MEAT SUPPLY SHORT

Increase in Price Imminent in England and More Determined Demand for Removal of Embargo on Canadian Cattle Will Likely Result

London, May 31.—Canon E. S. Medley, son of the former Metropolitan of Canada, died today in Norwich.

An increase in the price of meat is again imminent in consequence of short supplies. The situation is growing serious. One result will probably be a more determined demand for the removal of the embargo of Canadian cattle.

At the General Assembly of the Free Church of Scotland today, a petition from Roderick Mackay of Fort William, Ont., pleaded that an unscriptural method of worship was being carried on there with the use of hymns and organs, and requesting that a missionary speaking English and Gaelic be appointed.

Stoker John Rigid was blown across the deck and injured, and part of the steering bunkers were wrecked and some of the passengers hurt, but not seriously.

STEAMER AND TRAWLER WERE BOTH TO BLAME

Finding of Marine Court in Stranding of the Ellen, and Collision at North Sydney

Halifax, May 30.—Capt. Luger has held three courts of inquiry in cases of stranding and collision, the stranding of the steamer Ellen on Cann Shoal, Sydney harbor.

The decision in the first case found the pilot to blame through an error of judgment. In the case of the sinking of the Zaida the French trawler was absolved from the blame as the crew of the Zaida who were exposed to be on the look-out were fast asleep below deck and did not exhibit any light.

With regard to the collision between the Invermore and the Belgica the court decided that both were to blame.

SOME BRITISH M. P.'S FOR LIMITED SUFFRAGE

London, May 31.—Several members of the House of Commons have introduced a bill for limited woman suffrage.

As a practical minimum they will introduce a bill for woman suffrage as early as possible. It would add a million new voters to the register. The committee contends that the present house of commons is as old as since 1870, shows a majority in favor of woman suffrage.

COL. LAMB'S OPINION ON EMIGRATION

Speaks B'untly at Conference in London

STANDING COMMITTEE MEETING VOTES TO ESTABLISH BOARD TO DEAL WITH RECOMMENDATIONS AND IMPERIAL CONFERENCE ON THE SUBJECT IS SUGGESTED BY THE CHRONICLE

London, May 31.—At the emigration conference today Colonel Lamb, of the Salvation Army, said the requirements of the colonies were well known. They wanted people physically fit and morally without taint, who did not drink or tell lies, who did not covet a neighbor's land, who had some agricultural knowledge and some capital. He did not blame them when he remembered this country was full enough to part with everything after they had fought for these territories at a tremendous cost of blood and treasure, without keeping "tag" on it.

Mr. Aikin, K. C., defended the Canadian regulations. Canadians, he said, they thought that a population not good enough for England was not good enough for them, but the dominion could not have too many settlers of the right sort. They had an ambition that Canada might one day become the heart of the empire. That does not imply that they thought British descent was necessary. Canada must necessarily become a great power. They were prepared to accept settlers, but only the right sort.

Lord Brassey moved that the council of the Royal Colonial Institute be asked to appoint a representative standing committee to look into recommendations of the conference should be referred for consideration and such further action as might be deemed advisable. This was adopted.

Kinloch looked criticized the frequency of new regulations issued by Canada in respect to assisted emigrants, particularly the latest, which he declared were preventing emigrants already in Canada being repatriated.

The Morning Post urges concentration in emigration of children.

The Chronicle suggests an imperial conference on the question as organization of emigration should be a great work for the empire.

The Daily Graphic thinks the colonies would not suffer in the long run if they abandoned discrimination.

SOUTH AFRICA DAY IN THE CITY SCHOOLS

Today was observed in the schools of the city as South Africa day, and addresses were given by the teachers in the higher grades to the pupils, explaining the meaning of the day, and the importance of the day, not only to the Transvaal, but to the whole British Empire.

In the High school yesterday morning, Principal W. J. S. Miles addressed the scholars in the exhibition hall, where they were assembled.

In the High school this morning, Dr. S. W. Dyde, professor of philosophy of Queen's university, Kingston, spent several hours and expressed himself as greatly pleased with what he saw. Dr. Dyde, who was at one time connected with U. N. B., will leave tomorrow for Fredericton where he will speak at the Encaenia exercises of the university. Later he will go to Halifax, where he will attend the general assembly of the Presbyterian church. Dr. Dyde is accompanied by his wife.

KETCHEL HAS CLOSE CALL IN EXPLOSION

Pugilist Tinkering With His \$8,000 Auto, and It Blows Up—Johnson Wants to Fight Corbett.

New York, May 31.—Stanley Ketchel, the pugilist, narrowly escaped serious injury today when his big touring car caught fire and was completely destroyed on the road to his training quarters at Woodlawn. The machine broke down in a hard rainstorm and Ketchel walked a half mile to new quarters. As he was placing these in the machine there was a violent explosion and the car was enveloped in flames. Ketchel said he paid \$8,000 for the auto and had it insured for \$4,000.

San Francisco, May 31.—Jack Johnson is rapidly rounding into condition and he feels it is not necessary to rush his training work as he has plenty of time to put on the finishing touches. It now seems likely that Billy Delaney will not take over the direction of Johnson's training until the latter part of the week.

Mr. Sutherland says that he thought last night that, offended by James J. Corbett's remarks concerning his courage, the negro champion would challenge him to meet him in a boxing match at any time prior to the date of the big fight. Promoters Rickard and Gleason are not expected to entertain the removed plan for such a meeting.

Convicted Bank Book-keeper Gives Evidence in the Trial of Big Bill Kehler

Boston, May 31.—The trial of William E. Big Bill Kehler, charged with aiding and abetting George W. Coleman, former \$12 a week bookkeeper of the National City Bank of Cambridge, in looting that institution of \$39,000, was resumed this morning in the United States district court today.

With about fifteen years' experience, again a witness.

Daniel H. Coakley, attorney for Kehler, continued his cross-examination of the young man. The court room was crowded with persons who apparently came with the hope of hearing Coleman further relate how he disposed of the fortune, which he says Kehler showed him how to lose, most of it at gambling in New York and Niagara Falls. The tales of wine and women have also attracted the curious.

BUTTER NOW HITS THE HIGH PLACES

Prices in New York Above Anything Since Civil War—Western Speculators Blamed

New York, May 31.—Although today's market reports show that butter prices in May were larger than usual, the prices in other grades are higher here than they have been before at this time since the civil war.

Wholesale dealers in New York declare that western speculators have been buying up supplies and that this has kept prices high.

ANOTHER SEARCH FOR TREASURE ON SPANISH WRECK

Halifax, May 31.—The recovery of sunken boxes, estimated to be worth between \$20,000 and \$50,000 is the object of an expedition which is to commence salvage operations at Port Murray Bay, Annapolis county, (N. S.) within a few days.

The treasure has rested for nearly a century, it is believed, in the cabin of the Spanish galleon Don Giza, which was sunk in Port Murray Bay.

A company of Annapolis business men has engaged two divers upon the worth of whose apparatus the success or failure of the expedition depends, for the Don Giza lies in nearly twenty-five fathoms of water and is swept by the strong tides and cross currents. These conditions hitherto have proved insurmountable barriers to the recovery of the treasure.

Ball Fans at Church

Pittsburg, May 30.—Through a suggestion of Constable Jacob Stine, of Port Vue, who is an ardent baseball fan and a regular churchgoer, Pittsburg's ministers and the managers of baseball clubs which have been holding Sunday exhibition games, have reached an agreement by which attendance at church will be increased and Sunday ball will continue.

No one will be allowed to attend the Martin club's Sunday exhibition games unless he presents a ticket which he obtains only by attending a morning service at one of Pittsburg's churches, and sitting out the service no matter how long.

Montreal, May 30.—Cremation is making its way, slowly at first now faster, and bids fair to become fairly general among the Protestant portion of the population. The crematory here was established in 1902. In that year there were three cremations; 1903, six; 1904, six; 1905, 10; 1906, 10; 1907, 20; 1908, 27; 1909, 32. So far this year there have been 38.

REV. DR. JOST IS AGAIN CHOSEN PRESIDENT OF THEOLOGICAL UNION

Annual Meeting at Mt. Allison This Morning—Rev. G. A. Ross, of Fairville, Preacher Before Union—Athletics and Meetings of Alumni and Alumnae Societies.

Sackville, N. B., May 31.—(Special)—This morning the annual meeting of the Theological Union was held in Black Memorial Chapel, Rev. Dr. Jost of Bridgetown, the president, was in the chair. The former officers were re-elected—Rev. S. Jost, president; Prof. W. G. Watson and Rev. Samuel Howard, of St. Stephen, vice-presidents; Rev. J. L. Dawson, of Sackville, secretary-treasurer. The lecturer for the next year will be Rev. A. E. Daniel of Nappan, with Rev. John Harkin of the Nova Scotia conference as alternate.

Rev. G. A. Ross, of Fairville, will be the preacher before the union, with Rev. H. Johnson, of Summerside, alternate. The lecture this morning was delivered by Rev. William Harrison, of Charlottetown, who spoke most effectively on Unconscious Orthodoxy. A unanimous vote of thanks was tendered him on motion of Rev. John Craig, of Mahone Bay, president of the Nova Scotia conference, presided over by Rev. Dr. Heertz, of Amherst. A vote of thanks was unanimously tendered Rev. Leander Daniel for his able sermon before the union on Sunday. This was moved by Prof. Watson, seconded by Rev. Dr. Chapman, of Amherst. Several members spoke appreciatively both of the sermon and the lecture.

In the gymnasium of Hart Hall the new stone wing of the ladies' college, this morning there was a basket ball game between a team representing Nova Scotia young ladies of the college and one picked from other students. Nova Scotia won by 17 to 12.

This afternoon meeting of the alumni and alumnae societies are being held. Both societies will show large increases in membership, something in large part due to the formation of the Mount Allison Association in St. John. This evening a joint banquet of the societies will be held in the university residence after the university convocation.

APPLICATIONS FOR FAIR SPACE IN TOMORROW

All applications for space in the Dominion Exhibition will be handed in to the central offices tomorrow at the latest. Choice locations will be made next week, after outside exhibitors have had opportunity to get their letters, etc., to St. John. Postmarks up to and including June 1 will be honored. Already the number of exhibits booked is almost fifty per cent greater than for any previous exhibition in this city. A truly great show is unmistakably assured.

One of the new schemes adopted by the exhibition management for interesting shows in the agricultural and live stock departments is in the county contests, or

in other words the apportioning of special awards and trophies for good, better and best displays from the various geographical sections of the province.

In the treasury department of the central offices the new five-for-dollar ticket books have been received and in a short time will be placed on sale through canvassers and in the prominent stores and bookshops in St. John. This evening a special ticket is limited it is suggested that a supply be secured early, especially if one is disposed to tender the courtesy of free admissions to outside friends, relatives or business customers. Indeed it is largely for this purpose the tickets are issued.

SOUTH AFRICA TODAY

After the war, the British government was very generous in its treatment of South Africa. It gave the conquered states a large measure of autonomy. There was an outcry from a portion of press, both at home and in Canada, that this was a surrender to the Boers, and an outrage upon the loyal British citizens of those states.

A Liberal Offer

Chas. R. Wasson Guarantees a Relief for Dyspepsia. If The Remedy Fails It Costs Nothing

To unquestionably prove to the people that Indigestion and Dyspepsia can be permanently relieved, we have devised a Remedy which will bring about this result. I will furnish the medicine absolutely free if it fails to give satisfaction to any one using it.

The remarkable success of Resall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as the care exercised in their manufacture, whereby the well known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents.

The Pepsin used in Resall Dyspepsia Tablets is prepared by a process which develops its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of its digestive fluid, and without it the digestion and assimilation of food are impossible.

Base ball has a better grip on the public in St. John this season than for many years past. The amateur commercial and industrial leagues add zest to the game in general, and they have a large and enthusiastic following.

The New York Herald says:—"The Royal Commission just made by the Dutch Royal Commission declaring that unregulated vivisection is intolerable and that it is the duty of the government to stop needless cruelties will go far to influence other governments in intervening to end the horrors of this procedure, against which humanity is in revolt."

ONE WAY OF HANDLING THE CRIMINAL BUSINESS Sackville Tribune Has Comments on Absence of Crown Officers From Court Here (Sackville Tribune.) Criminal business before the court in St. John has had to be delayed nearly a month because neither the attorney general nor the solicitor general was on hand to represent the crown nor was there any lawyer present to handle the case of His Majesty. The attorney general was in Boston attending a club meeting. Where the solicitor general was has not been stated. At all events, this system of handling the crown business is not the way which will appeal to most people as the right way. In consequence of the non-appearance of the crown officers prisoners will be kept in jail waiting for trial, whether they are innocent or guilty, and extra expense will be put upon the people of St. John. At the annual meeting of the Y. P. S. of Ladbroke street Baptist church held yesterday, reports of the work done last year showed the society to be in good standing. The election of officers resulted as follows:—President, Miss E. Wayne; 1st vice-president, S. Humphrey; 2nd vice-president, C. I. Hamer; recording secretary, R. J. Mackenzie; associate recording secretary, Miss J. L. Crossley; treasurer, T. A. Christopher; assistant treasurer, Miss H. Sharpe; pianist, Miss M. Christopher; assistant pianist, Miss M. The Evening Chit-Chat By RUTH CAMERON

TWO or three months ago I wrote an article saying that men did not like forward girls, that the forward girl by her forwardness loses not only her self-respect, but also the very thing for which she is trying to trade it—the admiration and love of the opposite sex. Since then I have received so many letters from girls who say that their attempts to be self-respecting and nice and their consequent unpopularity deprive my statement, that I am going to take up the cudgels again in defense of my belief. For it still is my belief. But, girls, I did not say that the nice girl would be very popular. I did not say that she would be the girl who would have to split up her dances and fill out a dozen extras to satisfy the admirers who crowd around her at a dance. That I said, and still affirm, is that the self-respecting girl, other things being equal, has the better chance of winning the average man's admiration and love. Now please do not translate my terms 'self-respect' and 'niceness' into prudery. That is most emphatically what I do not mean. Nobody, man or woman, loses a pride. A pride, moreover, since she is always on the lookout for evil suggestions and insinuations, continually finds them. Above all things, don't be a prude. Just be a nice girl, thinking no evil and expecting none. When a girl is so nice that she is trying hard not to be improper or forward, you, it is far better to appear not to see the allusion than to pick it up and resent it. Please, please don't feel that way, girls. Self-respect does pay every time. Not only good men but all men admire it. I know of a rake, a man about town, almost what we call a degenerate, who said 'I shall never marry. The right kind of girl won't have me and I won't marry the other kind.' Don't be too formal, too chip-on-the-shoulder. If you aren't a masculine success, maybe it's a tendency in that direction that's to blame. Try to overcome it without going too far in the other direction. Don't be a prude, but be a nice, jolly, self-respecting girl, and I believe, with all my heart, your own shall come unto you, and that it will be worth waiting for.

REJOICE OVER NEW DOMINION EXHAUSTED DR. CHASE'S NERVE FOOD

Does This Describe Your Case?—Then Read This Letter About DR. CHASE'S NERVE FOOD The accompanying letter describes so well the condition of a person whose nerves are weak and exhausted that little need be added. The language of such a state of health is sometimes evoked by persons who do not realize that the next step is some form of paralysis which leaves one helpless in mind and body. Mrs. Edward Schwartz, Ledyardville, Que., writes: "It is a pleasure to let you know how I was benefited by Dr. Chase's Nerve Food. I was run down and weak. I could do any household work, was easily tired and exhausted, lacked energy and ambition, was very nervous, easily irritated, could not concentrate the thoughts, hands and feet were cold, I could not sleep, had frequent headaches and dizzy spells and palpitation of the heart. "Nervous prostration was my trouble, but Dr. Chase's Nerve Food cured it all and I cannot find words to express my thankfulness for this wonderful medicine." The results achieved by Dr. Chase's Nerve Food are often more than words can tell. In cases such as this, the persistent treatment is necessary, but you are encouraged to persevere, for natural improvement until the cure is thorough and complete. There is a satisfaction in knowing that each and every dose is bound to be a step toward recovery in rebuilding the wasted nervous system. Dr. A. W. Chase's Nerve Food, 50 cts. box, 6 for \$2.50, all dealers; or Edman, Bates & Co., Toronto. Write for a free copy of Dr. Chase's Recipes.

Miss Clara Palmer and James Palmer of Tabernacle, Gloucester County, who have been visiting their sister, Mrs. E. Bridge Jewett, for the past month, have returned home. The home of Mr. and Mrs. Arthur Gordon was gladdened by the arrival of a baby girl on Thursday, May 19. Miss Agnes Alward, B. A., principal of the superior school, spent from the 20th to the 24th at her home in Fredericton. Miss Addie Palmer, teacher in the primary department, spent the holidays with friends in Millville, York county. Miss Smith of Manchester, (N. H.) in company with Miss Lillian Smith, whom she has been visiting has left for her home. Mrs. Jessica Sargeant and her two sons, who have been the guests of Mrs. Fred Colburn, for the past few weeks have returned to their home in Bridgewater, (Me.). WAS FORTY EIGHT YEARS ON I. C. R.

Death of Andrew Rainnie Who Retired as Conductor in 1907

One of the oldest members of Union Lodge of Portland, F. & A. M., and a member of St. Andrew's Society, Andrew Rainnie, died yesterday in his residence, 150 Wright street, aged 69 years. Deceased was a native of Chatham, where he was born May 9, 1841. He had been in the employ of the I. C. R. for forty-eight years and while a conductor was retired in 1907. During his lengthy service on the railroad he had met with many popular and all classes of the traveling public. He is survived by his wife, who was Miss Barnes, of this city, three daughters—Mrs. Frank S. White and Mrs. D. B. Pidgeon, of this city, and Mrs. C. W. Crab, of Gloucester; and one son, A. Gordon Rainnie, of this city. Three sisters reside in St. John—Mrs. D. Brown, Mrs. J. R. Dew and Miss Elizabeth Rainnie. One brother, James Rainnie, is manager of the Western Union Telegraph Company at Sackville. The funeral will take place from the late residence of the deceased tomorrow afternoon at 2:30.

ROYAL ARGANUM TRIBUTE TO LATE KING

In moving the adjournment of the supreme council of the Royal Arganum, in session in Montreal, on the occasion of the late King Edward's funeral, and moving resolutions of regret and sympathy, Delegate Gerald Tomkinson of New York, paid this eloquent tribute:—"The Supreme Regent—It would seem that as we are today surrounded by emblems betokening the loss that has fallen on a great people, in which all nations share, it would be well to pause for a brief space in our deliberations, and place our thoughts on the great man who has departed and whose death has been mourned and reverence for the great dead, and words of sympathy for those most severely stricken. "Peace on earth, good will toward men." "Throughout all the wonderful and eventful centuries that have transpired since these words were proclaimed by angelic voices, they have been silently but surely drawing all peoples and all nations into a closer bond of unity and of good will, each toward the others. At no time since the angelic hosts sang this wonderful acedema has its truth been more potent than in the century that now holds us. Back through centuries ago, the great men of the battleaxe, the spear, the sword, the gun, were for the overturning and destruction of the old, and for the inauguration of the new. They were for the triumphant, right often humbled, in this century, intellect and moral force, based and built upon an unflinching trust in a supreme power, are directing the course of realms and of nations toward a universal peace. The dove with the olive branch can now find where to rest her weary wings. "Civilized nations are looking to the establishment of a tribunal clothed with power to determine international differences without the shedding of human blood. "Peace on earth, good will toward men," is sounding in the heavens this day with sweeter melody than when proclaimed two centuries ago. Great men of all peoples and of all nations are waiting and watching and working for the full fruition of this angelic proclamation. "Among the great names more watchful, none more hopeful for the day of universal peace than his for whom the flags of all nations have this day dropped to their stations of mourning. The heart that responds to the call of duty knows no rest except in the grave. King Edward VII. was by title of his position a monarch; but he was of and for his people. His sympathies were with them in all that made for the good and for the progress of his realm to a higher plane. He was loved and honored, by his subjects, not so much because he wore the crown of a kingdom or a diadem of an empire, but more because he wore the majestic crown befitting a true and noble manhood. I have done my duty," are words that will live so long as historical monuments bear record of the achievements of men. As God gave him to see his duty, he did that duty; if a burden was to be borne for his people, he cheerfully bore it. His labors for the world's peace are over. His heart responded to the call of duty; he found rest except in the grave. There let us leave him enshrined with honors due his high station, and upon his tomb scatter the ever fragrant roses of love and affection for him as a man."

CARLETON COUNTY BOOTH AT DOMINION FAIR

(Woodstock Press, Editorial) Will Carleton county "the garden of the province" have a booth at the Dominion Exhibition to be held in St. John this fall? The chances are that it will. The warden and several of the county councillors have had the matter under consideration and will bring it before the council at the June meeting. It is hardly necessary for us to say that the climate, soil and general conditions mark out Carleton county as the best all round food producing county in the province. The forests of Carleton county are filled with game for the sportsman and the rivers and lakes with salmon and trout for the fisherman. Here the farmers are as a class wealthy, appear to enjoy their lives and have good farms and fine-looking buildings upon the farms, the supply from the harvests in the fall is abundant. Lumber and all kinds of manufacturing business is upward. Woodstock and the smaller towns are booming, and the number of men in proportion to the wealth and middle-class is very small. Carleton county is prosperous, and to show to the outside world some of the things that go to make us prosperous can best be done by establishing a Carleton county booth at the St. John exhibition. At a meeting of the debt fund committee of Carleton county last night, it was reported that \$12,738 had been promised unconditionally so far, and that a great many other subscriptions would come on hand. It is hoped to raise the entire amount of \$25,000 by June, 1912.

KING'S FUNERAL SEEN BY THOUSANDS AT NICKEL

The Nickel Theatre was attended by thousands of citizens yesterday

and evening when the motion pictures of King Edward's funeral were the chief attraction

of the entertainment. Richard Harding Davis' Van Bibber story, Her First Appearance, with a fine actress in the leading role, was the leading feature

of the evening. There were also a Biograph and comedy film.

Of the motion pictures illustrative of King Edward's obsequies, it can be said that those who were evidently impressed with the solemn splendor of the occasion

especially in that section where at Windsor station a large detachment of trusty blue-jackets paid final homage to their monarch in hauling the royal casket

to the crown of the empire and insignia of kingdom to St. George's chapel. The royal mourners, his late majesty's charger and pet pig, the crown mother in her coach, King George V. and his boys, England's famous general, ex-President Roosevelt, the United States, a grand military spectacle, the sorrowing crowd and mournful England, were likewise depicted, much to the interest of the spectators.

This year film will be continued at the Nickel today and all day Wednesday and proceed to the streets of the royal funeral will be shown King Edward's triumphant procession to Westminster on June 20, 1910, when the crown of England was placed upon his head.

SPORT NEWS OF A DAY; AT HOME AND ABROAD

Wilson Mizner, manager of Stanley Ketchel, has just accepted terms from Jimmy Coffey for Ketchel to meet Billy Papke in a 25-round bout at Coffey's open air club at Colma, Cal., on June 23.

Mizner says that he and Ketchel will start for California as soon as he receives the transportation from Coffey. Ketchel will first fight "Jack" Twin Sullivan 12 rounds at the Armony A. A. of Boston on June 7.

In a 25-round battle Pal Moore of Philadelphia and Jimmy Walsh of Boston, will meet before the army A. A. of Boston tonight.

Knockout Brown, the east-side New York lad, who takes delight in fighting often as his manager, Danny Moran, can secure bouts for him, will have to lay off for two weeks on account of a badly wrenched knee, which he received by his leg turning under him in the tenth round of his bout with Charley Griffin at the Olympic A. C. of Harlem. Griffin is also laid up with a dislocated shoulder which he got in the seventh round.

Danny Webster, the California boxer, is no longer a contender for the bantamweight title. Danny, who has fought many good fights in California, has just announced that he is unable to do the bantamweight limit any more, and will let the others battle it out for the title.

Out on the Pacific coast Sandy Ferguson will get another start. Johnny Glover of Burns, the latter is a tough fellow, but if Sandy is near right he should win and has his chance for a battle with Landis, which was really the reason why Sandy was sent to California.

Boxing this week and tonight—Pal Moore vs. Jimmy Walsh, 12 rounds; Young Reardon vs. Frankie Moore, eight rounds; Johnny Glover vs. Young Sticksy, eight rounds; Armony A. A.; Sandy Ferguson vs. Jack Burns, Los Angeles; Cy Fynn vs. Sailor Tagher, Philadelphia; Tom Overly vs. Jim Johnson, Philadelphia.

Wednesday—Jimmy Clabby vs. Bob Mohr, Milwaukee; Maurice Lemoine vs. Frankie Moore, Philadelphia; Saturday—Stanley Ketchel vs. Jack (Twin) Sullivan, New York (probable); Johnny Dehan vs. Harry Martin, New York; Loughey vs. Terry Martin, Young Men's Club, Brooklyn.

Saturday—Bouts at Pastime A. C. Portland, Me. and at the Lyric, St. John, N. B.

SAVED FROM SUFFERING IN HIS OLD AGE

Gin Pills Cured Him.

Annapolis, N. S., May 14, 1909.

I am over 80 years of age and have been suffering from Kidney and Bladder trouble for fifteen years.

I had tried many different medicines but got no help. I read in a paper to thank you for sending me a sample box of Gin Pills, which I took at once.

I have taken six boxes of Gin Pills altogether but my relief was so great that I had to stop after the first box.

Now, I can live in my old age and have no more pain. I can do my own work and get up every night without getting up.

Thank you for your timely help. I am your true friend and well-wisher.

W. H. PIERCE.

And all as a result of sending for a free sample box of Gin Pills.

Do you suffer with your Kidneys or Bladder? Send to the National Drug & Chemical Co. of Canada (Dept. R. S.), Toronto, and get a sample free by return mail. Regular size, at all stores, 50c a box—6 for \$2.50.

MORNING NEWS OVER THE WIRES

A wild storm is raging in the Lake Superior district and wire and train service are practically demoralized.

The death of Anson Ruffall, of Hartford, Conn., yesterday makes the fifteenth in the vicinity of Westley, R. I., due to the drinking of wood alcohol.

The lightermen at Shepley Bay are considering a strike for higher wages. They want ten cents a thousand increase for handling spruce and 20 cents for lunt wood.

The Moncton city council last night passed the resolution bringing into force compulsory education in the schools.

Anguste Belliveau, of the Duke Hotel, Moncton, was fined \$20 yesterday for violation of the Scott Act.

The owners of the Malabar Iron Co., at Amherst, a part of the plant of the Canada Car & Foundry Co., were burned last night. The works employed 100 men.

To Save Trouble

When the housewife is preparing home made dishes with cold meat, which has been left over, she tries to give a new relish to the dish by adding various kinds of spices and flavorings.

How frequently the result is a failure! Just a little too much pepper and the dish is too hot, or a slight error in the mixing, and one particular flavor drowns the others.

Walter J. Davis, the title holder, was beaten out by C. M. Brown, of Sackville, in a second round in the second round of the Metropolitan Golf Association tournament on the Morris county, N. J., links on Friday last.

More crews were smashed in motor racing at Indianapolis yesterday. Barney Oldfield held the mile from 30 to 33 seconds. Harroun went fifty miles in 42.41.

Keep a pair of surgical scissors in the ideal kitchen. They are a good labor saver in doing fruits and vegetables. Dice them by cutting off several slices, the whole length. Hold these firmly with the scissors slip through the entire bunch.

MAY I USE YOUR 'PHONE?

A citizen whose patience was sorely tried this morning, but whose gentile courtesy could not openly resist the infliction, asked the Times-Star if there was any way to stop people from rushing in to use other people's telephones upon the most trivial pretext, and often for mere purposes of gossip. The enquirer was careful to say that it was always a pleasure to oblige anybody when there was real reason for it—but there was surely a limit. Perhaps this paragraph will be of some service to the aggrieved citizen—if the gossip chance to read it.

NEW WATER MAIN INTO HOSPITAL

Engineer Murdoch's Recommendations With Idea of Better Fire Protection—The Mispec Mill.

One of the principal matters to be discussed at the meeting of the water and sewerage board this evening will be the recommendation of Engineer Murdoch that the sum of \$2,400 be expended to increase the efficiency of the fire protection for the general public hospital. The matter was referred to the engineer to bring in a report and the report submitted provides for the laying of an eight-inch water main from Waterloo street into the building, leaving the present 4-inch main for domestic purposes alone. A 6-inch main would connect with the 8-inch, running from the centre of the building each way and extending fifty feet beyond the building at each end, where fire hydrants would be placed. A vertical pipe would be put up through the rotunda and have two branches on each floor and two in the basement, each of these would be attached 100 feet of hose, or 800 feet in all, available for fire protection.

The engineer also recommends that a catch basin be placed in Moore street, near the property of Biddescombs & Armstrong to intercept water which flows down and damages the property of W. C. Jordan and M. A. Harding. The estimated cost is \$100. He recommends that John Fitzgerald's request that the city deepen his private sewer be granted; and that the permanent employees be granted the usual holidays.

MARRY IN ROXBURY; BRIDE AND GROOM BOTH FROM ST. JOHN

On Saturday last in the Mission church in Roxbury, Mass., a wedding of interest to many St. John people was solemnized, when Rev. Father Knell united in marriage John K. Nicholl, and Miss Leonora Mahoney. Both are well known in this city, where they have hosts of friends who will wish them all happiness. Mr. Nicholl is a son of John Nicholl, of St. David street, and was formerly employed in T. McAvity & Son's foundry. Miss Mahoney was employed here with E. J. Phillips, and is a daughter of Michael Mahoney of Britain street. The bride was attended by the wedding by Miss Annie Heine, while Patrick Monte supported the groom. After the ceremony the happy young couple left for Fitchburg, Mass., on a short wedding trip.

WEATHER MAY CHANGE BASEBALL SCHEDULE

Intermediate League Players Considering The Drawing up of New List After Tomorrow

Owing to the recent and present wet weather causing several games to be postponed, it has been proposed that a change be made in the schedule of games to be played in the Intermediate league on St. Peter's church grounds. The change, however, while supported by some of the managers and team members, is meeting with opposition from others, and it is not known whether it will be made or not. By the proposed change there would be no difference in the schedule as arranged until tomorrow night when it would go into effect with the C. M. B. A. and St. Peter's teams playing. From that time until June 8 the schedule would be rearranged. What action will be taken is difficult to say, but the agreement at first was that all postponed games should be played when the regular schedule was completed. A fair-sized crowd witnessed the league game last night when the Holy Trinity team defeated the C. M. B. A. by a score of 8 to 4. McEwen and Cunningham composed the battery for the losers and Pratt and Casey for the H. T.'s. It is understood that the schedule prepared by the motormen and conductors of the St. John Street Railway Company for an increase in wages is moderate, the men asking one cent more an hour for week days, and three cents an hour extra for Sundays. Manager Hopper of the Street Railway said today that the men had not yet come to him in the matter.

The Certainty of Getting The Best Clothing For His Money, Is For The Man Who Buys At Oak Hall—Comparisons Clearly Prove It!

If all the various makes of clothing sold in St. John were placed side by side for you to choose from, it's "dollars to doughnuts" you'd decide in favor of Oak Hall's. Why? Because Oak Hall clothing is made as well as clothing can be made—its thoroughly stylish—fits well—wears splendidly and costs one-quarter to one-third less than any other clothing of the same grade. If you are not familiar with the facts it is because you never made comparisons. Because a large majority of St. John men HAVE made comparisons, we sell more clothing than any other store in the city.

It's only the man who doesn't know, that doesn't buy from us. The man who understands the conditions of the clothing business in St. John KNOWS that he can get much more for his money at Oak Hall than he can get anywhere else.

We are able to sell our clothes at lower prices because, as manufacturers, we save the middleman's profit and in buying directly from us get the full benefit of the saving.

If before buying any more clothing you will do a little investigating on your own account, you'll be money in pocket and we will be sure to get your trade. Men's Suits, \$5.00 to \$30.00 Men's Top Coats, 8.00 to 28.00
