GENERAL STRIKE IN PARS IS A FIZZLE

Calm Reflection Convinced Many of the Strikers of the Foolishness of Losing Steady Employment—Nevertheless Telegraph, Telephone and Postal Services Are Crippled.

Paris, March 16.—The general strike of the telegraph, telephone and postal employees of the state voted with so much enthusiasm last night, it is turning out today to be anything but effective, and unless there should come some sudden change for the worse it promises to be of short duration.

An overwhelming majority of the day shifts in all the branches of the service reported for duty this morning. Hundreds of men who were present at the meetings last night apparently had concluded after sleeping over the matter, that they would not run the risk of losing permanent employment.

FEAR ROOSEVELT MAY GET THE KNIFE

New York, March 16.—The World prints this cablegram from London which was written by the Daily Chronicle correspondent at Milan: "The Italian police are in a state of trepidation over Mr. Roosevelt's arrival in Naples early in April and they learn with dismay that the ex-president's wife and three children intend to journey in Southern Italy until June. Every effort will be made to dissuade Mr. Roosevelt from setting foot in Sicily and the surrounding region. The Messina district from time immemorial has been the stronghold of the Mafia and the ex-president's strenuous campaign against secret criminal associations, such a movement would be attended with grave risks."

MR. FOWLER MAY ASK QUESTIONS

Ex. M. P. For Kings-Albert May Add Spice to Proceedings of Orange Grand Lodge

An interesting rumor was in circulation today to the effect that there may be some interesting inquiries in the course of the Grand Orange Lodge meeting at Fredericton. George W. Fowler ex-M.P. for Kings-Albert is reported to ask some questions of Rev. R. G. Fulton, the Grand Master, regarding the alleged political activities of the latter in the last election. A Times man attempted to verify the story today, but no one connected with the lodge could be found to talk of it. The rumor is, however, that Mr. Fowler alleges that the Grand Master used his influence in favor of Mr. Carroll's election in Carleton county and that Mr. Carroll's visit to Kings-Albert contributed in no small measure to Mr. Fowler's defeat. Mr. Fulton indirectly opposed the candidacy of Mr. Fowler, who is a member of the lodge. It is on this point that Mr. Fowler wishes some information.

GRAND SECRETARY'S REPORT SHOWS THAT ORANGEMEN HAD A HIGHLY SUCCESSFUL YEAR

Grand Orange Lodge Opens in Fredericton This Afternoon—Good Increase in Membership is Told of in the Reports—6,000 Orangemen Now in This Province.

The Grand Orange Lodge of New Brunswick opens its annual session in Fredericton this afternoon. A large number of local grand lodge members went to the capital this morning to be present.

NEW LODGES ORGANIZED. Five new lodges were organized during the year, viz.: Gladstone L. O. L. No. 30, Tracy, Sanbury County; Ashburton L. O. L. No. 104, North West, Grand Manan; Westfield L. O. L. No. 88, Westfield Kings (west); Star of Northumberland L. O. L. No. 134, Northumberland Co. and Beattie L. O. L. No. 137, York Co. (Gladstone L. O. L. No. 30 was organized early in January last year, and noted in last year's report, but did not make returns until now, hence it comes under our list of lodges for 1908).

DATE OF ORGANIZATION. Gladstone L. O. L. No. 30, was organized on January 27th, by County Master Rev. E. H. Cochran and officers of Sanbury County lodge, and returns 29 members. Ashburton L. O. L. No. 104, was organized on April 22nd, by County Master Hon. W. C. H. Grimmer and officers of Beattie L. O. L. No. 137, York Co. (Gladstone L. O. L. No. 30), and returns 26 members. Westfield L. O. L. No. 88, was organized on June 16th by Senior D. G. Master John King, assisted by your grand secretary, Aid. J. King Kelley, County Master St. John County, and Bro. Geo. Earl, and returns 10 members.

DORMANT WARRANTS. The following dormant warrants have been returned, viz.: No. 88, formerly held at Point Wolfe, Albert; and returned to new lodges as above. The warrants held at Beattie L. O. L. No. 137, York Co., and Beattie L. O. L. No. 137, York Co., were cancelled and the members 104 and 134, also given to new lodges organized during the year. I would urge upon all county masters having dormant warrants in their jurisdictions, to use every effort to procure and return them, as they are required to open new lodges in other parts of the province.

RETURNS. The same list as in former years on the part of a large number of our lodges in the matter of making returns promptly, is in evidence again this year, and in a matter of great inconvenience to your grand secretary. County officers are to be found in this number, who delay until the last minute the sending in of returns as evidenced this year. Six county lodges not sending in returns one week before the meeting, it is impossible for my grand secretary to submit as full and complete a report as should be made, when his task is to prepare statistics from such returns. It is impossible for my grand secretary to make up a report as should be made, when his task is to prepare statistics from such returns. It is impossible for my grand secretary to make up a report as should be made, when his task is to prepare statistics from such returns.

I also received returns from the following County Royal Scarlet Chapters, viz.: Carleton County (north), Charlotte, Sunbury, Albert, Restigouche, York, Queens (east), Queens (west), St. John, St. John (west), Kings (west), Westmorland, Kings (east).

The above shows a total of 128 primary lodges, one district, fourteen county and 13 Royal Chapters returned, with ten primary and four county lodges yet to hear from. The above returns show that 426 were initiated, 114 reinstated, 71 joined by certificate, a total of 611. Five new lodges were organized, six reinstated and two warrants were cancelled. There were 48 deaths, 112 members were dismissed with withdrawal certificates, six expelled, and two suspended for causes other than non-payment of dues.

The complete text of the report is as follows: Fredericton, N. B., March 16th, 1909. To the Right Worshipful Grand Master, Orange Lodge of New Brunswick: Right Worshipful Sir and Brethren:—The flight of time brings us together again in annual session, and reminds us that another year's work is ended for which we are required to give account. Our order has for another term nobly stood the storms and vicissitudes common to all things of human origin, and to us who have taken an obligation to carry out in our lives the great principles which it teaches is required an account of our stewardship. We remember the enthusiasm displayed one year ago when we met in the sister city of St. John, and the promises of support then volunteered by the nearly all delegates to make the year 1908 a banner one in this jurisdiction. We will learn later on in this jurisdiction. We will learn later on in this jurisdiction. We will learn later on in this jurisdiction.

Notwithstanding the depression in money matters, our order made a large gain in new members, and our lodges are, with very few exceptions, in a splendid financial position, and ready for another year's successful work.

CANADA'S FAMOUS MEN AND WOMEN

Gladly Testify to the Great Value of "Fruit-a-tives." Hon. Senator Costigan (member of the Cabinet of five Premiers of Canada), says: "Fruit-a-tives is the only medicine I ever took that did me any good for Constipation."

Mr. J. B. Flock (widow of one of the most prominent physicians in London), writes: "I was a constant martyr to Stomach Weakness all my life and no physician could cure me, but Fruit-a-tives gave me entire relief, and I strongly recommend this medicine."

Mr. James Dingwall (Superintendent of St. Andrew's Sunday School in Williamsburg, Ont., for nine years), states: "I am now over eighty years old, and I can strongly recommend Fruit-a-tives for Bladder and Kidney Trouble and Chronic Constipation."

Mr. H. Marchessault (High Constable of Quebec), testifies: "I suffered for ten years with Severe Pain in the Back. Nothing did me any good until I tried Fruit-a-tives."

Mr. W. J. McComb (the leading merchant of Trenton, Ont.), writes: "I was a martyr to Headache—consulted doctors—wore glasses—without the slightest relief. Then I took Fruit-a-tives and this remedy cured me."

This is the kind of evidence that convinces. Dealers everywhere have "Fruit-a-tives." See a box, 6 for \$2.50, or trial box, 25c. Sent postpaid on receipt of price. Fruit-a-tives Limited, Ottawa.

Grand Master above, in this their time of trouble. CONCLUSION. In conclusion, permit me to congratulate the members on the splendid showing made last year. The large number of members initiated cannot but enhance our strength in all our various lodges during this year, and let us look forward for another term of prosperity. I desire to thank all the officers and members in this province for their kindness and courtesy shown me during another year of office. I have endeavored, as in the past years to be helpful in my dealings with lodges, both in sending supplies and answering correspondence and have been fortunate in receiving in return the same courtesy and respect from all. For their cordial support and assistance in the work of the association during interim, hoping for a pleasant and profitable session, and asking for Divine guidance in perfecting all legislation enacted.

I am yours faithfully, NEIL J. MORRISON, Grand Secretary.

REUMATISM WEATHER THIS But Dodd's Kidney Pills Always Cure Rheumatism What They Did for W. H. Craine, and Why They Always Cure Rheumatism—They Remove the Cause

Toronto, Ont., March 15—(Special)—In these days of sudden changes of temperature, it is not surprising that many people are suffering from Rheumatism, the experience of W. H. Craine, of 113 Gladstone Ave., in this city, is of widespread interest. Mr. Craine suffered from Rheumatism. He is cured and he knows the cure. It was Dodd's Kidney Pills.

"Yes, I know Dodd's Kidney Pills cure Rheumatism," Mr. Craine states. "For years I have suffered from Rheumatism, and I tried every other medicine. I never cease recommending Dodd's Kidney Pills to my friends." Dodd's Kidney Pills cure Rheumatism by putting the kidneys in condition to strain the uric acid out of the blood. It is uric acid in the blood that causes Rheumatism. Cold or damp causes it to crystallize at the muscles and joints and then comes those torturing, ever-recurring rheumatic pains. Dodd's Kidney Pills cure Rheumatism by curing the kidneys. The cured kidneys remove the cause of the Rheumatism.

WHY YOU HAVE THE DYSPEPSIA Says a Dieted Stomach Gets the Blues and Grumbles for a Good Eat. Does it ever occur to you how busy that little stomach of yours is? It actually you holds three pints, though in one year you force it to hold 4,000 pounds of material, to digest, and prepare it for assimilation to the blood. Do you wonder at the number of cases of indigestion and constipation, irritate its juices with spices and acids and expect this little four-ounce mill to do its work?

Is there any wonder that your food passes undigested, or stays like a lump of lead in the stomach? That everything you eat turns to acid, stomach gas and stomach poison, putrefying the intestines and digestive canal, causing Biliousness, Headaches, Dizziness and Indigestion, Heartburn, Nauseous Breath, Constipation and other more dangerous symptoms? Call your disease what you will—Indigestion, Gastritis, Nervousness, Dyspepsia, Catarrh of Stomach, etc.—you know the real disease is fermentation of the food you eat—a sour stomach, which belches gas and eructs undigested food or causes a feeling of nausea and misery.

All these miseries vanish promptly when you stop this food fermentation. Take fifty cents to your Pharmacist for a case of Pepto's Diapiesin. Eat a triangle, and five minutes later your stomach will do what a healthy stomach should—that is, turn every bite you eat into bold nourishment, and without you realizing that you have a healthy stomach. One triangle will digest all the food you eat without the aid of the stomach, because it contains just the elements found in a good, strong, healthy stomach.

WATCH AND ADDRESS FOR REV. DR. RAYMOND

Congregation of St. Mary's Honored Their Rector Last Evening.

The school room at St. Mary's church was filled to its capacity last night when the congregation gathered to commemorate the twenty-fifth anniversary of Archbishop Raymond's death. A most touching and memorable occasion the congregation presented to him a handsome gold watch in recognition of his lengthy association with the church and of his untiring zeal in its service. Mrs. Raymond was made the recipient of a cut glass pitcher.

The presentation to St. Mary's was made by Mrs. F. E. Wright, S. Willis, in handing the watch to Archbishop Raymond, read the following address: Bishop Richardson, who presided, expressed his gratification at participation in the anniversary and death on the immortal service that Dr. Raymond had given to the parish and to his church. His lordship, in touching on the gift to Mrs. Raymond, said a clergyman's wife was his best aid to success in his chosen sphere of labor.

We, the members of St. Mary's congregation, have met tonight in our humble way to congratulate you upon attaining your twentieth anniversary of marriage. It is a privilege to rejoice with you from time to time as you have risen in your position until now you occupy the high and honorable position of archdeacon.

It is well as we journey through life to occasionally forget, as it were, the daily round or the common task, and enjoy seasons of refreshing. We do so in our homes as anniversaries of the births of our dear ones come round. At Christmas we celebrate the birth of our Lord and Master, and again at Easter we think of His glorious resurrection. These seasons to many of us are not unmingled with sadness as we are reminded of those whom we have loved and lost and we as pastor and congregation cannot but pause and remember the many who have crossed the river into the great beyond.

Since your coming among us, to whom you have so kindly ministered, not only conferring the unction but having been the same source of comfort to those who are left to mourn, we feel this to be an important epoch in our history, and one of congratulation and rejoicing, and cannot let this opportunity pass without in some tangible way showing our appreciation of the many and varied acts of kindness received at your hands during the past quarter of a century, and we earnestly hope through God's mercy that you may be spared many years to minister to this little flock.

We beg to present you with this watch as a slight token of our good will and esteem. As you listen to its tick-tick may ever remind you of hearts responding with love and gratitude. Faithfully yours, THE REV. CARLOS, SAMUEL WILLIS, Warden.

Signe on behalf of St. Mary's congregation. Archbishop Raymond responded in feeling terms on behalf of Mrs. Raymond and himself, and consecrated himself to devote the remainder of his life to work in the church. In thanking them for the gifts he referred to the confidence that existed between himself and his flock and expressed the hope that the prosperity of the parish would continue unabated.

He also made some valuable suggestions for the future. Rev. LeBaron Meunier, of Fredericton, briefly and felicitously referred to the days when Archbishop Raymond and himself were fellow pastors in York County. Rev. G. F. Slevin, of St. John's church, West End, in a brief address spoke of Dr. Raymond and himself being the only provincial clergymen of the Anglican denomination in the city. J. E. Wilson, M. P., also spoke. Rev. R. P. McKim, Rev. J. Edward Grant, Rev. A. G. Gaudin and Rev. W. Anthony were among those present. Rev. G. A. Kurling, Rev. E. B. Hooper and Rev. W. H. Simpson also spoke, expressing their inability to attend.

St. Mary's band opened the programme with selections and during the evening Dr. Raymond, who was in letters past, was present. He was accompanied by Mr. Phares, who were given. Refreshments were served by the ladies.

DATE OF ORGANIZATION. Gladstone L. O. L. No. 30, was organized on January 27th, by County Master Rev. E. H. Cochran and officers of Sanbury County lodge, and returns 29 members. Ashburton L. O. L. No. 104, was organized on April 22nd, by County Master Hon. W. C. H. Grimmer and officers of Beattie L. O. L. No. 137, York Co. (Gladstone L. O. L. No. 30), and returns 26 members. Westfield L. O. L. No. 88, was organized on June 16th by Senior D. G. Master John King, assisted by your grand secretary, Aid. J. King Kelley, County Master St. John County, and Bro. Geo. Earl, and returns 10 members.

STATISTICS. The following lodges have been reconstituted during the year, viz.: L. O. L. No. 12, York County (west); L. O. L. No. 68, Carleton County; L. O. L. No. 10, Kings (east); L. O. L. No. 19, Kings (west), making a total of nine lodges added to our roll during the year.

DORMANT WARRANTS. The following dormant warrants have been returned, viz.: No. 88, formerly held at Point Wolfe, Albert; and returned to new lodges as above. The warrants held at Beattie L. O. L. No. 137, York Co., and Beattie L. O. L. No. 137, York Co., were cancelled and the members 104 and 134, also given to new lodges organized during the year. I would urge upon all county masters having dormant warrants in their jurisdictions, to use every effort to procure and return them, as they are required to open new lodges in other parts of the province.

RETURNS. The same list as in former years on the part of a large number of our lodges in the matter of making returns promptly, is in evidence again this year, and in a matter of great inconvenience to your grand secretary. County officers are to be found in this number, who delay until the last minute the sending in of returns as evidenced this year. Six county lodges not sending in returns one week before the meeting, it is impossible for my grand secretary to submit as full and complete a report as should be made, when his task is to prepare statistics from such returns. It is impossible for my grand secretary to make up a report as should be made, when his task is to prepare statistics from such returns.

ALBERT COUNTY returns 4 primary and one county lodge. Carleton County returns 7 primary and one county lodge. Carleton County (north) returns 7 primary and one county lodge. Kings County (west) returns 7 primary and one county lodge. Kings County (east) returns 7 primary and one county lodge. Northumberland County returns nine primary and one county lodge; one to hear from. Westmorland County returns one primary lodge; one to hear from. Kent County returns one primary lodge; one to hear from. Gloucester County returns one primary lodge; one to hear from. Restigouche County returns five primary and one county lodge. Queens County (east) returns five primary and one county lodge. Queens County (west) returns four primary and one county lodge; two to hear from. Victoria County returns three primary and one county lodge. Sunbury County returns eleven primary and one county lodge. St. John County (west) returns six primary and one county lodge. Westmorland County returns four primary and one county lodge. York County returns five primary and one county lodge; one to hear from.

I also received returns from the following County Royal Scarlet Chapters, viz.: Carleton County (north), Charlotte, Sunbury, Albert, Restigouche, York, Queens (east), Queens (west), St. John, St. John (west), Kings (west), Westmorland, Kings (east).

The above shows a total of 128 primary lodges, one district, fourteen county and 13 Royal Chapters returned, with ten primary and four county lodges yet to hear from. The above returns show that 426 were initiated, 114 reinstated, 71 joined by certificate, a total of 611. Five new lodges were organized, six reinstated and two warrants were cancelled. There were 48 deaths, 112 members were dismissed with withdrawal certificates, six expelled, and two suspended for causes other than non-payment of dues.

The complete text of the report is as follows: Fredericton, N. B., March 16th, 1909. To the Right Worshipful Grand Master, Orange Lodge of New Brunswick: Right Worshipful Sir and Brethren:—The flight of time brings us together again in annual session, and reminds us that another year's work is ended for which we are required to give account. Our order has for another term nobly stood the storms and vicissitudes common to all things of human origin, and to us who have taken an obligation to carry out in our lives the great principles which it teaches is required an account of our stewardship. We remember the enthusiasm displayed one year ago when we met in the sister city of St. John, and the promises of support then volunteered by the nearly all delegates to make the year 1908 a banner one in this jurisdiction. We will learn later on in this jurisdiction. We will learn later on in this jurisdiction.

Notwithstanding the depression in money matters, our order made a large gain in new members, and our lodges are, with very few exceptions, in a splendid financial position, and ready for another year's successful work.

OBITUARY. Joseph Huber. On Tuesday, March 9th, at Upper Gagetown, Joseph Huber, died, aged 77 years. Death came somewhat unexpectedly, the cause being paralysis, occasioned by a fall. On the previous Tuesday he attended the funeral of Deacon Wm. Weston. The roads being very icy, he slipped on a fall backward, striking the back of his head and shaking him up severely, from which he never recovered. One of the best known figures is therefore removed from this locality. He held office as county councillor for 15 years, and during a portion was warden of the council, a justice of the peace for over 30 years, also secretary of the District School Board until recently, in which he ever took great interest. He leaves an aged widow, ten children and one brother and sister to mourn their loss.

ST. GAUDENS The Famous Son of IRELAND

BY WALDOX LAWETT

The approach of St. Patrick's Day always serves to direct public attention to the personalities and the achievements of the most celebrated members of the Irish race...

It has been said that St. Gaudens was the greatest Celtic genius of the century. He was more than one of the greatest geniuses the world has produced in many decades...

From which the sculptor should have learned the lesson that the artist should not be content with the reproduction of nature...

In New York, the sculptor found the artistic atmosphere which he needed. He found the artistic atmosphere which he needed...

Impressed by the spectacle of troops departing for the front, and a glimpse of the immortal Lincoln in the streets of New York...

For almost sixteen years thereafter with splendid results in the studio he established in New York and became almost from the outset one of the most conspicuous figures in the art life of the metropolis...

Whether the painter, and other giants of the world of art, who were also congenial and companionable to Saint Gaudens, endeavored to keep up the sculptor's spirits in the face of encroaching health...

MORE INSIDE HISTORY OF THE PEOPLES MISSION

St. John, N. B., March 15, 1909. Editor Times: Sir,—I had not intended to have anything more to say about the Peoples Mission, but reading a letter from the Rev. B. Beatty in the Times of the 12th inst. I feel it my duty to defend myself against such unjust and untrue charges.

It is a pitiable sight to see a clergyman with the muck-rake trying to smear the charges against me with a number of years helped to support him. As to the charges against Mr. Rowley, I know nothing. I understand that he was a member of the Peoples Mission, but I do not know whether he was or was not.

There is a class of patients who do not object to paying a fair price for artificial teeth, if they can really secure comfort, usefulness and naturalness. Its beauty is at once apparent, and it is practically unbreakable.

A prayer service for Christian workers will be held this evening at 7.30 in the upper classroom of the church.

DEATHS

GORMAN—At Hartford, Connecticut, on the 15th inst. Andrew H. Gorman. Notice of funeral.

DEATH RECALLS AN OLD ROBBERY

Lewis R. Saunders, of West Side, Who Died on Sunday Was Robbed of \$3,500 Fifteen Years Ago.

The death of Lewis R. Saunders on Sunday at his residence corner Market Place and Prince street, west end, recalls the perpetration of the theft between twelve and fifteen years ago by which he was deprived of \$3,500 by three or four west end men.

The late Mr. Saunders who died at the age of 84 years, conducted a store at the junction of the streets mentioned. The night of the robbery, Sergeant Ross and patrolman McLaren were patrolling the vicinity of the shop and the sergeant noticed that two men were covertly watching their movements, but no special significance was attached to it. The sergeant and Officer McLaren shortly after midnight and subsequently one of the men accosted the policeman and opened a brisk conversation with him. While the two were talking the other festive demolished a pane of glass in Saunders' store and inserting a lead through the aperture unfastened the door. The door was opened and a wooden chest containing \$3,500 was carried to Market slip, west side, a short distance away and after the money was removed from the receptacle into a rowboat it was cast into the slip where it was discovered when a search was instituted. The thieves rowed to the east side in the rowboat and in their hasty flight dropped \$50 in the mud in the slip which amount was all that the old man recovered of his accumulation of half a century.

Two west end men were arrested and accused of complicity in the robbery, but Judge Forbes decided that the evidence was insufficient to convict either man and they were discharged.

Both parties were on Westmorland Road, and it is alleged that Finley has been berating the complainant in unseemly language for some time.
