ARTICLES OF PUPIL TO DOMINION LAND SURVEYOR.

THESE ARTICLES OF AGREEMENT, made the day of one thousand eight hundred and , between A. B., of of Dominion land surveyor, of the one part. and C. D., of and E. F., son of

the one part, and C. D., of and E. I the said C. D., of the other part, witness :---

That the said E. F., of his own free will, and by and with the consent and approbation of the said C. D., doth, by these presents, place and bind himself pupil to the said A. B., to serve him as such from the day of the date hereof, for and during and until the full end and term of three years from hence next ensuing, and fully to be completed and ended:

And the said C. D. doth hereby, for himself, his heirs, executors and administrators, covenant with the said A. B., his executors, administrators and assigns, that the said E. F. shall well and faithfully, and diligently, according to the best and utmost of his power, serve the said A. B. as his pupil in the practice or profession of a Dominion land surveyor, which he, the said A. B., now followeth, and shall abide and continue with him from the day of the date hereof, for and during and unto the full end of the said term of three years:

And that he, the said E. F., shall not, at any time during such term, cancel, obliterate, injure, spoil, destroy, waste, embezzle, spend or make away with any of the books, papers, writings, documents, maps, plans, drawings, field notes, moneys, chattels or other property of the said A. B., his executors, administrators or assigns, or of any of his employers; and that in case the said E. F. shall act contrary to the last mentioned covenant, or if the said A. B., his executors, administrators or assigns, shall sustain or suffer any loss or damage by the misbehavior, neglect or improper conduct of the said E. F., the said C. D., his heirs, executors, or administrators or assigns, and make good and reimburse him or them the amount or value thereof:

And further, that the said E. F. shall, at all times, keep the secrets of the said A. B., in all matters relating to the said business and profession, and will, at all times during the said term, be just, true and faithful to the said A. B., in all matters and things, and, from time to time, pay all moneys which he shall receive of or belonging to or by order of the said A. B. into his hands, and make and give true and fair accounts of all his acts, and doings whatsoever in the said business and we have a start delay. in the said business and profession, without fraud or delay, when and so often as here to the said of the said will when and so often as he shall thereto be required; and will readily and cheerfully of readily and cheerfully obey and execute his lawful him. reasonable commands, and shall not depart or absent him self from the service or self from the service or employ of the said A. B. at and time during the said town time during the said term, without his consent first had and obtained, and shall from the obtained, and shall, from time to time, and at all diligence during the said term, conduct himself with all due diligence and with honesty and solving

And the said E. F. doth hereby, for himself, covenant with e said A. B., his executors and the said A. B., his executors and the said the the said A. B., his executors, administrators and assigns, serve he, the said E. F., will truly here the said the said E. F. and the said the sai he, the said E. F., will truly, honestly and diligently serve the said A. B. at all times for the said A. B. at all times for the said A. B. the said A. B. at all times, for and during the said term, as a faithful pupil ought to do in a during the said term the a faithful pupil ought to do, in all things whatsoever in the manner above specified . of lawful

Life preservers for other boats.

Description of life preservers,

5. Every steam-boat not employed in the carriage of pasting prosengers, and every steam-boat to which the foregoing when visions of this section do not apply, shall, at all times when the crew thereof is on based the crew thereof is on board, be provided with a life preserver for each one of the crew :

6. All such life preservers shall be made of the size and aterial approved of her the material approved of by the inspector, and shall be fitted with shoulder strang and for with shoulder straps and fastenings suitable for securing all at all same around the body under the arms; and they shall, at all times, be kept in some times, be kept in some convenient and accessible places, in

the staterooms or on the deck of such steam-boat, under cover and in realiser on the deck of such steam-boat, under cover and in readiness for immediate use; and each such life preserver shall t preserver shall have a buoyancy of at least sixteen pounds:

7. A cork jacket, with shoulder straps and waist lines for Cork jackets. fastening the same around the body, shall be the form of life preservers to 1 and a sound the body, shall be the form of life preservers to be used on passenger steamboats. 45 V., c. 35, 88, 33, part 25 88, 83, part, 35 and 86.

81. Nothing in the two sections next preceding shall Ferry boats apply to ferry boats or tug boats plying elsewhere than on and tug boats. the River St. Lawrence. 45 V., c. 85, s. 84.

82. The Governor in Council may, at any time, order and Ferry boats direct that the provisions of this Act, in so far as such pro- may be ex-visions extend to the provision of this Act, in so far as such pro- empted. visions extend to the carrying of boats and life preservers, shall not, at any time or during any time specified in the Order in Grant time or during any time specified in the Order in Council, apply to any ferry boat specially mentioned in such order, and the Governor in Council may order and direct that direct that such other provisions, as he deems advisable with reasons that such other provisions, as he deems advisable with respect to the carrying of boats and life preservers on Such ferry boat, shall be applicable to and shall be enforced in respect of a shall be applicable to and shall be enforced

in respect of such ferry boat. 45 V., c. 85, s. 87, part.

38. Every steam-boat registered in Canada, or to which Life buoys. this Act applies, shall carry at least one life buoy with a proper beauties, shall carry at least one life buoy with place proper heaving line attached, in some convenient place where it can be easily got at for use in case of accident requiring it. 45 V., c. 85, s. 87, part.

PRECAUTIONS AGAINST FIRE.

84. Every steam-boat employed in the carriage of passen- Fire apparent whether the state of the second passen of t Rers, whether by sea, bay, lake or river navigation, shall be on passenger provided with a bay, lake or river navigation, shall be on passenger provided with and have on board, in some convenient place, boau. hot least than twenty-five sufficient fire buckets of metal or leather, five sufficient fire buckets af metal or leather, five axes, and six good and sufficient lanterns approved of by the inspector: Provided always, that passen- Proviso: ger steam. by the inspector: Provided always, that passen- Proviso: ger steam-boats of more than seventy-five and less than one number. hundred and fifty tons gross shall not be required to be provided with and have on board a greater number of fire buckets than twelve, and that passenger steam-boats of seventy-five tons gross and under, and steam tugs under one hundred and the gross and under, and steam tugs under one hundred and fifty tons gross, shall not be required to be provided and fifty tons gross, shall not be required to fire provided with and have on board a greater number of fire buckets than six. 45 V., c. 85, s. 88.

85. Every steam-boat not employed in the carriage of And on other passengers and every steam-boat to which the provisions of steam-boats. With and have on board in convenient places a number in

due proportion to that of the crew of good and sufficient fire buckets of metal lumber of buckets of metal, leather or other suitable material, and 45 axes and lanterne to the axes and lanterns to the satisfaction of the inspector. 45 V., c. 35, s. 33 V., c. 35, s. 33, part. Re-drafted.

Further precautions against fire.

36. Suitable and safe provision shall be made through at every steam boot to out every steam-boat to guard against danger from fire; and no combustible material 11 11 no combustible material, liable to take fire from heated in and or any other heat command in and or any other heat generated on board any steam-boat, in and about the boilers minor any steam-boat at less about the boilers, pipes or machinery, shall be placed at less than six inches distances for machinery. than six inches distance from such heated metal of is ⁸⁰ substance likely to some from such heated metal is ⁸⁰ substance likely to cause ignition; and when wood is so exposed to ignition if the literation is and when work be exposed to ignition, it shall, as an additional preventive, be shielded by some income in the shall, as an additional preventive, manner shielded by some incombustible material, in such material as to allow the air to circulate freely between such material and the wood material and the wood : metallic vessels or safes shall be provided and kept in some conversion of the star waste, and kept in some convenient place to receive cotton waste, hemp, and other independent of the receive cotton in use hemp, and other inflammable substances, which are in use on board :

Inspector may authorize deviations from usual requirements.

2. If the structure of the steam-boat is such, or the arrange ment of the boiler or machinery is such, that the requirements aforesaid cannot with the requirements aforesaid cannot with the requirements aforesaid cannot with the requirements aforesaid cannot with the requirements aforesaid cannot with the requirements aforesaid cannot with the requirements aforesaid cannot with the requirements aforesaid cannot with the requirements aforesaid cannot with the requirements aforesaid cannot with the requirements aforesaid cannot with the requirements aforesaid cannot be a set of the requirements aforesaid cannot with the ments aforesaid cannot, without serious inconvenience or sacrifice, be complied with the serious inconvenience devise sacrifice, be complied with, the inspector may allow deviations from the said recurring the inspector may allow it can tions from the said requirements, if in his judgment it can be done with safety

Inflammable matter.

Uncovered lights not allowed.

8. Inflammable matter, when carried on any steam-boat, all invariably be stowed shall invariably be stowed away as far as possible from the boiler, and from places with a way as far as possible from the boiler, and from places where its ignition is possible: 4. No fire or lighted lamp, candle or other artificial showed light by which fire may be communicated, shall be allowed in any stateroom of any stateroom

in any stateroom of any passenger steam-boat, or in 45 steerage thereof, unless in a steerage thereof. steerage thereof, unless in a locked and glazed lantern. **V.,** c. 85, s. 89,

Force pumps and hose.

Hoes wrenches. and supply pipes.

87. Every steam-boat carrying passengers shall have at ast three double-setting for the passengers shall have at least three double-acting forcing pumps, with chambers at least four inches in discourse pumps, with chambers di least four inches in diameter, two to be worked by hand, and one by steam if the state of the st and one by steam, if steam can be employed independently of and not worked by the can be employed independently by hand, ----------one whereof shall be placed near the stern, one near the stern and one near the stem, and one amidship, each having the two-thirds length of the steam-boat, kept at all times in perfect order, clear of frainkt order, clear of freight or other obstructions, with and coupled and ready for it other obstructions, with coupled and ready for immediate use; each pump coupling shall be provided with use; each pump coupling shall be provided with a hose wrench chained to the same, and each of the the same, and each of the said pumps shall be supplied with water by a pipe with water by a pipe connected therewith, and passing

39. Every steam-boat carrying passengers on the main or Means of lower deck, shall be provided with sufficient and convenient escape from lower to the upper deck, in upper deck. $f_{acilities}$ for the escape of passengers to the upper deck, in upper deck. ^{case} of fire or other accident endangering life. 45 V., c. 85, 8, 42

BN. Every steam-boat of more than sixty tons, registered Steam pony tonnage, carrying passengers, shall also be provided with a pump. steam Done Typing passengers, shall also be provided with a pump. steam pony pump that may be used as a fire engine, to be worked ind pump that may be used as a fire engine, to be Worked independently of the main engine ; such steam pony pump shall here as near as possible pump shall be placed on the main deck, as near as possible the analysis of the main deck, as near as possible the the control of the to the engine room, convenient to the control of the engineer room, convenient to the control of the the shall be coupled engineer; and in all cases the pump hose shall be coupled Hose to be to the pump and in all cases the pump hose shall be coupled. to the pony and hand fire pumps, ready for immediate use coupled. in Case of fire. 45 V., c. 85, s. 41.

requiring only one pump, such pump shall be placed aft, pump, it is to the state of ready access aft. anless the space forward is kept free to admit of ready access and to the purpose forward is kept free to admit of ready access and to the pump and hose, in which case the pump may be Exception. placed forward. 45 V., c. 85, s. 40.

force pump of suitable size, or if steam cannot be employed, use the suitable size worked by hand, shall be sufficient

hose attachments may be used, as is required : 4. In steam-boats under one hundred tons gross, one steam Vessels under mp of anitable and the amployed, one 100 tons. pump of suitable size, or if steam cannot be employed, one 100 tons.

³. Whenever there is or are fixed under the hurricane if there are the of any set there is or are fixed under the hurricane in diame-fixed iron index along deck of any steam-boat an iron tube or tubes equal in diame-fixed iron tubes along the house and the house and the house and the house along t ter to the hose carried by such steam-boat, connected with a deck with force pump of the hose carried by such steam-boat, connected with a deck with force pump or pumps, and extending at least one-half of her norries. length, and provided with nozzles placed at distances of not more than thirty feet from each other or from either end of the steam hard by the the steam-boat to which nozzles the hose carried by the ^{steam-boat}—to which nozzles the hose carries of that the house be readily attached,—it shall not be necessary that the hose should be of greater length than will be ^{sufficient} to reach from some one of such nozzles to either end of the strench from some one of such nozzles to either end of the steam-boat : and each nozzle shall be provided with a store the steam-boat : and each nozzle shall be provided With a stop valve or stop cock, so that one or more of such

in steam-boats where only one pump is used, such pump shall be placed as directed by the inspector:

2. In steam-boats not exceeding two hundred tons gross, As to vessels of such boats not exceeding two hundred tons gross, as to vessels of such boats not exceeding according ac t_{W_0} of such pumps (one of which may be the steam not exceeding two hundred tons groups for t_{W_0} of such pumps (one of which may be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam not exceeding two hundred tons groups for t_{W_0} be the steam hold to pump) may be dispensed with, and in steam-boats tons. of over two hundred tons, but not exceeding five hunexceeding 2(0 dred tons, but not exceeding not end pensed with the one of such hand pumps may be dispensed with; but in such cases the hose shall be of such ength as to ; but in such cases the hose shall be of such length as to reach easily to every part of the steam-boat; and

through the side of the steam-boat, so low as to be at all times in the water when the boat is afloat :

Chap. 74.

40. The Governor in Council may, from time to time, ake, alter or repeat when the first may are steaded as to carrying make, alter or repeal rules and regulations requiring steam extinguishers, boats to carry characterized for extinguishers, boats to carry chemical or other fire extinguishers, and pre-scribing the number of such f scribing the number of such fire extinguishers to be carried by steam-boats of different fire extinguishers to be carried by steam-boats of different sizes and classes respectively, and such rules and regulations and classes respectively in the and such rules and regulations shall be published in the Canada Gazette, and shall be Canada Gazette, and shall have effect and be enforced by the inspectors and others the inspectors and others as if part of this Act; and any violation thereof shall be and part of this Act; against violation thereof shall be punishable as an offence against this Act. 45 V. c. 85

Examination of engineers by the board.

May be on osth.

Certificate if found gunlified.

Renewable yearly.

Exception.

Provision if the board of inspection is not sitting when an applicant is found qualified.

41. Any person who claims to be qualified to perform the uties of a first, second on this to be qualified to perform the duties of a first, second or third class engineer on a steam boat, may apply for a costil boat, may apply for a certificate to the board of steam boat inspection, who shall arguing the board of steam to arguing the steam of the board of steam of the board of steam of the board of steam of the board of inspection, who shall examine, or shall cause an inspector of inspectors to examine the state of steam of that he inspectors to examine the applicant and the proofs that upon produces in support of his produces in support of his produces in support of his applicant and the proofs tnav such examination and provide the proof upon may such examination and proofs; and any such examination and proofs; and any such examination and if be upon oath, which any inspector may administer; and if the said board are satisfied the term and minister; of life knowledge and experience in the duties of an engineer are such as to qualify him to be duties of an engineer and board such as to qualify him to be such engineer, the said board shall give him a certificate to the engineer, the said and shall give him a certificate to that effect under the hand and seal of the chairman specificate to that effect under the hand has seal of the chairman, specifying the grade for which he has been found qualified. been found qualified ; and the said certificate, unless that of a first class engineer whether the said certificate in a standition of the said certificate in the said certificate is a standition of the said certificate is a standitis a standitic a first class engineer, shall, subject to the above conditions, be renewed yearly or often above conditions be so be renewed yearly, or oftener if applied for, and may the renewed by the chairman if applied for, and may the renewed by the chairman in the interim between the meetings of the board and and and the meetings of the board : and for every such certificate for applicant shall pay the Fees thereon, applicant shall pay the sum of five dollars, and Minister every renewal one dollars. every renewal one dollar, which shall be paid to the Minister of Finance and Receiver (of Finance and Receiver General, to form part of the Consoli-dated Revenue Fund of G dated Revenue Fund of Canada : Provided, that if the report of the inspector of the inspect report of the inspector or inspectors certifying the fitness of an applicant, is made at a time to the sector of the sector of the inspector of the sector o an applicant, is made at a time when the said board is not sitting, it may be sunt but sitting, it may be sent by such inspector or inspectors who the chairman or to the deputy chairman of the board, who may thereupon grant a superior chairman of the board, be in may thereupon grant a certificate to the applicant to be in force only until the there force only until the then next meeting of the board; and the fee paid by him shall and the fee paid by him shall not be returned if he does not then obtain a certificate from the be returned if he does not it he obtain a certificate from the board, but if he obtains it he

Revocation of license for

2. The certificate of any such engineer may be revoked by the said board upon proof of negligence, unskilfulness or drunkenness or in compared of negligence, unskilfulness or drunkenness, or in consequence of the finding of a coro ner's inquest, and man all the finding heard for ner's inquest, and may also be revoked by the board for any other cause, provided any other cause, provided such other cause is deemed sufficient by the Minister of Marine the cause is deemed sufficient by the Minister of Marine the cause is deemed sufficient by the Minister of Marine the cause is deemed sufficient by the Minister of Marine the cause is deemed sufficient by the Minister of Marine the cause is deemed sufficient by the Minister of Marine the cause is deemed sufficient by the Minister of Marine the cause is deemed sufficient by the Minister of Marine the cause is deemed sufficient by the minister of Marine the cause is deema and the cause is deema and the cause is deema and the cause is deema and the cause is deema and the cause is deema and the cause is deema and the cause is deema and the c cient by the Minister of Marine and Fisheries, and is certified as such by him :

CHAPTER 75.

An Act respecting the Navigation of Canadian Waters. HER Majesty, by and with the advice and consent of the Senatory by and with the advice and consent of the

Senate and House of Commons of Canada, enacts as W_{8} :____ follows :-

INTERPRETATION.

1. In this Act, unless the context otherwise requires :-

(a) The expression "vessel" includes every description of "vessel." vessel used in navigation ;

(b) The expression "ship" includes every description of "ship." ressel not propelled by oars;

(c) The expression "steam-ship" or "steam-boat" includes "Steam-boat" "ry vessel and the steam-ship" or "steam-boat" includes "steam-boat" "Very Vessel propelled wholly or in part by steam or by any ship." machinery or power other than sails or oars;

(d) The expression "ordinary practice of seamen," as "Practice of plied to put the ordinary practice of seamen." applied to any case, means and includes the ordinary practice of seamen." the of skilful and careful persons engaged in navigating the waters of comparison of the state o Waters of Canada in like cases ;

(e) The expression "Owner" includes the lessee or char- "Owner." terer of any vessel having the control of the navigation there-43 V of. 43 V., c. 29, s. 8.

REGULATIONS FOR PREVENTING COLLISIONS.

2. The following rules with respect to lights, fog signals, Extent of lakes and sailing and rafts, shall apply to all the rivers, the following with and rafts, shall apply to all the rivers. lakes and sailing and rafts, shall apply to all the inverse within Canada, or rules. Within the intern navigable waters within Canada, or rules. within the jurisdiction of the Parliament thereof: that is to

Preliminary.

Art. 1. In the following rules every steam-ship which is Steam-ships ider sail and a following rules every steam-ship which is Steam-ships under sail and not under steam is to be considered a sailing under steam. ship; and not under steam is to be consumer. whether and every steam-ship which is under steam, whether

Rules concerning Lights.

Art. 2. The lights mentioned in the following Articles, What lights in the following Articles, what lights and no others, shall be earlied. numbered 8, 4, 5, 6, 7, 8, 9, 10 and 11, and no others, shall be carried in all 4, 5, 6, 7, 8, 9, 10 and 11, and no others. shall be carried. carried in all weathers, from sunset to sunrise.

By steamships under WAY.

At foremast head

On starboard side.

On portside.

How to be

fitted.

(d) The said green and red side lights shall be fitted with inboard and red side lights shall be fitted with inboard screens projecting at least three feet forward from the literature forward for the literature forward from the literature forward from the literature for the literature forward from the

rafts, shall, in addition to her side lights, carry two hot less

white lights in a vertical line, one over the other, not less than three feet apart

than three feet apart, so as to distinguish her from other steam-ships; each of the steam-ships : each of these lights shall be of the same the same struction and character, and shall be carried in the same position as the white light shall be carried in the same position as the white light which other steam-ships are required to carry.

By steamships towing.

Lights and shapes, by steam or a ing shipe ba not under com. mand.

Art. 5. A ship, whether a steam-ship or a sailing ship, when employed either in laying or in picking up a telegraph cable, or which from any state of the picking up a telegraph cable, or which from any accident is not under command, shall at night carry, in the shall at night carry, in the same position as the white light

Art. 8. A steam-ship when under way shall carry-

- (a) On or in front of the foremast, at a height above the hull of not be the hull of not less than twenty feet, and if the breadth of the shire breadth of the ship exceeds twenty feet, and it at a height above the ball height above the hull not less than such breadth, a bright white line a bright white light, so constructed as to show are of an uniform and unbroken light over an arc of the horizon of twent the horizon of twenty points of the compass, so fixed as to throw the fixed as to throw the light ten points of the compassion of twenty points of the compassion of the ship to two side of the ship time is to two the light ten points of the ship time is to two the ship time is th side of the ship, viz., from right shead to such points abaft the beam on either side; and of such a character as to be an on either side; and of such a character as to be visible on a dark night, with a clear atmosphere a clear atmosphere, at a distance of at least five miles:
- (b) On the starboard side, a green light so constructed as to show an united side, a green light so constructed as to show an uniform and unbroken light over an arc of the barrier an arc of the horizon of ten points of the right pass; so fixed art pass; so fixed as to throw the light from right shead to two points. ahead to two points abaft the beam on the star to be board side; and of such a character as to visible on a dealer in the beam on the beam of t visible on a dark night, with a clear atmosphere, at a distance of the state of the at a distance of at least two miles;
- (c) On the port side, a red light, so constructed as to show an uniform and light, so constructed as are show an uniform and unbroken light over an arc of the horizon of the of the horizon of ten points of the compass, to fixed as to throw the points of the compass, to fixed as to throw the light from right ahead to two points about the light from right and two points abaft the beam on the port side; and of such a characteristic dark of such a character as to be visible on a night, with a character as to be visible of the second night, with a clear atmosphere, at a distance of at least two miles.
- forward from the light, so as to prevent these lights from being lights from being seen across the bow. Art. 4. A steam-ship, when towing another ship, a raft or fts, shall, in addition to be towing another ship, a bright

Art. 9. A pilot vessel, when engaged on her station on By pilot lotage double duty. pilotage duty, shall not carry the lights required for other duty. vessels, but shall not carry the lights required and all around the shall carry a white light at the masthead, visible around the shall carry a white light at the masthead, visible all around the horizon, and shall also exhibit a flare-up light or flare-up lights at short intervals, which shall never erceed fifteen minutes :

Uniform and unbroken light visible all around the horizon, and at a distance of at least one mile.

Art. 8. A ship, whether a steam-ship or a sailing-ship, By ships at hen at another, but another. but when at anchor, shall carry, where it can best be seen, but at a height of the hull, a at a height not exceeding twenty feet above the hull, a white light not exceeding twenty feet above then eight white light not exceeding twenty feet above the anity inches in din a globular lantern of not less than eight in a globular lantern of as to show a clear, inches in diameter, and so constructed as to show a clear,

To make the use of these portable lights more certain and Lanterns to be painted by the lantament of these portable lights more certain and be painted outside. easy, the lanterns containing them shall each be painted outside. outside with the color of the light they respectively contain, and shall be provided with proper screens.

Art. 7. Whenever, as in the case of small vessels during By small vessels in bad weather the case of small vessels during weather. had weather, the green and red side lights cannot be fixed, weather, the green and red side lights cannot be fixed. these lights shall be kept on deck, on their respective sides $f_{\rm he}$ vessed to be kept on deck. The spreach of or of the vessel, ready for use; and shall, on the approach of or their respective sides in to other vessel, ready for use; and shall, on the approximation of the sufficient times, be exhibited on their respective sides in such manner as to sufficient time to prevent collision, in such manner as to make them most visible, and so that the green light shall hot be seen on the port side nor the red light on the star-

Art. 6. A sailing ship under way, or being towed, shall By sailing-try the same time ship under way, or being a for a steam- motion. tarry the same lights as are provided by Article 8 for a steam- motion. the same lights as are provided by Article 5 for a successful she shall needs, with the exception of the white light, which

when making way shall carry them.

(b) The above ships, when not making any way through When to carry the model when to carry the side lights. the water, shall not carry the side lights, but side lights.

(a) These shapes and lights are to be taken by approach. What to increate them is ing ships as signals that the ship using them is not under command, and cannot therefore get out of the way;

which steam-ships are required to carry, and, if a steam-ship, in place of that limb required to carry, and if a steam-ship, in place of that limb required to carry, and if a steam-ship, in place of that light, three red lights in globular lanterns, each not less than ten inches in diameter, in a vertical line ^{one} over the other, not less than three feet spart : and shall ^{hy} day carry : by day carry in a vertical line one over the other, not less than three feet apart : and the set in three feet apart : and the set in three feet apart : and the set in three feet apart is the set in three feet apart is a set in the than three feet apart, in front of but not lower than her dent three feet apart, in front of but not lower than her bremast head, three black balls or shapes, each two feet in ^{diamet}er ;

Cargo to be received within 24 hours after notice of arrival.

To be at owner's risk thereafter.

What quan-tity of cargo shall be disСћар. 87.

CHAPTER 87,

1171

An Act respecting the Protection of Navigable Waters.

HER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :-

1. In this Act, unless the context otherwise requires, the Interpretaexpression "vessel" includes every description of ship, boat tion. or craft of any kind, and whether propelled by steam or "vessel." otherwise, and whether used as a sea-going vessel or on inland waters only. 37 V., c. 29, s. 5.

2. Whenever, in the opinion of the Minister of Marine Minister of Marine and and Fisheries, the navigation of any river, lake, bay, creek, Fisheries may barbor or other navigable water, over which the jurisdic- cause removal tion of the Parliament of Canada extends, is obstructed, of obstrucimpeded or rendered more difficult or dangerous by reason by wrecks, of the wreck, sinking or lying ashore or grounding, of any &c., in navi-vessel or craft whatever, or of any part thereof, or other this thing, the said minister may, under the authority of the Governor in Council, if such obstruction continues for more than twenty-four hours, cause the same to be removed or destroyed in such manner and by such means as he thinks at, and may use gunpowder or other explosive substance for that purpose if he deems it advisable, and may cause May sell Such vessel, craft, or its cargo, or the material or thing obstruction, or causing or forming part of such obstruction to be conveyed its cargo, &c., to such place as he thinks proper, and to be there sold by to defray anotice and the such obstruction of the such place as he thinks proper, and to be there sold by to defray anotice as the thinks proper, and to be there sold by to defray expenses of auction or otherwise as he deems most advisable, and may removal. apply the proceeds of such sale to make good the expenses plus of such proceeds to the owner or owners of the things sold, or other persons entitled to such proceeds or any part thereof, respectively. 37 V., c. 29, s. 1.

8. The owner, master or person in charge of any vessel or Notice to be craft or other thing, by which any such obstruction or ob- ence of obstacle as aforesaid is caused, shall forthwith give notice of struction. the existence of that obstacle to the said minister, or to the collector of customs, at the nearest or most convenient port, and in default of so doing shall incur a penalty of forty Penalty for dollars for every day during which he neglects so to do neglect. Without lawful or reasonable excuse; but neither such Proviso: as to notice nor anything in this Act shall be construed to existing laws erempt such owner, master or person from any obligation or responsibility with respect to such obstruction imposed

741

on him by any other law then in force, or to derogate from or impair any power or right vested by any such law in the Quebec Harbor Commissioners or Montreal Harbor Commissioners, or other authority with respect to such obstruction, and not incompatible with the powers hereby vested in the Minister of Marine and Fisheries. 37 V., c. 29. s. 2.

Cost of removal may be recovered from owner in certain Cases

4. Whenever, under the provisions of this Act, the Minister of Marine and Fisheries has, with the authority of the Governor in Council, caused to be removed or destroyed any obstruction or impediment to the navigation of any navigable water by the wreck, sinking or lying ashore or grounding of any vessel, craft or part thereof, of other thing, and the cost of removing or destroying the same has been defrayed out of the public moneys of Canada, and the net proceeds of the sale under this Act of such vessel, craft or its cargo, or the material or thing. which caused or formed part of such obstruction, are not sufficient to make good the expenses incurred for the purposes afore said and the costs of sale, the amount by which such Proceeds fall short of the expenses so defrayed as aforesaid, and such costs-or the whole amount of such expenses, if there, is nothing which can be sold as aforesaid—shall be recover able with costs by the Crown from the owner or owners of the vessel, craft or other thing which caused such obstruc tion or impediment; and the sum so recovered shall form 43 V., part of the Consolidated Revenue Fund of Canada. c. 30, s. 1.

5. No owner or tenant of any saw-mill, or any workman therein or other person shall throw or cause to be thrown, or suffer or permit to be thrown, any sawdust, edgings, slabs, bark or rubbish of any description whatsoever, into any navigable stream or river either above or below the point at which such stream or river ceases to be navigable; and every person who violates the provisions of this section shall, for the first offence, incur a penalty of not less than twenty dollars, and for each subsequent offence, a penalty of not less than fifty dollars:

Fishery tion.

2. The several fishery officers shall, from time to $time_{12}$ force this sec. examine and report on the condition of such navigable streams and rivers, and prosecute all persons violating the provisions of this section; and for enforcing the said provisions, such officers shall have and exercise all the powers conferred upon them for like purposes by "The Fisheries 36 V., c. 65, ss. 1, 2, part, and 3. Act."

Exemptions cases.

6. The Governor in Council, when it is shown to his by proclama-tion in certain satisfaction that the public interest would not be injuriously affected thereby, may, from time to time, by proclamation

CHAPTER 89.

An Act respecting Bridges.

HER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:--

INTERPRETATION.

Interpreta- tion.	1. In this Act, unless the context otherwise requires.
"Bridge."	(a) The expression "bridge" means and includes every bridge to which this Act applies ;
"Railway Committee."	(b) The expression "railway committee" means the railway committee of the Privy Council appointed under "The Railway Act." 35 V., c. 25, s. 2, part.
"Engineers."	(c) The expression "engineer" includes engineers, when more than one are appointed.

APPLICATION OF ACT.

To what works the Act applies. New.

2. This Act applies to every bridge and the approaches thereto, and the appliances or works appurtenant thereto, built or constructed, whether before or after the passing of this Act, by any company incorporated under the authority of, or which is within the jurisdiction of the Parliament of Canada, and which is not a railway company or subject to the control of the railway committee of the Privy Council, under "The Railway Act." 35 V., c. 25, s. 2, part.

GENERAL PROVISIONS.

Notice to be given before bridge is opened. **3.** No bridge shall be opened for public use until one the month after notice in writing of the intention to open the same has been given by the company to whom the bridge belongs, to the railway committee, nor until ten days after notice in writing has been given by the company to the railway committee, of the time when the bridge will, in the opinion of the company, be sufficiently completed for the use thereof with safety, and ready for inspection. 35 V., c. 25, s. 3.

Proceedings on receipt of such notice.

4. The railway committee, upon receiving such notice, shall direct an engineer attached to or employed by

the Department of Public Works, to examine the bridge proposed to be opened; and if the inspecting engineer reports; in writing, to the railway committee, that, in Postponement his opinion, the opening of the bridge would be attended if the bridge with danger to the public using the same, by reason of unsafe. incompleteness or insufficiency thereof, together with the ground of such opinion, the railway committee, with the sanction of the Governor in Council (and so on, from time to time, as often as such engineer, after further inspection thereof, reports to the same effect) may order the company to whom the bridge belongs to postpone such opening for a period not exceeding one month at any one time, until it appears to the committee that such opening may take place without danger to the public. 35 V., c. 25, s. 5.

5. No such order shall be binding upon any bridge com- Copy of repany unless a copy of the report of the inspecting engineer part to accomon which the order is founded is delivered to the company With the order. 35 V., c. 25, s. 7.

6. The railway committee, whenever it receives informa-Inspection of tion to the effect that any bridge is dangerous to the public bridge reported unsafe using the same, through want of repair, insufficiency, or may be erroneous construction, or from any other cause, or whenever circumstances arise which, in its opinion, render it expedient, may direct any such engineer, as aforesaid, to eramine and inspect the bridge, and upon the report of the engineer, may condemn the bridge or any portion thereof, or any of the works or appliances connected therewith, and, with the approval of the Governor in Council, may require Changes or any change or alteration therein, or in any part thereof, or may be re-the substitution of a new bridge or of any portion thereof, quired to be or the use of any materials for any part of the said bridge; made. and thereupon the company to which such bridge belongs, or the company using or controlling the same, shall, after notice thereof in writing, signed by the chairman of the railway committee, and countersigned by the secretary thereof, proceed to make good or remedy the defects in the bridge, or portions of the bridge which have been reported as insufficient, or shall make the change, alteration or substitution required as aforesaid by the committee. 35 V., e. 25, s. 8.

7. Any engineer authorized to inspect any bridge may, at Power of all reasonable times, upon producing his authority, if re- engineer. quired, enter upon and examine such bridge. 35 V., c. 25, 8. 11.

8. Every bridge company, and the officers and directors Company to thereof, shall afford to the inspecting engineer such infor-^{furnish} infor-mation as is within their knowledge and power, in all matters enquired into by him, and shall submit to such inspecting

pany order.

engineer, all contracts, plans, specifications, drawings and documents relating to the construction, repair, or state of repair of such bridge. 35 V., c. 25, s. 12.

Evidence of authority.

9. The production of instructions in writing signed by the chairman of the railway committee and countersigned by the secretary thereof, shall be sufficient evidence of the authority of any such inspecting engineer. 35 V., c. 25, s. 13. Re-drafted.

10. If, in the opinion of the inspecting engineer, it is dangerous for railway trains (if the bridge is intended for the passage of such trains) or vehicles, or passengers to pass over the bridge until alterations, substitutions or repairs are made therein, the engineer may forthwith forbid the run ning of any railway train or vehicle, as the case may be, or the passage of any passenger over such bridge, by deliver ing, or causing to be delivered to the president, managing director, or secretary, or superintendent of the company owning, using or controlling such bridge, a notice in writing to that effect, and his reasons therefor, in which he shall distinctly specify the defects or the nature of the danger to be apprehended. 35 V., c. 25, s. 9.

11. The inspecting engineer shall forthwith report the circumstances of the case to the railway committee, who, with the sanction of the Governor in Council, may either confirm, modify or disallow the act or order of the inspecting engineer, and notice of such confirmation, modification or disallowance shall be duly given to the bridge company affected thereby. 35 V., c. 25, s. 10.

12. No inspection had under this Act, nor anything in this Act contained or done, or ordered, or omitted to be done, from liability. or ordered under or by virtue of the provisions of this Act, shall relieve or be construed to relieve any bridge company of or from any liability or responsibility resting upon it by law, either towards Her Majesty or towards any person, or the wife or husband, parent or child, executor or administrator, tutor or curator, heir or personal representative of any person, for anything done or omitted to be done by such company, or for any wrongful act, neglect or default, misfeasance, malfeasance or non-feasance of such company, or in any manner or way to lessen such liability or responsibility, or in any way to weaken or diminish the liability or responsibility of any such company, under the laws in force in the Province in which such liability or responsibility arises. 35 V., c. 25, s. 14.

Orders of railway committee, how notified.

13. Every bridge company shall be deemed to have received sufficient information of any order of the railway committee, if a notice thereof, signed by the chairman and

Engineer may order use of bridge to be suspended.

Report to the railway committee

Inspection not to relieve company

CHAPTER 91,

An Act respecting Fisheries and Fishing.

HER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

SHORT TITLE.

Short title.

1. This Act may be cited as "The Fisheries Act." 31 V. c. 60, s. 24.

FISHERY OFFICERS.

Fishery officers may be appointed.

Powers and duties.

2. The Governor in Council may appoint fishery officers, whose powers and duties shall be as defined by this Act and the regulations made under it, and by instructions from the Department of Fisheries; and every such officer, if he is authorized by the Governor in Council to exercise the powers of a justice of the peace, shall for all the purposes of this Act and the regulations made under it, be *ex-officio* a justice of the peace, within the district for which he is appointed to act as such fishery officer. 31 V., c. 60, s. 1, *part*.

Oath of office.

Form

3. Every fishery officer shall take and subscribe an oath in the form following, that is to say:— "I, A. B., a fishery officer in and for the district described in my appointment, do solemnly swear, that to the best of my judgment, I will faithfully, honestly and impartially fulfil, execute and perform the officer and duty of such officer

fulfil, execute and perform the office and duty of such officer according to the true intent and meaning of the Fisheries Act and regulations, and in accordance with my instructions. So help me God." 31 V., c. 60, s. 1, part.

FISHERY LEASES AND LICENSES.

Fishery leases and licenses.

If for more than nine years. 4. The Minister of Marine and Fisheries may, wherever the exclusive right of fishing does not already exist by law, issue or authorize to be issued fishery leases and licenses for fisheries and fishing wheresoever situated or carried on; but leases or licenses for any term exceeding nine years shall be issued only under authority of the Governor in Council. 31 V., c. 60, s. 2.

COD FISHERY.

Nets for taking cod.

5. No one shall use mackerel, herring or caplin seines for taking codfish, and no codfish seine shall be of a less

1187

 a_{1}^{sized} mesh than four inches in extension in the arms, and three inches in the bunt or bottom of the seine. 31 V., c. ⁶⁰, s. 4.

WHALE, SEAL AND PORPOISE FISHERY.

6. Every one who hunts or kills whales, seals or porpoises Seals, &c., not by means of rockets, explosive instruments or shells, to be killed by shall or shells, rockets or shall be liable to a penalty not exceeding three hundred shells. dollars, and in default of payment to imprisonment for a Penalty. term not exceeding six months. 31 V., c. 60, s. 5.

This provision is suspended as to "whales" by O. C., 24th April, 1882.

7. Every one who, with boat or vessel, during the time of Sedentary fishing for seals, knowingly or wilfully disturbs, impedes fisheries not to be disturbed. or injures any sedentary seal fishery, or prevents, hinders or fightens the shoals of seals coming into such fishery, shall, Penalty. for each offence, be liable to a penalty not exceeding sixty dollars and, in default of payment, to imprisonment for a term not exceeding one month; and shall also be liable to pay such damages as are assessed by the fishery officer or justice of the peace before whom the person injured complains:

2. Disputes between occupiers of seal fisheries concerning Disputes as to limits and the mode of fishing or setting nets, shall be how settled. decided summarily by any fishery officer or justice of the Peace, by whom arbitrators may be appointed to assess damages, and any damages assessed or which arise out of a repetition or continuance of the difficulty ordered to be remedied, may be levied under the warrant of any fishery officer or justice of the peace. 31 V., c. 60, s. 6.

tee words in italics are inserted at the suggestion of the Parliamentary Commit-

SALMON FISHERY.

8. Salmon shall not be fished for, caught or killed, Close season between the thirty-first day of July and the first day of May, in the Provinces of Ontario and Quebec, and in the River Restigouche; or between the fifteenth day of August and the first day of March, in the Provinces of New Brunswick and Nova Scotia; or between the first day of September and the thirty-first day of December, in the Province of Prince Edward Island: Provided always, that it shall be lawful to fish for, catch and kill salmon with a rod and line, in the manner known as fly-surface-fishing, between the thirtieth day of Proviso: as to April and the thirty-first day of August, in the Provinces of Ontario and Quebec, and between the first day of February and the fifteenth day of September, in the Provinces of $N_{\rm N}$ New Brunswick and Nova Scotia :

The words in italics are inserted from O.C., 8th October, 1875. 75;

2. Foul or unclean salmon shall not be at any time caught or killed:

3. Salmon fry, parr and smolt shall not, at any time, be Fry, parr and smolt not to fished for, caught or killed, and no salmon or grilse of less weight than three pounds shall be caught or killed; but be killed. if caught by accident in nets lawfully used for other fish, they shall be liberated alive, at the cost and risk of the owner of the fishery, on whom, in every case, the proof of such actual liberation shall devolve:

Size of meshes of salmon nets.

4. Meshes of nets used for capturing salmon shall be at least five inches in extension, and nothing shall be done to practically diminish their size :

Use of nets regulated.

Ontario, &c.

Proviso: as to swing nets.

5. The use of nets or other apparatus for the capture of salmon shall, except in the Provinces of Nova Scotia and New Brunswick, be confined to tidal waters, and any fishery officer may determine the length and place of each net or other apparatus used in any of the waters of Canada; shall prevent Proviso: as to but nothing contained in this section the use of nets for catching salmon in the lakes of the Province of Ontario, or preclude the Minister of Marine and Fisheries from authorizing, by special fishery licenses or leases, the capture of salmon by nets in fresh water streams Provided, that no one shall fish for or catch salmon with swing nets in any of the waters of Canada : O.C., 28th April, 1868.

Boundaries of estuary fishing may be defined.

Penalty for fishing above limits, except with a rod and line, &c.

Distance of nets apart, & c.

7. All nets, or other lawful appliances for the capture of salmon, shall be placed at distances of not less than two hundred and fifty yards apart, without intermediate fishing materials of any kind being set or used in and about any other part of the stream:

8. No one shall drift for salmon, except in British Columbia, where drifting with salmon nets shall be confined to tidal waters; but drift nets for salmon in the said Province shall not be so set or used as to obstruct more than one-third of the width of any river:

O.C., 30th May, 1878.

The words "set or used" substituted for "fished" in line p nult, at the suggestion of the Parliamentary Committee.

6. The minister, or any fishery officer authorized to such effect, shall have power to define the tidal boundary of estuary fishing for the purposes of this Act; and every one who, without the special fishery lease or license above $p_{1,1}^{ro}$ vided for, fishes for salmon above the actual limit so laid down, except with a rod and line, in the manner known as fly-surface-fishing, shall be liable to a penalty not exceeding one hundred dollars, and in default of payment to imprison-

ment for a term not exceeding two months:

No one to drift for salmon. Exception.

Chap. 91.

1189

9. Any fishery officer may direct, either in writing or orally Further dison sight, that a greater space than two hundred and fifty yards tance between shall shall be left between salmon nets, or other fishing appar- prescribed. atus, and may prescribe their dimensions and extension: but gill or float nets shall not be used to lengthen, extend Proviso. or enlarge any other kind of fishery :

10. No salmon shall be captured within two hundred As to spawnyards of the mouth of any tributary, creek or stream which salmon frequent to spawn:

11. Except in the manner known as fly-surface-fishing Mode of kill-With a rod and line, salmon shall not be fished for, caught places. or killed at any artificial pass or salmon leap, or in any pool where salmon spawn:

12. Except under the authority and for the special pur-Salmon pose provided for in this Act, no one shall take, buy, sell, destroy, use or possess any salmon roe, or injure any spawning bed. 31 V., c. 60, s. 7;-38 V., c. 33, s. 1.

TROUT AND WHITEFISH FISHERY.

9. The following provisions shall be observed with respect to As to trout. trout, that is to say :-

(a) In the Province of Ontario, no person shall fish for, In Ontario. catch, kill, buy, sell or have in his possession any speckled trout, ,salmo fontinalis," between the fifteenth day of September and the first day of May, or any salmon trout between the first and tenth days of November, both days inclusive, in each year; or any lake trout between the fifteenth day of October and the first day of December, or any brook or river trout between the fifteenth day of September and the first day of January in each year;

O.C., 3rd April. 1875 ;-19th September, 1876 ;-8th October, 1877.

(b) In the Province of Quebec, no person shall fish for, catch, In Quebec. kill, buy, sell or have in his possession any salmon trout, lake trout or lunge, between the fifteenth day of October and the first day of December, or any speckled trout, between the first day of October and the thirty-first day of December, or any brook or river trout, between the fifteenth day of September and the first day of January in each year;

O. C., 3rd April, 1875; -8th October, 1877.

(c) In the Province of Prince Edward Island, no person In Prince Edshall fish for, catch, kill, buy, sell or have in his possession any ward Island. trout between the first day of October and the first day of December in each year, and they shall not. at any time, be fished for or taken by spears, sweep nets or seines in any river, stream or pond;

0. C., 8th October, 1875.

In other parts of Canada.

(d) In all other parts of Canada no person shall fish for, catch, kill, buy, sell or have in his possession any kind of trout or lunge in any way whatever, between the first day of October and the first day of January:

In inland waters. 2. No one shall at any time fish for, catch or kill trout by other means than angling by hand with hook and line, in any inland lake, river or stream, except in tidal waters:

Exception as to Indians.

3. In the Province of Manitoba and the North-West Territories, Indians may at any time catch or kill speckled trout for their own use only, and not for purposes of sale or traffic:

O. C., 3rd October, 1881.

Exception as to fish used for bait, &c.

4. Nothing in this section shall prevent the use of small sized trout for the purpose of baiting traps, or affect the taking and using the same by fishermen as bait for cod fishing in tidal waters, or subject fishermen to penalty if by accident in fishing for herrings or whitefish by means of nets, trout are inclosed or taken. 31 V., c. 60, s. 8.

This and the following sections have been amended by Orders in Council, and the amendments are inserted to show what the law now is.

10. No one shall fish for, catch, kill, buy, sell or have in his possession, whitefish—

In Ontario.

Close season for whitefish.

> (a) In the Province of Ontario, between the first and tenth days of November, both days inclusive, in each year, or by means of any kind of seine, between the thirteenth day of May and the first day of August;

O. C., 19th September, 1876.

In Quebec.

(b) In the Province of Quebec, between the tenth day of November and the first day of December in each year, or by means of any kind of seine between the thirty-first day of July and the first day of December;

O. C., 3rd April, 1875.

In Manitoba and N.-W.T.

(c) In the Province of Manitoba and the North-West Territories, between the twentieth day of October and the first day of November, in each year: Provided, that Indians may there catch or kill the same for their own use only, but not for purposes of sale or traffic, and provided that whitefish shall not be taken or used, bought, sold or possessed for making oil or feeding domestic animals;

O. C., 3rd October, 1881.

In other parts (d) In any other part of Canada, between the nineteenth day of November and the first day of December in each year:

Fry not to be 2. The fry of whitefish shall not be, at any time, des⁻ destroyed. troyed:

Gill nets.

3. Gill nets for catching salmon trout or whitefish shall have meshes of at least five inches extension measure; and

gill nets shall not be set within two miles of any seining ground :

4. Seines for catching whitefish shall have meshes of not Seines. less than four inches extension measure. 31 V., c. 60, s. 9.

OTHER FISHERIES.

11. Close seasons for bass, pike, pickerel (*dorée*), maski-Close season hongé and other fish, may be fixed by the Governor in for bass, &c. Council to suit different localities. 31 V., c. 60, s. 10.

POSSESSION OF FISH.

12. No one shall, without lawful excuse, the proof whereof Prohibition to shall lie on him, buy, sell or possess any fish, or portion of any have in close fish named in this Act, caught or killed at a time or in a season. manner prohibited by law:

2. Every customs officer, excise officer, police officer or con- Certain stable. clerk of a market or other person in charge of any mar-seize fish ket-place in any village, town or city, shall seize and, upon exposed for view, confiscate to his own proper use, any fish mentioned in sale in close season. this Act, caught or killed during prohibited seasons, or which appears to have been killed by unlawful means; but every such seizure and appropriation, with the date, place and And report circumstances thereof, shall be duly reported, together with the same. the name, residence and calling of the person in whose possession such fish was found, to the fishery officer who has jurisdiction over the district within which such seizure, confiscation and appropriation took place. 31 V., c. 60, s. 11.

CONSTRUCTION OF FISH-WAYS.

13. Every dam, slide, or other obstruction across or in Fish-ways any stream where the Minister of Marine and Fisheries where and in determines it to be necessary for the public interest that a such manner fish-pass should exist, shall be provided by the owner or officer directs. Occupier with a durable and efficient fish-way, which shall be maintained in practical and effective condition, in whatever place and of whatever form and capacity will admit of the passage of fish through the same; and the place, form and capacity of the fish-way may be prescribed by any fishery officer by notice in writing :

2. Every one who violates the foregoing provisions of this Penalty for section shall incur a penalty of four dollars for each day during which any such obstruction remains unprovided with a fish-way, after three days' notice in writing to the owner or occupier thereof :

³ Fish-ways shall be kept open and unobstructed and shall To be kept be supplied with a sufficient quantity of water to fulfil the open, &c.

purposes of this enactment, during such times as are required by any fishery officer:

Minister may pay one half the cost.

May construct

and recover

the cost in certain cases.

4. The minister may authorize the payment of one-half of the expense incurred by such owner or occupier in constructing and maintaining any fish-way:

5. The minister, in order to procure the construction of any fish-way, pending proceedings against any owner or occupier for the penalty imposed by this Act, may give directions to make and complete the same forthwith, and may authorize any person to enter upon the premises with the necessary workmen, means and materials, and may recover from the owner or occupier the whole expense so incurred by action before any competent tribunal:

6. No person shall injure or obstruct any fish-way, or do anything to deter or hinder fish from entering and ascending or descending the same, or injure or obstruct any authorized barrier. 31 V., c. 60, s. 12.

GENERAL PROHIBITIONS.

14. Every one who fishes for, takes, catches or kills fish in any water, or along any beach, or within any fishery limits described in any lease or license, or places, uses, draws or sets therein any fishing gear or apparatus, except by permission of the occupant under such lease or license for the time being, or disturbs or injures any fishery, shall be liable to a penalty not exceeding one hundred dollars and costs, or to imprisonment for a term not exceeding two months; and the fishing apparatus so used, and all fish taken or caught, shall be forfeited, and any fishery officer or the holder of any such lease or license may, on view, forthwith seize and remove any net or apparatus so used. to be dealt with according to law: Provided always, that the occupation of any fishing station or waters so leased or licensed for the express purpose of net fishing shall not interfere with the taking of bait used for codfishing, or prevent angling for other purposes than those of trade and commerce :

2. Seines, nets or other fishing apparatus shall not be set in such a manner or in such places as to obstruct the navigation with boats and vessels, and no boats or vessels shall be permitted to destroy or wantonly injure in any way any seines, nets or other fishing apparatus lawfully set:

3. Every person using stakes or other timber placed for fishing purposes in any water shall remove the same within forty-eight hours after ceasing to use them, and in all cases at the expiry of the fishing season :

Not to be obstructed or injured.

Penalty for fishing in limits leased to another.

Apparatus, &c., may be seized.

Proviso: as b to taking bait o or angling.

Navigation not to be obstructed.

Stakes to be removed.

4. The main channel or course of any stream shall not be Main channels obstructed by any nets or other fishing apparatus; and one- obstructed. third of the course of any river or stream, and not less than two-thirds of the main channel at low tide, in every tidal stream, shall be always left open, and no kind of fishing apparatus or material shall be used or placed therein : Provided that the use of weirs for catching eels exclusively, Proviso: as and the use of mill-dams for catching eels, shall be pre- to eel fishing. rented only in cases where, and at times when they injure other fisheries, or by completely barring any passage, they deprive other weirs of a share in the run of eels : and such place, time and circumstances may be determined by any fishery officer :

5. No net or other device shall be so used as entirely to No net, ac., obstruct the passage of fish to or from any of the waters of to obstruct Canada, by any of the ordinary channels connecting such passage of Waters, or prevent their passage to and from accustomed resorts for spawning and increasing their species :

⁶. No one shall catch, kill or molest fish when passing or Killing fish at attempting to pass through any fish-way, or fish-pass, or in forbidden. surmounting any obstacle or leap,--or shall use any invention to catch, kill or molest fish in the mill-dams, fish-ways, mill-heads and water courses appurtenant thereto :

7. No one shall use a bag-net, trap-net or fish-pound, ex- Certain nets Cept under a special license, granted for capturing deep-sea forbidden. fish other than salmon :

8. No one shall fish for, catch or kill salmon, trout or Fish not to be lunge of any kind, maskinongé, winnoniche, bass, bar-sish, pickerel, whitefish, herring, or shad, by means of spear, grapnel hooks, negog, or nishagans: Provided, that the Minister of Marine and Fisheries may appropriate and to Indians. license or lease certain waters in which certain Indians shall be allowed to catch fish for their own use in the manner and at the time specified in the license or lease, and may permit ^{spearing} in certain localities :

9. No one shall fish for, catch, kill, buy, sell or possess Young of fish the young of any of the fish mentioned in this Act, or in not to be any any regulation under it :

10. Seines for barfish shall have meshes of not less than Seines for three inches, extension measure : barfish.

11. Fishery officers may determine or prescribe the dis-Distance tance between each and every fishery (*pècherie*), and between fish-shall forthwith remove any fishery which the owner eries. neglects or refuses to remove; and such owner shall be moreover liable for a violation of this Act, and for the cost and damages of removing such fishery:

Fascine fisheries with box-traps.

Nets, &c., in small rivers.

Fish to be

allowed free

passage on Sunday.

12. Every fascine fishery with a box-trap (coffre), instead of pound, shall have across the outside end of such box-trap a wire covering or a net work, the meshes of which shall be at least one inch square; but this shall not apply to eel weirs during autumn :

13. Nets or other fishing apparatus shall not be so used as to impede or divert the course of fish in any small river:

certain fisheries in tidal waters.

14. From the time of low water nearest six of the clock in the afternoon of every Saturday, to the time of low water nearest six of the clock in the forenoon of every Monday, of tidal waters, and from six of the clock in the afternoon of every Saturday to six of the clock in the forenoon of the following Monday in non-tidal waters-seines, nets or other apparatus used for catching fish shall be so raised or adapted as to admit of the free passage of fish through, by or out of the same, for the purpose of affording a free passage from six of the clock on every Saturday afternoon to six of the clock on every following Monday forenoon, and during such And forfeited close time no one shall catch fish by such means; and any if then taken. fish so taken, caught or killed, together with the nets Proviso: as to or other apparatus used, shall be forfeited : Provided always, that this sub-section shall, as affects the deep-sea and coast fisheries in tidal waters, apply only to salmon, and the salmon fishery with nets and other apparatus, within a distance of three miles on either and other apparatus, within a distance of three see miles on either side of the mouth of any river or harbor frequented by salmon. 31 V., c. 60, s. 13.

O. C., 29th April, 1878.

INJURIES TO FISHING GROUNDS AND POLLUTION OF RIVERS.

Penalty for throwing overboard certain substances prejudicial to fisheries.

Proviso: as to the disposal of offal.

15. Every one who throws overboard ballast, coal ashes, stones or other prejudicial or deleterious substances in any river, harbor or roadstead, or any water where fishing carried on, or throws overboard or lets fall upon any fishing bank or ground, or leaves or deposits or causes to be thrown left or deposited, upon the shore, beach or bank of any water, or upon the beach between high and low water mark, inside of any tidal estuary, or within two hundred yards of the mouth of any salmon river, remains or offal of fish, or of marine animals, or leaves decayed or decaying fish in any net or other fishing apparatus, shall be liable, for each offence, to a penalty not exceeding one hundred dollars, or to imprisonment for a term not exceeding two months; and every one so offending, whether master or servant, and the master or owner of any vessel or boat from which such ballast or offal, or other prejudicial substance is thrown, shall be liable for each such offence : Provided always, that such remains or offal may be buried ashore, beyond high water mark, and that at establishments situated inside of the mouths of rivers for carrying on deep-sea fisheries, the same

Chap. 91.

1195

may be dropped into perforated boxes or inclosures built apon the beach, or under stage-heads, in such manner as to prevent the same from being floated or drifted into the treams, or may be disposed of in such other manner as any f_{sl} fishery officer prescribes :

². Lime, chemical substances or drugs, poisonous matter, Poisonous dead or decaying fish, or any other deleterious substance, substances. shall not be thrown into, or allowed to pass into, or be left or temain in any water frequented by any of the kinds of fish mentioned in this Act; and every one who throws or allows Mill rubbish. to drift into any stream frequented by fish, saw dust or mill Saw dust. ubbish, shall incur a penalty not exceeding one hundred dollars: Provided always, that the Minister of Marine and Proviso: Fisheries may exempt from the operation of this sub-section, exempt any Wholly or partially, any stream or streams in respect to stream, &c. which he considers that its enforcement is not requisite in the public interest. 31 V., c. 60, s. 14.

31 V., c 60, s. 14, sub-s. 3, is omitted as being Provincial.

FISHERY REGULATIONS.

16. The Governor in Council may, from time to time, Governor in Council may make regulations for the better management and regulation make fishery of the sea-coast and inland fisheries, to prevent or remedy regulations. the obstruction and pollution of streams, to regulate and prevent fishing, to prohibit the destruction of fish and to forbid fishing except under authority of leases or licenses, which regulations shall have the same force and effect as if herein enacted, notwithstanding that such regulations And may extend, vary or alter any of the provisions of this Act re-specting the places or modes of fishing or the times specified visions of this as which the places of th as prohibited or close seasons, and may fix such other modes, Act. times or places as are deemed by the Governor in Council adapted to different localities, or otherwise expedient :

or saw-logs passing through or using any works to which this Act applies, shall be under the control of the Minister

ters relating to such works as aforesaid, and not specially

provided for by this or any other Act, and for fixing the rates of toll and the dues to be charged for the use of any such works, or of any series of such works (the rates in such latter case to be denominated through rates), and providing for the manner in which such tolls and dues shall be ascer tained and collected, and also for imposing fines and penalties for any violation of such regulations, not exceeding, in any one case, five hundred dollars; and such fines and

of Inland Revenue. 46 V., c. 16, s. 2, part.

jurisdiction. 46 V., c. 16, s. 3, part.

Control.

Provision respecting construction, maintenance, &c., omitted as covered by Public Works Act. 3. The Governor in Council may, from time to time, Regulations make, revoke, alter or amend regulations as respects matmay be made

for certain

purposes.

Recovery of penalties,

Statement may be required to be under oath.

4. The Governor in Council may make regulations author izing a collector of tolls and dues on any works, in any case or class of cases specified in the regulation, to require any assertion of fact or any statement in relation to any matter to which this Act, or any regulation made under it.

penalties shall be recoverable in any court of competent

1208

Chap. 94.

relates, to be verified by the oath of the person making such assertion of fact or statement; and the oath so authorized may be administered by any judge or clerk of any county or circuit court, or any justice of the peace, or any commissioner for taking affidavits for use in any court in Canada, or by the collector of tolls and dues. 46 V., c. 16, ⁸. 3, part.

5. All tolls and dues chargeable for the transmission of Tolls and dues a first timber, lumber or saw-logs through or over any works charge on the shall be a first charge or lien on all or any part of such timber. timber, lumber or saw-logs (each part being liable for the whole), and the same shall be liable for the payment of the tolls and dues thereon, so long as and wheresoever the said timber, or any part of it, is found, whether it is or is not converted into deals or boards; and all officers or agents, Seizure for employed in the collection of such tolls and dues, and all non-payment. persons acting under the authority of such officers or agents may follow all such timber and may seize and detain the same wherever it is found, until the dues thereon are paid or secured, as provided by this Act or by any regulation made thereunder; and no transfer, assignment, sale, mort- Lien not sage or delivery to another person, or change of owner, shall affected by affect the claim or lien of the Crown on any timber, lumber or saw-logs, or sawn lumber, in respect of which, or of the timber, lumber or saw-logs, out of which such sawn lumber was manufactured, any tolls or dues for the use of any works remain due and unpaid, saving always the right of the innocent holder to any remedy which he has at law against the person from whom he received such timber, lumber or sawlogs, or the product thereof: Provided always, that no part Proviso: in case of bond of any such timber, lumber, saw-logs, or the product fide sale. thereof, when bonâ fide sold, assigned or transferred, shall be liable for more than double the tolls or dues accrued, in proportion to the amount chargeable upon the whole, upon such timber, lumber or saw-logs, or upon the timber, lumber or saw-logs from which the product was manufactured, in addition to the costs, if any, incurred in connection therewith. 46 V., c. 16, s. 4, part.

6. If any timber, lumber or saw-logs, in respect of which If product is tolls or dues are chargeable, have been converted into other timber, sawn lumber and placed in any yard or piling ground the whole with other sawn lumber, in such way that the identity liable. thereof cannot be ascertained, all the sawn lumber in such yard or piling ground shall be deemed to be the product of timber, lumber or saw-logs which have passed over or through works to which this Act applies, and shall be liable for all tolls and dues with which the timber, lumber or saw-logs, the product of which has been so placed with other sawn lumber in such yard or piling ground, are chargeable. 46 V., c. 16, s. 4, part.

46 V .,

Sale of timber seized if tolls and dues are not paid.

made after such notice as he deems sufficient; and the Application of balance of proceeds.

Proviso: as to or in the name of Her Majesty : Provided always, that the recovery by whole and the her in like manner, with costs, from the owner or person in suit. possession of such timber, lumber or saw-logs, or product

Proviso: recovery by summarv proceedings.

Officer may call in assistance.

c. 16. s. 5.

S. Any officer or person who seizes timber, lumber, in saw-logs, or any product thereof, in the discharge of his duty under this Act may, in the name of Her Majesty, call in any assistance necessary for securing and protecting the property so seized. 46 V., c. 16, s. 6, part.

9. All collectors of customs, officers of canals, and a_{11}^{11} other Government officers, when requested so to do, shall co-operate with the collector of tolls and dues and his assist ants, with the view of preventing the transport of timber, lumber or saw-logs, and the products thereof, until the tolls and dues thereon are secured. 46 V., c. 16, s. 7.

10. All managers and officers of railways, when requested by the collector of tolls and dues so to do, shall render a correct account of all timber, lumber and saw logs which are being forwarded by their respective railways, stating kinds and quantities, and specifying the Detention and owners thereof or by whom the same are sent; and if any forfeiture if tolls and dues such manager or officer refuses or neglects to give the required information, the collector of tolls and dues or person acting for him may, if he has reasonable cause to believe that the tolls and dues thereon have not been paid, seize and detain such timber, lumber or saw-logs, together with

Other officers to assist.

Returns to be made by railway officers.

forfeiture if are not paid. 7. If any timber, lumber or saw-logs, or product thereof,

so seized and detained for non-payment of tolls, dues, penal-

ties and expenses remain more than thirty days in the cus

tody of the collector or person appointed to guard the same, without the tolls, dues, penalties and expenses being paid, the Minister of Inland Revenue may order a sale of the said timber, lumber or saw-logs, or product thereof, to be

balance of the proceeds of such sale, after retaining the

amount of tolls, dues, penalties and costs incurred, shall be

paid to the owner or person claiming such timber, lumber or saw-logs, or product thereof; and if a sufficient sum is not realized from such sale to defray such tolls, dues, penalties and expenses, the amount remaining unpaid shall be recoverable, with costs, in any court of competent jurisdiction, by the collector of tolls and dues in his own name,

whole amount of tolls and penalties shall be recoverable

thereof, by the collector of tolls and dues, if he, with the permission of the Minister of Inland Revenue, chooses that method of collection : Provided also, that all pecuniary

penalties imposed by any regulation made by the Governor

in Council under this Act may be recovered by the collec-

tor of tolls and dues, if he sees fit, under the "Act respect-

ing summary proceedings before Justices of the Peace."

the cars employed in removing them; and such cars and time timber, lumber or saw-logs, shall be forfeited to Her Majesty, unless it is proved that the tolls and dues on such timber, lumber or saw-logs have been paid, or that the timber, lumber or saw-logs are not liable for any such tolls or dues; and the Minister of Inland Revenue may, in his discretion, order the same, when so forfeited, to be sold; and every manager or officer of any railway who so refuses Penalty if or neglects to give the information above required, or who are not made. gives false information, shall incur a penalty not exceeding five hundred dollars and not less than one hundred dollars, which shall be recoverable in any court of competent jurisdiction. 46 V., c. 16, s. 8.

1. When any timber, lumber or saw-logs, or product Burden of proof of period thereof, are seized for non-payment of tolls or dues, or any ment to lie on prosecution is brought for tolls or dues and penalties under owner or this this Act, and any question arises whether the tolls or dues have been paid on such timber, lumber or saw-logs, or product thereof, or whether the same are liable to tolls or dues for having used the works in respect of which the same are charged, the burden of proving payment or that the works Were not used, shall lie on the owner or person claiming such timber, lumber or saw-logs, or product thereof, and Not on the officer seizing the same or instituting such prosecution. 46 V., c. 16, s. 10.

12. The collector of tolls and dues may, with the sanc- Release of property if tion of the Minister of Inland Revenue, release from seizure property if any timber, lumber or saw-logs, or product thereof, seized given. under this Act, and deliver the same to the alleged owner, on receiving security by bond, with two good and sufficient sureties, satisfactory to him, to pay double the amount claimed as chargeable in respect of such timber, lumber or saw-logs, or product thereof; and such bond shall be taken in the name of Her Majesty; and if such seizure is main- Enforcement, to: tained by competent authority, the amount actually due, is not paid. With interest and costs, shall be paid forthwith to the proper officer-otherwise the penalty of such bond shall be enforced and recovered. 46 V., c. 16, s. 11.

CHAPTER 95.

An Act respecting the Inspection of certain Staple Articles of Canadian produce.

 \mathbf{H}^{ER} Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :---

SHORT TITLE.

Short title.

1. This Act may be cited as "The General Inspection Act." 37 V., c. 45, s. 98.

GENERAL PROVISIONS.

what places.

2. The Governor in Council may, from time to time, design nate the several cities, counties, towns and other places or inspection divisions in Canada at and for which, respectively, it is expedient to appoint inspectors of the several articles hereinafter mentioned, or any of them; and the Gov ernor in Council may, from time to time, determine the limits of such inspection divisions and appoint at and for each of such cities, counties, towns, places or divisions, an inspector of any of the following articles, that is to say:

(a) Flour and meal;

(b) Wheat and other grain;

(c) Beef and pork;

(d) Pot ashes and pearl ashes;

(e) Pickled fish and fish-oil;

(f) Butter;

(g) Leather and raw hides :

Tenure of office and limits of action.

2. Such inspectors shall hold office during pleasure, and shall act respectively within such local limits as the Gorernor in Council assigns to them; and they and their deputy inspectors shall be appointed only from among duly qualified persons, certified as such by the examiners hereinafter mentioned :

Chief inspector.

3. The Governor in Council may appoint a chief $inspec_{11}^{pec}$ tor of any of the articles hereinbefore enumerated, who shall

Governor may appoint inspectors of certain articles and at

hold office during pleasure and shall perform the duties hereinafter assigned to him. 37 V., c. 45, s. 1;-48-49 V., ^{c. 66}, s. 1.

8. The board of trade at each of the cities of Quebec, Boards of examiners Montreal, Toronto, Kingston, Hamilton, London, Ottawa, inspectors, Winnipeg and St. John, N.B., and at Port Arthur, and the howand when chamilton and the second strain and the second strain appointed. chamber of commerce at the city of Halifax and at the city appointed. of v: of Victoria, shall annually appoint in the said cities respectively, and the Governor in Council may, from time to time, appoint in any county in Canada or for any inspection division, five fit and skilful persons, any three of whom shall be a quorum, for each class of articles to be inspected in such city or county, to examine and test the ability and fitness of applicants for the office of inspector or deputy inspector of such articles; and no person shall be appointed such inspec- Inspectors and to tor or deputy inspector, who has not been examined by and deputies must received a certificate of qualification from the proper board examined. of examiners; and the board may, at any such examina- Who may be tion, permit the attendance of any person or persons present at of experience and skill in the subject of such examination, examination. and allow them to propose questions pertinent thereto to the candidate in order to test his knowledge and skill:

2; Every such board shall grant such certificates, and To whom certificates may such only, as to the qualification of the candidates who be granted. present themselves for examination, as the knowledge and Proficiency of such candidates require or justify. 37 V., c. 45, s. 2, part ;-46 V., c. 29, s. 1 ;-48-49 V., c. 66, s. 2.

4. Each such examiner shall, before acting as such, take Examiners to take oath. before a justice of the peace, an oath in the form following, take oath. or to the same effect :--

"I, A. B., do swear that I will not, directly or indirectly, Form of oath. "personally or by means of any person or persons in my behalf, receive any fee, reward or gratuity what-"ever, by reason of any function of my office of exam-"iner of applicants for the office of inspector or deputy "inspector of , except such as I am "entitled to receive by law, and that I will therein "well and truly, in all things, act without partiality, "favor or affection, and to the best of my knowledge "and understanding. So help me God." 37 V., c. 45, s. 3, part.

5. If any board of examiners, appointed under this Act, How inspecneglects or refuses to meet for the purpose of examining appointed in applicants for the office of inspector of any staple article, case of failure after having been required so to do by the Minister of In- of proper land by the boards of exland Revenue, or if any such board, having met, is unable aminers to to certify that any applicant who appears before it is duly certify.

qualified for appointment as an inspector, the Governor in Council may appoint as inspector any person who has obtained from any other board, duly constituted under this Act, a certificate of qualification for the office of inspector of such staple article; and any inspector may examine candidates for the position of deputy inspectors, and may, if he finds them qualified, grant them certificates of qualification and may appoint them as deputy inspectors, subject to the approval of the Governor in Council; but no such certificate of qualification shall entitle any such deputy inspector to act for any other inspector, or in any inspection division other than that in respect of which he is originally appointed under this section. 47 V., c. 33, s. 1.

6. No inspector shall deal or trade in, or have any interest directly or indirectly, in the production of any article subject to inspection by him, or sell or, except for consumption by himself and his family, buy any such article; and every inspector who violates the provisions of this section shall incur a penalty of two hundred dollars and shall forfeit his office:

2. Any deputy inspector may engage in the purchase and sale of articles inspected by him; but whenever such deputy inspector inspects any article in which he has a direct or an indirect pecuniary interest, he shall brand such article under his name as branded thereon with the words, "deputy inspector and owner:"

3. Every deputy inspector who violates any provision of this Act shall be liable to a penalty not exceeding one hundred dollars and shall forfeit his office. 37 V., c. 45, s. 4;-48-49 V., c. 66, s. 3.

7. Every inspector shall, before acting as such, take and subscribe before a justice of the peace, an oath of office in the form or to the effect following :---

Form of oath. "I, A. B., do solemnly swear, that I will faithfully, truly "and impartially, to the best of my judgment, skill and "understanding, execute and perform the office of an "inspector; and that I will not, directly or indirectly, "by myself or by any other person or persons, manu-"facture or prepare, deal, trade in, or sell, or buy, except "only for consumption by myself and family, any "(insert the description of the articles he is to inspect) on "my account, or upon the account of any other person or "persons, while I continue such inspector. So help "me God." 37 V., c. 45, s. 5, part.

Appointment of deputy inspectors 8. Each inspector, except an inspector of grain, may, and shall, when thereunto required by the Governor in Council,

Inspector may examine candidates for becoming deputies.

Inspector not to trade in articles which he inspects.

Deputy inspector may deal in articles inspected. Conditions.

Penalty for contravention.

Inspector to take oath of office.

1215

in any inspection division, or by the board of trade or when rechamber of commerce, as the case may be, at any of the quired. places hereinbefore mentioned by name, appoint a deputy inspector or so many deputy inspectors as are necessary for the efficient and speedy performance of the duties of his office, and they shall be the deputies of the inspector for all the duties of his office, and their official acts shall be held to be the official acts of the inspector, and he shall be responsible for them as if done by himself; and each deputy inspector shall make such returns and reports of his official acts as are required of him by the inspector whose deputy he is:

2. The appointment by an inspector of each deputy in-Report to spector shall be at once reported by him to the Minister of Minister. Inland Revenue. 48-49 V., c. 66, s. 6, part.

9. Every deputy inspector shall be paid by and shall Tenure of hold office at the pleasure of the inspector by whom he is office and appointed, and shall, before acting as deputy inspector. give deputy insecurity for the due performance of the duties of his office in spector. Such sum as the Minister of Inland Revenue directs, by bond Security to be to the inspector, with two sureties to his satisfaction, to be given by him. bound jointly and severally with him; and such bond shall avail to the inspector for any breach of the conditions thereof: and no inspector shall allow any person to act for To act in him in respect of the duties of his office, excepting his sworn person. deputy inspector or deputy inspectors appointed as aforesaid. 48-49 V., c. 66, s. 6, part.

10. Every deputy inspector, shall, before acting as such, Oath of take and subscribe before a justice of the peace, an oath of inspector. office in the form or to the effect following :—

"I, A. B., do solemnly swear that I will faithfully, truly Form of oath. "and impartially, to the best of my judgment, skill and "understanding, execute and perform the office of a "deputy inspector of , and that I will "not inspect, brand or certify to the quality of any "article or thing in which I have any direct or indirect "interest on my own account or upon the account of "any other person, except as permitted by "The Gen-"eral Inspection Act," while I continue to hold office as "a deputy inspector. So help me God." 48-49 V., c. 66, s. 4, part.

11. The oaths taken by any examiner, inspector or Custody of deputy inspector, under this Act, shall remain in the custody of the justice administering them, and any copy thereof certified by the said justice of the peace shall be *prima facie* evidence of such oaths. 37 V., c. 45, s. 3, *pert*; -48-49 V., c. 66, s. 4, *part*.
