"Beati mundo corde."

The School was first established in the village of Weston, near Toronto, and was opened May 1st, 1865, During the summer of 1868, the School was removed to Port Hope, where it was established in buildings provided by the townspeople, free of rent for three years. Early in 1871, the property, consisting of ten acres of land, together with the buildings upon it, and situated on high land outside the town, was purchased by the School. The erection of large permanent buildings, designed by H. Macdougall, Esquire, Architect, was then proceeded with. They furnished accommodation for about eighty boarders, with apartments for Masters, Matron, and Servants, and were occupied for the first time in January, 1872.

Trinity College School was, by an Act of the Legislature of the Province of Ontario, passed during the Session of 1871-2, constituted a corporate body, consisting of the Lord Bishop of Toronto, the Chancellor of the University of Trinity College, the Provost and

the Professors in Arts of Trinity College, the Head Master of the School, and such other persons as may from time to time be appointed by the Governing Body.

In the year 1873, a large and handsome Chapel, capable of containing more than three hundred worshippers, and a spacious Dining Hall, were erected at the east end of the new School building. The Chapel was opened for Divine service by the Lord Bishop of Toronto, on Sunday, March 29th, 1874; the Dining Hall was formally opened on the 5th of November, 1873, by the Most Reverend A. Oxenden, D.C.L., Lord Bishop of Montreal and Metropolitan. During the year 1877, the interior of the Chancel of the Chapel was beautifully decorated and completely furnished from designs by Frank Darling, Esquire, Architect, Toronto, as a memorial to the late Rev. Frederick Alexander Bethune, M.A., who died on the 20th of January, 1877, at Cannes, in France, and who had been for nine years an assistant master in the School. The Chancel was re-opened for Divine Service on the 18th of October.

At the western end of the original range of buildings there was added, during the year 1874, a large wing running north and south, with projecting towers on the west and south fronts. This addition contains spacious Class-rooms, School-hall, Dormitories for about seventy more Boys, and apartments for an increased staff of Masters and Servants. The completed buildings now present a south front of 300 feet in length, and a west front of 80 feet. They afford abundant

room and every appliance for a School of at least 150 Boys. A Drill Shed and Gymnasium have also been erected in the rear of the buildings.

During the year 1875, about ten acres of land, adjoining the original School property on the west side, were purchased, making the whole premises include over twenty acres. The new portion is laid out with spacious Cricket and Foot-ball Grounds, ornamental Shrubbery, &c.

Course of Instruction.

The Course of Instruction includes all the usual branches of a sound education in Classics, Mathematics, English, German, French, Natural Sciences, Book-keeping, Drawing, Vocal Music, and Military Drill.

Pupils are prepared for the Matriculation Examinations of the Universities, and the Entrance Examinations

tions of the Law and Medical Schools, the Royal Military College, the Army, Navy, &c. In the Modern Department special attention is directed to preparation for commercial pursuits.

The discipline and general management of the School are based upon the English Public School System. Out-of-school government is, accordingly, to a large extent vested in the hands of the Prefects, who are selected from the senior Boys by the Head Master.

Fees.

\$225 per annum, or \$75 per term for Board and Tuition.

\$60 per annum, or \$20 per term for Tuition only.

The Piano-forte is taught as an extra. Fee, for tuition and use of instrument, \$10 per term.

Each new Boy, on admission to the School, is required to pay an entrance fee of \$4, which is devoted to the maintenance and improvement of the Boys' Library, &c., and a fee of \$12, in lieu of bedding, &c., which are now supplied by the School, instead of, as formerly, by the Pupils.

The above Fees are inclusive of all School expenses, except books, stationery, drawing materials, &c., and medical attendance.

The payments for Board and Tuition, which are apportioned between the School Terms, must be paid *strictly in advance*. All other School Accounts will be sent in the usual way.

A Half-term's Notice must be given in writing before the removal of a Pupil. If such notice is not given, a Half-term's Fees will be collected.

The following rule respecting the payment of Fees was adopted at a meeting of the Governing Body of the School, held on August 18th, 1870 :—

“The Fees for Board and Tuition in each Term, and any balance which may remain for books or otherwise, from the previous Term, must be paid within a week after a Boy presents himself at the School. If this be not done, the Bursar is required to draw on the Parent or Guardian for the amount (with Bank charges), at ten days, and should this draft be returned dishonoured, the Boy must be sent home by the Head Master.”

Books and Stationery are supplied in the School at the ordinary prices.

Boys over fourteen years of age will be admitted to the School only on the production of such testimonials of previous good conduct and diligence as shall perfectly satisfy the Head Master and the Governing Body.

To secure admission a deposit of \$10 must be made on application, which will be accounted for when the Boy leaves the School.

Exhibitions.

THE VENERABLE JOHN WILSON, M.A., Archdeacon of Peterborough, offers Two EXHIBITIONS, of the annual value of \$50 each, to the Sons of the Clergy in the Province of Ontario, tenable from year to year,

during the whole period of the recipient's residence at the School, provided that his conduct and attention to his studies continue to satisfy the Head Master.

The Nomination to these Exhibitions rests in the hands of the Archdeacon, subject to the approval of the Head Master, to whom a letter testimonial of previous good conduct must be presented by the applicant.

THE REV. HENRY WILSON, B.D., Kingston, offers an Exhibition (to be known as "THE MONTIE EXHIBITION"), of the annual value of \$25, to the Son of a Clergyman of the Diocese of Ontario, upon the same terms, *mutatis mutandis*, as the "Wilson Exhibitions."

Bursaries.

The Corporation offers to the Sons of the Clergy in the Dominion of Canada, TWENTY BURSARIES of the annual value of \$100 each, tenable from year to year, during the whole period of a Boy's residence at the School, so long as his conduct and attention to his studies continue to satisfy the Head Master.

The Son of any Clergyman who is, or was at the time of his death, actually engaged in Parochial or Missicnary work, or in a Church School or College, in the Dominion, shall be eligible for a Bursary. Written application must be made to the Corporation by the Parent or Guardian of the Boy, certifying that, without the aid thus afforded, the educational advantages of the School cannot be obtained for him. *Ceteris paribus*, preference will be given to the Sons of the Clergy in the Dioceses of Toronto, Ontario, Niagara, and Algoma.

Boarding.

Boarders are received into the School House, a building warmed and ventilated on the most approved modern system, and furnished with bath rooms and all other appliances which can promote the comfort and health of the Boys. It is under the personal supervision of the Head Master, assisted by five Resident Masters, who direct the Boys' evening work. The household arrangements are attended to by experienced Lady Matrons.

It is particularly requested that parents should send their Boys to School with all their clothing, linen, and other requisites, carefully and *clearly marked with the name in full.*

It is desired that no eatables should be sent to the Boys during Term, with the exception of fruit.

Pupils from a distance are allowed, upon application, to remain in residence during the Christmas and Easter Vacations at a charge of \$4 per week for board. No pupils are permitted to remain during the summer holidays.

It is recommended that pocket money should be supplied to the younger boys only through the Head Master, instead of directly from home. A small sum furnished weekly is more beneficial than an occasional larger amount.
