'political characters" in their true colours With all due deference to the Hon. gentle man's opinion about fictitious names I shall, with your kind permission, Mr Editor, continue to subscribe myself, Very truly your's,

MIRAMICHI

INSURANCE AGENCY

The Pacific Railway.

On Friday last, says the Toronto Globe, Commons, from a purely business point of view, the position of the Pacific Railway bligation incurred with British Columbia and the sense of that obligation imposed on the present Government, and to the the resolution that the work should be limited by the resources of the country, as SIR:-In the Advocate of the 25th inst... letter appeared over the signature of an ation. He described the care taken by the norable gentleman-or, at all events, of new Administration to obtain an accurate one who occupies a very honorable posi- survey, and the legislation of 1874 under tion in our county-which shows that the which they had since that time been acting. non. gentleman's temper was slightly ruffl. His information as to the practical and en ed by some remarks in my last anent gineering features of the work was wholly the demand for a change of line between derived from the Chief Engineer's reports, Caraquet and Inkerman parishes. I freely condone all the little faults of style, all little bitternesses, deflections in a siderations connected with the undertakword, from that good taste which should ing. The Government had desired as far characterise the correspondence of gentle-men, into which the ill temper of this them, although they had been by the acpolitical fledgling has betrayed him and assure him that I fully "realized and understood the force and meaning of my words" when I wrote the communication he refers to. And, moreover, had we to manufacture" the "article" again like that ture of the operations in which to this end 'skilled mechanic" of whom he writes, the Government being acquainted with all the circum-stances of the case, we should shape it land water navigation, while keeping in with the same tools and turn out, perhaps, view as the ultimate object the attaining not "an inferior article," but one just as of a through railroad from ocean to ocean effective in disturbing the political repose | Contracts had been let with the assent of of the honorable introducer of this mea- Parliament for portions of the line between pure. Mr. Ryan speaks of misrepresental Thunder Bay and Selkirk on Red River. tion, etc., but the gentleman altogether The cost of constructing the line from misapprehends and misrepresents the drift Thunder Bay west to the furthest point our remarks when he interprets it as now under contract, and from Rat Portage "an unchristian and uncharitable attempt or Keewatin to Selkirk, on Red River, in to injure his "political character." No cluding rails, buildings, right of way and thing was more foreign to our intention rolling stock, making 2281 miles in all. when penning that letter. No honorable would be \$5,603,093, or about \$24,521 per gentleman's "political character" can be mile. The intervening portion might cost injured by the fact that he introduces a more, being more remote, but it was not Bill at the request of any number of his expected to present any great difficulties constituents. He is their servant and as as to curves or gradients. The length of such it may be his duty to accede to their this link would be approximately expressed desire. We have known mem- miles. The cost of the [Intercolonial, inbers to do so in obedience to the wish of cluding all appliances, was \$48,000 per those they represented, altho' personally opposed to the measure introduced. No miles under contract. The surveys were one blames the hon. gentleman for per-forming what was simply his duty in that we're being carried out to Burrard Inlet, Where the fault lies exactly we are not prepared to say—rerhaps there is of the terminus could not be finally deterwill further notice, the splendid sea-going Steamray "NEW BEUNSWICK," E. B. Winchester, masier, and "CITY OF PORTLAND," S. N. Pike,
naster, will leave Reed's Point Wharf, every MONDAY and THURBDAY MONNINGS, at 8 o'clock,
dents of the Parish of Inkerman mentiondents of the Parish of Inkerman mentionMr. Flaming's record. The image of the property of the several
routes and suggested terminia are found in
dents of the Parish of Inkerman mentioned in the last census, all, without excep- incommode navigation in Dean or tion, belong to the lower section, the only Gardner Inlet. They knew of little ice part of the Parish inhabited, and that the in Bute Inlet, and in Burrard Inlet roposed change of line was asked for by there was no ice at all. For the Asihandful of new settlers from Caraquet, atic trade the ocean currents would have recently located on the ungranted lots at to be estimated. In the first instance the the rear, without the knowledge or con- railway could be completed to Yale and sent of the inhabitants who, themselves the Fraser used for 150 miles to Burrard and their fathers before them had been Inlet. On the Fraser route the heavies the heat and burthen of the day" in that grade would not be over 52 feet to the Parish. It is all very fine for the hon. mile, but excavations would be more exgentleman to say that the Bill in question tensive than on the more northern routes, was advertised in the columns of the Advo- where the gradients were 80 to 210 feet to ate for five weeks, but, he, who is so well the mile. Various persons had responded equainted with the people of the lower to the invitation to inspect the line of parishes, must know that practically as route, while others had visited Ottawa and far as they are concerned it might as well the office in London; but the whole of the have been advertised in the "Timbuctoo profiles had not hitherto been ready for Gazette," if such a journal exists. Altho' inspection. As seon as this was done, a subscriber to the Advocate, I confess that advertisements would be issued inviting the advertisement escaped my own attentenders in time for the consideration of tion and it was only when I perused the Parliament. The character of the country reports of the Legislative proceedings that I learned of the proposed change. In matters such as this, involving as it does a disclosure of the leavier works in a region generally radical change in the state of a parish, we favourable to railway construction say again, as we said in our last, that the volume of complete information as to the parties interested should be heard from, whole route had been compiled, and would and we are further of opinion that no hon.

be placed at the disposal of intending congentleman's "political character" would tractors. The lands in British Columbia uffer the least detriment by consulting were, as a rule, of comparatively little them. It may be quite true, as no doubt it is, that the inhabitants of the lower part the country necessarily imposed a heavy of Inkerman would by no "act of theirs outlay. He urged the necessity of pruoppose what was honestly intended to benefit their neighbors in the upper part" work, and deprecated the assumption of a but they fail, at least for the present, to heavy burden of debt in the accomplishheavy burden of debt in the accomplish anderstand how these few newly arrived ment of their objects. mmigrants to their territory are to be Unruly Parliamentarians. benefited by being annexed to the already too large parish of Caraquet and, moreover,

They get out of order at times in the feel that their charity should not be exercised at the expense of the British Parliament, as well as in those disintegration of their own small Parish, of Canada, Halifax and Quebec. A Mr. Ryan refers to a letter received by cable despatch says that the British him at Fredericton. He may rest assured House of Commons and the public have that, if its contents are as represented, it of late been shocked by scenes of a diswas not from "Vivian" as that correspondent is not in the habit of giving false violent conduct have occurred between information. The matter was not misre- some of its members which are not at presented at all. The case was simply all in keeping with the customs and stated to the people. An Act. they were told, had passed the lower branch of the Mr. Philip Callan, member for the Legislature whereby it was proposed to borough of Dundalk, Ireland, a few days cut off a large section from the rear of their ago made a violent attack upon A. M. Parish and they were asked whether they Sullivan, member for Louth county, and were of opinion that it was advisable that such a change should be made without obtaining, from the neighbouring Parish thus enlarged a quid pro quo and the restricted between Callan and Sullivan for some time, arising out of some discovered to the control of t for some time, arising out of some disponse was conveyed in a petition numer-ously signed praying the Legislative closures in connection with the last Council to stay the proceeding for the general election, and Callan is on bad time. The honorable gentleman, may, in his turn, as the Hon. R. Young—"be bers. Shortly after the attack in amused"—we like to afford amusement | question Callan met Mitchell Henry in when we can, especially in these dull times

—when we tell him that it was the Hon.

the lobby and in the course of an altercation called him a "counter-jumper" and the President of the Executive, to whom the people of Inkerman are indebted for having been put upon the alert in this That Han continued the property of the Dublin Freeman's Journal for some Dublin Freeman's Journal for some matter. That Hon gentleman during the brief visit to Caraquet to which Mr. Ryan refers, mentioned the affair to some of the leading men of Upper Pokemouche and, if we were not misinformed by the parties, dent "a—drunken liar," and strikadvised them to "strengthen his hands" ing him. The correspondent applied against the Bill by a petition and in ac- in the police court for a summons, but cordance with this friendly council the the case was dismissed on the ground petition was sent. This is the plain, un- that the Parliament House is a private varnished statement of the affair and all place. Another scene occurred in con'P. G. Ryan's' talk about "ignorance" and "destroying the character of an individual by misrepresentation, calumny and falsehood" is so much bosh—or perhaps we should more politely style it—political fanfaronade. It were well for the Hon. gentleman that his letter had aplication in the lobby, for which he was compeared over a nom de plume, as no one who liar in the lobby, for which he was comknew him would have for a moment supposed him to be its author, but on the other hand, it may be better for the general public that his own name was affixed to the document, as it is always well to see

COMMERCIAL COLLEGE.

we have a thousand wants, which a thorough business education will aid us to satisfy. I wish it were possible to give every young man who is going to take charge of a farm, or a factory, or a mechanical establishment of any kind, or to enter into commercial pursuits, the elements of business education. Business colleges mean that there are wants which pre-existing institutions were not ahaped or calculated to meet. I say prosperity and success to business colleges.—Horace Greely.

Our course is interesting and instructive; and its adapted not only to the educated, but to those whose training has been neglected.

"Don't we owe you more than we can twent us, that I never spoke to you of my antecedents, or indeed of my actual condition of life, at the time I was a resident in your house. You knew not whether I was wife or widow, and in was a broken in was a broken in was a broken in was a broken in a said; but she gathered, from what the gentleman said, that I must have fallen from some height, and after the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones was broken in a said; but she gathered, from what the gentleman said, that I must have fallen from some height, and after the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones was broken in a said; but she gathered, from what the gentleman said, that I must have fallen from some height, and after the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones where the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones where the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones where the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones where the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones where the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones where the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones where the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones where the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones where the examination by the surgeon, who was sent for immediately, he expressed some surprise that no bones where the examination of the examination by the surgeon, who was sent for immediately the examination of the examination of the examination of the exa

weeks, hovering between life and death; and during this period the American gentleman came over, it appears, several times from Torquay to make enquiry after me, and see that I was properly took pride in me and gave me an educational during this period the American gentleman came over, it appears, several times from Torquay to make enquiry after me, and see that I was properly took pride in me and gave me an education of the doctor. The continued turning to the doctor the continued to the doctor. The continued to the doctor the continued to the doctor the continued to the doctor. The continued to the doctor, "you were pleased to speak approvingly of the way in which I dis-charged my duty"

charged my duty."
"Approvingly!" cried the doctor.
"I should think so indeed; the softest step, the lightest hand, the sweetest manner, the most unwearying attention I have ever found in all my ex-

perience!"
"If I really possess these qualifications," said Kitty, "why should they
be wasted—why should I not earn my bread by undertaking the professional duties of a nurse? In your you will have many opportunities of re-commending me to patients."

The doctor was silent for a moment.

"Have you considered this fully, dear-do you mean it seriously?"

"Most seriously," she replied.
"Then," he said, "I think you are a condition that my father pledged himself to secresy. So it came about. I was madly in love, and my father, who would have done anything to secure what he imagined to be my happiness, agreed.

"The plea which my huaband offered for the course was, that his uncle, whose porture and failed me, nor could I describe to you a pman-hater, and offered to secresy and the curiously."

"And were known, on the managed, with much difficulty, to rescue from its perilous position, and that where I found myself.

"I can not describe to you the manner with which all this was told, nor the delicacy with which Mr. Hoyt—that is his name, Wilbur C. Hoyt—made light of the obligation under which he had laid me, nor could I describe to you the manner with which as a rule, are first to bed. I will walk with you to your bedgings. "You will do nothing of the sort," who will an onthing of the sort," "You will not go by yourself," said the doctor. "I will send James with you, and to-morrow we will discuss your future."

Before we will talk of it further in the morning. Now you must retire to bed. I will walk with you to your bedgings."

"You will no nothing of the sort," who said. "They are quite close here, in a small, quiet street, at the back."

"You shall not go by yourself," said the doctor. "I will send James with you, and to-morrow we will discuss your future."

Before a which my huaband offered to be my happiness, acts like magic, and has been extensively used for over thirty years with great success. It is the doctor. "I will send James with you, and to-morrow we will discuss your future."

Before Ckitty retired to her rest that is his name, Wilbur C. Hoyt—made light, she fell on her knees, and thanked the Almighty Father who had preserved her life to be a served her life to be a served by deviating from the caused by deviating from the caused by deviating from the cure any nutre case or overwork."

I will an hot pour future. The first the back. Dismostration of the back. Dismostration of the back pour future."
