PLEA OF MITIGATION

D-82903 Pte. Walter Greenwood.

This soldier enlisted in the Canadian Army, July 1941, and arrived overseas in Sept. 1942. Up to this time he has a comparatively good record, with the one charge of A.W.L. which resulted in the forfeiture of 7 days pay. He is a married man, and his wife resides in Canada. Since arriving in this country he made the acquaintance of a young lady, but had informed her that he was married, and had a wife back in Canada. Later he learned through her father, that the girl was going to have a baby, and that he was the father, and forbid him to see the girl again, or come around the home. Later he was summoned to court, and not denying the fact that he was the father, was compelled to pay the sum of 10 shillings a week plus the costs, which amounted to 7 Pounds. This took place on the Second of May 1945, and up to this date, no deductions had been made from his pay. The accused ~~payed~~ paid several trips to the Pay Office, to see why these deductions were not made, but received the reply that they had no authority to do so. Knowing this debt was piling up, and being in a troubled state of mind, the accused figured the only way out, was to try and see this girl in person. He did not wish to go near the home, as the father is a cripple, and did not wish to cause a scene, so he hung around that neighbourhood in the chance that he may run into her, but was not successful. Since that time, he has received the bill for backpayment which amounts roughly to 20 Pounds.

In passing sentence, I ask the court to take ~~into consideration~~

liency, and consideration on this soldier, for the mess he has got himself into, due to a few reckless moments

EVIDENCE FOR THE PROSECUTION NOTE D-3

Prosecutor:

I produce Certified true copy of Unit Part I Order of No 3 Battle Wing, No 226, dated 22 Sep 44.

(Part I order No 226 marked Ex 1 by the Court)

1st WITNESS FOR THE PROSECUTION

Capt (A/Major) L.H. Taylor, att to 3 Battle Wing, CTS, having been duly sworn states:

On Sat morning 28 Oct I was detailed as comd No 7 Pl, A Coy at CTS. On completion of the morning lectures my pl was embussed at Wiston House, I mounted in the cab of the leading veh. As the veh moved off I told the driver, who is the accused here today, to drive slowly as excessive speed caused inconvenience to the passengers in the rear of the veh. We moved down a narrow lane at what I considered an excessive speed, when we gained the main highway the driver accelerated and I warned him to drive slower. He questioned my right to be in the cab as I was not a member of the staff and he said that he did not take orders from students. I said "I am an officer, and in charge of this pl and I am telling you to drive slower." The speed of the veh increased, we passed a sign painted on the road "dead slow" at a speed of 40 mph, according to the speedometer of the veh, and in my opinion it was excessive. It was a 60-cwt truck. I remonstrated again and pointed to the speed markings of the truck on the windshield which showed the maximum speed of the veh to be "25". We continued on to Woppingthorne, our ultimate desination, there was very little conversation from that point on. I warned the accused that he was piling up trouble for himself and he said "so are you". When the party dismounted at Woppingthorne the driver went to the rear and let down the tail gate and when he came back to the front I asked for his pay book. He xxx did not give it to me, I said "you are under open arrest"and he replied "that's what you think". He mounted his veh and drove off. The instruction of our Pl Capt C McArthur was at Woppingthorne and I immediately brought this matter to his attention, I submitted a statement in writing to support my charge, Capt McArthur then took the matter in to his hands.

CROSS EXAMINATION BY THE DEF OFFR

Q Could you tell the Court what you were wearing when this occurence took place?

A I was wearing no sign of rank, I was in black overalls, which is the authorized dress of this school.

Q Did you offer the accused any proof that you were an officer?

A I did not, the course was for officers only and I told him that I was the offr in charge of the pl. 3 Battle Wing have only been holding courses for officers for some months.

Q The only means you have of judging the speed is by the speedometer?

A Yes.

Q Do you know that the speedometer was correct, have you tested it or had it tested since?

A I was relying on the needle and my own judgement which told me we were travelling at an excessive speed.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

2nd WITNESS FOR THE PROSECUTION
Lt (A/Capt) H.L.C. Hembroff, on strength No 3 Battle Wing CTS having been duly sworn states:

On the 28 Oct 44 I was posted to No 3 Battle Wing, CTS as an instructor. I am the Pl Comd No 7 Pl, A Coy, CTS. I detailed Major Taylor as Pl Comd No 7 Pl for the day of 28 Oct 44. He was responsible to see that the pl was embussed and was responsible for the transportation of the pl from Winston House to Woppingthorne. I was at Woppingthorne when the students arrived, at which time Major Taylor reported an incident to me.

CROSS EXAMINATION BY THE DEF OFFR

Q Was the accused present when you instructed Maj Taylor to take over the pl?
A No.

Q Was he informed that/any that Major Taylor was in charge?
A No, it is an understanding that the tpt take the students to Winston House and bring them back.

Q Was the accused told that Major Taylor was in charge of the tpt?
A No.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

3rd WITNESS FOR THE PROSECUTION
Capt A.R. PALLISTER, on strngth No 3 Battle Wing, CTS, having been duly sworn states:

I am the tpt offr at 3 Battle Wing, CTS. In the tpt office there is a file of ~~xxx~~ daily orders kept on the wall for the information of all MT personnel. Part I Orders for the 22 Sep 44 repeated the RO order regarding the maximum speeds laid down for WD vehs in the case of 60-cwt, the maximum speed quoted by this order was 25 mph. (Witness is shown Ex 1) This is the order I have been referring to. I checked this file two times since posting it there the last time less than a week ago and it was still~~xxx~~ there. All drivers come into the office at least twice a day to get their mail and to get their work tickets and instructions for the day.

CROSS EXAMINATION BY THE DEF OFFR

Q When was the accused first att to your section?
A Between the 7 and 10 Oct 44.

Q As tpt offr you are responsible for the drivers duties?
A He gets his orders from myself or my NCOs.

Q Did you ever speak to the accused about his duties? About duties regarding driving students?
A I never did personally, he would report into the office each morning and get his instructions from some NCO there, probably the despatcher, the usual job was to drive the officers from their quarters and take them wherever the instructors wanted them taken. I never outlined his duties to him, but he would be detailed on jobs each morning.

Q Can you tell the Court where these orders were hanging?
A The office~~x~~ is divided into two parts, a place for the drivers and the other part is where the work, office work is carried out, the orders are right beside the door and in the part where the drivers come into. I never read the orders to the accused or showed him where they were, but there was a sign above them they were in plain view and he could not have helped but seen them.

BY THE COURT

Q Did you give any instruction to your drivers as to whether they were to take orders from the officer students?

A I am not prepared to say I have given orders to any individual but at various times I have told them they are responsible for speed and are liable to be charged by anyone riding with them I have told them that they are responsible as well as the officer riding with them.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

CASE FOR THE PROSECUTION IS CLOSED

SUBMISSION BY THE DEF OFFR Note D-4

Sir,

I ask the Court to consider that the evidence produced by the Prosecution is of such that has not made a prima facie case on any of the three charges, in as much as the officer who issued these orders was a student and did not have any badges of rank showing, which would enable the accused to realize that he was an officer and therefore should be obeyed. I point out that the Part I order produced was published before the accused arrived at 3 Battle Wing and no evidence has been produced to show that the accused ever read or saw it.

REPLY BY THE PROSECUTOR

Sir,

Regarding the Part I order, I would like to draw the attention of the Court to MML, Page 436, under Sec 11, the foot note. I consider that the Prosecution, through witnesses has proved the orders were there and I contend that the accused being an MT driver oughtto have, in the ordinary course of events should have read and known what was in that order. On the 1st Charge, I contend that the evidence is sufficient inspite of the fact that the officer was not wearing rank badges at the time, he declared that he was an offr and having declared such, the order should be carried out and any question the accused had should be looked into later, but owing to the nature of the duty no badges of rank are worn. The accused has been driving officers for a period of some weeks and there is no reasonable doubt that he should these students are officers. On the 2nd Charge the same remarks apply, the driver knew he was talking to an officer, and should have produced his pay book.

COURT IS CLOSED TO CONSIDER THE SUBMISSION

COURT IS RE OPENED AND THE PRESIDENT ANNOUNCES THAT THE SUBMISSION IS DISALLOWED.

EVIDENCE FOR THE DEF NOTE D-6

1st WITNESS FOR THE DEF

The accused, att to 3 Battle Wing, CTS, having been duly sworn states:

On the 15 Oct 44 I and two other drivers with trucks went to 3 Battle Wing CTS to replace three other trucks that had to go in for repairs. We arrived there on Sun and were told to report to the office on the following morning. This we did. The other boys told us what our duties were, the chaps who were driving in the convoy with us. They told us we were not supposed to take any orders from the students as one time a student made one of the drivers go on a recreation trip and this chap said for us not to take orders from students, but only from instuctorrs.

Q Do you remember having seen Major Taylor the first witness before?
A I have never seen him before.

Q Will you tell the Court what happened on the 26 Oct 44?
A Around 1200 hours the busses were lined up and down the road for the students and as they came running down the road the made a dive to see who could get into the front of the trucks first. I did not pay any attention who was in the front of my truck and when ~~xxxxxxxx~~ I went around to shut the tail gate and came back to the cab an officer was sitting in the cab. We proceeded down the road. As we were going down he said that I was driving too fast which I was not at the time or afterwards. He said for me to slow down that I was going too fast, which I did. So we got down to the bottom of the lane and we changed gears and practically stopped, it is the Steyning-Washington Road I believe. We proceeded at an average speed of 25 mph and there was a little grade or hill which caused me to slacken down, the speedometer registered 28 mph at the time. When I got into Woppingthorne I slowed right down to turn into the gate. He said I was still travelling too fast at that time and I asked him who was driving, I did not take him for an officer. He had no badges of rank on. I went down the road and he said I was still driving too fast and I slowed right down to practically nothing and after I got over there and stopped I got out and opened the tail gate and as he got down out of the truck and I got in he went around the side and asked for my name, I said it was not necessary as I did not know who the person was. I drove back to Winston House again as my journey was finished.

Q When the major told you he was an officer did you ask him for any proof of that?
A He did not say he was an officer, he said"I am in charge." Anybody could have said that, a private or corporal.

Q Had anyone in charge told you he was in charge?
A No Sir.

Q Did anyone ever tell you that everyone at 3 Battle Wing were officers?
A No Sir.

Q When you come into the Court did you know that all the students of 3 Battle Wing were officers?
A No Sir, I still do not know that, we had no instructions.

Q Are you certain in your own mind that no one had pointed out the Pt I Orders to you in the MT office.
A No Sir, I never knew that they were hanging in there.

Q The road from Steyning to Woppingthorne, what is it like?
A There is one curve, there are two hills that are fairly long, you must go up them in secondgear.

Q Has the speedometer in your veh been tested in the last two months?
A No Sir.

CROSS EXAMINATION BY THE PROSECUTOR

Q Previous to going down to 3 Battle Wing you were a driver in 1 Cdn Adm Tpt Coy?
A Yes Sir for three years and 8 months.

Q You are familiar with the maximum speeds for MD Vehs?
A Yes Sir.

Q You also know that Pt I orders should be read each day?
A Yes Sir if they are handy.

Q Did you realize that it is your responsibility to find out where Pt I orders is, did you ask anyone else where they were and get and read them?

A Well Sir it is my business to find out where Pt I orders is but when ever you ask anyone no one seems to know where they are.

Q In your statement on oath you state you were given no specific orders, of any kind, is that correct, were you told to take these officers to Woppingthorne?

A I received no orders Sir.

Q In that case how did you know where you were going?

A The work tickets are made out and signed and they say where we are to go. We just went in and got the work tickts and came out and followed the rest of the tpt. They were in the MT office in a ~~KKK~~ pigeon hole.

Q Is that the first time you had driven students to their work?

A Yes Sir.

Q You said in your evidence also you were told that you were not to take orders from anybody except the instructors?

A That is right sir the other drivers told me that.

Q Are you in the habit of taking orders from fellow drivers?

A When there is no one else around to give them.

Q There was the tpt officer and some NCOs available?

A Yes but they are supposed to give you orders when you are att ached out.

Q When the student who was riding with you in the cab told you were driving too fast you replied "who is driving" and told him no one was supposed to in the front with you, what made you say or think that?

A Well Sir it is up to the driver, I was always told since being in the army that whenever you are out on a detail like that you needn't have anyone in the cab with you.

Q Who told you that?

A The people at myown place and the other drivers.

Q When the student who was riding with you in front told you he was in charge No 7 Pl why did not you slow down the veh when he ordered you to do so?

A I did Sir.

BY THE COURT

Q Did you know where the MT office is?

A Yes Sir.

Q Have you ever been inside the office?

A Yes Sir to get work tickets.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

CASE FOR THE DEF IS CLOSED

Prosecutor asked leave to recall CaptPALLISTER, to rebut the evidence given by the accused.
Leave granted.

Capt Pallister, already sworn states:

Q The accused states that he has never during the time he was at 3 Battle Wing has been given any order from either yourself or Tpt Sgt, but other drivers, can you tell the Court how orders are given?

A He would normally be detailed by the despatcher who is a L/Cpl.

Q In other words it would be impossible for him to take a truck and students anywhere without the instructions of the despatcher?

A He would normally come into the office and find the orders for the day and the despatcher will tell them by name what their duties for the day are.

Q Is it possible for a driver to enter the MT office, pick up a work ticketxxxxtand proceed on his duties without anyother order or instruction.

Q It might be possible but not normal, it would not be possible except in cases of people permanently detailed to tpt the trg coy, and that is a permanent detail.

Q To the best or your knowledge do you know whether drivers have been given instructions that xhxix they are responsible entirely for their vehs and th t nobody else is allowed to ride in the cab.

Q I have given the opposite instructions, that anybody riding with them is also responsible in the event of my catching them speeding both people in front would be responsible. There is no definite instruction from me or my office, or NCOs that they do not have anyone in the cab.

Q The accused has said that the 28 Oct was the first time he drove students?

A That is not correct, I know by our records that he has driven students before that date. And on the same run.

CROSS EXAMINATION BY THE DEF OFFR

Q The question of responsibility for knowing the orders and particularly MT orders, I wonder did you imply that you are certain that the accused was among those drivers that were told these things?

A They are things that are brought up from time to time and by the time they are repeated several times all the drivers must know them.

REEXAMINED BY THE PROSECUTOR

Q The accused states that he has received instructions that he was not to take orders from anybody other than instructions, have you ever instruction other drivers to that effect?

A Definitely not.

of the Court.

In the opinion/it is unnecessary to comply with RP §3(B)

PROSECUTOR ADDRESSES THE COURT ON THE FINDING:

Sir,

I with to repeat what I said on the submission and add:

On these charges we have here witness, Major Taylor who makes definite statements that he ordered the driver to slow down the veh as it was going at an excessive rate of speed and he warned the driver that he was an officer and in charge of the pl. Major Taylor also states in his evidence that the driver did not do so, and he made an insolent remark to this Major. The accused pointed out all sorts of things such as Major Taylor was not an instructor, he should not be in the cab, and he had not right to be giving orders. Major Taylor left it at that and at the end of the journey asked the man for his pay book, the

The accused said it was not necessary. I think that order and resulting answer is a direct form of prejudice to mil discipline along with the other evidence that has been produced by Major Taylor. The accused say he was instructed by other drivers not to take orders from students, the MT officer says he issued no such orders, the accused has been an MT driver a long time and knows quite well that one must take orders from a superior officer, whether he is a student or not. The accused stated he had not driven this run before, the MT officer has cleared any doubt in any one's minds as to the truthfulness of that statement, besides the accused having been there two weeks. The Pt I Orders were available and should have been read. We have the evidence of the Pl Commander, Capt Hembroff that Major Taylor had been put in charge, which leads us to believe that officers were usually put in charge, the accused could not but have been aware of that. I say the accused is guilty of the three charges and I believe I have produced evidence to prove them.

DEFENDING OFFICER ADDRESSES THE COURT ON THE FINDING:

Sir,

I submit that the accused has been charged three times on evidence of one other person alone. I refer to Para 67, Ch 5 MML.

In producing one witness, and I am far from saying that Maj Taylor is not a creditable witness, I say that he might have misinterpreted the speedometer, he might have failed to give the driver every opportunity to learn his identity and he might possibly have provoked the accused while he was driving his veh. The fact that the first witness is ~~xxx~~ an officer will not influence the Court in deciding this case, is something I am confident of, and I say that Major Taylor did make his identity clear to the accused. His appearance probably ressembled anything but an officer as the accused is used to seeing officers. The accused is an RCASC driver, knew he was in charge of his veh as he was out on attachment. He had not been told that someone of the students had been put in charge of the pl, he still does not recognize Major Taylor as the individual who sat beside him. The accused say he was not driving at an excessive speed, the road was hilly and he had to go up the hills in second gear, on the down grade he might have went a little over the 25 mph limit, but it is laid down that drivers will not use their brakes unless necessary. The speedometer has not been checked since that time. I have mentioned the Pt I orders in my submission and I repeat that they should have been shown to the accused, they were not, as Pt I orders are published on each week day there would be some considerable pile in front of the one that the accused is charged for having failed to comply with. The accused has stated and the Prosecution proved that the accused was never given any instructions regarding his duties at 3 Battle Wing, he learned all he knew from other drivers, men well acquainted with the rules at the school. The accused states that he had no knowledge that all the students were officers, no one ever told him and he had no reason to know it. Regarding the neglect to produce his pay book, there again Major Taylor did not make his identity known to the accused, I do not believe that the accused is villanous enough to deliberately defy a field officer when ordered by him to do something, and to drive away while being spoken to by this fd offr. In conclusion I ask that if any doubt as to the guilt or innocence of the accused rests in the minds of the Court then that that doubt go in favour of the accused.

COURT IS CLOSED TO CONSIDER THE FINDING
COURT IS REOPENED

NOTE E-3

PLEA IN MITIGATION

Sir,

I ask the Court to consider that the accused certainly did not act as he did in any malice of forethought, he merely did not recognize Major Taylor to be an officer. The driver was away on attachement and not familiar with the rules that governed the school and he took his instructions from the other drivers and acted accordingly. This man has driven several officers around the country, he has been on attachment at various times and this the first complaint that has been received against his driving or himself. From personal knowledge of the accused who has served under my command, he is a good driver and under normal conditions a careful driver. Frankly I do not think the accused is of such gigantic mental power to cause him to scheme up ways and means of going about insulting people, and I do not believe he understood the serious of this offence which resulted in three charges.

Summary of Evidence taken on oath by order of the Commanding Officer

FIRST WITNESS FOR PROSECUTION

Capt (A/Major) L.H. Taylor, Canadian Armoured Corps att to No 3 (Battle) Wing, Canadian Training School, having been duly sworn states:-

On 28 Oct 44 at approx 1200 hrs as student Pl Comd No 7 Pl "A" Coy I saw my pl embussed and mounted the cab of the leading vehicle which was WD No CL 198359. As the vehicle moved off down the lane from Wiston House to Steyning, I told the driver whom I recognise as the accused, to drive slowly, as excessive speed caused jostling to the passengers in the rear of the vehicle. I kept my eye on the speed guage and at times we were travelling at 25 mph on a very narrow lane. I mentioned the fact thatthe speed was too great. When we gained the main road at Steyning the driver accelerated until the speed indicator showed more than 30 mph. At this point I ordered the accused to slow down. With considerable heat the accused replied "Are you an instr". I replied "No, but I am an offr IC of a pl and I'm telling you to drive slowly." He replied "You are not an instr, you should not be in the cab and I do not take orders from students." The speed of the vehicle increased passing over a road sign marked "Dead Slow" on an S curve. I noted at that point the speed indicator readingg 40 mph. I cannot specificaly recall any further conversation with the driver until we reached Wappingthorne, although I do recall cautioning him to the effect that he was piling up trouble for himself to which he replied "And so are you." At Wappingthorne I asked for his paybook which he refused to give me. I said "You are under open arrest." and he replied "Thats what you think." He then mounted his vehicle and drove off. I reported the incident to Capt McArthur my Coy Comd.

Cross examined by the accused.

Question 1
Whereabouts was the road sign marked "Dead Slow"?

Answer 1
On the surface of the main Washington, Steyning road at approx MR (Sheet 133) 609315.

Question 2
Are you sure that you asked me for my paybook?

Answer 2
Yes

The accused declines to question the witness further.

The accused No D 114775 Pte Guadagnola, H.D. Royal Canadian Army Service Corps attached to No 3 (Battle) Wing, Canadian Training School a soldier of the Canadian Army (Overseas) having been duly sworn states:-

On 28 Oct 44 I was driving a 60 cwt truck No CL 198359 taking the students over to Wappingthorne. While driving down a lane the student in the cab with me said "Slow down" which I did. When I arrived at the main road at Steyning I changed gears over to third and as I was proceeding at about 25 mph he told me I was still going too fast and asked me if I knew the speed limit. I replied "Yes" and as we approached an S corner on a hill towards the turn off to Wappingthorne, I was travelling at about 28 mph. After I arrived at the top of the hill I slowed down to between 22 and 25 mph. On arriving at the entrance to Wappingthorne I changed into second gear. He told me he was IC of No 7 Pl of "A" Coy. While travelling up the driveway to Wappingthorne he said, you are still travelling too fast. I said to him "Who's driving and told him that nobody was supposed to be in the front with me". When we arrived and the students debussed he asked me for my name and I told him that that was not necessary. I then got back in the truck and drove back to Wiston.

M. 3234 Pvt. Jordan, J. S. 78 Coy. 13th Batt. A.I.F.

I saw the Guard come out of the pub & walk straight to the fight. There were 10 or 12 people in the ring. Two minutes after I saw Guard get Hayes off the ground & the Guard hit him. I left work & broke him down & held him. I then put him into the truck. He offered no resistance & did not refuse to go back. I did not see Guard at any other time.

2. 26332 Sgt. Jones, S.S. 13th Batt. A.I.F. Duty Sgt.

The first time I saw the accused was after the fight in which accused & Pte. Hayes came out of the truck. Guard was one of those pointing at me, urging me to draw Hayes alone & they'd take him home. To my knowledge he did not strike or threaten to strike me. He afterwards put him aboard the vehicle & took him home.

Prisoner objected to 1st & 2nd charges. He accused did go over to fight & fought with Jordan, but was out of the fight from then on.

M 42335 Pte Guard, H. D. 13 Bd Sgt Co A
when I left the pub, alone, after Stillwell &
Hoppin, I paused at the door, crossed the
street & saw Sgt Jones holding Hoppin down
& Pvt Harman standing him with a billy
stick. I went to help, met Jordan & struck
him twice. He struck back & knocked me down.
I am sure I did not strike Sgt Jones or Pvt
Harman.

M 45408 Pte Haynes, W. 22 Co. 13 Bd Sgt Co A
I was in proper duty 16 Sep 93 & was an eye
witness to the fight. About the middle of the
fight the accused came out of the pub, staggered
across the road & came to the rear of the vehicle
where he met & struck Pte Jordan. The latter
struck back, knocked him down & held him
down. He was later put into the truck &
taken home. Pte Guard did not meet anyone
else. He didn't go near the Pvt M & he was in
the centre of parties. I could not see Sgt Jones.

The defence stressed the point that a witness, not
involved in the fight & in a position to see,
saw accused strike Jordan only, without seeing

involved in the rest of the fight.
Sgt Jones does not say he was struck by accused
but that he was pulled by him.
Under the circumstances it was possible that
the R.M.P. Sgt Jones were so excited that they
could not be positive of the action.
Accused acquitted on 1st & 2nd charges.

Prosecution stated:
1. Sgt. Rif saw accused strike R.M.P. Sgt Jones
2. R.M.P. saw accused involved with Sgt Jones
3. Sgt Jones says he was pulled by accused.

Capt Skelton, N.S. of Sgt 15 Bn. Regt. R.C.A.

of accused.

Flow for Investigation:

1. Re 9(2) Army Act. - The accused was but one of a group of singing, noisy soldiers proceeding down the Street, - & he was one of the many to whom the order was directed. He did not get into a fracas, - nor in fact did any of the group he was with. It thus is not a serious isolated case of disobedience - but merely a happy he kept moving with the crowd

2. Re AO. A.A. - The accused "staggered" out of the pub & saw a general fight. Being told, & to his eye sadly Scotsm was one of his former companions. He entered the fight for a second, - & was then knocked out of it. By point of fact he had insufficient time to effect the fight or interfere to any degree. He is but one of the many but was recognized.

3. He was willing to be escorted home, - & after the event seemed was over showed no disobedience whatsoever.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of:- M43995 Gunner Herbert Dalton Guard, 22 Field Battery, 13 Canadian Field Regiment, R.C.A.(AF)

Major G.F.Rainnie, Acting Officer Commanding 13 Canadian Field Regiment, R.C.A.(AF) directs that all evidence be taken on oath.

1st Witness:- K73340 Sgt. Reif M.H., 22 Field Battery. 13 Canadian Field Regiment, R.C.A.(AF) having been duly sworn, states:-

On the 16 Sep 43 I was N.C.O.provost for 13 Canadian Field Regiment R.C.A., in Lymington. At approximately 2200 hours I received word that the Adjutant had sent for me to go to the other end of town and contact a group of our men who were creating a disturbance. I contacted this group of which Gnr. Guard was a member. I ordered them to come down to the vehicle and return to camp. They refused. I did not have enough men at the time, so I could not handle the situation. I contacted the Adjutant and informed him. Later on a fight ensued outside the Ship Inn betw een R.S.M. Harman and Gnr. Hoppus, and shortly afterwards a general melee started betw een the group of men and the provost. ~~xxx~~ I saw Gnr. Guard strike Sgt. Jones and the R.S.M. during the fight and also saw him strike one of the provost. The provost also struck Gnr. Guard leaving a gash over his left eye.

Question:- Are you positive you saw me hit Sgt. Jones.

Answer :- Yes.

Question:- Did you hear me refuse to go home.

Answer :- You were with the group I ordered to get in the truck and you did not get into the truck.

Hoppus, and Stillwell home, as they had been creating a disturbance During the course of this struggle Gnr. Guard grabbed me and hit me with his fist on the side of the head. I also saw him hit one of the provost, who retaliated by striking Gnr. Guard and knocking him to the ground. ~~Intervening~~ I saw his jump on Sgt. Jones while he was attempting to get Gnr. Hoppus in the vehicle. He was sober and very capable of handling himself at this time.

I am Duty Sergeant, R.H.Q., 13 Canadian Field Regiment, R.C.A.(AF). On 16 Sep 43 at approximately 2215 hrs I was called out by the Adjutant, together with R.S.M. Harman to proceed to the Ship Inn in Lymington, as some of our men were creating a disturbance. After we contacted two Gunners of this group a fight started. Gnr. Guard was one of the men who joined in with the two men we were trying to get into the vehicle. I did not see him strike anyone but he was definitely trying to work against the provost. Later on when the provost, R.S.M. and I were going back to the 22 Battery, Gnr. Guard jumped in the back of the vehicle and was heard to remark that he was going to jump out of the vehicle before getting into the lines so he could keep his nose clean as there was going to be trouble, or words to that effect.

Question:- Do you definitely say I was in the fight at all times.

Answer :- Yes.

30 Oct 44

PLEA IN MITIGATION BY DEF OFFR NOTE E-3

Sir,

I would like to tell the Court certain facts concerning the service life and private life of the accused, which I feel have considerable bearing on his behaviour in this case. He enlisted in the active army in Oct 39 and since that time has spent approx 4½ years overseas. He had, when he left Canada, a home a wife and two children, during the first two years overseas he was reasonably happy, everything was alright at home, he received mail and the odd parcels of cigarettes, then nothing. He received indirect word that his wife had sold his furniture, he does not know what has become of his children, she has broken up his home. He wrote to his wife and asked about this and got a vague reply that she needed the money but no good reason was forthcoming, he would not mind if it were necessary that she do this, but she has given him no satisfaction at all, and he does not know on what she spent the money. He knows nothing except that his home has been broken up. He took his problem to the Padre about two years ago, the Padre was sympathetic but was unable to help him. The accused worried about this and it has almost got him beaten. He went to France and was there a short while, until wounded and returned, whilst there again he was happy, he was busy and his mind was off his personal problems, but since being put on hosp and back with little to occupy his mind he has again become worried and has let it beat him again, he has asked to be returned as quickly as possible to the active theatre, he asked in the Conv Depot, and was told that it was very likely he would get the chance, on his return from a short leave to 1 CHMEDU the accused paraded to the CPO and asked that he be sent back to France as soon as possible. He was accordingly posted to the draft Coy to await a draft. He was there two weeks and saw drafts go out, he tried to get on them but failed, he became discouraged, browned off and went away. He is a qualified motor mech, and as he was not on the drafts and from talking to others he got the idea that motor mechs were not in demand and he got the idea that it would be a long time before he got away again.

Under these circumstances I do not think it unusual that he went AWL, I admit and so does he that he has committed an offence, but he surrendered and came back voluntarily and you will see by his MFM 6 that he is not an habitual offender, this AWL was not a lack of appreciation of military discipline, but merely that he allowed his personal worries to get the better of his good judgement. He has asked me to ask for a chance for him to return to active service, he is category "A" and says he is physically fit.

(1. RP 35 fn 3. 2. MML p 54 para 47.)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

First Prosecution Witness -

Aline Ording, Flachsmeer Germany, duly sworn, states -

I have lived in Flachsmeer Germany for 10 years. I was born 10 Aug. 1921. I recognize the accused whom I first saw on Monday about 12 days ago. It was a quarter to one Monday night. He came to the house with two other soldiers and I was in bed. One of the other soldiers pulled me out of bed while the accused got us all out of bed. One can easily see the kitchen from the bedroom. I produce a sketch of our house.

(Defending officer has no objection & the sketch is produced as Ex A)

I was in the bedroom marked C. I think the dark soldier pulled me by the arm & got us out of bed & we went to the kitchen. There was no light except the soldier's torch which was on for about two minutes when the dark soldier shot at the accused. Then the accused raped me. I was not clothed as I had undressed before the soldiers arrived. I had only my shirt on, which reaches just above my ankles.

The accused raped me in the kitchen standing. I think he did it as he would have shot me & killed me. The dark one had said "Boom. Boom" meaning that. The accused also said "Boom boom", when we didn't want to do it. The dark one had a pistol & the accused had a pistol hanging on his side. Late Schmidt was

in the bed then two of the three soldiers. The accused raped me & then another soldier raped me. He had intercourse with me. I saw his penis which he put in my sexual organs but not very deep. I was with him five minutes, I can't say. I didn't see him again.

I saw him again on an identification parade when I recognized him

I told my mother immediately after that the accused had raped me

I am single.

Cross-examined

The accused left my house at 1.30. The lamp was flashed in the accused's face when they first came & then again. It was shone in his face twice, the second time about 10 after one. I saw his penis when the light shone on it. I didn't notice the accused was drunk. I was standing when he raped me. At the summary I said he told me to lie down & he raped me, but I was standing when he raped me. When I complained to my mother I told her both about this soldier and the dark soldier raping me. A man was in the house from 12.45 to 1.30. I am also certain it was the accused.

Questions by the Court

There was no candle lit while the accused was there. I saw only one flashlight which the dark one had. He never gave it to the accused. The accused didn't come into my bedroom. At 12.45 there were 3 soldiers present. The accused was dressed as he is now present.

in battle dress. I think he had OR trousers on but am not sure. He had on a battle dress jacket but I don't ~~think I should~~ know if he had any thing on his head.

By J.A.

The accused never had his pistol out of his soldier the dark one had his pistol out of his holster in his hand when we first came out of the bedroom.

Second Prosecution witness.

Kete Smith, Papenburg, woman states.

I live at Hempelt, Papenburg, Germany. and was born 19 May 20. On 24 April ~~about~~ 4 I was in Dulenstone, in bed, three soldiers broke into the house. I recognize no-one here as one of them. They came in at ~~about~~ towards one o'clock, ~~then~~ the dark one got up out of bed by saying "Baby shall I get up" and I got up & went to the kitchen. Also Gerding ~~and~~ another soldier were there. There was no light in the kitchen. I went because ~~the~~ the soldier said we should & I was afraid. I could not see what happened to Alma. We were there about 15 & 20 minutes, then the soldiers left ~~about~~ towards 2 o'clock & we went to bed. ~~Alma was in the kitchen~~.

Cross Examination.

The dark soldier had a flashlight which he flashed on & few times & shone it on the bed

He never flashed the light on in the kitchen. I came to the kitchen ~~and~~ the same time as Alice but I left first, Alice following a few minutes after, about 5 minutes.

3rd Q.
I could not see Alice while I was in the kitchen but could hear her crying. I do not know whether there was a soldier with her or if she was alone.

Third Prosecution Witness

Major R.J. Cooper. Examined. Oath duly administered.

I know the accused who is in my battery. On 20 April I was on a Identification parade of 10 men. The accused was on the parade. Alice Young identified ~~her~~ before first and then the accused as men she had complaints against. ~~She~~ The accused is a D on R with the battery Command Post. I don't know if he was on duty that night or not. There are other men of the accused's approximate size & complexion in my battery.

X-examination
Miss Young also pointed out an A.H.Q. Clerk who I soon corrected her. She also pointed out another gunner. I include the accused

the parade because the complainant described the soldier complained against as a tall man with a fair complexion.

When Adams identified him I told him he had been identified & he said nothing. I had warned the whole parade they should say nothing if identified.

R.P. & 38 applied us to prosecution dropped.

First Defence Witness.

Accused, duly sworn states -

I am a D.A. in the Canadian Regt. On the night of 23 April I started work at 8 pm & in the evening & worked through until 8 in the morning of 24 April. At 2.30 in the evening the airlosers phoned for a D.R. & an Duss sent to the canteen for tobacco. I was directed from there to the Duke of Connaught where I was told the man whom the canteen was. I went to the door there, but the door was locked & I came back. Lt. P. Slater was on duty at the Camp and I met that night, at 5 to 12 that night I came back from a trip & saw Saint Cloud another O.R. I also saw Lt. P. Slater. He told me I could go to bed. It was then I saw St Cloud for 4 or 5 minutes on the way to the toilet. I told him I was going to bed right after I went to the toilet. I was in the toilet 5 or 10

minutes and then Sgt. Coen who was on guard in front of the Command Post said Lt. Pelletier wanted to see me. I ~~went~~ went to see Mr. Pelletier who told me I was on guard that was close to one o'clock. Then I went to bed. I was to go on guard 6.30 to 8.30 in the morning. I never left the Q. duties hours between one and two. I stayed in bed until 6.30. During the night ~~of~~ events I had on a DR outfit with a combat jacket until I went to bed. I had my pistol and my goggles on too.

On the identification parade every one was armed except the Galvers, myself and the who were standing to attention. Dr Bastarache was also on the parade.

I had my pistol with me on the night of 23rd April

Re-examination

Beneath my camouflage jacket I was wearing my tunic. The Q. duties house is about 200 yards from the Command Post.

Second Defence Witness

Lt. P. Pelletier ~~was~~ was sworn and examined. He said, I am a C.P.O. 50 ~~Fr~~ Co. and I know the accused who was a D.R. in

our battery On the night 23 April he was on duty as D.R attd to the Battn Command post. He was on duty until breakfast time 24th April.

I saw accused at the Command Post about 11 and again at 10 to twelve. He left the post again about 5 to twelve. I saw him again later sometime between 12.30 and two. I think around one, when Saint Cœur sent him into me. Accused was quite sober. I warned him for guard duty, he was dressed in battle dress tunic without his crash helmet. I believe he had on his battle dress tunic but am not absolutely certain. Accused may have had a camouflage jacket, I would not swear to the fact.

Cross examined.

Third Defence Witness

4/23910 Pte. A. Saint Cœur, 4 Cdn Armd Regt. duly sworn states -

I am a D.R., On 23 April I went to bed about 11.10 at night. I saw me. I may that night from 9.30 to 11. and again from 12 clock. to 12.45. At 12.45 he was in my room where I was sleeping. He was with me from 12 until 12.45, talking. At 12.45 I may left me saying he was going to the toilet. then the Cpl. told me to be on guard at 1 o'clock. I went on guard at 5 to one. At about one the Cpl asked me. Exactly I may I may came in order to me about five after one when

I was on guard & said he was going to bed. I told him Lt. P. Slatter wanted to see him & he went into the Command Post. I saw Cpl Quay come out of the Command Post three or four minutes later. He went away & about a quarter to two I went into the billet and saw Quay asleep there.

On the identification parade there were 12 and two others had no arms. I think the others did.

Cross-examination

When I was talking to Cpl Quay we were about 3/4 of a mile from the guns — 5.5's. I hardly know Cpl Quay at all. Quay has discussed the case with me a little.

When I was talking to him in my room he had a camouflage jacket.

RP & 3(B) complied with.

Presiding Officer sums up.

Alive or dead, identification of the accused is not dependable as it is based upon seeing him only for a very short time. There is no corroboration of this evidence. The accused denies that he is the soldier involved. He has an alibi for the time when he is alleged to have committed the offence.

Prosecuting Officer sums up.

Discrepancies in the exact time of the incident do not render the charge worthless. I admit there is no corroboration of identity and while that is not necessary to support the ~~charge~~ record does

Jdg. sums up.

1. Court to judge the facts but to take law from Jdg.
2. Defines Rape (Reading definition from Archbold)
3. It is legally permissable but dangerous to convict on the uncorroborated evidence of the complainant. In this case there is no corroboration of the complainants evidence insofar as it relates to the identity of the accused.
4. Recent complaint is evidence of consistency of complainants conduct.
5. Onus of proof and reasonable doubt.

FIRST WITNESS Miss ALINE GOSLING of FLACHSMEER, GERMANY, having been duly sworn states:

I am Aline GOSLING, born 10 Aug 27, I live on a farm near FLACHSMEER, with my grandfather Frans Ottjes, my mother Mrs Duken, my sisters Mobkea, Theresa, my brothers Frederic, Heinrich, Dridrich and Ihrhard.

On Monday, 23 Apr 45, at approximately 1000 hrs, I was in the house with my grandfather and my sister Theresa when two soldiers entered the house and asked for eggs. I told them that we had two eggs and the soldiers did not want to take them. I saw the two soldiers go towards the next farm. These two soldiers were Gnr Jean Claude LEFEBVRE and Gnr Emile LAVERGNE which I have identified both on an identification parade on 26 Apr 45. Later on the two soldiers came back and asked for schnapps. I told them that I could get some schnapps for them and I got a small bottle of cognac and gave it to Gnr Lefebvre. Gnr Lefebvre asked me to have a drink out of the bottle first in case it was poisoned. The two soldiers gave me some chocolate and cigarettes and went away. Gnr Lefebvre came back to the house in the afternoon with Gnr Lavergne and another soldier which I do not know. I offered the three soldiers some tea in the kitchen. A short while after Gnr Lavergne left with the soldier I cannot identify and Gnr Lefebvre stayed till approximately 1730 hrs, and he came back at approximately ~~at~~ 2030 hrs and he asked me to sit on his knees. I said that I did not want to. At that time my mother, my grandfather, Mrs Helene Schmidt and Mrs Diederike Sichler were all in the kitchen of my house. Gnr Lefebvre pulled me on his knees where I had to sit. He put his hand under my skirt and my underpants. I was told by my mother to go to my room which I did. Gnr Lefebvre drank constantly from the bottle. A few minutes later Gnr Lefebvre ~~xxxx~~ came into my room with a lighted candle and told me to hurry up putting my sister to bed and went back into the kitchen. A few minutes after that, Miss Kete Schmidt came into the house with two small boys. The two small boys were put to bed and Kete Schmidt remained in the kitchen. I then went to bed and after a while Gnr Lefebvre came into the room; he was drunk and was holding a lighted candle. He could not find me because I was hiding underneath the blankets. Gnr Lefebvre left the room and came back after a while accompanied by my mother. I overheard him saying that I might be in the cellar. My mother said that I was not in the cellar but was tired and had gone to bed. I saw Gnr Lefebvre point a revolver at my mother and order her to undress and go to bed. Lefebvre placed a mattress in the kitchen, I saw through the open door Gnr Lefebvre take his penis out and rape my mother in a standing position. Then my mother was ordered back to bed. During the whole time Gnr Lefebvre had a pistol in his hand. My grandfather who cannot walk was always sitting in the kitchen. Then Gnr Lefebvre ordered me to lie down on the bed in the kitchen. He gave this order pointing his revolver at me. He was very drunk then. He ordered me to undress and he raped me. His penis penetrated into my body. When he had finished raping me he forced me to suck his penis.

Lefebvre ordered me back to my bedroom and he ordered Kete Schmidt out of her bed. I heard him order Kete Schmidt to undress and I saw Gnr Lefebvre and Kete Schmidt lying on the bed but I saw no movement. They were there for about five minutes. He then called Mrs Schmidt, Kete's mother. At approximately 2400 hrs, Gnr Lefebvre left and my mother bolted the door; we all went to bed. At approximately 0045 hrs, Gnr Lefebvre came back with two other soldiers and forced the door open. Gnr Lefebvre had a revolver in his hand. I recognized one of the two soldiers as being Gnr Laurent GUAY, whom I have identified on an identification parade, on 26 Apr 45. The other soldier I did not recognize. Gnr Lefebvre came into the bedroom and shone his torch in the eyes of my mother. Lefebvre ordered me and Kete Schmidt out of bed at the point of his revolver. I said: "No" but he threatened me and said:"Boom boom!" showing his revolver and the way to the kitchen. Kete and I had to undress in the kitchen and we both started crying. Gnr Lefebvre made gestures as to show that if we did not stop crying he would slap us. Gnr Guay ordered me to lie down and he raped me. During that time Lefebvre was trying to rape Kete while sitting on a chair. When Gnr Guay was finished with me Gnr Lefebvre ordered Kete to lie down and ~~xxx~~ I saw Gnr Lefebvre raping Kete. When this was over Gnr Lefebvre, Gnr Guay and the other soldier who had been waiting left the house.

SECOND WITNESS Miss Kete SCHMIDT, of HAMPOLT (PAPENBURG), having been duly sworn, states:

I am Kete SCHMIDT, born 19 May 30. At approximately 2030 hrs, 23 Apr 45, I ~~xxxxx~~ entered Mrs Duken's house and I saw a soldier sitting in a chair in the kitchen besides the grandfather, Mr Frans Ottjes. The soldier was slightly drunk. In the kitchen at the moment besides the grandfather and the soldier were Mrs Schmidt, my mother, Mrs Sichler and myself. We were all ordered to bed except Mrs Duken and the grandfather and this order was given by the soldier whom I have identified on an identification parade held on 26 Apr 45, as being Gnr Lefebvre. I saw nothing that was going on in the kitchen but I heard Mrs Duken crying and protesting. Fifteen minutes later Mrs Duken came back into the room. Lefebvre came into the room and ordered Aline Gosling out of bed. I did not see what happened to Aline Gosling but I ~~xxxx~~ heard her cry and protest. Approximately fifteen minutes later Aline Gosling came back into the room. Gnr Lefebvre then ordered me out of bed and pointing his revolver at me he ordered me to undress in the kitchen. Lefebvre tried to penetrate his penis into my vagina, but he did not succeed, so he used his finger instead. While we were doing that we were standing. Lefebvre then ordered me to bend down and to take his penis in my mouth. After that I was ordered back to my bed. Then Lefebvre ordered my mother, Mrs Helene Schmidt, out of bed. I did not see what happened to my mother. I heard Lefebvre leave the house. Mrs Duken left the room and proceeded to clock the door. At approximately 0100 hrs, 24 Apr 45, three soldiers came back to the house. I recognized one of them as being Gnr Lefebvre but I do not know who the two others are. Lefebvre came into the room with a torch and ordered Aline Gosling and myself out of bed. He was pointing a pistol at us. The kitchen was in complete darkness so I could not see what happened to Aline Gosling. Lefebvre again tried to penetrate his penis into my vagina and again he did not succeed. He ordered me to take his penis in my mouth; he applied buccal suction to my genitals. I was then sent to the other soldier who was standing by the door; this soldier kissed me and I felt his fingers touching my genitals. This soldier did not do anything else. I was then sent to bed with Aline Gosling. The soldiers left a few minutes after.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans .....(5)

(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans Going to make a statement on oath. Do you intend to call witnesses on your behalf? Ans Yes Sir. Are they witnesses as to character only? Ans Yes Sir.

Evidence for Prosecution

1. Witness: A 10802 Cpl. McGarvey HW. 9CBRB.

Having been duly sworn states:

I recognize the accused as Sergeant Arnold. On approx 17th to 28th March 44 Capt. Sargent and I were in the front room of Van Gent's house. We were visited by a detachment of the M.I.R. at the factory. We proceeded there and found the accused getting treatment for his hand. I got him under door and escorted him back to the quadroom. We were visited that morning by the accused & there was a civilian present accompanied by Sgt. Dunne & at as an interpreter. There I saw a man, a woman and 3 children. The front room window was broken and there was pieces of broken glass and broken bottle on the floor. I do not know the name of the owner of the house but I could identify him (Mr. Van der Heyden identified by witness as the owner of the house concerned.)

The accused had been drinking, but in my opinion, was not drunk. He asked for a cigarette which I gave him, and he accompanied me from the M.I.R. back to the quadroom, walking.

Cross Examination:

Q.1. Was there any marks on the face of Mr. Van der Heyden when you saw him?

A.1. No Sir.

Q.2. Did either Mr. Van der Heyden or the accused make any marks to indicate that he

(P.T.O)

may have been involved in a scuffle?

A.2. No Sir.

Re-Examination: Q.1. Was Mr. Van der Heyden running or was he quite calm?

A.1. He was quite calm, Sir.

R.P. 83(b) complied with.

Second Witness Mr. Van der Heyden, Camiel. of Brussels Street number 11, Wetteren, Oudrecht, Belgium. I was at home. A soldier had my son's bicycle. I asked him what he was going to do with it. He put the bicycle against the wall and came at me. He spoke several words but I could not understand him. Then the soldier grabbed me by my clothes and he hit me with his fist in the face. I went in the house and locked the door. I then opened the door again to bring in the bicycle. The soldier tried to hit me again but he did not succeed. I took the bicycle inside and closed the door. As I was doing that the soldier threw a bottle through the window. It was a cognac bottle, partly full of liquor. I walked to the rear of the house and got a hammer, which I placed on the table so as to defend myself if necessary. Later I again opened the door - the soldier was about 3 yds away from the door. He tried to enter the house. I didn't allow him to enter, and I pushed him outside

the soldier then came to me with a second bottle and wished to hit me over the head with it, so I ran to the rear of the house, grabbed the hammer, and I smashed the bottle in his hand with the hammer. This occured on the threshold of the door. The soldier then ran away. and then the piece of bottle in his hand at me. He did not hit me. That is all.

I recognize the accused as the soldier who assaulted me that day. - witness points to the accused. Pte. Smeaton.

The costs of repairs of the window were 210 francs which I paid for myself.

Cross Examination

Q.1. How long was it from the time the window was broken till the Corporal came to your house.

A-1. About 15 or 20 minutes.

Q.2. Was your thumb in the fire by the soldiers fist?

A-2. Yes with his closed fist, in the fire.

Q.3. Where were you standing when the window was broken.

A-3. Behind the door.

Q.4. Did you actually see the soldier break the window.

A-4. No, but I saw the bottle come through the window.

Q-5. Was the soldier holding the two bottles when you first saw him?

A-5. No sir. He carried them in the pockets of his blouse.

Q-6. Were you frightened of the soldier?

A-6. Yes. I was afraid he would hit me over the head with the bottle.

Q-7. Instead of running with the women, why didn't you not just close the door and stay inside.

A-7. I did not want any more bottles thrown.

Q-8. Was this soldier drunk?

A-8. Yes sir, in my opinion he was. His attitude was belligerent and he was like a drunk man. I could not smell liquor on his breath.

R.T. 83(b) complied with.

The prosecution is closed

Evidence for Defence

19 Witness: B55325 Sgt Guevara DJ, 9CBRBn.

Having been duly sworn states:

On Aug 4, 1940, I enlisted with 1 Bn Algonquin Regt. I remained with that regt until 6 March 41. I was then discharged on medical grounds. I re-enlisted in the C.O.B. two weeks later and remained in Canada until 10 March 42. I then proceeded overseas. I asked for a transfer, and was posted a Tranfer to Recs. While with the Signal Coy I had a M.C. incident and was re-posted to 2 - 3. My C.O. would not place me on draft for overseas because of my category. I then made application to see the C.O. of 1 CSRU. I saw him and my case was referred to 4 CMC. and they allowed me to come overseas on 12 Nov. 1944. I came to 9 Bn. then to 1 Can Inf Div in Antwerp.

At approx 1945 hrs 1 Feb 45, a V-2 bomb landed on our H.Q. and killed 34 and 37 wounded. I was then brought to No. 9. B.G.H. and later to 109 B.G.H. Few days after, I went to 121 B.G.H. in France. On 22 March I was discharged from hosp to No 3 Reception and Re-mustering Coy. S-4 category. I later was sent to 9 Bn.

At approx 1700 hrs 28 March 45, I left camp and proceeded to a city near on Canal Line. There I had 3 or 4 drinks of Belgian Rum -

I remember getting up from the table in the cafe and when I opened the door my mind must have gone blank because I remember only vague details of being in the M.I.R and I woke up in the guard-room next morning.

R.P. 83(b) complied with.

2nd W. Iness: Capt. T.G. Polanik, RCAMC, 9 CBRBn, having been duly sworn states:

At approx 1700 hrs 29 March, the accused, whom I recognize as Sgmn Sweard was brought into my M.I.R for inspection & a head inquiry. In my opinion, Sgmn Sweard was drunk. He was partially undressed, quite obscene talked in his breath unsteady on his feet, argued about irrelevant things.

In ~~my~~ opinion it has been recommended that Sgmn Sweard be seen by a psychiatrist.

RP 83(b) complied with.

Prosecution

— Closing Address —

At this time I would like to point out to the court that I have definitely proved that the accused is guilty of the two charges as laid. I have proved every item of the charge. In connection with the first charge; Mr. Van der Heyden was in habitant of Belgium when the accused was serving. I have definitely shown that both Sergeant was known through his uniform and caused damage to the accused and the power who threw it.

The second charge of assault has been shown that the accused struck Van der Heyden, struck him with his fist and came at him with a knife. This incident was sufficient to cause Mr. Van der Heyden to be afraid and give a sufficient grounds to prove an assault. Therefore I ask the court to find the accused guilty of the two charges as laid.

Summing up by the Judge Advocate

I "Assault" defined for Court. "The use of force, however slight, in attempt to justify a condition for assault." (Ch VII Sec 34 M.M.L.) I counsel with the station to cause, or compare to the use force"

II Defence of Duress: Principle of English law that duress is no excuse for crime (Sec 49, Ch II M.M.L.) (Also Sec 9 Ch VII of M.M.L. and Halsbury's Laws Volume 10 Pleading, Evidence and Practice P. 14 (Crimes - Duress.)

III Onus of proof on the prosecution to prove beyond a reasonable doubt, that accused committed offence charged. Benefit of any reasonable doubt must go to the accused

IV Nature and strength of evidence necessary to justify conviction. Before the Court finds an accused person guilty or innocent of the offence charged it must be satisfied not only that the circumstances connected with the accused having committed the act but that they are inconsistent with any other rational conclusion than that the accused was the guilty person (Sec 42 Ch VI M.M.L.)

V Court sitting as both judge and jury. They must judge the facts and on the evidence presented arrive at a conclusion as to the guilt or innocence of the accused

VI The Judge Advocate and Defending Officer agree that there are no other points upon which they desire the assistance of the Judge Advocate

Summary for the Defence

1st Charge:

The only witness for the prosecution did not see the accused break the window in question.

2nd Charge

No marks of violence on Van der Heyden's face or effects were noticed by the first witness 15 minutes after the assault is said to have taken place.

If Inglis I submit the window would have closed and locked his door and remained inside — the accused was outside the house when Van der Heyden received his wounds.

Obs of Mitigation

1. Letter

2. I ask the court in answering the case to bear these points in mind.

1) the good character of the accused.

2) the valuable service performed both in England & in this theatre.

3) the severe shock to the nervous system resulting from the bombing to which he was subjected at Antwerp.

I feel that ample evidence has been presented to the court to prove the accused was drunk at the time in question and although ~~drunken~~ this does not excuse the action, I offer it as a plea for a very light sentence.

~~He~~ The accused's C.O. would like to have him back with the unit (see letter attached) I ask the Court to pronounce minimum sentence so the accused may rejoin his unit as quickly as possible

If the whereabouts of this missing book are discovered I will forward it to you immediately I receive it

this way like I would suggest you obtain a temporary book from Maj Martin 2CBRG if you are still there, on which your own Brad pay.

I regret there has been such a long delay, but after receiving your 1st 109 Pr money I sent the P.M. to find out your book to you. But he had already sent it to 9 Pr where you were first admitted. They should have sent it on at once. Your letter took until 5 April to reach us. Where it has been I don't know.

Hunting you are again in good health and hoping you will soon be returning I remain

SUMMARY OF EVIDENCE

In the case of B-55325 Sgn GUERARD D.J. of 29 Coy, 9 Bn. 3 C.B.R.C. Canadian Army Overseas.

By direction of the Commanding Officer all the evidence is taken on oath.

FIRST WITNESS:- A-108082 Cpl. McGAFFY H.W. of 9 Bn. 3 C.B.R.C. having been duly sworn states:-

I, A-108082 Cpl. McGaffy H.W., am 2 i/c of 9 Bn. Guard Room.

At about 1745 hrs. 28 Mar. 45 I was notified by CSM Hams of 65 Coy. that a soldier was causing a disturbance in the M.I.R. Accompanied by L/Cpl Siegrist I went immediately to the M.I.R. and escorted the soldier, later identified as B-55325 Sgn. Guerard D.J. back to the Guard Room. He was under the influence of alcoholic liquor but was not drunk at that time. On escorting Sgn. Guerard to the Guard Room I noticed a woman standing by the gate. After placing Guerard in custody I returned to the gate with Spr. Dionne to act as interpreter. The woman led us back to her home where we found the window of the frontroom broken and pices of broken bottle lying inside the room. I noticed that on a projection inside the window there were a row of bottles. It was impossible for me to assess whether the window had been broken by the throwing of a bottle from outside or whether some other instrument had been used and one of the bottles on the projection broken in the process. The woman, Mde. Keremech Van Der Heydon of 11 Brusselsche Straat, identified Sgn Guerard at the gate as the soldier who had caused the trouble. At the house, Mr. Keremech Van Der Heydon was present. He had no cuts on his face but complained of being struck twice in the face by the soldier.

The accused declines to cross-examine the witness.

SECOND WITNESS:- Van der Heyden, Camiel, of Brussels' street, in the municipality of Wetteren (Quatrecht), having been duly sworn, states:-

I was here, at home, and my son opened the door and called out:" Father, a soldier wants to take away my bicycle." I went outside and asked the soldier, what he was going to do with it. The soldier turned to me (the soldier has come to me) and grabbed me(fast) by my clothes and he bit me in the face(has given me a pound in the face). He said something, but I could'nt understand that. This took place on Wednesday, March 28th. 1945, at about a quarter past five, or five, thirty (half past five).

I then closed the door, but I opened it again, to take the bicycle inside. The soldier tried to hit(pound) me again, but I took the bicycle inside (I mean the bicycle inside) and then he was not able to touch me. I then closed the door (once) again. By that time, he threw a bottle of cognac, through the windows. I walked then to the rear (of the house) and I took a hammer, which I placed on the table in the kitchen, this to defend myself, if and when necessary. The soldier went away and I went outside, to look at the broken window. Then the soldier returned and he tried to come inside (he would come in, by me) and he attempted violence in order to enter (and he did me violence, to come inside){{ properly translated it would be better to say

SECOND WITNESS:- (Continued) he tried to force his way inside)) and he tried to push me. Then I pushed him back and he came at me with a bottle (flask), to hit me over the head(to throw it to me, on the head). I walked to the rear (of the house) took the hammer, returned and smashed the bottle in his hand. He still had a piece of the flask in his hand and he threw it at me, but did'nt touch me. Then the soldier walked away, and that is all.

Evidence for Prosecution

1st Witness: A108082 Cpl McCaffey H W 9 CBR Bn, having been duly sworn states:

I recognize the accused as Sigmn Guerard. At approx 1745 hrs 28 March. L/Cpl Siegrist and I were in the office of 9 Bn Qd room - We were notified of a disturbance in the MIR at the factory - we proceeded there and found the accused getting treatment for his hand. I put him under close arrest and escorted him back to the guardroom. I then went to a civilian house, accompanied by Tpr Dionne To act as an interpreter. There I saw a man, a woman and 3 children. The front room window was broken and there were pieces of broken glass and broken bottle on the floor. I do not know the name of the owner of the house, but I could identify him (Mr Van der Heyden identified by witness as the owner of the house concerned).

The accused had been drinking, but, in my opinion, was not drunk. He asked for a cigarette, which I gave him, and he accompanied me from the MIR back to the guardroom, walking.

Cross Examination:

Q1 Were there any marks on the face of Mr Van der Hayden when you saw him?

A1 No sir

Q2 Did either Mr Van der Hayden's face or clothes bear any marks to indicate that he may have been involved in a scuffle?

A2 No sir.

Re Examination:

Q1 Was Mr Van der Hayden's manner one of excitement or was he quite calm?

A1 He was quite calm, sir.

RP 83(b) complied with

SECOND WITNESS Mr Van der Heyden, Camiel, of Brussesl Street, No 11, Wetteren, Quatrecht, Belgium.

I was at house. A soldier had my son's bicycle. I asked him what he was going to do with it. He put the bicycle against the wall and came at me. He spoke several words, but I could not understand him. Then the soldier grabbed me by my clothes and he hit me with his fist in the face. I went into the house and locked the door. I then opened the door again to bring the bicycle in. The soldier tried to hit me again, but he did not succeed. I took the bicycle inside and closed the door. As I was doing that the soldier threw a bottle through the window. It was a cognac bottle, partly full of liquor. I walked to the rear of the house and got a hammer, which I placed on the table, to use to defend myself if necessary. Later I again opened the door, the soldier was about 3 yds away from the door. He tried to enter the house. I didn't allow him to enter, and I pushed him outside. The soldier then came at me with a second bottle and wished to hit me over the head with it, so I ran to the rear of the house, grabbed the hammer, and I smashed the bottle in his hand with the hammer. This occurred on the threshold of the door. The soldier then ran away, and threw the piece of bottle in his hand at me. He didn't hit me. That is all. I recognize the accused as the soldier who assaulted me that day - witness points to the accused, Pte Guerard.

The costs of repair of the window were 210 francs which I paid for myself.

Cross Examination

Q1 How long was it from the time the window was broken until the corporal came to your house?

A1 About 15 or 20 minutes.

Q2 Were you struck in the face by the soldier's fist?

A2 Yes. With his closed fist, in the face.

Q3 Where were you standing when the window was broken?

A3 Behind the door.

Q4 Did you actually see the soldier break the window?

A4 No but I saw the bottle come through the window.

Q5 Was the soldier holding the two bottles when you first saw him?

A5 No sir. He carried them in the pockets of his blouse.

Q6 Were you frightened of the soldier?
A6 Yes. I was afraid he would hit me over the head with the bottle.
Q7 Instead of returning with the hammer, why did you not just close the door and stay inside.
A7 I did not want any more bottles thrown.
Q8 Was this soldier drunk?
A8 Yes sir, in my opinion he was. His attitude was belligerent and he was like a drunk man. I could not smell liquor on his breath.

RP 83(b) complied with

The prosecution is closed.

Evidence for Defence

FIRST WITNESS: B55325 Sgmn Guerard D J 9 CBR Bn having been duly sworn states

On Aug 4, 1940, I enlisted with 1 Bn Algonquin Regt. I remained with that regt until 6 March 41. I was then discharged on medical grounds. I re-enlisted in the QOR two weeks later and remained in Canada until 10 March 42. I then proceeded overseas. I asked for a transfer, and was granted a transfer to RCCS. While with the Signal Corps, I had a MC accident and was re-graded to L-3. My CO would not place me on draft for overseas because of my category. I then made application to see the CO of 1 CSRU. I saw him, and my case was referred to 4 CMC and they allowed me to come overseas on 12 Nov 1944. I came to 9 Bn, then to 1 Cdn LofC in Antwerp. At approx 1645 hrs 1 Feb 45, a V-2 bomb landed on our HQ and killed 34 out of 37 occupants. I was then brought to No 9 BGH and later to 109 BGH. Four days after, I went to 121 BGH in France. On 22 March I was discharged from hosp to No 3 Reallocation and recommended for a S-4 category. I later was sent to 9 Bn.

At approx 1700 hrs 28 March 45, I left camp and proceeded to a cafe near our coy lines. There I had 3 or 4 drinks of Belgian Rum. I remember getting up from the table in the cafe and when I opened the door, my mind must have gone blank, because I remember only vague details of being in the MIR and I woke up in the guard room next morning.

RP 83(b) complied with

SECOND WITNESS: Capt F G Palanek, RCAMC, 9 CBR Bn, having been duly sworn states:

At approx 1700 hrs 28 March the accused, whom I recognize as Sgmn Guerard was brought into my MIR for inspection of a hand injury. In my opinion, Sgmn Guerard was drunk. He was partially incoherent, querulous, definite alcohol on his breath, unsteady on his feet, argued about irrelevant things.

It has been recommended that Sgmn Guerard be seen by a psychiatrist.

PROSECUTION CLOSING ADDRESS

At this time I would like to present to the court that I have definitely proved that the accused is guilty of the two charges as laid. I feel I have proved every item of the charges. In connection with the first charge, Mr Van der Heyden is an inhabitant of Belgium where the accused was serving. I have definitely shown that a bottle of cognac was thrown through his window and caused damage and that the accused was the person who threw it.

The second charge of assault- I have shown that the accused took hold of Mr Van der Heyden, struck him on his face and came at him with a bottle. This incident was sufficient to cause Mr Van der Heyden to be afraid and fear is sufficient grounds to prove an assault. Therefore I ask the court to find the accused guilty of the two charges as laid.

SUMMING UP BY JUDGE ADVOCATE

1. "Assault" defined for Court." The use of force, however, slight, is sufficient to justify a conviction for assault". (Ch VII Sec 34 MML) if exercised with the intention to cause, or with the knowledge that it is likely to cause injury, fear or annoyance to the other person."

2. Defence of drunkeness "Principle of English law that drunkeness is no excuse for crime (Sec 48, Ch III MML) (Also Sec 9 Ch VII of MML and Archibold's Criminal Pleading, Evidence and Practice p 17 Excuses - Drunkeness)

3. Onus of proof on the prosecution to prove beyond a reasonable doubt, that the accused committed offence alleged. The benefit of any reasonable doubt must go to the accused.

4. Nature and strength of circumstantial evidence be pointed out to court "Before the court finds an accused person guilty on circumstantial evidence, it must be satisfied not only that the circumstances are consistent with the accused having committed the act, but that they are inconsistent with any other rational conclusion than that the accused was the guilty person. (Sec 42 Ch VI MML)

5. Court acting as both judge and jury. They must judge the facts and, on the evidence produced, arrive at a conclusion as to the guilt or innocence of the accused.

6. The President, Prosecutor and Defending Officer signify that there are no other points upon which they desire the assistance of the Judge Advocate.

"R R Brown" Capt
Judge Advocate

SUMMARY FOR THE DEFENCE

1st Charge

The only witness for the prosecution did not see the accused break the window in question

2nd Charge

No marks of violence on Van der Heyden's face or effects were noticed by the first witness 15 minutes after the assault is said to have taken place.

If frightened I submit the civilian would have closed and locked his door and remained inside - the accused was outside the house when Van der Heyden resorted to his hammer.

PLEA OF MITIGATION

1. Letter "DM"

2. I ask the court in reviewing the case to bear these points in mind;

(1) the good character of the accused.

(2) the valuesble service performed both in England and in this theatre.

(3) the severe shock to the nervous system resulting from the bombing to which he was subjected at Antwerp.

I feel that ample evidence has been presented to the court to prove the accused was drunk at the time in question and although this does not excuse the action, I offer it as a plea for a very light sentence.

The accused's CO would like to have him back with the unit (see letter attached) I ask the court to pronounce minimum sentence so the accused may rejoin his unit as quickly as possible.

Dear Guerard:

Ref: your pay book.

This was forwarded by unit paymaster to you c/o 9 Bn Hospital to which you were SOS on 1 Feb. They should have forwarded it to 109 Br and thence to 121 Br as you were moved on. They have not apparently done so to date. Enclosed are copies of messages I have sent to each of them for your information.

If the whereabouts of this missing book are discovered, I will forward it to you immediately I receive it. Meanwhile I would suggest you obtain a temporary book from paymaster 2 CBRC if you are still there, on which you can draw pay.

I regret there has been such a long delay, but after visiting you in 109 Br Hosp I asked the P.M. to forward your book to you, but he had already sent it to 9 Br where you were first admitted. They should have sent it on at once. Your letter took until 5 April to reach me. Where it has been I don't know.

Trusting you are again in good health and hoping you will soon be returning

A/Maj for Major

1st Witness for Prosecution. D 6607 Cpl. Greene A.W.
Regt de Main, having been duly sworn.

On 23 Feb 44 at approx. 2220 hrs I was doing my duties as C.O.C re the latter reports. I entered No 1 Room to see if there was a Corporal in the room to give me the report of those present. The Rec. was in the room. He answered as I asked for the Cpl. He ordered me to get out of the room & told me that he was the Cpl. I turned to leave the room and he closed the door roughly. I opened it & Guerin caught me by the collar and pushed me into the hallway & then struck me.

Cross Ex. There was a Cpl in the room but he was asleep. The door was locked when I was in the hallway then I heard the kick. The lights were on in the room. I didn't want any arguments in the room and that's why I started to leave the room. That is why I didn't want him for being in the room.

Doke Ex.

By J.A. It happened on the 26th not the 23rd. I was in uniform at the time & properly dressed. My stripes were on that uniform. The lights were on in the room. It is part of my duties as C.O.C. to check up on every room. I was carrying out my orders any duties at that time. I have known the Rec. for about a year. I don't know if he recognised me or not that night. Guerin is not a member of the Coy. I was checking on the list me in the place with him first. This was the usual time for checking the rooms. The report must be in by 2030.

The offence was actually committed in the hall there was no light actually in the hall but two doors were open & light shone through. I know Rec in Bogwor. I was not a Cpl then. It was light enough for him to see my stripes. Before that night I had no reason to believe he knew I was a Cpl. I was in battledress

2nd Pvt. Int. D 66084 Cpl Cowtie, H. E. de Main, duly sworn is examined :-

At about 2230 hours on 26 Feb 44 I was returning to my room by the bed. I saw a private soldier hit Cpl. Cowie in the face. I did not know the soldier at the time but when he was paraded the next night I could identify him as the door was open.

Cross Exam

I came in between 2215 & 2230 hours. The striking took place on the 2nd landing on part of the door of my bed room. The 2nd landing is on the same level as the room where the men sleep. I met Cpl before he hit him - I don't know what happened. On coming the stairs I saw nothing. I heard an argument before I saw the actual striking. I did not hear what the argument was about. I heard the two voices only. I made out no words at all. There was no light on the hall. When I saw the Cpl struck, Cowie told me I'd be a witness. The dec then let him go. The blow was struck by the right fist

No Cross Ex

By Court - I don't know if light was on or not. I don't know whether I was dressed or not. I had £5-10-0 when I went out. I was at three pubs.

THE SALVATION ARMY CANADIAN WAR SERVICES

The Def submits that the accused did not know the identity of Cpl. Bryant.

There was no direct light where the blow was struck and Cpl Bryant did not identify himself to the accused.

The accused could have ordered out of the room by someone whom he did not know and when he refused that order was certainly not taken - whether justifiably convinced the accused that he was dealing with another private. Otherwise he would have been placed under arrest immediately.

The accused does not belong to the same corp as the Cpl and in the insufficient light we have only right to think that the accused did not realize it was Cpl Bryant as all Cpls, especially as he was in a inebriated state.

1. When soldiers are apprehended in uniform near their quarters it is considered that as a general rule 5/- is a sufficient reward. Not more than 10/- will be allowed in any case where the soldiers were in uniform.

2. When soldiers are apprehended in plain clothes, at a distance from their units, and after having been absent for some time, the reward may be increased to 10/- or 15/- according to the nature of the cases and the trouble incurred in apprehension. A reward in excess of 15/- will seldom be granted.

3. The reward of 20/- should be strictly reserved for cases where superior intelligence has been displayed in apprehending men in plain clothes, or under difficult or exceptional circumstances.

Rewards and expenses attendant upon apprehensions will be paid by the Command Paymaster of the Command or District in which the soldier's Unit is stationed.

4. No reward can be authorised if the Deserter or Absentee voluntarily surrendered, or if it shall appear that he was in collusion with the person who apprehended him, or if the apprehended man was not a Deserter or Absentee.

DESCRIPTIVE RETURN of a Deserter or Absentee without Leave.

INSTRUCTIONS FOR THE GUIDANCE OF MAGISTRATES.

The place where the escort is required to attend should be stated, also whether the soldier *surrendered* or was *arrested*.

3rd witness for Prosecution - H19315 C/Sgt S.A. East
12 Bde duly sworn states -

On the 30th Aug 44 at approx 2140 hrs I visited Cookhouse at 47 Coy 12 CBA Bde - While there I heard conversation between accused & Ration staff. The Accused was demanding something to eat & drink - noticing 2 NCOs in Ration I thought it best to leave them in charge. I went to walk away & overheard the accused say to L/Sgt Pinches "If I don't get something to eat & drink I'll come in & get it" I then turned around to go back towards the Kitchen & as I turned around a shot was fired by the accused - I saw his hand up & a flash came from it - at the same time L/Sgt Pinches stepped to one side - I called for the accused to halt as he had started to walk away & as he did not halt I went to walk after him - he then started to run - I then gave orders for his arrest & for the removal of his weapon. After he had been arrested, some 15 or 20 minutes after the shot was fired, I assisted in the search for the weapon as he was not in possession of a weapon when arrested. I found a pistol behind our area just over a hedge with Canvas case & Ammunition - it had 5 live rounds in Cylinder & one fired round. The accused was wearing a belt & holster when ~~the shot was fired~~. In my opinion accused was sober when I saw him in the Kitchen on the night in question. 1C 9347 Enfield .38 Pistol as produced and identified by the witness as the pistol found by him and marked Ex A by the Court

Ques By the President - the witness states -
The accused was approx 3 ft from L/Cpl Pinchen when shot was fired - I could not see exactly in what direction pistol was fired. It was fired roughly I would say in the direction of L/Cpl Pinchen but I cannot say it was fired directly at him. I looked the next morning for a trace or marking of a bullet but could not find any sign of a bullet. There is no doubt in my mind that the accused fired a shot at the place & time described by me.

Defence

The accused having been sworn states:—

On the 30th Aug 44 about 1300 hrs I went to C.S.M. 47 Coy I asked for permission to go out for the afternoon to go for a swim. I received permission & went out. I stopped in at a coffee shop & my friend & I had a few drinks of Calvados. I then got into a crap game there & won a lot of money. ~~a C.S.M. of the players in~~ the game ~~he~~ lost all his money & put up his pistol instead of money. I won the pistol. I won all the money & the game ended. I continued to drink Calvados during the game. After that I don't remember just what I did except that I bought a bottle of Calvados & took it back to camp in a taxi. I went to the kitchen of 47 Coy about 2100 hrs, I asked for coffee I went back & my tent to get my ~~pistol~~ & when I returned the coffee was all gone. I then asked for some bread & I don't know just what happened. I was drunk but I remember saying if I can't get something here I'll go some place else. I took out the pistol I won from my holster feeling pretty cocky, I twirled it in my hand & it went off in the air. I didn't even know it was loaded as various people had handled it & played with it earlier. After that I don't remember much I was nervous & scared. I heard the bullet pass close to my ear.

On Cross Exam by Pres Officer —

I never heard the C.S.M. tell me to halt. I was running because I was scared. I don't remember what I did with the pistol, I don't remember whether I went to my own tent or not. I believe I did & then I went to visit a friend in the next tent. I didn't know someone was after me. I didn't know what I was arrested for — After the shot was fired I do not remember just what happened.

Ex "A" Pistol #23607 is examined by accused who states it was a pistol similar to the exhibit which he won.

RES

Address by Defending Officer

It has been brought out that accused was intoxicated at the time and it has not been proved that the accused intended to fire the pistol at all & especially that he intended to fire it at Lt/Cpl Pinches. I submit that the C.Q.M.S. as senior N.C.O. should have intervened in time to avoid any trouble. No sign of a bullet was found which corroborates accused's statement that the shot was fired in the air.

The accused admits that the whole thing is very vague after drinking considerable Calvados and I feel that the prosecution has failed to prove the facts which it must in order for the accused to be found guilty.

E&E

Address by Prosecuting Officer

In my opinion the evidence of the witnesses establishes that the accused was not drunk.

The evidence also indicates that the pistol was drawn deliberately but whether it was fired at Lt/Col Pinchin or whether there was an intention to shoot at Lt/Col Pinchin is for the Court to determine according to the evidence. Certainly there is no doubt that the accused did fire a pistol without justification or authority at the time & place mentioned in the particulars of the 2nd Charge

E.C.P.

ER? 06p3

Address by Judge Advocate

The accused is charged with offering violence to a superior Officer by firing a pistol at L/Cpl Pinches at a certain time & place. Offering violence is defined in the 2nd footnote to Sec 8 A.A. (The footnote is read in full) I do not think I can say anything which will in anyway further define "offering violence" than is contained in this footnote. The court should apply the facts in evidence before it to the definition and determine whether or not these facts constitute an "offering of violence". The court is the sole judge of the facts and anything I may have said or may say now which indicate my personal opinion as to the facts should be disregarded. The facts are not complicated or greatly in dispute. The accused admits firing a shot at the time & place set out in the particulars to the charge. He denies firing at L/Cpl Pinches & says he never intended to fire a shot at all, but that the pistol accidentally went off as he twirled it in his fingers & that the shot went up into the air. The witnesses for the prosecution do not go so far as to state that they saw the accused point the pistol or shoot at the L/Cpl Pinches. The witnesses do state however that the accused fired a shot and that he fired "in front of him" - it is for the court to weigh this evidence carefully & to determine whether or not it constitutes an "offering of violence" within the meaning of the definition previously quoted.

With respect to the 2nd (Alternative) charge there is little to be said - the Court will use its military knowledge and experience in deciding whether or not the 2nd alternative charge has been proved.

It will be kept in mind that the accused can be convicted of one charge only - by that I do not mean that he cannot be acquitted of both Charges - I mean that the Court only considers the 2nd alternative Charge if it comes to the conclusion that the 1st charge has not been proven.

Considerable evidence has been heard on the condition of the accused - whether or not he understands. On this feature I wish to read a few abstracts from M.M.L. at Page 25. Para 48. It is a principle of English Law that drunkenness is no excuse for crime - the remainder of the paragraph was also read & explained to the Court

At Page 106 - Para 9 - "Temporary intoxication ... - this para is read & explained.

It is a principle of British law that an accused must be found guilty - it is not for him to prove himself innocent.

The accused is also entitled to the benefit of any reasonable doubt - that is not a fanciful or imaginary doubt but a doubt based on the facts and a doubt which an ordinary reasonable man would have under those circumstances. Accordingly if after weighing & considering the evidence the Court has a reasonable doubt as to the guilt of the accused then the accused is entitled to the benefit of that Doubt.

If no further Comments by me are desired by the Court or Pros. or Def. Officers that is all I have to say.

SUMMARY OF EVIDENCE

Summary of evidence in the case of:

E-3018 Pte Jean Cyrile GUERRETTE, RCASC,
12 Bn, 2 C.B.R. Gp.

A soldier of the Canadian Army Overseas.

The Commanding Officer directs that the evidence be taken under oath.

First witness for the Prosecution:- B22430 L/Cpl Frederick William Pinchen RCASC, 12 Bn, 2 CBRGp having been duly sworn, states:

I am B22430 L/Cpl Frederick William Pinchen. On 30th August 1944, at approximately 2135 hrs, Pte Guerrette J.C. whom I now recognize, came to the kitchen and asked for a cup of coffee. I told him that we had none left and he insisted that he have some. The conversation went on for about five minutes at the end of which time Pte Guerrette, J.C. stated that, "If I wouldn't give him some he would come after it." He then drew his pistol from his holster, raised it and fired. While he was drawing his pistol, I stepped back and to my right. As soon as Pte Guerrette fired he turned and walked away about ten or fifteen yards and then began to run.

Q. In what direction did the accused point the revolver after taking it from the holster?

A. Ahead of him, Sir.

Q. Had you not moved would the bullet have hit you?

A. I can't say for sure as I was only interested in getting out of the way, Sir.

Q. Was the accused facing you before you moved?

A. Yes Sir.

Cross Examined by the accused:-

Q. Did I shoot at you?

A. I couldn't swear that you shot directly at me as I was only concerned with getting out of the way.

The accused declines to further cross-examine the witness.

F. Pinchen

(B22430 L/Cpl PINCHEN F.W.)

Second Witness for the Prosecution:- D76737 A/Cpl William Edward Perry, RCASC, 12 Bn, 2 CBRG, having been duly sworn, states:

I am a cook's helper in the kitchen at 47 Coy 12 Bn 2 CBRG. At approximately 2130 hrs 30th August 1944, Pte Guerrette J.C. whom I now recognize, came up to the kitchen for some coffee. I asked him, "Where is your cup" and he replied, "I haven't got one but I'll go and get one and will be back." He asked me to save some coffee and I told him, "You will have to hurry up or there will be none left." Pte Guerrette returned in about ten minutes time and by then the coffee was all finished. He then walked over to L/Cpl Pinchen and I heard him ask for something to eat. I was cutting meat at the time and didn't pay more attention to what was going on. Then I heard Pte Guerrette say "I don't get nothing to eat?" The next thing I heard was the pistol shot. I did not see the incident. After the shot was fired I looked up and saw Pte Guerrette walking away and after a few paces began to run.

The accused declines to cross-examine this witness.

W E Perry

(D76737 A/Cpl Perry, W.E.)

Third Witness for the Prosecution:- H19315 CQMS Frederick Albert East, Queen's Own Camerons of Canada, 12 Bn, 2 CBRG, having been duly sworn, states:

At approximately 2140 hrs 30th August 1944, I had reason to visit the kitchen to see that haversack lunches were being prepared for a morning work party. I found Pte Guerrette, whom I now recognize, standing by a serving table demanding something to eat and drink from L/Cpl Pinchen. Noticing two NCOs in the kitchen I thought best to leave them in charge. As I turned to walk away I heard Pte Guerrette say to L/Cpl Pinchen "If I don't get something to eat or drink I will come in and get it." I then thought it best to intervene and as I turned around a pistol shot was fired by Pte Guerrette. At the same time I saw L/Cpl Pinchen step to one side. Pte Guerrette then went to walk away and I told him to halt. As he didn't do so I went towards him and at that moment he broke into a run. I then called for the Cpl of the Coy Guard to cause his arrest and at the same time to relieve him of his weapon. I assisted in the search for the weapon of the accused from 2200 hrs to 2300 hrs 30th August 1944 and continued the search in the morning 31st August 1944. I found a pistol which is produced as Exhibit "A" under a hedge back of 47 Coy area at 0745 hrs, 31st August 1944. The pistol contained five (5) live rounds and one expended round immediately in the chamber.

Q. Was the accused sober?

A. Yes Sir.

Cross Examined by the accused:-

Q. Did I say "If I don't get something to eat or drink I will come in and get it."

A. Yes.

The accused declines to further cross examine the witness.

He told me to get the man and put him under arrest which I did five or six minutes later when I caught him. I escorted him to 12 Bn Guard Room and proceeded back to 47 Coy lines to find the weapon but could not.

Third witness for Prosecution - H-19315 CQMS F A East 12 Bn duly sworn states.

On the 30 Aug 44 at approx 2140 hrs I visited cookhouse at 47 Coy 12 Bn while there I heard conversat on between accused and kitchen staff. The accused was demanding something to eat or drink Noticing 2 NCO(s in kitchen I thought it best to leave them in charge. I went to walk away and overh ard the accused say to L/Cpl Pinchen "If I don't get something to eat or drink I'll come in and get it". I then turned around to go back towards the kitchen and as a turned around a shot was fired by the accused. I say his hand up and a flash come from it at the same time L/Cpl Pinchen stepped to one side I called for the accused to halt as he had started to walk away as he didn't halt I went to walk after him he t hen started to run. I then gave orders for his arrest and for the removal of his weapon. After hw had been arrested saome 15 or 20 minutes after the shot was fired I assisted with search for the weapon as he was not in possession of a weapo when a rested. I found a pistol behind our area just over a hedge with compass case a nd a munition. it had 5 live rounds in Cylinder and one fired round. The accused was wearing a belt and holster when the shot was fired. In my opinion accused was sober when I saw him in the kitchen on the night in quwstion.

LC 2367 Enfield .38 pistol is produced and identified by the witness as the pistol found by him and is marked Ex "A" by the President.

Cross Examine by D f officer. The witness states I was not in kitchen when accused came 1st time when I saw him arguing with NCO's in charge I did not interfere the argument continued during the short tiem I was in the vicinity . I am not able to say whether accused had been drinking or not. I did not intervene during argument because I was of the opinion that the NCO's in the kitchen could handle situation. I was approx 10 ft away facing the accused when the shot was fired, the shot was fired after I turned around. After the pistol was found a check of ownership was made it was not on my records. The accused's records disclose that he had on charge a Sten gun only and not a pistol.

Ques by the President the witness states.

The accused was approx 3 ft from L/Cpl Pinchen when shot was fired I could not see exactly in what d irection pistol was fired. It was fired roughly I would say in the direct on of L/Cpl Pinchen but I cannot say it was fired directly at him. I looked the next morning for a trace or marki g of a bullet in but could not find any sign of a bullet. There is no doubt in my mind that the accused fired a shot at the place and time described by me.

Fourth Witness for Prosecution - A-56617 Cpl Kenneth G Player 12 Bn duly sworn states

On 30 Aug 44 I was Cpl of Guard at 2130 hrs I heard a shot fired and turned to see where it came from and saw the accused walking away from 47 Coy kitchen. CQMS East called for the Guard and I answered I searched t e area and fo nd the accused in another soldiers tent about 5 or 6 minutes later and I placed him under arrest. He was not wearing a belt or holster when I arrested him. He had been drinking but I would not say he was drunk. I later searched for a weapon but didn't find it that night.

On cross-examination the witness states I can say he was drinking but in my opinion he was not drunk.

Qes by Pres. The witness states I sa accused wearing a pistol and holster the day of the shooting. I occupy the same tent as the accused.

DEFENCE

The accused having been sworn states - on the 30 Aug 44 about 1300 hrs I went to CSM of 47 Coy and asked for permission to go out for the afternoon to go for a swim. I recei ed permission and went out. I stopped in at a coffee shop and my friend and I had a few drinks of Calvados. I then got into a crap game there and won a lot of money one of the players in the game lost all his money and put up his pistol instead of money I won the pistol I won all the money and the game ended. I cont nued to dri k Calvados during the game. After that I don't remember just what I did except that I bought a bottle of Calvados and took it back to camp in the evening. I went to the kitchen of 47 Coy about 2100 hrs I asked for coffee I went back to my tent to get my cup and when I returned the coffee was all gone. I then asked for some bread and I don't know just what happened I was drunk but I remember saying if I can't get something here I'll go some place else. I took out the pistol I won from my holster feeling pretty cocky I twirled it in my hand and it went off in the air. I didn't even know it was loaded as v arious people had handled it and played with it earlier. After that I don't remember much I was nervous and scared I heard the bullet pass close to my ear

On cross-exami ation by Prosecuting Officer -
I never heard the CQMS tell me to halt. I was running because I was scared I don't remember what I did with the p stol. I don't remember whether I went to my own tent or not I believe I did and then I went to visit a friend in the next tent. I didn't know someone was after me. I didn't know what I was arrested for. Address by Defending Officer

It has been bright out that accused was intoxicated at the time and it has not been proved that the accused intended to fire the pistol at all and especially that he intended to fire at L/Cpl Pinchen. I submit thatthe CQMS as senior NCO should have intervened in time to avoid any trouble no sign of a bullet was found which corroborates accused's statement that the shot was fired in the air.

The accused admits that the whole thing is very vague after drinking considerable Calvados and I feel that the prosecution has failed to prove the facts which it must in order for the accused to be found guilty.

Address by Prosecuting Officer

D6P2

In my opinion the evidence of the witnesses established that the accused was not drunk.
The evidence also indicates that the pistol was drawn deliberately but whether it was pointed at L/Cpl Pinchen or whether ~~it was~~ there was an intention to shoot at L/Cpl Pinchen is for the court to determine according to the evidence certainly there is no doubt that the accused did fire a pistol without justification or authority at the time and place mentioned in the particulars of 2nd charge.

Address by Judge Advocate

D6P3

The accused is charged with offering Violence to a superior officer by firing a pistol at L/Cpl Pinchen at a certain time and place. offering violence is defined in the footnote to Sec 8 AA (The footnote is read in full) I do not think I can say anything which will in anyway better define "Offering Violence" that is contained in the footnote. The court should apply the facts in evidence before it to this definition and determine whether or not these facts constitute an offering of Violence. The court is the sole judge of the facts ~~xxxxid~~ and anything I may have said or may say now which indicate my personal opinion as to the facts should be disregarded. The facts are not complicated or greatly in dispute. The accused admits firing a shot at the time and place set out in the particulars to the charge. He denies firing at L/Cpl Pinchen and says he never intended to fire a shot at all, but that the pistol accidentlly went off as he twirled it in his fingers and that the shot went up into the air The witnesses for the prosecution do not go so far as to state that they saw the accused point the pistol or shoot at L/Cpl Pinchen. The witnesses do state however that the accused fired a shot and that he fired "in fron of him" - it is for the court to weigh this evidence carefully and to determine whether or not it constitutes on "offering Violence" within the meaning of the definition previously quoted.

With respect to the 2nd (Alternative) charge there is little to be said the court willuse its militaryknowledge and theexperience in deciding whether or not this 2nd (Alternative charge has been proved. It will be kept in mind that the accused can be convicted of one charge only by that I do not mean that he cannot be acquitted of both charges. I mean that the court only considers that 2nd Alternative charge if it comes to the conclusion that the 1st charge has not been proved.

Considerable evidence has been heard on the condition of the accused whether or not he was drunk. On this feature I wish to read a few abstracts from MML at Page 25 Para 48 It is a principle of English Law that drunkenness is no excuse for crime the remainder of the paragraph was also read and explained to the court.
At Page 106 Para 9 "Temporary intoxicat on this para is read and explained. It is a principle of British Law that an accused must be proved guilty it is not for him to prove himself innocent.
The accused is also entitled to the benefit of any reasonable doubt that is not a fanciful or imaginary doubt but a doubt based on the facts and a doubt which an ordinary reasonable man would have under those circumstance Accordingly if after weighing and considering the evidence of the court the court has a reasonable doubt as to the guilty of the accused then the accused is entitled to the benefit of that doubt.

If no further comments by me are desired by the court or Pres of Def or Pros Officer that is all I have to say.

EVIDENCE of Character Witness.

Capt. H A Hasking 9 Bn 2 CERG Duly sworn states.

In the summer of 1942 I was attached to a Coy in which the accused was attached . He was with me for a period of 3 months During that time I found him to be an exceptionally good worker and at no time did I have any trouble with him

Address in Mitigation by Defending Officer

I would lke to bring out that accused has been in the army for 5 years as of yesterday. He has had no crime since Apr;1943. In view of this and of the circumstance surrounding the incident I ask the Court to be lenient as possible so that he may be free to continue to serve.

He came back and in ten minutes and all the coffee was gone. He went over to L/Cpl Pinchen and asked for something to eat p I heard something said by accused to the effect "I get nothing to eat"? and I head a shot - I stood up looked around and saw the accused walk away a short distance and then start to run.

Third witness for Prosecution - H-19315 CQMS F A East 12 Bn
duly sworn states.
On the 30 Aug 44 at approx 2140 hrs I visited cookhouse at 47 Coy
12 Bn while there I heard conversat on between accused and kitchen
staff. The accused was demanding something to eat or drink Noticing
2 NCO(s in kitchen I thought it best to leave them in charge. I
went to walk away and overh ard the accused say to L/Cpl Pinchen
"If I don't get something to eat or drink I'll come in and get it".
I then turned around to go back towards the kitchen and as a turned
around a shot was fired by the accused. I saw his hand up and
a flash come from it at the same time L/Cpl Pinchen stepped to one
side I called for the accused to halt as he had started to run.
ac he didn't halt I went to walk after him he t hen started to run.
I then gave orders for his arrest and for the removal of his weapon.
After hw had been arrested saome 15 or 20 minutes after the shot
was fired I assisted with search for the weapon as he was not in
possession of a weapo when a rested. I found a pistol behind our
area just over a hedge with compass case a d a munition. It had 5
live rounds in cylinder and one fired round. The accused was wearing
a belt and holster when the shot was fired. In my opinion accused was
sober when I saw him in the kitchen on the night in question.
LC 2367 Enfield .38 pistol is produced and identified by the witness
as the pistol found by him and is marked Ex "A" by the President.

Cross Examine by D f officer. The witness states I was not in kitchen
when accused came 1st time when I saw him arguing with NCO's in
char e I did not interfere the argument continued d ring the short
tiem I was in the vicinity . I am not able to sa whether accused
had been drinking or not. I did not intervere during argument because
I was of the opinion that the NCO's in the kitchen could handle
situation. I was approx 10 ft away facing the accused when the shot
was fired, th shot was fired after I turned around. After the
pistol was found a check of ownership was made it was not on my
records. The accused's records disclose that he had on charge a
Sten gun only and not a pistol.

Ques by the President the witness states.

The accused was approx 3 ft from L/Cpl Pinchen when shot was fired
I could not see exactly in what d irection pistol was fired. It
was fired roughly I would say in the direct on of L/Cpl Pinchen but I
cannot say it was fired directly at him. I looked the next morning
for a trace or marki g of a bullet in but could not find any sign
of a bullet. There is no doubt in my mind that the accused fired a
shot at the place and time described by me.

RP 83(B) complied with.

Fourth Witness for Prosecution - A-56617 Cpl Kenneth G Player 12 Bn
duly sworn states
On 30 Aug 44 I was Cpl of Guard at 2130 hrs I heard a shot fired
and turned to see where it cam from and saw the accused walking
away from 47 Co kitchen. CQMS East called for the Guard and I answered
I searched t e area and fo nd the accused in another soldiers tent
about 5 or 6 minutes later and I placed him under arrest. He was
not wearing a belt or holster when I arrested him. He had been drink-
ing but I would not say he was drunk. I later searched for a weapon
but didn't find it that night.
On cross-examination the witness states I can say he was drinking
but in my opinion he was not drunk.
Qes by Pres. The witness states I saw accused wearing a pistol
and holster the day of the shooting. I occupy the same tent as
the accused.

RP 83(B) complied with.

DEFENCE

The accused having been sworn states - on the 30 Aug 44 about 1300 hrs I went to CSM of 47 Coy and asked for permission to go out for the afternoon to go for a swim. I recei ed permission and went out. I stopped in at a coffee shop and my friend and I had a few drinks of Calvados. I then got into a crap game there and won a lot of money one of the players in the game lost all his money and put up his p stol instead of money I won the pistol I won all the money and the game ended. I cont nued to drink Calvados during the game. After that I don't remember just what I did except that I bought a bottle of Calvados and took it back to camp in the evening. I went to the kitchen of 47 Coy about 2100 hrs I asked for coffee I went back to my tent to get my cup and when I returned the coffee was all gone. I then asked for some bread and I don't know just what happened I was drunk but I remember saying if I can't get something here I'll go some place else. I took out the pistol I won from my holster feeling pretty cocky I twirled it in my hand and it went off in the air. I didn't even know it was loaded as v arious people had handled it and played with it earlier. After that I don't remember much I was nervous and scared I heard the bullet pass close to my ear

On cross-exami ation by prosecuting officer
I never heard the CQMS tell me to halt. I was running because I was scared I don't remember what I did with the p stol. I don't remember whether I went to my own tent or not I believe I did and then I went to visit a friend in the next tent. I didn't know someone was after me. I didn't know what I was arrested for. After the shot was fired I do not remember just what happened.
Ex "A" Pistol #2367 is examined by accused who states it was a pi ztol smilar to the exhibit which he won.

RP 83(3) complied with.

Address by Defending Officer

It has been bright out that accused was intoxicated at the time and it has not been proved that the accused intended to fire the pistol at all and especially that he intended to fire at L/Cpl Pinchen. I submit thatthe CQMS was senior NCO should have intervened in time to avoid any trouble no sign of a bullet was found which corroborates accused's statement that the shot was fired in the air.

The accused admits that the whole thing is very vague after drinking considerable Calvados and I feel that the prosecution has failed to prove the facts which it must in order for the accused to be found guilty.

Address by Prosecuting Officer

In my opinion th e evidence of the witnesses established that the accused was not drunk.
The evidence also indicates that the pistol was drawn deliberately but whether it was pointed at L/Cpl Pinchen or whether ~~it was pointed~~ there was an intention to shoot at L/Cpl Pinchen is for the court to determine according to the evidence certainly there is no doubt that the accused did fire a pistol without justification or authority at the time and place mentioned in the particulars of 2nd charge.

Address by Judge Advocate

The accused is charged with offering Violence to a superior officer by firing a ppistol at L/Cpl Pinchen at a certain time and place. offering violence is defined in the footnote to Sec 8 AA (The footnote is read in full) I do not think I can say anything which will in anyway better define "Offering Violence" that is contained in the footnote. The court should apply the facts in evidence before it to this definition and determine whether or not these facts co stitute an offering of Violence. The court is the sole judge of the facts and anything I may have said or may say now which indicate my personal opinion as to the facts sho ld be disregarded. The facts ar e not complicated or greatly in dispute. The accused admits firing a shot at the time and place set out in the partic lars to the charge. He denie s firing at L/Cpl Pinchen and says he never intended to fire a shot at all, but that the pistol accidentlly went off as he twirled it in his fingers and that the shot went up into the air The witnesses for the prosecution do not go so far as to state that they saw the accused point the pistol or shoot at L/Cpl Pinchen. The witnesses do state however that the accused fired a shot and that he fired "in fron of him" - it is for the c court to weigh this evidence carefully and to determine whether or not it constitutes on "offering Violence" within the meaning of the definition previously quoted.

With respect to the 2nd (alternative) charge there is little to be said the court willuse its militaryknowledge and theexperience in deciding whether or not this 2nd (Alternative charge has been proved. It will be kept in mind that the accused can be convicted of one charge only by that I do not mean that he cannot be acquitted of both charges. I mean that the court only considers that 2nd Albernative charge if it comes to the conclusion that the 1st charge has not been proved.

Considerable evidence has been heard on the condition of the accused whether or not he was drunk. On this feature I wish to read a few abstracts from MML at Page 25 Para 48 It is a principle of English Law that drunkenness is no excuse for crime the remainder of the paragraph was also read and expla ned to the court.
At Page 106 Para 9 "Temporary Intoxicat on this para is read and explained. It is a principle of British Law that an accused must be proved guilty it is not for him to prove himself innocent. The accused is also entitled to the benefit of any reasonable doubt that is not a fanciful or imanginary doubt but a doubt based on the facts and a doubt which an ordinary reasonable man would have under those circumstance Accordingly if after weighing and considering the evidence of the court the court has a reasonable doubt as to the guilty of the accused then the accused is entitled to the benefit of that doubt.

If no further comments by me are desired by the court or Pres of Def or Pros Officer that is all I have to say.

EVIDENCE of Character Witness.

Capt. H A Basking 9 Bn 2 CHRG Duly sworn states.

In the summer of 1942 I was attached to a Coy in which the accused was attached . He was with me for a period of 3 months During that time I found him to be an exceptionally good worker and at no time did I have any trouble with him

Address in Mitigation by Defending Officer

I would like to bring out that accused has been in the army for 5 years as of yesterday. He has had no crime since Apr 1943. In view of this and of the circumstance surrounding the incident I ask the Court to be lenient as possible so that he may be free to continue to serve.

SUMMARY OF EVIDENCE

in the case of

C-2236, Sgt. Albert George GUERTIN, 9 Bn, 2 Canadian Base Reinforcement Group, a soldier of the Canadian Army Overseas, who is charged with:-

(1) When on Active Service, Absenting Himself Without Leave. A.A. Sec 15(1).

The Commanding Officer directs that evidence be taken on oath.

FIRST WITNESS D-26001, R.S.M. Percival, W.O., 9 Bn, 2 C.B.R.Gp, having been duly sworn, states:-

"At approximately 0930 hrs on 14 Sep 44, I was making a tour of B.H.Q. lines, 9 Bn, 2 C.B.R.G. and Regtl workshops, to ensure that everything was in order for a D.V. visit which we were expecting. When I inspected the Armourers Workshop, Sgt. Guertin was not there. His place needed tidying up so I then proceeded to his quarters to locate him. Again he was not there. I then inquired from a few members of B.H.Q. if they had seen Sgt. Guertin around. Their answer was in the negative. At approximately an hour later, C-5489, Sgt. Alexander, J.H., informed me that he was also looking for Sgt. Guertin and could not locate him anywhere. He further informed me that on the previous day, 13 Sep 44, at approximately 1345 hours, he also had occasion to look for Sgt. Guertin, but could not find him. I instructed Sgt. Alexander to have Sgt. Guertin placed on charge upon his return to camp."

Witness cross-examined by the accused.

Q.1. Did you look in the Company Lines for me?
A.1. No, but Sgt Guertin did admit, when tried by his Commanding Officer, that he was guilty of the charge as read to him.

The accused declines to cross-examine the witness further.

W. O. Percival

D-26001, R.S.M. Percival, W.O.

SECOND WITNESS C-5489, Sgt. Alexander, J.H., 9 Bn, 2 C.B.R.Gp, having been duly sworn, states:-

"The services of Sgt Guertin, who is the Battalion Armourer Sgt, were required at 1400 hours, 13 Sep 44. I checked at the Armourers Shop and at his quarters, and he could not be found at that time. I checked periodically from then until 1900 hours, at both locations, and was unable to find him. I assumed he was not in camp. At 0900 hrs on 14 Sep 44, I again checked both locations but Sgt Guertin was still not to be found. At approximately 1000 hrs, 14 Sep 44, while making an inspection of H.Q. Coy Lines with the Coy Commander, I found two reinforcement Privates who were waiting at the Armourers Shop to have their weapons repaired. In the absence of Sgt. Guertin it was necessary to take them to the Quartermaster Stores. At 1110 hrs, 14 Sep 44, I saw Sgt Guertin standing in the doorway of his shop. I verified the time with the Coy Commander and said to him, "That is the time I'll have to show as Sgt Guertin's hour of return". At approximately 1145 hours, I warned Sgt. Guertin that he was under open arrest."

Witness cross-examined by the accused.

Q.2. Did you check the Coy Lines to see if I was there?
A.2. No.

Q.3. You say you saw me at 1110 hours, 14 Sep 44?
A.3. Yes, that is the first time I saw you.

Q.4. You told me I was under open arrest about 12 o'clock?
A.4. Yes, approximately then.

Q.5. Did you see me at all between 1110 hours and 1145 hours?
A.5. No, during that time I was busy making up the charge sheet.

The accused declines to cross-examine the witness further.

PLEA OF MITIGATION - B51810 Pte GUERTIN M J 30 NOV 45

I am a plain man, and therefore I shall put these words down plainly.

I met a girl in 1941, with whom I fell in love, and in a short while I became engaged to her. I was stationed near her until 1943, when my Regt pulled out to go to Sicily.

I was in Sicily and Italy 23 months, and during all that time we corresponded, and everything seemed to be as it always was between us. Doris, my girl, had been writing to my family in Canada, and my people were very happy for us, and we were very happy for ourselves.

I was wounded just prior to the German stalemate in Italy and when my Regt went to France, I was left behind in hospital. Then in July of this year, I returned to England, full of high hopes.

I was granted a 30 day leave on 18 SEP and stayed around camp till I finally procured my permission to marry on 16 OCT. I cashed a draft for sixty-seven pounds to be married with so that when I got there I could make it a big surprise for her. I had not seen her before this time. While waiting I kept in touch with her by telephone and letters explaining the delay.

With only 2 days leave left I went at once to her, where I found that she had been in a state of pregnancy for eight months. The whole bottom fell out of my world. I was to say the least, astounded, for when I left her in /43 she was a good girl, and perhaps she still is, for who am I to judge.

I did not finish my leave with her but came back to camp, and I confess, I stayed intoxicated for the remainder of my leave. Then suddenly, I was struck again. My mother wrote and told me that she knew about mine and Doris' baby and that she did not mind. My girl friend had written her and told her I was the father, and quite naturally my people believed her, but how could that be when I was in Italy at the time?

MJG

I did not know what to do. I could not write home and tell mother that it was not so, for she is very sick and the shock would be very harmful to her.

I got a 48 hour pass with the intentions of going to a quiet Club in London and of deciding what to do in peace and quiet. I nearly went crazy thinking about it so I started to drink and before I knew it I was a few days late. (As a rule I am a sober man) As I had a hundred pounds, I was not short of money, so I got myself a room and stayed there. I could not think of what else to do. I know now that things were at the time very distorted in my mind and I could have straightened everything up much more easily than I can now, but believe me, I think I was dazed to say the least, for I could not coherently describe those days I spent in London.

I am very sorry to have done wrong, and I know I must pay the price, but I hope that the facts which I have put down here will be taken into consideration, and that I will be judged accordingly.

My most fervent wish now is that I can forget this episode of my life and when I return to Canada, to live it down.

I hope that a little mercy will be shown to a man whose destiny, through a series of queer circumstances, has been brought to such a state as this.

although he did go to the "O.R.C." building and come back from it must have sat the Cpl of the guard and received from the accused the weapon which is used for the defence. A the building report. The witness stated that the grounds of the duties could take him anywhere within the perimeter of the "O.R.C." building. The time has been stated by the witness was but a minute, no more than. Draught of your Honour, I respectfully submit that the accused was fulfilling his function as a guard moving from place to place within his post.

With regard to the second witness statement it will be noted please that the accused had complained prior to his tour of duty as suffering from a headache. It is suggested by the members of the court that he endeavoured to carry out his tour of duty under the circumstances rather than have a replacement who would have to do double duty, that he went on duty respectively.

I do suggest to the court further, that it was not the intent of Pte. Guerin was relieved and the weapon turned over properly to his relief as either inconceivable for the Cpl of the guard to state that the accused was asleep and had to shake it be awakened

I submit Mr President — (pointing to the) that with regard to charge no. 2 the attitude of the Court is regularly defined and must be found not guilty of that charge. In regard to charge no. I myself can hardly see it in your opinion. I suggest that consume the time he was asleep. It was result of his headache.

Prosecutor

If you look at AA. sec 6 footnote 2 Page 430 you will find the said marking of post or sentinel.

The duty of a sentry is to be on his post at all times and to be attentive at all times. The Cpl. of the guard has testified that the post allotted to the sentry on the N.C.O. building was at the front where he could challenge everyone coming in. The sentry and the building was allowed only when he was outside leaving the front doorway for the purpose of challenging. In regard to the weapon given to the sentry the guard and the time to make his report. It is quite understandable to normally take

19/4 Jan

there is missing to make up. I should
more be surprised. I leave that to the Courts to
decide how long it would take for a man to be
his feet again.

As regard his sickness (headache & the day
before) It is a definite rule in the army that
a doctor must decide if the is sick or not and
have the privilege to be present at the mo. at all
times if they feel that their health will not permit
them to carry on with their duties.

Therefore with for no consideration do I
understand how a sentry can be fulfilling
the duty of a sentry at the same time be in
asleep.

I am B-51810 Pte Guerin J.M 8/10th Inf. Bn. attached to Def. & Employment Platoon Home Secty. On the morning of the 28 Jan 1945 I was awakened at approx 0745 hrs. by L/Cpl. Hughes to do my turn of duty. I immediately got up, dressed and was conducted to my place of duty by L/Cpl. Hughes. On being taken to my place of duty I told L/Cpl. Hughes that I was sick with a bad ache. Arriving at my place of duty I took over as the #10 building I duly relieved the guard who was there and took over my post at approx 0750 hrs. As was my custom I made a round check of the area and then took my post at the main gate. At approx 0845 hrs I made a check in rear of the building and around the vehicles. As I was not feeling very well I sat in a Jeep close by the gate where I could observe all personal leaving or entering the gate. At approx 0850 hrs I observed L/Cpl. Hughes and Pte. Mc Millen who was my relief entering the gate. Pte Mc Millen immediately upon entering went straight up to the building and looked inside the door. Cpl. Hughes came over to the Jeep and laid a hand upon my shoulder.

I do not remember his exact words but
it sounded something like a "good shot." I
said I do not understand and Lt/Col. Hughes said
something to the effect that we would see about
it in the morning. In the meantime I had
got out of the Jeep and told Lt/Col. Hughes that
I was sick. I passed the guard weapon
to Pte. Prachuller and walked to billets
with Lt/Col. Hughes.

Summary of evidence in the case of B51610 Pte GUERTIN, Joseph Marcel, Hq 1 Cdn Inf Div Def and Emp Pl Canadian Army Overseas, Central Mediterranean Forces.

The Commanding Officer directs that this summary by taken on oath.

1st Witness

F - 88435 Pte McMullin, J W having been duly sworn states;

I am F-88435 Pte McMullin, J W, Hq 1 Cdn Inf Div Def and Emp Pl. On the 26 Jan 45, at approximately 0400 hrs, I was conducted to my place of duty, this place being the A & Q building, by the Cpl of the guard. I was to relieve Pte Guertin, the accused. At first, when I arrived, I did not see Pte Guertin, and entered the building in search of him. When I came out of the said building Pte Guertin was outside telling L/Cpl Hughes that he was sick. On the afternoon of 27 Jan 45, Pte Guertin had told me that he was not feeling very well at the time.

Question by the accused — When you came to relieve me would you say that you came in search of me or was it usual that the guard stood inside the building?

Answer — I did not search particularly for you. It was usual for the guard to stand inside the building on account of the weather.

Question — If you did not find the guard inside the building would you say that it was unusual or might he not be outside checking vehicles or making a check around the building?

Answer — No, it would not be unusual and furthermore it is quite correct that the guard might have been checking vehicles or walking around the building checking the area.

Question — When you first met me did you notice anything out of place or wrong with me?

Answer — No, you passed me the Tommy gun and were talking with L/Cpl Hughes.

F31403 L/Cpl Hughes, E J having been duly sworn states:

I am F31403 L/Cpl Hughes, E J, Hq 1 Cdn Inf Div Def and Emp Pl. On the night of 27 - 28 Jan 45 I was Cpl of the guard at Rear Hq 1 Cdn Inf Div. At approximately 0200 hrs I took Pte Guertin to his place of duty at the A & Q building at Rear Div Hq. His tour of duty was from 0200 hrs 26 Jan 45 to 0400 hrs 26 Jan 45.

Between 0345 hrs and 0400 hrs I took Pte Guertin's relief, Pte McMullin to the A & Q building, but when we arrived there no guard was to be seen. I looked around with Pte McMullin. Pte McMullin went to the door of the A & Q building and called Pte Guertin, the accused, but nobody answered. There were some jeeps around and I went over to them to look for Pte Guertin. I found him sound asleep in one of them and had to shake him to wake him up. After telling him it was a poor show, his answer to me was not satisfactory so I reported the facts to higher authority on the same morning.

Question by the accused — Previous to my tour of duty did I say anything to you pertaining to myself?

Answer — You said something about a headache.

Question — During my tour of duty did you visit my post?

Answer — No.

Question by the Officer taking summary — In your opinion was the accused asleep or sick when you found him in the jeep?

Answer — In my opinion he was asleep.

Question — Could you swear that he was asleep?

Answer — Yes.

Opening address by Prosecuting Officer

The prosecution will prove by evidence that Pte Guertin on two separate occasions used insubordinate language to his superior officer and that on one occasion he struck his superior officer

First witness for Prosecution M-44999 Sgt Matheson, D. sworn states,

At approx 15.00 hrs on 26 Sep. self & Sgt Jr. Arthur of 11 Para Coy were standing at end of High St Woolwich watching a parade. A staff car pulled to the curb directly in front of us being blocked by the civilian policeman on point duty. The civilian police informed us there was a civilian passenger riding in an army vehicle. We immediately blocked and found it to be true. Sgt Jr. Arthur took particulars of the car and driver. I requested the civilian passenger for her identity card since the driver did not have a civilian drivers license. Both car doors were opened by accused and the civilian passenger came out onto the street they were about four feet away facing me. The civilian passenger opened her purse. He showed no objection to showing her identification. The accused reached over grabbing her purse saying that we had no right to ask her for it. I stated that we had since she was riding in a W.D. vehicle and I would obtain same if I had to take her to a civilian police station.

The accused said "you God damned rats you haven't even got an arm band on."

I replied that regardless of arm band we were duty bound to act if we saw anything wrong.

The accused then said "This is one time you won't eat. I'll teach you military law."

At this time Sgt Jr. Arthur was taking down particulars of the car and driver just a few feet from me.

I requested the accused to show me his pay book. I had ordered him not to interfere. He refused to show his pay book saying I had no authority as am referring to the arm band.

I asked him if he had read the instructions in his pay book. He just looked at me and said bad.

The civilian constable came over and requested the civilian passenger to show her identification which she did. The constable then advised the accused to produce his pay book. The accused handed his pay book to the constable who in turn handed it to me. I warned the accused that charges would be preferred.

The accused then warned me that the next time we met it would be me or him for it and then turned and walked away.

At about 22.35 hours on 1 Oct I entered the Tec H canteen in the course of my tour of duty to buy and find the driver of an unattended car in the park. I asked a general question if there was a driver in the room or if there was anyone who knew where the officer in charge of the vehicle might be found.

The accused spoke up saying. "Hello cat, do you think you've been tough today as you were Sunday" This was his first remarks.

I answered, "yes, but I don't see any need for that remark"

He said "you were generally heard in peace, now you are alone, will you come outside with me I'd like to see just how tough you are"

I answered that it wasn't in my line of duty to fight. That I had a duty to perform which I was trying to do.

The accused said he would get me no matter what I did. That he would wait for me.

I then warned him that if he made any effort to carry out his threat I would arrest him.

He replied that I had no authority to do same. He then asked me if I was going outside.

I answered that I was that I had had a purpose in entering the canteen and so far as I was concerned the purpose was fulfilled.

He said "alright we'll see how tough you are.

I walked to the door and again warned him. I opened the door and said all right if you are going out go ahead.

He asked "why are you afraid"

I said "I am not looking for a knife in the back" I said this because I was walking close behind me.

~~I asked~~

I got outside you go down a flight of about 12 steps. I followed the accused downstairs. I got on the side near the street and looking towards the alley line saw the accused. I then warned the accused a third time urging him not to make it tough for himself by forcing an issue.

The accused followed me to the street with his hands up in a sparring position. On reaching the street I stopped. The accused came near me. Hesitated for a moment or two and then I warned him he was under arrest. He said "all right let him pass" and he struck ~~me~~ me several times. I clinched with him and steadied to my protect

and to the civilian policeman who as I saw up the street.

A sgt and two women had us apart. I stated I was a military policeman and was effecting an arrest. The accused ran back with the civilian policeman and was effecting an arrest. The accused ran back with the Tor H. The civilian policeman and I entered the Tor H. we found the accused. I told him he was under arrest. He looked at me and laughed. I told him he was under arrest and he said "alright I will go with you" but will not go with that rat.

We escorted accused to the Barking Police station. I secured an escort and took accused to 11 Pro Coy. The accused requested to see an orderly officer. The duty officer came to the guard room. The accused needed to see a doctor. He said his arm had gone paralized. We took the accused to the doctor.

Cross-examined by defending Officer

On the 26th I was on the north side of the car. The civilian police report of his own accord.

On 1 Oct. I followed the accused from the Tor H.

Q. - At the summary of evidence did you not say "we both went outside he followed me"

A. - after we went down the steps I managed to get next to the street with the accused following me.

In the Tor H caution the accused addressed me as a rat, and refused to obey an order. I went outside to continue the duty I was on. It was not necessary to take particulars because I had taken them from him on the previous Sunday.

The accused went out the door first we went down the stairs at the foot of the stairs I got by him and next to the street. He followed me to the street.

Second witness for Prosecution H-5905 Sgt Mc Arthur, J. A. sworn states.

On 26 Sep. I was with Sgt Matheson when a W.D. vehicle stopped in front of us carrying a civilian passing us. A civilian policeman brought her to our notice. I checked the driver for his work ticket and civilian clearance slip. While I was doing this the lady passing us and the Guertin got out of the back seat. Sgt Matheson asked her for her identification. I was on the sidewalk. Sgt Matheson was to one side of me. The lady had started to open her handbag. P.O Guertin reached over and took the top of her handbag, closing it. He told us we were on duty and had us right to see her identification. Sgt Matheson told him we were on duty whether we had arm bands or not.

Sgt Matheson ordered accused to show his pay book. I was just a pace away facing the group.

he refused & do so. I turned and called the civilian policeman. He came over asked her for her credentials. PC Guertin also produced his ~~civilian~~ pay book & the civilian policeman who gave them to me. I started to copy their particulars. I do not remember the words that passed between Sgt Matheson and PC Guertin but they was enough to draw my attention. I turned round and stepped back on the sidewalk put my hand on PC Guertin arm and told him to question down. Sgt Matheson warned PC Guertin that a charge would be preferred against him. PC Guertin said something about why the damn prowels didn't keep their noses out of other people business when they weren't on duty. I gave back the documents. As I was leaving I said that next time I met either one of us it would be with him or us for it. I do not know the exact words used but I know the word ~~cat~~ was used.

Cross-examination

During the conversation between Matheson and Guertin I was about 3 feet away. I called on the civil policeman for assistance.

By the Court

The policeman was standing off at a distance. I ~~obtained~~ to him. Sgt Matheson beckoned to him.

Percy Hubert Hambleton, sworn states

I am employed by P.C. Everton. On 26 Sep. there was a procession. We stopped in climbing High St. The Provost Sgt asked the driver for the work ticket. P.C. Everton and I got out of the car. He went to help me. The Sgt. restrained him. He pushed him very slightly. The Sgt. asked me for my identification card. P.C. Everton said I should not show my card to them as they weren't on duty and that a civilian policeman should be called. He did not touch one and I took my pass. There was no profanity. I did not hear P.C. Everton call Sgt Matheson a God damned rat. Sgt Matheson asked P.C. Everton for his pay book. P.C. Everton did not refuse to show it. He showed it to the provost at the same time I showed my identity card to the civilian police.

Cross-examined

P.C. Everton did not restrain me from showing my identity card. The Provost did not ask P.C. Everton for his pay book before the civilian policeman was there. The Provost Sgt pushed P.C. Everton who lost his balance and fell back against the car. I was close enough to hear all the conversation. P.C. Everton did not challenge the Provost to a fight. ?

A week ago Sunday I was down town in Sterling watching the Battle of ~~Trafalgar~~ Britain Parade. I was on my way back to Coy H.Q. with Cpl Duffy. When I saw this car being stopped by the two provosts. I saw provost apparently ordered Guertin out of the car and after speaking to him for a few minutes took him by the arms and directed him to the sidewalk. They were talking there for perhaps a while. I was about 5 or 6 feet away I could hear the conversation. I heard one provost say something about the girls identification card. Guertin told them he thought they ought to get the civilian police. I saw Guertin hand over his pay book to the civilian police. I did not at any time hear Guertin refuse to hand over his pay book. I did not see Guertin reach over and put his hand on the girls hand bag.

I was sitting in the canteen. The accused came in and we started talking. The Provost sgt entered and questioned the two boys on the whereabouts of some officer. The accused and the sgt. turned away and entered into conversation. I heard very little of what was said. They seemed to be in argument until just at the end when it got a little heated. Both boys then went to the door. The couldn't seem to make their mind up who went to the door. The sgt made the Pte go down should go down first. In the end the Provost sgt made the Pte go down first. I took no notice until the accused came back looking as if he had been in a fight. The Provosts attitude was a little officious. The Provost sgt put his hand on Pte Everton's shoulder and more or less pushed him down.

Cross examination

I just saw his hand on his shoulder and the Pte went. I did not hear the accused swear at the sgt. The sgt. did not make a general statement to the audience before speaking to Pte Everton. Their voices were moderate. I heard a clatter of feet as they went downstairs. When Everton returned there was blood on his face.

The sgt put his hand on the pte shoulder and forced him down the steps. The pushed the canteen to one side. They had been standing at the door about ten minutes. Everton behaved quite naturally. I did not hear the conversation.

Cross examination

I did not say I would swear to anything for Everton I have only spoken to him twice.

Seventh Witness for the Defence

I was playing table tennis. The sgt provost came in. I heard very little of the conversation. As far as I know he just spoke to the pte. I did not hear any of the argument at all. The sgt put his hand on the ptes shoulder as-bing him to go down the steps. We didn't see anything of the fight. About ten minutes later the pte came back in again. The sgt came in a few seconds afterwards with the Egyptian policeman. The ptes voice was normal. The sgts was just a little bit up. The sgt seemed a little bit agitated. The sgt didn't do anything for about five minutes then he spoke to the pte. The sgt put his hand on the ptes shoulder and asked him to go down stairs. He made him go down stairs.

Cross examination

I wasn't paying particular attention but I did see the sgt push the pte downstairs.

By the Court

They stood at the door a matter of seconds. The door was open. The sgt pushed him downstairs. There was a slight scuffle. It was the sound of somebody falling downstairs.

RP §3(b) complied with

The witness withdrew.

The defence is Closed.

Defending Officers Closing Address

There is no clear evidence of refusal to produce pay book. It came out that he did in fact produce his pay book. None of the defence witnesses heard any violent language. The prosecution evidence is now to clear as to what did actually happen.

On the night of 28/3/44 we have Sgt Matheson who says the Guerton provoked a fight. There were three A.T.S. also who heard no violent language. After being pushed downstairs Guerton grappled with the Sgt. purely in self defence. It seems to me that in the case the sgt. exceeds the previous days brutality. If all this violent language was used the sgt. should have arrested Guerton on the spot but he did not do so.

The Prosecuting Officer declined to make a closing address.

In the opinion of the Court and the Judge Advocate no summing up is required by the Judge Advocate.

"I am H37497 Pte. T.A. Workman of 1st Cdn. Army H.Q., M.T. Coy. At about 15:00 hours on 26 Sept. 43, I was driving a W.D. Ford Station Wagon in Dorking. I had as passengers, the accused, whom I now recognize, and his lady friend. I was giving them a lift from Homewood to Dorking. Two Provost Sergeants stopped me and asked for my civilian release, paybook and work ticket. The accused and the girl got out of the car and they asked her for her Identity Card. There was talking between one Sergeant and the accused but I didn't hear it as the other Sergeant was questioning me at that time. A civilian policeman came over and the Provost I noticed, then had the Identity Card. I showed the Provost my pay book. I didn't hear the accused asked for his but I

noticed the Provost examining it. I didn't hear the accused use any foul language or swear at the Provost Sergeant but they were a little distance from the car and I cannot swear that he did not use improper language. I did not hear him call the Provost a God damned rat or challenge him to fight. I heard nothing of what went on as I was too busy looking for a civilian release except the request by the Provost to see the girl's Identity Card and the accused say he wanted to know if she was obliged toshow it to the military police or just the civil police.

Cross-Examination by the Accused.

Q. Are you sure I objected to her showing her Identity Card?

A. There was no objection. You just asked in a civil tone if the military police had the right to ask a civilian for it.

~~The prosecutor makes an opening address (hands in a written address which is read, marked , signed by the President, and attached to the proceedings)~~

The prosecutor proceeds to call witnesses.

First witness for prosecution. Major R. Buckner Cond. 1 C.T. Regt.

being duly sworn, is examined by the prosecutor.

States. I am Major R Buckner of Cond. Corps troops R Regt. and I was the president of a F.G.C.M. on 26 Dec 42 which was convened by Col. M.V. McInnes R Regt 1 Can. Corps. in which Pte Garbetary W. was being tried. Pte Yaeton H. whom I now see and recognize, was a witness for the prosecution at this trial. Pte Yuertis was asked by the prosecuting affirm Lt M.J. Friedman, if he knew the name of the person who opened the door of the cell in the detention room & let him out. Pte Yuertis answered yes. The prosecutor, further questioned him as to the name of the man who had let him out, this he refused to answer saying. "I am not ~~(illegible)~~ rat, but I will tell you this much, that it was not Pte Garbetary."

The prosecutor, then warned Pte Justin that he was liable to prosecution under the army act if he continued to refuse to answer questions put to him while a witness on a Court Martial. The accused still refused to answer, saying, "You have threatened me with that before."

Question by Prosecutor

Q 1 Were the questions referred to in your statement, made as direct questions to the accused.

A 1 Yes.

Q 2 How many questions did the accused refuse to answer?

A 2 Two

Q 3 Will you tell the court what those questions were?

A 3 One was, "Who let you out"
The other was, "will you tell the court the name of the person who opened the door and let you out."

Questions by the Defending Officer

Q 1 Was there a shot hand stenographer at the court.

A 1 "No"

Q 2 Did the court then re read the evidence of the accused, then the witness, back to him.

A 2 I believe so.

Q 3 When the witness refused to answer the question did the court rule that the question had to be answered.

A 3 "No"

Q 4 As the witness refused, and the court did not rule that he was compelled to, he was not under any obligation to answer, is that not right?

A 4 This I can not say.

Q5 You allowed the prosecutor to inform the witness that he could be punished for refusing to answer the question. Is that right?

A5 Yes.

Q6 As President of the court did you rule that the witness would answer the question.

A6 No

Q7 Capt. Costigan states on the Summary of Evidence that the accused was cross examined by the prosecutor. Then you, as President must have allowed the prosecutor to cross examine his own witness, is that correct?

A7 If it could be classed as such, as the prosecutor was trying to establish the fact that Pte Jarbeday opened the door.

Q8 Then do you agree that the witness was cross examined by the prosecutor.

A8 No

Q9 Would you say then, that the prosecutor and the witness were in full accord.

A9 Not fully.

Q10 Did you as President of the Court, declare the accused, a hostile witness

A10 No

Prosecutor re examines

Q1 Major Buckner, the court did not rule that the question had to be answered, but, did the prosecutor have any doubt as to the accused's obligation to answer the question?

A1 No. K.R. 83 (3) complied with

Second witness (For prosecution) — Capt H. D. Costigan 62 Can. Fd. Pt. Coy. R.C.A.S.C.

Questioned by Prosecution

Q 1 Was the accused, Pte Curtin a witness at that court martial?

A 1 He was.

Q 2 Did he reply to all questions put to him?

A 2 He replied in many cases, "I do not remember," and in two instances he refused to give the information requested.

Q 3 Will you tell the court in what instances he refused to answer?

A 3 When being examined by the prosecutor the accused was asked, "Who let you out" and he refused to answer. In the second case following repeated questions on examination, during which the accused admitted that he knew who pulled the bar of the door, the prosecutor asked, "Will you tell the court who let you out" or words to that effect. To this the accused refused to answer, adding, I will say this much, It was not Garbatany.

Cross-Examined by Defence

A 1 It is not correct. He was examined.

Q 2 Did you sign the Summary of Evidence?

A 2 Yes.

Q 3 Was the accused, then a witness, declared a hostile witness?

A 3 No he was not.

A 4 No the court did not.

Q 5 The charge before the court was against a Pte Garbatany, is that correct?

A 5 Yes.

Q 6 The accused definately made the statement. It was not Garbutary, is that correct?

A 6 That is correct.

Q 7 As a member of the court, was that sufficient information for you?

A 7 As a member of the court I felt that that answered the question.

Q 8 Then would you say that the question was not particularly revelant to the charge for that court?

A 8 The question was revelant

Q 9 were you not in a position to dispose of the charge against Pte Garbutary, without the witness answering that question?

A 9 We were put in the position of having to dispose of it without his answer.

Q 10 was the accused's evidence as a witness read to him?

A 10 It was not read to him in its entirety.

Q 11 The prosecutor warned the witness that he might be court martialled for refusing to answer the question, is that correct?

A 11 Yes.

Q 12 Did the court so warn him?

A 12 The court did not. - Re re-examination R.P. 73131 complied with.

"The accused declines to cross-examine this witness."

Question by the Court.

Fourth witness for the Prosecution — Capt H. G. Smith 1 Colrd Corps Troops Supply Coy R.E.A.S.C.

Having been duly sworn, states.

I am Capt H. G. Smith, and I was defending Pte Jarbatany at a Court martial in which Pte Juertin was a witness, held on 26 Dec 42. During the proceedings of the Court martial I heard the Prosecutor ask Pte Juertin, the accused whom I now recognise, whether or not he knew who had opened the door of the cell. The accused answered that he did know who it was. The Prosecutor then asked Juertin to give the name of the man in question, this, Juertin refused to do, the prosecutor then warned Pte Juertin that he would be committing an offence against the Army Act by refusing to answer a question at a Court martial. Pte Juertin replied that he was aware of that fact, and still refused to answer. The president of the Court martial also asked Pte Juertin and received the same reply. I, as defending Offier, also asked Juertin & he refused to name the man concerned.

"Accused declines to cross-examine this witness."

Question by the Court.

Q. What words, if any, did Pte Juertin use in his refusal to answer questions put to him by the Prosecutor, as to whether or not he knew who opened the door of the cell, and let him out?

A. He stated he knew, but that he would not be a "rat" and tell.

Q 4 Was he warned before he was asked a second time to answer?

a 4 He was warned that it was an offence against the Army Act to refuse to answer a question. He replied that he was aware of that.

Q 5 Who else besides the Prosecutor asked him to answer the question?

a 5 The court and myself.

Q 6 Did he still refuse to answer?

a 6 He refused on all cases

The Defence cross-examines.

Q 1 Are you sure the court asked him to answer?

a 1 Yes, the court asked & advised him to answer per re-examination R.P.93(a) complied with

5th.

Witness for Prosecution — Lieut WH. J. Friedman

1 Edn. Corps Troops Supply Coy. R.C.A.S.C.

Having been duly sworn states. — I was detailed to prosecute Pte Farbatany on a charge of assisting Pte Green & the accused, whom I recognize, to escape.

Question by the Prosecutor

Q 1 What date was that?

a 1 21 Nov. 42 was the date of the escape
26 Dec 42 was the date of the Court martial

Q 2 Were you Prosecutor that day?

a 2 Yes

Q 3 Was Pte Guertin a witness?

a 3 He was.

Q4 Did Pte Yuetin reply to all questions asked by you?

A4 He refused to answer certain questions

Q5 Would you tell the court the manner of that refusal and give an account of it?

A5 Yuetin admitted in reply to my questions that he was confined on 20 Nov 42 in the cell behind Coy H.Q. awaiting removal to Field Punishment camp. He also admitted that he and Green another prisoner with him, escaped on 21 Nov 42 with the assistance of some person who opened the door. I then asked him the question, "who let you out?" and he replied, "I refuse to answer that question." I questioned him further and he admitted that the person who let him out was someone with whom he had made a prior arrangement to assist him, that the bolt had been drawn and the door opened by this person who said "O.K. boys," and he recognized him and knew who he was. I then asked him, "will you tell the court the name of the person who opened the door and let you out." He replied again, "I refuse to answer that question." I reminded the witness that his refusal was an offence under the Army Act, I had previously warned him and read the section to him when he refused to answer questions on taking the summary of Evidence. He said, "you have threatened me before, and I am not a rat, and if the army wants it that way it's alright." I asked him if he would rather see an innocent man convicted and the

guilty go free, and pointed out that the Court may not be satisfied with his answer and refuse to accept his denial of Garbetany's guilt if he refused to answer to the question, but this appeal to him was not successful.

The accused declines to cross-examine this witness.

Question by the Court.

Q1 Can you remember if the Court asked the accused to answer?

A1 His reply to most questions by the Court was, "I don't remember."

Q2 Did the Court advise him to answer?

A2 The Court urged him to answer certain questions which would assist them in arriving at a conclusion.

Q3 When did you warn the accused that he was liable to be punished by not answering questions put to him during a Court Martial, and was it after he had refused the first time or the second time?

A3 I warned him on two occasions, first when the summary of Evidence was taken, and then at the Court Martial, after I had asked him the usual question.

Q4 Did he or did he not refuse to answer?

A4 He still refused to answer.

Q5 Was it at that time you read the section to him?

A5 I read the section when I took the summary of Evidence.

Re-examined by the Prosecutor

Q1 Would you have been able to put a better case before the Court, if Guertin had answered this question?

A1 If Guertin had told the whole story there could have been no doubt at the end of the case as to Garbetany's guilt or innocence.

Cross-examined by the Defence

Q 1 You say there could have been no doubt at the end of the case, is this Court to take from that, that there was doubt?

A 1 Quite, as Jarbat Amy was acquitted.

Q 2 You are then of the opinion that the witness's answer was necessary.

A 2 Yes.

Q 3 Then why did you not get a ruling from the court?

A 3 Having pointed out to the witness that in refusing to answer he was committing an offence under the Army Act, I felt I had done my duty both to the witness and the court who must make the decision as to whether the witness was in contempt of Court and should be prosecuted. So far as the Court's ruling that the answer was material was concerned, it was never suggested by the defending officer, or by anyone that it was not material.

Q 4 Is this, in brief your statement, that you did not ask the Court to make a ruling as to whether or not the witness was compelled to answer, and that in fact, they made no such ruling?

A 4 It is a fact that I did not ask the court to make a ruling, and the Court did not compell an answer, Guertin was my witness.

Q 5 Does the witness have to answer every question asked him?

A 5 No, but the answer requires elaboration.

Closing address by the Prosecutor

I must to draw the attention of the Court to details which I believe may be of interest to the Court. Under Sec. 28 Sub. Sec 4 of the Army Act, it states that every person subject to military law who commits any of the following offences; that is to say, Refuses when a witness to answer any question to which a Court Martial may legally require an answer, is subject to punishment under this act.

Sir, I think I have proved through witnesses, & the evidence of the accused has substantiated the fact that the accused did refuse to answer certain questions, I would suggest to the court that these questions had a direct bearing on the finding of the Court at the case at which they were asked, therefore, were questions that a Court Martial could legally require an answer. Had Gurtin been a friend of Barbatany it is quite understandable that Gurtin might have acknowledged knowing the guilty party, and asserted that it was not Barbatany in order to create a doubt in the courts mind & thus free Barbatany.

I respectfully submit Sir, that both charges on this case have been proven.

J. W. Leary, Major.
President.

Closing address by the Defending Officer

The accused is charged under section 28 and section 4, of which the important words are, a Court martial may legally require an answer. I would point out to the Court page 96 para 94. It by no means follows that because a person be competant to give evidence, he is therefore compellable to do so. In this case the accused is charged with refusing to answer a question to which a Court martial may legally require an answer. Major Buckner's evidence was to the effect that the accused was not notified by the Court that he was compelled to answer. The accused had every right to object and refuse to answer the questions asked. It was then for the Court to notify him that he was compelled to answer, and this was not done. There was no apparent discussion at that Court as to whether an answer could be required. This Court therefore must decide a question which should have been answered then. That is, was the accused's answer legally required. We can take it from the decision of the Court that it was not. One Pte Garbatany was on charge, all that Court had to decide was whether or not he let Pte Guertin out of the detention room. All the witnesses have agreed that Pte Guertin told the Court that it was not Garbatany that let him out. I submit to the Court that the case against the accused must be dismissed. Firstly because the Court Martial never did require the answer from him, and secondly because there was no apparent

necessity to obtain the answer in disposing of that case. It may be that the accused should have refused to answer in a different manner, that is plainly the privilege of not answering from the Court. The prosecution, I submit in this case, has failed to prove any part of the charges other than that the accused did refuse to answer.

Guertin, U., while giving evidence as a witness was asked by the prosecuting officer if he knew and recognized the person who opened the door of the cell and let him out. The witness replied "Yes". He was then asked by the prosecuting officer to name that person. This he refused to do, adding, "I will not be sent, and if this is the way the Canadian Army is being run it is alright with me". He was then reminded by the prosecuting officer that he was liable to be punished for refusing to answer a question. Guertin then replied "You have threatened me with that before". Guertin was again asked by the prosecutor to name the person who let him out and he refused to do so.

He was cross-examined by the prosecution giving in reply to a number of questions, the answer "I don't remember". The prosecution did through a series of questions, obtain from Pte. Guertin the information that he knew who opened the door and that the party opening the door said "O.K." (The above should read "pulling the bar"). The prosecution pointed out to Pte. Guertin that his failure to name the party might lead to an innocent man going to Detention. Pte. Guertin made no direct reply that I recall. The prosecution then stated "You realize that you may be Court Martialled if you persist in refusing to name the individual" - To this,

Guertin replied, "Yes, you have threatened me with that before, but I will not be a rat". I will say this much however, It was not Zarbatany".

Fifth Witness Prosecution

Lieut. M.I. Friedman, Cdn C.T.Sup Coy, having been duly sworn, states as follows:

"I am Lieut. M.I. Friedman, of Cdn C.T.Sup Coy. I was ordered to take summary of Evidence and prosecute the case against Pte. Zarbatany I came to Headley Downs in the course of taking of Summary, to obtain the evidence of Ptes. Green and the accused, Guertin, whom I now recognize. At that time, the accused refused to answer certain questions and refused to disclose the name of the person who opened the door of the cell from which he and Green escaped. Zarbatany was accused of assisting the prisoners to escape. I warned Guertin that in refusing to answer before a Court Martial, he was committing an offence under the Army Act, and read the section to him. He persisted in his refusal. On 26 Dec 42, at 1 Cdn C.T.Sup Coy., Pte. Zarbatany was tried before a Court Martial on the charge mentioned. The accused was a witness. All the evidence for the prosecution was given in answer to the questions which I put to the witnesses, but as there was no short hand writer, it was taken down in long hand in the form of a summary. I first established from Guertin the fact that he and Green were on the 20 Nov 42 confined in the detention cell behind Company Headquarters, 1 Cdn C.T.Sup Coy and that they escaped sometime after midnight on 21 Dec 42 with the assistance of some person who drew the bolt on the door. I then asked Guertin the question, "who let you out?" He answered, "I refuse to answer that question, but one thing sure, Zarbatany didn't". I further questioned the accused, and he admitted that the person who opened the door was a person with whom he had made an arrangement the day previous to assist him, that the person in question looked in and said "O.K. boys" and that he recognized him andknew who he was. I then asked the accused "Will you tell the Court the name of the person who opened the door and let you out". He said, "I refuse to answer that question". I reminded him that he was committing an offence under the Army Act in refusing to answer. He said "You have threatened me with that before. I'm not a rat. If the army wants it that way, alright". I pointed out to him that the Court might not be able to accept his evidence in favour of Zarbatany if he did not disclose the name of the person, but he would not answer the question.

Pte. Guertin declines to cross-examine the witness.

FIRST WITNESS: Octave LUPONT, Adjoint Commissaire, Bruges Police, sworn states:

"I am Octave LUPONT, an Assistant Commissar of the Bruges Police. On Thursday, 28 September, 1944 about 6 o'clock I met two Canadian soldiers drunk in Academie St. They both had revolvers in their hands and were menacing people. The accused was one of these men. In Spanish Street they both went into the house of the lawyer Neate. While they were in the corridor of the house I took the revolvers from them and took them to the police station. The accused was dead drunk but not as violent as the other soldier. The accused had no wounds."

Octave LUPONT,
Adjoint Commissaire,
Bruges Police.

The accused declines to cross examine this witness.

SECOND WITNESS: Mme. Werner ROELS, 21 Rue de la Academie, Bruges, sworn states:

"I am Mrs. Werner ROELS, 21 Rue de la Academie, Bruges. On the 28 September, 1944 between 6 and 6.30 two Canadian soldiers entered my shop, drunk. The accused went to the counter, put his elbows on the weighing machine. The accused went to the ham machine and began shaking it for all his worth and then he went away from the ham machine and followed my husband, took hold of him by his shoulders and wanted to shove him against the wall. I asked my husband to go away. My husband then ran away followed by the accused, into the residential part of the store and but the private entrance into the street. That is the last I saw of the accused. The other soldier went to follow and fell down and I was then occupied with him. My weighing machine was broken, but this was done by the other man. The accused was dead drunk but not as violent as the other men. The accused did not take any money. This accused I could have calmed better than the other one. This accused did not menace me with a pistol."

Mme Werner ROELS
21 Rue de la Academie,
Bruges.

The accused declines to cross examine this witness.

THIRD WITNESS: Mon. Werner ROELS, 21 Rue de la Academie, Bruges, Sworn states:

"I am Mr. Werner ROELS, 21 Rue de la Academie, Bruges. On 28 September, 1944 between 6 and 6.30 two Canadian soldiers drunk, entered my shop in Academie street. I was there with my wife when the soldiers entered. One of them fell on the window ledge and the accused stood in the middle of the shop. The one that fell stood up and they both went to the counter and put their elbows on the weighing machine. When I asked the accused to remove his elbows he did so and went to the beer machine and shook it so much I thought it was done for. I went to the soldier telling him to leave it alone and then I sent behind the counter. The accused followed me and shoved me against the wall. I ran away into the residential part of the house and by the private entrance into the street. The accused followed me. As I was asking someone in the street for help I saw the accused was following me so I ran back into my house. The accused did not follow me. The accused was drunk but not so violent as the other soldier. The glass of my weighing machine was broken and the indicator bent but I don't know by which soldier."

Mon. Werner ROELS
21 Rue de la Academie,
Bruges.

The accused declines to cross examine this witness.

QUESTION TO THE ACCUSED: "Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say, or any evidence you give will be taken down in writing and may be given in evidence".

A. I want to make a statement.
Q. On oath or not on oath?
A. On oath.

Captain G.M.Morrison, Nth N S Highrs att HQ 5 Cdn Armd Div.

The order convening the court, the charge-sheet, and the summary of evidence are laid before the court.

The court satisfy themselves as provided by Rules of Procedure 22 and 23.

The accused is brought before the court.

Prosecutor:-Capt.R.D.J.Weathersbee, 11 Cdn Inf Bde Coy RCASC.

Defending Officer:-Capt.J.F.Jensen, 11 Cdn Inf Bde Coy RCASC.

The order convening the court is read in the hearing of the accused.

The accused does not object to the President, or any member of the court.

The court, the judge advocate, and the following officer under instruction, are sworn:-

Lieut.T.L.Williams, 5 Cdn Lt A A Regt RCA.

The accused does not object to K-57793, S/Sgt.J.R. Mahood, CMSC, HQ 5 Cdn Armd Div, acting as shorthand writer.

The shorthand writer is sworn.

The accused does not object to D-115558,Cpl.G.Cardinal, 11 Cdn Inf Bde Coy RCASC, acting as interpreter.

The interpreter is sworn.

The accused answers his name and number, and is arraigned on the charges. Charge-sheet marked "C" signed by the President, and annexed to the proceedings.

PLEA The accused pleads guilty to the charges.

R.P.35(B) is complied with.

FINDING — The court find the accused, D-57114, Dr.Gerard Guilbault, 11 Cdn Inf Bde Coy RCASC, is guilty of the charges.

The summary of evidence is read, marked "H" signed by the President, and attached to the proceedings.

EVIDENCE AS TO CHARACTER, ETC. — Capt.R.D.J.Weathersbee, 11 Cdn Inf Bde Coy RCASC, the Prosecutor, sworn, states:--I produce M.F.B.355 and certified copy of M.F.M.6 relating to the accused, which I have compared with the regimental books, and which are true statements as to character and particulars of service of the accused. (Documents read, marked "Y" and "Z" respectively, signed by the President, and attached to the proceedings).

No cross-examination.

The accused does not apply to make a statement or give evidence, or to call witnesses in mitigation or as to character, but desires that the Defending Officer make a plea in his behalf.

Defending Officer:--I would like to say on the first charge that the guard on that post have no particular guardroom, the corporal sleeps at a different place than the rest. The accused was not to be posted until some time after supper and he figured he would go down and have a few drinks, not having a regular guardroom or knowing where the Cpl was. After having had these few beers he went back and was going to stay on post, but there was a chap there that he talked into taking over the post, and he again left.

As you can see from the summary of evidence there is a certain amount of family trouble there. As I say he had been drinking and thought that as long as there was somebody on that post he couldn't get into any trouble. Went back up to the pub and stayed there. As I said before there is a certain amount of family trouble there between the two brothers and I have no doubt there was a certain amount of trouble in civilian life. One brother is a Sgt and orders the other around. The accused is very high strung and very quick tempered and when accused of those things he figured his brother was picking on him, and I believe that if he had been left alone he would have gone to bed and behaved himself, but he was ordered around and ordered around, and being high strung he started flailing his arms around and accusing people of trying to ride him. I don't think any of this was necessary.

The accused has tried to get away from this particular brother, to be transferred to a different pl but cannot seem to do so. I believe that if he was transferred to a different pl and given a chance he would not have been brought up on these charges. I think that if the court take this into consideration they will see that this lad deserves a chance.

The court is closed for the consideration of the sentence.

SENTENCE The court sentence the accused, D-57114, Dr.Gerard Guilbault, 11 Cdn Inf Bde Coy RCASC, to undergo detention for Ninety (90) days.

CERTIFIED A TRUE RECORD OF THIS TRIAL, this 10th day of February, 1943.

SUMMARY OF EVIDENCE in the case of No. D.57114 DVR. GUILBAULT, G. of the 11 Cdn Inf Bde Coy R.C.A.S.C. 6 Cdn Armd Div.

By direction of the Commanding Officer the Summary of evidence is taken on oath.

1ST WITNESS FOR THE PROSECUTION D.115441 Sergeant GUILBAULT, R.J.O. of the 11 Cdn Inf Bde Coy R.C.A.S.C. having been duly sworn states:

At 20.05 hrs, on the 30th of January 1943, I passed by the vehicle park to see if Dvr. Guilbault was on guard as I had to see him in regards to taking a jeep off his charge and turning it over to Dvr. Hubley. On arriving at the vehicle park I found Dvr. Regan on guard duty. As a result of information received, I went to the public house and found Dvr. Guilbault under the influence of intoxicating beverages. I asked him what he was doing in the public house, he replied "Someone else was on his post and he paid five shillings to be replaced" I asked him to go back to his post, he replied "I have paid someone to take over my post on guard duty". This was about 2100 hrs. I then left him in the public house because I realized due to his intoxicated condition it was no use to try and get Dvr. Guilbault out of the public house and thereby creating a disturbance.

The next time I saw Dvr. Guilbault was outside of the Orderly Room at Coy H.Q. at 2210 hrs. He was walking towards the Nisson hut which is in the rear of Coy.H.Q. orderly room. I asked Dvr, Guilbault where he was going but he did not answer, so I told him to return to his billets.

I then went to the Orderly Room and in company with Cpl. McCubbin who was Coy.H.Q. Duty N.C.O. proceeded to make a tour of the barracks to check the roll call and lights. As we passed by the vehicle park on our way to the hut behind the Officers' Mess, Dvr. Regan who was on guard challenged us and right after this I heard another voice challenge us. I recognized the voice of Dvr. Guilbault, we approached the guard and looked around with the aid of a flashlight and saw Dvr. Guilbault with his greatcoat on but no hat. I said to Dvr. Guilbault whom I recognized "What are you doing here" he replied "I am taking my post on guard duty". So seeing that Dvr. Guilbault was in no condition to go on guard duty I ordered him to his quarters. Dvr. Guilbault then said "Here" to Dvr Regan as he handed him five(5) rounds of ammunition, after which Dvr. Guilbault went to his quarters.

The Accused declines to cross examine the witness.

2ND WITNESS FOR THE PROSECUTION B.92073 Driver, REGAN, W.P. of the 11 Cdn Inf Bde Coy, R.C.A.S.C. having been duly sworn states:

At 2010 hrs, 30th January 1943, I was in my quarters when Dvr. Guilbault entered and asked me to take over his guard duty for a while. I said "O.K" as I was not doing anything I would do it. As Dvr. Guilbault walked out of the hut he threw two shillings on my bed. I went on guard duty till I was relieved at 2315 hrs. During that time Sgt. Guilbault came and asked me where Dvr. Guilbault was. At about 2230 hrs Dvr. Guilbault returned to do his guard duty and while he was standing close by I heard someone approaching. I challenged the persons approaching and I heard the ~~rxi~~ reply "Cpl. McCubbin", as Cpl. McCubbin came closer I recognized Sgt. Guilbault who was with him. Sgt. Guilbault spoke to Dvr. Guilbault in French. Dvr. Guilbault then said "Here Regan" and gave me five rounds of ammunition which I had given him on his return. I was in possession of Dvr. Guilbault's rifle which I was using whilst taking his tour of duty for him and when Dvr. Guilbault came up to me I assumed he had been drinking so I took the bolt rom the rifle and put it in my pocket.

Exhibit "B"

It was about 2235 hrs when Dvr. Guilbault returned to his quarters, after Sgt. Guilbault had ordered him to do so.

Does the Accused wish to cross-examine the Witness.

"Yes"

Question 1. When I came to ask you to take my place on guard did I appear to have been drinking.

Answer. I wouldn't say Dvr. Guilbault was drunk but he appeared to have been drinking and when I went with Dvr. Guilbault to his post he offered me a drink from a bottle which he took from the back of a jeep.

SUMMARY OF EVIDENCE in the case of No. D.57114 DVR. GUILBAULT, G. of the 11 CDN INF BDE COY R.C.A.S.C. 5 Cdn Armd Div.

By direction of the Commanding Officer the Summary of evidence is taken on oath:

1ST WITNESS FOR THE PROSECUTION

D.115441 Sergeant GUILBAULT, R.J.C. of the 11 Cdn Inf Bde Coy R.C.A.S.C. having been duly sworn states:

At 2220 hrs on 30 Jan 43 I was in company with Cpl. McCubbin in the men's quarters behind the Officer's mess. I told Dvr. Guilbault to go to bed and I had to order him to go to bed so Dvr. Guilbault stood up and came over to the centre of the hut and said "You have something against me" I then ordered him back to his bed and he pushed me with his hands this knocked me back a little, I then ordered Dvr. Kenig the Regimental Police to place Dvr. Guilbault under close arrest. At this time Dvr. Kenig the Regimental Police was in his bed and by the time he got up and dressed, I walked out of the hut and as I did I heard Dvr. Guilbault voice which I recognized saying " You are going to put me under close arrest but you are going to put me under close arrest for something" I was just on the outside of the hut when this happened and I turned around as I heard someone approaching me, I turned my flash-light on the person and recognized Dvr. Guilbault. With the light turned on Dvr. Guilbault it made it hard for him to see where I was, I turned off my flashlight and stepped back a couple of paces and he went right past me.

I then returned to my quarters at Coy H.Q. with Cpl. McCubbin, this was approximately 2255 hrs. As soon as I opened the door to enter the quarters, I saw Dvr. Guilbault running down the stairs from my room. I ordered Dvr. Guilbault back to his billets, At that time I started to go up the srairs to my room and I saw Dvr. Guilbault was following me and seemed to be looking for an argument. I was on the second step of the stairs and Dvr. Guilbault came over and pushed me over, I then walked into the Orderly Room and ordered the Corporal of the guard to send Dvr. Guilbault to his billets, The Cpl. of the Guard tried to convince Dvr. Guilbault to return to his quarters and he did not seem to do as he was ordered. So L/Cpl. Birnie laid his hand upon Dvr. Guilbault's shoulder and said "Go back to your quarters". Dvr. Guilbault turned around and struck at L/Cpl Birnie. L/Cpl. Birnie tried to protect himself, but was not very successful and turned to me and said"I can't do anything" As L/Cpl. Birnie said this Dvr. Guilbault jumped at L/Cpl. Birnie and struck him in the face with his left hand. I left the scene at that time as my presence seemed to antagonize Dvr. Guilbault and I thought he could possibly handle him better if I got out of the way. I walked up the stairs to my room and was standing in front of the fireplace when the door was flung open and Dvr. Guilbault said "Your going to pay for that" At this time Dvr. Kenig the Regimental Police came into the room and he took charge of Dvr. Guilbault. During the time of all these happenings Dvr. Guilbault in my estimation was under the influence of intoxicatants, although he was fairly steady on his feet.

The Accused declines to cross examine the witness.

2ND WITNESS FOR THE PROSECUTION D.115576 Corporal McCUBBIN, D. of the 11 Cdn Inf Bde Coy, R.C.A.S.C. having been duly sworn states:

I was on duty as Duty N.C.O. at Coy H.Q. on Saturday January 30th, 1943. At 2200 hrs Sgt. Guilbault stated that he would accompany me when I made Tattoo Roll Call. Sgt. Guilbault and myself proceeded to do this at 2215 hrs. On arriving at Coy. H.Q. Vehicle lines we found Dvr. Regan and Dvr. Guilbault there, Sgt. Guilbault asked Dvr. Guilbault what he was doing there. Dvr Guilbault replied "He was taking back his post on guard duty from Dvr. Regan whom he had asked to replace him" Dvr. Guilbault appeared to be under the influence of intoxicants, and Sgt. Guilbault ordered him to his quarters.
On arriving at the quarters behind the Officer's mess, I proceeded to call the roll. Dvr. Guilbault assumed a threatening attitude towards Sgt. Guilbault stating that "If he was going to be put in, he was going to be put in for something good. As Sgt. Guilbault and myself were preparing to leave Dvr. Guilbault pushed Sgt. Guilbault and Sgt. Guilbault then ordered Dvr. Kenig the Regimental Police to place Dvr. Guilbault under close arrest, and also warned Dvr. Guilbault for Orderly Room Monday morning.
Sgt. Guilbault and myself then left the hut and stayed in the vicinity of the hut for a few minutes because upon leaving we heard someone slam the door and saw the blackout fall down. Also loud talking ensuing from inside the hut. At 2240 hrs Sgt. Guilbault re-entered the hut and asked Dvr. Guilbault why he was not undressed and in bed as it was then past time for lights out. I was standing just inside the door when this took place. We left the hut then and Dvr. Guilbault followed us outside. Dvr. Guilbault could not see us in the blackout although he seemed to be looking for Sgt. Guilbault and myself. I recognized it was Dvr. Guilbault as he came out of the hut which was still lighted inside. Sgt. Guilbault and myself then returned to the Orderly Room at Coy H.Q. When opening the door to enter I perceived Dvr. Guilbault coming down the stairs from the Sgts' quarters, Dvr. Guilbault assumed a threatening attitude towards Sgt. Guilbault and struck him once. Sgt. Guilbault called L/Cpl. Birnie, Cpl of the guard to come and take Dvr. Guilbault to the guard room. L/Cpl. Birnie came out from the guard room and tried to persuade Dvr. Guilbault to go with him to the guard room quietly. Dvr. Guilbault and L/Cpl. Birnie then came to grips and L/Cpl. Birnie with Dvr. Kenig who had then arrived took Dvr. Guilbault into the orderly room. At this time Sgt. Guilbault was on the stairs leading to his quarters. I returned upstairs to my quarters as did Sgt. Guilbault. I entered Sgt. Guilbault's room and shortly afterwards Dvr. Guilbault came running up the stairs and entered Sgt. Guilbault's room and threatened him again, pulling back his arm threatening to strike although he did not strike him. Dvr. Kenig the Regimental Police arrived on the scene and took Dvr. Guilbault in charge.

The Accused declines to cross examine the witness.

Shortly after this Sgt Guilbault and Cpl. McCubbin left the hut and a few minutes later Sgt. Guilbault re-entered the hut. Sgt Guilbault again spoke to Dvr. Guilbault in French, then turned to me and ordered me to place Dvr. Guilbault under close arrest. During the time I was dressing Dvr. Guilbault left the hut.

As son as I had dressed I went out to the vehicle park were I found Dvr. Regan on guard duty. I asked him if he had seen Dvr. Guilbault, he replied "No" I then proceeded to the Orderly Room and found Dvr. Guilbault with C.Q.M.S. Pelletier and L/Cpl. Birnie who was Cpl of the guard. Dvr. Guilbault walked out of the Orderly Room with me to proceed over to the guard room and he got away from me and ran up the stairs. I followed him up the srairs leading to the Sergeants' quarters and found Dvr. Guilbault in Sgt Guilbault's room. Dvr. Guilbault was speaking to his brother in French and as I do not understand the language I do not know what was said. I then took Dvr. Guilbault to the guard room.

(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(2), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(3)

(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). MEDICAL OFFICER'S REPORT

I certify that I have this morning examined Regtl No D.106.214
Rank Pte Name GUILBEAULT J Unit R.22eR
and that he is in a fit state of health to undergo
trial by Court Martial.

Date 14 Dec/44

Signature of Medical Officer

D10621 A/Sgt Guildhall Joseph Rank having been duly sworn states:-

E.1. When I ordered to be sent to my unit, the W.O. at 7 Pers. Con Pool said it was impossible; after I protesting was told a home as School unit that I could go for 12 months; I then went to W.A. where I enlisted. Shortly after I returned to my field unit and remained home. I returned overseas 4th Aug 41 Dieppe and left there 18th July 42 surrounded with shortage, returned to there in Oct 42. Since with short continually until I left 4th Nov 43 when I was wounded again near Reninghelst. Since leaving the Pool, I have only been away from my unit the two times when I was wounded.

Prev. declines to cross-examine the witness

Questions by Court.

Q- Have you ever asked for leave?

A- I asked on the 4th Nov 42 at Div Headquarters, but was told on account of shortage not to go. I did not ask for a pass while in England Camp.

Q- Did you know that you could request leave from the Pre. Commander if refused by your Coy. Comm.

A- No Sir.

(RP.633 complied with.)

Summary of Statement in
Mitigation of Punishment

F. 3. Accused has had 4½ years service during which he has seen action in Sicily and Italy and has been twice wounded.

His M.F.M. 6 shows a very creditable record during that time.

He asked the M.O. at 1 Base Depot to be sent back to his unit but he was apparently not medically fit to leave the Convalescent Depot for active duty.

He states that he had not had leave for a year and that he wanted to get back to his unit so he could get leave. Since he was apparently going to be "stuck" in 1 Base Depot for some time he took two weeks leave on his own.

Because of his long service with

E3 his regiment, his good record as evidenced by his M.F.M.G and the fact that he has been twice wounded and was not fit for active duty at present I submit that the punishment of the court be no more than what might be awarded by the commanding officer had he chosen to try the case.

W.R. Young A/Capt
Defending Officer.

Gentlemen of the Court

Pte Guilbeault enlisted July 43, came to England June 44 and landed in France July 44
He is wounded in Belgium at the end of oct 44 and evacuated for six weeks in Hospital in England.
He came back as reinforcement at 2 CBRG, felt sick and after ~~trying~~ stating that he was souffring of sore feet & still had pains by his wounds, the M.O. did not listen to him, so he went away.
I have to say to this court that this soldier has a clean conduct sheet and he is well trained and ready going back on the front as an Infantry man. He regret his mistake and he promess never be AWL again.
I ask the court to do his best for helping him going on the right way and so by a light sentence.

Exhibit "A" to Statement of Capt. W.D. Kennedy 11 March 1945

D-157824 Pte Jean Louis Guilbault, Regt. De Maisonneuve, 6th Bde. 2nd Can Inf Div.

I have been cautioned by Cpl Granger A.W. S.D.S., Can Pro Corps that I need not say anything unless I wish to do so, but that anything I did say would be taken down in writing and may be used as evidence. I understand this caution and make the following statement voluntarily

(Sgt) Guilbault. J.L.

I am 25 years old, I joined the Can Army on 7 July 1943. I took my basic training at Sherbrooke Que, and advance training at different places in Canada before coming overseas to U.K. on 6 June 1944. I only stayed in England approx 6 weeks before coming to France about the end of July 1944 as a reinforcement for Regt de Mais. I stayed with the regt until 29 Oct 1944 when I was wounded and sent back to Eng. to 9 Can Gen Hosp. Aft[illegible] I was in Hospital I had seven days leave and on returning from leave reported to the holding unit at Witley. I was only in holding unit a short time before I was sent back to Europe to 10 Batt. 2 C.I.R.G. at Gent. I don't remember the date I landed at Gent but it must have been about the end of November.

On the morning of 6 Dec 1944 I was on a back parade with 52 coy, 10 Batt. On the way to the back lines I decided to go A.W.L. When I left the parade I went to a friends place in Gent and stayed there for about a week.

After that I decided to go to France to see some friends that I had made on my way through with my Regt. I first went to Bourbourg where I stayed for two (2) weeks. From there I went to Paris where I stayed for only two (2) days before I went to Dieppe where I stayed for four (4) days. From there I went from one place to another and ended up in Bourbourg and was arrested by the Czech Military Police on 22 Jan 1945 at about 0800 hrs in the morning. I was taken back to their H.Q. at Capelle, France where I remained for 18 days before I was picked up by the Can Military Police and brought back to Lent.

My only reason for going A.W.L is that I was fed up with the way I was being treated (N.Y.A.) in the army and wanted to live like a man for awhile.

I have been cautioned by Cpl Granger A W SIS Cdn Pro Corps that I need not say any thing unless I wish to do so, but that any thing I did say would be taken down in writing and may be used as evidence. I understand this caution and make the following statement voluntarily.

(Sgd) Guilbault J L"

I am 25 years old, I joined the Cdn Army on 7 July 1943. I took my basic traiing at Sherbrook Que, and advance training at different places in Canada before coming overseas to U K on 5 June 1944. I only stayed in England appros 6 weeks before coming to France about the end of July 1944 as a reinforcement for Regt De Mais. I stayed with the regt until 29 Oct 1944 when I was wounded and sent back to Eng. to 9th Cdn Gen Hosp. While I was in Hospital I had seven days leave and on returning from leave reported to the holding unit at Witley. I was only in holding unit a short time before I was sent back to Europe to 10 Batt, 2 CBRG at Gent. I don't remember the date I landed at Gent but it must have been about the end of November.

On the morning of 5 Dec 1944 I was on a bath parade with 52 Coy, 10 Batt. On the way to the bath house I decided to go AWL. When I left the parade I went to a friends place in Gent and stayed there for about a week. After that I decided to go to France to see some friends that I had made on my way through with my Regt. I first went to Bourbourg where I stayed for two (2) weeks. From there I went to Paris where I stayed for only two (2) days before I went to Deippe where I stayed for four (4) days. From there I went from one place to another and ended up in Bourbourg and was arrested by the Czech Military Police on 22 Jan 45 at about 0800 hrs in the morning. I was taken back to their HQ at Esquelbec, France where I remained for 18 days before I was picked up by the Cdn Military Police and brought back to Gent.

My only reason for going AWL is that I was fed up with the way I was being treated in the army and wanted to live like a man for awhile.

Plea in Mitigation

No 17056 Pte Smithson A.

1. The accused has served for over three years and his record shows one rather minor entry on his A.F. B. 196. A good record I think.

2. The crime charged against the accused can hardly be considered an extremely serious one. In fact it could have been laid as a simple case of Out of Bounds.

3. In passing sentence I would respectfully ask that the court take into consideration Pte Smithson previous good record and the degree of seriousness of the crime charged.

E- 47451 Cpl GUIMOND R

I wish to give in a chronological order a summary of events leading to the charges against the accused.

On 16 Jan 45, the accused, Cpl Guimond, was reported AWL from morning parade at 0730 hrs. At about the same time, Spr Talbot, driver of WD veh No CL 4270030 noticed his vehicle was missing from the car park where he had left it the previous day.

At about 0900 hrs, the same day, the accused and two other soldiers, namely Spr Mongeau and Spr Lavoie were seen coming into the coy lines in the vehicle that had been missing. No authority had been given them to use that said vehicle. The accused and the two other soldiers were placed under open arrest. This covers charges (2) and (3)

As for charges (1) and (4), these are the events.

On 23 Jan 45, at 2000 hrs, the coy orderly corporal checked the CB list and noticed that the accused along with Spr Mongeau, who were under open arrest, and therefore CB were now AWL.

On 24 Jan 45 at 1015 hrs Spr Bland J P, driver of vehicle No CL 4270198 noticed his vehicle was missing from the car park where he had left it the previous day at 1600 hrs.

(2)

At about 1730 hrs on 25 Jan 45, the accused and Spr Hongsan were seen by two witnesses, near the car park where the said vehicle had been left, and were seen to enter a 60-cwt. At the same time, another witness saw two soldiers unknown to him enter a 60-cwt, start the motor and pull out of the car park. ~~The~~ These witnesses only saw one vehicle leave the car park at that time, and no authority was given for any vehicle to leave the coy lines at that time.

I recognize the accused. His name is Cpl Guimond. On 25 Jan 45 when I came back from work around 1700 - 1740 hrs Cpl Guimond was coming in to get in a truck. Cpl Guimond and Sgt Mangeau did get in a truck. I heard the motor start. Sgt Mangeau was at the wheel. I did not see the veh drive off. I was with Pvtes Martin, Lavigne when I saw the accused enter the veh. I cannot tell if they were in a position to see what I saw about the veh. I was about 40 ft. away when I saw the accused enter the veh. The others were entering the car park with me. I did not notice where the others were.

Cross Examination.

On 25th Jan we had supper between 1730 and 1740 hours. When we come back from work we go to supper - not to our billets to wash up. We got out of the car after coming from

work and go quickly to supper. We do not frequently run to supper to get in line for an early supper. That night it was clear and bright enough, but not as clear as daytime. I did not have a watch

5th Witness for the Prosecution

6 49358 - Spr Lavigne P. J. - 3 Bon RCE having been duly sworn states:

We usually come back from work around 5:30 p.m. On 25 Jan 45 when coming back from work we saw a truck coming out of the parking lot. I did not see who was in the truck. There was only one truck leaving the parking lot. I was on the same truck as Spr Lessard coming in. He got in the house before I did

Cross Examination:

Spr. Lessard got out of the truck and ran into the house. Every night they got out of the truck and run to the house on the double.

Re examination:

I did not see Spr. Lessard run. He must have run.

By the Court.

I saw a big truck. I've been in the army 3½ years. It is the biggest type truck we've got. It is a "60". To me it was just a truck. I don't know if it belonged to our Coy. or Bn.

6th Witness for the Prosecution

F 5703 Spr Pineau A., 3 Bn RCE having been duly sworn states:

On 25 Jan 45 coming back from works I did not notice anything particular in the car park. I know the accused. I saw him on the road when we were coming back that night. He was with someone else; I don't know who. I saw no veh leaving the car park. I heard no veh starting. I saw no veh in the car park being started. There was a veh in there. When I got out of the veh we all ran into the billets.

No Cross-examination

By the Court.

Cpl Grimond was about 25 yds from the car park when I saw him. He was walking towards the car park on the highway.

RP 83(B) complied with.

7th Witness for the Prosecution

E 28435 Spr Martin G., 3 ~~Sig~~ Sqn. RCE having been duly sworn states:

On 25 Jan 45 I was with Sprs Puisan, Lavigne & Lessard. When we came back from works I saw a veh leave the veh park. Two men in it; that is all. I do not know who went into the car. I saw them get in, start the veh and leave the car park. I know the accused. I did not know him at that time. I did not remember seeing him 25 Jan. I do not recognize the 2 soldiers who got into the veh. That was the only veh I saw leave the veh park. I was just walking through the veh park. I saw only one veh going out.

No cross-examination:

By the court:

I do not know if it was a 10 or 6 cwt. I did not think it unusual about 4 or 5 days I was questioned about it. I remembered then. I think there were 2 other vehs in the park. I just remember a veh pulling out. I do not know if Sprs Puisan, Lavigne and Lessard

were ahead or behind me. We got off the same truck.

RP 83(B) complied with.

8th Witness for the Prosecution

L 19778 Spr. Rallon A.R. B Coy 3 Bn RCE having been duly sworn states. I am a driver at B Coy. My veh is No. ~~CC 47200~~ CC 427 0030. My veh was missing on 15 or 16 Jan. I left it about 0910 hrs. I noticed it was missing the next a.m. at 0730. I did not check to see if it was there between those times. I reported it missing to Tpt Cpl, Cpl Coto. We both looked for it. It was brought back the same a.m. I don't remember the time. I recognize the work ticket as mine. It was one I had the time the veh was missing. At 9 o'clock the mileage reading was ~~6757~~ TDN 6761. I recognize the other work ticket. The mileage reading is 7024 when the veh came back. Total miles travelled 263. But I did a road test of 10 miles before that. So the miles travelled while it was away was 253. Ex A and Ex B produced.

Ex A is Work ticket S 14/2.
Ex B is Work ticket S 14/3.

Cross examination:

I got "Ex A" from the log Book in the Cpls Office. I don't remember if I did any work between 12 and 15 Jan. At that time it wasn't running good. It doesn't happen very often if we have an inactive truck for 3 days. It happens very seldom. It is my truck. No one else would drive it. I can't remember. On "Ex B" the first item marked cancelled was the trip I was supposed to make when I found my truck was missing. I did not see my truck between 0900 hrs one day and 0730 hrs the next day. I didn't look for it between those times. I don't know whether it was there or not.

Re-examination:

My truck was not running very well before that date. On 12 Jan it was at LAD. I can't remember if it stayed there or came back the next day. I always enter the mileage and time in the log book each day.

By the Court.

I found the vehicle later than 0730 hrs the same a.m. It was where I had left it.

RP 83(B) complied with.

9th Witness for the Prosecution

C 24819 Cpl Cote J.P. 3 Bn RCE having been duly sworn states:

I am B Coy Tpt Cpl. On 16 Jan 43 Spr Rallon reported that his veh was missing. I searched for it. I couldn't find it. I reported this fact to Lieut. Lavergne, my Tpt Offr. No authority was given to use Spr Rallon's veh DO CL 4270030 at that date after the days work on 15th around 1700 or 1800 until the next a.m. I recognize Ex A. 6761 miles represents the mileage at the end of the day, Jan 15th at night. I started work ticket Ex B. The mileage was read when the veh was returned and had a road test. It is 7014

No Cross examination.

By the Court:

I did not see the veh come back. Checks are made on the veh park during the hours of darkness. The guard did not report any veh missing to me. I was in Camp that night. The guard did not report any veh leaving the

Veh park without authority.
RP 83(B) complied with.

10B Witness for the Prosecution

Mlle Jeanne Deschamps, 80 rue Malebrant, Ixelles, Bruxelles, having been ~~duly~~ sworn states:

I saw a truck going out at 1730 hrs 11 Jan 45 before the guard was on. I certify that this truck had nothing in it; ~~I know~~ a Cpl, Jacques Morgeau and Lavoie were in the veh. You have told me the name of the Cpl a few minutes ago. He is ~~not~~ in the other room. I remember well. I would not know him by sight. By hearing his name I would know. You have said the name a few minutes ago. I am sure there were 1 Cpl and 2 soldiers in the vehicle.

The veh was going towards Brussels.

No Cross examination:

By the Court:

I did not talk to any of the men in the truck. I was 20 metres away from the truck.

RP 83(1) complied with.

11th Witness for the Prosecution

I recognize the accused. On 15 Jan 45 I took the guard at 1500 hrs and ~~on the~~ at 8 a.m. of the 16th The Sgt Major woke me up and told me a lorry was missing. During my tour of duty from 1500 hrs to 2200 hrs. no veh left the park. I looked around the N.T. and I saw a veh coming in. This about 0905 hrs. It came in the parking area and backed up and I saw Spr ~~Heard~~ Morgeau getting out of the drivers seat. I saw Spr Guimond and Lavoie getting out of the front of the veh. I went over to the Office and repeated to Capt Richard. Spr Berube and Spr Litalien were near me when the veh came in.

Cross examination:

I was on duty from 1800 hrs 15 Jan to ~~2200~~ 0600 hrs 16 Jan. I was on guard

Sprs Guay H, Godbout, R, Litalien, M, and
Sgt Smith witnesses named in the Summary
are not called by the Prosecution and the
Defence does not require those witnesses in
Cross-examination.

Submission by the Defending Officer

The defence feels it should ask the Court to consider the following. 1st charge of stealing: The Pros. has only 1 witness who can identify the accused as having got into a veh. No witnesses who saw the veh drive off with the accused in it have been produced. There was a veh which drove off about the same time. One witness who identified the accused was running to get supper. He could easily have mistaken the identity of the person who got into the veh. Reads R141 - stealing. There is no intention here to steal. The evidence on 2nd charge is very flimsy. Spr Levesque JH is very positive no veh left the Park. Only 1 witness has been able to say that Spr Hongean the accused was in the veh when it returned. He was not driving. There is no evidence that there was no auth for Spr Hongean not to have the veh.

Reply by Prosecution:

Only one witness saw the accused drive off. But there was only 1 veh and circumstances are very strong against the accused. I don't recall Spr Levesque saying another veh drove off. One witness positively identified

the accused. He said he was walking. He should know. No auth was given for any veh to go out. The Tpt Cpl gave evidence to that.

D-b

1st Witness for the Defence

The accused, E 47451 Cpl Romeo Guimond, B Coy 3 Bn RCE having been duly sworn states:

At 0700 hrs I was still in a house downtown where I slept. This was 16 Jan 45. I went out of the house with Spr Hongan and Lavoie around 0800 hrs. I went in the direction of Gare du Midi to take the tram for Petits Espuatts. When I arrived at Blvd I said to myself where is the bridge that goes over the blvd. I saw that truck. There was nobody around. It was no place to park a veh. I realized it was an abandoned truck. Spr Hongan & Lavoie told me they were sure it was a "D" Coy truck so I thought as I was an NCO I took the responsibility of the truck to bring it back to Camp as I was with drivers. The intention of explanning the matter with Superior Officers once in Camp. I didn't have the chance. The Tpt Offr, Mr Lavigne,

called us at the Orderly Room and directly put us under close arrest by the C.S.M.

Cross examination:

Spr Lavergne was the 1st person I saw when I returned with the veh. He was on guard duty. I said absolutely nothing to him. I entered my billets as soon as I got out of the veh. The Orderly Room is not in my billets. Lt Lavigne came and saw me himself. I did not go to the Orderly Room directly because I had my greatcoat I wanted to get rid of. I met Lt Lavigne at the door of my billets as I was going out to the ~~door~~ of Orderly Room. Spr Morgeau belonged to RT and I had the responsibility of the truck Spr Morgeau had no business to stay there in the veh park. Spr Lavoie ~~was~~ ~~still outside~~ stayed outside near the veh when he got out of the veh. According to what I saw Spr Morgeau has been driving vehs long enough to be qualified. I cannot say if he had a veh under his charge. He had just transfered to H.T. Hq & he had a veh under his charge in B Coy. I cannot say exactly but he had a veh under his charge about a month before the 15th. Spr Morgeau had never been "grounded" to my knowledge. I immediately report anything unusual like that to the Orderly Room. I am not a driver. I do not know

if vehs usually report to the Orderly Room.

By the Court:

I left the truck that a.m. when I brought it back in the Parking Area. The Park is from 80 to 100 yds from the Orderly Room. The billets are about 20 ft. from the veh Park, right beside it. Myself I was not absolutely sure it was a B Coy truck but I was certain it was a Pon truck and the others recognized it by its few details. It was at 0800 hrs. I knew it had been abandoned because the drivers who were with me knew they are not to leave a veh by itself and where it was stationed was not a place to Park cars. There were bldgs each side of the blod where it was parked. We waited and looked around to see if anyone was in charge of the truck. We waited from 10 to 15 minutes. The veh was not immobilized according to what the drivers told me. I did not pass the Orderly Room when going to the veh park. Spr Mongeau at B Coy ~~was dri~~ led a truck. I do not know his duties on 15 Jan 45. Spr Mongeau was transferred to HQ Coy MT a few days before the 16th

I do not wish to say anything about the 4th charge. I do not deny being absent for that period of time. I was absent the whole time. I was under open arrest at the time.

Prosecuter's Closing Address:

On charge 4 the facts have been brought out. On charge 2 the accused and 2 others were seen entering the car park in a veh which they had been given no authority to drive. The accused has stated he intended to report his bringing the veh in but rather than drive to the Orderly Room he went directly to his billet and an Offr went to him. Also he states that Spr Morgan went directly to his own coy without explanation.

Defending Offrs Closing address:

The accused made a statement under oath. He has been questioned to the satisfaction of all and it appears his story is correct. This man is a Cpl and a good one and he acted as an NCO should, used his initiative and got a driver for it to bring it back to coy lines. He may have had no authority, written or oral. It was an emergency. He did not act improperly; rather he

acted as a Cpl should. It is natural to bring the veh back to the veh park where it is safe. Hes billets are a step away. He went to take his coat off. Then on the way he met the Tpt Offr. That is all I have to say. The accused has given evidence on the last charge.

E-1 Lieut George Bokonny — 3rd Bn RCE having been duly sworn states.

I know the accused. Known him 15 mos. I was his Pl Offr from Feb 43 to June 44. Throughout my charge of 4 Pl I found the accused competent, reliable and obedient. I was responsible for his promotion to Cpl. At that time Cpl Guimond had the full confidence of the Coy + respect of his men.

"The present Pl Offr is too far away to call so I thought his old Pl Offr would serve as well." — by the Defending Offr.

E-3 In mitigation:

You have the character evidence and sheets. He is a Cpl and has done good work. He has worked himself up to his position. [illegible] years this is his first lapse.

THE COMMANDING OFFICER DIRECTS THAT THE EVIDENCE BE TAKEN ON OATH:

First Witness For Prosecution

E4991 Sapper LAVESQUE, J.H., B Coy 3 Bn RCE, having been duly sworn, states:-

"I was on guard duty at B Coy billets from 1700 hrs 15 Jan 45 to 0600 hrs 16 Jan 45, along with Sappers GOAI and GODBOUT whom I relieved at intervals during the night. It was my duty to patrol from the sentry box to the parking area and no vehicles could have gone out without my seeing them. Not a single vehicle left that night during my tour of duty. At about 0700 hrs 16 Jan 45, after my tour of duty, CSM NADEAU came to me to enquire if I had seen a vehicle leave during the night which I told him I had not. He placed me on duty to watch for any vehicle coming into the parking lot. At 0905 hrs, I saw a 60-cwt come into the yard park, and I saw Sapper MONGEAU come out of the driver's seat and Corporal GUIMOND and Sapper LAVOIE, H. come out of the front of the vehicle. Sappers LITALIEN and SAMSON were next to me at the time and I believe they saw the same men in that vehicle that came in."

"On 26 Jan 45 I was on guard duty between 0200 hrs and 0600 hrs. My duty was to patrol from the sentry box to the vehicle park. I was at my post continuously during my tour of duty and no vehicle could have left without my knowing it. No vehicle went out during my tour of duty. There were four vehicles at the start of my tour of duty and four at the end of my tour."

First witness as to character B 89754 - S/Sgt Hudson, T.G.
having been duly sworn states: Pte Guindon has been with A Coy since just prior to D day, 6 June and has been employed as a cook in #1 sec. His work has always been of the best. Pte Guindon has been in charge of the cooks of A Coy and has directed them in an able manner. He has been perfectly satisfactory and I would be willing to take him back in the Coy.
Question by Defence Officer: Did Pte Guindon as a man raise or lower the morale of the Coy?
Ans: He was liked by all the men.
Question by Defence Officer: Did Pte Guindon as a cook raise or lower the morale of the Coy?
Ans: He is one of the best army cooks I have known and this I think would be agreed to by all the men of the coy.

No cross-examination
R.P. 83(8) complied with.

Second witness as to character C 51582 Cpl. McRae. A.
23 Edm Fd Ambulance RCAMC duly sworn states:
I have been with A Coy ever since it was formed. Pte Guindon came to us in England shortly before we came overseas. Ever since I have known him in our Coy he has been a very good cook, the best we have ever had in the coy. Anything that I have ever asked Pte Guindon to do he has always done in an efficient manner.
Question by Defence Officer: Did Pte Guindon as a man raise or lower the morale of the Coy?

A. He did not do the coy any harm.
Question by Defence Officer: Did Pte Guindon as a cook raise or lower the morale of the coy.
A. As a cook he raised the morale of the men a lot.

No cross examination
A.F. 83(B) complied with.

E 3.
Plea of mitigation by Defending Officer.
You have heard the sworn statements of the character witnesses and I believe you will bear with me that the accused is not only materially but morally a keystone in the coy. At the time of the crime the coy was not in action but in a rear area. Pte Guindon cooked the supper and did his normal duty before leaving the camp area. His absence did not impair the work in the ~~regt~~ kitchen. Pte Guindon was absent for a period of 8 hrs only, a charge usually handled by an OC. Bearing the character witnesses statements in mind as well as the length of absence I wish to make a very strong plea of leniency to the court.

Mr. President & Gentlemen of the Court:-

In the following few minutes I wish to place before the Court on behalf of the accused the sequence of events in the Active Service career of Sgt. Quinn. This is a period of time that has been well and truly recognized, in an exemplary manner in the Cdn. Army Overseas, while serving with the Special Service Brigade of the Allied Armies.

The accused has pleaded guilty to the charge of being absent without leave for 6 days and some minutes. There are approximately 40 periods of 6 days in the length of time that Sgt. Quinn spent fighting the enemy and under fire. We realize that the evidence of A.W.L. is a matter of record before the Court that is not before the Court however, is a record of service for the preceding months and possible extenuating circumstances leading up to the present position of the accused. (Introduce Certificate)

When the call came for volunteers to form the Cdn section of the S.S. Brigade, intended for use as shock troops and assault landing warfare, Sgt Quinn was among the first to volunteer. Within a short space of time, approximately 3 weeks of intensive training. The accused was one of a company which established, and held, the Anzio beach head that was to play a large part in the Allied advance in Italy. When the Allied forces broke the enemy ring at Anzio they fought with Italy's capital city, Rome,

RWL

was liberated. The S.S. Brigade were the first Allied troops to enter the city.

Then followed a strenuous period of training & amphibious operations. Objective as yet unknown, but that further action was imminent was a certainty. At 0700 hrs on Aug 15th the S.S. Brigade made the first assault landing of the Armies of Liberation on the Southern coast of France. 10th days of bitter fighting followed in which the accused served throughout as a machine-gunner. The advance never stopped until Nice had been liberated, and there also was reached the decision to disband the S.S. Brigade and return the personnel to their respective Armies, Colonial and American.

It is unfortunate, in the interests of Sgt. Stein, that he was attached to the American section of the S.S. Brigade as neither his former Officers or N.C.O's were returned to this theatre of war to come forward and give evidence before this Court as to the ability, trustworthiness and fighting qualities of this N.C.O. Since joining the Army, not one entry of any nature whatsoever has been recorded on the N.P.M.S. of the accused. I trust it will speak in the absence of the character witnesses.

After the return of Sgt. Stein to this theatre of operations for remustering into the Colonial Army, he was detailed for training, while the majority of his former comrades were posted to units in the forward area of 1st Colonial Corps. Xmas was at hand and on

seems usual at this time of the year, alcohol in excess of what is wise was consumed. The potency of Italian liquors is recognized by our troops and is brought to the attention of all ranks through the medium of Part II Orders. The quantity and quality of alcohol consumed, along with the substances while on service where it was not available was lessened, led to intoxication which assisted materially in the accused committing his first army offence. Owing to the exigencies of the service Sgt. Hunn has not had a leave since prior to embarkation for overseas in 1942. The defence does not offer this as any excuse whatsoever for going "absent without leave", but does respectfully bring to the attention of the Court, that the offence was not committed during the period when Hunn may have missed the difference between life and death for his comrades with whom he was fighting as himself. In conclusion I would like to summarize the points which I trust will be the deciding factor in establishing the fact that, the accused though guilty, is deserving of the mercy of the Court.

(a.) That Sgt. Hunn, the accused, has never in any time committed an offence in the Army, prior to this.

(b.) That he has, by his ability and initiative, attained the rank of a confirmed senior N.C.O. in a Unit where a high standard of personnel was required.

1. All ranks are advised to use restraint in the consumption of local wines. They are cheap and potent. Less reputable establishments are almost certain to "doctor" them with the object of causing complete drunkenness. Over-indulgence causes gastric trouble.

2. The consumption in Camp Areas of alcoholic drinks in places other than authorized messes or canteens is forbidden.

Statement (Pres) 12 Jan 44

Statement of B-44866 Lt Gunner GUITAR R.J.
H.A. TROOP 5th Bty 5th Field Regiment R.C.A.

You are not obliged to say or state anything unless you wish to do so, but if you do, anything you say will be taken down in writing and may be given in evidence.

Gnr Guitar R.J.
witness W.R. Caudle.

I am a gunner acting as batman to Lt Gaugh of 5th Bty 5th Field Regt R.C.A. On Monday night 10 Jan 44 I about 6.45 pm. I took 300 cigarettes British Consols from a chair in the ~~living room~~ bottom in the officers quarters. I knew the cigarettes belonged to Lt. Hardy of 5th Bty 5 R.C.A. I took them to the English N.A.A.F.I. Post on the sea road towards Brighton, where I sold half of them to a soldier over the guns for 5 shillings, the remainder I sold to a soldier in the mess at the gun site for a further 5 shillings. This is the only lot of cigarettes I have ever stolen from anywhere or anybody.

Regarding the Identity Disc found in my kit bag. Belonging to Lt Kinnaugh. I found it behind a trunk in the ante room leading to the officers mess main door, about a week before Christmas while I was cleaning up. I had no intention of keeping it but forgot all about it and until the Provost [redacted] showed it to me I didn't recall where I was.

Statement of B-44766 Gunter R.J Contd. 2 Gunter R.J

The shirt and handkerchief belonging to Mr. Van Vliet were found in my bag. I intended to wash, and return. I washed the handkerchief but forgot about the shirt. The sewing kit I took from Mr Van Vliet and used it to sew on new RCA flashes for my greatcoat the flashes came from Mr Van Vliet's sewing kit

The second shirt with M.O.R.U.S. on a laundry mark on it. I know nothing about, either who owns it, or how it came to be in my kit bag.

About a month ago I took a pair of light coloured leather gloves from Mr Van Vliet's room for my own use, while wearing the gloves I tore the thumb of one glove right hand. As a result I did not know what to do with them. ~~I finally decided to give them to Gnr. McKay who said he would~~ ~~have them or he as I heard~~

This morning 12 Jan 44 at about 0900 hrs I gave the gloves to Gnr. McCleary and asked him to hide them for me

The above is all I know of any thefts, that have taken place in the 5th Fld Coy RCE.

I have read over the above statement and it is correct.

"I asked to have the provost called in. I accompanied the provost Cpl on the investigation. I asked Major Watson permission to search Gnr Guitar's kit in his absence. Major Watson granted permission. The provost Cpl went through Gnr Guitar's kit, and found the following articles, two dress shirts, one housewife, a handkerchief and a gold identity bracelet. Capt Byers, Lieut VanVliet, Lieut Hardy, and Cpl Escott were present when the above articles were found and removed from Gnr Guitar's kit. He immediately placed Gnr Guitar under close arrest. "On the 18 of Jan I contacted BSM Gough of 5 Dty, 5 Fd Regt. I thought that Guitar's kit should be searched. With the permission of Major Watson, this I proceeded to do, accompanied by BSM Gough, Capt Byers, Lieut VanVliet and Lieut Hardy. In the kit bag I found an identity bracelet marked Lieut Kingsmith. I also found a shirt, a handkerchief and a sewing kit, identified by Lieut VanVliet as his own personal property. Gnr Guitar was placed under close arrest. I questioned Gnr Guitar regarding the articles found in his kit and the missing cigarettes and told them to personnel on the A.A. post on the Brighton Road. I warned Guitar that he would be charged and that I would take a statement from him. Guitar readily agreed to give me a statement in the presence of BSM Gough. This statement was read over by Lieut Hamerell who was a witness. I now submit this statement signed by Gnr Guitar. As a result of Guitar's statement concerning the gloves, Gnr McCoy was instructed by BSM Gough to turn them into the Dty Office. When asked how he came to have them in his possession, McCoy answered, "Guitar gave them to me to hide."

EXHIBIT "B"

In the case of B44816 Gnr RAYMOND JOSEPH GUITAR.

You are not obliged to say or state anything unless you wish to do so, but if you do, anything you say will be taken down in writing and used as evidence.

Signed: Gnr Guitar.R.J.
Witness: W.E. Escott.

I am a gunner acting as batman to Lt Van Vliet of 5 Bty, 5 Field Regt RCA. On Monday night 10 Jan 44, at about 845 pm. I took 300 cigarettes, British Consols from a chair in the large bedroom in the Officers quarters. I knew the cigarettes belonged to Lt.Hardy of 5 Bty, 5 R.C.A. I took them to the English L.A.A. Post on the sea road towards Brighton, where I sold half of them to a soldier on the gun for 5 shillings, the remainder I sold to a soldier in the mess at the gun site for a further 5 shillings. This is the only lot of cigarettes I have ever stolen from anywhere or anybody.

Regarding the Identity bracelet found in my kit bag, belonging to Lieut Ainscough. I found it behind a trunk in the ante room leading to the Officer's mess main door about a week before Christmas, while I was cleaning up. I had no intention of keeping it, but forgot all about it, and until the Provost showed it to me I didn't recall where it was.

The shirt and handkerchief belonging to Mr Van Vliet also found in my bag. I intended to wash, and return, I washed the handkerchief but forgot about the shirt. The sewing kit I took from Mr Van Vliet and used it to sew on new R.C.A. flashes for my greatcoat the flashes came from Mr Van Vliet's sewing kit.

About a month ago I took a pair of light coloured leather gloves from Mr VanVliet's room for my own use, while wearing the gloves I tore the thumb of one glove(right hand), as a result I didn't know what to do with them. This morning 12 Jan 44 at about 0800 hrs I gave the gloves to Gnr McLeay and asked him to hide them for me.

The above is all I know of any thefts that have taken place in the 5th Bty, 5 R.C.A.

Signed: R.J. Guitar.

I have read over the above statement and it is correct.

Closing address Pros:

Gentlemen:

In the case of desertion its necessary to prove intent and the evidence brought before the Court by the prosecution has proven that the accused did NOT intend to go forward with his coy. But remained behind after he was duly warned by his Pl Sgt, Capt Smith, Capt Leonard. But I would recommend that he be found guilty of both charges.

Page 15 (1) Over for page 16

By Defending Officer

The criterion between desertion and AWL is intention to desert. If a man conceals himself in barracks etc the court may be justified in presuming and intention to escape frm important service on which he was ordered to serve. These are extracts from Sec 17 and Sec 20 of MML.

The accused was not in hiding or concealed for all intents and purposes according to the evidence given in Court. His CSM and Pl Sgt knew where he was. Therefore he was not concealed. If he had intended to desert - he would have deserted upon

---

(2) Page 16

being warned of the Coys moving forward by the Pl Sgt. But he did not even go AWL and they knew where he was all the time. Therefore that doesn't constitute grounds for a charge of desertion against the accused. He's solely AWL.

The fact that the accused kit was not in the new area (C Coy) is enough to claim that he was not ready to move to C Coy which is another Sec of the AA altogether but surely not desertion. He could have been packing his kit while the Coy moved. This assumption was not in any way disproved. To the new area as the case of the man.

---

(3) Page 17

When he was told by Capt Smith the Coy had gone forward he went with Capt Leonard to B Ech willing. Does that show intention to desert? I ask the member of the Court.

At B Echelon the accused's mind was greatly confused. The fact that he had been transferred from the Signal Pl to an Infantry Coy [illegible] was almost too much for him. He is by nature a very nervous type. He asked to see an MO but this was impossible

---

Page 18 Over

He received a variety of orders at B Echelon and this to the accused confused him even more.

The accused wanted time to think things over and to his confused brain the only pos ible thing to do was go AWL.

Plea for Mitigation of Sentence

In passing sentence on this man, Pte Ralph Joseph Guitar may the following facts be brought to the attention of the Court.

Pte Guitar joined the army on 10th Nov 39 with the CYR. He left Canada with the Regt on the 12th Dec 39. He was with the Regt in England until Mar 43. He then was transferrred to No.1 CSRU at Cove. He stayed at this Holding Unit until proceeding to Italy in Apr 44. After having spent about 4 days in Avellino he came to his old Regt as a signaller. He was with the Signal Platoon until 16th of Oct 44 when he was transferred to C Coy

---

"CMcN" (2)

during this long period he proved himself to be a good soldier in his

majesty's Service. He has only one mark on his MFR 6 which is AWL for approx 10 hours.

This soldier has been doing Signal work for the past 1½ yrs both in Eng and Italy and he firmly believed he was not sufficiently trained at the time in question to be an Infantry man. He inquired at HQ Coy his former coy to see if hecould be transferred to another job but nothing could be done at that time. This greatly worked on his mind and he is normally a very nervous high strung type.

The fact that he didn't

"GMcN" (3)

leave the Bn immediately shows conclusively that he didn't intend to desert. His mind was in a quandry as what to do and he sought solice by being alone. In the meantime the Bn went forward.

When told the Bn had gone forward he went then with Capt Leonard to B Ech. From B Echelon he went AWL.

Pte Guitar has three brothers in the army. One in Italy and one in France. When hostilities ceases may it be the courts wish to have these three brothers and their brother here all go home together.

I wish the Court to consider the evidence and these facts

before passing sentence on this man.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(I. RP 35 fn 3. 2. MAML p 54 para 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans NO (5)
(I. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MAML p 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.)

(I. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (~~are~~) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(I. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(I. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

SUBJECT. Theft of Provost Coat

STATEMENT OF REGT NO. W36742 Spr. Gullion, E.

OF: 3 Cdn. Svy. Coy., R.C.E. TAKEN AT: Field

" I have been warned that I am not obliged to say anything unless I wish to do so, but that anything I now say will be taken down in writing and may be given in evidence.

To show that I fully understand the above warning, I make this statement voluntarily and sign my name hereunder".

SIGNED: E. H. Gullion

STATES:-

While I was serving twenty-eight days at Field Punishment Camp at Oxsnot, I took a Provost Coat out of a back shed which is located alongside of the Q.M. Stores there. This was about a week before I had completed my sentence there. I kept my kit with me in the hut, so I just put it with the rest of my kit. My kit was not checked by anyone when I left there on 2 Dec. 43. After I had returned to my unit, Spr. Strong asked me if I wanted to sell it. Because it was too small for me, I decided to sell it. Spr. Strong paid me £1-0-0 for it and I told him that it had been given to me at Field Punishment from Q.M. Stores. As far as Spr. Strong is concerned, he thought I had obtained it quite properly.

I have read over the above statement and it is true.

When Spr. Gullion returned from detention he had a rain coat which was too small for him. I offered to buy it and agreed to give him £1-0-0 (one pound) for it. This was on Friday 3 Dec. 43.
I proceeded on 7 days leave which started 16 Dec. 43 and while on leave in London on 16 Dec. 43, I was wearing the coat walking along Whitehall, when two Provosts stopped me, examined the coat thoroughly and took me up to Cdn. Provost Corps H.Q. to the special investigation Section. I gave them a statement as to how I got possession of the coat. They kept the coat and I carried on with my leave.

EXAMINATION

Med height, W.D. W.N. no tremors. Tears well into his eyes. Average intelligence, Non-psychotic. Aware of difference between right and wrong. No physical factors of note.

Opinions:-

Fit to stand trial. Mild inadequate personality. Extenuating circumstances are his previous good conduct and his lack of infantry training and his willingness to perform full RCASC duties. He is unsuitable for combatant infantry duties, and at conclusion of any punishment which may be awarded should be returned to this Unit for reallocation to another branch of the service.

B1. The President ~~or JA, if any,~~ complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex P, initialled and read aloud by the President.(1)

(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. STATEMENT IN MITIGATION OF SENTENCE

1. Accused is 28 years of age, and unmarried. He enlisted in Canada on 27 Nov 41 and came overseas in Jun/42. He went to France on D-Day with the S D & G Highrs, and was with them until the 28th July 44, when he suffered concussion from a shell bursting nearby. He was evacuated to the U.K. and was in hospital about four weeks. He has been in the U.K. since then, although he tried to get back to the continent several times.

2. There are several AWL charges on the accused's conduct sheet, but they are all for a few days absence only. This is the first instance of a long absence. Furthermore, one charge of desertion as shown on the conduct sheet was dismissed, and should have been erased entirely from the record. Evidence of this fact has been submitted to the court, and it is urged that this error should not prejudice the court against accused.

3. The accused has lost two brothers killed in the U. S. forces. One was killed in Burma, and the other with the U. S. navy. He also had a friend killed beside him in France, and these things have all been on his mind. The shock suffered by concussion last year has affected him, and he has felt that nothing matters any more. Accused was doing kitchen fatigues when he went away for the week-end on pass. While on leave, he got drunk, and as he had some money, managed to stay drunk for quite a time. When he became sober, he was afraid to come back to camp, on account of his former charges of AWL. He apparently did not consider that he would eventually have to come back.

4. Finally, I would point out that accused surrendered voluntarily at Edinburgh. He is said to be a good worker, and willing to do any tasks allotted to him. I request that the court deal leniently with this man, and point out the provisions of KRL, which states that punishment must be the least possible, consistent with the maintenance of discipline.

A.6 The boys told me that I would be paid at 2:00 o'clock, so instead of going to company office, I went straight to the Paymaster.

Q.7 What made you leave camp that night?
A.7 I had a date down-town, and I went to see about the date.

Q.8 Did you hear anything about a draft going out?

A.10 No sir.

(A large square of cardboard is produced by the Prosecutor)

Q.11 You recognize this cardboard?
A.11 I may have written on it but I do not remember.

Q.12 When did you first see it?
A.12 I first saw it when the Sgt. put it out, and then again at the Summary of Evidence.

The Court now questions the accused.

Q.1 Did any of the Officers or NCOs in the Company Office tell you what you were signing?
A.1 I saw the officers standing around. They did not explain what I was signing. It was only a piece of paper which was rolled together. The C.S.M. gave it to me, and they gave me a pen, and he showed me where to sign.

R.P.S 3 B. 103 been complied with

Address by the Defence

The substance of the Defence is to the effect that the accused was not on the Muster Parade, and it is immaterial to this Court whether he knew of the warning or whether he signed this sheet and knew what he was signing. To substantiate the Prosecution, they must fulfil two complete steps. That the accused was on a Muster Parade, heard the warning, and then to substantiate that claim, they had him sign a sheet which was submitted. You have heard contradictory evidence of the Prosecution as to what times these things took place. Colonel Christiansen said that he read this warning at 1335 hours; the C.S.M. said that he read the warning at 1345 hours. I believe Colonel Christiansen said that when he came into the room, the parade was turned over to him and he read the warning. The C.S.M. said that Major Stainton called the roll in the presence of the Colonel. We have had before the Defence a non-biased witness, who has nothing to gain by saying anything, and who came down here and is prepared to swear that the accused was at 3 C.M.C. later than 1:30 o'clock, and suggests it was 1:45 o'clock, and if he was there at even 1:35 o'clock, he could not have got down here at the Legion Theatre, which is about a ¼ of a mile away. If he had hurried, he may have been down here in 10 minutes. However, I do not believe the accused is familiar enough with the ways of the world, in his mind to concoct such a developed story if it were not true. Quite obviously I am going to ask the Court to believe, and I cannot see how they can do anything else. I have evidence that he was not at that Muster Parade. The Officers of "F" Coy got hold of him as quickly as they possibly could that afternoon; whipped the signature on this piece of paper. We have got to tell the Court

Ex. 'D'

Address by the Defence (con'd)

the complete story to make a charge of Desertion stand, and I do not think they got it much further. In turning back to Rules of Evidence, and what must be done and what must be proven, I would like to say that this is a very serious charge, and unless the Court has evidence beyond a reasonable doubt as to the complete truthfulness of the Prosecution, then the charge of desertion should be dismissed. As to the A.W.L. charge, we are not forming any defence for that. The accused will plead guilty to A.W.L., and the Court can alternate the charge to deal with that. Speaking now as to a mitigation of sentence, I will go on to talk of the accused. The accused has served in France for almost seven (7) weeks. I believe he has a very good MFM 6. (Original MFM 6 is produced) On this sheet in front of me, he has two charges - one of drunkenness and one of A.W.L. for a small period of time. This is a very good record in four years of service. So in dealing with the A.W.L. charge, sir, I wish you would take into consideration his past record. He has served in France, his willingness to go back in there, and further, when a man has been in action and who is not afraid to go back to it, he could serve his country better, than looking out from behind bars.

R.P. 83 B has been complied with

J.L.L. Kennedy Judge

Address by the Prosecution

I said a little while ago it was necessary to prove in a case of desertion, the time of absence, the starting and ending of AWL and definite reasons for it, or that the accused intended to dodge some special duty. The time of absence is admitted by the accused. Regarding the intentions of the accused to avoid special duty, draft or whatever you like to call it. You have been asked by the Defence to disbelieve what was said, and instead to believe what the accused has said. I do not say that the Sgt. witnessing for the Defence was not speaking the truth. He admitted that he could not swear to any particular time so that his evidence was of no importance at all. I think we have definite proof that the accused left when he did to avoid going on that draft which he knew was going the next day, and he left the sign on his bed to that effect.

By Direction of the Commanding Officer, the Summary of Evidence is taken on oath.

FIRST WITNESS

For the Prosecution

Lt-Col G.H. Christiansen, Stormont, Dundas and Glengarry Highlanders, on the strength of No 4 Canadian Infantry Reinforcement Unit, an Officer of the Canadian Army Overseas, having been duly sworn, states:

I am Lt-Col G.H. Christiansen, and on 14 Sep 44 was acting Commander, 4 Cdn Inf Rft Unit. At 1335 hrs 14 Sep 44 the accused, K 71199 Pte Gunanott, C.B., whom I now recognize, was present at a Muster Parade and was warned for draft in the following terms by me:

(a) You have been selected to proceed on a draft for the performace of a special duty, and you are now warned that you must be present and ready to go when the draft is sent off.

(b) Any unauthorised failure on your part to go with the draft when it leaves will result in your being charged with desertion on active service.

E.1 STATEMENT OF ACCUSED
(UNSWORN)

Sir I was doing my best since joining the army and my record has been fine up to now. I went overseas to France with the Glengarry Highlanders and I was wounded in Normandy. They sent me back. I was wounded at Falaise in the back. They put me as a category "A" again. I am feeling well now. The last time I was on leave I got drunk and overstayed and they put me on 14 days FF. The last time we were at camp some of my friends and I went away again. I wanted to come back on my own but before I could come back I was apprehended. As far as I am concerned I would like to get back to my original unit, sir, and I will do as well as I did before.

NO CROSS-EXAMINATION

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

K 71199
Pte Gumancot, C.B.

Plea for mitigation.

The accused served in action as per attached letter from his Coy Comd. This action has had an adverse affect on his mind, so that when he went AWL he was not fully aware of his actions. After reaching London he regretted his act & while summoning up courage to surrender he was apprehended. I plead that this man be treated leniently and be given an interview with a psychiatrist. He is unmarried, A Cat, Spade 1 education

TO WHOM IT MAY CONCERN:

Sir:

K-71199 - Pte Gunanook, C.B.

1. The m/n soldier served in my company in France during June and July 1944.

2. Pte Gunanook fought well, within his limitations, during that time. He was fearless, an excellent shot, and to my knowledge killed several Germans. He caused no trouble, he was a willing soldier who always tried to do his part.

3. I had Pte Gunanook sent to our RAP and I talked to the Medical Officer about him, with the result he was sent back to England.

4. My reason for such action was that in my opinion, substantiated by that of the Medical Officer, Pte Gunanook was of very weak mentality, and his judgement was so unformed that he was a menace to our own neighboring tps.

5. It is still my opinion that Pte Gunanook has an undeveloped mind, that he should undergo medical examination by a specialist. That opinion must surely be borne out by the difficulties Officers here have experienced with him. His offences appear to me to be entirely in keeping with my former opinion.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

IN THE CASE OF L.41585 Private GUNDERSON, E.A. of 45 Cdn Army Tpt Coy RCASC

FIRST WITNESS A.10034 Corporal WILSON, R.K. of 45 Cdn Army Tpt Coy RCASC being duly sworn states; I was sitting by the stove reading and Pte Gunderson came in and Pte Larche entered at the same time, Pte Gunderson, Cowan and Larche talked at the counter for some time, and Pte Gunderson called me over to the counter. I was reading and diden't pay any attention to him. Pte Gunderson then came over and started to pull me over to the counter. I picked up a poker and he let me go. I dropped the poker and went back, sat down and started to read again. Pte Gunderson then came over and wanted me to get up and fight with him, I refused and then he hit me some where on the face. I then got up and tried to quiet him down. He hit me again and then I backed up towards the bed he pushed me. I then called on Pte Cowan and Larche to help me get this man out of the room. They apparently took it to be none of their business. He pushed me back on the bed and tried to choke me. He then hit me again, I got loose and left the room. At no time did I hit him. That is all that happened, Sir.

EXAMINED BY THE PROSECUTOR

Q.1 What time do you place the alleged assault at ?

A.1 At 2300 to 2359 hours because the A.E.F. program had signed of shortly before not more than half an hour.

Q.2 According to unit orders are there any personnel allowed in the canteen after 2230 hours?

A.2 No, Sir.

Q.3 Is it your duty and does the excution of your office require you to maintain good discipline in the canteen?

A.3 Yes Sir, it would if I am in charge of the canteen.

Q.4 Are you in charge of the canteen?

A.4 No, Sir.

Q.5 Does your duty as a NCO require you to maintain discipline at any place within the unit lines?

A.5 Yes Sir.

Q.6 Did you order the accused to leave the building as the time stated was after tattoo?

A.6 No, Sir.

Q.7 Did you at any time antagonixe Pte Gunderson by action prior to the assault?

A.7 The only way sir, would be with the poker, but he had his hands on me at the time.

Q.8 Did the accused lay hands on you prior to you threatening him with the poker?

A.8 Yes, Sir.

Q.9 Did you at any time lay hands on or strike the accused?

A.9 I tried to shove him away from me when he was choking me on the bed.

Q.10 Did you at any time order the accused under arrest?

A.10 No, Sir.

Q.11 Why did you not order his arrest?

A.11 Because possibly I didn't think of it and also I hoped to get him from the room without making him any wilder than he was, I thought if I put him under arrest it would only make him wilder than he was.

Q.12 Can you give your belief for the reason for the accused having struck you?

A.12 None except perhaps he had been drinking.

EXAMINED BY THE DEFENCE

Q.1 Did your excution of office as Unit Educational Corporal necessiate you having conversation or connection with Pte Gunderson?

A.1 The Cpl of the YMCA was out that night and as my quarters are in the YMCA I take turns with the YMCA staff in staying in, and we also been holding an informal discussion around the stove with members of "C" Platoon.

A.4 I had nothing to do with him until he called me over to the counter, I was reading.

Q.5 Did he not call you over to the counter to offer you a drink?

A.5 He might have sir I didn't pay any attention.

Q.6 When he came over and tried to have you join them at the counter was his attitude one of friendliness?

A.6 I don't know Sir. He was rough in his method of getting me there.

Q.7 Was that the reason you treatened him with the poker?

A.7 I think sir I picked up the poker unconciously, automatially.

Q.8 Do you normally administer discipline in the canteen by the use of a poker?

A.8 I never had occassion to administer discipline in the canteen before.

Q.9 Was this the first time a man has touched you personally in the canteen?

A.9 Yes, Sir.

Q.10 When he first came into the canteen he was not wild. Is that correct?

Q.1 Would you state briefly in your own words what you know about the night of 16 Nov. 44?

A.1 On the evening of the 16 Nov 44, I returned from detail when I received the mail I had a letter from my wife and one from my mother, in which was very bad news. A friend of mine, Pte Mahormiak the day previous to this had received a letter from his wife which had caused him to be down hearted, after having permission from the Cpl to be off for the day my friend suggested that we go to the cafe to have a few drinks, which would make us feel better soewe went to the cafe and had a few drinks and that is the last I remember until the next morning. In the morning some of the boys told me what I had one I went to apologize to Cpl Wilson, and one of the other lads and myself went out on a detail that morning. I also just met my brother that I hadn't seen in six years. I saw him for about three hours before he left to go to the front, being only 19 years old it also caused me to worry. that is all I have to say, Sir.

STATEMENT IN MITIGATION Attached.

EXPLANATION

Sir, Members of the Court:-

I feel that it is a privelege to be able to deliver this plea on behalf of Fte Gunderson. For having had him under my command for approximately two years I feel that I know him thoroughly and also the circumstances surrounding this case.

I would like to state briefly his valuable military service. He enlisted in July 1941 and after his basic training he served as a driving instructor at Red Deer. Coming overseas in May 1942 he attended Trades School and Qualified as a D.M. Class "C". He was posted to this Company in September 1942 and has been with us ever since. While he was with my platoon as a D.M. I asked him to accept a stripe and on his confirmation as a L/Cpl I made him a Cpl. and for over a year he operated on of my most efficient sections. When the pay of the other ranks was raised but not that of the full corporals I accepted his request to revert so that he could go to workshops platoon for training and up-grading in his trade. During this entire period there is not a single entry on his A.F.M. 6 and he has been awarded a good conduct stripe.

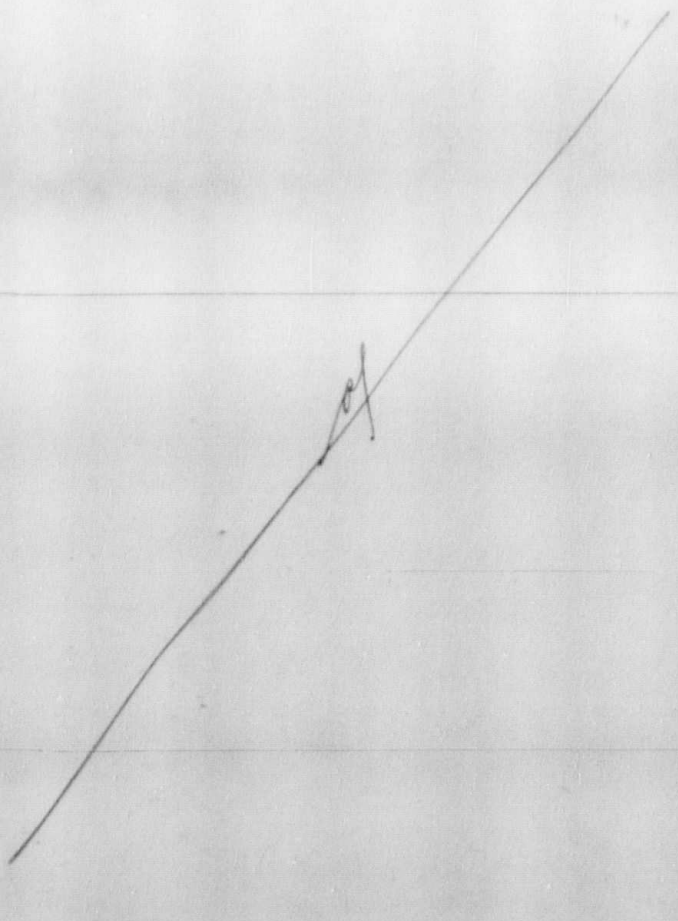
On the evening of the 16 November, Gunderson had just returned from detail and was told by his Section Corporal that he would not be needed that evening and that he could go out. He then got his mail and received bad nes of a most personal nature. Firstly that his mother and father had separated after 28 years of married life. Secondly from his wife in England a nsaty letter in which she mentioned going out with another man. As if this were not enough he had the further worry about his 19 year old brother who he had seen, just before he had gone on detail, for the first time in six years and not even knowing that he was overseas met him just in time to say "Good-bye" as he went back into the line with the Canadian Black Watch. This was worrying Gunderson greatly and a claim for his brother had already been put in by this company. At the same time his companion had also recieved a nasty letter from his own wife and perhaps too humanly they decided to slip up to the cafe for a few drinks and to try to relax. My nature Gunderson is not a drinking man, this perhaps accounts for its desastrouseffect upon him on this occassion.

The result of his evening's drinking are already known by this court. That he became intoxicated beyond reason. When he entered the canteen and spoke to Wilson and invited him to join them there was only friendliness in his attitude and when Gunderson tried to insist that Wilson join them it was still in good-fellowship and with no thought of intent to be insubordinate. It was not until Cpl Wilson raised the poker and thus provoked Gunderson in a few minutes had his mind, logical through, lost by drink, snap and he became fighting mad. Not at Wilson as an N.C.O. but at Wilson as a man who had threatened him. His later actions show that he had no control whatsoever over his thoughts or action.

His serous charge in this case and the reason he is before this court is directly the fault of a N.C.O. who acted hastily and with a complete lack of understanding.

In conclusion I would like to sum up the points on which this plea is based.

1. He knew that he had permission to be out.



2. His mind was troubled and he was perhaps justified in drinking for relaxation.

3. His excellent record in the Army

4. The fact that his crime of striking was provoked by the threatening up-raised poker.

5. That he was so completely drunk that he was not capable of thinking or control of his action.

6. Finally the plea that he not be given a long term of detention for this his first and only crime in an army career of almost four years and as a result of this detention have his valuable services denied the Army at a time when we urgently require every man.

SUMMARY OF EVIDENCE Ex 'A'

In the case of

L.41585 Private Eldon Alexander GUNDERSON, of the 45 Cdn Army Tpt Coy RCASC.

The Commanding Officer directs that all evidence be taken under oath.

The accused, having had his rights upon the taking of a summary explained to him in accordance with the Rules of Procedure, the evidence is taken in his presence:

FIRST WITNESS A.10034 Corporal Robert Keith WILSON, 45 Cdn Army Tpt Coy RCASC, having been duly called and sworn states:-

"I am A.10034 Corporal Robert Keith WILSON, of 45 Cdn Army Tpt Coy RCASC., Between 2300 and 2359 hrs on the 16 Nov 44 I was sitting in the Y.M.C.A. Canteen by the stove reading when Pte. Gunderson and Pte Larche came in. They seemed to talk together at the counter and Pte Gunderson called me over and I never paid any attention, then he came over and tried to drag me over to the counter. I resisted, and grabbed the poker and he let go. I put the poker back and then sat down again. He then came over and wanted me to get up and fight. I tried to calm him down and told him to go to bed. He then struck me in the face and I got up and we crossed the room and he struck me again. All this time I was trying to quiet him down. I called on Pte Cowan and Pte Larche to help me get him out of the room, but apparently they considered it none of their business, then backed across the room to one of the beds and Pte Gunderson got his hands around my throat and tried to choke me. When he let go he hit me again and I got away and left the room. At no time did I strike him. As far as I know that is everything that happened."

Q.1. "Why do you place the time between 2300 and 2359 hrs?"

Q.5. "Did you order or ask Pte Cowan and Pte Larche to help you?"

A.5. "I asked Pte Cowan and Pte Larche to help me get him out of the room."

2. At the close of the case for the prosecution in respect of the second charge and its alternative, the defence moved for dismissal on the grounds hereafter mentioned. It is now noted that the reporter failed to take down the addresses of the defence and prosecuting officers.

3. The application was particularly directed to the main charge under A A Sec 8(1) and was based upon the one point that the prosecution had failed to show that the N C O was on any duty at the time of the incident and that as between himself and the accused he was not in the "execution of his office."

4. The application was not based in any way upon any alleged illegality or irregularity.

5. After due consideration the Court agreed that the prosecution had not made out a case under the aforementioned section but that a case had been made out in respect of the alternative charge under A A Sec 8 (2).

6. Accordingly the Court allowed the application in respect of the main charge and trial continued on the alternative.

(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). CASE OF

B.11408 Gnr GUNN JW 2 CARU

PROSECUTION

The Prosecutor produced:

(1) A certified true copy of the Record of the Declaration of the Court of Inquiry relating to the accused.

DOCUMENT MARKED EXHIBIT 1

FIRST WITNESS

C.9787 Bdr NEWMAN JA, 2 CARU, having been duly sworn, states:

I recognize the accused, and I'm the NCO IC of the Unit Guard Room here at 2 CARU. At approx 1620 hrs 20 Mar 45 the accused reported in from AWL.

CROSS-EXAMINED

Q. How did you know he was AWL?
A. In our Absentee Book he was marked AWL, Sir.

QUESTIONS BY THE COURT:

Q. Was there any conversation between you and the accused when he came in?
A. I just asked him for his particulars and Paybook, Sir.

Q. Was there any other conversation?
A. No, Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

THE PROSECUTION IS CLOSED

SUBMISSION BY DEF OFFR

I submit, Sir, that the Prosecution has not established a prima facie case and that the charge be dismissed. The Prosecution have produced one sole witness whose evidence was to the effect that the accused reported to him at such and such a time. As to his absence I've not seen any proof at all, so, for those reasons the Defence submits that it has not been proved to this Court that the accused ever left Camp.

REPLY TO DEF OFFR'S SUBMISSION BY THE PROSECUTOR

The Prosecutor said he had nothing to say in reply, and left it to the Court to decide whether he had made a prima facie case or not.

THE COURT IS CLOSED TO CONSIDER THE SUBMISSION

THE COURT IS REOPENED AND THE PRESIDENT ANNOUNCES THAT THE SUBMISSION BY THE DEF OFFR IS DISALLOWED.

DEFENCE

FIRST WITNESS

The accused, having been duly sworn, states:

Sir, I enlisted on 12 Feb 41, and went o/s in Jun 41 from Canada with the 4 LAA Regt. I went into action on D plus 12 and stayed until wounded in late Sep. Early in Nov I left hosp and was TOS 2 CARU. It was then I found myself forced to repeat Basic and AA trg before being allowed to return to action and my unit. I very much wish to stay in action.

NO CROSS-EXAMINATION

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP63(B).

SECOND WITNESS

Capt AM APPLEBY, 2 CARU, having been duly sworn, states:

I recognize the accused, Sir, and I've been with the 4 LAA Regt since it was formed in this country and the accused was also a member of that unit. I knew him from '41 until '43 and from Dec 43 until Sep 44, and knew him more intimately when I was transferred as Bty Capt to his Bty. The unit went to France on 18 Jun 44 and the accused was a general utility man you might say, being a gun layer spare, a DR and a driver as well as doing clerical work, and at one time he held the rank of Bdr. We found him very useful, cheerful and a willing soldier. What impressed me most was his exceptional willingness to work and he was a very good influence amongst his men.

NO CROSS-EXAMINATION

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP63(B)

THIRD WITNESS

C.26326 Gnr VAN VALKENBURG AR, 2 CARU, having been duly sworn, states:

I recognize the accused, Sir, and I met him in WINTON, which is a suburb of BOURNEMOUTH on 18 Mar 45 and told him there was a shortage of AA rfts and he said he was going to cut his leave short and come back.

NO CROSS-EXAMINATION

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP63(B)

THE DEFENCE IS CLOSED

STATEMENT BY THE DEFENDING OFFR ON FINDING

The Defence has tried to show the character and make up of the accused. We find him joining the Army in '41 and being of such intelligence he completed his trg early and was soon into action when the fighting began. He has shown that his unit chose to keep him and it was just because of the fact that he was wounded that he had to leave and come back to England. He now wants to get back into action and it is easy to understand how life in an RU can effect one's state of mind and mentality. Whether he is guilty of the charge or not is up to the Court to decide. The prosecution so far has not proven to the Court, one, the act, and secondly, the intention, and the Court therefore has no alternative but to acquit the accused.

STATEMENT BY THE PROSECUTOR ON THE FINDING

- NIL -

THE COURT IS CLOSED TO CONSIDER ITS FINDING

THE COURT IS REOPENED.

PLEA IN MITIGATION

It appears now that the Court has found the accused guilty of the charge, and so I wish to repeat all I said again on the submission I made, and also my statement on the Finding. If the accused must be punished for this offence might I suggest that it be a forfeiture of pay rather than dtn so that this accused may get back to his unit overseas.

THE COURT IS CLOSED TO CONSIDER ITS SENTENCE

Each man when he came up to sign was asked if front of me by his Coy Comd if he understood what he was signing. I can't say if their names were called. I do not recognise the deceased.

I did not try and evade either the Civil or Military Police. I returned to my unit & surrendered myself on 7 March 44. I did not go absent to evade any operational duty. I wish to go with the unit into action. I produce a letter written by myself addressed to Pte BROTEN dated 14 Feb 44 marked 'D' Signed by Pros & Att. I also produce a letter written by me to Pte BROTEN dated 17 Feb 44 marked 'E' Signed by Pros & Att. I also produce letter written by me to Pte BROTEN dated 26 Feb 44 marked 'F' Signed by Pros & Att. I had arranged with Pte BROTEN, that should the Bn move the wound would be by telephone or telegram. Case for Defence

Before going on leave I read & signed Exhibit 'E' which I understood. Pte BROTEN was going to Chesterfield to see his wife. I knew that Bn was going to move. I have sent phone calls through to Chesterfield in about 15 months. I was always told that I could not be notified of the phone call. I thought BROTEN would know of any movement of the Bn & would let me know. Re Examination by Court. I knew the movement of the Bn is notified by the C.O. through Company Office & read & was briefed. During this time Broten could have notified me, in sufficient time to reach my unit. I understood the document I signed to mean that an absentee would be liable to be tried for desertion. I can't see quite the object of the document, but I should think it was signed more as law for a formal reason. By the Court. I thought it was only a matter of form.

Pte BROTON would have worked his passage to me "Return to Camp immediately". I do not think that if the unit was preparing to go overseas, the personnel of the unit would be given a warning however, the unit would not leave until 24 or 48 hrs warning before going

Sworn State.

I recognise the accused before the Court. I recognise
Exhibit D. G. F on letter written to me by the accused
I was in contact with him during his absence.
He wrote to me so that I could let him know
if the Bn was going to move. I should have known
or we should have been briefed. I could have
let him know in a few months. I should say
we would have two or three days warning.
Found in an envelope my name of the letter marked G. Signed by Pte Breton
Cross Examined. I have not observing him of any
reluctance. If we are going on active service
we should be issued with kits, I am told
would be handed in. I should say it is impossible
to take all kit with us. I should say it is essential
to hand it in.

Re Examination.

By the Court. I know his home Bn at Charlottetown.
If I was told one of the men a reluctance on
operational move I would have notified the accused.

Closing Address by Defence.

R.P. 83(b)

Accused had no intention of evading to desert or
attempt to desert. The letter written by the accused
shows his intention to return if the unit moved. Did
not try and evade police. Were unsure all the
time. Did not try to evade any important duty.
Could have returned to unit in the matter of hours.
Accused did not understand the true meaning of the
Warning Order. Thought it only formal. Unit would
have known if anything in this matter of operational
[illegible] moving.

Reply by Pros:

Attitude of Court shown to ~~Rule~~ Chapt III para 20 23. If absent for 35 days his duty must be performed by Commonwealth Soldier, & that the the accused would be punished, which remark in his mouth the moment of the Bn. Adjt must be allowed as desertion. Accused admit he read the Warning Order. Any reasonable man must be aware that if they absent themselves at this time they may miss an important service. If W.O. chose to mean anything ~~else~~ he can must be held guilty of desertion.

" I object to that charge, under R.P. 32, as there is no such an 'act' as being improperly in possession of something. R.P. 32 stated that the court may disallow a charge if it does not disclose an offence under the Army Act. I submit that there are enough charges against this man without that. I think the word "conduct" is the word tobe used in such a charge."

A31:- It was parceled up by me and sent to the unit. It came down with the escort that accompanied the accused. I interviewed the accused, and asked him what his trouble was. I asked him if he wished to make a statement, and he said that he did, including all his trouble with regards to being AWL, and how he had escaped from this unit on three different occasions. I told him that he did not need to say anything unless he wished to. I read him the proper warning, and explained it to him. the warning from M.M.L. He said that he fully understood the warning, and wished to make a statement. I wrote the warning down, which is as I previously stated, and he signed this warning. Then he made a verbal statement, and I wrote it down, and he signed the statement. I read the statement over to him after I wrote it down, and he signed the statement, and then made a further addition to the statement, which I wrote down and read over to him, and he signed it. This is the statement to which I have been referring.
Q32:- Do you recognise the signatures on it ?
A32:- Yes, sir, the accused's signature, and my own as witness.
STATEMENT BY ACCUSED MARKED exhibit 5.
I read the following extracts from the statement:-
" I received another letter from Joan saying she was very ill. I escaped again by going out the back door, and over the back fence as

usual, and went over to my unit at 1 CARU. I was dressed only in pyjamas. I went into a hut there and stole a battledress, great coat, and a pay-book. I don't know who the uniform belonged, but the paybook belonged to a Gnr. McIntosh. I had no trouble getting into the grounds of CARU, I entered from the parade square."

" The two keys which I have in my possession were in the uniform when I stole it from 1 CARU "

Defense declines to cross-examine this witness.

CLOSE OF CASE FOR PROSECUTION.

R.P. 40(A) note 2 complied with, and the defending officer stated that he was not bringing any evidence for the defence, but that he was still relying on the motion he had made under R. . 52. The president stated that he felt it was his duty to advise the Defending Officer not to rely upon that motion, but if he had any evidence, to tender it to the court.

The prosecutor said that we would call a witness to prove that the articles mentioned in charge were in the possession of the accused.

6TH WITNESS FOR THE PROSECUTION:- B 6323 S/SJT. COCKER, F, 1 CARU, regtl. police, sworn, is examined by the prosecutor:-

Q33:- On or about the 24th of March, did you see the accused ?
A33:- Yes, sir.
Q34:- Can you identify him ?
A34:- Yes, sir, (pointing to the accused)
Q35:- What happened then ?
A35:- On the 24th of March he was turned over to my custody by the NCO of the Provost Corps as an absentee, in the unit guard room. He was wearing a battledress and an overcoat, and in a small canvas bag the NCO of the Provost Corps had his personal effects. I remember a field service cap and badge particularly.
Q36:- Were you present at any identification of the kit brought by Gnr. Gunn ?
A36:- Yes, sir.
Q37:- You saw those individuals identify their kit ?
A37:- Yes, sir. Thomas and Johnson, I think they were, sir.
Q38:- Was the kit that was identified by Johnson and Thomson being worn by the accused ?
A38:- Yes, sir, all except the cap and badge.
Q39:- Do you know anything about a pay book ?
A39:- No, sir.
Q40:- After that kit was identified, what happened to it ?
A40:- On the day he was admitted to the guard room, the kit overcoat and battledress and cap I marked them, and put them in the kit room, and turned them over today to the orderly at this court-martial.

Cross-examined by the defense

Q41:- Were you in the room when the kit was taken from Gnr. Gunn.
A41:- Yes, sir, I was there.

CLOSING ADDRESS BY THE PROSECUTOR:-

I feel that the prosecution has proven this offence in two ways. First of all, by having produced, in the opinion of the prosecution, sufficient witnesses to prove that this kit was stolen by somebody, and that it was stolen at a period which is so far distant that it is impossible for the people belonging to the kit to pin it down to a definite time and date, but that the period during which this kit was stolen does agree with the time of the escape from arrest by the accused. The pay book was actually removed from the possession of the accused by a constable of the Metropolitan Police, and the remainder of the articles were found in the possession of the accused by the C. Pro. Corps.

The kit has been traced progressively until the time it has been produced in court. I think that is all it is necessary to say.

DEFENDING OFFICER:-

I just want to point out to the court that I still stand by my original objection made under R.P. 32.

The court is closed to consider the finding.

The court re-opens, prosecutor presented AFB 29b and MFM 6, stating that they both related to the accused person.
R.P. 86(B) complied with, and the defending officer said there was no objection to these two documents.

Pursuant to R.P. 37(C), the accused read to the court a written statement, which he submitted to the court, and which is attached hereto. At the conclusion of the accused's statement, the defending officer stated that in view of the very full statement made by the accused, that there was nothing he could usefully add.

THE COURT IS CLOSED FOR THE CONSIDERATION OF THE SENTENCE.

Sir.

18-4-43

This is my plea of mitigation of punishment stating all the facts, since I have joined the army, which was the 7-1-41 leading up to the cause of the charges that are laid against me.

From the 7-1-41 till Oct 41 I had been at the depot approximately two months. I have had very little, or no training, on the 20-9-41 I went on Furlough to Toronto Ont, and the night I arrived there I went home contracted V.D.C. I reported it to the 2nd District Depot, and was sent Hospital at Lamb Wooden Ont I was there from the 29-9-41 till 24-12-41 which was the date of my discharge from that Hospital. I returned to my unit at Petawawa, on the 4-1-42 I again went to Hospital with re-currant V.D.C. I was till 25-1-42. Then I was transferred to the Ottawa Civic Hospital, as they couldn't do any thing for me at Petawawa. At the Civic Hosp. I went through the eight hour treatment of the Fever therapy, which is a best treatment and supposed to be a guaranteed cure. I was discharged for that Hospital on the 19-2-42 and returned to my unit supposedly cured. We sailed from Canada on the 11-3-42 for England, and all this time I had never been on Gun Drill, I do not know to this day how to fire a gun. on the 4-5-42 I reported to the M.O. of the 1 CARU, I was sent to the 15 General Hospital until V.D.C. I was there till 30-5-42 again on the 17-7-42 I returned to the 17th General Hosp. with re-currant V.D.C. I was there two months, when the M.O came in he said I was fit for discharge. I was standing in the stand at ease and could see my chest any time I wished to do so, and I knew that I had had 4 sick cells. so I was paraded to the M.O. and told him this, and he said (quote)

I have tried everything, and nothing can be done for you, it is my opinion you will have this the rest of your life (unquote) I was discharged, three days later I returned to the same hospital. The major on this rounds didn't say any thing over me. Two days later major Spooner of the Gen. Hospt. came to see me, and he asked me if I would like to try the Fever Therapy. I told him I had taken it twice before and that it did not do me any good, that I would take it if he thought it would cure me I was transferred to the Gen. Hospt and was there a month, then returned to 20 16 Gen. Hospt. I still had a Medical Discharge, that was showing negative, I was there about another month I was discharged on the 7-11-42 on Dec I went AWOL for 11 days then reported back to my unit, I was paraded before the K.O., and he noticed I still had a discharge. I was again sent to 15 Gen. when the Major made his rounds, he stopped at my bed, and said, you here again, I dont know why you come here, I cant do any thing for you. Well Sir after all this time away in the Hospt and him saying this, just about drove me crazy that is the reason why I have done what I am charged with. I believe any man that has gone through what I have, since I have been in the Army, would possibly have done the same. I realize now that it was a stupid thing to do, but at the time I had lost all sense of deservation, Sir I am not a criminal I am only 20 yrs old and have my whole life before me. If I had received proper treatment I would not be in the court room today. I spoke to my legal advisor on Monday and I asked him if there was any thing in the K.R.+O. about restoration of rank or pay and he told me that, under Part 5th there was.

I wish that you would consider seeing this
I would like to be able to get out and learn
some thing about my work and I sincerely promise
that this thing will never happen again.
I am the father of a child in London and I would
like to be married and give it a home, ~~and to~~
~~take care~~ care. Sir, it is my honest opinion that if I were Physically
cured I could become a very useful soldier,
I have carried ships both in Peace time and on active service
and if I were given a decent chance I could settle
down and become an efficient soldier but at the
Present time with this disease no one can tell just
how long I would be out of hospital
I do not want to get discharged from the army I could
never face my people if I were to go back to Canada,
I Plead with you sirs for one last chance if I am Brought
up on any charge then I will certainly be willing to
take any Punishment you my decide to give me
hoping you will consider this Plea with your utmost
ability
for suspented sentence
I am yours most obedient servant

Statement of Reg. No. H 26097 - Gr. GUNN, W. R. - 1 C.A.R.U.

24 Mar. 43.

I have been warned by Sgt. Gibbs of the Special Investigation Section, that I am not obliged to say anything, but anything I do say will be taken down in writing, & may be used as evidence. I fully understand this warning. WRR Gunn

I went A.W.L. in Dec 42, & was away eleven days. I returned to my unit because I wanted to get treatment for V.D. which I have had, & have received treatment for, for about nineteen months. My girl friend Miss Joan Rooks was pregnant, & I wanted to get cleared up so that I might marry her. When I returned to my unit, I went sick, & was sent to No: 15 Gen. Hosp.

I stayed in hospital three or four days. I did not appear to be getting much treatment, in fact the boy told me there was nothing they could do for me.

One night at about 9.00 PM I escaped by going through one of the windows, & climbing the back fence. I was in pyjamas & a greatcoat at the time. I came to London in this dress, & went to my girl friends. I managed to get some civvy clothes. I was picked up after four days, & was returned to hospital.

I received a letter from my girl saying she was sick, so I escaped again by going through a bath room window, & climbing the back fence again. I was dressed in uniform this time, having got out of my own from the park-stores. I came directly to Kingston with a man named Allen who had

on Gerard St. last night, & a C.I.D. man recognised me & arrested me.

The pills that I have in my possession I got from a patient in the hospital. How he got them I do not know. Those I have been taking all the time I have been away.

I want to marry Joan Rooks so that she can get some money to take care of the baby. If I knew that this girl, & the baby was being taken care of I would mind, but at this time she has no money, & as I am not married to her she is not getting an allowance.

While A.W.L. I have not committed any civil offences. I don't know of any other men that are A.W.L., the whole time I was away I kept to myself.

The leave pass which I have in my possession I obtained from a C.A.P.U., from a man who had a whole book of blank passes. His name is NO. Broadstairs. I got this about two months ago I don't know where this man is now, I believe he was in D' Bty. On the first occasion when I went A.W.L., when I turned myself in, I was using another pass which I had obtained from this same man. As far as I know this man did not give away very many of these passes. I obtained about four or five from him altogether.

W R R Jenner

The two keys which I have in my possession were in the uniform when I stole it from 1 C.H.A.U.

Witness: L.Cpl. Gibbs Date: 24 Dec 42. W R R Jenner

also escaped. I stayed there for two days, & then came on to London. I was away for about fifteen days & was picked up again, & returned to hospital.

I received another letter from Joan saying she was very ill. I escaped again by going out the back door, & over the back fence as usual, & went over to my aunt's at 1 C.H.H.U. I was dressed only in pyjamas. I went into an hut there, & stole a battle dress, great coat & a pay book. I don't know who the uniform belonged, but the pay book belonged to a Gnr. Mc Intosh. I had no trouble getting into the grounds of C.H.H.U., I entered from the parade square.

I went from there to Farnham, & then hitch hiked to London. I don't remember what date this was. When I left hospital I had about £10.15.0 in cash. I had won this gambling.

I went to my girl friends at 55 Gloucester Street, & found she was really sick, so I took her to a L.C.C. clinic. When we returned to the house I noticed a car nearby, & I thought it might be the police, so I never went in, & I told Joan I would meet her at Kings Cross. We went to High Barnet & got a room in a hotel, I do don't know the name of it. The next day we came down to Camden Town, & got a room at 27 Mornington Cres. We were there about a week, & then had to go to St. Mary's Hospital to have the baby.

I visited her there about three times. Then I heard from a English soldier that the police had been there checking passes, so I never went back.

Following that I stayed around various clubs, & sleeping there also. I went to a dive bar in Soho

SUBJECT: Re: Reg. No. H-26097 - Gnr - GUNN, W.R. - 1 C.A.H.U.- Escape from No: 15 Cdn Gen Hosp - Theft of Paybook - Theft of uniform. - Possession of Falsified Leave Pass- Possession of Medical Tablets.

File Number 42/SIS/S-2-32.

1. At 1100 hrs 25 Feb 43 this office was notified by the D.A.P.M. C.M.H., that the above mentioned Cdn. soldier had escaped from 15 Cdn Gen Hosp. He had escaped wearing hospital clothing, and the following morning 1 C.A.H.U. had reported the theft of a battledress and F.S. cap, the property of Sgr. Kirkpatrick, and a complete paybook, the property of Gnr McIntosh. These articles had been stolen from a hut next to the one which Gunn used to sleep in, and in view of this, and his recent escape, they felt he may be responsible for the offence. The D.A.P.M. supplied us with two addresses in London where this man might be staying. These were the addresses of his girl friend's residence, her name was Miss Joan ROOKS.

2. Miss Joan ROOKS was found to be living at 78 Gloucester Street Victoria, S.W.1. This address was kept under observation for sometime, and eventually the young woman arrived home. She claimed she had anot seen GUNN, and to the best of her knowledge he was still in hospital. She informed us that the following day she intended going to a hospital in Derbyshire with a party of pregnant women, as so arranged by the L.C.C.

3. It was learned later that this young woman did not go to derbyshire, also that she had seen GUNN, and was travelling with him. We lost track of their whereabouts, and GUNN was not heard of again until miss ROOKS had her babyin St. Mary's Hospital, Islington. We learned that he had been visiting her, but he again evaded us when he learned that we had been to the hospital looking for him.

4. At 2148 hrs. of the 23rd inst. P.C. GUIVER of West End Central Pol. Stn., notified this office that he had arrested GUNN in a public house in the Soho district. He was subsequently turned over to No. 6 Provost Coy. P.C. GUIVER had arrested this man on a previous occasion when he was A.W.L.

5. On the 24th inst., I interviewed GUNN at the detention room, and after he had been properly warned, received the following statement:

'I went A.W.L. in Dec. 42, and was away eleven days. I returned to my unit because I wanted to get treatment for V.D. (G) which I have had, and have received treatment for, for about nineteen months. My girl friend, Miss Joan ROOKS was pregnant, and I wanted to get cleaned up, so that I might marry her. When I returned to my Unit, I went sick, and was sent to 15 Gen Hosp.

I stayed in hospital three or four days, I did not appear to be getting much treatment, in fact the Major told me there was nothing they could do for me.

One night about 9.00 P.M. I escaped by going through one of the windows, and climbing the back fence. I was in pyjamas and greatcoat at the time. I came to London in this dress, and went to my girl friend's place. I managed to get some civvy clothes. I was picked up after four days, and returned to hospital.

I received a letter from my girl saying that she was sick, so I escaped by going through a bath room window, and climbing the back fence again. I was dressed in uniform this time, having got one of my own from the pack room (THE PACK ROOM) I came directly to Kingston with a man named Allen, who had also escaped. I stayed there for two days, and then came on to London. I was away for about fifteen days, and was picked up again, and returned to hospital.

On entering the ward I saw B-93609 Dvr Gunn, W.R.H. by his bed in the centre of the ward. I passed down the entire ward on the right side turned and came back up the left side to the middle doors in the ward, stopped and talked to some patients for a short time and moved up the ward to about three fourths the way to door. I heard someone call 'Sergeant', I turned and saw the sentry approaching me saying 'Gunn has just gone out the back door'. I went out the back door with the sentry. I sent him to the rear of the hospital outside and I came to the front. Not seeing Gunn I called to Pte. Moore to [illegible] the guard as Gunn had left the ward. I saw Cpl. DeSchatelets, V., and told him to make the necessary phone calls and returned inside to look for missing clothes which I did not find. STATEMENT BY MAJOR H.H. CLARK.

On Monday. 10 May 1943, a representative from H.M.Customs & Excise and one from the Provost Corps , CMHQ, came into my office and asked to have D-95797 Pte. Gunnell,H. brought in.

After being duly warned he made and signed the following statement in my presence to the best of my recollection.

"That in the latter part of March, he conspired with C-93009 Pte. Powell?J.A. and B-73051 Pte. Fairbridge,D. to steal five Winchesters of alcohol from No.2 Base Depot of Medical Stores. Under pretence of night work permission was obtained to enter the stores and the three of them got into the locked alcohol reserve storage by manipulating the door without disturbing the lock. Five(5) Winchesters were siphoned and filled then hidden in an outlying shed pending disposition. A few days later the three of them contacted Sgt. Tomka of No.1 Neurological Hospital who bought two Winchesters of this alcohol, paying five Pounds (£5-0-0) for same. The proceeds were divided amongst them. The three unsold Winchesters were brought back to the outlying shed and eventually disappeared without his knowledge, nor did he know what become of them. He stated that there were no other transactions nor did he know of anyone else in the unit having any transactions whatever."

1. On the 5th inst., Mr. BROWNING of the Customs and Excise Dept., Special Inquiry Section, called at, and informed the Officer i/c S.I.O., that he was investigating the sale of twelve bottles of spirit made by a Canadian soldier, to a theatre manager in Basingstoke. The theatre manager, Mr. KING of the Grand Theatre, claimed that he suspected at the time that there was something wrong with the whisky he was buying, and upon receiving it, he reported the matter to the Local Customs and Excise Officer.

2. The officer noted that none of the bottles was properly sealed, and he took one, and sent it to London where it was analysed by a government chemist. The chemist's analysis read as follows:-

Lab Ref: H.767

"The sample has a spirit strength of 62.7 u.p. Its character is not that of whisky but of patent still spirit (ethyl alcohol) to which colouring matter has been added. It is free from methyl alcohol and, therefore, free from methylated spirits.

(Sgd) A.L. Morton
F.R.M. Hurst

Mil

3. Mr. BROWNING concluded that the alcohol contained in this spirit, could have come from the Neurological Hosp., which is nearby, and this conclusion was further supported by the fact, that the sale had been made by one of the staff of the hospital, a Sgt. J.P. SMITH. Mr. BROWNING asked for our assistance in the investigation.

4. I was detailed to assist Mr. BROWNING, and the following morning we interviewed Mr. KING in his office at the Grand Theatre, Basingstoke. KING gave a statement to Mr. BROWNING, which related how he had known Sgt. J.P. SMITH for a period of about twelve months, and knew him to be connected with the catering at the hospital. On Saturday, April 3rd, he had received a message from SMITH, asking him if he wished to buy any Scotch whisky. KING claimed that he had heard there was an amount of bad liquor circulating about, and stated he had been instructed by his employer, to make a purchase if possible with a view to prosecuting the parties responsible for the sales. He therefore got in touch with SMITH immediately, and the result was that twelve bottles of supposed whisky, was delivered to him at the Grand Theatre on April 5th.

Mil

5. KING paid SMITH £18 for the twelve bottles, and a receipt was supplied by SMITH. The bottles bore the label of several well known brands of Scotch Whisky such as, 'Old Angus', 'White Horse', 'Haddon's Hall' and 'John Haig'. When KING tasted the liquid contained in the bottles, it was quite clear to him that it was not Scotch Whisky.

(cont'd over)

Scotch whisky. KING then reported the matter to the Customs and Excise Officer. Just how long after the purchase he made the report, is not yet clear.

6. During the interview, KING inferred that one or two public houses in Basingstoke were selling bad liquor across the bar, and he named two the 'Cheesheer' and a public house known as the 'Hole in the Wall'. He further stated that a few days after buying the liquor, he received a letter from SMITH, which reads as follows:

April 9th.

'Eddie

Re: the goods you received. I have heard various remarks. I have been unable to get to town this week, will be in town tomorrow.

You took the goods without Customs and Excise receipt, so it would be advisable not to talk in public bars. I got the stuff in good faith, delivered same as I delivered to you.

Hoping to see you tomorrow Saturday.

Sincerely, J.P.'

7. KING accounted for this letter by the fact that he had unfortunately informed somebody of his purchase, and he concluded that word had got back to SMITH.

8. I then accompanied Mr. BROWNING to the 'Cheesheer' and 'Hole in the Wall' public houses, where a check was made of their stocks of whisky, and several bottles tested by Mr. BROWNING for alcoholic content. Everything at these two establishments appeared to be in order.

9. We then proceeded to No: 7 Cdn Neurological Hosp., where all the information so far gathered was handed over to Maj. JOHNSTON, the unit's adjutant. Maj. JOHNSTON doubted if the alcohol contained in the illicit spirit, could have been obtained from the hospital, due to the close check that was maintained on their stock. However, the matter was further discussed with Maj. WYATT of the hospital laboratory, and it was agreed that the only leakage that could occur, was from a container which held rectified alcohol. It was difficult to keep check on this container, due to the fact that it was continually having small quantities added, and taken away from it.

10. Sgt. J.P. SMITH was then interviewed. After being properly warned he made a statement, admitting that he had sold twelve bottles of whisky to Mr. KING. He stated KING had approached him on the matter of buying whisky in the early part of March, and he had agreed to get him what he could. He stated he had informed Sgt. TOMKA, the C.P.C. in charge of the officers bar, of KING's desire to purchase whisky, and a few days later TOMKA told him, he had a dozen bottles, and they were hidden in the bush nearby. SMITH then delivered the whisky to KING, and paid back to TOMKA the sum of £18, which was his price. SMITH claimed he had not made any money out of the deal.

11. Later in the investigation this statement was proved not to be the truth. We were unable to see Sgt. TOMKA this date as he was on pass.

12. The following day the 7th inst., Mr. BROWNING was called away for other duties, and I was accompanied to the hospital by Mr. CHILLMAN of the serve department. We interviewed TOMKA, and at first he claimed that he received the twelve bottles of whisky, from a party who he had met in London. This party he did not know by name, and doubted if he would know the man if he saw him again. TOMKA claimed this story was the truth.

13. We then discussed the matter with Lt.Col.

With LT.COL. R.H. JOHNSTON, C.O. of the unit. He stated some six weeks ago he had heard that TOMKA had made a sale of liquor in Basingstoke. Who the sale was made to he did not know, but he had cautioned TOMKA, and warned him that he did not want to hear of any more sales. It appeared quite obvious that this sale was the same one as we were investigating.

14. We again interviewed TOMKA, and he agreed to tell the truth. He was properly warned, and made the following statement: (Sworn) 'I first met Pte. POWELL, of the R.C.A.M.C., back in Ottawa, Canada, in fact we went to school together. After joining the army I got him in the same unit. We were both on the staff of Sail Neurological Base. We came to England together in June 1940, and were stationed together in Basingstoke. About a year and a half ago Powell left the unit, and went to Aldershot to the Holding Unit, and was then transferred to the Medical Supply Stores in Aldershot. Since he left here I have seen him about three times, that is when trucks would come through from his unit.

About six weeks ago POWELL phoned me at this hospital, and asked me certain things which I did not want to discuss on the phone, and furthermore, I could not understand what he was driving at. On this particular subject he had phoned me about eight times.

Powell came down one night, and I met him in a public house, he had two Canadian soldiers with him. Who they were I dont know. We had a couple of beers, and I discussed with Powell the purchase of two large bottles of alcohol. He wanted £15 for them, but I said it was too much, and he finally accepted £8. We went outside, and went to the lane by the pub known as the 'Hole in the Wall'. I gave Powell the money, and he gave me the two bottles of alcohol.

I brought the two bottles to the hospital, and I did not know what to do with them. The same night Sgt. J.F.SMITH took the two bottles off of me, and he said he would fix them up, and make three dozen of whisky out of them. He did not say how much he would give me, but we figured we could make about £40.

I did not see him mix any of the stuff, but I did see some after it was mixed. I saw about twenty bottles. I tasted some, and it did not taste too good, it was also poor in colour, and cloudy. He said he could get rid of it.

At six o'clock two or three days later SMITH gave me £15. He said he had more to get rid of. A couple of days later constants came back from town about the whisky, and Smith said that had tasted it. I dont know what he done with the rest of the stuff. Smith told me he had sold a dozen bottles to a man named KING in Basingstoke at the Grand Theatre, this is the only sale I know of.

This statement is true, and I have nothing more to add. (ends)

(Sgt) A. Tomka.

Witness: L.P. Wilde. 7 May 41.

15. Sgt. SMITH was again interviewed, and after being informed of the nature of TOMKA's statement, he made another statement which he said was the truth. He was properly warned, and his statement is as follows:

(Sworn) 'Between the first of April and the 31st of March, Sgt. TOMKA came to me, and said he could buy alcohol through a party who was with the Medical Centre at Aldershot.

(cont'd over)

AT ALDERSHOT. I told him it was tricky business to get mixed up in. I told him to please himself. He said he was meeting the party that same night at the public house called 'The Hole in the Wall'.

I dont know whether it was the same evening or the next morning, TOMLA brought two jars containing alcohol, to the back of the officer's mess, where I was. He said to 'Can you make whisky out of it', and I said it could be done. He gave me alcohol to me to be made up into whisky, saying that I could share in the profits.

I made fifteen bottles. I added water from the tap, and burnt sugar for colouring.

Before 16 May 47, when I proceeded on leave, Mr. KIRK, of the Grand Theatre, Leamington, asked me if I could get him some whisky while in Scotland. I told him I would do my best.

On a Saturday night, either the latter part of March, or the first of April, I met Mr. KIRK in the 'Royal Exchange' public house. I told him I had a dozen bottles of whisky to sell. I told him it would be 30/- a bottle. He said 'O.K.', bring it down, and I will pay you cash. I said I would bring it down as soon as I could.

I took the whisky I had made down to KIRK, either the following day or the day after that. I took it down in the car with all my other party boxes and crates, and delivered it to Mr. KIRK in his office at the theatre. He counted it and remarked that he would be glad to get some when ever I had any. He gave me £18 cash, and I gave him a receipt.

I came home, and gave TOMLA his £10. I did not get anything out of it, but I had three bottles left, which I thought I would dispose of later.

Some days later I heard bad reports about the whisky I had sold KIRK, so I spoke to Sgt. TOMLA about giving him his money back. He said 'nothing doing, I am going on leave, and quod the case'. I had no money myself, so I left the matter at. I wrote to Mr. KIRK, and told him it would be unwise to talk about the deal. I threw the remaining three bottles of spirits I had away.

This statement has been read over to me, it is true, and it is all I know. (ends)

(Sgd) Keith, A.P.

Witness: C.A. Clubb.

Date: 7 May 47.

Copy

16. Copies of the foregoing statements were handed over to Lieut. [illegible] of the unit, and TOMLA and KEITH, were placed under arrest pending the completion of the investigation. It will be noted that about the only descrepancies between the two statements, is the fact that KEITH claims he paid over £15 to TOMLA, and not gaining anything himself, whereas, TOMLA claims to have only received £10. Mr. COLLARD and I returned to London that date, but before doing so reported the matter to the local police, for their information.

17. The following day, May 8th, I made inquiries regarding pte. TOMLA, and found that he with his unit was located at No 3 Base Depot Medical Stores, a new unit just beginning established in Croydon, Surrey. TOMLA was still on the strength of No 2 [illegible], located in Aldershot. I proceeded to Croydon accompanied by Mr. COLLARD. At this point we met Maj. F.H. CLARK, O.C., 2 B.A.D.M.S. we encountered him with the facts of the investigation, and he informed us of the means by which alcohol was [illegible] from the stores under these conditions. We interviewed TOMLA in the presence of Maj. CLARK, and he made a statement which proved later not to be true, but the statement implicated two men of 2 B.A.D.M.S., viz'z. KEITH and GUNNELL. We returned to London this unit.

18. On Monday the 12th inst., I proceeded to 2 B.A.D.M.S., accompanied by Mr. COLLARD, and upon arrival there found Maj. CLARK was already making a check of his alcohol stores. He stated that, suspected there was a shortage in one drum.

19. Pte. FAIRBRIDGE was interviewed but he refused to make a statement. Pte. GUNNELL was interviewed, and acquainted with most of the facts of the investigation. He agreed to make a statement. He was first properly warned. The statement is as follows:

(Begins) I have been with 2 B.D.M.S. since the middle of January 1942. All of this time I have worked in the stores, either in the accounting department, or the receiving department. As a rule I do not have to handle stores, my work is entirely clerical.

I was aware that there was alcohol in the stores, and this was kept in locked storage, these stores were built by the unit carpenter. The keys for these stores were kept by the Sgt. Dispenser, and it was not possible for anybody else to have access to the stores. I am not sure whether this is correct or not, but I think it is.

One day about six weeks ago, I discovered that the door to the alcohol stores, could be opened without using a key. I passed this information on to Pte. POWELL, and Pte. FAIRBRIDGE. We then conspired, between the three of us, to steal a quantity of alcohol from the stores. It was agreed that I should go to the stores at night on the pretence of doing some work, and I obtained permission to do this work from R.S.M.S. CREEDON, JL.

I went to the stores at about 7.00 P.M., this would be about the end of March 1943. Very shortly after I had arrived at the stores, Pte's. POWELL & FAIRBRIDGE came in. The three of us went to work, and opened the cupboard. This was not hard to do. All we had to do was push the left hand side of the door in, and then slide it open.

We syphoned the alcohol from the barrel, and filled up five Winchesters, each one contained four or five pounds. We took them out, and hid them behind the shower rooms, they were put behind a sort of a counter in one of these sheds.

POWELL said he knew where he could dispose of the alcohol, and several nights later the three of us went to Basingstoke. We were met there by a Canadian W.O., he belonged to No: 1 Neurological Hospital, I dont know his name. FAIRBRIDGE and I stayed in a public house while POWELL went outside with this Sgt., and sold him two of the Winchesters full for £5. The money was split up between the three of us. I got, I think, £1.5.0., how the rest of the money was divided I dont know.

The other three Winchesters full were brought back and put in the shed again. About a week later the three Winchesters disappeared, where they went to I dont know. I dont think FAIRBRIDGE or POWELL know either. Nobody else in the unit knew of the theft. To the best of my knowledge this is the only alcohol that has been stolen while I have been with the unit.

One day when I returned off a weekend there was a large number of the C.A.C.R.U. drunk, or at least it was reported to me that they were drunk. I think they must have found the alcohol in the shed during the time when they were cleaning out the shower room.

This statement is true, and it is all I have to say. I have read the above statement over. (ends)

(Sgn) H. Gunnell.

Witness: L.A. Gibbs.
Date: 10 May 43 - Aldershot.

20. Having received the above statement from GUNNELL, we again interviewed FAIRBRIDGE, and showed him the statement. He then agreed to tell the truth, and after being warned, gave the following statement:

(Begins) I have read over the statement made by Pte. GUNNELL. It is true in every detail, I have nothing more to add. He stole

(cont'd over)

we STOLE the alcohol on the night of the 30th March, that was a Tuesday night. The purpose of stealing the alcohol was to sell it, and obtain money.

The first I knew of the intention to commit the theft, was one afternoon when I went into the boiler room, and overheard GUNNELL & POWELL talking about it. I got into the conversation, and asked to be allowed to take part in the theft.

Regarding the two bottles sold to Sgt. TOMEA, in Basingstoke, I received about £1.5.0. , after the expenses for the trip had been paid.

I dont know what became of the three Winchesters full which had been left in the shed.

This is the only theft of alcohol that I know of. I dont think anybody else, outside of the three of us, knew of the theft.

This statement is true, I have read it over, and it is all I know.

(Sgn) D. Fairbridge, Pte.
B-73052

Wit: L.A. Gibbs.
Aldershot - 10 May 43.

21. FAIRBRIDGE, GUNNELL and POWELL, were not put under arrest, Maj. CLARKE is a t present waiting for full particulars of the investigation.

22. Before leaving 2 B.D.H.S., the alcohol stores were inspected by Mr. COLLMAN. GUNNELL also pointed out to us how he was able to enter the alcohol storeroom without unlocking the door. This fault has no doubt been corrected by now.. The alcohol was tested by Mr. COLLMAN, and found to be up to strength. The spirit stolen by GUNNELL and his companions was 65 O.P., and ethyl spirit. This spirit is received direct from Canada, and is not at any time handled by the Customs and Excise Dept.

23. On Tuesday the 11th inst., I proceeded to Croydon, and again interviewed Pte. POWELL. He admitted his previous statement was not true, and after reading GUNNELL's statement, made the following himself.

(Begins) I have read over the statement made by Pte. H. GUNNELL, and it is true in almost every detail. I wish to make a new statement, and have the previous statement made to Sgt. Gibbs ignored.

Pte. GUNNELL came to me one afternoon, I think about two months ago, and asked me if I knew of anybody who would by some alcohol if he got it. I told him I had an idea of a chap who I thought would buy some, because I have known this chap to buy up almost anything. The GUNNELL went on to explain how he could enter the alcohol stores, and take out alcohol. This conversation took place in the boiler room, and I feel sure that Pte. FAIRBRIDGE was already in the know on this subject.

It was then decided between the three of us that GUNNELL should go down to the stores that evening on the pretence that he had some work to do, and I was to assist him. FAIRBRIDGE would be allowed to come in by the back door. These plans were followed out.

GUNNELL got into the locker that contains the alcohol, and we syphoned out five Winchesters full. We took them out and hid them in a shed behind the shower room.

I contacted Sgt. TOMEA of No 1 Neurological Hosp. by phone, and asked him if he would meet me in the public house known as the 'Hole in the Wall' in Basingstoke. I told him I had something to sell. He agreed to meet me there. The three of us, GUNNELL, FAIRBRIDGE and I went to Basingstoke, it was a Thursday, I think the 29 Mar 43. We could not find TOMEA in the public house as named, so I phoned him at the hospital from there. He said he would be down inside of a half an hour, and we waited for sometime, but he did not turn up. We looked around a little in a few other pubs, then I told GUNNELL and FAIRBRIDGE to wait in the 'Horse and Jockey', and I went out to look for TOMEA. I returned to the 'Horse and Jockey' sometime

They wanted to sell the five bottles full to TONKA, at what TONKA described as a stupid price, stating in his way that he was no millionaire. After this discussion TONKA decided he would take two bottles for five pounds. We went outside, TONKA handed us the five pounds, and he picked up two Winchesters of alcohol, which we had planted by the side of the pub. GUNNELL took the three with him. The three of us returned to our unit.

We put the other three bottles back in the shed behind the shower room. A couple of days later, after noticing a few chaps of the Armoured Corps walking around in rather a drunken stupor, we wondered whether they had found the alcohol. We went and had a look and found it was all gone. We said nothing about it, and forget the whole affair.

I know of no other thefts of alcohol from our stores, and this is definitely the only one I was ever in on. This statement is the truth, and I have read it over. I have nothing more to say. (Sgn) Pte. J.A. Powell. (ends)

24. After reading over the statement POWELL decided he would like to add the following to his statement. (Begins) 'Further to the above, I wish to say I received thirty two shillings and sixpence out of the proceeds of the two bottles sold to TONKA in Basingstoke. GUNNELL got about the same, and FAIRBRIDGE received a little more due to the fact that he had paid some expenses of the journey to Basingstoke.
(Sgn) Pte. J.A. Powell

Witness: L.A. Gibbs.
II Hqs 43 - Croydon.

25. In the afternoon of this same date Lieut. PAUL of Neil Neure. Hosp., called at this office, and took statements from Mr. COLLEAR and myself, for the purpose of a summary of evidence. He stated SMITH and TONKA were both being charged with 'Obtaining Money by False Pretences'.

26. All of the statements taken are more or less self explanatory. It will be noted that there are some differences of opinion as to when the alcohol was stolen. However, this can be expected due to the rather long period that has elapsed since the theft occurred. Some of the subjects at first were not too willing to tell the whole truth, but as the investigation developed, they were quite willing to tell all they knew. None of those concerned can be described as the habitual type of miscreant, and it is felt that this is an isolated occurrence in their career.

27. The position of Mr. KING, the theatre manager, is still somewhat vague. In the first place he presented himself in the role of an informer, but with the facts now at hand, this point seems rather debatable. I am inclined to believe, that should he have received good whisky from SMITH, he would certainly not have reported the matter, and well knowing at the same time that SMITH had no right to be selling whisky. However finding himself with spirit on his hands that he could not possibly sell over his bar, he reported the matter, hoping he remain his side. This point is being thoroughly investigated by the Customs and Excise Dept.

28. All of the original statements taken are held on

HOLD ON file at this office. The receipt, supplied by [redacted] also his letter, which I received from Mr. [redacted] are covered by Exhibit Report No: 501. A copy of the government chemist's analysis is also covered by this Exhibit Report. I suggest that these articles be forwarded to No: 1 Neuro. Hosp. for evidence. It is unlikely that any of these documents will be required by the other unit concerned.

2. Could a copy of this report be supplied to the Customs and Excise Dept., at City Gate House, London EC 1. Also may copies go to both of the units concerned, extra copies are supplied for this purpose.

3. It is unlikely that any action will be taken by the Customs and Excise Dept., against the men concerned. They are satisfied that disciplinary action, in proportion with the offences committed, will be taken by the Canadian Army.

4. This file will be considered closed at this office.

Plea in Mitigation
by
Defending Officer

D95797 Pte Harry Gunnell

This accused is a well educated man having taken a course in Cost Accounting at McGill University & since then having held responsible positions at good salaries

His conduct sheet indicates that he is not an habitual offender and, as his former Commanding Officer has stated, this is an isolated instance in his career

The Court is respectfully requested to bear in mind the fact that the Summary of evidence discloses varying degrees of guilt as between this accused & the others tried jointly with him and also the exceptional evidence given by two of his superior officers as to his character.

All of which is respectfully submitted

Pte Gunnell Friend.

Plea in Mitigation on behalf of accused C73009
Pte Powell. B Pool Pte Fairbridge

The attention of the court is drawn to the evidence of Major Clark & Captain Moffat - both testifying to the general good character of the accused.

The defence wishes to draw particular attention to the history of Pte. Fairbridge.
Fairbridge is now 22 yrs of age. He joined the army at the age of 19 and arrived in England in 1939 with the first contingents of the Canadian Army. He served in the field with the 14th Brigade and subsequently, on being claimed by the R.C.R. an older battalion, with the R.C.R. of Canada. His name was suspended in training and his category was lowered and he was returned to the Holding Unit where he has been serving many months during all this period from the time he arrived in England until the unfortunate incident at the end of March. He commenced out the course of duty without attempt to dream to his statement contained in the summary of Evidence which shows that Fairbridge chanced to overhear the other two discussing the theft & asked to be allowed to share in it.
This is a perfect case of a man with a blameless record, who, bored possibly by the prospect of a long stay

a due recognizal for meritorious & triumphant

It is submitted that in view of the evidence & Cambridge's history conduct that he is deserving of very special consideration on the part of the court

CERTIFICATE OF CHARACTER.

I, Capt.J.St.C.Moffat, certify that having been attached for duty to No.2 Cdn Base Depot of Medical Stores, R.C.A.M.C., from September 1942 until the present date, the m/n Other Ranks were employed at No. 2 Cdn B.D.M.S.

B-73051 Pte. Fairbridge,D., was posted to No.2 B.D.M.S. as a Boilerman and was unquestionably satisfactory in this post. He has been a well-behaved soldier while with this unit as is shown by his clean record up to this date.

D-95797 Pte. Gunnell,H., was employed in the Accounting Department for a short time after my arrival here but in the subsequent re-organization of the Receiving Department he was placed in that department. Since I was greatly concerned with this re-organization, I had the opportunity of closely observing Pte. Gunnell,H., and have been much impressed with his efficiency in a difficult task. Receipts were well-handled and no discrepancies were noted. I have felt that Pte. Gunnell's character and behaviour have been excellent and feel this to be an isolated instance of misconduct.

C-93009 Pte. Powell,J.A., has been employed on spectacles during my time at this depot and as such was not directly in my department. I believe his work to have been capably handled and have had no reason to suspect any misdemeanors in his general conduct.

CERTIFICATE OF CHARACTER

I Major H.H.Clark hereby certify that having been OC No. 2 Cdn Base Depot of Medical Stores from Sept 1941 to 9th May 1943, the m/n Other Ranks were employed in the #2 B.D.M.Stores in the following capacities.

C.93009 Pte Powell,J.A. in the Issuing Dept for a short period then in charge of the receiving and despatch of spectacles. He was under my command for close to two years and handled his work very capably and during this period his character and general behaviour was satisfactory.

D.85797 Pte Gunnell,H. has been employed in the Accounting Dept for some months and on re-organization of the Goods Received Dept he was moved there. This is a very responsible position in the Base Depot as thousands of dollars worth of supplies and equipment pass through. Pte Gunnell has handled this Dept with great efficiency. No discrepancies have been noted in his receipts and his general character and behaviour has been excellent. It is felt that this instance as far as Pte Gunnell is concerned was an impulsive misdemeanor and not one arising from criminal tendencies.

D.73061 Pte Fairbridge,D. was under my command for about six months as a boilerman. He never worked in the stores proper and in this time his work was satisfactory as well as his general character and behaviour.

Plea in Mitigation

Mr President and members of the court

May it please the court to consider the following facts in mitigation of the punishment of the accused. The accused aged 22 volunteered for active service on 7th Jan 1943 and proceeded overseas on 15 June 1943. The accused landed in Normandie 8 June 1944 and was wounded at Carpiquet on 7th July 1944 returned to the unit on 6 Sept 1944 and has served with the D.O.R. Yesterday until 22 Nov 1944 when he went absent without leave - He therefore served over two months with a life century & has not had a day's leave and has been wounded by enemy action. He left the regiment whilst the regiment was out on rest and after not more than 15 days realised the folly of his ways and surrendered himself to the military authorities. He has never been before a court martial in two years of service and in both these cases he was really provoked by normally small causes without leave. Save D day the accused has never been guilty of any crime until now and I submit to the court that this means a record of service and character should be a clear indication of the good heart and devotion to duty and I ask the court shall be as lenient as possible with him.

Statement of [illegible] B-65777 CoMM King H.J. [illegible]

Same duty shown as before. On or about 1000 hrs.
23 Nov 44 two men were turned over to me by B-65324 CoMM Sewell S.C. of this Dept. One of these men was B138223 Rfn Sushi P.M. whom I now resign. CoMM Sewell stated that they had returned from A/C but did not state whether they were under open or close arrest. I arranged transport to "F" Coh. for them and saw them leave. They were brought back to "A" Coh by Capt I.S. Walshe of this Unit. At about 1030 hrs I looked out the window and saw Rfn Sushi standing in the street. I went and asked him what he was doing there and he told me Capt. Walshe had brought him back. I then made arrangements to send him up to "F" Coh again on the ration truck at 1100 hrs. Rfn Sushi asked permission to get his mail at his Coy office. I gave him permission to go and told him to return immediately to the ration truck. He gave me his word that he would return. At 1100 hrs. Rfn Sushi did not report to the truck. I went to his Coy. office. He was not there but the clerk stated that he had been in there to get his mail. I then checked the lines and found that Rfn Sushi was missing.

Rfn Sushi did not return to "A" Coh but he was brought under escort on 23 Dec 44

EVIDENCE

While on patrol inthe City of ANTWERP at approx. 1400 hrs. 7 Dec.44 in company with H1118 PTE OZOUP W. I had occasion to check the A/M. soldier on the MEIR for his authority to be in Antwerp, this he could not produce. On being questioned further he admitted being A.W.L. from his unit. I placed him in close arrest and escorted him to the Town Guard Room. Where I found the att; pass among his personal articuls. The pass is bogus, and the A/M. soldier ~~XXXXXXXXXXXXX~~ stated that he had paid 50 Francs for it. I turned him over to the duty NCO. and obtained a body receipt for him.

"PLEA FOR MITIGATION OF SENTENCE"

"The accused A9582 PTE GUSHARD R.E.E, to the charge of absenting himself without leave, PLEADS GUILTY" — and wishes to submit to the consideration of the Court the following Plea for Mitigation of Sentence.

E-3

Mr. President

1) This soldier has a total of two hundred and fifteen (215) days – is married in Canada and is the father of two children.

2) He enlisted in the army in February 1940 at the age of 19 years. — He arrived in the U.K 1 Aug 1940.

He trained in Canada and in the field in the United Kingdom with the R.C.A.S.C being employed as a despatch rider.

During his service in the field here and while being attached to the 4th Field Ambulance he was involved in a Motorcycle accident and received a broken spine which necessitated his hospitalization for a Considerable time.

The accused took part in the initial landing in Sicily – Served throughout that Campaign and moved with our forces up through into Italy.

During this part of his service he was still employed as a despatch rider but was transferred to the First Med Battery R.C.A. for the period July 43 to November 1943.

Still employed as a despatch rider he was again transferred to the Canadian Dental Corps for the period Feb 1944 to Jan 1945 –

At this period in his army service he was remustered to the Canadian Infantry Corps – served with and saw action with the Royal Canadian Regiment

At the time that the R.C.R's were despatched with the 1st Canadian Corps to Holland – the accused developed jaundice and was in hospital for 2½ months.

On his discharge from hospital instead of being allowed to join his Regiment in Holland he was sent as a Casual to a Holding Unit in England

After several attempts to rejoin his Regiment in Holland and not being allowed to do so – this soldier along with several pals VOLUNTEERED for BURMA for service with our Pacific force.

What happened to this last patriotic effort of the accused?????

There is what happened Mr President – all the pals of the accused who had volunteered with him for service in the far East were all sent to a Repat Depot to await despatch to Canada and thence to additional training and finally Burma.

But what happened to the accused Pte GUSHARD.

– Well he was posted to the 7th Canadian Garrison Battalion a unit that had a small percentage of long service men or men that had seen any action or even a theatre of war but Composed largely of N.C.O's and men recently arrived from CANADA

Well the Court can appreciate the feelings of the accused

1). Unable to join his Comrades in the R.C.R's with whom he saw action.

2) Unable to leave with pals with whom he Volunteered for far East

3) Thoroughly disgusted with the static life in a Holding unit in the demoralizing Aldershot district

4) Finally after more than five years of active Service forced to a unit of ..... "RECENT ARRIVALS"

Well Mr President – the accused one night failed to return and did go ABSENT WITHOUT LEAVE

Firstwitness for the prosecution:
Major F.D. Brooks,76 Bty,17 Fd Regt,RCA?sworn,states:
Comd 76 Bty,17 Fd Regt.
At about 1700 hrs 5 Nov 44 I parked a Willys 5 cwt 5468222 in front of the offrs mess. That is the last I saw of it. I first noticed it missing the morning of 6 Nov. I think there was an Air force marking on the hood. I do recall the bright colored paint after the jeep had been washed on 5 Nov.
Cross-exam:
I did tell Gnr Guss,my batman,to clean it up and have it apinted. I do not recall the bumper on the front and do not know what tax signs were on it.
RP 83(B) complied with

Second witness for the prosecution:
Lt W.T.Athey,17 Fd Regt,RCA,sworn,states:
On 6 Nov 44 I was returning from Floence. At approx 1030 hrs,I was travelling east on the road b tween FARRIANO and JESI,when I noticed a jeep approaching with three men in it. The jeep bore 74 Tac sign. I recognized Gnr Guss the accused as a passenger in the jeep. Guss has been my batman off and on,last time for approx one month prior to 28 Oct when I went on leave. He was still my batman when I wnet on leave.
I went on leave on 28 Oct and instruxted him to take my kit to the rest srear if we came out of action. Half of my kit is usually carried in Y and half in H. My kiywas a 4.5 charge box,kit bag,bed roll,bed packs and a pair of boots.. All my kit was in the comd post house when I left and he was to remove it from there.
I saw part of my kit about the 7 Nov. I found bedroll and bed,small pack and pair of boots in H but there was nothing in Y. Charge box and kit bag missing and still missing. I checked the drivers and personnel but they did not have my kit. Contents of the box and bag which are still missing are as follows: (List attd as A1 after being read).
Cross-exam:
Accused was my batman after Hitler line. At that time some of my kit had gone to B Ech but I got it back. Since then I have not lost equip.
Expected him to take kit to offrs quarters or some other place where he could look after it. Quite likely that people could have hepled themselves. Am not acquainted with the batman's quarters in FOSSOMBRONE
I found my bed in the men's quarters.
My binoculars had been turned in to QM stores. They had been in glove compartment in scout car, doubt if he knew they were there.
If kit in MT lines under gd would consider it fairly saffe,batman would be the only ones who could take it without question.
Re-exam:
Charge box had luggage tag with my name. It was not re-painted. Kit bag had my name on it.
Exam by the Court:
I asked Guss for my kit when I say him and he replied"I left it in the MT park". I saw him the night he returned from absence approx a week or more after I returned from leave. He was under close arrest when I saw him. I had instrunted Guss to get my laundry cleaned and when he got it back to pau it with the rest of the stuff and take all of it to the new area. At that time I did not know ehere the rest area was going to be.
RP 83 (B) complied with.

Third witness for the prosecution:
L35134 Sgt Parr,W.J.W.,17 Fd Regt,RCA,sworn,states:
I am MT Sgt 17 Fd Regt. On 6 Nov no authorization was given to Gnr Guss the accused to have a veh,nor was there any authorization to anyone to have a jeep on the road between Fabriano and Jesi. I know WD veh 5468222,it carried tac 74 sign and had American star on hood.
Cross-exam: None
Exam by Court:
I have all work tickets for the unit. I make them out and an offr must sign them. Anyone going outside POSSOMBROME required a work ticket.
RP 83(B) complied with.

Fourth witness for the prosecution:
B11778 Gnr McCue,A.S.,17 Fd Regt,RCA,sworn,states:
On 5 Nov I was guard at 76 bty MT lines when I saw at 1730 hrs Gnr Guss the accused carrying a charge box. I saw him on ehalf hour before around the MT lines. Did not see where he got the box. It looked wnpty he was carrying it under his arm. Did not speak to him. He was walking on the side of the road going towrds RHQ away from town. He was alone and walking normally.
Cross-Exam;
Did not walk as thought the box were full. I did not see him come out of the park with the box. Did not watch to see if he went to the offrs mess-- it is possible to get to the offrs mess that way.
Did not notice anyone with him. He was alone at 1730 hrs. At 1700 hrs there were three of them,Lockett,Hamilton and Guss. When the 3 left they took nothing with them.
Re-exam:
At 1700 hrs when I saw the 3 they were moving away from a veh. I was about 50 yards away.Lot of vehs and trees between us.
Exam by the court:
Had just the one box.
RP 83 (B) complied with

EVIDENCE FOR THE DEFENCE.

First witness for the defence:
M28684 Gnr R.E. Guss,17 Fd Regt,sworn,states.
On afternoon of 5 Nov went on 1300 hrs parade. I helped driver of Y wash truck until 1430 hrs. I then gathered up Mr Atheys laundry and handed in his binoculars. The 4.5 charge box and kit bag were in H and the remainder of his kit was in Y on 5 Nov at POSSOMBROME in Car park.
I went uptown to a cafe and had a few drinks. Stayed about 1 and one half hours and came back for supper. Barracks are about 500 yards from the car park. After supper I wnnt to the car park to get cigarettes. Believe supper at 1630 hrs. Grns Hamilton and Lockett with me. After getting cigs went back to brks. I had a 4.5 box and took it up to my brother in the offrs quarters. Did not see anyone on gd at MT park. I do not recall now I carried the box. My bro had asked for the box.
I then returned to the cafe met Hamilton and Lockett there. Later met couple of English chaps,were drinking,they asked if we would like to go to Fano,so we went. Left Fano 7 oclock or so and arrived Ancona about 10 oclock. Stayed at Ancona 5 or 6 hours,left by 15cwt and went to Rome. Returned to Jesi and gave myself up.
Left offrs kit in MT li es,Had asked Mr McIntyre what to do with it and he thought it best to leave it where it was. I had heard 76 bty offrs were crowded and might not stay in their mess. His kit on 5 Nov was in the vehs under a tarp.
Cross-exam:
When Mr Athey left he did want alundy done. Did not take it out them

because not sure how long we would be in action.
Guess laundry is still in Fossombrome, I did not tell Mr Athey where it was.
Had picked my box up on the road, Am not sure if it is 4.5 or 5.5 box.
My bro lived in the offrs quarters. We had been in FOSSOMBROME 2 days, I firgured I was taking the shortest route. I had not been to the offrs quarters before.
Had just got a kit bag and just decided to take the box up to my bro.
Left Ancons 3 or 330. Left with Gnr Lockett,arrived Rome 5 or 6 next morning. Lockett and I rode in the back.. Only saw the driver when we hailed them. We were dropped in Rome. Did not see Mr Athry on the raod.
Spent night of 6 Nov outside of Fano at form house. Left it about 9 or 915.
Believe the list is about what the box and kit bag of Mr Athey's contained.
Re/exam:
Did not spend all time in Rome
Exam by the court:
Hamilton and Lockett left me at MT park.
Left Fano next morning. I had greatcoat in box and some other kit.
It was an English 15 cwt. We did not speak to the others when we made stops.
RP 83 (B) complied with.

Second witness for the defence:
H29052 ~~Gx~~ Bdr Lalonde,M.L.,17 Fd Regt,sworn,states:
On afternoon of 5 Nov I was uptown in FOSSOMBROME. I had haircut and then went to a cafre. Saw Gnrs Hamilton,Lockett and Guss there. they were not intoxicated.
No exam.
RP 83(B) complied with

Third witness for the defence:
M543 Gnr Guss,D.N.,17 Fd Regt,sworn,states:
Was driver of Maj Brook's jeep in FOSSOMBROME. When we moved to FOSSOMBROME it had no windhsield ,no top and it was muddy.
on afternoon of 5 Nov I washed jeep. Found it had a board wired on in place of a bumper. I took this board off. Were no signs on the front except the RAF bullseye. There was a 74 tac sign on the rear.
I last saw my bro the accused before he went AWL at entrance to offrs mess when he brought charge box to me. It was 4.5 amn box,I still have it.
Cross-exam:
Had spoken to him re charge box several times. I gave him a kit bag while we were in action and he was to give me a charge box.
RP 83 (B) complied with.

Fourth witness for the defence:
L104522 Gnr Heinrich?H,17 Fd Regt,Sworn,states:
On 5 Nov I was Maj Brook's barman. I helped Gnr Guss wash the jeep It had RAF bullseye marking and no bumper. We took a wooden bumper off it when we were washing it.. Do not remember tac signs but it had a 74 s gn on the rear. It had no windshield.
When we arrived at FOSSOMBROME I left some of Maj Brook's kit in ~~Y~~ because we could not keep all of it in the quarters. Only 4 batmen stayed in the offrs quarters,the others stayed about 100 yards away.
Cross-exam:
I noticed in FOSSOMBROME that Guss,accused's brother,had a charge box. I did not notice when he got it.
Do not remember where spare tire was carried on jeep.Do not know if had rear bumper.
R/ 83 (B) complied with.

Defending officer address:
Let us go over the actions of the accused from 5 Nov on. ----- He could therefore not have been in the jeep. Mr Athey must be mistaken. Re Kit, there was doubt whether offrs going to stay in the mess where they were. Accused faced with taking kit to quarters where unguarded or to leave it in veh where there were guards. He has not shown any neglect. Fact that he turned binoculars in shows his good faith. All his actions accounted for in a logical manner.
~~xxxxx~~ Not sufficient evidence to convict and no neflect shown re offrs kit.

Prosecutor in closing:
Kit should have been taken to offrs quarters. Accused wnet AWL and left kit with no precautions for safety. Re laund it is strange that he did not take the laundry out for so many days afger being told to do so but it is stranger still that he has not to this day told Mr Athey where that laundry is.
Rather strange that accused memory so good re times after all the drinking he claims to have done and yet it is so faulty re people he took such a long ride with and the veh it was taken in.
Also seems strange why the accused's cigs were kept in a veh while the remainder of his kit was kept in his quarters.
Suggest Mr Athey straightforward witness and worthy of belief.

Speech in Mitigation for.

M 286 84 Gnr Guss R.E.

The accused is a volunteer in the Can army. He has 3 1/2 years of service of which fourteen months were spent in Italy with the 17 Can Fd Co R.E. His record in action has been good. Although he is shown on strength now as a Gunner, it is known that he never wanted to be one. Of the fourteen months here six were spent as a gunner on the guns in 37 Bty.

Exhibit D. 3

First witness for the prosecution:

Major F.D. Brooks, 76 Bty, 17 Fd Regt, RCA, sworn, states:-
Comd 76 Bty, 17 Fd Regt.
At about 1700 hrs 5 Nov 44 I parked a Willys 3 CWT 5466282 in front of the offrs mess. That is the last I saw of it. I first noticed it missing the morning of 6 Nov. I think there was an Air Force marking on the hood. I do recall the bright colored paint after the jeep had been washed on 5 Nov.

Cross Exam:

I did tell Gnr Guss, my batman, to clean it up and have it painted I do not recall the bumper on the front and do not know what tax signs were on it.

R.P. 83 (b) complied with.

Second Witness for the prosecution:

Lt. W.T. Athey, 17 Fd Regt RCA, sworn states:

On 6 Nov 44 I was returning from Florence. At approx 1030 hrs I was travelling east on the road between FARRIANO and JESI, when I noticed a jeep approaching with three men in it. The jeep bore 74 Tac sign. I recognized Gnr Guss the accused as a passenger in the jeep. Guss has been my batman off and on, last time for approx one month prior to 28 Oct when I went on leave. He was still my batman when I went on leave.

I went on leave on28 Oct and instructed him to take my kit to the rest areas if we came out of action. Half of my kit is usually carried in Y and half in H. My kitwas a 4.5 charge box, kit bag, bed roll, bed packs and a pair of boots. All my kit was in the comd post house when I left and he was to remove it from there.

I saw part of my kit about the 7 Nov. I found bedroll and bed, small pack and pair of boots in H but there was nothing in Y. Charge box and kit bag missing and still missing. I checked the drivers and personnel but they did not have my kit. Contents of the box and bag which are still missing are as follows: (list attd as A1 after being read)

Cross Exam:

Accused was my batman after Hitler line. At that time some of my kit had gone to B Ech but I got it back. Since then I have not lost equip.
Expected him to take kit to offrs quarters or some other place where he could look after it. Quite likely that people could have helped themselves. Am not acquainted with the batman's quarters in FOSSOMBRONE. I found my bed in the men's quarters.
My binoculars had been turned in to Q Stores. They had been in glove compartment in scout car, doubt if he knew they were there.
If kit in MT lines under gd would consider it fairly safe, batman would be the only ones who could take it without question.

Re Exam:

Cont'd.....

Charge box xx had luggage tag with my name. It was not re-painted Kit bag had my name on it.

Exam by the Court:

I asked Guss for my kit when I say him and he replied "I left it in the MT park". I saw him the night he returned from absence approx a week or more after I returned from leave. He was under close arrest when I saw him. I had instructed Guss to get my laundry cleaned and when he got it back to put it with the rest of the stuff and take all of it to the new area. At that time I did not know where the rest area was going to be.

R.P. 83 (b) Complied with.

-2-

Third witness for the prosecution:

L.35134 Sgt Parr, W.J.W., 17 Fd Regt, RCA, sworn, states:

I am MT Sgt 17 Fd Regt. On 6 Nov no authorization was given to Gnr Guss the accused to have a veh, nor was there any authorization to anyone to have a jeep on the road between Fabriano and Jesi. I know WD veh 8466322, it carried the 74 sign and had American star on hood.

Cross-exam: None.
Exam by Court:

I have all work tickets for the unit. I make them out and an offr must sign them. Anyone going outside FOSSOMBRONE required a work ticket.

R.P. 83 (b) complied with.

Fourth witness forthe prosecution:

B.11778 Gnr McCue, A.S., 17 Fd Regt, RCA, sworn, states:

On 5 Nov I was guard at 76 Bty MT lines when I saw at 1730 hrs Gnr Guss the accused carrying a charge box. I saw him on half hour before around the MT lines. Did not see where he got the box. It looked empty he was carrying it under his arm. Did not speak to him. He was walking on the side of the road going towards RHQ away from town. He was alone and walking normally.

Cross exam:

Did not walk as thought the box were full. I did not see him come out of the park with the box. Did not watch to see if he went to the offrs mess--it is possible to get to the offrs mess that way.
Did not notice anyone with him. He was alone at 1730 hrs. at1700 hrs there were three of them, Lockett, Hamilton and Guss. When the 3 left they took nothing with them.

Re-Exam

at 1700 hrs when I saw the 3 they were moving away from a veh. I was about 50 yards away. Lot of vehs and trees between us.

Exam by the court:

Had just the one box.

R.P. 83(b) complied with.

EVIDENCE FOR THE DEFENCE.

First witness forthe defence:-

Cont'd page 2

M.23684 Gnr R.E. Guss, 17 Fd Regt, sworn, states:

On afternoon of 5 Nov went on 1300 hrs parade. I helped driver of Y was truck until 1430 hrs. I then gathered up Mr Atheys laundry and handed in his binoculars. The 4.5 charge box and kit bag were in H and the remainder of his kit was in Y on 5 Nov at FOSSOMBRONE in Car park.

I went uptown to a cafe and had a few drinks. Stayed about 1 and one half hours and came back for supper. Barracks are about 500 yards from the car park. After supper I went to the car park to get cigarettes. Believe summar at 1630 hrs. Gnrs Hamilton and Lockett with me. After getting cigs went back to brks. I had a 4.5. box and took it up to my brother in the offrs quarters. Did not see anyone on pd at MT park. I do not recall now I carried the box. My Bro had asked for the box.

I then returned to the cafe met Hamilton and Lockett there. Later met couple of English chaps, were drinking, they asked if we would like to go to Fano, so we went. Left Fano 7 o'clock or so and arrived Ancona about 10 o'clock. Stayed at Ancona 5 or 6 hours, left by 15 cwt and went to Rome. Returned to Jail and gave myself up.

Left offrs kit in MT lines. Had asked Mr McIntyre what to do with it and he thought it best to leave it where it was. I had heard the bty offrs were crowded and might not stay in their mess, the kit on 5 Nov was in the vehs under a tarp.

Cross-exam.

When Mr Athey left he did want laundry done. Did not take it out then

---

because not sure how long we would be in action.
Guess laundry is still in Fossombrone, I did not tell Mr Athey where it was.
I had picked my box up on the road, Am not sure if it is 4.5 or 5.5 box.
My bro lived in the offrs quarters. We had been in Fossombrone 2 days I figured I was taking the shortest route. I had not been to the offrs quarters before.
Had just got a kit bag and just decided to take the box up to my bro.
Left Ancona 5 or 5.30. Left with Gnr Lockett, arrived Rome 9 or next morning. Lockett and I rode in the back. Only saw the driver when we hailed them. We were dropped in Rome. Did not see Mr Athey on the road.
Spent night of 5 Nov outside of Fano at farm house. Left it about 9 or 915.
Believe the list is about what the box and kit bag of Mr Athey's contained.

Re-Exam.

Did not spend all time in Rome.

Exam by the court:

Hamilton and Lockett left me at MT Park.

Left Fano next morning. I had greatcoat in box and some other kit. It was an English 15 cwt. We did not speak to the others when we made stops.

Mr Bd (b) Complied with.

Second witness for the defence.

M.290?? Bdr Lalonde M.I., 17 Fd Regt, sworn, states:

On afternoon of 5 Nov I was uptown in FOSSOMBRONE. I had haircut and then went to a cafe. Saw Gnrs Hamilton, Lockett and Guss there, they were intoxicated.

Cont'd page 3

No exam.

A.F. 63 (b) complied with.

Third witness for the defence:

M.543 Gnr Guss, D.H., 17 Fd Regt sworn, states:

Was driver of Maj Brook's jeep in FOSSOMBROME. When we moved to FOSSOMBROME it had no windshield, no top and it was muddy. On afternoon of 5 Nov I washed jeep. Found it had a board wired on in placeof a bumper. I took this board off. Were no signs on the front except the RAF bullseye. There was a 74 tac sign on the rear. I last saw my bro the accused before he went AWL at entrance to offrs mess when he brought charge box to me. It was 4.5 amm box, I still have it.

Cross-exam:

Had spoken to him re charge box several times. I gave him a kit bag while we were in action and he was to give me a charge box.

A.F. 63 (b) complied with.

Fourth witness for the defence:-

L.104822 Gnr Heinrich H, 17 Fd Regt Sworn, states:

On 5 Nov I was Maj Brook's batman. I helped Gnr Guss wash the jeep It had RAF bullseye marking and no bumper. We took a wooden bumper off it when we were washing it..Do not remember tac signs but it had a 74 sign on the rear. It had no windshield.

When we arrived at FOSSOMBROME I left some of Maj Brook's kit in y because we could not keep all of it in the quarters. Only 4 batmen stayed in the offrs quarters, the others stayed about 100 yards away.

Cross exam:

I noticed in FOSSOMBROME that Guss, accused's brother, had a charge box I did not notice when he got it.

Do not remember where spare tire was carried in jeep. Do not know if had rear bumper.

A F 63 (b) complied with.

-4-

Defending officer Address:

Let us go over the actions of the accused from 5 Nov on.----He could therefore not have been in the jeep. Mr Athey must be mistaken. Re Kit, there was doubt whether offrs going to stay in the mess where they were. Accused faced with taking kit to quarters where unguarded or to leave it in veh where there were guards. He has not shown any neglect. Fact that he turned binoculars in shows his good faith. All his actions accounted for in a logical manner.
Not sufficient evidence to convict and no neglect shown re Offrs Kit.

Prosecutor in closing:

Kit should have been taken to offrs quarters. Accused went AWL and left kit with no precautions for safety. Re laundry it is strange that he did not take the laundry out for so many days afterbeing told to do so Or it is stranger still that he has not to this day told Mr Athey where that laundry is.
Rather strange that accused memory so good re times after all the drinking he claims to have done and yet it is so faulty re people he took such a long ride with and the veh it was taken in.
Also seems strange why the accused's clgs were kept in a veh while the remainder of his kit was kept in his quarters.
Suggest Mr Athey straightforward witness and worthy of belief.

Speech in Mitigation for M.28684 Gnr Guss R.E.

The accused is a volunteer in the Cdn Army. He has 3 5/12 years of service of which fourteen months were spent in Italy with the 17 Cdn Fd Regt. His record in action has been good. Although he is shown on strength now as a batman, it is know that he never wanted to be one. Of the fourteen months here six were spend as a gunner on the guns in 37 Bty.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s).(1) and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. RP 35 fn 3. 2. MML p 54 para 47.)

President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. SUMMARY OF EVIDENCE IN THE CASE OF L-12649 Pte.Guthrie R., S.Sask.R. a soldier of Canadian Army Overseas.

The accused is informed of his rights.

The C.O. directs that the evidence be taken on Oath;

FIRST WITNESS for the prosecution: -- L-12835 Cpl.Dey F.C. of S.Sask.R. having been duly sworn states.

I am the Educational Cpl. of the S.Sask.R. and at the time of the loss of my bicycle was the mail Cpl. On the 20 Feb.43 at approximately 1200 hrs I left the camp for the purpose of proceeding to Waltom-On-Thames going via [redacted]-Billingshurst station by bicycle, the make of the bicycle being a 3 speed Raleigh, sports model No. [redacted]0850. I checked the bicycle at Billingshurst station. On returning to camp from Victoria station I came to Horsham instead of Billingshurst.

Pte.Guthrie came into the Post Office on 22 Feb.43 and during his conversation with me mentioned going into Billingshurst that evening. I asked him if he would pick up the bicycle and he consented to do so. I then gave him the shit to hand to the station authorities. I did not see Pte.Guthrie until 23 Feb.43 at approximately 1130 hrs, when he told me he had cleaned the bicycle, he was then going to the villages of Kirdford and asked me whether I needed anything from the Post Office. I told him to bring me a book of stamps and gave him 0-2-6 to cover the cost. Before he left I asked him to bring the bicycle when he came back with the stamps which he told me he would do. This was the last time I saw Pte.Guthrie until his return from Hedley Detention Barracks on 4 Apr.43. at approximately 1230 hrs on this date he called in to see me and I asked him for an explanation of the where abouts of the bicycle. He told me that he had left the bicycle in the neighborhood of Horsham and that he would bring it to me that same evening. Pte.Guthrie failed to return as he promised and I next saw him on 6 Apr.43. I notified the Adj. Capt.Buchanan that my bicycle was gone and Capt.Buchanan turned the case over to the unit Provo. I never saw the bicycle again until 19 Apr.43 when it was brought to me by Provo Sgt. for identification. The bicycle in his possession was the bicycle I had lost.

CROSS EXAMINED BY THE ACCUSED.

Q1 Did I not ask you for the loan of your bicycle to go to the Post Office.

A1. No you did not.

L-12835 Cpl.Dey F.C.

SECOND WITNESS for prosecution: -- L-12482 Sgt.McPhail L.A. ,S.Sask.R. having been duly sworn states .

I am the Provo Sgt. of S.Sask.R. on 4 Apr.43 at about 1230 hrs I saw Pte.Guthrie come into camp in a 15 cwt vehicle. I told him that Cpl.Dey would like to see him. Next time I saw Pte.Guthrie was on the station at Fulborough being escorted by Cdn.Provo. He was turned over to me and I escorted him back to camp and placed him under close arrest. A few days after this I was ordered by the A/Adj.Capt.England to go to Brighton with Pte.Guthrie to see if I could find a bicycle that he had sold to a civilian. When I got to Brighton I got in contact with Detective Lambing. I told him the story of Pte.Guthrie having sold a bicycle in Brighton not belonging to Pte.Guthrie. Detective Lambing came with Pte.Guthrie and myself to a garage where Pte.Guthrie had claimed to have sold the bicycle. The man who was supposed to have bought the bicycle was working for H & G Simmons in Brighton and was not around at that time so Detective Lambing told me if I was to go back to the unit that he would look into the matter and get the bicycle I gave the phone number of the unit to him and asked him if he would give us a call when he got the bicycle.

L A M

I did not return to the unit that morning but went back to the police station at 1600 hrs and got in touch with Detective Lambing again. We went back to the garage where Pte.Guthrie was supposed to have sold the bicycle and found the man still out. Detective Lambing then took me to another man who he thought new something about the transaction. This man told us that the bicycle had been sold again and would not be able to get it back that evening. I returned that evening to the unit.em-ajf

On 17 Apr.43 I was ordered by the Adj. to return to Brighton and see about the bicycle. I saw Detective Lambing and we both went to the garage and inquired if the bicycle was there. The foreman of the garage said it was and after I identified the bicycle as the one I was looking for he turned the bicycle over to me and I signed a receipt for it. I then brought the bicycle to the unit and it has been identified by Spl.Day as the bicycle belonging to him.

ACCUSED DECLINE TO CROSS-EXAMINE.

Lt/12469 Sgt.MacPhail L.A.

THIRD WITNESS FOR THE PROSECUTION I Richard Deans of 216 A Fresnfield Rd. Brighton, a truck driver employed by H & G Simmons, Brighton having been duly sworn states.

On 1 Mar 43 at approximately 1500 hrs Pte.Guthrie whom I now recognize and whom I had never seen prior to 1500 hrs. on 1 Mar.43. Came to the firms garage on Blommsbury, Street with a Raleigh sports model bicycle for sale at £ 4-0-0. I definitely asked Pte Guthrie if the bicycle was his own property and he stated that it was. I was not prepared to pay 4-0-0 for the bicycle and offered 3-10-0. With this offer Pte Guthrie went away, with the hopes of getting his price of 4-0-0 for it. He returned in approximately half an hour and excepted 3-10-0. that I had offered to pay for the bicycle. With this Pte. Guthrie took the 3-10-0 and went on his way. I later sold the bicycle and as soon as I was informed by my foreman that it was stolen property recovered it and had it available for the police to pick up at any time they called. A Sgt.McPhail, a provo Sgt of the R.A.S.C. called on 17 Apr.43. and recovered the bicycle leaving me a receipt which I have in my possession.

ACCUSED DECLINE TO CROSS-EXAMINE.

Richard Deans

FOURTH WITNESS FOR THE PROSECUTION I W.H.Holloway, a workman in H & G Simmons Brighton of Alton House, flat 1, Hilton Rd. having been duly sworn states.

I W.H.Holloway was with Richard Deanswhen Pte.Guthrie whom I recognise offered a bicycle for sale to Richard Deans. I heard Richard Deans ask Pte.Guthrie if the bicycle was his own property. Guthrie stated that it was and that all the soldiers had to give up there bicycles and that was the reason he was getting rid of his. He did not take the original price offered but went away some other place, he returned in about half an hour and said he would take the price offered by Richard Deans. he took the money and went on his way.

ACCUSED DECLINE TO CROSS-EXAMINE.

W.H.Holloway

The accused, having been duly cautioned in accordance with R. P. 4(2), declines to make a statement.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

PROSECUTION

First Witness

M.17326 Sjt BURGESS H, 5 CGPC, having been duly sworn, states:

On 16 Mar about 2300 hrs I was in the YMCA Recreation Room att to the NAAFI bldg at LINDFORD Camp, when Pte Guy came into the room. On entering Pte Guy counted five men and he said he was going to clean up No 5 Coy, that is No. 5 Pioneer Coy. He then grabbed Pte Gariepy and struck him with his fist. I got up and started towards the door to go out to call the Orderly Sjt. As I was going out Pte Farmer, who also had come in with Pte Guy, stopped me, then Pte Guy attacked and struck me in the face with his fists. Sjt Baxter the Orderly Sjt then came in and got them away from me. I can suggest no reason for this attack, as I gave him no provocation whatsoever by any word or action, and neither did anybody in my party. I have never referred to his colour.

CROSS-EXAMINED BY THE DEFENDING OFFR

Q. Sjt Burgess, what is your category?
A. My category is "A", Sir, and I am in reasonably good health. On the night of 15th March I was in the Robinhood pub in the company of Lt Smale, offr IC of the Pioneers working at the Ordnance. I saw the accused there and he struck me. Lt Smale did not place him under arrest, he took the accused home. This punch marked my face. That is the first time he struck me. Some time previous I had no trouble with Pte Guy in the Hollybush pub. I was an NCO at the time. I was friendly with the accused and I did not follow this incident up by laying a charge nor did my offr. In this recreation room we were sitting in the NAAFI playing a game of poker for money. The accused did not ask to join the game of cards. I was the senior in the room playing poker for money with other ranks. I don't think I could have stopped Pte Guy from fighting at the time Sir. My idea was that I could not control whatever was going to take place and I figured we should have the Orderly Sjt there. I did not strike back. I covered my face up with my arms and hands as best I could. Pte Farmer and Pte Guy both struck me in the face after each other. When the fight started Guy was chasing Garipy around the room. When I made a move toward the door Pte Farmer struck me. At this time Pte Guy was behind me. I did not cover my face after I had been punched in the face by Pte Guy. I backed into a corner when Pte Guy started to attack me. By this time I was getting fairly well dizzy. I was struck the last few blows that were struck by Pte Guy.

PROSECUTOR DECLINES TO RE-EXAMINE THIS WITNESS

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(B).

THE WITNESS WITHDRAWS.

Second Witness

A.9304 Spr McCAFFREY, H, 5 CGPC, having been duly sworn, states:

On 16 Mar this year about 2240 hours I was in the YMCA hut and at approx 11 o'clock Guy waked into the room, turned on the radio then walked over to our table. After this he did the same thing and walking over to our table he said he was going to clean out No 5 Coy. He grabbed Garipy pulling him off his chair. They struggled and Garipy escaped to the corner of a room where Pte Guy struck him in the face with his fist. Pte Garipy picked up a chair which was taken away from him, and later a billiard cue which was also taken away from him. The last thing I remember was Pte Guy then striking Sjt Burgess. The result of this blow knocked Sjt Burgess over the table. In getting up he was struck

by Pte Guy again, but he missed his blow. At approx this time the Orderly Sjt walked into the hut. There was no word addressed to the accused whom I now recognize. No one requested him to turn off the radio the first time. No word whatsoever was spoken to him to cause this fight. The only thing he said first was that he told Garipy he would start with him first after he said he was going to clean out No 5 Coy.

CROSS-EXAMINED BY THE DEFENDING OFFR

Q. After you had witnessed this mixup you left the bldg?
A. Yes, and I was leaving Sjt Baxter was coming in. He was not there when this took place. He was just coming in as I was going out.

PROSECUTOR DECLINES TO RE-EXAMINE THIS WITNESS

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

THE WITNESS WITHDRAWS.

Third Witness

K.43143, Sjt BAXTER, W, 5 CGPC, having been duly sworn, states:

I recognize the accused, Pte Guy. On the night of 16 Mar at approx 2315 hours I heard a disturbance in the unit lines. As Orderly Sjt I investigated this and found it to be in the NAAFI Recreation Room. When I arrived there L/Cpl Sherbonneau was going out of the room. I opened the door and walked into the room and the first thing I saw was Pte Garipy backing up towards the door wit a chair in his hands, protecting himself from Pte Farmer who apparently had been attacking him. I saw no blows being struck. Pte Garipy then escaped from the room. Pte Farmer then attacked Sjt Burgess who was cornered in the room. I tried to break up the disturbance by telling him to go back to his quarters. Pte Guy and Pte Farmer then both attacked Sjt Burgess. At one time I saw Pte Guy lift his kneed as if to strike, but he did not strike with it. Pte Guy and Farmer were scrapping away and several men tried to break it up. During this time Sjt Burgess went to the Coy Orderly Room and I followed him and phoned to the Provost. I went back to the NAAFI, locked the door and returned to the Orderly Room and was followed by Pte Guy and Farmer where I found Lt Smale. Pte Guy then made statements in front of myself, Pte Farmer and Sjt Burgess. Sjt Burgess was in another section of the bldg at the time.

THE PRESIDENT RULED AT THIS TIME THAT ANY STATEMENTS MADE BY THE ACCUSED SHOULD NOT BE ADMITTED IN EVIDENCE.

(Witness continues)

I placed both men under arrest and sent them to the Gd Room.

Q. Will you please repeat the statement that you definitely saw Pte Guy hit Sjt Burgess?
A. I definitely did, Sir, on the arms and on the body. He may have struck him in the face as he did have a bruise over his left eye, but who struck that blow, Pte Guy or Pte Farmer, I don't know.

Q. How far from the door would Sjt Burgess be at the time you mentioned?
A. About 12 or 16 feet, about 2/3 of the length of the room I should think.

CROSS-EXAMINED BY THE DEFENDING OFFR

Q. On this particular night you were Orderly Sjt?
A. Yes, Sir. This particular room is a YMCA room, and we retain a key to that room and some nights it is locked at 1015 and other nights at 1030. It is the duty of the caretaker of the room to lock it that night. When I entered the room I had an

battledress, but no head gear. Pte Farmer struck the first blow to Sjt Burgess. When I heard this disturbance I was lying in bed, then got up, dressed, and covered the ground to the door where I heard someone say "shut that door" then I came in and witnessed the start of the fight. There was no evidence of fighting prior to that to my knowledge. Pte Farmer attacked first, then Pte Guy attacked afterwards

STATEMENT BY THE DEFENDING OFFICER:

May it please the Court. In this case the Defence feels that not only is the evidence of Pte Guy in question, but a greater issue will emanate from the decision of the Court today. For that reason the Defence proposes to have the accused give evidence on oath in order to substantiate his unshaken statement "I did not strike Sjt Burgess in the face on the night of 16 Mar 44". Two witnesses will be introduced to substantiate the statement of the accused, but there will be no witnesses as to character as the Defence feels that the facts and the truth that will be brought to light will be sufficient to establish not only his innocence but a foundation of his good reputation, clean record and ability in the Canadian Army overseas.

First Witness

The accused, F.86525, Pte GUY AA, having been duly sworn, is examined by the Defending Officer:

Q. Pte Guy, on my first meeting you, you made certain remarks to me in connection with the charge against you, will you tell the Court what you said to me?

A. Yes, Sir. I said that my plea would be not guilty. Then I told you my story. Here is what I told you. I said when Sjt Burgess was a Cpl I happened to go to the pub with him. After going to the pub we went to the dance and I took the woman I had along with me. This was about two months ago. I was having a quiet drink talking with my girl and Burgess was talking to another girl in the middle of the floor and he said "alright black man it's your turn to fill up the glasses". I started to take off my X tunic but the landlady of the pub came along with a mallet and there was no fight. We then went and started dancing and Burgess's XX friend started talking my woman away from me. After that I did not try to dance any more. That was the first time he insulted me. On 15 Mar I went to the Robinhood pub and while in there drinking Sjt Burgess came in and said to me "this is your hideout huh?". I never paid any attention to him. Sjt Burgess stood in the corner and Lt Smale was also standing there and Sjt Burgess said "I don't like the look of that black face". I hauled off and hit him in the mouth twice. Lt Smale then took me away. He suggested that I apologize to Sjt Burgess and Burgess refused to accept an apology. I walked home with Lt Smale when it came time for the pub to close, XXXXX after asking the people who owned the pub if I caused them any trouble and they said no. On Mar 16 I was in the recreation room pressing my uniform. While doing this Pte Mulligan came along and said "let's go for a drink". I did not want to go to the pub he mentioned as I knew we would have trouble on account of my nationality. I borrowed a bicycle from Sjt Baxter and Mulligan and I went to to another pub. After closing time we

came back to camp. While I was in the kitchen Pte Farmer came in and we had a cup of tea. Later we went to the Recreation Room, Farmer, Mulligan and I. I turned on the radio and went over to the table where Sjt Burgess Pte McCaffrey and others were playing poker for money. I asked if I could play and Pte Garipy said there was enough playing now, and as he jumped up I grabbed him, having no intention of touching Sjt Burgess. I might say here my job is on sanitation in the camp, cleaning up all the dirt in the yard, and making hot water for the boys. XXXX The men were getting sick, urinating outside and inside the door and I reported this matter to an offr as when I told the men myself they slammed the door in my face. A few days before Pte Garipy took hot water out of a tub which I filled, and I told him to put an equal quantity back which was customary, and he would not put it back. While doing this he tried to strike me over the head with the bowl in his hand. When going through the door he tried to kick me and I hit him, so that on the night of 16 Mar I only repaid the compliment. As far as striking Sjt Burgess I definitely did not strike him. I had hit him before in the pub, but I was not put under arrest for that and I had nothing against him as I thought I had given him what I thought he deserved the night before. I might say here that there is a great deal of horseplay and statements made to me by offrs, NCOs and men of this coy which are hard to take. We have feelings the same as anyone else and we cannot solder under these circumstances. I had been 2 yrs in the Army before I came to this coy and this is my first crime since coming to this coy. I joined the Army in June 41 and am 23 yrs of age. I had no trouble while in Canada on account of my race and I had no trouble with the unit with which I came to England with until MM I joined this coy. I have had trouble in peace time on the streets with people passing me and the same trouble in this country - all about my race. I feel that the punishments which have been awarded me has been greater than that awarded white soldiers for similar offences.

CROSS-EXAMINED BY THE PROSECUTOR

Q. Pte Guy, you don't like Sjt Burgess do you?
A. I have nothing against Sjt Burgess whatsoever, Sir. With respect to the insults he gave to me in the pub I realize he would not have said them if he were more sober. I think it was the duty of Lt Smale to place me under arrest when I struck Sjt Burgess in the pub.

Q Why did you say to Garipy "I will clean up No 5 Coy and will start with you first?"
A I never said anything of the kind, Sir. I remember Sjt Burgess after the trouble started. He was standing up in the corner alone. At the time I saw him there was no one near him. I saw Pte Farmer attack Sjt Burgess. I did not go to Farmer's assistance. I definitely did not attack Sjt Burgess, before, during or after the fight, except that night in the pub.

Second Witness:

F.60241 Pte BAGLOLE JW, 1 COPC, having been duly sworn, states:

Q. Do you recognize the accused?
A. Yes. He is an acquaintance of mine. On the night XXX of 15 Mar we were at a pub. I was in company with the accused and another. Just before closing time this Sjt Burgess said "I don't like that black faced Bastard". I was talking to another soldier and when I turned around I saw the accused making for Sjt Burgess. I never seen him strike Sgt Burgess. Me and an offr took him away. Next morning Burgess had a little cut on his lower lip. I saw on the morning of the 15th it was swelled in the same place. I saw no other cuts or bruises on his face. I have known the accused about 1½ yrs. I have heard others in the coy refer to the accused as a coloured chap and they said they did not like the coloured chaps.

CROSS-EXAMINED BY THE PROSECUTOR

Q. Would you mind repeating about the injuries on the face of Sjt Burgess on the morning of the 16 Mar?
A. I noticed a little cut on his right lip. It was on the morning of the 17th I noticed his face was xxxxxxx swollen.

Third Witness

B.9690 Pte MULLIGAN ME, 1 COPC, having been duly sworn, states:

I recognize the accused, and have known him since I can't remember when, but for some time anyway. On the night of 16 Mar I spent some time in his company. In the NAAFI they were playing cards and there was some money on the table as far as I know. Then there was a racket started between Pte Guy and a french guy. I don't know whether Guy hit him or not. Sjt Burgess was there also playing cards. I did not pay particular attention to Sjt Burgess as I was watching Guy and this French fellow. I later noticed Sjt Burgess stooped down sort of stooped down behind a chair. Guy was in the room at the time. I did not see Guy strike Sjt Burgess, nor did I see anyone strike Sjt Burgess.

Q. Do you recall at any time of Pte Guy being called names by people in public houses?
A. Yes, I have heard members of this Coy calling him a black bastard, and a black son of a bitch. The accused's disposition has always been alright any time he is or has been out with me in a pub though. I myself have been treated alright so far in this coy.

CROSS-EXAMINED BY THE PROSECUTOR

Q. You saw Sjt Burgess in the corner, you also saw Pte Farmer and Pte Guy, but you weren't actually able to see who was making the attack as there were so many there running around - is that not right?
A. Yes, that is right, Sir.

NO RE-EXAMINATION BY THE DEFENDING OFFR.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(B).

DEFENDING OFFR ADDRESSES THE COURT ON THE FINDING

The first witness Sjt Burgess after having testified that he had no previous difficulty with the accused admitted that he had been struck by the accused on the previous night. He admitted that he was somewhat dizzy, that Pte Farmer had struck him in the face and the body and on the arms. He stated he had his face covered and that the accused did strike him in the face claiming that he had a bruise on his forehead. He admitted that he did not attempt to stop the quarrel at it's inception, he admitted that he made no attempt to place the accused under arrest or to cause this to be done. In view of this and in view of his previous difficulties with the accused the Defence does not feel that his evidence is of sufficient strength to prove the accused guilty. With regard to the second witness, Pte McCaffroy, he stated that as he was leaving the bldg he saw Sjt Baxter enter. The third witness, Sjt Baxter, was tucked in bed. There was nothing unusual about the Recreation Room being open at allhours of the night but the Sjt was awakened by the noise of this riot, which from the evidence, could not have lasted very long, but with speed and despatch, attired

himself in battle dress and repaired to the scene in time to see the first blow being struck which he referred to as the first blow. The fact that Pte Garipy was assaulted first, no charge was laidor did not appear as a witness xx would lead the Defence to believe that the Prosecutor did not consider him quite a suitable witness or that he would bear the same weight as two Sjts, therefore this was apparently overlooked and he was left out. In conclusion, the Defence would like to point out that the evidence has not been absolutely conclusive that Pte Guy struck Sjt Burgess in the face with his fists. If there is one small particle of doubt as to this evidence then the Court will I am certain, take this into consideration and bring in a verdict of insufficient evidence.

PROSECUTOR ADDRESSES THE COURT ON THE FINDING

Mr. President and Members of the Court. You have been patient in listening to a lot of evidence which has been distinctly irrelevant to the case in point which is whether or not the accused Pte Guy, struck Sjt Burgess in the face on the night of 16 Mar 44, and I would respectfully ask the Court to confine its consideration to that issue alone. We have got to remember whatever deficiencies in character Sjt Burgess may have, he is not on trial for anything, whether it is for errors of judgment or having been in a card game where money was involved, as was suggested during the taking of the evidence. His evidence is distinctly clear as to the events which took place on 16 Mar. The evidence also of Sjt Baxter is very clear as to its essentials. Of the other witnesses it is perfectly clear that Pte Guy attacked Sjt Burgess without any provocation. The question that this Court has to decide is simply this; did or did not Guy strike Sjt Burgess. That I think has been amply proved.

PLEA IN MITIGATION BY THE DEFENDING OFFR

The Court I know will take into consideration the length of time the accused has spent in his unit gd room. There is one plea to which the accused adds his heartfelt desire that at the conclusion of his punishment the Court would recommend that every effort will be made that he might join the Forestry Corps or any other than the one in which he is now a member, as his experience in forestry work would fit him for this type of unit.

SUMMARY OF EVIDENCE

In the case of F-86525 Private Alfred Arnold GUY, on the strength of 1 Canadian General Pioneer Company, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer this Summary of Evidence is taken on Oath.

FIRST WITNESS FOR THE PROSECUTION

K-42143 Sgt Baxter, W. on the strength of 5 Canadian General Pioneer Company, attached to 1 C.E.A.U. a soldier of the Canadian Army Overseas, having been duly sworn states:-

At about 2310 hrs 16th March 1944, I heard a disturbance and in the capacity of Orderly Sergeant, I investigated and found the disturbance was in the recreation r room of the N.A.A.F.I., in the unit lines. Lance Corporal Sherbonneau, J. came out of the room, and I heard someone call "Close that door and keep it closed." I opened the door and saw Private Gariepy backing up towards the door with a chair, legs facing away from him for protection from Pte Farmer, who appeared to be attacking him. I saw no blows being struck. Pte Gariepy escaped, then Pte Guy and Pte Farmer turned their attention to Sergeant Burgess who was cornered, he backed up into the rear right hand corner of the room. I told Pte Guy to go back to his quarters. I then saw Pte Farmer attack Sgt Burgess giving him several blows in the face and body but mainly on the arms, then Pte Guy attacked Sgt. Burgess, both Pte Guy and Pte Farmer were attacking by using their fists at the same time. Sgt. Burgess was powerless at this time, and could only defend himself with his arms, shielding his face. I saw Pte Guy lift his right knee, but he did not strike Sgt Burgess with it. Several of the men tried to stop Pte Guy and Pte Farmer and Sgt Burgess escaped to the Company Orderly Room where he stayed. I returned to the Company Orderly Room, and telephoned the Orderly Officer of 1 C.E.A.U. requesting that he send an escort as I had two men to place under close arrest. I then went out and locked the N.A. A.F.I. recreation room. Pte Guy and Pte Farmer then came to the Company Orderly Room, where they jointly stated they had nothing on me, but that they would get the other Sergeants as their own men had no use for them. They also said that they had others behind them to do the job, and that they would go to the Sergeants Quarters and get Sgt Johnston too. The M.Ps. from 1 C.E.A.U. arrived, and I placed Pte Guy and Pte Farmer under close arrest and turned them over to the M.Ps. Sergeant McBride returned to Camp from Aldershot, and came to the Company Orderly Room. Sgt Burgess returned to his quarters with Sgt McBride at approximately 0030 hrs 17th March 1944.

Cross-examined by the accused

Q.1 Did you see me hit Sergeant Burgess?
A.1 Yes.

SECOND WITNESS FOR THE PROSECUTION

M-17326 Private (Acting Sergeant) Burgess, H. on the strength of 5 Canadian General Pioneer Company, attached to 1 C.E.A.U. a soldier of the Canadian Army Overseas, having been duly sworn states:-

At about 2300 hrs on the 16th March 1944, whilst sitting in the Recreation Room of the N.A.A.F.I. at Lindford Camp. Pte Guy and Pte Farmer and one man unknown to me came into the room. Pte Guy counted the ones in the room and said he was going to clean up No. 5 Company. He then grabbed and struck Pte Gariepy with his fist. I tried to get to the door to go out and call the Orderly Sergeant, but was blocked by Pte Farmer, and was struck three or four times in the face by Pte Farmer. The Pte Guy attacked me by striking me in the face with his fists. A few moments later Sgt Baxter got them away from me. I left the room and went to the Orderly Room where I took shelter until Pte Guy and Pte Farmer were taken to the Guard Room.

THIRD WITNESS FOR THE PROSECUTION

A-9304 Sapper McCaffrey, H. on the strength of 5 Canadian General Pioneer Company, attached to 1 C.E.A.U. a soldier of the Canadian Army Overseas, having been duly sworn states:-

At approximately 2240 hrs 16th March 1944, I went into the Y.M.C.A. Room of the N.A.A.F.I. at Lindford Camp. At approximately 2300 hrs whilst sitting at a table with Sgt. Burgess, Pte Guy walked into the room and turned on the radio, a few minutes later he turned off the radio and left the room. At approximately 2315 hrs Pte Guy and Pte Farmer walked into the room, Pte Guy immediately went over and turned on the radio, and then began walking over to our table counting the men of No. 5 Company at the same time. On reaching our table he said that he was going to clean up No. 5 Company, as that is the way it should be. He turned to Pte Gariepy who was sitting next to Sgt. Burgess and said "I will start on you first." He then pulled Gariepy off the chair. Pte Gariepy tried to break away from him, and on doing so ran to the door, where he was caught again by Pte Guy. Pte Gariepy then pulled a table out from the wall in order to get by and Pte Guy also pulled the table in order that he could get by. Pte Guy caught Pte Gariepy there and struck him with his fist in the face. Gariepy then turned round, and ran towards the billiard table where he picked up a chair. Pte Farmer then stepped in and took the cair from Pte Gariepy, who ran to the other end of the table picking up one of the cues. Pte Farmer then took it away from him.

SUMMARY OF EVIDENCE

In the case of F-86525 Private Alfred Arnold GUY, on the strength of 1 Canadian General Pioneer Company, a soldier of the Canadian Army Overseas. (Cont'd)

Sergeant Burgess tried to leave the room, and Pte Guy struck him in the face with his fist knocking him down over a table. Sgt Burgess tried to get up and Pte Guy aimed another blow at him which missed. I then went to the door to go to my billets and Pte Guy told me not to let anyone out, he then walked away and left the room as Sergeant Baxter was entering.

"The accused declines to cross-examine this witness".

The accused was cautioned as follows: Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence, unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

The accused, F-86525 Private Alfred Arnold GUY, on the strength of 1 Canadian General Pioneer Company, a soldier of the Canadian Army Overseas, having been duly sworn states:-

At approximately 2030 hrs on 16th March 1944, I was pressing clothes in the Y.M.C.A. room of the N.A.A.F.I. in Lindford Camp. At 2100 hrs I left the room with Pte Mulligan and we went to the refreshment room of the N.A.A.F.I. We had supper and at 2115 hrs we left the N.A.A.F.I. and went to the Company Orderly Room, where I saw Sgt Baxter. I asked him if I could borrow the bicycle. He said "Yes", so I took the bicycle and went to my hut where I met Pte Mulligan. We then went out to the "Robin Hood" Public House and we each had three pints of beer. A few minutes after 2200 hrs we left the Public House and returned to Camp, arriving at approximately 2300 hrs. Pte Mulligan and I then went into the Cookhouse and asked the Sgt-Cook for a cup of tea, which he gave us. Then Pte Farmer came into the Cookhouse, and we all left at approximately 2330 hrs. Pte Farmer and Pte Mulligan and I went to the hut from the Cookhouse. Then we went to the Y.M.C.A. Recreation Room of the N.A.A.F.I. I walked in and turned on the radio, and then walked over to a table at which Sgt. Burgess and Pte Gariepy and Spr McCaffrey and three other men whose names I do not know, were gambling. I counted the men at the table, and asked if I could join the game. One man said "No", there are six playing now." I then grabbed Pte Gariepy and he jumped up from the table, and backed towards the door as I held him. I then hit him in the face with my fist, and he broke away from me and went out the door. Sgt. Burgess had a chair in front of him, which was on the floor, so I kicked it away from him. At that moment Sergeant Baxter entered the room and said "What are you doing, you have broken all the furniture in the room." Sgt. Baxter and I then put the room in order. The he said "Come with me, I'm going to lock the door".

SUMMARY OF EVIDENCE

In the case of P-86525 Private Alfred Arnold GUY, on the strength of 1 Canadian General Pioneer Company, a soldier of the Canadian Army Overseas, (Cont'd)

We then left the Y.M.C.A. Room of the N.A.A.F.I. and went to the Company Orderly Room where he phoned Lieut. Smale, who is the Pioneer Detachment Commander at 1 C.E.A.U. and asked him to come down, as he was having trouble in the Camp. I then left the Company Orderly Room, and as I was walking away from the hut Sgt. Baxter called out asking if I had the bicycle. I said "Yes", I'll bring it right over". I brought the bicycle back into the Company Orderly Room, where Sgt. Baxter was waiting with two M.Ps. He then placed me under close arrest.

TRIAL OF

C-70303 PRIVATE GUY P 1 CGRU

Theaccused, sworn, states:-

I've been 4½ years in the army. I've had only five leaves; I've asked every month to get a 48-hr week-end pass. I just got one of them. They were all turned down becuase they said I was too late in asking for them. Some time I asked for them on Tue and they still said it was too late. Some fellows from the same company got their week-end pass pretty near every month. We are allowed a 48-hr week-end pass a month. I got a girl friend in Scoltant whom I intend to marry. I'm not married and I'm 26 years old. It often happened that after a week-end pass that I wouldn't have enough money to take long leaves. I did have the intention to give myself up; I tried twice and I went down town for that purpose but didn't have enough nerve to do as this is my first big offence in the army.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83 (B).

"O"

The accused was warned, along with the rest of his section, that the unit was moving forward to the front line. I think the Cpl went to great pain to tell him. But when the time came for the unit to move he failed to put in an appearance. He wasnt going to the front. He left his pals and his unit. When they needed him most. He ran away when the time came to face the enemy. He stayed away and shows no proof that he intended to return. Until apprehended by the C.M.P.. He says he was nervous. His nerves needed a rest. We are all nervous. We all need a rest. Why didnt the rest run.
In closing I think this man should pay the full penalty of the law.

Guyette R.D.

There is no indication that the accused wanted to desert his Majesty Forces, on the contrary he was apprehended in Bari, where all soldiers go for rest and amusement, why would he go to a place like Bari, if he wanted to desert the forces. Furthermore, the accussed did not in any way sell or disposed of any part of his uniform or equipment. He has made a mistake, and did not realize that leaving at that time would be so serious. He had planned to return in the following day. As Defending Officer I ask the Court to dispose of the offence as one of absence without leave

Guyette, R.D. - I left for Bari for a few days, did not hide in any way, caused no trouble or disturbance, nor disposed of any clothing of any kind. I was intending of coming back before we were picked up and on the night of being picked up was in bed sleeping.
I went to Bari for a rest, my nerves were jittery and I was tired.

CLOSING ADDRESS PROSECUTION "A.M. Russell"

The accused was warned, along with the rest of his section, that the unit was moving forward to the front line. I think the Cpl went to great pain to tell him. But when the time came for the unit to move he failed to put in an appearance. He wasnt going to the front. He left his pals and his unit. When they needed him most. He ran away when the time came to face the enemy. He stayed away and shows no proof that he intended to return. Until apprehanded by the C.M.P.. He says he was nervous. His nerves needed a rest. We are all nervous. We all need a rest. Why didnt the rest run.
In closing I think this man should pay the full penalty of the law.

Final Address of Defence in case of

Pte GUYETTE, R.D. "A.M. Russell"

Sir:

The accused has been in the Army since Nov 42. He has always carried himself in a proper manner. There are no crimes layed against him. Should this man have a black mark behind his name, due to the fact that he made a slight mistake, which he did not fully realized the seriousness off. I do not think that he should be charged under so serious an offence as Desertion.

As Defending Officer I ask the Court to be lenient in their judgment.

Plea in Mitigation - C.36605 Pte Guyette, S

Pte Guyette on the night in question had just returned from a 4 day transport detail, during which time he had been in his lorry almost continually. Being tired and slightly "fed-up" after the long detail, he left his platoon lines and went in search of relaxation, unfortunately drinking too much while in the company of others. His platoon commander has given evidence the Pte Guyette is considered, in the platoon, to be a first-class soldier and driver, and has never given any trouble to anyone. It is submitted that, although drunkenness is no excuse for committing a crime, in this case it was the combination of circumstances, ie, too much to drink and then the excitement when the cafe fracas started which caused Pte Guyette to lose control of himself and join in the fracas, behaving in a manner which he normally would not.

SUMMARY OF EVIDENCE

64 Cdn Army Tpt Coy RCASC.
Charged as attached.

FIRST WITNESS FOR PROSECUTION: Lt. O.M. Fisher, 64 Cdn Army Tpt Coy R.C.A.S.C., having been duly sworn states:

At approx 2230 hrs, 24 NOV 44, I was present at "A" Pl Orderly Room which was situated next to a Public House. The door of the Pub was open and I saw the accused, whom I recognize, drinking beer at the bar. I heard Lt. J.G. Smith order the accused to get into a lorry which was to take them to the Coy Orderly Room awaiting the arrival of the C.M.P. I did not interfere, as the appearance of further senior NCOs and Officers only seemed to aggravate the situation.

The accused declines to cross-examine the witness.

SECOND WITNESS FOR PROSECUTION: G-42606 CSM Watson, R.M., 64 Cdn Army Tpt Coy R.C.A.S.C, having been duly sworn states:

2045 "RMW"

At approx ~~2130~~ hrs, 24 NOV 44 I came out of "C" Pl Orderly Room and as I entered onto the sidewalk I saw three soldiers walking down the road. They were using abusive language very loudly and improperly dressed - jackets unbuttoned. The accused, whom I recognize, when the three soldiers stopped and came toward me, was not speaking as loud as the other two soldiers. I cautioned the soldiers to be more quiet and button up their jackets. The accused was standing directly in front of me. I saw the accused make a motion to bring his right hand back, as I thought he intended to hit me I said "Don't do that". As I was talking to Pte., Murdoch I was hit by the accused, Pte. Guyette. The force of the blow knocked me against the hedge and we both fell over the hedge. While we were on the ground I told Pte. Guyette that was enough, he got up and then I got up and ordered Pte. Murdoch to take Pte. Guyette back to his billets under close arrest. As these men were drinking, they would not obey the direct order. I then proceeded to the Coy Orderly Room and ordered Sgt. Lawford, & Sgt. Tabor, to come with me. We looked for the three soldiers but they could not be found. On returning to the Orderly Room, I was informed that there had been a brawl in a Pub. We proceeded to the Pub, found it a shambles but there were none of our soldiers in or near it. We took another look around for the soldiers and I reported the incident to the Orderly Officer.
At approx 2130 hrs, I saw the accused and ordered him to his billets.

The witness is questioned by the accused.

Q.1. "Who else was with me when I was supposed to have struck you"?

A.1. "I could not recognize the third soldier. Pte. Murdoch was on the right hand side of the accused".

One looked in first and said "O.K. fellows there are only a few in here". They came in and they stood around the Cafe, one of them, not the accused, asked me to drink with him. I answered "No - I already have one". He asked me if I was English in a tone of voice I didn't like and when I said "Yes", three came up behind me, dragged me to the door and threw me out.

At about 2140 hrs, 24 NOV 44 in front of Mermans Cafe I was stopped by a British soldier who asked me to go in and get his coat as he was afraid to go in because he had been thrown out by some Canadian soldiers. I went in and picked up the coat, when one of the Canadians pointed at me and said "Get out". I didn't like the way he said it and walked over and said "What's the matter". With that there was a rush and several of them attacked me. We fought for about ten minutes and then the Canadians left. I was the only British soldier in the fight. There were about five Canadians. I recognize Pte. Guyette as one of the soldiers who was fighting. One of the soldiers tried to hit me on the head with a chair while I was lying on the floor but the floor received the brunt of the blow. I do not know who swung the chair.

7. POLICY ON RELATIONS BETWEEN ALLIED OCCUPYING FORCES & INHABITANTS OF GERMANY GERMAN ATTITUDE AND PROPAGANDA (Cont'd)
The German contention of themselves as a "MASTER RACE" has been too freely implanted to be eradicated outright; many Germans will accept defeat as only a temporary phase of a continuing struggle, and strong efforts will no doubt be directed towards remaining commanding positions in Europe. Plans for underground continuation of the struggle are believed to exist.

NO. 2 CDN. ARTY. RFT. UNIT, CDN. ARMY (OVERSEAS).

TO:- THE PRESIDENT AND MEMBERS OF THE F.G.C.M. ASSEMBLED AT 1000 HRS. WED. 4 APR 45 AT HURON CAMP, "P" WING, 2 CDN. ARTY. RFT. UNIT, CDN. ARMY (OVERSEAS).

SUBJECT:- PLEA IN MITIGATION OF PUNISHMENT OF F10175 GNR. GUYOMARD, C.Y.

① THE ACCUSED ADMITS HIS GUILT AND IS READY TO ACCEPT THE JUDGMENT OF THE COURT. HE HAS DONE WRONG AND IS PREPARED TO PAY THE PENALTY FOR HIS WRONG DOING.

② THERE ARE, HOWEVER, SOME POINTS IN HIS FAVOUR WHICH SHOULD BE BROUGHT TO THE ATTENTION OF THE COURT.

③ HE JOINED AN N.P.A.M., COAST ARTILLERY, UNIT IN JUNE 1938 SIGNING ON FOR THREE (3) YEARS IN THE NORMAL MANNER. THUS HE WAS A GUNNER FOR OVER A YEAR WHEN WAR BROKE OUT.

④ THE ACCUSED IS TWENTY-THREE (23) YEARS OLD. HIS HOME TOWN IS SYDNEY, N.S., WHERE HE ENLISTED FOR ACTIVE SERVICE ON 2 SEP 39, AND WHERE HE WAS MARRIED THE FOLLOWING YEAR.

⑤ THUS HE IS ONE OF THE EARLY MEMBERS OF OUR ARMY AND LIKE A GREAT NUMBER OF OTHER "OLD TIMERS" HE HAS ALLOWED HIMSELF TO BECOME THOROUGHLY "BROWNED OFF."

⑥ HIS UNIT RECORD IN 1940 AND 1941 IS NOT GOOD. IT IMPROVES GREATLY IN 1942 AND 1943 WITH ONLY THREE (3) RELATIVELY MINOR CHARGES DURING THESE TWO YEARS.

⑦ HE KEPT UP THIS GOOD RECORD UNTIL ABOUT MAY 1944 WHEN HE CAME TO 2 C.A.R.U. THROUGH HOSPITAL AFTER THREE (3) YEARS IN THE FIELD WITH THE 3rd MED. REG., R.C.A.* *THIS MEMO ALSO SHOWS SERVICE WITH THE 2nd MED REGT. R.C.A. - ED.

CONT: FROM P. (1).

(8). HE HAS BEEN IN 2 CARR EVER SINCE (ABOUT A YEAR NOW) WHERE HE BECAME VERY DISSATISFIED. HE WAS ANXIOUS TO REJOIN HIS REGIMENT WHICH WAS NOW (JUL '44) IN ACTION AND UNHAPPY ABOUT THREATENED INFANTRY DRAFTS THAT WOULD PREVENT HIM GETTING BACK TO THE GUNS AND TO HIS FRIENDS IN THE FIELD. HE SAW JUNIOR MEN GOING OUT TO THE FIELD AND FOR VARIOUS REASONS* HE COULDN'T GET OUT HIMSELF.

IT WAS DURING THIS PERIOD THAT HE STARTED ON THE DOWN GRADE.

(9) I WOULD ALSO LIKE TO DRAW TO THE COURTS ATTENTION THAT THIS IS THE ACCUSED'S FIRST COURT MARTIAL. ALL HIS PREVIOUS CHARGES WERE SUFFICIENTLY MINOR TO BE DEALT WITH BY HIS UNIT COMMANDING OFFICER.

(10). FINALLY I WOULD LIKE TO SUBMIT THIS SIGNED STATEMENT OF CHARACTER EVIDENCE FROM F/SJTS SGT. GRAHAM, W.F.

(11) IN CLOSING MAY I REMIND THE COURT THAT A SENTENCE OF SIX MONTHS OR OVER STOPS ALL PAY AND ALLOWANCES - UNDER THAT PERIOD STOPS THE MAN'S OWN PAY BUT NOT HIS ASSIGNED PAY OR HIS WIFE'S ALLOWANCE.

RESPECT FULLY SUBMITTED BY,

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s) and call witnesses as to character and make an address in mitigation of punishment.[2]
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans ..... [5]
(*1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MML p. 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.*)

(*1. Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.[1]
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? Ans ..... [1]
(*1. If "yes", see RP 39(A) for procedure. Statement or evidence, if any, is recorded per Notes.*)

D2. The Prosecutor makes (an) (no) opening address.[1]

(*1. Delete remainder of this para, if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP 40 fn 1. See MML p 72 paras 12-14 and p 81 para 42. 4. Delete part not used. If accused acquitted on all charges use second alternative in para D8.*)
NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (*RP 60(C), 114, 115.*)

D5. President to accused: You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither?
Ans ..... Do you intend to call witnesses on your behalf?
Ans ..... Are they witnesses as to character only? Ans .....
