WEDDING BELLS

KELLY-NICKERSON

A very interesting event occurred at Brighton, Digby county, Wednesday, when Katherine Mae Nickerson, youngest daughter of Geo Nickerson, became the bride of Stephen Hill Kelly, son of Mr. and Mrs. H. Kelly, of River Hebert, N. S.

The ceremony was performed in the presence of the bride's immediate relatives by the Rev. J. H. Copeland, of Weymouth.

The charming bride, who was gown-ed in white silk with lace draperies and carrying the bride's roses, at first entered the parlor on the arm of her father to the strains of the wedding march from Lohengrin, played by Miss Norma Korhouse.

Immediately after the ceremony, the wedding breakfast was served in the dining room of which the color scheme decorations were yellow and white. The bride's travelling outfit was of broadcloth with chic hat to match.

The happy couple left on their bridal trip through the valley by auto. The out-of-pocket expenses were considerable, including linen, cut glass, silver and checks amounting to over two hundred dollars.

Prominent among the gifts on the gift table was a beautiful French marble clock from J. L. Peters, of Digby, where the bride has been a valued employee for a number of years. The groom's gift to the bride was a fifty dollar cheque and to the pianist a dainty pearl pin.

Among the out of town guests were Mr. and Mrs. Kelly, of River Hebert; Mrs. Boyce, of Nappan; Miss Goucher, of Digby; Mrs. Nickerson, of Boston and Mr. and Mrs. Brown, of Port Maitland. The groom was formerly employed in the Digby branch of the Bank of Nova Scotia.

PORTER-TRIMPER
A very quiet wedding was solemnized at the home of Mrs. Margaret Trimper, Clementsvalle at ten o'clock on Thursday morning, June 24th, when her youngest daughter, Mary Lee became the bride of Mr. James Wilburn Porter, of Cannig, N. S.

Rev. J. W. Wright pastor of the Methodist Church of which the bride is a member officiating. Only a few of

Suburban Notes

ROUND HILL

Miss Bessie LeCain is visiting here.

Mrs. Susan Yewdale is visiting in Clementsvale.

Mrs. C. C. Rice has returned from a visit in Yarmouth.

Road work has commenced on the Spurr road in this district.

Miss Freda Bishop spent Sunday, June 20th, with her father, Mr. R. Bishop.

Mr. and Mrs. H. Syda and family, of Digby, spent Sunday in this place.

Rev. Spurr, of Lequille, spent Sunday with Mr. and Mrs. Arthur Woodland.

Mrs. Israel Dukeshire, of Clementsvale, is visiting her mother, Mrs. Wm. Wright.

Miss Marguerite Greenslade, of Bridgetown, is visiting her mother, Mrs. Wm. Wright.

Doris L. Wagstaff is visiting her grandparents, Mr. and Mrs. John Todd, at Dalhousie.

Congratulations to Mr. and Mrs. Wm. Wright on the arrival of a daughter, June 14th.

Miss Etta Gordon, of Tupperville, visited friends in this place on Sunday, June 20th.

The dance given by Mr. Butler, in the hall on Saturday evening was greatly enjoyed by all.

Russel Spurr, who was injured by an auto on June 3rd, has returned from Halifax Hospital.

Mrs. James Primrose, of Bridgetown, was a recent guest of her parents, Mr. and Mrs. Andrew LeCain.

Mr. Hubert Spurr and son, of Lequille, spent Sunday, June 20th, with his sister, Mrs. Arthur Woodland.

Miss Lucille Bancroft, who has been visiting Mrs. Joseph Bancroft for a few weeks, has returned to Lawrencetown.

Mrs. T. B. Flint and Mrs. Rogers, who have been visiting Mrs. C. C. Rice, have returned to their home in Yarmouth.

On Thursday evening, June 17th, there was an ice cream social, given by the members of the Episcopal Church. The sum of thirty-seven dollars was realized.

How is this for a trail load of timber. Mr. James Spurr sawed 3 sticks of timber June 14th which produced 780 feet of lumber, hauled by Mr. Lloyd Woodbury, of Tupperville, one load.

The burial took place June 12th, in Round Hill Cemetery, of Mrs. James McDormand, of Carleton's Corner. She lived here many years ago, and was highly respected by all. The services at the grave were largely attended by the people of this village.

BELLEVALE

Mr. and Mrs. James Gesner and son were guests of his mother, Mrs. Wm. Y. Gesner, during the week.

Mrs. Robt. McKay, of Middleton, was a recent guest of her mother, Mrs. S. F. Wade.

Mr. and Mrs. Caleb Sarty spent last Sunday at the home of Mr. and Mrs. Alex Fraser.

Mrs. Kenneth Taylor (nee Ruth Young) spent a few days with her parents, Mr. and Mrs. Joseph Young, last week.

Mrs. W. G. Bauld, accompanied by friends from Halifax are at the "Bungalow" for a few weeks.

Miss Kathryn Fraser spent the week end at the home of Capt. C. W. and Mrs. Collins.

Mr. John Brooks, of Centrelea, is making some improvements on the residence of Mr. Clifford Bent.

Miss Francis Troop has accepted a position as clerk at W. W. Chesley's.

Misses Jennie and Muriel Parker entertained at a "Croquet Party" June 16th from 4 to 8.30 P. M.

Mrs. C. W. Collins, Miss V. Collins and Miss L. Hardy, accompanied by Mrs. Alex Fraser, motored to Round Hill on June 18th and were guests of Mrs. E. E. Saunders. Mrs. K. Fraser returned with them.

Rev. C. L. Snow, Provincial Organizer of G. D. Sons of Temperance, is touring the valley with an Illustrated Lecture. He has handsome electric light views. Was at Upper Granville Hall, Friday, June 25th. It appeals to all lovers of Scottish History.

HAMPTON

On Sunday evening June 6th our pulpit was occupied by Rev. McCloud of Wolfville.

Miss Hilda Mitchell recently visited her friend Miss Muriel Allen at Morse Road.

Miss Florence Foster is visiting at the home of her brother Charlie Foster, Middleton.

Mr. Harold Chute, of Centerville, Digby Co., spent the week end with his mother, Mrs. Emily Chute.

Mr. Prescott Whitefield and friend Mr. George Dalpina made a short visit to the former's home last week.

Master Borden Foster is the happy possessor of a very nice bicycle a present from his father Mr. Herbert Foster.

We tender our sincere sympathy to Mrs. Janet Marshall in her recent sad bereavement in the loss of her only daughter.

Mrs. Stairs Benjamin returned to her home in Dartmouth on Saturday last after a pleasant visit spent with her parents, Mr. and Mrs. John Titus.

Mr. and Mrs. Seymour Ward, Mr. and Mrs. Percy Baker from Tremont were guests at the home of Mr. and Mrs. Norris Mitchell, on their honeymoon.

NORTH WILLIAMSTON

Mrs. Mary Ann Chertlon is visiting her daughter, Mrs. Arthur Wheelock, of Clarence.

Deer seems quite plentiful around here, five having been seen within the last few days.

Mr. and Mrs. William Gate, of Paradise, spent Thursday with Mr. and Mrs. William Bent.

Mr. Joseph Annis and men, of Nictaux Falls, have made a great improvement in roads during the past week.

Among the recent guests at the home of Mr. and Mrs. Outhit White were: Mr. and Mrs. John McCluskey, of St. John, Mr. Fred Farnsworth, sister and mother, of Hampton.

Mrs. Lizzie Schurman and little daughter, Mrs. Howard Anderson, and Misses Ruth and Annie Anderson, and friend, of Bridgetown, were recent guests at the home of Mr. and Mrs. Oliver DeLaney.

ENCOURAGING TO APPLE GROWERS

(Berwick Register)

It is altogether too early to predict what might be expected regarding prices for this year's fruit yield, but at the same time it might be encouraging to apple growers in this Province to know that a prominent Valley fruit broker, while in Berwick last week contracted with one of the local fruit houses for the purchase of 15,000 barrels of 1920 fruit at the following attractive prices: Kings, \$4.50 to \$3.00; Golden Russets, \$4.25 to \$2.50; Gravenstein, Ribston and Blenheim, \$3.75 to \$2.00.

An English chemist advertised a patent concoction labelled: "No more colds! No more coughs! Price is 1 1/2 d. A man who bought the mixture came in three days to complain that he had drunk it all, but was no better. "Drunk it all!" gasped the chemist. "Why, man, that was an India rubber solution to put on the soles of your boots!"

PALE AND WEAK WIVES AND MOTHERS Can Regain Health and Strength Through Dr. Williams' Pink Pills

Many women who have a good color in their girlhood grow pale and colorless when they become wives and mothers. When the fading color in the cheeks and lips is accompanied by a loss of brightness in the eyes and an increasing heaviness in the step, the cause will be found in the state of the blood.

Many causes contribute to the condition of the blood known as anaemia. Overwork in the home, a lack of outdoor exercise, insufficient rest and sleep, improper diet—these are a few of them. The important thing is to restore the blood to normal, to build it up so that the color will return to cheeks and lips, brightness to the eyes and lightness to the step. Dr. Williams' Pink Pills are the great blood builder and nerve strengthener. They begin with the very first dose, and through a fair use make new blood that carries health and strength to every part of the body. The appetite increases, digestion becomes more perfect and ambition returns. The case of Mrs. Wm. McNish, Abbott Street, Brockville, proves the value of Dr. Williams' Pink Pills in cases of this kind. Mrs. McNish says: "I was quite young when I married and in raising my family I became all run down and a nervous wreck. I became so weak that I could hardly walk across the floor without sitting down to get my breath. I slept poorly and at times my nerves would twitch so that I could not keep still, and I was in constant misery. I tried many medicines but they did not help me; indeed my condition was growing worse, until one day a friend told me she had been in a somewhat similar condition and had been cured by Dr. Williams' Pink Pills, so I decided to try this medicine. After the use of a couple of boxes I felt they were helping me. My appetite was better and I slept better. By the time I had used half a dozen boxes I felt like a new woman, my health had fully returned and I could do my housework with ease. In view of what Dr. Williams' Pink Pills have done for me I cannot recommend them too highly."

The best time to begin taking Dr. Williams' Pink Pills is the moment you feel the least bit out of sorts. The sooner you do the sooner you will regain your old time energy. You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50, from Dr. Williams Medicine Co., Brockville, Ont.

LOWER GRANVILLE

Miss E. A. Betts returned from Deep Brook last week.

Mrs. Mary Farnsworth, of Lynn, Mass., is visiting her daughter, Mrs. Robt. McKenzie.

Mr. Walter Hudson and Mr. and Mrs. Parrott, of Massachusetts, are guests at River View Cottage.

Mrs. Gilbert Ray and little son, of Passaic, N. J., arrived on Wednesday to visit her parents, Mr. and Mrs. Wm. Robblee.

A number of friends gathered at the home of Miss Amy R. Litch the 19th inst and tendered her a novelty shower in honor of her wedding, which took place the 17th. The evening was spent in games and refreshments were served. Many nice and useful presents were received.

HAMPTON

Mr. and Mrs. Ralph Chisholm, of Granville Ferry, motored to Hampton on Wednesday to attend the Brooks-MacFarland wedding.

Miss Bertha Neaves returned to Wolfville via Saturday's express after a week's vacation with friends in Port Lorne and Hampton.

Miss Jennie Borden, of Port Lorne, and Mr. Chester E. Hall, of St. Croix Cove, spent Sunday at the home of Mr. and Mrs. John F. Titus, Hampton, N. S.

Mrs. Stairs Benjamin returned to her home in Dartmouth via Saturday's express, after a few weeks' vacation with her parents, Mr. and Mrs. John F. Titus, Hampton, N. S.

Of interest to Farmers

THE RAISING OF SHEEP

In introducing the estimates for his department of the House of Commons the Hon. Dr. Tolmie, Dominion Minister of Agriculture, pointed out the fact that in Australia there are no fewer than 80,000,000 sheep, in the United States 40,000,000 in Great Britain 27,000,000 and in Canada only 3,500,000. As shown in The Agricultural Gazette of Canada for May efforts are being made in all the provinces to remedy this state of things. That is to say encouragement is being given to the raising of sheep in a variety of ways, by pure bred rams being distributed or sold on easy terms, by the holding of competitions, at which generous prizes are given for the best ewes and for the best flocks, by obtaining the highest price for wool through the Departments, and through the Canadian Co-operative Wool Growers' Association, by organized sheep sales and as in Ontario in particular by placing flocks on a share basis. Amended legislation has also been passed for the protection of sheep from dogs. As a sample of the good work that is being performed it might be mentioned that in Saskatchewan, in the last four years the amount of wool consigned to the co-operative branch of the Provincial Department of Agriculture increased from 179 consignments, weighing 69,404 pounds for which the average price realized 17 1/2 cts. to 916 consignments, weighing 394,068 pounds at an average price of 61 1/2 cts. per pound. The articles in The Gazette would imply that what has been done in Saskatchewan is also being accomplished in the other provinces of the Dominion.

OTHER ORCHARD PESTS

A related insect, the Orchard Tent Caterpillar, distinguished from the former by its habit of making a tent in the fork of a limb and in appearance by a yellowish stripe down the back in place of the row of spots, is also much in evidence this season. It may be destroyed in a similar manner or by cutting out and burning the tents, or by burning out with a torch when all the caterpillars are inside.

The "Canker Worm" a looping caterpillar, at first green in color, later turning to black, is also the cause of much complaint some seasons. Not only has it stripped many orchards of their leaves, but also such wild trees as oaks and maples. Light infestations are easy to handle if taken in time, 2 pounds of arsenate of lead to 40 gallons being sufficient in such cases if applied before the blossoms open. In cases of heavy infestations or when not taken in time, 4 or even 5 pounds to 40 gallons must be used.

Such outbreaks as the foregoing are liable to occur until spraying with poisons becomes a part of the regular farm practice. Arsenate of lead is the safest poison for general purposes. The cheapest at present is arsenate of lime, which however, should not be used alone on apple foliage, but only in conjunction with Bordeaux mixture or with five times its weight of water slaked or hydrated lime. Arsenate of lime can be safely used on potatoes or other truck crops. Farmers in outlying districts should get their local dealers to keep these poisons. Paris green is not recommended for use on fruit trees.

GROW YOUR OWN CLOVER SEED

We all know of the difficulty experienced this season in securing clover seed even at the high price asked. The indications are that the shortage in clover seed will continue for some time and it will be not only wise but profitable for farmers to cut a portion of their best clover stand early to secure a good second crop growth for seed in the fall. Every farmer is doubtless in a position to set aside one acre for this purpose, and this should return 100 to 150 pounds of number one seed, worth at prevailing prices from \$75.00 to \$110.00.

To be sure of proper ripening before frost the cutting should be made not later than June 25th. This will give a good crop of prime quality hay and should return the above yield in seed this fall.

The second crop clover last season at this station in spite of the unfavourable fall for curing turned out 1800 pounds of seed.

This is an important matter, therefore, do not let opportunity go by for making sure of a clover seed crop. Besides this, it is a nice return from one acre of land.

WOOL CLIPPINGS

The wool growers of Nova Scotia will be on the alert this year to take advantage of the best marketing facilities. Last year those who sold through the Canadian Co-operative Wool Growers, Limited, realized on the average about 40% more than those who marketed in the old way. No doubt a like gain will be recorded this year. There are receiving stations for this organization at Port Hood, Antigonish and Truro.

The Lady Downstairs—"My husband was telling me that your husband has gone into the moving picture business."

The Lady Upstairs—"Yes; we are spring-cleaning, and I've asked him to change the pictures round."

MORSE'S TEAS

FREE OF TERRIBLE KIDNEY TROUBLE

After Three Years of Suffering, "FRUIT-A-TIVES" Brought Relief

MADAME HORMIDAS FOISY

624 Champlain St., Montreal.

"For three years, I was ill and exhausted and I suffered constantly from Kidney Trouble and Liver Disease. My health was miserable and nothing in the way of medicine did me any good. Then I started to use 'Fruit-a-tives' and the effect was remarkable.

I began to improve immediately and this wonderful fruit medicine entirely restored me to health. All the old pains, headaches, indigestion and constipation were relieved and once more I was well.

To all who suffer from Indigestion, Constipation, Rheumatic Pains or great Fatigue, I advise the use of 'Fruit-a-tives'."

Madame HORMIDAS FOISY.

50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

Wife (in Tyrhans, of Christiania, Norway)—But, Hansen, if you always long for me when you are away from me, why must you go every evening to your club as you do? Husband—Because otherwise I might cease to long for you!

Important To Nova Scotia Farmers Plan to Grow Clover Seed This Year.

While many farmers in Nova Scotia were paying from 65 to 90 cts per pound for clover seed this spring others had their own which they grow at small expense, thereby saving themselves a substantial cash outlay and also providing themselves with an ample supply of clover for all their needs. Many more should plan to grow their own clover seed.

The best way to grow clover seed is to cut the first crop of clover about June 20th to 25th. The second crop will thus get an early start and will in all likelihood produce a good crop of seed to be harvested in Oct. Sometimes a satisfactory crop of seed may be obtained by allowing the first growth of clover to thoroughly ripen but it will not be as clean and generally not as heavy as the yield from the second growth. The farmer who cuts his clover so early in the season will get a fair amount of fodder and when he has added to this the straw from the second crop he will get almost as much fodder for feed purposes as if he had cut his crop in the ordinary way and he will have his valuable clover seed to the good.

A farmer in Antigonish County, Nova Scotia cut one half acre of his clover on June 25th 1918; he harvested from this half acre in the fall 215 pounds of clover seed of prime quality. Some of this he sold at eighty five cents per lb or at the rate of \$365 per acre. Half the yield he obtained would have been a very profitable return for his work. Many other farmers in Nova Scotia could do as well as this Antigonish farmer.

In respect to threshing this clover the Department of Agriculture who annually operate one clover thresher in various parts of the Province and who have bussed two other clover threshers one in Kings County and one in Pictou County. The Department is also trying out a small easily portable machine which will handle the clover after it has been put through an ordinary grain threshing machine. Thousands of dollars could be saved by farmers in Nova Scotia and thousands of dollars added to the fertility of the soils of Nova Scotia if many more farmers would copy an example of the foregoing Antigonish farmer.

DIRECTIONS FOR THE MARKETING OF WOOL

Those who wish to take advantage of co-operative marketing facilities for their clip should note the following facts. Receiving stations have been arranged for at Port Hood, Antigonish and Truro. The men in charge at these points, to whom shipments should be addressed are: D. F. Fraser, Port Hood, Dr. Hugh McPherson at Antigonish and L. W. Black at Truro.

The very first step to be taken is to secure from Mr. Black, Agricultural College, Truro, paper twine for tying up the separate fleeces. This comes at 40 cts per lb, plus postage, being sufficient to tie the 40 fleeces. Freight charges are paid by the receiving station and deducted from the final remittance. Twenty cents per lb will be remitted on receipt of wool, the balance to be paid when the wool is graded. No guarantee can be given as to the final amount, but it will be remembered that the Canadian Co-operative Wool Growers, Limited, last year paid on an average about 40% higher prices than the ordinary dealers.

Any person desiring further information would do well to write to the Agricultural College, Truro. The above receiving stations will be ready to accept shipments from June 15th to July 15th.

Nova Scotia last year sold 111,377 lbs of her wool clip through the Canadian Co-operative Wool Growers, Limited. Of this amount, almost as much as the two other Maritime Provinces put together, marketed through this organization, only some 8,000 lbs fell below the highest quality. This is a fine record.

HARD TO REALIZE SHE'S SAME WOMAN

Mrs. McClanahan Brimful Of New Life and Energy Since Taking Tanlac

"I have not only gotten rid of a severe stomach trouble of nine years standing since I started taking Tanlac, but have gained ten pounds in weight and am still gaining," said Mrs. D. McClanahan, Green Bay, B. C., recently. "Before I started taking Tanlac," Mrs. McClanahan continued, "I was so weak I could hardly get about and my appetite was so poor I had no relish for any kind of food and just had to force down every mouthful. When I did manage to eat a little something it began to ferment almost at once, I would have intense cramping pains in the pit of my stomach and gas would form and press against my heart until it palpitated dreadfully. I suffered with such severe headaches nearly all the time they almost made me desperate, and at times I became so dizzy it was all I could do to stand on my feet. Then, too, I was extremely nervous so the least little noise would completely upset me. Why, I could not even stand the rustling of a newspaper and it was just impossible for me to get a good night's sleep, as I would toss about all night long, and I always felt worse on getting up than I did when I went to bed. I was always troubled a great deal with constipation and had to always be taking some sort of laxative.

"But things are altogether different now, for since taking Tanlac I am completely rid of all my troubles. My appetite is simply wonderful and I can hardly eat enough to satisfy myself. I eat just anything I want without suffering any bad after effects whatever, I am never troubled with pains, gas or palpitation of the heart and have not had a headache or dizzy spell since I began taking Tanlac. My nerves are in such good condition I can sleep all night long as peacefully as a child and always get up feeling greatly refreshed. I am not troubled with constipation any more and have regained my strength to such an extent, and feel so good and am so full of life I can hardly realize I am the same woman. My husband, whose stomach was in every bit as bad condition as mine was, has gotten the same results from Tanlac that I have, and we both recommend it every chance we have. Tanlac is sold in Bridgetown by S. N. Wear and in Middleton by Clifford A. Mumford and in Bear River by L. V. Harris.

NOT TO BE BEATEN

An American gentleman spending his holidays in County Roscommon fell into conversation with Pat, who was feeding hens. "I guess, Pat, you haven't as good hens here as we have in the States."

"Perhaps not," said Pat. "I'll tell you," said the Yankee, "about a hen my mother had: 'She went out one day and ate a feed of corn and returned and laid twelve eggs. She went out on the next day and ate a feed of corn and laid twelve more eggs. She went out on the third day and ate more corn and returned and laid another twelve eggs."

"Now, that is the kind of hens we have in the States."

"Well," said Pat, "I'll tell you about a half blind hen my mother had. She ate a feed of sawdust thinking it was oatmeal. She went to her nest and laid a plank 12 feet long."

"She ate more sawdust next day, and laid another plank 12 feet long. She ate more sawdust the third day, and laid another 12 feet plank. She sat on the three planks, and hatched three kitchen chairs, a sofa, one table and a mahogany chest of drawers."

"Now," said Pat, with a twinkle in his eye, "that's the kind of hens we have in Roscommon."

PRINTING COSTS MOUNT

With paper, ink and other mechanical charges mounting and wages being repeatedly advanced the day of cheap printing seems to be rapidly passing.

Many country weeklies have raised their subscription rates from \$1 to \$1.50 and from \$1.50 to \$2 and this latter price is being readily accepted by the readers as a logical outcome of the trend of times.

A religious paper of one of the strong Protestant religions has recently notified the Church that if it is not prepared to stand behind and finance the paper, it will have to give up the struggle. Another Protestant church confesses that it loses \$20,000 a year on its publications in spite of a \$2 subscription price for the Church paper.

The cost of printing is becoming a serious matter.

Quarterly Meeting United Fruit Cos.

Decided to Establish Canneries and Vinegar Factories in the Valley

(Berwick Register)

The quarterly meeting of the Board of Directors of the United Fruit Company, Limited, opened at Kentville on Saturday. President Bishop was in the chair. The reports show that the affairs of the company are in excellent shape. There was a lengthy and enthusiastic discussion with reference to the establishment of canneries as well as vinegar factories in the Valley for the purpose of taking care of apples that are not strictly up to the Nova Scotia standard for shipment abroad. The Board of Directors unanimously adopted the proposition, and instructed General Manager A. E. McMahon to proceed accordingly.

BEFORE PROHIBITION

A farmer gave a printing office an order for Sale Bills. The job was promised for June 30th. The date being just before the prolonged drought started, the printer decided to take a few parting drinks. He took several. Then he happened to remember the bills that were promised for delivery that day and staggered to the office to get out the job. The farmer called for the bills, paid for them, took them home and the next day started to put them up. This is what he read when he came down to the list of articles for sale:

25 cows broke to work; 10 head of cultivators, coming in soon; 10 head of shovelling bars, with scoops by side; 8 piano mares, 120 rods of canvas belting better than new; DeLaval cow with ice cream attachment; McCormick binder in foal; Poland China bobbed due to farrow in April; 14 head of chickens with grass seed attachments in good working order; 2 J. I. Case riding helters good as new; Spraying outfit can be ridden by children; 15 hilly goats, 70 bushels capacity with spraying nozzle and other attachments; many other articles too numerous to mention, which I expect to get at night between now and the sale.

EXPERT ADVICE

The curate prided himself on his oratorical powers. He was describing the downward path of the sinner and used the metaphor of a ship drifting and going to pieces on the rocks.

A sailor in the audience was deeply interested. "The waves dash over her," bellowed the curate. "Her sails are split! Her yards are gone! Her masts are shivered! Her helm is useless! She is driving ashore. There seems no hope! Can nothing be done to save her?"

The sailor rose in his seat, his eyes wide with excitement. "Let go the anchor, you darn fool," he shouted.

HEALTHY CHILDREN ARE HAPPY CHILDREN

The well child is always a happy child—it is a baby's nature to be happy and contented. Mothers, if your little ones are cross and peevish and cry a great deal they are not well—they are in need of medicine—something that will set their bowels and stomach in order, for nine-tenths of all childhood ailments arise from a disordered state of the bowels and stomach. Such a medicine is Baby's Own Tablets. They are a mild but thorough laxative which regulate the bowels, sweeten the stomach, and thus drive out constipation, colic, indigestion; break up colds and simple fevers and make the baby healthy and happy. Concerning them, Mrs. Albert Hamel, Pierre-ville, Que., writes: "Baby's Own Tablets are the best medicine I know of for little ones. They relieved my little girl from constipation when nothing else would and I can strongly recommend them to other mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

The finest collection of live stock in Canada is kept at the Agricultural Farm at Truro.

Keep Them Growing

Children who are over-thin, listless or delicate, should take Scott's Emulsion regularly every day as an aid to growth and sturdiness. Nothing surpasses Scott's Emulsion as a tonic-nutrient for a child of any age.

WRIGLEYS

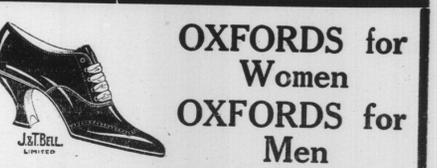

After a hearty meal, you'll avoid that stuffy feeling if you chew a stick of WRIGLEYS

Other benefits: to teeth, breath, appetite, nerves. That's a good deal to get for 5 cents!

Sealed Tight—Kept Right

—The Flavor Lasts—

OXFORDS for Women OXFORDS for Men

Oxfords or Low Shoes as they are sometimes called, are surely the "big noise" for this season's footwear. EVERYBODY is asking for OXFORDS and this store is right "on deck" with the goods.

I had a "hunch" this summer would be a big OXFORD season and six months ago orders were placed with the factories for such good OXFORDS as the "BELL" and "KINGSBURY" for women, "HARTT" and "DERBY" for men.

Black or Dark Brown are the "good ones." THE RUSH IS NOW ON OXFORDS Get your OXFORDS fitted in the correct size and width. This Better Shoe Service is obtainable only at this Store.

C. B. LONGMIRE The Home of Good Shoes

What Do You Wear On Your Feet?

Why wear SHOES that hurt when you can buy SHOES that won't hurt?

"It takes sixty-four muscles of the face to make a frown and only thirteen to make a smile"

COME-IN frowning and go away SMILING. We handle a large assortment of white wear; Oxfords and Pumps are very popular, goods arriving daily.

Our prices are right and we are at your service. LLOYD'S SHOE STORE Shoe Distributing Centre PHONE 52

Advertise in the MONITOR

The Weekly Monitor

ADVERTISING RATES—Advertising space is charged at the rate of \$1.00 per square (2 inches) for first insertion and 25 cents for each insertion afterwards. "For Sale," "To Let," "Place of Thanks," etc., not to exceed one inch are charged at 50 cents for first insertion and 15 cents per week until ordered out.

All remittances should be made payable to O. S. DUNHAM, Bridgetown

WEDNESDAY, June 30th, 1920

FAREWELL SERMONS

Rev. D. K. Grant preached a farewell sermon in the Bridgetown Presbyterian Church to a large congregation last Sunday morning. Mr. Grant is very popular in Middleton and Bridgetown and the best wishes of a host of friends accompany him to his new field of labor in Yarmouth.

THE RESULT OF NEWSPAPER ADVERTISING

Mr. A. de Friez, sales manager for the administrators for the estate of J. W. Beckwith placed a full page advertisement in last Wednesday's MONITOR stating that a special sale would commence in the Beckwith Store, Queen Street, the following morning at 10 o'clock daylight saving time.

WOMEN'S INSTITUTE NOTES

The Bridgetown Women Institute has taken advantage of the McGill travelling library offered by the Department of Agriculture to Women's Institutes.

A PLEASANT TRIP

Mr. Sanford has arrived at his home in Lawrence town after a pleasant motor trip. His friend, who accompanied him from Gloucester, Mass., to St. John, N. B., has returned.

BRIDGETOWN'S LIBRARY FUND

Circumstances having arisen to prevent the carrying out of the library plan of last autumn, it has been thought best to call a meeting of those interested, to discuss the questions of the disposal of funds already in hand.

A start has been made with the theme of the Canadian Government Merchant Marine for the apprenticeship of boys in the mercantile service.

Local Happenings

Stores will be closed as usual in Bridgetown Dominion Day.

Provincial nominations take place on Tuesday, July 26th and election on Tuesday July 27th.

Mr. Leslie R. Fain, architect, of Aylesford, is advertising for carpenters to go to Kentville.

Get out in the open and enjoy the fresh air. It's the only thing that's cheap just now.

To-morrow (Thursday) being Dominion Day, a public holiday, the MONITOR office will be closed.

Samuel Swift and Geo. Buckley captured a good size bear near their homes in Dalhousie last week.

Mr. Sam Weare, of Bridgetown has been appointed examiner for applicants for chauffeurs' licenses.

Prof. G. E. Sanders says the wet spell of June 2nd, started the apple orchards and orchardists to spray or dust at once.

Mr. Allen Parlee, of South Farmington, has purchased Mr. E. A. Hick's house on Washington Street and will take possession during the early autumn.

As the result of a drifting accident yesterday afternoon on Granville St. a horse belonging to Alph Pheasant was killed and two carriages badly damaged.

J. H. Hicks & Sons, Bridgetown have contracted to erect a house for Kenneth Pines, at Kentville, a Baptist Church at Woodville, and a warehouse for the Weston Fruit Co.

When prices reach the peak they're heading for, they'll likely be so dog gone tuckered out after their long climb that they won't be able to descend for years and years.

The W. M. A. S. of the Baptist Church will meet at the home of Mrs. White Peters on Tuesday afternoon at 3 o'clock.

A very successful pie social was held at Carleton Corner Thursday evening. The proceeds which amounted to \$58.72 will be devoted to the benefit of the Carleton Corner Baseball Club.

The Dalhousie Campaign Fund is growing steadily. Among the contributors with local affiliations are: Hon. E. H. Armstrong, \$400; Chief Justice Harris, \$250; Dr. V. L. Miller, \$100; F. W. W. Doane, \$50.

We wish to call special attention to the advertisement in another column in reference to Mr. W. A. Thruway, of Toronto, who will give a most interesting address in the Primrose Theatre next Sunday afternoon.

We wish to call particular attention to an item in another column in reference to a public meeting at the home of Mrs. R. R. Duncan this (Wednesday) evening. Read it, and if you are interested be sure to attend.

J. & G. McCormick have sold their property at Granville Centre to Mr. James Weir of Kingston who takes possession next March.

Fruit experts who have visited different orchards are firm in their belief that the prospects are bright for a good apple crop. The Gravensteins and early fruit has set well.

Mr. C. W. Fain, the well known architect who recently moved to Bridgetown from Alberta, is already receiving considerable Nova Scotia business.

As regards the marketing of small fruits, etc., the law now is that no person shall offer for sale any immature or diseased fruit under a severe penalty.

A PROGRESSIVE CITY

Mr. S. C. Hall, of Cleveland, Ohio, has our thanks for late copies of the Cleveland Press. The following paragraph which appeared in the issue of June 15th, will give our readers an idea of that city's rapid growth:

Cleveland area in 1910 was 42,728 square miles. It is now 56,554 square miles. In 1910 there were 684.37 miles of streets. This has increased to 938.43 miles in 1920.

THE CIRCUS IN DIGBY

No doubt a large crowd from Bridgetown and vicinity will take advantage of the special train service on the D. A. R. and attend the Hagenbeck-Wallace circus in Digby next Friday.

LIBERAL CONSERVATIVE CONVENTION

A Convention of the Liberal-Conservative party of Annapolis block, Bridgetown on Tuesday next, July 6th, at 2 o'clock p.m. to nominate candidates for the coming provincial election. Every polling district in the county should be represented.

LOCAL DEATH ROLL

ANNIE L. ROOP The Angel of death has again visited our county removing one of our bright young women, Annie L. Roope youngest daughter of the late Henry and Lorraine Roope.

The deceased had been ailing for several months, and was tenderly cared for by her life long friend, Annie Saunders. The physician advised a change of environment and the invalid was taken to the home of her only sister, Mrs. Elton Saunders, of East Dalhousie, N.S.

Of a cheerful loving disposition, ambitious, sympathetic and with an unusual amount of versatile executive ability, "Annie" was a born leader. Very early in life she professed faith in her Lord, and joined the Falkland Ridge Baptist Church. A consecrated worker in her Master's vineyard, for many years organized the church, a zealous Sunday School teacher, a member of the Women's M. A. Society and Mission Band a kind and loyal friend to old and young.

On June 20th after an impressive service by her pastor, Rev. H. Puddington, in the church at Falkland, she departed for her eternal home in the near-by cemetery. The many beautiful flowers testified to the love and esteem in which the departed was held.

Donaldson, of Bridgetown, to Bear River and back to Bridgetown, accompanied by Mrs. Edens, and Rev. P. C. Mellor, of Annapolis Royal. The visitors and Mr. Mellor had a common bond of sympathy in the fact that the latter had lost a son and Mr. Mellor's son had been well known to them in Newfoundland, where he enlisted in the Newfoundland regiment. After supper at Mr. Donaldson's, Mr. Edens was taken ill and was taken back to the hotel at Annapolis arriving about 9.30. Two physicians and Rev. Father Maskey were summoned, but he steadily grew sicker. Apoplexy is given as the cause of death.

JOHN H. SABINE One of the most highly respected citizens in Digby County in the person of John H. Sabine of Riverdale, is dead after a long illness. His death is the first break in the immediate family circle which is composed of his wife, formerly Miss Ring, of Barton, six sons and two daughters, Harold P. and Joseph W. of Riverdale; Leslie H., J. Bernard and Percy R. of Newport; Mrs. (Rev. H. C. Mullen, of Hartland, and Mrs. R. J. Way, of Widesway (Sask.); also one brother, Alfred L. of Weymouth North, and one sister, Mrs. Annie Fullerton, of West St. John. Mr. Sabine was sixty six years of age.

A GOOD ENTERTAINMENT One of the best local shows ever given in Bridgetown was "The American Girl" presented in the Primrose Theatre to a full house last Friday evening. It was given by local talent under the direction of Miss A. Munro, assisted by several from Annapolis and other surrounding towns and villages. The full list of the characters appearing in our issue of June 16th. The proceeds will be used by the Women's Institute in connection with the supervised play grounds.

Friday July 2nd is "Circus Day" at Digby. A special train leaves Middleton at 8 a. m. returning Leaverton at 10.45 p. m. stopping at all stations. See adv in another column.

Advertise in THE WEEKLY MONITOR. It Pays!

Says Knowledge of God Should be Advertised

By Rev. Dr. John Roach Straton, Pastor Calvary New York City Baptist Church.

The theory of honest advertising is that any one having a good commodity should give publicity to the commodity, so that those who need and desire it may know where and how it may be obtained. For this reason I contend that the churches ought to be the greatest advertisers in the community.

The churches believe that they have the most valuable thing in the world, namely, a knowledge of God and the way of everlasting life through obedience to Him. It follows therefore logically that we ought to advertise this valuable commodity in order that those who have it not may have their attention challenged to its value and desirability.

The reason why there is such an enormous amount of advertising done today is that the multiplied activities of our modern civilization make it necessary to put forth an effort to gain the attention of the people to anything.

The truth is especially applicable to the unseen and intangible and yet vitally important realities that lie in the realm of spiritual things. Unless the attention of the rushing multitudes in our busy age is constantly and earnestly challenged to the greatness of the church and the value of religion the higher things of life are in danger of being lost. The church, therefore, should be just as aggressive and active in advertising her wares and pressing her claims upon the attention of the world as any other institution or enterprise of today. Yes, she should be more so, because she is dealing with the most vital interests of life for time and eternity!

But, unfortunately, the children of the world are "wiser in their generation than the children of light."

For example, in all of our large cities the theatres employ press representatives to gather the theatrical news and to keep it always prominently before the people through the newspapers. In striking contrast with this enterprise is the fact the newspapers have themselves to employ men to obtain and present the news from the churches and the religious forces of the community.

If the church was as enterprising and aggressive as the theatre, this process would be reversed, and doubtless the results would be as beneficial to the church in its field as this publicity has been to the theatres in their field.

In what is here said I am neither commending nor condemning the theatre. I am simply citing the fact that that institution has shown more enterprise and wisdom than the church

in getting its wares before the people, and the results attained justify the policy adopted and the money expended.

People flock to the theatres today and leave the churches empty because, in part, the theatres have made a wise and intelligent bid for their presence.

With consummate skill they have used every channel of approach to gain the attention of the people and every seductive art to secure their attendance upon the playhouse. They make them bright and attractive in atmosphere, and they advertise, and ADVERTISE—on bill boards and in street cars and in newspapers and everywhere else that they can gain entrance; and it is not to be wondered at that they secure the following they desire.

They are to be congratulated—at least for their successful enterprise. And the churches should use as much money, judgment and skill to put themselves before the public. Instead of supinely drifting and complaining, the churches should put up an intelligent and man sized fight, and this will help spiritually to win over "worldliness."

The newspaper of today is a lineal descendant of the "town crier" of the olden times, and as he was supposed to announce everything of interest, including the activities of religion, so should the newspapers of today do the same thing.

Since the church has a good thing, let her not hesitate to advertise it to the world, and she will then not only attract to herself a larger following in this busy age, but she will command more fully the respect and confidence of the commonsense masses of humanity, through this illustration of her practical wisdom in using the forces of today, that are so successful in other fields to accomplish her own wise and noble ends!

NOT PLENTIFUL IN SOME TOWNS

A gentleman is a man who is clean both outside and inside; who neither looks up to the rich nor down to the poor; who can lose without squealing and win without bragging; who is considerate of women, children and old people; who is too brave, to lie, too generous to cheat, and who takes his share of the world and lets other people have theirs.

Yarmouth Times: Two motor cycle bicycles with side cars arrived this morning by S. S. Prince George. The owners were Chas Kenney and Verne Cassey, accompanied by two ladies. They left Jackson, Mich, last Saturday, and motored 1104 miles to Boston. From Yarmouth they motor to Gilbert's Cove, to visit C. W. Kenney, and from there they proceed to Disby, where they will take the boat to St. John and motor from that city through New Brunswick, Maine and Massachusetts, etc, back to Jackson.

Minard's Liniment Lumberman's Friend.

Health and Happiness

Women of today seem to listen to every call of duty except the supreme one that tells them to guard their health. Home duties, church duties, war activities, and the hundred-and-one calls for charitable enterprises soon lead women to overdo. Nervousness, headaches, backaches and female troubles are the inevitable result.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which, added to my weak condition, kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness. Health and happiness? Yes, I have both now."—Mrs. J. Worrall, 2843 North Taylor Street, Philadelphia, Pa.

The majority of women nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. Avoid them by taking in time

Lydia E. Pinkham's Vegetable Compound

APPOINTMENT OF A BEE EXPERT

An inspector for the Province of Nova Scotia under the "Foul Brood Act, 1916" has just been appointed in the person of Mr. Anthony Birch, B. S. Mr. Birch will assist in the administration of this Act, which has for its purpose the treatment and eradication of this serious disease of bees. Mr. Birch is a recent graduate of Macdonald College, where he specialized in apiculture and allied subjects. He has also spent a season as assistant to the Dominion Apiarist, Ottawa.

As the disease is confined almost entirely to the Valley, a determined effort will be made to treat all cases of Foul Brood early in the season. While it will be necessary for Mr. Birch to spend the greater part of his time in the Valley, it is hoped that ultimately, as time permits, his services may be available to growers in other parts of the Province.

One of the great objects achieved by the co-operative marketing of wool is the placing of a premium on the good fleece. There will be a margin of probably 20 cts per lb between prices paid for first quality wool and those paid for inferior grades this year. The main precautions the farmer take are good and regular feeding, pastures free from burrs, and the use of a rack for feeding hay in winter.

New Goods

I have just opened another lot of Men's & Boys' Suits which I am offering at very low prices. Also a new line of light Raincoats for summer wear.

When you are wanting anything in the line of Gents' Furnishings, give me a call and you will find I have what you are looking for.

If you feel like complaining about the luxury tax, stop and think what it might have been if Germany had won the war, instead of us.

HAIR DRESSER AND

High Cost of Railroading

At the annual meeting of the shareholders of the Canadian Pacific Railway, held in Montreal, Mr. E. W. Beatty, President of the Company, stated that the annual report reflected vividly the situation prevailing in respect of the increased cost of operation. The gross earnings were the largest in the Company's history, exceeding those of 1918 by \$19,331,362, 599,251. The large increase in working expenses showing a total increase since 1917 of \$38,152,706 is a striking example of the effect of the increased cost of wages and material in spite of the Company's conservative and economical administration. While it is gratifying that even with these exceptional costs the Company had during the past two years earned fixed charges and usual dividends, nevertheless the relation between earnings and expenses must now receive most careful consideration. The upward trend in costs of the last two years has not been equalized by increases in the gross earnings and operating economies. The extent of the rate increases fixed by the Dominion Railway Commission has not equalled the increased costs recently forced on all Companies. Between 1914 and 1919 the had climbed from \$87,338,000 to \$144,000,000, an increase of 64 per cent. Within the same period the increases in freight and passenger rates amounted in actual fact to 30 per cent. freight rates and 10 per cent. passenger rates. Thus during the past five years the percentage increase in operating expenses was double the percentage in tolls accorded to the Railway Companies.

Owing to the parity of conditions existing between the United States and Canada, the Canadian roads during the war had to accept the high wage scales made effective under Government control. American roads also to continue operating under similar tariff tolls. These tariffs were entirely inadequate as results in the United States clearly demonstrated. Recent legislation has assured American carriers of rates which will return fixed percentages on the value of the undertakings used in the public service. This will mean a reconsideration of and increase in the rates now current in the United States. No doubt the necessity of rate adjustments will be given earnest consideration by the Government and the Dominion Railway Board. Such readjustment is amply warranted both on the ground of the value of service rendered by the carriers and the cost to them of performing such service.

The rates in Canada should be determined having regard to the cost and value of services, and the legitimate needs of the railway companies. The properties of the Canadian Pacific are in excellent condition and at no time in its history has it been better equipped to perform its important public services or to play its full part in the advancement of the transportation future of Canada.

The irrigation project in Alberta has developed 642,526 acres by means of 3,969 miles of irrigation canals, at a construction cost of \$15,186,348 and operation costs of \$1,761,268. Success of the irrigation block will, it is hoped, lead to the extension of irrigation projects under Federal or Provincial Governments, thereby diminishing the danger of crop failure in irrigated districts.

The value of any enterprise depends on the ability to progress and on the maintenance of high credit necessary to the development. Railways must be enabled to keep pace with the progress of the country, by expanding the facilities, constructing necessary new lines and supplying the public with adequate efficiency and comfort in service. The railway net earnings of the Company for 1919 represent a return of only four per cent. on the actual cash investment in the railway itself. A nominal surplus of \$44,249 has been placed in reserve to meet the special taxation imposed by the Dominion Government. The fixed charges and interest on the preference stock of the Company are low and the dividend of seven per cent payable on the earnings in stock from the railway earnings is moderate. Any corporation conducting so extensive an enterprise must have reasonable surpluses. Yet the surplus after the deduction of the fixed charges and the dividends amounted to less than half of one per cent. of the gross earnings. Revenues, therefore, during the past two years were obviously inadequate. Rates should be established which represent a fair return for the service rendered. Profits earned by a Company's efficiency and economy and by the character and extent of the equipment and facilities, should not be confiscated, nor should the revenues accruing to one Company from service well performed be taken to supplement the revenue of a competitor less successful. The theory that the rates be not increased, but that the deficits be met from general revenues of the Company is economically unsound and discriminating against the public in favor of those using railway facilities. The Company's equipment Trust issue of \$12,000,000 was secured at highly favorable interest rates. The amendment to the Company's Charter permitting the increase of the number of the Directors from fifteen to eighteen is purely empowering.

Immigration to Canada is anticipated on a large scale, and while retrenchment and financial conservatism are wise, the Company's Directors have the same implicit faith in the future growth and the prosperity of the country as before, and the same confidence in the Company's ability to play an important part in its development and prosperity.

Four retiring directors, Sir John C. Eaton, Mr. Grant Hall, Sir Vincent Meredith, Bart., and Sir Augustus M. Nanton, were re-elected.

At a meeting of the Board subsequently held Lord Shaughnessy was elected chairman, E. W. Beatty, president, Grant Hall, vice-president, and executive committee appointed as follows: Richard B. Angus, E. W. Beatty, Grant Hall, Sir Herbert S. Holt, Sir Edmund B. Osler, Lord

ANNUAL MEETING AYLESFORD FRUIT COMPANY

The annual meeting of shareholders of the Aylesford Fruit Company, Ltd., was held in Ray's Hall, Aylesford, on Saturday afternoon, June 12th, there being a large attendance. The report on the year's business was one of the best in the history of the Company, showing a turn over of \$210,000.

The apple business during the past season was immense, approximately 55,000 barrels having passed through the Company's warehouses.

The flour and feed business was also an important feature of the year's transactions, the sales from this department totalling \$60,000.

New Directors were appointed as follows: S. S. Selfridge, P. B. Kirkpatrick, L. Palmer, C. S. Horsnell, R. L. Patterson.

The Company purpose holding in the near future, a banquet to celebrate the occasion of this most successful year's business.

THE CARE FREE CHILD

(Hamilton Herald)

Look at the children on their way to and from school. Care-free, bright and happy, they are not troubled with the unrest and anxiety and apprehension which are weighing down their elders. Blessings on the little folks—let them enjoy the playtime of life with all the freedom and zest possible. The cares will come soon enough.

THE CAUSE OF PROFANITY

The minister—I had no idea profanity was so prevalent till I began to drive a car.

His wife—Do you hear much of it on the road?

The minister—Why nearly every one I bump into swears fearfully.

It will do anything any typewriter will do and a lot of things no other typewriter ever pretended to do. Remington Typewriter.

Mrs. Samuel Churchill, past matron of Mizpah Chapter, order of Mariboro, Mass., was appointed one Deputy Grand Matrons of the State. Mrs. Churchill was formerly Miss Ethel Longley of Upper Granville, N. S.

A REAL LIVE TESTIMONIAL

Given to Professor Hamilton, of Hampton, N. S.

Dear Sir:-
I consider it a pleasure, as well as duty, to acquaint the public of the benefit I have received from Prof. B. S. Hamilton. Nearly three years ago, I had the misfortune to hurt my knee, in such a manner, that every little while, afterwards, there seemed to be a bone slip out of place. This would cause me to be laid by from my work, for days at a time. Sometimes when the bone slipped out, it would leave my leg perfectly stiff, while at other times, it would leave it bent, and it would be impossible to straighten it, until I could happen to give it the right twist again, when it would make a grinding sound, and with a sharp pang, it would go back to place again. I could not run, had to be very careful not to step my lame leg into a hollow, and could only bend in a certain way. I had consulted different doctors about it. One said it was a loose bone, while another said it was a loose cartilage and the only cure for it was to go to Halifax and submit to an operation. My work (fishing a salmon weir) requires a great deal of walking over a very rocky beach. The two past summers I have been greatly troubled by that, especially at night, as I had to place my foot just so to avoid trouble. About two months ago, while working at my weir, I gave the wrong twist to my leg and out slipped the bone. I hobbled to the house, and remained that way for several days suffering severely with it. I thought I would find out what Prof. Hamilton could do with it, although to be honest, I had very little faith that he could help it. I knew he was making many marvelous cures on a great many different diseases, but it seemed very reasonable to me that nothing but an operation could ever do my leg any good. After the first treatment there was a slight change for the better, after the second treatment a decided change, and only a few more treatments put that knee as good as my other one. I now can run, bend it any way at all, in fact do anything that I can do with the other one. If any who should chance to read this, has a similar knee, my advice would be, do not delay until

FIVE EXCURSIONS

It is announced that five excursions are to be run to St. John this summer from Boston. The excursions are to start on July 12 and 26, August 9 and 23 and September 6. Each trip will last ten days and will be run by boat to Yarmouth, and after a Nova Scotia tour the excursionists will go to St. John via the steamer Empress

from Digby. The visitors will be given an opportunity to see the St. John river valley and to go up as far as Fredericton. It is expected that several hundred vacationists and tourists will come to the province on these special trips.

The weather keeps cold and dry and rain is needed very much.
