ED TO BE AT THE POINT OF DEATH.

A suspectable female, in the neighborhood of Loughall, was attacked with Typhus Fever, and lay for five days without has ing sasted any description of food. She was given over by the Surgeon, and preparations were made for het demise. Mr. Benjanin Machie, the Quaker, whose case is referred to above, heard of the circumstance, and knowing the immense benefit that he himself had derived from Holloway's File, recommended an immediate trial, and eight were given to her, and the same number were continued night and sorwing for three days, and in a very short time she was completely cured.

N. B.—From advise just received, it appears that Colomi Dear, who is with his Ragment in India, the Slat Faulicers, curth himself of a very had attack of Fever by these celebrated File. There is no doubt that any Fever, however maliganat, may be cured by taking, hight and morning, coptons doses of this fine medicine. The patient should be induced to drink plentifully of warm lineed to a plarley water.

Testimony of Mn. NATHAN MATHEWS. a highly respectable and wealthy citizen of Newark, N. J. DB. G. W. HALSEY:—I believe your Forest Wins and Pills have been the means of aaving my life. When I commenced taking them, I laid at the point of death, with Bropay, Piles, and Asthma. My Physicians had given me over as past cure, and my family had lest all hope of my recovery. While in this deadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine, and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Pilesand Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your Medicines until the pre-ent time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. I ascribe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can eheerfully recommend them to the public.
