## A Common Cold

Is often the beginning of serious affections of the Throat, Bronchial Tubes, and Lungs. Therefore, the importance of early and effective treatment cannot be overestimated. Ayer's Cherry Pectoral may always be relied upon for the speedy

cure of a Cold or Cough. Last January I was attacked with a severe Cold, which, by neglect and frequent exposures, became worse, finally settling on my lungs. A terrible cough soon followed, accompanied by pains it the chest, from which I suffered intensely. After trying various remedies, without obtaining relief, I commenced taking Ayer's Cherry Pectoral, and was Speedily Cured.

I am satisfied that this remedy saved my life. — Jno. Webster, Pawtucket, R. I. life.—Jno. Webster, Pawtucket, R. I.
I contracted a severe cold, which sudelly developed into Pneumonia, presenting dangerous and obstinute symptoms. My physician at one ordered the use of Ayer's Cherry Pectoral. His instruction: were followed, and the result was a rapid and permanent cure.—H. E. Simpson, Rogers Prairie, Texas.

Rogers Prairie, Texas.

Two years ago I suffered from a severs Cold which settled on my Lungs. I consulted various physicians, and took the medicines they prescribed, but received only temporary relief. A friend induced me to try Ayer's Cherry Pectoral. After taking two bottles of this medicine I was cured. Since then I have given the Pectoral to my children, and consider it The Best Remedy

Robert Vanderpool, Mendville, Pa.

Some time ago I took a slight Cold, which, being neglected, grew worse, and settled on my lungs. I had a hacking cough, and was very weak. Those who knew me beat considered my life to be in great danger. I continued to suffer until I commenced using Ayer's Cherry Pectoral. Less than one bottle of this valuable medicine cured me, and I feel that I owe the preservation of my life to its curative powers.—Mrs. Ann Lockwood, Akron, New York.

### Free Trade.

The reduction of internal revenue and the taking off of revenue stamps from Proprietary Medicine no doubt has largely benefitted the consumers, as well as relieving the burden of home manufacturers Especially is this the case with Green's August Flower and Boschees German Syrup as the reduction of thirty-six cents per dozen has been added to the increase in the size of the bottles containing these remedies, thereby giving one-fifth more medicine in the 75 cent size. The August Flower for Dyspepsia and Liver Complaint, and the German Syrup for Cough and Lung troubles, have perhaps, the largest sale of any medicines in the world The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted, in every town and village in civilised countries. Sample bottles for ten cents remain the same size. The reduction of internal revenue and
