First Move In Battle For Freedom

Winnipeg Strike Leaders, Charged With Seditious Conspiracy and Nuisance, Ask Court to Quash Indictment.

Winnipeg, Man., Nov. 19.—As the first step in their court battle for freedom, the eight strike leaders, charged with seditious conspiracy and common nuisance, moved in the Assizes today to quash the indictment.

Robert Cassidy, of Vancouver, leading counsel for the defence, complained against an editorial in a local paper today, and a news item in an evening paper of yesterday, as tending to prejudice the defendant's fair trial.

Mr. Justice Metcalfe said that when cases of newspaper language, calculated to interfere with due administration of justice, were brought to his attention, it was the usual practice to consider whether it was true and what he had said might have the effect desired without proceeding to trial.

Action was taken by the grand jury of the Assizes on the alleged utterances of the defendants at a labor meeting on Sunday last by bringing in a true bill against him on a new charge of speaking seditious words.

PRESS COMMENT ON AMERICA AND PEACE TREATY

Manchester Guardian Thinks American Opposition is Because of Faults in the Treaty Itself.

London, Nov. 19.—The Manchester Guardian, commenting editorially on the American attitude towards the Peace Treaty, says: "Whatever the result, it is essential for Europe to understand that American opposition is mainly the outcome of narrow nationalism or lack of immigration and still less of political manoeuvring."

ENJOYS 'MOVIES' LIKE REAL FELLOW

Steals a March on the Crowd and Attended by Two Secret Service Men, Enjoys 5th Ave. Incognito.

New York, Nov. 19.—From skyscrapers to churches, and from the Stock Exchange to the "movies" with the Horse Show as a side line, the Prince of Wales was whirled today in a kaleidoscopic view of the varied activities of the metropolis.

The exhibition was given at the Old Academy of Music, where his grandfather had been a great sixty years ago at the historic "Diamond Ball."

Seated in the same armchair Edward VII had occupied, the Prince laughed with the enthusiasm of an unsophisticated schoolboy at the two comedies presented. He had asked for "something to laugh at" and he got it.

From the theatre the Prince drove to Madison Square Garden, where he was the guest of the Horse Show of Commander Eva Booth of the Salvation Army.

U.S. Senate Failed to Ratify

After Making Three Ineffective Attempts to Ratify Peace Treaty Senate Laid Treaty Aside.

ALL COMPROMISE EFFORTS FAILED

With the Failure of All Attempts at Ratification Senator Lodge Presents Resolution Declaring War at End.

Washington, D. C., Nov. 19.—After three ineffective attempts to ratify the Peace Treaty had failed the Senate late tonight gave up the attempt and laid the treaty aside.

Two of the three ratification votes were taken on the resolution to ratify the Peace Treaty, but the three ratification votes, the three resolutions of ratification all going down by overwhelming majorities.

Republican Leader Lodge declared today's voting constituted a final decision on the Peace Treaty, unless President Wilson circumvented the Senate rule by withdrawing it and then submitting it again to the Senate in other quarters there was some difference of opinion, but sentiment seemed to be that there was only a question as to when the treaty would come up at the beginning of the next session of Congress, being next month.

One effect of the Senate's failure to ratify the Treaty will be the continuation of various war time laws and the Senate rule by withdrawing it and then submitting it again to the Senate in other quarters there was some difference of opinion, but sentiment seemed to be that there was only a question as to when the treaty would come up at the beginning of the next session of Congress, being next month.

THE PROSPECTS OF COAL FAMINE DRAW NEARER

The Negotiations Between Operators and Miners Apparently Came to a Standstill Yesterday.

GARFIELD BECOMES QUITE DETERMINED

Tells Both Factions in Fight That People of United States Must Have and Will Have Coal Despite Disputes

Washington, D. C., Nov. 19.—Prospects of a coal famine drew nearer tonight with negotiations between operators and miners apparently at a standstill. A sub-committee of the joint scale committee was in session three hours, but it was announced after the meeting that only the general situation was discussed and that the operators did not submit counter proposals to the miners' demands.

No Progress Made. The operators submitted no proposals. We are still in a receptive mood," said John L. Lewis, acting president of the United Mine Workers, as he came out of the hotel room where the conference was held.

The operators' committee remained in session an hour longer. At the end of that time Thomas T. Brewster, chairman of the operators' committee, in the Central Competitive Field, spoke optimistically, declaring that this was the first attempt at real negotiations since the miners and operators met at Buffalo. For that reason he said only general matters were discussed.

Garfield Determined. The decision of the joint wage scale conference to continue its negotiations through a smaller group, in accordance with the usual custom in making the wage agreements, came after the operators and workers had heard from Paul Administrator Garfield that as long as the government stands "the people of the United States need, must have, and will have coal, and they will not be prevented by anything the operators and miners may do."

The consuming public, the chief party in interest in the present controversy, Dr. Garfield said, is not in a mood to tolerate either excessive prices or prolonged stoppage of production.

The sub-committee is composed of two miners and two operators from each of the four states in the Central Competitive district, together with Mr. Brewster and Mr. Lewis.

The statement of the fuel administrator which was largely satisfactory brought out that in 1918 the average cost of production of coal was \$2.15 per ton, leaving the operator an average margin of 46 cents per ton. This margin, he said, included interest charges, selling expenses and federal taxes, as well as profit.

The second vote on the majority's ratification resolution was made possible by the withdrawal of the Democrats to get the measure before the Senate, and thus give an opportunity for any eleven non-compromising proposition. Once that can do so by vote was reached, the mild group held out against all efforts of the Democrats to put in their compromise reservation, so that when the second vote was reached, after several hours of sparring, the situation was virtually unchanged.

The Treaty, which has been before the Senate many weeks, is now laid aside.

Position of Yudenitch Army Quite Serious

London, Nov. 19.—The position of the Petrograd front, as described in a Bolshevik wireless message, is a serious one for General Yudenitch's army which has been cut in half. It must either surrender, or cross the frontier into Estonia, in which direction it is being pursued.

GRATIFIED WITH RESULTS OF THE VICTORY LOAN

Sir Henry Drayton, Minister of Finance, Expresses His Appreciation of the Enthusiastic Service Rendered by Workers.

Ottawa, Ont., Nov. 19.—In a statement handed to the Canadian Press tonight Sir Henry Drayton, Minister of Finance, expresses his appreciation of the success of the Victory Loan and his appreciation of the enthusiastic and patriotic service rendered by those who worked in its behalf. He suggests that subscribers everywhere will help to confirm the credit of Canada by holding the bonds which they have purchased.

The statement is as follows: "With every Canadian I am delighted with the success of the loan campaign, and am more than gratified to know that the last chapter of Canada's war efforts has been in keeping with her marvellous war record. Personally, the campaign has been a grand thing for me because it has thrown me into touch with the splendid organization which has done so well in this and the other Victory Loan drives. The work of the Victory Loan representatives in every province, and everywhere in each province, has been splendid. Special mention should be made of those who, in an honorary capacity, gave a patriotic and enthusiastic service which it was impossible for money to buy. Victory Loan workers were engaged night and day, and I am sure, speaking generally, they put forth, on behalf of their country, a far greater effort than they usually give to their private business. The people responded in kind. I know of many subscriptions made which practically mortgaged the subscribers' income for the next year or eighteen months. The support of the loan has been general, including all classes. The result is the untold efforts of all our people. This happy consummation has been very largely helped and brought about by the magnificent support that the Press has given to the campaign. They have donated much valuable space and have featured the loan in the best possible manner."

Bonar Law Under Lash Of Critics

Liberal Press Unite in Editorial Attack on His Speech Defending the Coalition Government.

London, Nov. 19.—(By The Canadian Associated Press Cable).—Bonar Law's speech defending the present system of coalition government has brought an editorial reply from the Liberal Westminster Gazette declaring the Unionist party's hopes lie in a coalition which secures it a certain number of Liberal votes, also an opportunity for slipping in between Liberals and Labor.

The warmest supporters of the government, says the Westminster Gazette, deplore the absence from the House of Commons of experienced statesmen to sustain the work of critical opposition. The same journal thinks the coalition will become a central block, standing for property interests and protection, and from now on until the end of Parliament will live a life of doubt and anxiety, constantly in alarm lest the Prime Minister should be moving to the left.

The Times, while making no reference to Bonar Law's speech, says that with every debate of serious interest the poor quality of the present House of Commons becomes daily more apparent. It holds it is a distinct loss to parliamentary efficiency that Asquith, like other eminent parliamentarians should not be able to make his voice heard in the Commons, adding the suggestion that perhaps Asquith should be asked to make it scarcely worth while entering.

The Daily Express speaks of the startling spectacle of the strongest majority of the age being the feeblest and least representative legislative instrument of modern times.

FIRE DESTROYS HALIFAX GARAGE

Gasoline Explodes, Shooting Fire and Sparks High Into Air Endangering Neighboring Property.

Halifax, Nov. 19.—A fire that might have had disastrous consequences broke out tonight in the garage of Rhodes Leard Curry. The fire had obtained a firm hold before the alarm could be given, and so sudden was the outbreak, that within a few minutes the whole building was ablaze. There were several gasoline barrels in the garage, and one of those exploded, shooting fire and sparks high up into the air and endangering the neighboring houses.

A motor tractor and a Ford truck were in the building and were reduced to scrap iron. The loss is estimated at several thousand dollars.

SWISS VOTE TO JOIN LEAGUE OF NATIONS

Berne, Nov. 19.—Switzerland's adherence to the League of Nations was decided by the Swiss National Council today. The vote came after eight days of debate, the count being 124 in favor of this country joining the League, to 45 against.

LETTS CAPTURE TOWN OF BANSHÉ

Copenhagen, Nov. 19.—The Lettish forces have captured the town of Banse, with a large amount of booty according to Riga advices to the Lettish bureau. Banse lies southeast of Mitau.

Light out for parts unknown. A further complication has arisen in the case by the disappearance of Maria Verreck, the hardy gurdy girl, who is said to have gone into hiding because of the fear that the Red Society may attempt to put her out of the way.

There is no surplus of coal now stored by the Minto Coal Company. The shipments recently have been very heavy and the surplus stock depleted. Shipments are now being made of the daily output. A strike by the miners at this time will seriously complicate the fuel supply for the industry depending upon the output of these mines.

RESULTS IN KEEPING WITH CANADA'S RECORD

Urges Subscribers to Hold Their Bonds and to Enhance Value of the Securities.

Ottawa, Ont., Nov. 19.—In a statement handed to the Canadian Press tonight Sir Henry Drayton, Minister of Finance, expresses his appreciation of the success of the Victory Loan and his appreciation of the enthusiastic and patriotic service rendered by those who worked in its behalf. He suggests that subscribers everywhere will help to confirm the credit of Canada by holding the bonds which they have purchased.

Canada First

The whole underlying principle of treating the loan subscribers, newspapers and labor workers has been Canada first. Apart entirely from the financial success, the loan itself has been a great thing for Canada. A continuation of the spirit that made the loan a success would render absolutely certain a bigger and greater Canada and just as triumphant a result out of the stress of reconstruction as the outcome of the war itself. A continuation of this spirit will mean that subscribers everywhere will hold their bonds, and by holding them help greatly to enhance the value of the securities, with the resultant benefit to the subscriber and to still further confirm Canada's credit. "Now that the loan is over and the money raised, it becomes the duty of the Government to see that it is properly applied to the purposes for which it was raised, and that all due and proper economies be exercised in carrying out the Government of our country."

SINN FEINERS HAVE SUDDEN CHANGE OF HEART

Rumors That They Are to Take Their Seats at Westminster Coincident With Announcement of the Irish Gov't Bill.

London, Nov. 19.—There are strong rumors in the House of Commons today that the Sinn Feiners are contemplating taking their seats at Westminster coincident with the cabinet's coming announcement of the Irish government bill.

It is reported also that Countess Markievicz, will appear at the same time in order to forestall Lady Astor as the first woman member of parliament, if Lady Astor is elected.

Farmers Urged To Concentrate On Dom. Politics

Brandon, Man., Nov. 19.—Hon. Mr. Crozier made a plea yesterday that the farmers concentrate on Dominion politics for one year at least, as it is there that the things that concern them meet the such as questions of revenue, immigration, conditions of development and transportation.

S. C. A. FUNDS TO BE USED FOR COMFORT OF SOLDIERS' CHILDREN

Closing Meeting of Society Held Yesterday at Centenary School Room—Reports Show Splendid Activity and Much Self-Sacrifice on Part of Members During Four Years of War Work.

After a wonderful record of splendid work accomplished during the years of war, the Soldiers' Comfort Association held their closing meeting yesterday in the Centenary Church Parlor. Mrs. George McAvity as the first president was asked by the present holder of the office, Mrs. J. A. McKenna, to preside.

The secretary Mrs. H. L. Spangier, read a summary of the year's work, and the treasurer, Mrs. Walter Holly, in her report, showed that for this year the expenditures had been \$5,493.22, receipts for the same period \$12,233.46.

The total receipts for the whole period of four years was \$35,812.88, with expenditures of \$31,433.80, leaving a balance on hand of \$4,379.08. The discussion which took place, led to the disposal of this balance ended in a resolution being passed that the funds should be placed in interest-free trust to be used for the comfort of Soldiers' Children.

Several suggestions as to the disposal of funds were made, including the furnishing of a ward in the Hospital for Soldiers' Children, giving comforts to soldiers in hospitals. Distributing the money through associations, such as the Free Kindergarten Association.

The work of the officers and conveners of the committees of the St. John S. C. A. who were continued in office during the entire four years of service every praise. Mrs. John LeLachur gave no report of her work as corresponding secretary yesterday but has most efficiently filled that office for the entire time of the society's existence.

Mrs. Holly gave the wool report as follows: Socks sent overseas 102,352. Expended for wool \$21,006.30. There are 700 pairs of socks on hand and 1500 pounds of wool. In answer to an appeal from Oromocto a large donation of wool was sent there and the remainder on a suggestion from Miss Agnes Warner will be shipped to France.

The value of the socks and wool is \$4,193.80. The report of the packing committee, Mrs. H. R. McEllan, convenor, showed that 2982 cases and 25116 individual parcels had been shipped overseas.

The reports all told of many articles of comfort provided for soldiers so many that it is impossible to name any but the socks, parcels and money. Reports from the circles were as follows:—

Douglas Avenue Circle, Mrs. A. S. Bruball; Socks, 225 pairs. Parcels sent overseas \$66. Money collected \$1056.23. All wool was donated by the circle. Red White and Blue Circle, Mrs. Hattie Disher, membership 16, socks 182, money collected, \$236.41; Centenary Girls Circle, Miss D. Peters, membership 46, socks 2046 pairs, money collected \$168.00; Ingleisle Circle, Mrs. Rankine Sinclair, socks 1080 pairs, generous donations money; Girls' Branch S. C. A., Miss Hilda Shaw, socks 1006 pairs, money collected \$194.33; Brookville Circle, Miss Mary Gallagher, socks 496, money collected \$364.47; Harmony Circle, Mrs. M. E. Grass, socks 791 pairs, money collected \$682.90; Chipman, Miss N. Harper, socks 868 pairs, money collected, \$1772.72; Campbellton, Mrs. P. E. Richards, membership 66, socks 1124, money collected \$638.65; Woodstock, Miss Mary Thompson, socks 4,000 pairs; St. Stephen, Miss Marion Murray, socks 6020 pairs, money collected \$1740.10; McAdam, Miss Helen Green, money collected \$1421.10; Gagetown and Upper Gagetown, Miss Nellie Bulyea, socks 1513 pairs, money

The War Heroes Will Be Decorated

By Lieut.-Governor Pugsley at the Armories—All Honor Winners Are New Brunswick Men—An Interesting and Historic Occasion.

Perhaps the only remaining ceremony in connection with the part this province has played in the great war, will be conducted this afternoon at three o'clock in the Armories, when His Honor, Lieutenant-Governor Pugsley, will personally give, as the representative of the King, the decorations won by some hundred New Brunswick soldiers, for their valor in the recent world struggle.

It is expected that nearly all the soldiers, now living, whose names appear on the list below, will be present. The Great War Veterans' Band will also be in attendance and furnish fitting music for the programme.

The following is the roll of those to receive decorations:

HELPLESS WITH RHEUMATISM

Until He Took "Fruit-a-tives" The Fruit Medicine.

"For over three years I was confined to bed with Rheumatism. I treated with doctors, and tried nearly everything without benefit.

"Finally, I tried 'Fruit-a-tives'. Before I had used half a box I saw improvement; the pain was easier and the swelling started to go down.

"I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place."

COUNT FIFTY! NO NEURALGIA PAIN

Don't suffer! Instant relief follows a rubbing with old "St. Jacobs Liniment"

Conquer pain—never fails. Rub soothing, penetrating "St. Jacobs Liniment" right on the aches of pain, and out comes the neuralgia misery.

Here's a joyful experiment! Try it! Get a small trial bottle from your druggist; pour a little in your hand and rub it gently on the sore, aching nerve, and before you realize it—in just a moment—all pain and neuralgia disappear. It's almost magical but the joy is, that the misery doesn't come back. No! The nerves are soothed and congestion is relieved and your neuralgia is overcome.

Stop suffering! It's needless—neuralgia and pain of all kinds, either in the face, head, limbs or any part of the body, is instantly banished. "St. Jacobs Liniment" is perfectly harmless and doesn't burn or discolor the skin. In use for half a century.

See, has so far and no hand in the adjustment of disputes of this sort, and some shipping men are wondering where it will come in ultimately, to such relations.—Montreal Gazette.

Sir Douglas Hazen, Chief Justice, left yesterday for Fredericton on official business.

PORT OF ST. JOHN

Capt. J. T. Walsh and Mr. Thomas Robb, who went down to St. John last week to advise on the question of the longshoremen's pay, were back yesterday having, with the efforts of the local maritime and shipping officials, settled the matter amicably. The men were asking for 80 cents an hour and were met with an offer of 65 cents from the shipping interests. Ultimately the rate of 70 cents was accepted by the men's union. The Montreal rate is 60 and 65 cents. St. John is a tidal port, which fact calls for a uniform rate. The interest of Montreal and that of the shipping interests of the coastal port all have their head offices here; so it is a matter of satisfaction to shipping circles here that the matter has been satisfactorily adjusted.

The Canadian Government Merchant Shipping Interest, which is now getting a large adjustment of disputes of this sort, and some shipping men are wondering where it will come in ultimately, to such relations.—Montreal Gazette.

Sir Douglas Hazen, Chief Justice, left yesterday for Fredericton on official business.

Scenes of New Brunswick in this week's issue

The two centre pages of this week's issue of THE ATLANTIC LEADER—the great Maritime Province week end paper—are devoted to scenes of St. John and New Brunswick.

There is a sixteen column panoramic view of the waterfront from the West Side, with the Loyalist City in the distance, as well as many other striking pictures of shipping activity along the St. John Waterfront.

There will be a great demand for this week's issue of THE LEADER and we strongly urge those desiring copies to either keep or send away to friends, to place their order at once.

Police Court Cases Yesterday

Stearns Forgery Case Given Another Hearing and Will be Disposed of This Morning—Merritt Case Was Re-sumed.

The Stearns forgery case was given another hearing in the police court yesterday afternoon. Evidence was given by Mr. Dalton, cashier of the Bank of Montreal, who identified a cheque for \$70, as one which he had cashed at the bank, and it was later returned stamped as a forgery.

John Bridges, Main street, said that the defendant had boarded at his place, and while boarding there had secured a typewriter, which he frequently used. This completed the evidence and the case was held over until this morning for disposal. If Starr Hall appeared for Stearns and W. J. Scott conducted the prosecution. The Merritt case, in which the husband was accused of abusing and ill-treating his wife, was temporarily settled, and the Magistrate told Mrs. Merritt to go back to her husband, cook a good supper for him and see if they could not adjust their own troubles before four o'clock this afternoon. In case they are unable to do so, the matter will be taken up further.

Kerlow Miller, at the morning session, was remanded following a charge of loitering and acting in a suspicious manner around the Union depot on Tuesday.

from took place yesterday afternoon from her residence, 55 Middle street, West St. John. Service was conducted in St. George's church, by Rev. W. H. Sampson and interment was made in Cedar Hill.

The body of David A. Phillips was taken to Cole's island, Queens County, yesterday morning on the early train. Service was conducted Tuesday evening at his late residence in Randolph by Rev. Mr. Bishop. The body of Miss Hilda Palmer was taken to Hampstead yesterday morning on the steamer D. J. Purdy. Service was conducted at the residence of her parents, Mr. and Mrs. J. Common Council Meeting Yesterday

Adopted Resolution That Grant of \$5,000 be Made for Vocational Training—Street Paving Was Again Discussed.

The City Council yesterday adopted a resolution that a grant of \$5,000 be made for vocational training to the end of the present year. The school authorities will want \$10,000 next year.

Commissioner Jones opposed the grant at present. He said the School Board was carrying an overdraft of \$28,000, and the teachers had just demanded an increase of wages. The School Board had adopted a report signed by Geo. B. Day, C. H. Green, H. A. Barnes and J. Galt, stating that in view of the conditions of school finances it was not advisable to undertake vocational training at present, and recommended that the city be asked to take a plebiscite on the matter.

Commissioner Jones said the police, firemen and probably other city employees would want increases of salaries next year. He was not opposed to vocational training, but felt that the grant should be deferred till the Council took up estimates for next year.

Recommendations were adopted that plans and specifications be prepared for paving the whole of Douglas avenue with bituminous concrete on a foundation of broken stone, curbing to be of cement in case granite cannot be obtained at a reasonable price. That plans and specifications be prepared for the paving of the following named streets with bituminous concrete on a foundation of broken stone, namely: Piny Road, from Pond street to the Marsh Bridge; Brussels street; Marsh Road, from the Bridge to the city line.

That the estimate for sewerage extension on Douglas avenue be increased from \$6,000 to \$6,300, and that the estimate for water extension on Douglas avenue be decreased by \$200.

On motion, Commissioner Fisher was authorized to pay union wages at the rate of \$4.98 1/2 per day to stationary engineers in his department, to date back to October 29. The old rate was \$4.00 per day. The working period nine hours. There are three men concerned, two of whom are operating street rollers, and will soon be released.

On motion of Commissioner Fisher, authority was granted his department to purchase from Morrison & Newlands, at \$87.60 per thousand, 50,000 blocks, to be delivered at the city storage area Broad street, and to be paid for by temporary loan.

Commissioner Bullock reported that damage, estimated at \$1,000, had been done to the fall shaft and other property of the ferry steamer Governor Carleton, in a collision of the propeller with a sunken log on Monday last; that the steamer had been placed on the blocks, and that repairs were under way.

The Commissioner also reported that on Monday last, Mate H. S. McClary, of the ferry department, had suffered a fracture of the right wrist in being caught in the steam-steering gear of the Governor Carleton. The accident had been reported to the Workmen's Compensation Board.

Commissioner Fisher remarked that it was a matter of regret that the Compensation Board allowed only 65 per cent. of the wages of an injured person and stated that this was less than was allowed for injuries before the board was established.

OBITUARY

Mrs. Catherine Crandall, Salisbury, Nov. 20.—The death of a highly respected and much beloved lady, in the person of Mrs. Catherine Crandall, took place at her late residence here on Monday morning, Nov. 17th. Some five weeks ago she suffered a paralytic stroke, and since that time her condition has remained practically unchanged, until she died suddenly and very peacefully to the aged lady, on Monday, about 10 a. m.

She leaves to mourn two sons, Messrs. H. and Henry N. of the firm of Crandall & Carter, and two daughters, Mrs. J. W. Carter and Miss Laura, all of Salisbury. She is also survived by two granddaughters, Miss Lee E. Taylor, of Moncton, and Miss Carol V. Mitton, at home. Mrs. Crandall was the wife of the late Henry Vaughan Crandall, and a sister of the late John A. Webster, contractor, of St. John, N. B.

Mrs. Crandall was one of our oldest residents, being in her 86th year, and was greatly beloved by all who knew her. Her passing will be mourned by a large circle of relatives and friends. Many and beautiful floral offerings testified to the esteem in which she was held.

The funeral was held on Wednesday afternoon, the 19th inst. Services at the home and grave being conducted by the Rev. N. A. MacNeill. Interment was made at Pine Hill cemetery.

Mrs. W. H. Webber.

Fredericton, Nov. 19.—The death occurred at Mungit, last night, after a lingering illness, of Mrs. W. H. Webber, aged 82 years. Deceased is survived by her husband, four brothers, Nathaniel and Michael Sharkey, of Montserrat, and Nicholas, of Woodstock, and one sister, Mrs. O'Brien, of Oldtown, Maine.

George Bailey.

Fredericton, Nov. 19.—Relatives here have been informed of the death of George Bailey in Winnipeg. He was a native of Kingsclear and was one of the railway pioneers of the Canadian west. He was the first C. P. R. locomotive engineer in Calgary and lived in that city for the greater part of his life and drove the first locomotive in the great west. Mrs. Joseph McKay, of Kingsclear, a patient in Victoria Hospital in this city, is a sister. His wife, three daughters and one son cap-

Rustle of Paper Would Upset Her

Mrs. Holmes Praises Tanlac for Restoring Her Health in Short Time.

"It seems simply remarkable that it has taken only two bottles of Tanlac to completely overcome my six years of troubles," said Mrs. Olive Holmes, who lives at 406 Atlantic street, Sydney Mines, N. S., while talking to the Tanlac representative the other day.

"It was about six years ago that my health began to fail me," she continued, "and since that time I have suffered from a complication of troubles. My nerves were so terribly shattered that even the rustling of a newspaper would upset me, and I was so restless at night that it was almost impossible for me to get a night's rest and sometimes it would be three o'clock before I could close my eyes. I had a poor appetite and indigestion caused me so much misery that I hardly ever cared whether I ate anything or not and I was troubled with dreadful headaches that often kept me in bed for days at a time. I felt tired out all the time and lost so much in weight that I looked almost like a frame and was so weak that I had to give up my housework altogether.

A friend of mine told me about Tanlac and now I am certainly thankful to her for her advice for it has proved to be just the thing I needed, and before I had finished by second bottle I felt like a different woman entirely. My nerves are so steady that I can stand any kind of noise, and I am never troubled with headaches any more. I have a splendid appetite and eat just anything I please without any bad effects in the least and my food is giving me so much nourishment that I am stronger than I have been in years. I sleep like a child and rest perfectly and I never have that worn-out feeling, but instead, I have so much energy and strength about me that my housework is a pleasure for me. Tanlac has done for me that I wish I could tell everybody about this medicine."

Tanlac is sold in St. John by Ross Drug Co. and F. W. Munro under the personal direction of a special Tanlac representative.—Adv.

Fredericton, Nov. 19.—The death occurred at Mill Cove, Queens county, yesterday afternoon, of Mrs. J. R. Baxton, aged 71 years. The deceased was stricken with paralysis about ten days ago.

Baxton is survived by her aged husband who is survived by four sons, Jarvis and Theodore, at home; Walter of Portland, Me., and F. E. of North Devon; three daughters, Mrs. Albert Thompson of Houlton, Me., and Mrs. C. Orchardson and Mrs. Miles Ferris, of Mill Cove, and Mrs. A. M. Garris, of this city, two brothers, Alonzo Thompson of Portland, Me., and J. W. Thompson of this city; and four sisters, Mrs. Worden, of Washdemonk Lake; Mrs. Ferris, of Waterbury; Mrs. Sherman of Houlton, Me., and Mrs. C. Orchardson and Mrs. Miles Ferris, of Mill Cove, and Mrs. A. M. Garris, of this city.

LEFT FOR HOME
Lieut. J. Royden Foley, accompanied by his wife and her sister, Miss O'bridge, left England yesterday by the steamer Mohaganna. Lieutenant Foley is returning after lengthy service overseas with the Royal Air Force.

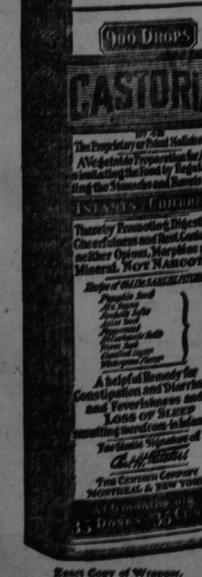

Castoria, or Something Else?

FLETCHER'S CASTORIA is particularly a preparation for Infants and Children made agreeable to the taste, acceptable to the stomach and pleasant in its action. It has been in use for over thirty years and has always been one of the most highly esteemed of all cathartic preparations.

It has one great advantage over other preparations of its kind in that while it opens the organs readily and completely, it does not have a tendency to produce subsequent constipation so much to be dreaded.

Fletcher's Castoria having been prepared solely for our little-ones, should not be confused with ordinary cure-alls or preparations primarily compounded for grown-ups. The child's organism, so delicate and tender, requires specially prepared medicines and foods, the one no less than the other, as mother-love well knows, and mother-love can not be deceived.

Children Cry For Fletcher's CASTORIA

Bringing Up Baby.
When Adam ate the Apple we heard nothing about its effect on his stomach, but we do know, or ought to know, about the effect of all eatables given our children. This knowledge is necessary to all mothers, and the deaths among infants indicate that much information along this line is needed.

On this subject many works have been published, but most of them so technical and complicated as to be unintelligible to the lay mind. Food, hygiene and proper clothing must be learned by all mothers—they must study them, know them. Do you? Around every bottle of Fletcher's Castoria is a booklet in plain, everyday language that all can understand, put there by the advice and approval of physicians. Will you read it? Fletcher's Castoria has been in use so many years that it is a waste of words to praise it, but because of the many substitutes and imitations we endeavor to protect the babies by keeping before the public the signature of Chas. B. Fletcher and a copy of the wrapper. It is your only safeguard.

GENUINE CASTORIA ALWAYS Bears the Signature of

An Old Fashioned Canadian Winter

THE glorious snow, the sparkling sunshine, the vigorous out-doors sports, for which Canada is world famous—they are almost here!

But remember this—for every hour you pass in the great out-doors, there are two or three to be spent indoors, probably pen in hand. Why should they not be spent as pleasantly as possible?

Waterman's Ideal Fountain Pen

There is real joy in writing with a pen that exactly suits your hand—that flows freely to the last drop—and this joy you can put into your writing at the cost of a Waterman's Ideal Fountain Pen.

Keep in mind, too, that there is no more acceptable Christmas gift for a friend than a Waterman's Ideal Fountain Pen.

MARKET REPORTS. STOCKS, BONDS AND PRODUCE.

MARKET WEAK ON OPENING. WAR MEMORIAL WORK IN ONTARIO. (McDougall and Cowans) New York, Nov. 19.—The market has another and more severe sinking spell in the early afternoon and shortly thereafter the first support of the day. U. S. Steel broke through the level of last week, which was 308 and sold down to 18 1/2, later rallying to near the former figure. Crucible Steel again made a new low but rallied about two points thereafter. There was recovery in the entire list from about 2 o'clock on, and gains were held fairly well up to the close but did not regain all of the losses except in a few issues. Call money advanced to 10 per cent, while the bulk of the day's business was done at 12 per cent and was reported to be in good supply at that rate. The Federal Reserve Board and Government of the Federal Banks held one of their periodical conferences in Washington, which it was said would not last for two or three days. A. B. Hepburn, just returned from Washington, was quoted as saying that the board was at present less concerned about the position in Wall Street than about the speculative position throughout the country, which was less susceptible to panic liquidation. Sales 1,710,000.

STOCKS RECOVERED ON MONTREAL. (Published by McDougall & Cowans) Montreal, Nov. 19.—What weakness there was took place in the morning session, and most of the declines were made up during the late trading. The paper stocks showed the largest reactions, as this group have been the most active. The steel stocks were erratic. Dominion Iron opening at 73 1/4, declined to 72, and Steel Canada opening at 75 1/4, declined 1 1/2 points and closed the same as the opening. Strength was again shown in the American stocks, the Common being steady at 118 1/2, and the Preferred at 115 1/8. Forgings was also better at 192. There were no signs to day of liquidation or the weakness continues in New York it will be felt here sooner or later.

REACTIONARIES IN CONTROL OF STOCK MARKET. Severe Depreciation of Quoted Values, and Speculative Shares Showed Extreme Losses of Five to Thirty-Three Points. New York, N. Y., Nov. 19.—The forces of reaction were again in undisputed control of the stock market today. Recurrent liquidation in large volume caused further severe depreciation of quoted values, speculative shares showing extreme losses of five to thirty-three points. There was little in the day's development to offer hope of comfort to the bull element, apart from the decision of the local Federal Reserve Bank to make no change in existing rates of rediscounting. Call loans were "pegged" at twelve per cent, until the last half hour, when the rate dropped to ten. With this indication of money ease came the financial and commodity markets of the world. Exchanges on London and continental Europe continued to break with the approach of a vote on the Peace Treaty. Cleveland, Nov. 17.—All hope of the
safety of the lake freighter John
Owen, of Cleveland and her crew of
22, caught in a terrific gale on Lake
Superior last week and missing four
days, was given up today by W. C.
Richardson, master of a message from
St. Marie, Mich., that wreckers have
been found in the vicinity of Caribou
Island bearing the name John Owen.
Portland, Me., Nov. 17.—Discovery
of a large bull lying in four fatigues
of water near Ragged Island evinced
many to the belief that two vessels
that ran aground on the rocky reefs of
that island in the 18th great storm
instead of one, as heretofore suppos-
ed. It has been pretty well established
that the three-masted schooner Phi-
adelphia went on Ragged Island and
was broken to pieces, portions of the
wreckage being scattered along the
coast as far south as Plum Cove.
The schooner, built in 1840, was
what seems to have been a four-masted
schooner by Harpell fishermen
indicates that there was a double
wreck.

PRESENT JOINT SCHEDULE
Word has been received from Mon-
real to the effect that the steamship
Checkers' Union 127, belonging to the
railway checkers, have presented a
joint schedule to the shipping and
railway interests regarding increased
rates and better working conditions
during the coming season at St. John.

NOTICE TO MARINERS
Notice is hereby given that the light
on the Northern Wolf gas and whist-
ling buoy is reported not burning. Will
be relighted as soon as possible.

AROUND THE CITY

CHIEF INSPECTOR HERE.
Chief Inspector, the Rev. W. D. Wilson, arrived in the city yesterday to take up matters in connection with two recent raids against violators of the Prohibition Act.

FIGHTING EXTRADITION.
Edgar Barsham, it is reported, is strenuously fighting extradition and has employed counsel in the matter. Barsham, it will be remembered, is the man who broke from the county jail while undergoing sentence for theft.

HUNTING PARTY RETURNS.
A hunting party composed of Frank Howard, Michael Harrigan, Joseph McBrearty and Frank O'Donnell returned to the city yesterday after an enjoyable and successful trip up the Westfield district. They managed to bring down a fine specimen of the moose family.

ANNUAL THANK-OFFERING.
The Women's Missionary Society of the West Side Presbyterian Church held their annual Thank-offering meeting last evening. A greatly appreciated address was given by Mrs. C. F. Sanford who spoke on Missions. Members of the choir of the church assisted and a solo song by David Allen was much enjoyed.

NOT YET LOCATED.
Annie Brown, the mentally deficient woman who escaped recently from the Municipal Home, has not yet been found. It is believed that she is being sheltered by friends at Sussex, but when the woman escaped from the institution she wore neither hat nor coat.

RUMMAGE SALE.
A Rummage Sale was held yesterday afternoon in the school room of St. James church by the Women's Auxiliary. Mrs. John C. Kee, president of the W. A., was convener and she was assisted by members of the auxiliary. The attendance at the sale was all that could be desired and a substantial sum was raised for Missionary purposes.

INSPECTION TOUR.
Grant Hall, vice-president of the C. P. R., arrived in the city yesterday from Moncton accompanied by V. G. R. Vickers and Charles Temple. They inspected the facilities of the company during the afternoon and were entertained at lunch in the Union Club by H. C. Grant, superintendent of the New Brunswick division.

SEVERELY INJURED.
Regimental Quartermaster-Sergeant H. Baynton, 259 Union street, West St. John, was injured yesterday morning when he fell from a Canadian Army Service Corps car. The car was talking some clothes to the armory from Smythe street and Sergeant Baynton attempted to tie up on the load to prevent it from falling off, but was thrown to the street.

AFFECTED BY GAS.
Dr. Allingham was called early yesterday morning to treat Mrs. John O'Brien and three children, who suffered from gas that had escaped from a self-feeder. Councillor O'Brien suffered only slightly, but the other members of his family were considerably affected.

RE-ORGANIZATION MEETING.
The Boarding Club of St. David's Church held a re-organization meeting last evening in the new school room of the church. There were a number of young people present and plans were made for the use of the large recreation room on several evenings each week. It is expected that there will be a membership of thirty. The following officers were elected: Alan Crookshank, president; Miss Blenda MacIntyre, Vice-President; Miss Elsie, both Campbell, Secretary-Treasurer.

RETAIL CLERKS WERE IN SESSION.
Newly Formed Organization Met in Board of Trade Rooms Last Evening and Appointed Managing Committee.

A meeting of the newly formed organization of retail clerks was held in the Board of Trade rooms last evening, with A. C. D. Wilson in the chair. There was a large attendance, and many new members were enrolled. The clerks generally are showing great interest in the association and the winter work promises to be interesting. The object of the association is to promote friendship among the employees of the different business houses, and encourage co-operation between employees and employers. During the meeting a managing committee was appointed to draw up a programme for increasing membership and promoting unity among the clerks.

Rededication of St. David's Church

Week-Day Services Largely Attended—Another Fine Address Given by Rev. J. A. Clark, D. D. of Halifax—St. Andrew's Choir Assisted.

A large congregation attended the rededication service at St. David's church last evening. Rev. J. A. MacKeigan welcomed the choir of St. Andrew's church, who conducted the music during the service and announced that the choir of Centenary church would lead in the service on Thursday evening.

During the offertory the choir sang very effectively Shaly's grand anthem "Hark, hark, my Soul."

The Rev. J. A. Clark, D. D., gave a very helpful and hopeful address, taking his text from Ex. 127, 1 and 4. Except the Lord build the house, they labor in vain that build it.

It is in vain for you to rise up early, to sit up late, to eat the bread of sorrows; for so He giveth His beloved sleep.

He pointed out that while many thought that religion was an obstacle to success, true religion was the link-up with the Almighty.

Why worry and be troubled over the problems of life, trust in the Lord who has builded the Universe.

The address was a strong call to adhere to the ten commandments and the laws of God or chaos will follow as shown in the state of Russia today.

The Rev. Dr. Clark's addresses are being followed with increasing interest and will be of lasting benefit to all those who are privileged to hear him.

AN ENTERTAINMENT GREATLY ENJOYED

Excellent Programme Last Evening Under Auspices of Marlborough Lodge S. of E. and Newfoundland Mutual Benefit Society.

Members of the Newfoundland Mutual Benefit Society, and Marlborough Lodge, Sons of England, joined in a social entertainment in their hall, Germain street, last night, and a most pleasant evening was spent by all who attended.

F. J. Hunter, of Marlborough Lodge, presided and welcomed the visitors from the Old Colony organization, for whom Isaac Mercer, the president ably responded.

Speeches were also given by Chas. Ledford, secretary of Marlborough Lodge; A. J. Green, secretary of the Newfoundland Mutual Benefit Society; E. A. Lawrence, E. W. Thorne, Wm. Roberts and P. H. Lewis.

The programme was soles by E. C. Tremblay, W. J. Blackwell, recitations by R. E. Story and N. J. Curtis, and a number of popular choruses by the audience.

During the evening, coffee, cake and sandwiches were served, and many interesting and entertaining reminiscences were heard, to the accompaniment of fragrant cigars.

William Stewart Now A Resident

Former Partner in Firm of Sinclair & Stewart, Ltd., Summerside, P. E. I., Will Make His Home in This City.

One of the outstanding figures in the commercial and financial life of Prince Edward Island is now a resident of St. John, in the genial personage of William Stewart, formerly partner in the firm of Sinclair and Stewart, Ltd., Summerside, chairman of the Summerside School Board and chairman of the Board of Trustees of Prince County Hospital.

Before his departure for the Loyalist City, Mr. Stewart was waited upon by a number of the prominent men of Summerside and presented with a gold-headed cane, as a slight mark of esteem and illuminated addresses from the Summerside Board of Trade, the Summerside School Board, the Trustees of Prince County Hospital and Mount Lebanon Lodge, A. F. and A. M.

Speaking editorially, the Summerside Agriculturalist said last Saturday: "In the removal of Mr. William Stewart from Summerside, this town truly loses one of its very best citizens; a man who has aided materially in the upbuilding of the town, and one whose interest in town affairs was at all times, even since he retired from active business life, of that earnest and lively sort that placed Mr. Stewart in that category of 'leading citizen.'"

"With a strong personality, good common sense and a keen business mind, Mr. Stewart has been always one of the foremost leaders in almost by local endeavors launched for the public good, and in him Summerside has had a citizen of the highest and best type, and one that it can ill afford to lose."

"With Mr. Neil Sinclair and other associates, Mr. Stewart built up one of the largest mercantile businesses in the Maritime Provinces—a business with their beautiful modern store on Water street, that is a credit to Summerside, and indeed to the whole province. About three years ago Mr. Stewart retired from this business, and has since been enjoying a quieter life, but possibly, after all, not enjoying it as some might expect, since to him work is the very essence of life."

"The Agriculturalist takes this opportunity of extending to Mr. and Mrs. Stewart, who are to take up their residence in St. John, N. B., the best wishes for many happy years in their new home."

"Until they find suitable residence in the city, Mr. and Mrs. Stewart are the guests of their daughter, Mrs. Philip Nason, Carvell Hall, Waterloo street."

Style of Dress, Dance And Movies

Local Council of Women at Executive Meeting Yesterday Feel That Some Improvement in Modern Styles of Dress and Dance Should be Made.

Many important matters came up for discussion at the executive meeting of the Women's Council held yesterday afternoon in the King's Daughters Guild. Mrs. E. Atherton Smith presided. The filling of several vacancies on the standing committees was talked over and nominations made which will be brought before the general meeting. A vote of thanks to Miss Murphy, who, for so many years was convener of the committee on citizenship, and whose work was of so much value, was unanimously passed.

Mrs. W. F. B. Patterson reported on having the drinking fountain which is now in the city, erected in Union Square. Commissioner Flahar had said he would do all in his power to have the work completed, though it may not be wise to connect the fountain this winter, as the season is so far advanced. The Council's representatives wished to have the fountain inscribed on it that it was erected in 1919. A list of donations for the fountain will be published later.

The Treasurer, Miss Estay, reported a balance of \$12.18 on hand after all bills are paid.

Miss Amelia Haley, the corresponding secretary read a communication from Mrs. Richard Hooper resigning as first vice-president. This resignation was most regretfully received, and Mrs. J. B. Travers was elected to Mrs. Hooper's place until the next annual meeting. On motion Mrs. Hooper was made an honorary member of the executive with power to vote.

A letter was read from Miss Bertha Ruddick regarding the appointment of a woman on the Board of Motion Picture Censors, and this was left for further consideration.

The kind of motion pictures being shown at present were severely criticized and some discussion of vaudeville shows, the modern style of dress and dancing took place, the opinion being strongly expressed that some stand should be taken by the Council on all these matters. Mrs. E. Atherton Smith and Mrs. W. F. Hathaway were appointed to meet with Premier Foster and ask what was to be done regarding the Council's request for the appointment of women on the Board of Censors, and also the appointment of a woman factory inspector.

The Women's Institute sent in a resolution urging the closing down of the Court House, and the president said that while the resolution passed at the last meeting of the Council, she presently stated that in the opinion of those present the Council should be pulled down, the matter should come before each affiliated society and their delegates be instructed as to the desirability of the society on the matter before the Council vote, which could pass any resolution. Each society will receive a notice to this effect. The matter will stand over until then.

It was decided to have the usual Tag Day for the Children's Aid on December 6th. Dr. Mabel Hanington is to be asked to speak on Child Welfare at the next meeting which will be held at the residence of Mrs. W. B. Tennant, Orange street.

The Hostel Committee, Mrs. J. B. Travers and Mrs. H. Lawrence, made their report which was satisfactory to all, and the two ladies were thanked for their work on the budget and the finding of the house. The provincial committee were asked to continue an office and organize a Hostel Association at a meeting to be held later.

JEWEL REBEKAH INITIATE MEMBERS

Twelve New Members Were Taken Into the West End Lodge Last Evening—Plans for Joint Entertainment Discussed.

Twelve new members were initiated last evening at a meeting of the Jewel Rebekah Lodge No. 6, West Side. The Noble Grand Mistress, Mrs. Helen Nelson, presided and there were more than seventy five members present. Plans for the joint entertainment to be held on December three with all the Oddfellows in the city were discussed. Arrangements for a play which will be part of the evening's entertainment are being made and an enjoyable time is anticipated. Jewel Rebekah Lodge will be the hostesses. Mrs. Ritcher has invited the Jewel Rebekah Lodge to be her guests for a social evening next Wednesday night.

WOMEN'S HOSPITAL AID

Regular meeting Thursday, 3 o'clock Board of Trade.

H. M. Hopper, manager of the N. B. Power Co., has been granted three months leave of absence on account of his health and left Tuesday night for Richmond, Va., accompanied by his wife.

Mrs. (Dr.) F. A. McAlpine will receive on Friday afternoon, November 21st, at her residence, 131 Princess street.

Mills-Estey

A quiet and pretty wedding was solemnized last evening at the home of the officiating clergyman, Rev. Dr. D. Hutchison, when Arthur T. Estey was united in marriage to Miss Elsie E. Mills, of Advocate Harbor, Cumberland County, N. S. Only immediate friends were present. The young people will reside on Kennedy street.

Parent Units For New Brunswick

Expected 26th Will be Parent Body in New Brunswick for Infantry; 3rd Canadian Regiment for Artillery, and 6th C. M. R. for Cavalry.

No definite information regarding the organization of the provincial militia into a regular peacetime status will be available until the military officials from Ottawa, who were here Tuesday and yesterday, have completed the circuit of Canada and gleaned first hand the necessary information from which appointments will be made and unit strength ascertained.

It is understood, however, that all infantry units in the province, which were formerly the 82nd, 87th, 71st, 73rd and 74th Battalions, will be reformed with the famous Fighting 25th Overseas Battalion as the parent body, and in the same manner, the different artillery units will have the 3rd Regiment of Artillery as their parent body, and the 6th Canadian Mounted Rifles, which served overseas, will be the parent organization for the 8th Princess Louise Hussars and the 8th New Brunswick Dragoons. The Corps which will be under its former system, and it is expected that a provincial machine gun unit will be formed.

All matters which were taken up before the visiting officials by the local officers were of an informal nature than anything else, as no definite action will be taken for some time. Opinions as to how the reorganization should be worked out were obtained from the various authorities and it is expected that many of the suggestions will be acted upon.

The headquarters staff, including Major-General Sir E. W. B. Morrison, Major-General Gwatkin and Brigadier-General McNaughton, left yesterday for Halifax to take up the same matters there. From Halifax they will travel to Charlottetown, and then to Quebec, Kingston, London and the West. Not until all centres have been visited and the matter fully entered into, will any definite steps be taken. It has been decided, however, that any unit which served overseas will have the precedence over the former militia bodies as far as right to uniforms and seniority is concerned.

DELIVERED MOST FORCEFUL MESSAGE

Rev. Dr. Rees Preached to Another Large Audience in the Carleton City Hall Last Evening.

Preaching from Matthew xxv. 46, Rev. Dr. Rees delivered one of the most forceful messages of the campaign at the Carleton City Hall last night. Asking his hearers where they would spend eternity, the speaker pointed out that it is possible to measure the vastness of eternity, and to number the sands on the shore one by one, but that it is impossible to calculate the numberless years that are embraced by the word eternity. The question of the hereafter is not a sentimental one, but is a live, personal issue, and it is a wise man who will prepare for the inevitable.

Mrs. Rees, in her usual capable manner, conducted the musical programme of the evening. The series of sermons will be continued all this week.

Y. W. P. A. meeting tonight at Seaman's Institute. Book shower for sailors, musical programme.

THE ANNUAL PAY
The culmen of the Fire Department were happy yesterday when they called at City Hall and received their annual pay. The total amounted to \$23,307.22, made up as follows: District engineers, \$200; foremen, \$240; firemen, \$225. The full amount of the payroll, however, will not be handed over to the men, as there is a deduction of nearly \$3,000 for taxes.

The members of the Firemen's Relief Association met last evening for the purpose of paying their annual assessment and another meeting will be held shortly for the purpose of electing officers and conducting other business.
