The Annual Meeting of the Association shall be held at Toronto on the second day of the Annual Match.

There shall be two ordinary meetings of the Council; the first of which shall be held on the day after the annual meeting of the Association, and the second at such other time as the Council may then determine upon.

Extraordinary meetings shall be summoned by the Secretary, if required by any six of the members of the Council—notification being sent to each member of the Council at least ten days previous to such meeting—and the requisition for the meeting, and the notices to the members, must state the object or objects of such extraordinary meetings.

The Council shall keep minutes of its proceedings at all meetings, which shall be entered in a book kept for that purpose by the Secretary, and open to the inspection of all members of the Council.

There shall be a Finance Committee, consisting of three members of the Council.

The Treasurer is authorized to deposit from time to time in the Savings Department of the Ontario Bank, all sums of money paid over to him on behalf of the Association.

All expenditure for sums of current expenses which may be required by the Secretary must be authorized by the signature of the President of the Association, or, in his absence, by some member of the Finance Committee, and the Treasurer shall pay all orders duly signed in such manner.

Other expenditures of a general nature are to be made only upon the authority of the Council of the Association.

A detailed statement of all Receipts and Expenditures shall be rendered annually to the Council by the Treasurer.

REPORT OF COUNCIL OF THE
ONTARIO RIFLE ASSOCIATION,

1880.

Your Council, in placing before you a report of the proceedings of the Association for the year 1880, have pleasure in first calling your attention to the Annual Prize Meeting, which appeared to give even greater satisfaction to those attending it than that of the previous year. This most desirable end was attained partly through a still larger prize list than usual, and partly through the zealous efforts of the Staff, who spared themselves neither time nor trouble in their anxiety to make the Meeting a success.

Perhaps the most notable feature of the Meeting was the shooting in the Merchants-Brassey Match, where the 13th Battalion of Hamilton won for the third time consecutively the "Merchants" Cup, which now becomes their absolute property. While heartily congratulating the 13th on this brilliant achievement, your Council are now at a loss for a substitute for a prize that has hitherto given such zest to Team shooting.

Besides an increased prize list, another competition was added in the shape of a Skirmishing Match. The terms of competition for the Sir Peter Tait Cup were, with the consent of the donor, changed so as to become a Team Aggregate in place of a Match prize, and competition for the Aggregate Prizes was thrown open to the whole Dominion. It is hardly necessary to say that these changes met with the approval of all competitors.

At the Winter Meeting of the Council a proposition was made for the abolition of the "back" position and the introduction of the "standing" and "kneeling" positions; but, as such changes were thought to be too sweeping, until the views of the several Affiliated Associations were ascertained, a circular was issued inviting an expression of feeling upon these suggestions; and the result was, that the majority of the members of the Association decided to abolish the "back" position in all save "Any Rifle" matches, to use the "standing" position for the "Extra Series" matches only, and

against the use of the "kneeling" position in any matches whatever. Your Council therefore acted in accordance with this decision in preparing the regulations and prize list.

The telephone which last year was of such use in communicating with the targets was extended so as to reach the Secretary's and Statistical Offices, and again proved a most valuable aid to the working of the Meeting.

Sufficient prizes were collected for the "Extra Series" to make two distinct matches; but the same trouble was experienced as in former years in obtaining even the small number offered for competition; and, were it not for the great kindness of those donors who year after year contribute to this match, it would cease to be a feature in our prize list.

Your Council have to gratefully acknowledge the following donations in value to the "Extra Series" matches:

Dr. T. C. McConkey, Barrie	\$40 00
W. M. Cooper, Toronto	20 00
J. L. Rawbone, Toronto	17 00
Thomas Crean, Toronto	15 00

Lugsdin & Barnett, Toronto	5 00
H. Matheson, Toronto	4 00

Major Macdonald, Guelph	2 00
James Foster & Sons, Toronto	2 00

At the Dominion Meeting the Provincial Team succeeded in winning the Provincial Prize, viz., the Merchants of London Cup, value \$1,000.

The revenue from pasturage shows an increase over last year; but, notwithstanding that \$500 was added to the prize list, the receipts from entries, sighting shots, &c., are about the same as in 1879.

A falling off of two in the number of Affiliated Associations, and of 43 in the membership, also makes a material difference in the receipts.

The charges for repairs to Ranges, &c., have been heavier than usual, owing to a partial destruction of the new Butts, which, being subjected to a very heavy strain during the September review of last year, through crowds of people standing upon them, were unable

* Too late for this year.

to withstand the winter's frost. The cost of necessary repairs, the very large prize list and increase in expenses of the Ontario members of the Wimbledon Team, will account for the decrease in the cash balance.

Your Council have, in connection with the Ranges, much pleasure in reporting that a new lease has been granted them of the Garrison Common for a term of ten years, renewable for ten more, unless in the meantime the ground be required for urgent military purposes.

The cordial thanks of the Association are due to the under-named for their munificent donations to the Matches :

Also to the Staff, composed of Lieut.-Cols. Moffatt and Worsley; the Executive Committee; Major Miller, the Statistical Officer; Major Macdonald, Captains Gibson, McLaren and Buchan, the Range Officers; Lieut. Kersteman, the Assistant Secretary; Surgeons De la Hooke, McCollum, Kennedy, and Macdonald, the Medical Officers; and Lieut.-Col. Arthurs and Captain Graham, the Auditors.

They are likewise indebted to the several Railway Companies for reduced fares to competitors attending the Meeting, and to the *Globe* and *Mail* for complete and full returns of the several matches.

Your Council have to deeply deplore the loss through death of two of its most active members, Major Fothergill and Assistant-Surgeon McConkey, who were not only ranked among the best shots of the Province, but whose deep and unceasing interest in the affairs of the Association for years past will cause them to be sadly missed by us all.

SPECIAL COUNCIL MEETING,

Held in Colonel Gzowski's Office, Toronto, 4th February, 1880, at Noon.

MARTIN-HENRY RIFLES.

The Chairman announced that the meeting had been called at the wish of Col. Gzowski, who had a matter of importance to lay before them. Col. Gzowski informed the meeting that he believed that Martin-Henry rifles would be used entirely at the next Wimbledon meeting, in which event it was of the utmost importance that our marksmen should at once become conversant with their use, and he had therefore asked for a meeting of the Council in order that means might be devised for obtaining and distributing a number of such rifles throughout the Province. After some discussion upon the subject it was

Moved by Lieut.-Col. Gibson, seconded by Major Macdonald, that the Secretary be instructed by means of circulars to Affiliated Associations and Commanding Officers of Battalions in the Province to ascertain the names of all intending competitors for the Wimbledon Team of 1881, and by this means and otherwise, as he may think best, learn as nearly as possible how many Ontario Marksmen are likely to compete.—*Carried.*

In connection with the same it was also

Moved by Lieut.-Col. Gibson, seconded by Major Macdonald, That the Council authorize and request Col. Gzowski to take such steps as he may think best with a view to procuring the issuing by the Dominion Government of Martin-Henry rifles and ammunition for practice by the Militia, using his discretion as to the number to be asked for and the mode of distribution to be adopted—this Council hereby expressing the opinion that rifles so issued should, if possible, be of the latest English make, procured by exchange for a reasonable number of the older issue, now in store at Ottawa.—*Carried.*

I.—GENERAL REGULATIONS.

1. The meeting will be under the direction of an Executive Committee, composed of the chairman and two members of the Council, to be nominated by the Council; and the following regulations are to be observed, together with such directions as may be given from time to time by the Executive Committee.
2. All competitors must be members of the Association.
3. The Matches will take place, if possible, in the order of publication. Any deviations from the rule will be posted on the board at the Secretary's Hut. Temporary discontinuance on account of bad weather will be at the discretion of the Executive Committee.
4. The firing will begin daily at 9 a.m., and cease when the mid-day gun is fired. It will be resumed at 1 p.m., and cease at 6 p.m., except on the second day, when the firing will cease at 5 p.m., to enable members of the Association to attend the Annual General Meeting.
5. Two guns will be fired for the "Fire," one ten (10) minutes before the named hour, to warn competitors to move to the firing points, the second being the signal that firing is to begin; two guns also at the "Cease fire," one ten (10) minutes before the named hour, after which no competitor will be allowed to begin his score, the second as a signal that all the scores begun before the first gun are completed.
6. All Competitors will be subject to the Executive Committee, Officers or Non-Commissioned Officers in charge of their respective ranges or squads, the Camp Police, and the General Regulations for the conduct of the Meeting; and any competitor infringing the rules or disobeying orders will be debarred from further competition, pending the decision of the Executive Committee.
7. Competitors must make themselves acquainted with the General Regulations of the meeting, as also with the conditions attached to the prize or prizes for which they have entered, *as the plea of ignorance of such regulations and conditions will not be entertained.*
8. They must refer to the Notice Boards daily, and ascertain whether any orders have been issued which alter or affect the original detail.
9. They must attend at the firing point punctually at the hour detailed on the Firing Detail board, and deliver their tickets to the Register Keeper. Unless a competitor produces his firing ticket at the firing point, he will not be allowed to fire.
10. Should a competitor lose his firing ticket, omit to take it to the firing point, or fail to attend at the hour detailed, and so by *his own neglect* miss the opportunity given him of competing for the prize for which his ticket was

28. Any competitor protesting against the ruling of the Officer of the Range, or feeling himself aggrieved in any way, must make a statement of his grievances in writing (upon forms to be had at the office), giving the names of two or more members of his squad who can bear him out in his statements, and hand it to the Secretary; but his firing must not be delayed for that purpose.

TENTH MATCH.

“SKIRMISHING.”

Restricted to the Active Militia of Canada.

DESCRIPTION OF RIFLE—Class I.

RANGES—200 to 600 yards.

NUMBER OF ROUNDS—Five advancing, five retiring.

POSITION—Any.

ENTRANCE FEE—\$3 each Team.

To be competed for by six Officers, Non-Commissioned Officers or Men from any Battalion, Brigade of Garrison Artillery, Squadron of Cavalry or Field Battery of the Active Militia in Skirmishing order.

First Prize, \$50; Second Prize, \$40; Third Prize, \$30; Fourth Prize, \$20; Fifth Prize, \$10. 5 Prizes. Total cash, \$150.

REGULATIONS.

1. All Teams to be under command of the same Officer appointed by the Executive Committee.
2. A time-keeper will accompany the officer in command and act under his instructions.
3. Teams will be halted five times advancing and five times retiring.
4. Twenty-five seconds will be allowed for each round, thus that period of time will elapse between the “Fire” and “Advance,” or the “Fire” and “Retire,” as the case may be.
5. Any competitor firing after the bugle has sounded the “Cease Fire,” will have five points deducted from the score of his team for each shot so fired.
6. Competitors must not load or arrange their sights till after the “Fire” has sounded. On the “Fire” sounding, all will halt *immediately* and fire *one round* within the prescribed time; after which they will be guided in a similar manner by the bugle calls, the “Advance” and “Fire” in advancing, and in retiring the “Retire” and “Fire.”
7. When the number of hits counted on the target exceeds the number of shots allowed in the competition, three points will be deducted for every such hit in excess of the number of such shots, unless it be proved that such hits on the Target, in excess of the number of shots allowed, could only have been made by competitors in the Team firing more than the authorized number of rounds, in which case that Team will be disqualified.

This Rifle has the "Field" patent action, which is considered by all sportsmen who have seen it to be the best ever invented. The fact that Messrs. W. & C. Scott & Son and John Rigby & Co., of Dublin, have adopted the "Field" action for their new Sporting and Target Rifles, is proof positive that, in the opinion of these celebrated gun-makers, the "Field" is superior to all other actions now in use. The "Scott-Field" Sporting Rifle is 44 cal., sighted up to 300 yards, and can be had either with plain or pistol-grip stock.
