MONTHLY CONFAB OF TOWN FATHERS

Application of Imperial Oil Company Granted—Committees Appointed

At the regular meeting of the Town Council on Monday evening, Dr. MacIntosh, the newly elected alderman for Ward 3, was sworn in and took his seat, and as this was the first meeting with a complete Board of aldermen the standing committees for the year were appointed as follows, the first named being the chairman in each case: Finance—Morgan, Kelly, Aiton. By-Laws—Aiton, Kelly, Morgan. Fire—Kelly, Baker, Aiton. Streets—Baker, Britton, MacIntosh. Police—Britton, MacIntosh, Morgan. Poor—MacIntosh, Britton, Baker.

Mr. Thompson of the Imperial Oil Co. was present and discussed with the Board the matter of locating oil tanks on the Cummings land on the eastern side of the railway track. He described the method of erecting these tanks which he claimed were absolutely safe. J. E. McCollom, H. R. Nixon and other property holders were heard in opposition to the scheme.

Finally a resolution was passed authorizing the company to locate tanks within the town at not less than 100 feet from any building, and according to the rules and regulations of the N. B. Board of Fire Underwriters the site selected to be approved by a committee of the council.

On account of the absence of Ald. Morgan, the "Finance Minister" of the town, the town budget will be presented at a special meeting to be held later in the month.

Household Science Courses For Perth

Early in March will mark the opening of the 1820 Short Courses in Household Science put on by the Women's Institute Division of the Department of Agriculture for the benefit of the women and girls throughout New Brunswick. One of these courses will be held at Perth, the date to be announced later.

Each day for ten days, classes will be held in cooking, millinery and nursing—a splendid exemplification of intensive practical training.

The classes in cookery under Miss Elizabeth Nutter, H. Sc., will be given excellent instruction in theory of foods and practice in making of soups, cooking of fish, meats, vegetables, making of salads, desserts and cakes, preparation and serving of

meals—breakfast, luncheon or supper and dinner.

Miss Anne Love will efficiently conduct the millinery classes through the intricate processes of making and trimming hats.

Of special interest will be the lectures and demonstrations in nursing given by Miss Alice Landry, R. N. Miss Landry has for the past year been with the Victorian Order of Nurses, Halifax, and comes to us highly recommended for her work.

BIGGEST LUMBER CUT ON RECORD

Reports from F. E. Sayre's camps are to the effect that while operations during the first months of the winter were handicapped by the lack of snow progress in yarding the five million cut has been greatly impeded since February 1 by altogether too much snow. The cut for the upper mill is a little less than usual while for the lower mill it is about the same as last year.

G. W. Johnson's new mill at Upper Brighton is about to start and will be in operation until late in the summer. The following report from St. John will interest all lumbermen:

Notwithstanding a severe winter, the log cut in New Brunswick is larger than anticipated last fall. North Shore operations have been twenty-five per cent greater than at first estimated. The highest prices for logs ever known in this province are being paid, the quotations having reached \$30 in several instances. The lumbermen had to contend with a light snowfall early in the winter, but an excessive amount last month. Many of the operators have also been handicapped by lack of late supplies, especially oats, due to the blockade on railroads and branch lines. Nevertheless an immense amount of work has been done and operators are encouraged by the presence of heavy snow which probably means splendid driving conditions, even if it for a time retards hauling.

London—McWaid

On March 3 a quiet marriage was solemnized at the home of Mr. and Mrs. Percy London, of Lower Brighton, when their eldest daughter, Ethel Lois, and Clifford Howels McWaid, of Centreville, were made man and wife. The ceremony was performed by Rev. E. A. Trites. The bride, a popular young lady, was prettily gowned in white silk. Mr. McWaid owns a large farm on which they will make their future home. Their many friends join in wishing Mr. and Mrs. McWaid a long life full of happiness.

Mrs. Augusta Evans Jonah

The death of Mrs. Augusta Evans Jonah occurred on February 14 at the Maine Eye and Ear Infirmary, Portland, Me., after a brief illness of influenza followed by pneumonia. Mrs. Jonah was the widow of Dr. Horace V. Jonah, of Eastport, whose death occurred about seven months ago. Mrs. Jonah was born at Florenceville, the eldest daughter of the late John and Harriet McCain. In early life she graduated from the Boston School of Education, and was also a very efficient trained nurse, having completed the studies in this profession in a

"OPEN HAND" AN ASSURED SUCCESS

Already More Than 500 Copies Sold and Orders Come From All Parts.

Several weeks ago The Observer announced that if it could secure a certain number of signed orders for the book it would undertake the reprinting of "The Open Hand," a tale of early pioneer times in Northern Maine and New Brunswick. Although the announcement appeared in but two issues there have been responses from all parts of Maine, from Massachusetts, many western states, to say nothing of every province in Canada. Of course the greatest number of applications for the book come from Western New Brunswick and Acrostook and Penobscot counties in Maine. Instead of an edition of 500 as at first announced, we shall print 1000 copies, and feel sure that we will speedily dispose of the edition.

We wish those who have applied for copies of this book to recall that we could not decide for certain whether we should print it or not until we secured a sufficient number of orders to guarantee us against loss. We hereby announce that the "Open Hand" is due to appear in June, 1920, the earliest possible date that such a work can be brought out.

Some have written us asking acknowledgment of their orders, or asking why the books do not come. The foregoing is the answer to all such inquiries.

The price of "The Open Hand" will be \$1 payable upon delivery of the book. The format will be a 9x12 inch page on India tint, antique paper with brown Indian cover, tied with brown silk cord—a very attractive souvenir and memorial of the early pioneers.

Fear a Great Freshet

If Hartland isn't entirely inundated when the freshet comes a great many prophets will be proved false. But it looks very certain that all that considerable portion of the town lying between the railroad track and the foot of the hill will be covered with six to 10 feet of water any time a warm rain should come. The immense quantity of snow/banked along the railway forms an impenetrable dyke nearly ten feet in height, and there is only one small culvert to carry the water away. At the present time this is plugged up with snow and ice and it is the duty of the railway to have it cleared out before a thaw.

All along the river there is evidence that a sudden freshet may do much damage. It is certain that whereas the ice is thicker and the snow deeper, and rains longer withheld than is in the memory of man, there is going to be "somethin' doin'" when the ice runs.

hospital at Portland. Being of a very lovable and unselfish disposition Mrs. Jonah had endeared herself to a wide circle of friends who will learn with deep regret of her sudden death.

Mrs. Jonah leaves one son, ten years of age, two sisters and a brother all living at Portland, a half sister, Mrs. W. J. Burr, Haverhill, Mass., and a half brother, Dr. K. W. Boyer, Waterville, Me.

McDONALD GAINS TWENTY POUNDS

Also Gets Rid of Rheumatism
After Tanlac Builds Him Up.

"If there ever was a time in my life when I felt better than I do since taking this Tanlac I can't remember it," said Rod C. McDonald, the blacksmith, living at 4 Cunard street, Halifax, a few days ago.

"That spell of 'flu I had last fall," continued Mr. McDonald, "left me with stomach trouble and rheumatism and so weak and run down that I couldn't shoe three horses without being completely exhausted. I had no appetite and my stomach was so upset that even the sight or smell of food would nauseate me. I would often leave the table without eating a bite and when I did eat anything it seemed to do me little, or no good, as I fell off twenty pounds in weight. My nerves were so shattered that I would wake up at all hours of the night, never getting any sound sleep, and felt so bad in the mornings that it was all I could do to get off to the shop, and besides I just hurt all over with rheumatism. My legs, arms and shoulders seemed to ache clean to the bone. My joints would get stiff and I could hardly bend them in damp weather, especially, I couldn't make a move without suffering agony. There was a constant pain in the small of my back and my arms and shoulders were so stiff and painful that it was difficult for me to raise my hands up to my head. I was so stiff and aching in the mornings that I had trouble getting my clothes on and between the rheumatism and that tired worn-out feeling I was about 'all in'."

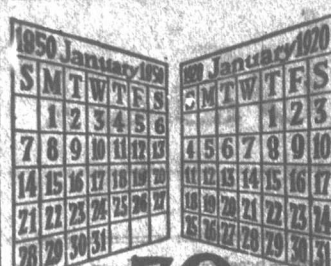

"Just before I started on Tanlac I had made up my mind to stop trying to work and go to the country and see if that would help me, for I was getting worse all the time. In the meantime I ran across a Tanlac testimonial that described my case so well that I concluded to see if the medicine would help me. Well, it has not only helped me, it almost made a new man of me. I have taken six bottles now and have gotten back twenty pounds of my lost weight already. My appetite is great and I am eating three hearty meals every day and my stomach never troubles me in the least. And as to the rheumatism, I haven't had a touch of it since I finished my second bottle of Tanlac. I believe it has left me for good for I can work ten hours a day and never feel a sign of it. I can go to bed at eight o'clock at night and sleep like a log until six the next morning. All that tired, weak feeling is gone and I can now shoe an average of twelve horses a day and still feel fine. I don't feel the effects of the 'flu now any more than if I had never had it. In fact, I am just feeling fine and can recommend Tanlac as by far the best medicine I have ever used."

Tanlac is sold in Hartland by Estey & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centreville by Stevens Bros., in Woodstock by E. W. Mair, in Benton by W. E. Porter, in River de Chute by Daniel B. Baird, and in Florenceville by A. B. Lovely and in Bath by Bath Drug Co., H. M. Foster, Mount Pleasant, John McIntosh, Glassville, Chas. L. Bent, Plester Rock.

70 YEARS

Seventy years ago when our grandparents were young, they treated their colds and coughs, etc. with what was considered the reliable cough medicine—

SHARP'S BALSAM

of Horehound and Anise Seed

Since then it has been the family remedy for coughs, colds, croup, sore throat, asthma. It was good for your grandparents and their children—it will do you and your children good.

IN MARCH 1852
Mr. M. Smith of Sudbourn, N.B., wrote: "For sixteen years I suffered from Asthma, often being obliged to sit in bed to prevent suffocating. I tried all the usual medicines, but without effect, until I obtained some Sharp's Balsam (which was recommended to me), and after using two bottles, I found the relief so long sought for."

When you need a cough medicine ask for this famous old remedy. Sold at drug and general stores everywhere—25c.

John Lynch returned to their respective homes last Monday having spent the winter on the Tobique.

E. H. Hoyt goes to St. John this week where he will receive treatment for cataract on the eye.

The Fort Fairfield basketball boys played Andover in the Specialty Thursday evening. The game resulted in a victory for the Andover team, score 29-26. A good number of spectators were present to witness the game which proved to be a very interesting one.

G. G. Porter is able to be out again after his recent illness.

Mrs. H. B. Murphy, who has been spending the past month in St. John, West, has returned home.

Judge Carleton was a business visitor in the two villages during the past week.

Miss Marie Scott, teacher of the Intermediate department, of the Andover Grammar school, received a message Tuesday, stating that her father was very seriously ill and if she hoped to see him alive to come at once. Miss Scott left by the afternoon express for her home in Penobscot, arriving too late to see her father who passed away two hours before she reached home. All extend sympathy to Miss Scott in her sudden and sad bereavement.

N. J. Wootton, who has been one of the victims of la grippe, is able to be out again.

The girls and boys of the Andover High School had a most pleasant evening last Tuesday. They left Andover at 7.30 with Misses Sisson and Wark as chaperones and enjoyed snow shoeing until half past nine, then repaired to the home of Mr. and Mrs. Hugh Ervin where they were served with an excellent hot supper by the host and hostess. After a pleasant hour they left for home.

Sherman and Harold Murphy left for Moncton Wednesday expecting to remain there for the rest of the winter.

Mr. and Mrs. D. R. Bedell are spending the week in St. John.

The body of Guy Cox, son of Thos. Cox, was brought to Andover from Grand Falls on Monday for burial. Interment was made in the Methodist burying ground. The funeral service was conducted by Rev. C. Flemington.

Mrs. James Howlett was taken to the Fisher Memorial Hospital for surgical treatment the early part of the week. Mrs. Howlett was accompanied by her daughter, Miss Sandra Howlett, who returned to Andover the day following.

Miss Gladys White, of Lower Parth, and Miss Tibideau, of Grand Falls, spent the week-end in town the guests of Mrs. Richard Smith.

Judge Barry, of Fredericton, is attending the sittings of Supreme Court which is being held in Andover this week.

Word came to Andover Saturday of the death of Mrs. M. Jane Ervin, of Fort Fairfield, who died in Houlton after an operation for gall stones and appendicitis. Mrs. Ervin was a sister of Hiram Murphy of Aroostook Junction.

tion and a cousin of Mrs. Stephen P. Waite of Andover. Mrs. Ervin's Andover friends regret to hear of her sudden death.

The Round Table Literary Club met Thursday evening with Mrs. H. W. McAlary. A most pleasant time was spent by those present. The next meeting will be with Mrs. H. Lee Bedell, March 11.

Mrs. E. E. Holt, of Fort Fairfield, spent a day or two recently with her daughter, Mrs. Guy Porter.

The ladies of the Bridge Club were pleasantly entertained Tuesday afternoon at the home of Mrs. W. A. Gillett.

Torture of the Inquisition

A Modern Example of Suffering

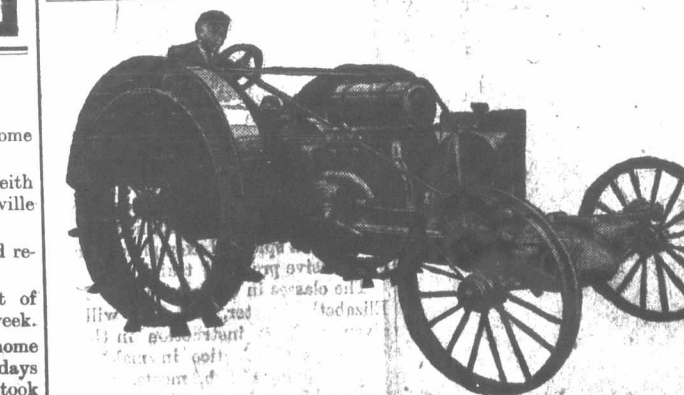

People suffer—suffer torments—with help at hand. Gin Pills can overcome pain in the most marvelous way—all the suffering which follows in the wake of weak or diseased kidneys, such as rheumatism, sciatic neuralgia, stone in the bladder, excruciating backache, stiff and swollen joints and ankles, yields quickly to the soothing, healing, strengthening power of Gin Pills, which contain Juniper and seven other valuable diuretics and antiseptics.

Mr. Arnold McAshe, of Hants, N.S., writes as follows:

"For a long time I suffered from a pain in my back and could not move without agony. I grew worse until confined to bed. A friend advised me to use Gin Pills. Before I had used one box I began to feel better. By the time I had finished two, I was completely cured. I cannot say too much in favor of these pills and I recommend them strongly to anyone suffering from kidney trouble."

At the first suggestion of pain in the back get Gin Pills from your druggist or dealer. Each box is guaranteed to relieve—or money back. 50c a box, sent on request.

Special Features Which Commend The Policy-Holders' Mutual Life Insurance Company to the Man with the Keen Business Sense

- (1) It is classed by the Insurance Department as a Mutual Life Insurance Company with Auxiliary Joint Stock. It therefore has the advantages of the mutual with the guarantees of a joint stock company.
- (2) Premium rates are lower than for corresponding policies in other companies.
- (3) The basis of profit distribution is fixed by its act of incorporation; each policy holder sharing its proportion to the amount of reserve to the credit of his policy.
- (4) Absentees are placed in a separate class and receive in dividends the benefit of their superior mortality.
- (5) Policy Holders and Stock Holders vote on an equal basis; the stock holder has one vote for each share of stock; the policy holder one vote for each thousand dollars of insurance.

- (6) Whenever a premium is due the policy holder has the privilege without notice to the company, of paying it monthly, quarterly, semi-annually, or annually, as best suits his convenience at the time.
- (7) Policy holders have the privilege of a free annual medical examination to be made by the company's medical officer.
- (8) The Company has made arrangements with a leading accident company for the issuing of a supplementary policy at a nominal figure, by which if the assured should die from an accident, the amount of his insurance would be double that of the amount of his life policy.

All these advantages are not to be obtained in any other one company. If not fully protected, let us show you a plan suited to your needs. Tremendous advance in business reported—seven months' returns to date exceed total business of any full year.

A CLERGYMAN'S RECOMMENDATION

The Zam-Buk Co.
Dear Sirs:
Appreciating what your balm has done for me, I should like an opportunity of recommending it to others who may be similarly afflicted. For the last forty years I have had a patch of eczema on my right hand. I tried in every possible way to get rid of it—had treatment from several doctors and tried innumerable remedies, but received no lasting benefit. If a remedy eased it or cured it for a time, it always returned as bad as ever. One of my friends is a great believer in Zam-Buk, so I decided to give it a trial and sent first for a sample. You can imagine my amazement when even this small quantity brought me more relief than anything I had ever before used. I continued the use of Zam-Buk for two weeks, by which time the eczema, although of forty years standing, had entirely disappeared. That was one year ago, and there has been no return of it.

Yours sincerely,
J. H. HAYDEN
(Name of clergyman, from whom the above letter was received, will be sent upon request.)

Perth Locals

Mrs. Rainsford Lovely left last week for Wolfville, N. S., called there by the serious illness of her daughter, Mrs. H. A. Henshaw. She will remain indefinitely.

Winifred and Sheldon Green, young sons of Mr. and Mrs. Henry Green, and Wallace Lovely, son of Mr. and Mrs. Hanford Lovely, who joined the U. S. Navy in the summer, and who have just returned recently from a trip to Honduras, arrived home last week to make an extended visit with their parents. The latter has also been in active service. All three of these young men are being warmly welcomed and are attracting considerable attention, attired as they are, in sailors' apparel.

S. E. Waugh left Monday for Toronto to purchase a carload of horses. He expects to be gone about three weeks. He made a business trip to Florenceville on Thursday returning home on the late train.

Mr. and Mrs. T. Cole are being congratulated on the arrival of a little son at their home on Thursday night.

The Women's Institute met with Mrs. F. D. Sandler on March 3rd. Members answered to the Roll Call by hints on making housekeeping easier.

Miss Cassie Bishop visited at the home of her parents, Mr. and Mrs. S. Bishop of River de Chute, on Monday. Miss Hinkney accompanied her on the trip.

Several of our young folk enjoyed a snow-shoe tramp on Monday night.

Miss Muriel Baird, daughter of Mrs. Bertie Baird, who is attending Mount Allison college, returned home on Thursday to remain for two weeks as the college is closed on account of illness.

The many friends of A. Sisson, who has been so seriously ill for some time, will be glad to learn that his condition is somewhat improved.

No doubt it will be of interest to the many relatives and friends here and elsewhere of Mrs. Edward H. Duane, of Vallejo, California, to know that she recently passed through a very serious operation, in a hospital, in that city. Last accounts were to the effect that although still in a very weak condition she was doing as well as could be expected. Mrs. Duane was visiting relatives here last summer.

Henry Green left on Saturday night for North View, and other parts of the Tobique to visit relatives.

The basketball game between Fort Fairfield and the Perth and Andover teams on Thursday night caused considerable excitement. The score was 25-29 in favor of our team. This is the first game played here for some time; since the U. N. B. team played against our boys.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freecorn on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! A tiny bottle of Freecorn costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freecorn is the sensational discovery of a Cincinnati genius. It is wonderful.

GENUINE ASPIRIN HAS "BAYER CROSS"

Tablets without "Bayer Cross" are not Aspirin at all

Get genuine "Bayer Tablets of Aspirin" in a "Bayer" package, plainly marked with the safety "Bayer Cross." The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, prescribed by physicians for nineteen years and proved safe by millions for Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, and Pain generally. HARTLAND, N. B., MARCH 4, 1920

Councillor Smith Replies

Editor Observer: At the last session of the County Council I made certain remarks in reference to the management of the Fisher Hospital, which were reported in the official report of the Council proceedings and are now before the people of the county. No person connected with the hospital in any official position whatever has, to my knowledge, made reply to my statements.

An anonymous correspondent from Debec, however, in a recent issue of the Sentinel, without the courage to sign his own name, makes the courageous demand that I apologize or prove my statements. I do not consider that any party who has not the sand to sign his own name to a communication has any right to demand anything, but for the benefit of the Sentinel correspondent I will say that I stand by the statements made and that if the hospital authorities wish to investigate the matter I am prepared to prove the statements which I made.

The same correspondent lugs in the monument question, and says that I have displayed "malice" and "prejudice against remembering" our fallen soldiers. There seems to be a disposition on the part of certain individuals to prejudice me in the minds of the returned men, and to give the impression that I was opposed to anything in the way of a memorial for our fallen heroes. Nothing can be farther from the facts and the Sentinel correspondent, quite naturally, quotes nothing to prove his assertions, beyond his bold statement that I have displayed malice and prejudice, to which he is not man enough to sign his name.

The whole difficulty is that certain well meaning individuals proposed a monument in the town of Woodstock to be erected by the taxpayers of the county, and that every person who did not fall in with that particular idea was held up as an enemy of the returned men. Surely any councillor at the board was entitled to express his opinion or the opinion of the taxpayers who elected him without being subjected to such cowardly attacks as the Sentinel correspondent has seen fit to make.

The ground which I took at the Council and which I still take is that I was in favor of commemorating the memory of the fallen heroes in some way, but I was not bound to support the cut and dried scheme of the monument in the town of Woodstock.

I was in favor of each parish or locality having its own monument and pointed out that Jacksonville, Hartland, Bath and other localities in the county proposed erecting memorials by public subscription, and that it was unfair to tax the people of

these localities to build a monument in the town of Woodstock. The county has already put over \$6,000 in the poor farm, the buildings on which had to be entirely repaired making a total of not less than \$9,000 and I felt that if the town of Woodstock wanted a monument the people of the town should have applied to the Town Council and not to the County Council, leaving the people of the County outside of the Town free to erect such memorials as the people of each locality might prefer. Because I did not fall immediately in with the scheme I am branded as unpatriotic and as being unwilling to honor the memory of our fallen heroes. Whether there is any justification for this attitude I leave to the fair minded people of the county to judge.

Yours very truly,

FRED W. SMITH

Robert R. Gill

At Woodstock, on Saturday, Feb. 21, there occurred the death of Robert Reginald Gill, only son of Mr. and Mrs. Justus Gill of Washington. This young man was well known here and it will be remembered that his wife pre-deceased him only five months. He is survived by his parents and his three young children: also three sisters: Mrs. Ena Brittain, Bristol; N. S. Dow, Bellingham, Wash., and Mrs. A. S. Boyd, Portland, Ore. He was 34 years of age and was an Episcopalian. The funeral was conducted on Sunday last from A. Henderson's undertaking rooms and conducted by the Rev. F. Hazen Rigby. Interment was made at Woodstock.

Wanted—Five cords of green wood, cut ready for the stove. Will pay cash now for delivery in the fall. Apply at the Observer Office.

Source of Turpentine

Turpentine oil and resin are already being produced on a considerable scale in India by the distillation of pine resin. A new source of supply which, though comparatively small, may be valuable, especially for Indian use, has now been found in frankincense or gileadine. This material is obtained by the natives making incisions in the stems of Boswellia serrata, a tree widely distributed throughout the dry zone forests of Central India. The resinous substance which exudes from the cuts contains a kind of turpentine, a resin and a gum.

Investigations of the methods of separating these constituents in a marketable form have been conducted since 1912 by the forest authorities in India in co-operation with the Imperial Institute, and the results have been published recently in a paper by R. S. Pearson, forest economist, and Purnan Singh, chemical adviser, at the Forest Research Institute, Dehra Dun. The general conclusion reached, based on the results of numerous trials, is that turpentine oil is equal to good quality American turpentine oil.

The Happy Ending

"My darling," said a fond mother, who believed in appealing to children's tender feelings instead of punishing them, "if you are so naughty you will grieve mamma so that she will get ill and have to lie in bed in a dark room and take nasty medicine; and then she may die and have to be taken away out to the cemetery and be buried, and you — The child had become more solemn. He had an angelic smile overspread his face at his mother's last words, and throwing his arms about her neck, he exclaimed: "Oh, mamma, and may I sit beside the coachman?"

The music at Irish wakes was originally for the purpose of driving away evil spirits.

McLaughlin Valve-in-Head Service

McLaughlin Valve-in-Head motor cars are so designed and
manufactured as to render them capable of great serviceability
under a wide range of motoring conditions. Yet they are backed
by a service organization of more than 2000 Canadian dealers so
thoroughly organized as to make that serviceability continuous.
Every McLaughlin owner is entitled to and receives prompt and
efficient service—the kind that insures the uninterrupted use of
his investment. Our service department is in charge of a first
class mechanic with special training in the McLaughlin line.
While we are not soliciting more garage work, in fact we always
have more than we can attend to, we are particularly anxious that
McLaughlin owners get in touch with us in case they are not get-
ting entire satisfaction. Our interest in McLaughlin owners does
not cease when the car is paid for. The importance of service is
something the man buying his first car does not realize. With
the stock of parts we carry, and the stock at the Mc-
Laughlin branch at St. John, McLaughlin owners on this territory
have access to at least \$100,000 worth of parts which can be secured
within a few hours. McLaughlin parts cost less than others,
taking weight and quality into consideration.

MASONIC AT HOME, CENTREVILLE

The following unique invitation has been issued for the Mas-
onic At Home at Centreville:

Hail all ye children of Hiram Abiff!
Ye who have suffered for one little sniff
Of trifling diversion apart from our lodge,
We have prepared it, and if you will dodge
Down to our town, we'll provide it a plenty.
On the evening of Tuesday, March two, 1920,
Sherwood's Opera House will furnish a place,
May each brother be there with a bright smiling face.
We suffer no person to join our good frat,
Who carries two faces under one hat,
For that guy alone could enjoy himself there
Who can meet on the level and part on the square.
To lend to our evening that wonderful charm,
Each one bring a girl or two under your arm,
A wife or a sweetheart or both if you choose,
Here's hoping they ne'er meet to find out who's whose.
May those who are single get wives to their mind,
May those who are married, true happiness find.
The fun will begin at sharp eight by the clock,
The booster is welcome, but not those who knock.
No place for Killjoys with faces forlorn,
So sell your old hammer and buy a big horn,
For he's a good fellow and one that will last
Who makes hot fast friends, but makes his friends fast.
For jazz there arrives on the afternoon train
Knowles' singing orchestra, Fort Fairfield, Maine.
This in itself will be well worth the mon,
Although but a part of the evening's fun.
The rest is a secret, a right good one, that
The committee sees fit to keep under its hat.
Now the ladies who come from North, East, South and West
Are expected to share a small part with the rest,
Each body must bear in her right hand a cake,
Or should she prefer, she may otherwise take
In her left a few sandwiches of her own build
That she and her consort may eat and be filled.
And thus will provision be made for each gent
When the craftsmen from work to refreshment are sent.
So come one, come all, with this precept in mind,
Bring along all your joys, leave your troubles behind;
Make this a good time, stick out the glad mitt,
Show you're glad you're alive, be a sport, do your bit;
Let each help some other to have a good time
And we'll feel well repaid for this poor little rhyme.
On the next page you'll find if you scan it with care,
What wonderful things you will see if you're there.

An Indian Tale of Maine and New Brunswick

Founded on Historic Facts and Sustained by Tradition

Written by W. D. Kearney and printed in 1864 by W. S. Gilman at Presque
Isle, Maine

The Observer is about to undertake the re-printing of the above well-
known volume, now almost out of print. To print a new edition of this
quaint book involves an outlay upwards of \$500. Before we undertake the
work we must have a reasonable guaranty that we can sell a sufficient num-
ber at \$1.00 to pay us.

We feel certain that there are a number of people, especially among
the older generations, both in New Brunswick and Maine who would desire
a copy of this book. It will be printed in quarto form, 9x12in., and nicely
bound in stiff board covers. It will not be a large volume for the money
but it is certainly a volume that every descendant of the early pioneers will
want to own.

If you want one, please fill out the following blank.

Burial Permits

RURAL DISTRICTS

As there is at times, some difficulty experienced in
rural districts in obtaining permits for burial, the following
proviso from the Public Health Act, 1918, may be of in-
terest to those concerned:

Section 35..... "Provided, however, that
in country districts, a burial may take place with-
out such authority being given by the sub-
district Board of Health, so long as the cause of
death and notice of burial shall be given within
thirty days, by mail, to the sub-district Board of
Health by any of the parties mentioned in sub-
sections (a), (b), (c), and (d) of this section."

The Department of Health, however, requests that,
whenever at all possible, permits for burial may be obtain-
ed by the undertaker, and that only in extreme cases this
proviso be exercised.

LOCAL AND PERSONAL ITEMS

We are glad to note smiling faces on every hand since the release from last week's snow bondage. A genuine tie-up it proved, and our good town had the unique experience of having to do without having any mail for four days. Fortunately the telephone service was maintained throughout the blow, so that we were kept from real isolation. Up to the time of writing these notes the train on the R.R. Valley (the Great Now and Then), which left St. John on Wednesday hasn't arrived here. She stalled in one of the cuts just out from Woodstock, and heroic shovellers are still trying to find some signs of her. Not yet, but soon, we hope.

The Masonic At Home, which had been booked for March 2 has been, owing to the inclemency of the weather, postponed by the committee to the evening of Tuesday, March 9.

The young bloods of Florenceville East have been inoculated with the Dance Bug for fair. They are putting on another ball on Monday, March 8, and have secured Knowles' Orchestra for the occasion. These functions always provide good news for the jaxers of our own town.

Roland O'Hara left on Wednesday for Vancouver, to try conclusions with Dame Fortune in the Golden West.

J. J. Bull of the Soldiers' Settlement Board spent Wednesday and Thursday here, returning to Woodstock on Friday.

Alexander Campbell of Sydney, C. B., spent a couple of days in town last week.

R. J. Clark returned from a business trip on Friday.

The flu, although making serious inroads all around us, keeping all the doctors busily engaged both day and night fighting the contagion, has not arrived in town in any well defined case. We residents of this community should feel hourly grateful that we have so cleanly escaped and can only hope that we may be favored with the same immunity from the dread epidemic.

L. A. Moore of Woodstock, successor to the late F. B. Mcagher as school inspector, made his first official visit here on Thursday last. Mr. Moore had charge of the Superior school here in 1912.

Mrs. J. B. Champion spent last week in Bloomfield, the guest of Mrs. Benjamin London.

F. K. P. MacKenzie was peremptorily summoned to Fredericton on Saturday on account of the severe illness of Merritt Johnson and wife, his daughter and son-in-law.

Rev. John Rees-Jones, who with Mrs. Jones and son Franklyn, have spent the winter in Moose Jaw, is expected home soon and will resume his duties the first of the month or thereabouts.

Albert Buchanan of Hartland arrived in town last week and began an apprenticeship with H. E. Hagerman in his tonsorial parlour here.

Dr. H. W. Perkins had the misfortune to lose one of his horses on Sunday last following a long drive that day.

I. M. Jones of Knoxford spent Wednesday and Thursday in town.

Andrew and Clarence Galtup of Knoxford, are attending high school this winter.

Change of Business

Woodstock, N. B., 1920.

I beg to announce that I have today sold my drug business to Stevens Bros. who met such a heavy loss in the recent fire and who will continue the business under the name of Stevens Bros. All accounts due the Garden Drug Store will be collected by me. To Stevens Bros. I trust you will continue to bestow the same generous patronage placed with me during the past three years.

Respectfully,

Eldon B. Fisher

We beg to announce having lost everything in connection with our Drug business in the disastrous fire, we have today purchased the Drug Business of Eldon B. Fisher and will do our utmost to meet the demands of the public in the way of high class goods at fair prices.

END STOMACH TROUBLE, GASES OR DYSPEPSIA

"Pape's Diaprepain" makes sick, sour, gassy stomachs surely feel fine in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach-head-ache, you can get relief in five minutes by neutralizing acidity. Put an end to such stomach distress now by getting a large fifty-cent case of Pape's Diaprepain from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by food fermentation due to excessive acid in stomach.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Biliousness, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how bad your liver, stomach or bowels; how much your head aches, how miserable you are from constipation, indigestion, biliousness and sluggish bowels—you always get relief with Cascarets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases, take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet and head clear for months. They work while you sleep.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is sure evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its luster, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and fall—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knorlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!
