INDIAN TREATIES AND SURRENDERS

IN

RECORD GROUP 10 - RECORDS RELATING TO INDIAN AFFAIRS

VOLUMES 1840 - 1853

The documents on this microfilm were transferred to the National Archives of Canada by Indian Affairs. They are held in Government Archives Division in RG 10, Vols. 1840 to 1853. Other documents, reports, correspondence, and lists related to these agreements are scattered throughout RG 10 and, to a lesser extent, certain other record and manuscript groups.

Beyond the record group and volume numbers, there are at least two important numerical references for each of the 506 documents microfilmed here. All have a registration number (a consecutive treaty number) that was assigned by Indian Affairs before any of the documents were transferred to the Archives.

All have been given a unique Government Archives Division "IT" number because -- for about half of the registered treaties and surrenders -- the Archives received more than one document per consecutive number. These "extra" documents frequently consist of the same text in various formats. Sometimes they are adhesions and, occasionally, they are related items such as minutes or Orders in Council.

Not to be confused with the numbering systems mentioned above is the alternative and, for many, the more familiar terminology of the Western Treaties. Numbered One to Eleven (over their consecutive numbers), these are the major treaties entered into between 1871 and 1921 by the Government of Canada and Indian groups living to the northwest.

The list that follows shows the correlation between the volume numbers in RG 10, the Indian Affairs' consecutive numbers, the IT numbers, and the Western Treaty numbers.

The Government of Canada published the text of consecutive treaty numbers 1 to 120 in 1891 and numbers 281 to 483 in 1912. In 1971, Coles Publishing Company, Toronto, reprinted numbers 1 to 483 in a three volume set entitled Indian Treaties and Surrenders which is currently out of print but is available in some libraries.

The Archives' treaty holdings do not include all of the items represented in Indian Treaties and Surrenders; moreover, there are some documents in RG 10, Vols. 1840 - 1853 that do not appear in Indian Treaties and Surrenders.

There is no single explanation for the gaps evident in Vols. 1840 - 1853; however, some documents may have been retained by the Department of Indian Affairs and Northern Development (DIAND) for operational reasons.

DIAND's Treaties and Historical Research Centre has produced a series of Treaty Research Reports that not only reproduce the text of certain treaties but also contain background essays. These are available for the eleven Western Treaties and the Robinson, Williams, and Manitoulin Island Treaties.

This 35 mm black and white microfilm of the Indian Treaties and Surrenders has been converted to a treaty-by-treaty fiche format available for consultation at the National Archives. Questions regarding these records or any other holdings of the National Archives may be directed to:

Before the undersigned Notary Public residing at Charlesbourg in the Province of Quebec, Lower Canada, and the undersigned witnesses, were present the Reverend Fathers Etienne Thomas DeVilleneuve Girault, Superior of the Jesuits of Canada, and Jean Joseph Casot, Attorney, residing at the College of Quebec, Seigniors of St. Gabriel and other places, who in consideration of the fact that the Huron Indians of Lorette are owners of a tract of land hereinafter described by a deed of grant passed before the late Master Pinquet Notary on the seventh March one thousand seven hundred and forty-two which contains various clauses and conditions which in the future might be prejudicial to them and their successors both in respect of their ownership of the said tract of land granted by the said deed and in regard to their individual holdings whereon their houses are constructed which they hold in succession to their predecessors, the same having formed their village for at least a century without any original title. For these reasons and considerations, the said Seigniors desiring to confirm the said Hurons and their successors both in their enjoyment and in their ownership of the said tract of land and holdings and of a piece of land hereinafter mentioned Have by these presents voluntarily recognized and confessed having formerly granted and do now grant henceforth forever under title of ~~xxxxxxxxxxxxxx~~ perpetual and unredeemable seigniorial, cens et rentes [~~dues and rents~~], unless by act of the Prince; and promise and bind themselves to give peaceable enjoyment under the said title to Thomas Martin, Zacharie Ottese, Augustin Picard, François Vincent and Petit Etienne, Chiefs, having at a meeting obtained the consent of a certain number of their people, the Hurons of Jeune Lorette, namely, Simon Helene, Simon Ignace, Louis Vincent, Louis Monique, Stanislas Cousca, Zacharie Thomas and Michel Sioui, all present hereat and accepting, takers and receivers under the said title both for themselves and

between Counsel on behalf of the Dominion and Ontario intervening parties upon the Appeal to the Judicial committee of the Privy Council in Ontario Mining Company vs Seybold et al

As to all Treaty Indian Reserves in Ontario (including those in the territory covered by the North West Angle Treaty which are or shall be duly established pursuant to the Statutory Agreement of One thousand eight hundred and ninety four) and which have been or shall be duly surrendered by the Indians to sell or lease for their benefit Ontario agrees to confirm the titles heretofore made by the Dominion and that the Dominion shall have full power and authority to sell or lease and convey title in fee simple or for any less estate.

The Dominion agrees to hold the proceeds of such lands when or so far as they have been converted into money upon the extinction of the Indian interest therein subject to such rights of Ontario thereto as may exist by law.

As to the Reserves in the Territory covered by the North West Angle Treaty which may be duly established as aforesaid Ontario agrees that the precious metals shall be considered to form part of the Reserves and may be disposed of by the Dominion for the benefit of the Indians to the same extent and subject to the same undertaking as to the proceeds as heretofore agreed with regard to the lands in such Reserves.

The question as to whether other reserves in Ontario include the precious metals to depend upon the instruments and circumstances and law affecting each case respectively.

Nothing is hereby conceded by either party with regard to the constitutional or legal rights of the Dominion or Ontario as to the sale or title to Indian Reserves or precious metals or as to any of the

The James Bay Treaty

Treaty No. 9.

Articles of a Treaty made and concluded at the several dates mentioned therein, in the year of Our Lord one thousand nine hundred and five between His Most Gracious Majesty the King of Great Britain and Ireland, by His Commissioners Duncan Campbell Scott, of Ottawa, Ontario, Esquire, and Samuel Stewart, of Ottawa, Ontario, Esquire; and Daniel George MacMartin, of Perth, Ontario, Esquire, representing the Province of Ontario, of the one part; and the Ojibeway Cree and other Indians, inhabitants of the territory within the limits hereinafter defined and described, by their Chiefs and Headmen, hereunto subscribed, of the other part:-

Whereas the Indians inhabiting the territory hereinafter defined have been convened to meet a Commission representing His Majesty's Government of the Dominion of Canada at certain places in the said territory in this present year of 1905, to negotiate upon certain matters of interest to His Most Gracious Majesty, of the one part, and the said Indians of the other.

And whereas the said Indians have been notified and informed by His Majesty's said Commission that it is His desire to open for settlement, immigration, trade, travel, mining, lumbering, and such other purposes as to His Majesty may seem meet, a tract of country bounded and described as hereinafter mentioned, and to obtain the consent thereto of His Indian subjects inhabiting the said tract, and to make a treaty and arrange with them, so that there may be peace and good will between them and His Majesty's other subjects, and that His Indian people may know and be assured of what allowances they are to count upon and receive from His Majesty's bounty and benevolence.

And whereas the Indians of the said tract, duly convened in Council at the respective points named hereunder, and being requested by His Majesty's Commissioners to name certain Chiefs and Headmen who should be authorized on their behalf to conduct such negotiations and sign any treaty to be founded thereon, and to become responsible to His Majesty for the faithful performance by their respective bands of such obligations as shall be assumed by them, the said Indians have therefore acknowledged for that purpose the several Chiefs and Headmen who have subscribed hereto.

And whereas the said Commissioners have proceeded to negotiate a treaty with the Ojibeway Cree and other Indians, inhabiting the district hereinafter defined and described, and the same has been agreed upon and concluded by the respective bands at the dates mentioned hereunder, the said Indians do hereby cede, release, surrender and yield up to the Government of the Dominion of Canada, for His Majesty the King and His Successors forever, all their rights, titles and privileges whatsoever, to the lands included within the following limits, that is to say:- That portion or tract of land lying and being in the Province of Ontario bounded on the south by the Height of Land and the northern boundaries of the territory ceded by the Robinson-Superior Treaty of 1850, and the Robinson-Huron Treaty of 1850, and bounded on the East and North by the boundaries of the said Province of Ontario as defined by law, and on the West by a part of the eastern boundary of the territory ceded by the North West Angle Treaty No. 3; the said land containing an area of ninety thousand square miles, more or less.

And also the said Indian rights, titles and privileges whatsoever to all other lands wherever situated in Ontario, Quebec, Manitoba, the District of Keewatin, or in any other portion of the Dominion of Canada.

To have and to hold the same to His Majesty the King and His Successors forever.

And

RG 10, Vol. 1851, IT 436, Indian Affairs' Consecutive Number 539

1

And His Majesty the King hereby agrees with the said Indians that they shall have right to pursue their usual vocations of hunting, trapping and fishing throughout the tract surrendered as heretofore described, subject to such regulations as may from time to time be made by the Government of the country, acting under the authority of His Majesty, and saving and excepting such tracts as may be required or taken up from time to time for settlement, mining, lumbering, trading or other purposes.

And His Majesty the King hereby agrees and undertakes to lay aside reserves for each band, the same not to exceed in all one square mile for each family of five, or in that proportion for larger or smaller families, and the location of the said reserves having been arranged between His Majesty's Commissioners and the Chiefs and Headmen as described in the schedule of Reserves hereto attached, the boundaries thereof to be hereafter surveyed and defined, the said reserves when confirmed shall be held and administered by His Majesty for the benefit of the Indians free of all claims, liens or trusts by Ontario.

Provided, however, that His Majesty reserves the right to deal with any settlers within the bounds of any lands reserved for any band as he may see fit; and also that the aforesaid reserves of land, or any interest therein may be sold or otherwise disposed of by His Majesty's Government for the use and benefit of the said Indians entitled thereto with their consent first had and obtained; but in no wise shall the said Indians, or any of them, be entitled to sell or otherwise alienate any of the lands allotted to them as reserves.

It is further agreed between His Majesty and His said Indian subjects that such portions of the reserves and lands above indicated as may at any time be required for public works, buildings, railways, or roads of whatsoever nature may be appropriated for that purpose by His Majesty's Government of the Dominion of Canada, due compensation being made to the Indians for the value of any improvements thereon, and an equivalent in land, money or other consideration for the area of the reserve so appropriated.

And with a view to show the satisfaction of His Majesty with the behaviour and good conduct of His Indians and in extinguishment of all their past claims, He hereby through His Commissioners, agrees to make each Indian a present of eight dollars in cash.

His Majesty also agrees that next year, and annually afterwards forever, He will cause to be paid to the said Indians in cash, at suitable places and dates, of which the said Indians shall be duly notified, four dollars, the same, unless there be some exceptional reason, to be paid only to heads of families for those belonging thereto.

Further His Majesty agrees that each Chief, after signing the treaty, shall receive a suitable flag and a copy of this treaty to be for the use of his Band.

Further His Majesty agrees to pay such salaries of teachers to instruct the children of said Indians and also to provide such school buildings and educational equipment as may seem advisable to His Majesty's Government of Canada.

And the undersigned Ojibeway Cree and other Chiefs and Headmen, on their own behalf and on behalf of all the Indians whom they represent, do hereby solemnly promise and engage to strictly observe this Treaty, and also to conduct and behave themselves as good and loyal subjects of His Majesty the King.

They promise and engage that they will, in all respects, obey and abide by the law; that they will maintain peace between each other, and between themselves and other tribes of Indians, and between themselves and others of His Majesty's subjects, whether Indians, Half-breeds or Whites, this year inhabiting and hereafter to inhabit any part of the said ceded territory; and that they will not molest the person or property of any inhabitant of such ceded tract, or of any other district or country, or interfere with or trouble any person passing or travelling through the said

said tract or any part thereof, and that they will assist the officers of His Majesty in bringing to justice and punishment any Indian offending against the stipulations of this Treaty or infringing the law in force in the country so ceded.

And it is further understood that this Treaty is made and entered into subject to an agreement dated the third day of July between the Dominion of Canada and Province of Ontario which is hereto attached.

In Witness whereof His Majesty's said Commissioners and the said Chiefs and Headmen have hereunto set their hands at the places and times set forth in the year herein first above written.

As to all Treaty Indian Reserves in Ontario (including those in the territory covered by the North West Angle Treaty which are or shall be duly established pursuant to the Supplementary Agreement of One Thousand Eight Hundred and Ninety Four) and which have been or shall be duly surrendered by the Indians to sell or lease for their benefit Ontario agrees to confirm the titles heretofore made by the Dominion and that the Dominion shall have full power and authority to sell, lease and dispose of title in fee simple or for any less estate.

As to the Reserves in the territory covered by the North West Angle Treaty established as aforesaid Ontario agrees that the province would be entitled to a portion of the Reserves and may be disposed of by the Dominion for the benefit of the Indians to the same extent and subject to the same understanding as to the proceeds as hereinbefore agreed with respect to the lands in such reserves.

cap. k
5. cap.

Whereas, His Most Gracious Majesty the King of Great Britain and Ireland is about to negotiate a treaty with the Ojibeway and other Indians, inhabitants of the Territory within the limits hereinafter defined and described, by their chiefs and headmen for the purpose of opening for settlement, immigration, trade, travel, mining and lumbering, and for such other purposes as to His Majesty may seem meet, a tract of country bounded and described as hereinafter mentioned, and of obtaining the consent thereto of His Indian subjects inhabiting the said Tract, and of arranging with them for the cession of the Indian rights, titles and privileges to be ceded, released, surrendered and yielded up to His Majesty the King and His successors for ever, so that there may be peace and good-will between them and His Majesty's other subjects, and that His Indian people may know and be assured of what allowances they are to count upon and receive from His Majesty's bounty and benevolence, which said territory may be described and defined as follows, that is to say, all that portion or tract of land lying and being in the Province of Ontario, bounded on the south by the height of land and the northern boundaries of the territory ceded by the Robinson-Superior Treaty of 1850, and the Robinson-Huron Treaty of 1850, and bounded on the East and North by the boundaries of the said Province of Ontario as defined by law, and on the West by a part of the eastern boundary of the territory ceded by the North-West Angle Treaty No. 3; the said land containing an area of ninety thousand square miles more or less, said treaty to release and surrender also all Indian rights and privileges whatsoever of the said Indians to all or any other lands wherever situated in Ontario, Quebec, Manitoba or the District of Keewatin, or in any other portion of the Dominion of Canada.

And whereas, by the agreement made the 16th day of April, 1894, entered into between the Government of the Dominion of Canada represented by the Honourable T. Mayne Daly and the government of the Province of Ontario represented by the Honourable John M. Gibson in pursuance of the statute of Canada passed in the Fifty-fourth and fifty-fifth years of Her Majesty's reign, chaptered five and intituled 'An Act for the settlement of certain questions between the Governments of Canada and Ontario respecting Indian Lands,' and the statute of Ontario passed in the Fifty-fourth year of Her Majesty's reign, chaptered three and intituled 'An Act for the settlement of certain questions between the governments of Canada and Ontario respecting Indian Lands' and by the sixth clause of the said agreement it is provided 'That any future treaties with the Indians in respect of Territory in Ontario to which they have not before the passing of the said statutes surrendered their claim aforesaid, shall be deemed to require the concurrence of the Government of Ontario,' and by the said intended treaty it is signified and declared that His Majesty show his satisfaction with the behaviour and good conduct of His Indian subjects and in extinguishment of all their past claims through His Commissioners will make to each

Indian a present of eight dollars in cash, and will also next year, and annually afterwards forever cause to be paid to each of the said Indians in cash at suitable places and dates, of which the said Indians shall be duly notified the sum of four dollars, and that unless there be some exceptional reason, such sums will be paid only to heads of families for those belonging thereto.

It is therefore agreed by and between the Governments of Canada and of Ontario as aforesaid, as follows:—

That subject to the provisions contained in the hereinbefore recited agreement of 16th April, 1894, and also the agreement made on 7th July, 1902, by Counsel on behalf of the Governments of the Dominion and Ontario intervening parties, upon the appeal to the Judicial Committee of the Privy Council in the suit of the Ontario Mining Company v. Seybold et al. (Ont. S.P., 1904, No. 93) a copy whereof is hereto attached; and the surrender of the Indian title within Ontario to the entire territory herein defined and described, duly obtained.

The Government of the Province of Ontario hereby gives consent and upon the following conditions concurs in the terms proposed to be entered into, made and agreed by the said Treaty, in so far that the said Government of Ontario, on and after the payment to the Indians of the above mentioned present of eight dollars, and thereafter the payment annually of four dollars to each Indian, forever, as above specified, promises and agrees to pay the said sums to the Government of Canada, upon request when and as the same are paid to the Indians, upon proof, when required, of such payments—such payments to be free from any expenses at the cost of Ontario attendant upon distribution of the said sums of money

And the government of Ontario, subject to the conditions aforesaid, further concurs in the setting apart and location of reserves within any part of the said territory, as surrendered or intended to be surrendered, in area not greater than one square mile for each family of five or in like proportion, at points to be chosen by the Commissioners negotiating the said Treaty, one of the said Commissioners to be appointed by the Lieutenant-Governor of Ontario in Council, and the selection of the said reserves to be subject to the approval of the Lieutenant-Governor in Council.

And the Government of Ontario stipulates no part of the expense of survey and location of the said reserves to be at any time at the cost of the Government of Ontario;

And further, that no site suitable for the development of water power exceeding 500 horse power shall be included within the boundaries of any reserve.

It is also agreed between the parties hereto that no part of the cost of negotiating the said Treaty is to be borne by the Province of Ontario

In witness whereof these presents have been signed and sealed on behalf of the Government of Canada by the Honourable Frank Oliver, Superintendent General of Indian Affairs, and on behalf of the Government of Ontario by the Honourable Francis Cochrane, Minister of Lands and Mines.

Signed, sealed and delivered by the Honourable Frank Oliver in presence of FRANK PEDLEY and by the Honourable Francis Cochrane in the presence of GEO W. YATES.

Agreement between Counsel on behalf of the Dominion and Ontario intervening parties upon the appeal of the Judicial Committee of the Privy Council in Ontario Mining Company vs. Seybold et al.

As to all treaty Indian reserves in Ontario (including those in the territory covered by the North-West Angle Treaty which are or shall be duly established pursuant to the statutory agreement of one thousand eight hundred and ninety-four) and which have been or shall be duly surrendered by the Indians to sell or lease for their benefit, Ontario agrees to confirm the titles heretofore made by the Dominion and that the Dominion shall have full power and authority to sell or lease and convey title in fee simple or for any less estate.

The Dominion agrees to hold the proceeds of such lands when or so far as they have been converted into money upon the extinction of the Indian interest therein subject to such rights of Ontario thereto as may exist by law.

As to the Reserves in the territory covered by the North-West Angle Treaty which may be duly established as aforesaid Ontario agrees that the precious metals shall be considered to form part of the Reserves and may be disposed of by the Dominion for the benefit of the Indians to the same extent and subject to the same undertaking as to the proceeds as heretofore agreed with regard to the lands in such reserves.

The Government of the Province of Ontario acting herein by the Honourable Beniah Bowman, Minister of Lands and Forests for the said Province

of the other part.

WHEREAS certain Indians of the Chippewa and Mississauga tribes claim that the said tribes were and are entitled to a certain interest in lands in the Province of Ontario to which the Indian title has never been extinguished by surrender or otherwise, the said lands being described as parts of the counties of Renfrew, Hastings, Haliburton, Muskoka, Parry Sound and Nipissing, and being bounded on the south and east by the lands included in the surrenders of the Indian title made on the 18th of November, 1815, the 5th of November 1818, and November, 1822; on the north by the Ottawa and Mattawa Rivers and Lake Nipissing, and on the west by the lands included in the surrender of the Indian title made in 1850, known as the Robinson-Huron surrender, and by the Georgian Bay, the area in question including about 10,719 square miles.

AND WHEREAS a departmental enquiry made by the Department of Indian Affairs indicates that the said claim has such probable validity as to justify and require further investigation, and if found valid to be saitsfied on such just and fair terms as may be settled by a treaty of surrender.

NOW THEREFORE THIS AGREEMENT made in pursuance of certain statutes of Canada and of the Province of Ontario both intituled "an Act for the Settlement of certain questions between the Governments of Canada and Ontario respecting Indian Lands", the

Statute of Canada having been passed in the 54th and 55th years of the reign of Her Majesty Queen Victoria and chaptered 5, and the statute of Ontario in the 54th year of Her Majesty's said reign and chaptered 3.

WITNESSETH THAT the Governments of Canada and of the Province of Ontario have agreed as follows:-

1. The Government of Canada will, pursuant to Part 1 of the Enquiries Act, R.S.C. 1906, c. 104 and amendments, appoint three persons as commissioners to enquire into the validity of the claim of the Chippewa and Mississauga Indians aforesaid, and will empower the said commissioners, in the event of their determining in favour of the validity of the said claim, to negotiate a treaty with the said Indians for the surrender of the said lands upon payment of such compensation as may be fixed by such treaty.

2. Of the three commissioners so named, one shall be selected by the Government of Canada, who shall be chairman of the Commission, and the remaining two shall be selected by the Minister of Lands and Forests for the Province of Ontario and notified to the Superintendent General of Indian Affairs.

3. The question of the validity of said claim may be determined by any two of the said Commissioners and it shall be necessary that at least two of them (of whom the chairman shall be one) shall concur in any treaty which may be negotiated.

4. The expenses of the said commission, including the remuneration and expenses of the Commissioners and any expenses incurred for securing the attendance of witnesses or otherwise, shall be payable by the Government of Canada, but the rates of remuneration of each of the commissioners selected by the Minister of Lands and Forests for the Province of Ontario shall be agreed upon between him and the Superintendent General of Indian Affairs before the constitution of the Commission.

5. In the event of the commissioners negotiating a treaty with the Indians the compensation to be paid to such Indians shall be payable to the Dominion of Canada by the Province of Ontario from time to time in accordance with the terms of the treaty of surrender, and shall be applied by the Dominion of Canada in accordance with the said terms.

6. In the event of provision being made by such treaty of surrender for the setting apart of reserves for the Indians, the Dominion of Canada will bear the expense to be incurred in the location and survey thereof, and the Province of Ontario will concur in the setting apart of such reserves.

7. All such reserves shall be administered by the Dominion of Canada for the benefit of the band or bands of Indians to which each may be allotted; portions thereof may, upon their surrender for the purpose by the said band or bands, be sold, leased or otherwise disposed of by letters patent under the Great Seal of Canada, and the proceeds of such sale, lease or other disposition applied for the benefit of such band or bands, provided, however, that in the event of the band or bands to which any such reserve has been allotted becoming extinct, or if for any other reason such reserve or such portion thereof as remains undisposed of is declared by the Superintendent General of Indian Affairs to be no longer required for the benefit of the said band or bands, the same shall thereafter be administered by and for the benefit of the Province of Ontario, and any balance of the proceeds of the sale or other disposition of any portion thereof then remaining under the control of the Dominion of Canada shall, so far as the same is not still required to be applied for the benefit of the said band or bands of Indians, be paid to the Province of Ontario, together with accrued unexpended simple interest thereon.

Rice Lake, Mud Lake, Scugog Lake and Alderville, all in the Province of Ontario, by their Chiefs and Headmen, of the Other Part

Whereas the Mississauga Tribe above described, having claimed to be entitled to certain interests in the lands in the Province of Ontario, hereinafter described, such interests being the Indian Title of the said Tribe to fishing, hunting and trapping rights over the said lands, of which said rights, His Majesty, through his said Commissioners, is desirious of obtaining a Surrender, and for such purpose has appointed the said Commissioners, with power on behalf of His said Majesty, to enquire into the validity of the claims of the said Tribe, and, in the event of the said Commissioners determining in favour of the validity thereof, to negotiate a Treaty with the said Tribe for the Surrender of the said rights upon the payment of such compensation therefor as may seem to the said Commissioners to be just and proper:

And Whereas the said Commissioners, having duly made the said enquiry, have determined in favour of the validity of the said rights.

And Whereas the Indians belonging to the said Tribe, having been duly convened in Council, at the respective places named hereunder, and having been requested by the said Commissioners to name certain Chiefs and Head Men to be authorized on their behalf to conduct negotiations with the said Commissioners for a Surrender of the said rights and to sign a Treaty in respect thereof and to become responsible to His Majesty the faithful performance by the said Tribe and by the respective Bands thereof

Ottawa, 14th July 1931

Memorandum

Mr. Williams,-

I notice in the description in the Treaty made on the 15th November 1923 that on Page 5, 19th and 20th lines of the "secondly" described parcel, states,- "between the Townships of Victoria and Ontario" which would appear to be a clerical error, apparently the Counties of Victoria and Ontario are intended. I do not suppose that this would affect the legality and no doubt the intent would govern.
