The Colonel's Idea of a Duel.

reat joker. One evening, at a party, a ung gentleman, upon whom the colonel had told some cutting joke, feeling himself insulted, challenged the colonel to mortal combat. The challenge was accepted. Having the choice of weapons and the appointment of the place of meeting, the colonel told the young man to repair the following morning at 6 o'clock to a certain spot, and added "that he would see that the weapons were there." The following morning, at the appointed time, the young man repaired to the identical spot; said spot, being among the lead mines, was naturally furrowed with freckles.' mineral holes. "Well, sir," said the colonel, sticking his hands in his pockets, "are you ready?" Receiving an affirmative answer, he continued: "Here's where girl's face." we are to fight," indicating a mineral shaft deep, "and here's our weapons," pointing to a pile of stones. "You are to go down that hole and throw stones up; I'm to stay up here and throw stones down." It is needless to add that the challenge was

withdrawn.-[The Argonaut. Noah's Ark and the Great Eastern.

Great Eastern and the Ark are of interest. | an exceedingly pleasant one. Somebody is comparing the size and cost Somebody is comparing the size and cost of the Great Eastern and Noah's Ark.

The cost of building and launching the Great Eastern was \$3,650,000, and this Great Eastern was \$3,650,000, and this company failed, and a new company was cubits, and her height 30 cubits. The future. cubit of the Scriptures, according to Bishop Wilkins, was 21 65-100 inches and computed into English measurement the ark was 547 feet long, 91 feet beam, 54 7-10 feet depth, and 21,762 tons. The

English Politics. LONDON, Oct. 12,-Lord Randolph Churchill has issued an address to his constituents. It is in the same impulsive style that characterizes his speeches. He says the Liberals are unable to justify their claims upon the electors by any record of foreign or home achievement, Orleans, La. Now-remember these facts and mackerel have disappeared, and shown they have neither the capacity and seek to emulate the example of these and mackerel have disappeared, and porgies have been so scarce that the oil factories have had to close down throwing a number of hands out of employathe budget. He continues: "Mr. Bright will direct his unrivalled oratory, his simple, forcible invective, his personal to remstate the Liberals. The old dis sension among the Liberals, which caused the failures of the past five years, is now blazing fiercely. Gladstone in all honesty warns you that his controlling hand will color than last season, is not discarded. be stretched forth only a little while. You will be asked to support a party which even the hatred of the Tories cannot unite. The policy of the Tories is to regain the friendship of the powers, which the hand. prejudice, presumption, and poltroonry have almost forfeited, and to use that friendship to secure European peace and imperial federation for defensive and cemmercial purposes of England and her colonies; to conciliate by equal laws and tained. just and firm administration Irish brethren now irritated and estranged, so that that union which nature, as well as policy effected, may eternally endure; to place the security of the Indias beyond the influence of panic or anxiety; to give the rural farming population self-government, which has already benefited the great towns. The Tories will oppose dismem-

TRUCK-WAGGONS,

CASTLE STREET;

A TIGHT SQUEEZE.

into winter quarters between the Rapidan and the Rappahannock, on his old grounds. This was about December 1.

It was understood that he was send- I asked him: ing troops off west, and I was particularly charged to discover if there was

any foundation in the report. I left the rebel cavalry outpost at 10 and flanked 'em. I knew every rod of more contrite on his next visit. was a matter of no trouble.

wind was cold and the ground frozen. as he grasped my hand, he said: French's corps. Knowing that Lee you must prepare to die !" was going into winter quarters, and " " Pray for me !" says I. to the right, and entered the gap with- some more.

I was among the tents and shanties. saw a soldier come out of a tent and go off. I reasoned that he was on guard, and had come to his tent on some as he locks the door.

errand, and I was probably light. It was half-tent, half-shanty, with a and off I goes. fre-place in it. I crept in at the door As I afterwards learned, I had a good ner, where any woman would have been and found a fire going and three men hour's start. I didn't head for the as much out of place as in a bar room, sooner got fairly warmed through than laid up for a month. I went off to the land o' Nod, and the

next thing I knew it was daylight. None o' the chaps under the blankets were awake, and I slipped out without stranger, should attract his attention. laid aside her sewing and announced her Further, it was jist as nateral that he intention of accompanying me. I saw was a sour-faced, beetle-browed chap, and the minit I looked into his eyes 1 bonnet Lassumed an annoyed tone and knew we should have a row.

faced him." "At what?" I coolly axed. "Stealing, of course!"

git warm." "Who be you?"

"George Smith." "What regiment?" "Sixth Maine."

with some prisoners.

come in."

and down the street.

and pretty soon an officer comes up, they went like chain lightning, and you separates us and asks:

"What is this row about?"

out my opponent. "He lies!"

Marine."

"Where's your regiment?" 'Don't know, sir. I was captured by the 'rebs,' got away and am looking for my regiment.'

'When did you come in?' 'Last night.'

'How did you pass all the outposts and sentinels?

He had me there. I had as good as betrayed myself by that one answer. 'I'll see to your case !' he growled,

corps headquarters and questioned.

Next day, when a court-martial was cated securities, which it was accustomed Next day, when a court-martial was convened, I had no defense to offer. They tried me as a spy, and while nothing could be proved, I was condemned and sentenced to be shot. I was given to understand that, but I reckoned that some of the officers were not quite satto understand that, but I reckoned that some of the officers were not quite satisfied. Instead of carrying out the sentence right away, the findings were sent to a higher court for approval.

What I am telling you in a minute the value of \$100,000. They had evidently got mixed up with Mr. Seney's dently got mixed up with Mr. Seney's accurities through one of those unexplains able mistakes that happen very rarely in brokers' offices.

"The clerk cut off the coupons that he had come after and restored the package of the package

BY AN EX-REBEL.

When Gineral Meade fell back from Mine Run, in the fall of 1863, he went into winter quarters between the Rapidally expecting to hear their approval, daily expecting to hear their approval, when, one night just before dusk, the chaplain of a Pennsylvania regiment chaplain of a Pennsylvania regiment On the 15th of the month I received came in to console me.
