from the American Government. The remains of Napoleon, - The Siecle of Paris says that one of the abjects of Marshal Soult's mission to England a os to obtain per mission to remove the remains of Napoles to France; and in this, it is said, he has sucreeded, with the aid of the Duke of Wel-Jington. It is stated farther, that the Prince de Joinville is to proceed to St. Helens, in sommand of a frigate, having on board a sol dier from every Regiment in France, and that the remains of the Emperor are to be deposited nader the column in the Plaze Vandome, with solemn religious ceremonies at which the Duke of Wellingson will be invited to be present. It has long been the aim of the admirers of Napoleon (and all Frenchmen are entranced with his glory) is get his reasins from St. Helena, and to deposit them in the Place Vendome, in the heart of Paris. Probably Louis Phillippe would strength in his dynasty more by that movement than by any other he would make.
