Mr. Wm. Taylor. of Kentville. attacked Comet With Kidney Trouble - So-Called Crescent Cures Proved Useless, But Dr. Williams' Pink Pills Restored His Health. From the Kentville Advertiser.

There are very few employments more trying to the health than that of a railway engineer. The hours of labor are frequently long, meals irregular, and rest and sleep hurriedly snatched 'between runa.' One of the troubles which very frequently attack tailway trainput. requently attack failway trainmen is kidney disease, which up to a late period has been looked upon as a disease difficult, if not impossible, to totally cure. Although there exist numerous remedies claimed to be cures, the truth is that nothing had been found to successfully cope with this terrible disease until the advent of the world-famed Dr. Williams' Pink Pills. Chancing to hear one day that Mt. Wm. Taylor, a resident of this town had been cured of kidney trouble through the agency of Dt. Williams' Pink

he thought of his care. Mr. Taylor is a engineer on the Dominion Atlantic Rail way, his run being between Halifax and Kentville, and he is one of the most pop ular drivers on the road. When asked by the reporter concerning his illness he by the reporter concerning his illness he said: 'It was in the spring of 1896 that I had a severe attack of kidney trouble, brought on by continuous running on the road, and I suppose it is caused by the oscillation of the locomotive. It effected me but slightly at first but gradually grew worse. I consulted a docter and then third two or these varieties of seallest

The experience of years has proved that there is absolutely no disease due to a vitlated condition of the blood or shattered nerves, that Dr. Williams' Pink Pills will not promptly cure, and those who are suffering from such troubles avoid much misery and save money by promptly resorting to this treatment. Get the genuine Pink Pills every time and do not be persuaded to take an imitation or some other remedy from a dealer, who for the sake of the extra profit to himself, may say is 'just as good.' Dr. Williams' Pink Pills cure when other medicines fail.

THE SHERWIN-WILLIAMS PAINTS another for floors, another for barns, still another for furniture and decorative work. A paint for buggies, for abelves, for cupboards, for farm tools, for bath tubs—each exactly suited for the purpose intended and nothing else. A paint that is recommended as good for everything is probably good for nothing. No two articles to be painted are exactly alike. Upon one you may desire a glossy varnish surface, upon another an oil finish that can be washed.

THE SHERWIN-WILLIAMS SPECIAL FLOOR PAINT is made for floors, and floors only. It dries quickly. It is made to walk on, and to stand being walked on.

Our booklet, "Paint Points," tells many valuable things about good paint and bad paint, how to paint and what to paint. Send to-day for a free copy, a postal will do. For booklet, address 19 St. Antoine St., Montreal. THE SHERWIN-WILLIAMS CO.
