Obituary Notice.

The subject of the following notice was born in Harbour Grace, Newfoundland, on the 25th Oct., 1787. Her father Mr. Pe ter Saunders, was a native of Bristol, England. Her mother was among the fruits o labours of the Rev. Wm. Black on his first visit to that place. Mary Ann being favoured with a pious mother, became rough her instrumentality the subject of serious impressions, and earnestly sought and freely obtained pardon through faith in a crucified Redeemer. Though early deprived of a mother's care and counsel she reas compelled to take charge of three young sisters and a brother. Miss M. A. was deeply impressed with the nature of the obligation tion in posed upon her, and eadeavoured to fill as tar as possible a mother's part to her young charge, until her father's second marriage, which took place in London, G.B., to which place he had removed with his family. Soon after she was united to Mr. Jos Alexander a truly pious young man, and shortly after their marriage they sailed for the West Indies, he having a situation in the Ordnance Department While there Mr. A. became seriously convinced that be was called to preach the everlasting Gospel. He then relinquished all pecuniary advantages and became a Westeran Missionary Some time after they left for the United States of America, and after remaining there a short time they left and removed to Freder.cton, N. A Sub-Comnittee of Finance and Consultation was selected by the General Committee, with duties very similar to those of our former Missionary Board. Great harmony prevailed; several were made Circuits, and the total of appropriations of Assembly we have about 50 Romanists and was higher than last year : a difference very 80 Protestants : should then, the House get much owing to lay liberality. Among the resolutions passed were two,-one gratefully and heartily acknowledging the generous well-wishes and acts of the Parent Society, and the other thanking cordially the General Superintendent

of Missions for his most successful Connexional services during his late visit to England. The recent editorial of the Provincial Wes

Brook. The quality and quantity of the miner al has now been so fully tested as to leave no doubts of its value and the profits to be derived from working it. The New York Company are making arrangements for the erection of a Factory at their works at McLellan's Brook, for the manufacture of the oil in its crude state; and we are informed that the proprietors of the Fraser Mine also have in contemplation the crection of a similar establishment at their works. These enterprises if carried out, will give employment to many merchants and laborers, and while yielding a profit to the proprietors, the manu acturing of the oil near the mines enabling them large sums which would otherwise be paid for freight, prove of great benefit of the surrounding country, by causing an increased circulation of money - Eastern Chronicle.

The great standard medicines of the present age, have acquired their great popularity only through years of trial. Unbounded satisfaction is rendered by them in all cases; and the people have pronounced them worthy.

Liver Complaint, Dyspepsia, Jaundice, Debility of the Nervous System,

Diseases of the Kidneys, and all diseases arising from 🖉 disordered

liver or weakness of the stomach and digestive organs, are speedily and permanently cured by the GERMAN BITTERS.

The Balsamic Cordial has acouired a reputation surpassing that of any similar preparation extant. It will cure, WITHOUT FAIL,

the most severe and long-standing Cough, Cold, or Hearseness, Bronchitis, Influenza, Croup, Pneumonia, Incipient

Consumption, and has performed the most astonishing cure

ever known of

Confirmed Consumption. A few doses will also at once check and

cure the most severe Diarthosa proceeding from COLD IN THE BOWELS.

These medicines are prepared by Dr. C. M. JACKSON & Co., No. 418 Arch Street, Philadetplay Pa., and are sold by druggists and dealers in medicines everywhere, at 75 cents per bettle. The signature of C. M. JACKSON will be on the outside wropper of each bottle. In the Almanac published annually by the proprieture, called EVERTBODY'S ALMANAC.

Pror. O J Wöos: Dear Sir, Some time last summer we were induced to use some al your Hair Restorative and its effects were so wonderful, we fiel it our duty to you, and the afflicted, to report it. Our little son's head for some time had been perfect y covered with sores, and some called it scald head. The hair almost entirely came off in concequence, when a friend, seeing bis ufferings, advised us to use your hair Kestorative we did so with liftle hoops of success, but to our sarprise, and that of all our friends, a very few applications removed the disease entirel, and a new and lux urinat crop of nair sarated out, and we can now say that our boy has as-healthy a scalp, and as luxuriant a crop of heir as any other chief.

We are yours respectfully. GEO. W. HIGGINBOTHAM. SARAH A. HIGGINBOTHAM.
