The copy filmed here has been reproduced thanks to the generosity of:

Ralph Pickard Bell Library
Mount Allison University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Ralph Pickard Bell Library
Mount Allison University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

WEATHER TABLE,

For foretelling the weather through all the lunations of each year.

BY DR. HERSCHELL, IMPROVED BY DR. A. CLARKE.

This table is the result of many years' actual observation; and though not absolutely reliable in all cases, yet will be found tolerably correct, being constructed on a due consideration of the attraction of the Sun and Moon in their several positions respecting the Earth, showing what kind of weather will most probably follow the entrance of the Moon into any of its quarters.

If new moon, first quarter, full moon, or last quarter happens—	SUMMER.	WINTER.
Between midnight and 2 } in the morning. }	Fair.	Hard frost, unless the wind be S. or W. at time of change.
Between 2 and 4. morning;	Cold, frequent showers.	Snow and stormy.
" 4 " 6. "	Rain.	Rain or snow.
" 6 " 8. "	Wind and rain.	Stormy.
" 8 " 10. "	Changeable.	Cold rain or snow.
" 10 " 12. "	Frequent showers.	Cold and high wind.
" noon " 2. afternoon	Very rainy.	Snow or rain.
" 2 " 4. "	Changeable.	Fair and mild.
" 4 " 6. "	Fair.	Fair.
" 6 " 8. "	{ If wind N. W., fair, If S. or S. W., rainy.	{ If wind N., fair, If S. or S. W., rain or Ditto. [snow.
" 8 " 10. "	Ditto.	Ditto. [snow.
" 10 " midnight,	Fair.	Fair and frosty.

*The nearer the moon's change to noon or midnight, the more nearly will the result be in accordance with this table.
Less dependence is to be placed on this table in winter than in summer.*

6 JANUARY begins on Sunday—has 31 days. [Winter.]

- ☽ First Quarter, 4th day, 11h., 28m., Morning.
 - Full Moon, 11th day, 6h., 45m., Afternoon.

 - New Moon, 27th day, 5h., 16m., Morning.
- ☾ Apogee 17th day. ☽ Perigee 28th day.

 The column of the Moon's Southing gives the time of HIGH WATER at Parrsboro', Cornwallis, Horton, Hantsport, Windsor, Newport.

 For the time of HIGH WATER at Pictou and Cape Tormentine add 2h. 30m. to the time at Halifax.

 For the time of HIGH WATER at Annapolis, St. John, N. B., and Portland, add 8h. 34m. to the time at Halifax.

 For the time of HIGH WATER at St. John's, Newfoundland, subtract 1h. from the time at Halifax.

 For the LENGTH of DAY, double the time of the Sun's setting.

HELMBOLD'S FLUID EXTRACT BUCHU. A POSITIVE AND SPECIFIC REMEDY

For Non-retention or Incontinence of Urine, Irritation, Inflammation or Ulceration of the Bladder and Kidneys, Diseases of the Prostrate Gland, Stone in the Bladder, Calculous Gravel or Brick Deposit, and all Diseases of the Bladder and Kidneys, and Dropsical Swelling in Men, Women or Children.

HELMBOLD'S EXTRACT BUCHU,

For Weakness arising from habits of Dissipation, attended with the following symptoms: Indisposition to Exertion, Loss of Memory, Difficulty of Breathing, Weak Nerves, Trembling, Horror of Disease, Dimness of Vision, Wakefulness, Pains in the Back, Universal Lassitude of the Muscular System, Hot Heads, Flushing of the Body, Dryness of the Skin, ERUPTIONS on the FACE, PALLID COUNTENANCE.

These symptoms if allowed to go on, which this Medicine invariably removes, soon follows Epleptic Fits, in one of which the patient may expire. Who can say that they are not frequently followed by those *direful diseases* "INSANITY AND CONSUMPTION." Many are aware of the cause of their suffering. The records of the Insane Asylums, and the Melancholy Deaths by Consumption, bear ample witness of the truth of the assertion. The Constitution once affected with organic Weakness, requires the aid of Medicine to strengthen and invigorate the System, which *HELMBOLD'S EXTRACT BUCHU* invariably does.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA,

For Purifying the Blood, removing all Chronic Constitutional Diseases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swellings of the Bones, Ulcerations of the Throat and Legs, Blisters, Pimples on the Face, Tetter, Erysipelas, and all scaly eruptions of the skin, and *BEAUTIFYING THE COMPLEXION.*

NOT A FEW of the worst disorders that assail mankind arise from the corruption that accumulates in the blood. Of all the discoveries that have been made to purge it out, none can equal in effect *HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA.* It cleanses and renovates the blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on ~~to~~ to *g* been sought for, and now for the first time the public have one on which they can depend. Our space here does not admit certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken.

Two table spoonfuls of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the Decoction as usually made.

~~THESE~~ THESE EXTRACTS have been admitted to use in the UNITED STATES ARMY, and are also in very general use in the STATE HOSPITALS and Public SANITARY INSTITUTIONS throughout the land, as well as in private practices, and are considered as invaluable remedies.

DR. WARREN'S BILIOUS BITTERS!

---	-------------	---

If you take a sudden cold, a few dozes of this Medicine will cure you, and save you the expense and pain of a Fever. For Humors in the Blood, and Imperfect Circulation, this is a never failing Remedy. The use of

DR. WARREN'S BILIOUS BITTERS NEVER FAILS

to CLEANSE THE SYSTEM from all morbid and unhealthy secretions, thereby curing skin diseases, and all complaints arising from Impure Blood, and a deranged state of the Stomach, Liver & Bowels.

MR. DANIEL SMITH, OF BARTON, VT.

who had been out of health for a long time and unable to labor, writes under date of August 27th. 1862: "I commenced taking the Bitters, first of July; have taken one bottle and part of another-- find my health quite restored. My son has been troubled for years with sores under his arms, and has been cured by taking one bottle of Dr. Warren's Bilious Bitters." Mr. Smith, like a true Philanthropist, (as he is,) closes by ordering a supply of this invaluable medicine for his afflicted neighbours. GO AND DO THOU LIKEWISE.

TO WHOM IT MAY CONCERN:

From a knowledge of the composition of Dr. Warren's Bilious Bitters, as prepared by Mr. John A. Perry, and having used them extensively in my practice for the past 2 years, I have no hesitancy in recommending them to the public as a medicine from the use of which can be obtained more good results than from any other compound with which I am acquainted.

Manchester, March 27, 1863.

Eclectic Physician and Surgeon.

BROWN'S BRONCHIAL TROCHES

Are prepared from a highly-esteemed recipe for alleviating *Bronchial Affections, Asthma, Hoarseness, Coughs, Colds,* and Irritation or Soreness of the Throat.

PUBLIC SPEAKERS AND VOCALISTS

will find them beneficial in clearing the voice before speaking or singing, and relieving the throat after any unusual exertion of the vocal organs, having a peculiar adaptation to affections which disturb the organs of speech. Few are aware of the importance of checking a Cough, or "slight cold" in its first stages. That which in the beginning would yield to a mild remedy, if neglected soon attacks the lungs. "BROWN'S BRONCHIAL TROCHES" are a most valuable article when Coughs, Colds, Bronchitis, Influenza, Hoarseness, and Sore Throat are prevalent. The Troches give sure and almost immediate relief.

THROAT AFFECTIONS, COUGHS AND COLDS,

If allowed to progress, result in serious PULMONARY and BRONCHIAL AFFECTIONS, oftentimes incurable.

BROWN'S BRONCHIAL TROCHES,

Reach directly the affected parts, and give almost immediate relief. For BRONCHITIS, ASTHMA, and CATARRH the Troches have been used with decidedly good results.

The good effects resulting from the use of the Troches and their extended use have caused them to be counterfeited. Be sure to guard against worthless imitations. OBTAIN only the *genuine Brown's Bronchial Troches*, which have *proved* their efficacy by a test of many years. PUBLIC SPEAKERS and SINGERS should use the Troches. They are invaluable for allaying the hoarseness and irritation incident to vocal exertion, clearing and strengthening the voice. Military Officers and Soldiers, who over-tax the voice, and are exposed to sudden changes, should have them.

Sold by all Dealers in Medicines at 25 cents per box.

RADWAY'S READY RELIEF.

PAIN CURED.—RADWAY'S READY RELIEF is the most important medicinal curative—for the immediate relief of the sufferer—of all varieties of PAINS, ACHES, and INFIRMITIES, and the prompt cure of the sick where *pain*, either internal or external, is a concomitant of the disease, that has ever been discovered. In a few minutes after the application of the Ready Relief externally, or its administration internally, the patient—seized with the most excruciating Pains, Aches, Cramps, Rheumatism, Neuralgia, Gout, Lumbago, Fever and Ague, Spasms, Sore Throat, Influenza, Diptheria, Congestion or Inflammation—will enjoy ease and comfort.

IMPORTANT TO FARMERS AND OTHERS residing in sparsely settled districts where it is difficult to secure the services of a physician, Radway's Ready Relief is invaluable. It can be used with positive assurance of doing good in all cases where *pain* or *discomfort* is experienced, or if seized with Influenza, Diptheria, Sore Throat, Bad Coughs, Hoarseness, Bilious Colic, Inflammation of the Bowels, Stomach, Lungs, Liver, Kidneys, or with Croup, Quinsy, Fever and Ague, or with Neuralgia, Headache, Tic Doloureux, Toothache, Earache, or with Lumbago, Pain in the Back, or Rheumatism, or with Diarrhoea, Cholera Morbus, or Dysentery, or with Burns, Scalds, or Bruises, or with Strains, Cramps, or Spasms. The application of Radway's Ready Relief will cure you of the worst of these complaints in a few hours.

RHEUMATISM.—This painful disease has baffled the most skillful physicians and popular remedies. It is the most difficult of diseases to treat, yet Radway's Ready Relief has never failed in affording immediate relief to the sufferer, and, in all cases of Acute, Inflammatory or Nervous Rheumatism, to effect a permanent cure. (In Chronic Rheumatism and Gout, Radway's Cleansing Syrup, called "Renovating Resolvent," should be taken as an adjunct with the Ready Relief.)

SOLD BY DRUGGISTS EVERYWHERE. PRICE 25 CENTS PER BOTTLE.

RADWAY'S PILLS.

DR. RADWAY'S NEWLY-DISCOVERED PRINCIPLES IN PURGATION.

DR. RADWAY'S Pills are the best Purgative Pills in the World, and the only Vegetable Substitute for Calomel or Mercury ever discovered. Composed of Vegetable extracts, of Gums, Plants, Herbs, Roots and Flowers. They Purge, Cleanse, Purify, Heal, Soothe, Calm, Strengthen, Invigorate, and Regulate the System. In sudden Attacks of Inflammation of the Bowels, Bilious Colic, Bilious Fever, Erysipelas, Congestive Fever, Small Pox, Measles, Scarlet Fever, six to eight Pills will purge the disease from the system in six hours.

DR. RADWAY'S Pills are an improvement on all other Pills, or Purgatives in use; they will cleanse the alimentary canal as thoroughly as lobelia will the stomach, without prostrating or weakening the patient. They are the most active and thorough purgative, taken in maximum doses of say six to eight, known to the world; and in dose of one to four, are mild laxatives. As Alteratives they are safer and more positive than calomel or mercury; as Tonics, they impart richness to the blood, tone and strength to the system.

A *white, flash light*, twenty seconds dark, and forty seconds light, in each minute. Building painted in stripes, *vertical, black and white*. Between the northernmost and southernmost of the Murr Ledges, there is a range of dangerous rocks and shoals, many of them almost above water, and extend eastward from the Light House about four miles. PARTRIDGE ISLAND LIGHT—At the entrance of the river and harbor of St. John, N. B. A *fixed, white light*. The building painted *red* and *white*, in vertical stripes.

BEACON LIGHT.—Within Partridge Island, and upon a spit or bar, which extends about half a mile south of Sand Point, and which dries at two-thirds ebb, stands the Beacon Tower. A *fixed, white light*. Building painted *white* and *black* in stripes vertically.

It stands close to the location of the old beacon, which has been cut down. The lighthouse is in Lat. $46^{\circ} 39' 19''$ N., Long. $53^{\circ} 2' 28''$ W. Bearings magnetic. Var. 24° W.

THE MOUNT ALLISON
 Wesleyan Academy and College,
 SACKVILLE, N. B.

PARENTS having sons or daughters to be educated, and young persons of either sex, who are wisely intending to secure for themselves the benefits of a good education, are respectfully requested to take notice that a thorough course of study, either Academic or Collegiate, partial or complete, may be prosecuted, *under most advantageous circumstances*, at Mount Allison.

Sackville, being a quiet country village, pleasant, and remarkably healthy, easy of access, and yet away from most of the occasions of distraction, temptation, and danger, which so abound for the young in cities and towns, is a most suitable place for educational institutions. The buildings which have been here erected for the united institution, are in extent and adaptation to the purposes intended, greatly superior to any others in Eastern British America; and they are all suitably furnished throughout.

The Boards of Instruction include always ten or more regular Instructors, all well qualified for the work of their respective departments. So that, by a proper division of labour, and a harmonious adjustment of Classes in the different Branches, adequate provision is made for properly teaching all the branches of Science and Literature, which are included in the curricula of the best conducted educational institutions in Great Britain and America.

Students belonging to the Academy have the privilege of attending any of the College Classes or Lectures for which they are prepared; and those Students who complete the prescribed College Curriculum, and pass the required examinations, receive the usual University Degrees.

☞ The charge for BOARD, WASHING, FUEL, LIGHTS, &c., and TUITION, IN THE REGULAR CLASSES OF EITHER BRANCH OF THE ACADEMY, ARE FROM \$110.00 TO \$130.00; AND IN THE COLLEGE, FROM \$130.00 TO \$150.00 PER ANNUM. The charges for instruction in MUSIC, PAINTING, and DRAWING, will be additional, but as low as possible.

☞ The Academic Year consists of three Terms of 14 weeks each; the first beginning on the first Thursday in August; the second, on the second Thursday in November, and the third on the third Thursday in February.

For further information apply to the Principal, the REV. DR. PICKARD.

REDDINGS' RUSSIA SALVE.

FORTY YEARS' EXPERIENCE

HAS FULLY ESTABLISHED THE SUPERIORITY OF

REDDING'S RUSSIA SALVE

over every other healing preparation

FOR THE CURE OF

Scalds,
Burns, Cuts,
Flesh Wounds, Boils,
Chilblains, Blisters, Bruises,
Felon, Piles, Erysipelas, Ulcers,
Salt Rheum, Injury by Splinters, WARTS,
Old Sores, RING WORMS, Frost Bitten Parts,
and all CUTANEOUS DISEASES,
and eruptions generally.

REDDING'S RUSSIA SALVE

Is perfectly free from any mercurial matter or injurious particles, and in no case will its application interfere with the remedies prescribed by a regular physician. The medical faculty throughout the United States, are unanimous in its praise. The more its virtues become known, the greater is the demand; and it is now considered an indispensable article of household necessity—being used alike by rich and poor.

REDDING'S RUSSIA SALVE

Is prompt in action, removes pain at once, and reduces the most angry looking swellings and inflammations, as if by magic, thus affording relief, and a complete cure. The length of time this Salve has been before the public is conclusive proof that it is no 'catch-penny' preparation, put forth to have a fictitious popularity, and then sink to rise no more.

REDDING'S RUSSIA SALVE

is put up in metal boxes, three sizes, at 25 cents, 50 cents, and \$1.00. The largest size contains the quantity of six of the smallest boxes. It is warranted to retain its virtues in any climate. Each wrapper has a picture of a wounded soldier, with an army Surgeon stooping over him,—his horse standing by; and the signature of "REDDING & CO" immediately above.

For Sale by all DRUGGISTS, GROCERS, and at all Country Stores.

Dr. WISTAR'S BALSAM OF WILD CHERRY,

HAS BEEN USED FOR NEARLY

HALF A CENTURY
WITH THE MOST ASTONISHING SUCCESS, IN CURING—
Coughs, Colds, Hoarseness, Sore Throat, Influenza,
Whooping Cough, Croup, Liver Complaint,
Bronchitis, Difficulty of Breathing,
Asthma, and every
Affection of

THE THROAT, LUNGS AND CHEST, INCLUDING EVEN CONSUMPTION.

So general has the use of this remedy become, and so popular is it everywhere, that it is unnecessary to recount its virtues. Its works speak for it, and find utterance in the abundant and voluntary testimony of the many, who from long suffering, and settled disease, have by its use been restored to pristine vigor and health. We have space only for the following

UNSOLICITED TESTIMONY.

The following explains itself. It is but one among the many letters of like import constantly being received by the proprietors:

Fairfield, Me, April 28, 1864.

Messrs. SETH W. FOWLE & Co.

Gentlemen: Seeing numerous certificates in the *Maine Farmer* endorsing the merits of that Great Lung Remedy, WISTAR'S BALSAM OF WILD CHERRY, I am induced and I take great pleasure in giving publicity to the great cure it accomplished in my family in the year 1856. During the summer of that year my son, Henry A. Archer, now Postmaster at Fairville, Somerset County, Me., was attacked with spitting of blood, cough, weakness of lungs, and general debility, so much so that our family physician declared him to have a "SEATED CONSUMPTION." He was under medical treatment for a number of months, but received no benefit from it. At length, from the solicitation of himself and others, I was induced to purchase *one bottle* of WISTAR'S BALSAM OF WILD CHERRY, which benefited him so much I obtained another bottle, which in a short time restored him to his usual state of health. I think I can safely recommend this remedy to others in like condition, for it is, I think, all it purports to be—**THE GREAT LUNG REMEDY OF THE TIMES!**

The above statement, gentlemen, is my *voluntary* offering to you in favour of your Balsam, and is at your disposal.

As ever, yours,

ANDREW ARCHER.

**WILBOR'S COMPOUND OF
PURE COD LIVER
OIL AND LIME.**

FOR CONSUMPTION, it is the only reliable remedy known. It has, in thousands of instances, restored patients that seemed past hope of recovery; and, in tens of thousands, has arrested the disease in its primary stages, and restored the patient to robust health.

BRONCHITIS.—Its effects in this troublesome disease are very marked. It is necessary to persist in its use for a considerable length of time. **FEMALE DEBILITY.**—To sustain and augment the vital forces; to make new, rich and pure blood; to build up the nervous system; to restore energy to the mind and body—nothing can be better adapted than this preparation. In **ASTHMA, GENERAL DEBILITY, EMACIATION, COUGHS,** it is a reliable remedy. Nineteenths of the cases where it is supposed to fail, simply arise from the remedy being abandoned before its beneficial effect became obvious. Be careful and get the genuine, manufactured only by
