GEO. FRED. CAMPBELL. Post Master.

Surrissonan Bedfrer—The following passage is from the report of the select committee of the House of Representatives, on the bequest of James Smithon, for the earth of the select committee of the House of Representatives on the bequest of James Smithon, for the earth of the select committee of the House of Representatives and institution at Washington, 'for the earth of the select committee of the House of Representatives and institution at Washington, 'for the earth of the select common met,' prepared by Mr. John Quincip Adams. It recommends the acceptance of the family of the Percys, seamed, by an earth of the State of Market Parliament, that names and under it—becames the parliament, that names and under it—becames and the parliament, that names and under it—becames and the parliament, that names and under it—becames the parliament, that names and under it—becames the parliament that the parliament tha

attended to that duty and had received an anout of the County, therefore a non-resident were. His Excellency's answer stated that he could not comply with their request to the full extent, as some circumstances in it were now under the consideration of the House of resident might have taken up his abode. He Lords, and therefore not under his control; was therefore of opinion that the Corporation but he would cause to be laid before them, a only should be liable. To make stock-holders statement of the amount and expenditure of individually liable, would involve difficulties the Casual Revenue.

Thursday Jan. 28.

On motion of Mr. Hill the House went into a Committee of the whole, to consider the bill for incorporating the St. Stephen's Fail Road

Commany and on the conservation of one drawn by the Attorney-General in the Charter, merely because it was a transcript of one drawn by the Attorney-General in the conservation of the conser Company, and on the question of limimiting the responsibility of Stockholders, some difference of opinion arose.

Mr. Robinson would make them liable for all debts its produce a quick return. Rail Roads On makes a Command of the responsibility of Stockholders, some difference of opinion arose.

Mr. Robinson would make them liable for all debts its produce a quick return. Rail Roads On makes a Command of the responsibility of Stockholders, some difference between Banking poned. all debts, like private individuals, It was the contract with the Rail Company, is a volun- to incorporate the St John and St. Croix Ri-

SMITHSONIAN BEQUEST .- The following dertakings, growing out of a spirit of enter- double the amount of their stock. The Com- If the United States market were open to the oned. The opening of the canal would afford

the. Campany:

the same opinion with the hon gentlemen from \$\(L\) John, because in the refere between Companies of this kind and barks. Enterprises of this description between Companies of this kind and barks. Enterprises of this description allow to that house. There would be no doubt a great deal of excitement and expectation, resided by these Joint Stock Companies, but by and by, when the bub ble would burst, we would be held responsibility.

Mr. Caranic, in the course of his remarks on the subject, said Rasil Roads were great national undertakings, wonderfully calculated to benefit the country, whose valuable resources with the public safaty. He thought it was their duty to extend to them every privilege; their work of the public safaty. He thought it was their duty to extend to them every privilege; their work of the public safaty. He thought it was the protect the member from glocucester, who seemed to protect the stockholders, so a protect of the country and the public safaty. He thought it was their duty to extend to them every privilege.

The same saws as sustained by the decay of lumber to duty to pass the bill.

Mr. Particlow said, it might be intered from the duty to pass the bill. Mr. Particlow said, it might be intered to convey to the want of Nari-back and hon, gentlemen the duty to pass the bill.

Mr. Particlow said, it might be intered from the duty to pass the bill.

Mr. Particlow said, it might be intered from the duty to pass the bill.

Mr. Particlow said, it might be intered sate that the earnal would not oppose it. It was were shed that the canal would not force the whole time, owing to the want of Nari-back and hon, gentlemen the duty to pass the bill.

Mr. Particlow said, it might be intered subty to associate the duty to pass the bill.

Mr. Particlow said, it might be indered the duty to pass the bill.

Mr. Strate thought the earn was

the increase and diffusion of knowledge as mong men, and a wreath of more unfading bring string into existence and creating a hum of would be sufficient protection for the public.

The word of tradition—history and the name of Smithson, than the united hands of tradition—history and percently brighted around the name of Smithson, than the united hands of tradition—history and percently brighted around the name of Smithson, than the united hands of tradition—history and percently brighted around the name of Smithson, than the united hands of tradition—history and percently brighted around the name of Smithson, than the united hands of tradition—history and percently brighted around the name of Smithson, than the united hands of tradition—history and percently brighted around the name of Smithson, than the united hands of tradition—history and percently brighted around the name of Smithson, than the united hands of tradition—history and brighted around the name of Smithson, than the united hands of tradition—history and brighted the property of a stockholder should be taken for the debts of the corporation, looking that the Charles around the name of Smithson, than the united hands of tradition—history and that the will oppose at arrettical one. That expression reminded him to bright the property bright the property bright the property bright the tradition history and that the company. We ask transcript of one drawn by the Attorney General.

New Brunss opposed the bill and words the property bright the said that the hom, member for St. John and the river St. John is the national tradition—history and that he will oppose at arrettical the property of stockholder should be sufficient protection to the public. When the undertaking of the most ardulus said that the hom, member for St. John and the united hands of tradition—history and that the will oppose at a reversition of the find the property bright the sufficient property bright the sufficient property bright the sufficient property bright the sufficient propert

on general utility would be no security to the public.

Mr. Chandler hoped at least that the Law would be of such a plain construction as to be understood by the Public.

Mr. John ston would refer the subject to a select committee. Let us suppose (said Mr. J.) that the company went into operation with only five or ten per cert of the Capital Stock paid in, and that they failed after having expended all this money, the value of the road would afford no protection to the community.

The Chaitman now reported progress, and the further consideration of the bill was postthe further consideration of the timber to market. He agreed with the mover of the
bull that it would improve the country, and
ber which seemed to invade the rights of his consating to market. He agreed with the mover of the
bull that it would improve the country, and
ber which seemed to invade the rights of his constituents. The object of the bill was to give
the privileges of navigation to a very great
portion of the province suffering much loss
and inconvenience from the impossibility of
sating to market. There were
the would afford no protection to the community.

The Chaitman now reported pro

duty of the house to protect the public against the with them for the purpose of such speculations.

Mr. Exc was of the same opinion with the Mr. Particles did not wish to sanction the Mr. Hitter in his explanation of the principles.

Mr. Taylor in the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I distribute the consequence. Even if the bill should circumstance would be evaded, the Mr. Exc was of the same opinion with the Mr. Particles did not wish to sanction the Mr. Hitt. in his explanation of the principles.

Mr. Hitt. In his explanation of the principles and the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge would be evaded, the Mr. Hitt. In his explanation of the principles.

Mr. Hitt. In his explanation of the principles and the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge would be evaded, the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge would be evaded, the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge would be evaded, the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge would be evaded, the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge would be evaded, the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge would be evaded, the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge would be evaded, the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge would be evaded, the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge would be evaded, the command the lumber at St. Stephens or Callais they had a right to do so and let St. John I discharge wou Mr. Exo was of the same opinion with the Mr. Partition did not wish to sanction the Mr. Partition did not wish

could be effected without any danger or inHe was disposed to be as liberal as possible convenience to the public safety. He thought towards enterprises of this nature, which it was their duty to extend to them every priscould not proceed without a considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and to protect the stockholders of the considerable devices and the as it could be effected without any danger or inconvenience to the public. It was the duty, the undertaking and many who did not channel through which a great province. It was the duty, the undertaking and many who did not channel through which a great province. It was shewn that it would be a narrounder to the hon mover would go to a regiments of the hon mover would go to the cause the Americans were partly integrated to Woodstock, and by that means to open a show that it would benefit all parts of the province. It was shewn that it would be a narrounder to the hon mover would go to do would not proceed without any analysis of the hon mover would go to do would not proceed without any analysis of the hon mover would go to do would not proceed without any analysis of the hon mover would go to do would not proceed without any analysis of the hon mover would go to do would not proceed without any analysis of the hon mover would go to do would not proceed without any analysis of the hon mover would go to do would not proceed without any analysis of the hon mover would go to do would not proceed without any analysis of the hon mover would go to do would not proceed without any analysis of the hon mover would go to do would not proceed without any analysis of the hon mover would go to would not proceed without any analysis of the hon mover would go to would not proceed without any analysis of the hon mover would go to would not proceed without any analysis of the hon mover would go to would not proceed without any analysis of the hon mover would go to would not proceed without any analysis of the hon mover would go to would not proceed without any analysis of the hon mover would go to would not proceed without any analysis of the hon mover would go to would not proceed without any analysis of the hon mover would go to would not be an arrounded to would not consider the hon mover would go to would not be a narrounded to would not w of every Legislature, and particularly in new assist in it, would term it a monopotimber that now comes down the river would were lost to the Province by the decay of lum
