will be given the opportunity next week of seeing one of the rural battalion hockey teams in action. The arena management are arranging to bring the 127th Battalion Battalion crack team down from the north to play a local military team. The 127th are reported to be a worthy outfit and have been coached by Lieut. H. B. Smith, a well-known western player.

## Jess Willard Will Start Training This Week in New York

CHICAGO, Feb. 22.—Tom Jones, manager of Jess Willard, stated tonight that the fighter and his party would leave for New York next Thursday night. He said Willard's cold had almost disappeared and that he would begin training in earnest upon his arrival at New York for his bout with Frank Moran.

According to Tex Rickard, the promoter of the Willard-Moran bout, the big fight will take place at Madison Square Garden on March 25 as scheduled.

According to a New York despatch, Rickard said: "That Chicago story about Willard being ordered to bed is wrong. I am quite sure that the bout will take place on March 25, and I am confident that there is too much money in it for Willard for him to take any chances of spoiling the bout."

"Jones told me over the long-distance phone that he had made all arrangements to bring the champion here tonight, the next few days. He asserted this positively, and I understand that he has made arrangements with the Pioneer Club to have Willard work out there in the gymnasium."

The public sale of tickets for the fight began this morning in an office on the second floor of the 24th street side of the Garden.

## BOUITS IN NEW YORK.

NEW YORK, Feb. 22.—George Chip of Chicago, middleweight champion, lost on a foul to young Albert of this city, in the fifth round of a 10-round bout in the Garden. Albert, a decided lead when Albert claimed a foul in the fifth round. The club's physician examining Albert, stated that he had been hit low on the body and the referee allowed the claim. In another bout, the Chicago heavyweight, scored a technical knockout over Jim Stewart of Brooklyn, the latter throwing up the sponge in the sixth round. Stewart weighed 200 pounds and Stewart 212 pounds.

## BANTAMS FIGHT A DRAW.

NEW BEDFORD, Mass., Feb. 22.—A 12-round bout between Johnny Ertle of this city and Al Shubert of New Bedford, a featherweight championship, and Al Shubert of this city, was declared a draw today.

## LIMIT OF PLAYERS FOR SOCCER CLUBS

At the meeting of the directors of the T. & D. F.A. it was decided that the club shall be allowed, after May 22, to have more than eighteen registered players in their list. All surplus players must be placed in the transfer list. It was also decided to run two leagues, one to be confined to battalion teams of the Canadian expeditionary forces raised in Toronto and district, and the other to form a civilian league, the two to play off in the championship. An emergency committee, consisting of Messrs. Guthrie, Hagan, Spence, and appointed. Clubs are reminded that all entries accompanied by a fee of five dollars, must be sent to the secretary or to the treasurer not later than March 31.

## NO DISTRICT CUP FOR THE TORONTO GRANITES

Stroud and Owen Sound Are Left to Play the Final Curling Game.

Stroud, a hamlet up north, near Barrie, put away the Granite District Cup rinks yesterday afternoon at Queen City in the semi-final round. The Toronto players could not get going, being outshined from the start. Granites put away Hamilton Thistles, and Stroud accounted for Peterboro in the preliminary, both games decided on the last end.

Galt showed championship form in the morning game with Belleville, but Owen Sound had drawn the bye, made it apparent that there was some mistake. Thus Owen Sound and Stroud are left to play the final for the junior championship of Ontario. Scores:

## Winnipeg Rink Won The Grand Aggregate

WINNIPEG, Feb. 22.—Winnipeg's greatest and most successful curling team in many years was concluded here tonight, as the Winnipeg rink, captained by the champions of the monster curling carnival, Hallock won 14 games and lost but one in the open events. Today he disposed of Gillespie of Moose Jaw in the semi-finals of the "Haley" Cup, and followed it up by beating Braden of the Granites in the final. Hallock and Gillespie tied for second place in the grand aggregate.

Gillespie, who was teamed up with him, he captured the McLaren, an open event, by a wonderful shot in the twelfth, when he beat Braden of the Granites in the final. He was a similar manner from Hewitt of Regina, the latter having a long shot on the four-foot ring when the Moose rink was down right into the two-foot ring for a shot.

## DETROIT CURLERS LOST TO TORONTO BY 16 SHOTS.

Prohibitionists Rampant

Well: New Zealand has, like Britain, the United States, and Canada, a very active teetotal and prohibition party, possessed of one idea, that the most important thing in the world is to prevent all the rest of the people from drinking; and from 1894 up to the present time there have been continual efforts to cut down licenses, extend the area of local option, and ultimately to obtain absolute total prohibition.

Result of Official Enquiry

Mr. Edward Carson, who was requested by the Premier of Western Australia to conduct an official inquiry into the working of the liquor laws of other Australasian States, and who presented his report to the Legislative Assembly of Western Australia, says that the introduction of "No-Licenses" has not appreciably, if at all, influenced the habits of the people of New Zealand.

Prohibition a Failure Even in NEW ZEALAND

NEW ZEALAND, our Sister Dominion beneath the Southern Cross, tells the old, old story of the failure of Prohibition; and this story comes with peculiar force, for New Zealand has, perhaps, more than any other land, essayed experiments in all kinds of economic and sociological work.

Increased Consumption of Beverages

Again, the New Zealand correspondent of that great Liberal paper, The "Manchester Guardian," says: "Notwithstanding the advance of 'No-Licenses' voting, drinking has substantially increased." The correspondent then goes on to say that, when districts representing 37.82 per cent. of the voters were "dry," the per capita annual expenditure on liquor for the whole population was £2 19s. 8d.; when 42.23 per cent. were "dry," £3 4s. 9d.; when 48.88 per cent. were "dry," £3 10s. 10d.; and so on in an ascending scale.

Result of Official Enquiry

Mr. Edward Carson, who was requested by the Premier of Western Australia to conduct an official inquiry into the working of the liquor laws of other Australasian States, and who presented his report to the Legislative Assembly of Western Australia, says that the introduction of "No-Licenses" has not appreciably, if at all, influenced the habits of the people of New Zealand.

Drunkennes

Again, in 5 years the arrests of separate persons for drunkenness increased from 8,707 to 10,657, although, according to this same gentleman, only a fraction of the offenders reached the courts; and in the 5 years before No-Licenses the cost of the Dominion Police Force decreased by 2 per cent., the cost per inhabitant decreasing 10 per cent.; while during the 14 years after No-Licenses the Force increased 51 per cent. and its cost per inhabitant 24 per cent.

Important veins of working mines in Hollinger-Pearl Lake area of Porcupine.

The Hollinger-Pearl Lake area is the more developed district in the... Canada's Leader and Greatest... Store, 105 Queen Street West... Adelaide 2573.

On this area there are now five miles... extracting gold. The Hollinger, McIntyre, Porcupine Crown, Vipond and Schumacher. The Hollinger mill has a capacity of 1,600 tons a day and last year extracted over two million dollars in gold.

Big Plans for Future. That the 100,000 tons a month, though a monstrous amount, is only sufficient for the immediate future if progress in the mine is to be kept up, will be readily granted.

Half-Mile Crosscut. The management of the Canadian Mining and Finance Company expect that the half-mile crosscut between the central shaft and Hollinger No. 5 will reveal some important ore bodies.

Economic Findings. The porphyry system of prospecting intelligent and active development work produced some encouraging results during the last few weeks.

Porcupine Crown Area. The Porcupine Crown has paid particular attention to one vein. The first work done by the company was on a vein that was lost on the 100-foot level, but diamond drilling revealed the vein from which ore is being hoisted.

McIntyre Improving. The McIntyre, or second mine in the Hollinger-Pearl Lake area, has two series of veins from which ore is being milled. Four veins on the south side of Pearl Lake are now supplying half of the output of the mill.
