It took about we hours for the graphel decades of centuries ago. The moon revolves case it is clear that the Christian needs strength they are struggling into the kiegdom. "The means of the conversion of reach bottom, but we and tell when it struck, on its axis, indeed, but it revolves around the -a strength not to be found in himself, but only kingdom of heaven suff seth viol-res, and the ber, all in this Circuit. Walkam Shaw Kama, I often went to the bow, and sat on the rope, and earth also, and in just the same time. Walk in the Lord, who is evenlating strength. What then are the conditions or means by which this strength is to be obtained? First, when the meeting was closed, about sevenly souls and lead on those who have found Christ, and when the meeting was closed, about sevenly souls and lead on those who have found Christ, and ber, all in this Circle. Whint is ber what and is ber with the graphel was could feel by the quiver that the graphel was around the centre-table, keeping your face to-dragging on the better was ward it all the time, and you complete a revolu-tion round the table and a revolution of self at the table and a revolution of self at

Preachers is wonderful, and they are six times as efficient as they were before. As an instated as efficient as they were before. As an instance, of their zeal, I may mention that Davis Ndwarga went out to a heathen villege, accompanied by some ten or twelve men, and they fremained at that one village, preaching and praying, praying t and preaching, almost night and day, for a week.

Great thoughts of the invisible communication will soon fail, if forced to contend with both one have be chopel, and then a state was I have not heard the result as yet; but I believe hooked the cable, and then a state was I have not heard the result as yet; but I believe many of the heathen-were quite overcome, and night Sunday morning when we got it on board. ways in the same place. When they passed beby it, and still, as we view it, we may gather fresh lessons from its teaching. Prayer has been called the telegraph line from earth to heaven Is not the invisible filly typified by the visible, which seems itself only in part a thing of sense. which seems itself only in part a thing of sense, an object occupying the boundary line between the visible and the invisible? Should not every sceptic stand rebuked when he receives a mes-sage over these wire? He believes in the message just received from a distant city, but he does not helive in the sense to a long and message instreactive from a distant city, but he does not helive in training. Yes a wond the many could be ships, and in the boundary line between the notice from a distant city, but he does not helive in the sense to a long and he does not helive in training. Yes a wond the many could be ships, and in the boundary line between the source from a distant city, but message just received from a distant city, but come an athlete, he must concent to a long and mandments, so simple, so fresh, and withal so lor's equicion. He was delighted with Charles, voices of the efficers in command were beard this side. It must be a fine sight if they do; bears are required to deve. powerful, that the impression made on the minds and Joseph, and others, and eaid, "Those are giving orders. shaped cavities is beyond credibility. There must have been convulsions there to which

earth has always been a stranger. And when we consider that there is a slight attraction of gravitation to topple down these slender mountains, that there is no frost or wind to assist, it is no wonder that the surface appears unchanged from age to age. How about the weather? Some reople regard the moon as principally useful to influence

other side than it is this. This side is in effec

lowest level, would leave this entire side of the

the weather of this planet. They look forward to its "changes" as the beginning and end of storms. But the fact is, the moon has no changes at one time more than another. It no more changes when it "quarters" or "fulls" than when it is one hundred and ninety-niths, or passes any other fraction. It is no larger when "fuil" than when empty. And it is preposterous to pretend that the light of the full moon drives away clouds, when the light of the sun 300,000 times greater, cannot. The most accu rate observations, extended over forty years and kept on record, fail to give any evidence that the moon influences the weather to any perceptible degree.

LONDON, Nov. 27 .- The Fenian troubles in Ireland have assumed considerable importance, and there is no doubt that a serious outbreak has occurred. Two regiments of national troops were urgently ordered in Ireland yesterday af-

ternoon, and transports were being prepared all last night at Portsmouth. A large detachment of marines was also sent over to Queenstown from the war steamer Plymouth. A gun boat at

Chatham was ordered to sail for Queenstown immediately. Much alarm was felt at Cork and throughout Ireland generally. The London Times of this morning believes the Chief ortwo teaspoonfulls, taken at thirty minutes terval, in a wine glass full of hot water. I am against them. SOOTHING SYRUP For Children Teething. hich greatly facilitates the process of teething, by replenished by recent importations, and offered

ing the gumbs, reducing all inflammation vill allay ALL PAIN and spasmodic action, and is at lowest cash rates Sure to Regulate the Bowels. Depend upon it mothers, it will give rest to your-

selves, and Relief and Health to your Infants. We have put up and sold this article for over 30 years and can say in confidence and truth of it, what we have never been able to say of any other medicine—nevar has it failed in a single instance to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delight-ed with its operations, and speak in terms of high-est commendation of its magical effects and medial virtues. We speak in this matter "what we do know," after 30 years experience, and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen of twenty minutes after the

syrup is administered. This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NUR s in New England, and has been used with new John Bull, Harvey, Worcester, Lazenby's New Sauces. Bottled Pie Fruits, assorted. Candie THOUSA THOUSANDS OF CASES.

It not only relieves the child from pain but vigorates the stomach and bowels, corrects acid ity, and gives tone and energy to the whole sys-tem. It will almost instantly relieve

Griping in the Bowels. AND WIND COLIC,

and overcome convulsion, which, if not speedily remedied end in death. We believe it is the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa in children, we ether arises from teething or from any other cause. W anses from teething or from any other cause. We would say to every mother who has a child suffer-ing from any of the foregoing complaints—do not let your prejudices nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this modicine, if timely used. Full di rections for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, on the outside wrapper.

convinced that no other remedy has ever been devised so powerful as this, to combat and eradictate from the system that class of diseases to which reference is made above. Many of the Sarsaparillas in the market pos-

sess no medicinal properties whatever; they may be used as a medium in which to adminis-TO be sold at Public Auction on the premises, on Monday the 28th of November, if not ter some powerful drug, but of themselves are totally inert.

• O be sold at rubing function on the previously disposed of at private sale, the lot of land between the Wesleyan Chuich at Barington Head, and Dr. I. K. Wilson's, measuring in front about 150 feet, and fronts on the main Post Road Dr. Larookah's Sarsaparilla Compound cures disease, it purifies the blood, rejuvenates the system, and assists nature through her own and extending about that width about 150 feet back of grave yard, thence one half the lot between lands owned by Mr Elisha Atwood and Dr. I. K. channels to eradicate the corruption that breeds and festers within, Wilson. Terms mederate. Made known at time

Space will not permit the publication of cer-tificates of individual cures, but the following from gentlemen eminent in the medical pro-fession, must be sufficient to convince the most incredulous, that for "the faith that is in us"

we have the strongest foundation.

Dr. F. A. D'Voe, of New Orleans, La., writes that he has found Larookah's Sarsaparilla Compound a powerful alterative of uniform strength, THE Conference of Eastern British America in especially efficacious in Scrofula and all cutane -

sustaining in operation the Book Room, designs not merely to make it a paying concern, but also to ous diseases, and eminently worthy of adoption by physicians generally in their practice. render it an instrumentality for doing good as wide-Dr. Benj. F. Abbott, of Melrose, says: I have been in the habit of prescribing La-

ly as possible, by diffusing throughout the Low-er Provinces, and especially in Methodist circles A PURE AND WHOLESOME LITERATURE, rookah's Sarsaparilla Compound for two years with the most sstisfactory results. It will be and of this there is the greater necessity, because of the amount of noxious publications introducfound a remedy well adapted to cure Scrofula ed everywhere in the Provinces. The attention of the reading public is called to

and incipient consumption. It purifies the Blood, diverts humors from the ludge, and at the same time acts as a sure and permanent Tonic. Well Assorted

It will give good satisfaction whenever an Alterative and Purifying Medicine is required. Dr. H. W. Ford, writes from New York city : I find your Larookah's Sarsaparilla Compound the most valuable of the kind that has ever come under my notice. It is constantly used in my practice in cutaneous, mercurial and yphilitic diseases, with the happiest results. Prepared by, E. R. KNIGHTS, M.D., MELROSE, MASS.
