Dr. Radway's Ready Relief, Sarsaparillian Resolvent and Regulating Pills

For Forty Years have been the standard medicines of thousands of families. Millions of people have used them with increasing confidence and success. The fame of these medicines has spread far and wide till they have become household words all over the world. The prudent mariner carries them on his long and hazardous voyages; the settler in new lands finds them his best friends, while among the family stores of the rich and the poor of all nations they form a conspicuous component.

The first and perhaps the most general in use of these remedies is **Radway's Ready Relief**, a compound possessing great power over acute or active diseases, and from its nature possessing properties of instant relief to pain, immediate action, quick and certain cure. The second in the series is **Radway's Renovating or Sarsaparillian Resolvent**, a remedy possessing the most searching power over long-standing or chronic complaints. The last of the three is **Radway's Regulating Pills**, whose action is confined to the bowels and other internal viscera, especially the liver and kidneys. Plethora, and the thousand ills consequent to overfulness of different organs, and so injurious to their proper action, here find a remedy.

Constantly keeping pace with new discoveries in pharmaceutical manipulations, Dr. Radway's are the cheapest and most reliable medicines for family use.

Relief for All Certain! Cure for All Probable!

WHY ARE WE SICK?

Health of Body is Peace of Mind

— AND —

WITHIN REACH OF MANY NOW SUFFERING.

DISEASE, like the storm, gives unmistakable signs of its approach. At first the threatened patient experiences a slight discomfort, this is followed with pain to a greater or less extent, and other symptoms follow in rapid succession. It is in this condition of the system that Radway's Remedies will be found all-potent. The administration, either internally or externally, as the seat of pain indicates, will arrest the progress of the threatened diseases, and quickly relieve the patient from all pain or discomfort.

If people, on the first indication of uneasiness or pain, either slight or severe, would take a dose of Radway's Ready Relief or Pills, as the symptoms may require, not one in a thousand would ever be troubled with serious sickness.

Not one in a thousand would suffer with INFLUENZA, DIPHThERIA, SORE ThROAT, SCARLET FEVER, PNEUMONIA, COUGHS, COLDS, SMALL-POX, MEASLES, BILIOUS FEVER, CHOLERA MORBUS, DIARRHŒA, HEADACHE, TOOTHACHE, NEURALGIA, BILIOUS COLIC, DYSPEPSIA, HEARTBURN, INDIGESTION, etc., for each of these complaints gives due warning of its approach, and by the use of Radway's Ready Relief, on the first indication of PAIN, in any part of the body—or nausea, or sickness at Stomach, or Cold Chills, Shivering, Headache, Hot Flashes, Pain in the Back or across the Loins, Sore Throat, Hoarseness, Shortness of Breath, Languor, Restlessness, Bad Dreams, Loss of Appetite, Depression of Spirits, and all other feelings of discomfort, you will successfully check and break up the threatened disease and restore your entire system to ease, comfort and health.

Every family should keep a few bottles of Radway's Relief on hand.

CHILLS AND FEVER.

In cases of Intermittent Fever, Fever and Ague, Radway's Ready Relief, if taken as directed, will protect the system against attacks. People living in the worst Fever and Ague districts of this country, who for years had been subject to periodical attacks of Fever and Ague, have, by the wise use of Radway's Ready Relief, enjoyed the best of health, never experiencing a chill since the first week after using Radway's Ready Relief.

SMALL-POX, SCARLET AND OTHER FEVERS.

When these diseases prevail, let Radway's Ready Relief be taken in doses of a teaspoonful in half a tumbler of water, if exposed to the infection; also, sprinkle the bed clothes of the sick, and the wearing apparel of the attendants with the Relief. This will protect you against the contagion. In Scarlet Fever the Ready Relief should be given internally, in water, as directed, and applied freely to the Throat—Radway's Pills in small doses every night, but if the Relief is used when you first experience *Pain*, in Small or other Fevers, or any other infectious or malignant disease will trouble you.

HEADACHE.

Persons suffering from Nervous, Sick or Bilious Headache, should take a teaspoonful of Relief in half a tumbler of water as a drink, after which apply to the head the Relief clear; in a few moments you will be free from pain or discomfort. A dose of from three to four of Radway's Pills, in cases of continued Headache, will insure a cure.

RADWAY'S READY RELIEF

Is the best antidote for pain. For outward application use the palm of the hand, or flannel saturated; in severe cases apply frequently and rub well when the pain is in the back or limbs. If in the chest or abdomen, particularly the stomach, flannel or very gentle rubbing is the proper manner in which to apply the Ready Relief.

For Internal Use.—The Ready Relief must be taken diluted in the proportion of twenty drops to a teaspoonful of Ready Relief in half a tumbler of water; if necessary repeat at longer or shorter intervals as required. Printed directions accompany each bottle explaining particularly how it is to be used for relief from the slightest pain from whatever cause arising, up to the more serious intricacies of congestions and inflammations.

A SAFE REMEDY.

Radway's Ready Relief is safe, reliable and effectual because of the stimulating action which it exerts over the nerves and vital powers of the body, adding tone to the one and inciting to renewed and increased vigor the slumbering vitality of the physical structure, and through this healthful stimulation and increased action the cause of the **Pain** is driven away, and a natural condition restored. It is thus that the **Ready Relief** is so admirably adapted for the **Cure of Pain** and without the risk of injury which is sure to result from the use of many of the so-called pain remedies of the day.

In using medicines to stop pain, we should avoid such as inflict injury on the system. Opium, Morphine, Chloroform, Ether, Cocaine and Chloral stop pain by destroying the sense of perception, when the patient loses the power of feeling. This is the most destructive practice; it masks the symptoms, shuts up, and, instead of removing trouble, breaks down the stomach, liver and bowels, and, if continued for a length of time, kills the nerves, and produces local or general paralysis.

There is no necessity for using these uncertain agents when a positive remedy like **Radway's Ready Relief** will stop the most excruciating pain quicker, without entailing the least difficulty in either infant or adult.

MEDICAL TESTIMONY.

As an evidence of the high opinion and confidence the Medical Faculty in the United States entertain for these remedies, we present the following letter from Prof. Reid:

Dr. Lawrence Reid,

Seven years Lecturer on Medical Chemistry in the New York Hospital, and seven years Professor of Chemistry in the New York College of Pharmacy, and for four years in the Medical University of Edinburgh, Scotland.

36 DE KALB AV., BROOKLYN, NOV. 30th, 1868.

Dr. Radway & Co., of New York, have submitted to my analysis their three remedies, named "Ready Relief," "Renovating Resolvent" and "Regulating Pills." They have also communicated to me their mode of preparing the same. After a careful examination of these articles, I pronounce them as composed of ingredients of great purity and cost, free from mercury or other dangerous substances, and prepared with skill and care.

Having long known Dr. Radway & Co. as scientific gentlemen of high attainments, I place every confidence in their remedies and statements.

These remedies, in my opinion, stand on different grounds from the nostrums which absurdly pretend to cure all diseases with one preparation. They are a well-considered series of remedies, prepared on scientific principles, and having a strong claim to public favor.

From their adaptation to the diseases for which Dr. Radway & Co.'s Remedies are recommended, and from their speedy action in giving relief, I consider them as a useful invention and quite a family convenience, superseding in numerous instances the necessity of medical assistance; and, when that is necessary, doing something of a safe nature to relieve the sufferer in the interval.

I have no doubt of the great value of the Relief as a local application to the spine, in those cases of weakness of the body or limbs, or the digestive or other organs, which depend upon the nerves proceeding from the spine for power to perform their functions.

LAWRENCE REID, Prof. of Chemistry.

MALARIA, CHILLS AND FEVER, FEVER AND AGUE CONQUERED!

RADWAY'S READY RELIEF

Not only cures the patient seized with this terrible foe to settlers in newly-settled districts, where the malaria of Ague exists, but if people exposed to it will, every morning on getting out of bed, take twenty or thirty drops of the **READY RELIEF**, in a glass of water, and drink it, and eat a piece of cracker or crust of bread, they will escape attacks. This must be done before going out.

A person going out in a malarious atmosphere with his stomach empty and his system weakened, and inhaling this malarious poison, the absorbents at once take it up, and circulate it through the system. The **READY RELIEF**, being a **Neutralizer, Disinfectant, and Diffusive Stimulant**, at once settles the stomach and protects it against the ill effects of the malaria. It disinfects the malarious and acid gases from the malaria of Ague; it quickens the circulation of the blood that has been checked and clogged in the vessels from the influence of the malaria; it arouses to healthy action the liver, spleen and gastric organs, imparting strength and vitality to the gastric juices and nervous fluids, prostrated and dormant from the deadly influence of the malaria. Its diffusive stimulating properties impart strength and vigor throughout the entire system (local stimulants augment the action of one set of organs by suspending others). In a word **RADWAY'S READY RELIEF** braces up the entire system, and drives out every particle of malarious poison that may exist. In these cases it is necessary to regulate the liver, spleen, stomach, skin and kidneys to a healthy action; this is secured by **RADWAY'S PILLS**. Now let any person seized with Fever and Ague, as soon as the fever is off or the chills on, take a teaspoonful of **READY RELIEF** in water, every hour for six hours, and rub the spine of the back with the **RELIEF** clear; follow this up every day. To those that are subject to attacks, either every day or at longer periods, it will do more good than all the quinine and other remedies in the world. Take **RADWAY'S PILLS** in large doses every night, and a cure will soon be made, after which a teaspoonful of **READY RELIEF** in water three or four times per day before meals, and two or three of **RADWAY'S PILLS** at night, will protect every settler in Ague districts against attacks. Let this be done if you wish to avoid attacks of Fever and Ague or any other Malarious Fevers. For the prevention and cure of the disease alone, **RADWAY'S READY RELIEF** and **PILLS** are worth a farm to every settler. **No home or family should be without these remedies.**

Prevention of Chills and Fever.

HUDSON RIVER BR'K MFG. Co.,
VERPLANCK POINT, N. Y., Jan. 7th, 1879.

DR. RADWAY: My family are in the habit of trusting entirely to your Ready Relief and Pills as our household medicine, rarely requiring any other medical aid. I myself follow closely your directions in taking the Ready Relief as a preventive for Chills and Fever, say a teaspoonful in some water before my breakfast on an empty stomach when I visit my yard, as I am accustomed to do, at that time. The result is a perfect success, as I never take the fever, although I am located in a most malarious district, in which few of the residents escape malarious attacks, particularly of Chills and Fever.

My men and those who have come from Mr. Frost's yard experience the same beneficial effects by following a like practice as myself.

Very truly yours,

JOHN MORTON, Proprietor.

CRAMPS AND FEVER AND AGUE.

CROTON LANDING, N. Y., June 23d, 1888.

MESSRS. RADWAY & Co., 32 Warren St., N. Y. :

Gentlemen—Last season I employed about 150 men; during the season they bought of me sixteen dozen bottles of READY RELIEF, a large number of PILLS and RESOLVENT. They use it in their drinking water, ten to fifteen drops to a glass, to prevent cramps and keep off fever and ague; also for bruises, sore hands, rheumatic pains, sore throats.

If by any mischance we run out of any of them we have no peace until our stock is replaced. I myself take it before going out on the yard early in the morning, and am hardly ever troubled with fever and ague. This spring I was attacked with rheumatism and the Pills did me more good than any other medicine I took.

Yours truly,

S. HAMILTON, JR.

CONGESTION OF THE LUNGS.

If suddenly seized with Congestion or Inflammation of the Lungs, Pneumonia or Pleurisy, rub the chest and side, back and spine freely with Radway's Ready Relief, give the Resolvent in doses of a teaspoonful *every hour*, and take six or eight of Radway's Pills. In the most distressing forms, the patient will breathe free and easy. In a few minutes after the rubbing with the Relief, and swallowing the Resolvent, all danger will be passed as soon as the Pills operate; but it is well to continue the Resolvent and Pills in small doses for several days, and to wear around the body flannel soaked with Ready Relief. Even if epidemic, life will be preserved if this simple treatment in the above form is followed.

A REPUBLICATION OF GOOD ADVICE.

TRY IT TO-NIGHT,—“*You will Sleep Well and be Better in the Morning.*” You have caught cold! another cough; can't raise the phlegm; irritation of the throat; a heavy pressure on one of the lungs; breath short; if you could only raise up that matter that sticks so tight, you would feel easy; a sharp pain every once in a while troubles you near the heart and sometimes pains in the shoulders and back. As soon as you lie down you have a fit of coughing; this is the experience of thousands at this minute.

Now for Relief, Prompt, Quick, Immediate and Pleasant.

Take at once a dessert-spoonful of SARSAPARILLIAN RESOLVENT—ah, yes, the obstinate phlegm is loosened, good! that is right, up with it, it relieves you; well, you feel much easier; now, then, rub the chest well for five minutes with RADWAY'S READY RELIEF; very good; the skin becomes reddened; you begin to perspire freely, and the soreness and pain are gone; now rub the back and shoulders with READY RELIEF a few minutes; pain gone; good! you feel like sleeping; very well, take twenty drops of READY RELIEF in some water—pleasant, stimulating, and tonic; now take six of RADWAY'S PILLS—then go to sleep. Morning you look fresh; pleasant; no cough; have had a good, thorough operation, feel like eating a good hearty breakfast; no more cold, no sore throat or difficult expectoration. This treatment is simple, and sure to cure the worst colds between bed-time and breakfast. Try it to-night, all who have a cough from catching cold. Obstinate chronic coughs will in a few days be cured by this treatment.

CONSUMPTIVES, LOOK TO IT—New lungs cannot be made, but the SARSAPARILLIAN RESOLVENT will stop the decay and waste now going on, and repair the waste with new material, made from pure, strong blood. It will stop your cough, give you strength, and keep you alive.

SAVED FROM DEATH.

RED LAKE, BRULE CO., DAKOTA, January 24th, 1884.

DR. RADWAY—*Dear Friend*: I feel myself obliged to give you the thanks I owe to you. I do not know you personally, but I know your excellent medicines which carry their names with the greatest right. Without flattering you, they are the only medicines a man should buy.

Who in the world could buy my wife from me? Nobody; nobody but death, that nearly had her, could only take her from me. RADWAY'S REMEDIES have saved her and cured her of the greatest pains she had while struggling with death; only a short time after using the medicines she was relieved of all her terrible pain. Yes, your medicine is all that I have to thank.

Since that time Radway's remedies are always in my house, and I always will honor them.

The whole neighborhood was astonished at such a medicine. Nobody here could advise me; but one told me that his father had used a medicine, but could not recollect the name; he only knew that there was R. R. R. on the bottle. I at once sent him on horseback to the next drug store, and he actually asked the druggist as he had told me, and the druggist understood at once what he wanted; my man returned in a short time with the medicine and told me the druggist had said that this medicine was stronger than death, and all pain must disappear in a short time; and so it was, God have thanks. This medicine has come into my house and I will always keep it; and I advise everybody to keep it in his house, as it may be too far, sometimes, to go to a druggist to get it while one of his family suffers in the greatest pain during that time; therefore I advise, again, everybody to keep it always in the house.

Respectfully yours,

[Translated from the German.]

GEORGE GIPPERT.

OLD FAMILY STORES.

JACKSONVILLE, TENN., January 23d, 1884.

RADWAY & Co.—*Sirs*: Please send me a price list of your medicines at wholesale prices. My experience with the R. R. R. preparations proves to my satisfaction that they are just what is claimed for them. My grandmother used the Ready Relief, thirty years ago, with the most satisfactory results, and my mother has constantly kept a supply of Ready Relief and Regulating Pills for twenty years with increasing confidence in their efficacy.

Mr. John T. Foster, of Nova Scotia, once divided a bottle of the Ready Relief with my grandfather, some thirty years ago, and stated that he would not be without it. Your medicine has been a favorite with my people ever since.

In 1875 I became the victim of Chills and Rheumatism, which by neglect became chronic. The Ready Relief seemed to allay the pain, but I found that I must use a Constitutional Remedy, for my Lungs, Nerves and Blood were all out of order, so I secured two bottles of the Sarsaparillian Resolvent, which, in connection with the Ready Relief and Regulating Pills, wrought such a change that I felt restored to health and strength.

Respectfully,

S. L. LOUDERMILK

TWENTY YEARS IN USE.

DR. RADWAY & Co.: I have used your Ready Relief for many years in my family with great effect. For the last twenty years I would have nothing else to expel pain inwardly or from any part of the body outwardly.

I have used it for rheumatic pains and always found great relief when applied to the painful part of the body.

Your Pills are indeed excellent, as you represent them in the papers. I bought a box to-day. Please send me information worth thousands, and oblige,

ROBERT O'DONNELL.

His Own Doctor.

DR. RADWAY, New York—*Dear Sir*: I wish you would send to your humble servant one of your "False and True" books. I had one of them for ten years, and it is worn out. I can't do without it, for I make so much use of your medicines, and recommend them to my friends in misery, that I want one to go by.

I have seen a lady who was given up to die from consumption. Through my persuasion they tried the Ready Relief, the Resolvent and Pills, and she began to get better, and in six weeks she was able to get out of bed herself.

Your medicines do all that they are recommended for—especially a young man that had the measles; and who had a cough for four years last spring, and he is as hearty as any one now; his mother said that I can beat all the doctors with your medicines. I am my own doctor as long as I can get your medicines. No more at present, but I remain your friend

JOHN H. McMULLIN.

Twenty-four Years in Use.

ASHLAND, Ky., May 15th, 1888.

DR. RADWAY & Co.—*Dear Sirs*: I take the present opportunity of adding my testimony to the many others, of the wonderful curative powers of your famous medicines, and can truthfully say I could not be without them in my house, let the cost be what it may. My parents always kept a supply on hand, and wonderful were the cures they completed. I have been using them in my family for the past twenty-four years. Pen could not give justice to the many cures I have seen accomplished. With many thanks, gentlemen, I subscribe myself.

MRS. SARAH J. JAMES.

Prompt Action of Ready Relief.

FONTANNA, LEBANON Co., Pa., Feb. 6, '86.

MESSRS.—While taking a view over your Almanac of '86, and reading about your R. R. R., it brought to my mind a terrible scene that I was a witness of some years ago out west. One of our companions took a spell of Colic and Cramp in three stomach, so bad that we thought death for him was close at hand, and while one of the party had a bottle of your valuable medicine, we gave doses according to directions, and in a few hours' time we had him almost well, which we thought no doctor could have done by far in such a short time. The above is honestly, and truly so, and may you ever prosper in your works.

CYRUS LONG, Fontanna, Lebanon Co., Pa.

One Man Tells Another.

RADWAY & Co.—I get pains all over my legs, and it is just as much as I can do to stand or walk. On April 14th, the day before yesterday, I was taken with those pains again, and had to stop work.

One of the workmen said, as I was trying to walk, "Get a bottle of Radway's Ready Relief," and I did. That night I rubbed it wherever I felt pain, using a half bottle, and it has acted like a charm. Just as you say—"The Great Pain Killer."

I thank God for those words, "Get a bottle of Radway's Ready Relief." It has relieved me. Of course Nervous Debility is there. I want to know, can it be cured? I have all faith in you now.

April 16th, 1885.

TO THE SICK and all WHO SUFFER PAIN.

Radway's Ready Relief.

So quick and efficient is "Radway's Ready Relief" in stopping Pain, that it has frequently raised the diseased, helpless invalid from a bed of sickness by one application! *And has relieved the most cruel pains of, and cured*

Rheumatism	in four hours.
Coughs, Cold and Sore Throat.....	in four hours.
Neuralgia and Tic Doloieux.....	in twenty minutes.
Nervous and Sick Headache.....	in fifteen minutes.
Diarrhoea and Dysentery.....	in twenty-five minutes.
Cramps, Spasms and Lumbago	in five minutes.
Difficult Breathing and Croup.....	in five minutes.
Sour Stomach and Heart Burn.....	immediately.
Toothache and Nervous Headache.....	immediately.
Bilious Colic and Chills and Fever.....	in fifteen minutes.
Chilblains and bites of Poisonous Insects.....	in four minutes.

Taken Internally and applied Externally according to direction, and as the case may require.

HOUSEHOLD FRIENDS.

DR. RADWAY'S REMEDIES, more especially the Ready Relief and Pills, are indeed the most important necessities of every family.

Persons who live regular, by taking a dose of Pills, or Ready Relief, as the case may require, when the first sign of sickness is felt, will cure themselves so quick that the disease or sickness seldom becomes of sufficient importance to require medical attendance. In case of sudden pain or uneasiness, sickness or nausea, headache or dizziness, and, in fact, any sign whereby there is unpleasantness, take a dose of the Ready Relief, and, if necessary, a dose of Radway's Pills. If the bowels for a few days have been constipated, then four or six should be taken; and if it is necessary to have a quick operation, as in cases of Colic, pulverize six of the Pills, and take in water or preserves; in THIRTY MINUTES they will operate. These simple preventive measures may save serious illness.

LUMBAGO.

Or pain in the *Loins and small of the Back*, is occasioned by a congestion of blood in that part, caused by exposure to cold or a draft of air, checking the perspiration. The counter irritant and diffusive stimulant properties of Radway's Ready Relief admirably adapt it for the cure of this disease. The Ready Relief should be applied to a large surface and well rubbed in. It is quite wonderful how readily it relieves the pain of this distressing complaint. In some cases the pain is so extreme that there is danger of inflammation setting in and extending to the Kidneys. In that case, take at once a dose of the Regulators and at the same time keep up the application of the Ready Relief and the most obstinate case will yield to this treatment. Plasters in general do harm in these cases of pains in the side and back—they gum up the pores and stop the exhalations of the skin.

RADWAY'S SARSAPARILLIAN RESOLVENT

For Purifying the Blood.

A remedy composed of ingredients of extraordinary medical properties, is as perfect, pure and good as it is possible for the science, genius, and skill of man to make for the diseases it is prescribed for. It has no equal in the world. Quick, thorough, pleasant, safe, and permanent in its treatment and cure.

Dr. RADWAY'S SARSAPARILLIAN

Is not a **direct diuretic** or a **direct alterative**, but it contains all the properties of a remedial agent essential to purify, cleanse, heal, repair, strengthen, and invigorate the broken-down and wasted body.

It purifies and enriches the blood; supplies it with such constituents essential to health that disease and bad humors have changed or deprived it of; sound flesh and healthy fibre or hard muscle is made from pure blood. The **Sarsaparillian Resolvent** makes the blood rich and strong, and supplies the waste of the body with sound material. No matter what name the complaint may be designated by, either **SCROFULA**, **CONSUMPTION**, **BLOOD TAINTS**, **ULCERS**, **SORES**, **TUMORS**, **BOILS**, **ERYSIPELAS**, **SALT RHEUM**, either of diseases of the **LUNGS**, **KIDNEYS**, **BLADDER**, **WOMB**, **SKIN**, **LIVER**, **STOMACH** or **BOWELS**, either chronic or constitutional, the virus of the disease is in the blood, which supplies the waste, and builds and repairs these organs and tissues of the system, which, if the blood is unhealthy, must be unsound. The parts must be made healthy by the **Sarsaparillian Resolvent**, which destroys the virus and purifies the blood.

The Sarsaparillian Resolvent is a Compensating Remedy.

It secures the harmonious action of each of the organs. It does not augment the secreting functions of the skin by suspending the secreting offices of the kidneys, nor is the liver interrupted in its functional duties of secreting bile, by its assisting the lungs in throwing off the purulent matter of tuberculous deposits that fills and obstructs the air cells. It establishes throughout the entire system functional harmony, and supplies the blood vessels with a pure and healthy current of new life. The skin, after a few days' use of the **Sarsaparillian**, becomes clear and beautiful. **PIMPLES**, **BLOTCHES**, **BLACK SPOTS**, and **SKIN ERUPTIONS** are removed; **SORES** and **ULCERS** soon cured. Persons suffering from **SCROFULA**, **ERUPTIVE DISEASES** of the **EYES**, **MOUTH**, **EARS**, **LEGS**, **THROAT** and **GLANDS**, that have accumulated and spread, either from uncured disease or mercury, may rely upon a cure if the **Sarsaparillian** is continued sufficiently to make the blood pure, and secure the harmonious action of the several organs in secreting the proper constituents of each. This will soon be made manifest by the patient's own state of health. The ingredients used in **Sarsaparillian Resolvent** are such that, prepared under the ordinary process, are recognized by medical men as the best in the materia of medica in their respective ranges; and as prepared under **Dr. Radway's New Process**, for obtaining extractive matter from vegetable substances, and the peculiar mode of uniting those several ingredients so as to assist and increase the medicinal power of each, gives to the sick a remedy that one to two spoonfuls possess a greater and quicker power than a dozen doses of the uncertain decoctions of ordinary Sarsaparillas.

The wonderful cures effected by the **Sarsaparillian Resolvent** of **KIDNEY**, **BLADDER**, **WOMB** and **URINARY DISEASES**; its marvellous power over the Kidneys in establishing a healthy secretion of urine; curing **Diabetes**, **Inflammation** or **Irritation** of the **Bladder**, **Albuminous**, **Brickdust**, or **deposits of White Sand**, etc., establish its character as

A Great Constitutional Remedy.

SCROFULA,

whether transmitted from parents, or inoculated, is within the curative range of the Sarsaparillian Resolvent.

Cures have been made where persons had been afflicted with Scrofula from their youths up to twenty, thirty and forty years of age, who were cured by the Sarsaparillian Resolvent—since married and had children, and no trace of the taint up to twelve, and some as old as fifteen years, were exhibited in the children. This ought to be good evidence of its power in exterminating the taint of Scrofula from the system.

It possesses the same wonderful power in curing the worst forms of strumous and eruptive discharges, Syphiloid Ulcers, Sores of the Eyes, Ears, Nose, Mouth, Throat, Glands, exterminating the virus of these chronic forms of disease from the BLOOD, BONES, JOINTS, and in every part of the human body where there exists diseased deposits, Ulceration, Tumors, Hard Lumps, or Scrofulous Inflammation, this great and powerful remedy will exterminate rapidly and permanently.

SCROFULA CURED.

ST. HYACINTHE, P. Q., CANADA, August 19, 1881.

DOCTOR: As last fall I completely and marvelously cured a victim of Scrofula in its last stage, by following your advice, given in your little treatise on that disease, I would feel much obliged if you would forward me your treatises on Irritable Urethra and Self-abuse (illus.), for which I inclose stamps. I need it absolutely at once, as the poor victim of ignorance is hurrying fast to his grave.

In haste, your confreere,

RANDOLPH McINTYRE, M. D.

See "Radway on Scrofula" and Almanac of 1879 and 1881 for other extraordinary cures of Scrofula.

A VOICE FROM LIBERIA AFRICA.

I have for several years used Dr. Radway's excellent Remedies in my family, and find them deserving of all that might be said of them. The Relief, Resolvent and Regulators comprise the list which stands the test of our climate so admirably well. I always keep a supply of these medicines on hand, and never think my family safe without them. Notwithstanding many other medicines are introduced and sold here, there are none to compare with Dr. Radway's when faithfully used according to directions. In such a case, cures are sure to follow.

DAN'L J. DENNIS,

Comptroller, Treasury Department,

LIBERIAN GOVERNMENT.

MONROVIA, LIBERIA, AFRICA, July 1, 1880.

POISONED BLOOD.

GENTLEMEN: I think it my duty to inform you that about thirteen years ago I had a very small red spot come on my leg just above the ankle. It soon became very painful, and kept increasing in size. I said to my wife: "That is just how father's legs began at first, and I am afraid I shall have bad legs like him."

A friend of mine told me to "go and buy a bottle of Radway's Sarsaparillian, and that will cure you."

I gladly went and purchased a bottle, and my leg soon began to be less inflamed, and a second bottle made a complete cure; and my legs to-day are sound and good, thanks to Radway's Sarsaparillian.

I am, gentlemen, yours respectfully,

JOSEPH BUSHELL.

Consumption and a Complication of Other Diseases Cured.

(First Letter, June 16, 1883.)

DR. RADWAY & Co.—*Dear Sirs:* My wife, who had been ailing for two years from Palpitation of the Heart, Bronchitis, Catarrh of the Head, Fall of the Womb, Liver Complaint, etc., was taken down the first of March with Lung Fever; when the fever broke, her physician told me that she was going into Consumption, and that I might make up my mind to part with her by the first of June, etc. When the doctor left I told my wife of the wonderful cures your medicines had done; tried them; she improved from the first dose, and she is now better, and is improving every day, but her left lung is a little sore at the bottom, etc.

(Second Letter, September 10, 1883.)

I take pleasure in thanking you for your noble and valuable medicines which have cured my wife of the horrible disease, Consumption, etc.

(Third Letter, October 6, 1883.)

As to publishing the letters, or any part of them, etc., it is perfectly agreeable to me for you to use all the information I can possibly give to the SICK and AFFLICTED. My wife is, to-day, enjoying better health than she has for the last five years. She was afflicted with Liver Complaint, Fall of the Womb, Palpitation of the Heart, Bronchitis, Catarrh of the Head, Kidney Diseases, Rheumatism and Consumption, when she began taking your valuable medicines.

I have been poorly myself for years, and since my wife's health has recovered, I have taken your medicines, and to-day I feel as I did when 25 years old, and as lively as a boy. The country around is full of contagious diseases and we have NONE OF THEM. I give a few Pills and Resolvent occasionally to my children, and they never take or catch disease; so you see why I think so much of your medicines, and why I am so thankful to you.

Respectfully, as ever, your friend,

SCIO, OREGON.

S. W. GAINES.

DROPSY.

The **Sarsaparillian** and the **Pills**, in large doses, should be taken by drop-sical persons. They will not only reduce the swelling, but remove the cause of the swelling, which is the disease of the Liver, Kidney or Heart, as the case may be. In this disease the **Resolvent** shows its great power over the absorbent system. Dropsical swelling frequently results from cases of Fevers, Measles, Consumption and Scrofula.

Complete Cure of Dropsy in the Leg.

DR. RADWAY—*Dear Sir:* I wish to add my testimony to the efficacious power of your medicines in curing me of Dropsy. I followed your advice in your almanac for the year 1882, and I am happy to tell you that two bottles of the Sarsaparillian Resolvent, with three or four boxes of your Pills, made a complete cure in six weeks. When I commenced to use your medicines my leg was twenty-two inches round; by the virtue of your medicines it is now reduced to its natural size. It was also nearly as hard as a stone, which prevented me from bending it; but now it is free from pain, and that dreadful hardness is gone; in fact I am cured—I don't think that I had any abdominal swelling. I tender you my sincere thanks for the relief I have received through your medicines. I used the Ready Relief freely, and I attribute my restoration to health to the combined use of all.

I am, sincerely, your humble servant,

JOSEPH SPENCLEY, SR.

COMPLAINTS OF WOMEN.

It is not at all times pleasant or convenient for a lady to consult a physician for every disagreeable or annoying symptom that may occur. In Dr. Radway's Sarsaparillian, Pills and Ready Relief—as the nature of the ailment indicates—a remedial agent is secured that will at once remove all infirmities, ailments or sickness that may arise through impaired or disturbed functional secretions, be it Leucorrhœa (Whites), a Suppression of the Menses, Profuse Menstruation, Colorless Discharges, Green Sickness or Uterine Tumors.

Many ladies seem to be rapidly losing flesh—and are sensible of a gradual waste—without suffering from cough or any marked sign of consumption. They feel melancholy, disheartened, fretful, and feel as if they were alone in the world, when surrounded with every luxury the heart could wish, and are, indeed, martyrs to great mental and physical suffering. In these cases (Melanosis) the bile is misdirected, and instead of being properly secreted by the liver, is retained, and becomes a foreign constituent of the blood. In many cases when this takes place the skin becomes of a yellow tinge—the eyes yellow and inflamed, and the face covered with black spots, like worms, etc. Now, if ladies afflicted in this manner will take three or four of Radway's Pills every night, and a teaspoonful of the Sarsaparillian Resolvent three times per day, a happy change will soon follow; all these bad symptoms will soon disappear, and the weak, emaciated and wasting body will soon become healthy and robust. A lady called on me yesterday (4th of August, 1878); weight 160 pounds. She said: "Last March I left this city to go home to die; when I arrived at my home (Rochester) I was nothing but skin and bones—no appetite, no spirits, no sleep, but cold sweats and nervous trembling. I saw your book called 'False and True,' and at once commenced using your remedies. I used the Pills, 4, 5, 6, then 5, 4, 3, 2—in this order every night; the excrements that came from me were like clotted blood. I took the Sarsaparillian Resolvent—at first three times per day, then four, then five times per day—and had my spine rubbed three times per week with the Ready Relief. After using these medicines one month I was a new woman. I gained in flesh rapidly, my spirits became buoyant, appetite good, and my periods regular—that is what your medicine has done for me!"

BILIOUS FEVER CURED.

DR. RADWAY—*Sir*: I am just beginning to find out the good of your medicine, and am doing great good with it. I have just recovered from a severe attack of bilious fever, after being under the doctor's care near two weeks and got no better. My mother was with me; she said: "Now I want you to try Dr. Radway's Relief and Pills." So I put aside the doctor's powders and other stuff he had left, and took a dose of your Pills; followed that with Relief. From that I got better, and in two days I went to see my neighbor, who laid, as I did, under the doctor's care. I told her what I had done, so she set aside her medicine and took Dr. Radway's medicine. She is now getting better fast. Another lady was taken with bloody flux; I told her of it; she also quit the doctor and took your Relief, and was better at once.

KIDNEY TROUBLES—RADWAY'S PILLS.

ATHENS, OHIO, June, 1879.

Dear Sir: I thought I would write you and tell you what wonderful work your Sarsaparillian Resolvent has done for me. Six weeks ago I could not move without the greatest pain with Rheumatism of the kidneys. I have tried every kind of liniment and different medicine, and had my doctor to prescribe; but nothing did any good until I tried your Resolvent. I took three bottles (and just sent for three more). Your Pills are a God-send. I have recommended them to over a hundred persons, who all say that they found them to be the best Pills that they ever took.

COLD AND PAIN IN THE LUNGS CURED.

ASHLAND, Wis., Nov. 21, 1885.

DR. RADWAY—*Dear Sir*: For a long time I intended to write to you a few lines lauding your Sarsaparillian Resolvent. Eighteen years ago I recommended this remedy to a Dr. Zimmerman, of Owatonna, Minn., an old friend of mine, and told him that there was no better medicine against Cold and Pain in the Lungs. He tried it and then thanked me very much, saying also that there could not be a better one in those cases mentioned, and now recommends it to his patients. I also recommended your medicines to Mr. Bixby, druggist in Owatonna, and upon my request he has taken some in stock. In Appleton, Wis., I met a young married man who had a bad cough, and they were fearing for consumption. I recommended your Sarsaparillian Resolvent, and some time later I saw him fresh and healthy; he pressed my hand warmly, and said that if I had not been he would have been buried now; it cured him very quick. Some sixteen years ago (in Duluth) a man came to me telling me that his wife was dying on account of coughing; he had tried two doctors, but without result. I got your Sarsaparillian and a few days after she was all right. When children cough one dose is sufficient to stop it. I again express my astonishment over this medicine, and I can only counsel everyone to keep it in the house; it prevents in many cases a severe sickness, etc.

Yours truly,

F. KRUSCHKE.

BRONCHITIS, COUGHS, DIPHTHERIA,

And all Pulmonary Diseases Cured by Radway's Sarsaparillian Resolvent.

Few persons but are troubled, more or less with difficulty of raising Phlegm, a thick humor or matter, deposited from the blood, that obstructs the air passages and glands of the Bronchia, etc. The accumulation of this matter leads to Ulceration, Tubercles and Consumption, and the patient suffers great distress until it is removed. One teaspoonful of the Resolvent will loosen the Phlegm and enable the patient to expectorate with ease. Every person troubled with Cough, Bronchitis, Catarrh, Tightness of the Chest, Phlegm, Inflammation of the Lungs, Congestion, etc., should take a teaspoonful of the Sarsaparillian at once, and rub the chest with Radway's Ready Relief. If the cough is constant, take the Resolvent regularly—three or four times a day—or whenever a fit of spasmodic cough seizes you.

CONSUMPTION, NIGHT SWEATS AND HOARSENESS CURED.

SAVANNAH, GA., May 31, 1880.

DR. RADWAY & Co.—*Dear Sirs*: In the year 1867 I was for six or eight months in bad health from various causes. I thought several times I had consumption if I had let it run on longer. I could taste blood every time that I coughed, and I tried all the cough syrups I could hear of, and I had the doctors to mix me up several remedies, but none of them did any good. Every night I had night sweats, with a pain in my breast. I got one bottle of your Resolvent, and I tell you the difference it made in me, it is no use for me to try to write it. I am most ready to say it cured me, but my blood was in a bad condition and I took several of them since that time. I asked a friend "what are you whispering about?" He said: "I have not spoke a loud word in two weeks." I told him to get one bottle of Radway's Resolvent and take about six or eight times a day about one teaspoonful at a time, just enough to keep the glands of the throat wet, and a dessert spoonful on going to bed. It made him talk aloud in one day. It is no use for me to try to explain the virtue of your medicines. About two weeks ago I bought six bottles. I am now taking it. I can sleep good and I feel all right. I always take it in the spring of the year to keep my blood right. So I will come to a close.

Respectfully yours,

JAMES S. FOY, Savannah, Ga.

ADVICE TO CONSUMPTIVES.

CONSUMPTION is a Scrofulous disease occasioned by a deposit of tubercle in the lungs—the upper portion of them generally. As these tubercles enlarge they begin to irritate the lungs by pressure on the surrounding parts. This creates a hacking cough. At length nature, in her endeavor to get rid of the annoying tubercle, sets up an inflammation; matter is secreted, and the tubercle is softened. It then comes to a head, or suppurates, and the matter is discharged into the nearest air tube. This the patient raises, which, for a time, allays the cough; but as the air cells fill up with the tubercular matter, the blood can circulate but imperfectly through the lungs: hence it becomes more impure for the want of air, which lessens the power of nature to throw off the disease, until at last the disease becomes so general, and the cough so great, that hectic fever and night sweats intervene, with bleeding of the lungs, until the patient finally sinks.

— NOW —

RADWAY'S SARSAPARILLIAN RESOLVENT

Is the only Medicine that has ever yet struck at the root of the disease, acts in this wise: First, by its action on the glands, it purifies the blood and counteracts the Scrofulous habit of the body, which is the cause of the disease; second, it promotes the action of the absorbents, that remove the deposited tubercles; and third, it allays the cough, giving temporary ease to the patient. If patients, laboring under this disease, will follow the directions here laid down, we will promise, in every case, that their complaint will be speedily relieved, if not entirely cured, by the use of this remedy.

DIRECTIONS.

Take a dessert spoonful of the **Resolvent** three times per day, half an hour after meals. Eat good nourishing food, such as beef steak, mutton chop, venison, roast beef, sago, arrow root, tapioca and the like. Drink as much milk as agrees with you. Pay particular attention to fresh air, cleanliness, exercise, and as a general thing comfort, as much as possible. Lofty and airy sleeping apartments, not exposed to drafts; and care to avoid and prepare for sudden changes of temperature; never go out of the house when the atmosphere is moist. Be careful not to catch fresh cold, but cure the one you have. Wear flannel underwear according to the season, which should be changed for dry night and morning. Do but this, and the **Resolvent** will exceed your most sanguine expectations, and fulfill our most confident promises.

For pain in the chest, back or limbs, rub with **Ready Relief** applied by the palm of the hand, or flannel saturated; and if diarrhoea should trouble the patient (as it sometimes does) a dose or two of the **Relief**, that is, half a tea-spoonful swallowed in half a tumbler of water, will check it. One of **Radway's Pills** should be taken occasionally to induce healthy action of the Liver, etc.

We conscientiously recommend our **Sarsaparillian Resolvent**, **Ready Relief** and **Pills** for the ease and comfort and probable cure of all suffering from Consumption. It is cruel to give way to despondency. The mind exerts a wonderful influence under any trials and diseases, and, firm in the hope of a cure, Consumption, like inflammations, fevers, and other serious complaints, must all give way to the proper treatment.

R. R. R. PILLS.

PURGATION MADE PERFECT

IN DR. RADWAY'S PILLS.

Uniformity and Safety of Action Secured.

PERFECT DIGESTION

Will be accomplished by taking one of **Radway's Pills** every morning, about ten o'clock, as a dinner pill. By so doing, **DYSPEPSIA, HEADACHE, FOUL STOMACH, BILIOUSNESS** will be avoided, and the food that is eaten contribute its nourishing properties for the support of the natural waste and decay of the body.

Imperfect digestion frequently occurs when the bowels are regular; the constituents of solids that are not absorbed in circulation, from imperfect digestion, are frequently directed to the kidneys for their escape. In such cases serious damage is done to the kidneys, as the urine secreted from imperfectly digested substances or food, or those constituents not secreted by the liver or gall duct, establishes a foreign secretion in the form of albumen, sugar, urea, uric acid, causing **BRIGHT'S DISEASE, DIABETES, DROPSY, RENAL DISEASES OF THE KIDNEYS, CONGESTION, DEGENERATION, ULCERATION, GRAVEL, BLOODY URINE, etc.** To prevent these serious and often fatal difficulties, take one of **Radway's Pills** every morning, two hours before dinner.

Imperfect digestion may be known by a capricious appetite, craving for food, great thirst, dryness in the mouth, dry skin, hot fetid breath, restlessness, acidity, heartburn, swellings in the abdomen, chest, legs, cold feet, frequent desire to urinate, varied color of urine, etc. Where these symptoms are present, the **Sarsaparillian** should be taken three times per day, and the **Pills** one to six, as the case may require. As soon as digestion becomes perfect, these unfavorable symptoms will disappear.

Important Benefit to all who have to use Pills or Purgative Medicine secured by Radway's Pills, that no other Pills or Purgative Medicine secures.

1st. No straining when at stool. If these Pills are taken in purgative doses, they secure a free and easy passage, without cramping or straining. In cases of **PILES, KIDNEY COMPLAINTS, INFLAMMATION OR IRRITATION OF THE BLADDER OR WOMB, in UTERINE DIFFICULTIES, TUMORS, ULCERS, LEUCORRHOEA, and in cases where there is weakness in the secreting vessels of the genital glands, SPERMATORRHOEA, INVOLUNTARY EMISSIONS, loss of vital fluid, and in all cases of calculous concretions, stone in the bladder, or gall stones, straining is hurtful. Radway's Pills secure a free discharge without straining.**

2d. After the first few doses the patient will feel that these Pills impart increasing strength, not only to the general system, but to the impaired organs of nutrition—the gastric, nervous and bilious system, the liver, bowels, kidneys, pancreas. They strengthen the diseased part, and heal all excoriated surfaces, or ulcers and sores in the intestines,

3d. They can be taken day after day without injury. No injurious results will occur from change of temperature—wet or cold—under the influence of these Pills.

4th. As soon as **Radway's Pills** are swallowed, their influence is felt, as they at once commence their work of altering the condition of the secretions, and in due time they secure an expulsion of the humors that cause the disease.

A Great Medical Triumph!

NEW PRINCIPLES IN PURGATION

— Secured by *Dr. Radway's* —

PERFECT PURGATIVE PILLS.

1. A Vegetable Substitute for Calomel.

2. Counter-Irritation, made perfect in **Radway's Pills**, that withdraws inflammation from Congested Blood Vessels, Nerves, Liver, Stomach, Bowels, Kidneys, and other viscera, and purging all excrementitious, corrupt humors, and diseased deposits from the system.

3. In these Pills a nourishing and nutritious principle is secured, by which the blood, juices and fluids of the system become invested with the vigor of life—they are the only purgative medicine that strengthens during the process of purgation. These Pills act as a solvent and tonic to the gastric juice, enabling this solvent of the system to properly dissolve the substances taken into the stomach, and aid digestion and the conversion of said substances into the proper constituents to make pure, rich, and wholesome blood, the deficiency of which is the cause of Dyspepsia, Indigestion, Diabetes, and many urinary difficulties, etc.

4. They regulate the organs of the system; restoring functional harmony and securing the secretion of the proper constituents of each organ; by their action the liver secretes its allotted proportion of bile—the lungs carbon—the skin sweat—the kidneys urine, etc.

5. The aged, and persons subject to CONSTIPATION, COSTIVENESS, PARALYSIS, and WEAKNESS OF THE BOWELS, KIDNEYS and BLADDER, etc., that have to resort to injections, by taking two or three of **Radway's Pills**, will enjoy natural discharges, and by the occasional use of them have regular operations. In these cases their strengthening and nutritious principles are exhibited; every dose will add new strength to the Bowels, Liver, Kidneys, etc., that may be worn or depleted by age.

6. In these Pills, a want that science has ever failed to supply is secured, and that is a thorough purgative that can be given in safety in cases of eruptive fevers, as SMALL-POX, ERYSIPELAS, YELLOW FEVER, SCARLET and TYPHOID FEVERS; when the Mucous Membrane becomes ulcerated, these Pills purge thoroughly, and heal ulcerated and excoriated parts.

7. These Pills are made from extracts—from new ingredients—entirely vegetable, superior in every respect to the ordinary powders and substances of the common advertised Pills. Two of **Radway's Pills** will act quicker than half a dozen of the common drastic pills in general use.

THE PROPERTIES OF DR. RADWAY'S PILLS

Are Perfect Purgatives and Cathartic, Aperient,
Diaphoretic, Carminative, Nutritious,
Laxative, Sedative, Counter Irritant,
Sudorific and Alterative.

**THEIR ANTI-BILIOUS PROPERTIES ARE
SUPERIOR TO ALL KNOWN REMEDIAL
AGENTS FOR THE PREVENTION OF, AS WELL
AS CURE OF BILIOUS FEVER AND FEVER
AND AGUE, &c., &c.**

They Equalize the Circulation, Purify the Blood, and Purge Corrupt and Acrimonious Humors, and retained deposits from the system in six hours.

As a Cathartic, they increase, when suspended, the peristaltic movements of the bowels, and promote a quick evacuation of its contents. Their influence is extended throughout the system, purging the retained deposits in the stomach into the duodenum, stimulating the excretory ducts of the pancreas and liver, in the promotion and increase of the flow of bile and pancreatic fluids.

Purgatives of common aloes exert their action on the colon and rectum by irritation of the mucous membrane, without influencing the liver or its secretions. Such cathartics are unsafe in pills for general use. The common Cathartic Pills, that induce drastic liquid discharges, should never be given in cases of inflammation, or when there is ulceration of the intestinal canal.

The Aperient and mild Laxative properties of Radway's Pills are the best safeguard in these disorders, and in all cases of eruptions and malignant fevers their balsamic, healing and soothing properties protect the coats of the alimentary passage against the irritant and acrid humors of the fæces. Dose, one pill for an adult.

The Nutritious and Tonic properties of these pills are of great service in depleting fevers and uterine discharges, likewise as a dinner pill, to increase the appetite and promote digestion.

Their Sedative properties allay pain in the nervous system, stomach and bowels, either from inflammation, colic, flatulence, wind, cramps, &c.

Their Counter Irritant influence extends throughout the system where there is inflammation, congestion or irritation, stimulating the blood and nervous fluids in the congested vessels, and equalizing its circulation. The principles of Counter Irritation generally belongs to external remedies. Its application, internally, in the form of a purgative medicine, exemplified in Radway's Pills, has proved a wonderful curative principle, readily withdrawing from the blood and fluids their acrid and irritating humors.

As Diaphoretics or Sudorifics they stimulate the secretions of the skin, induce exhalation of obstructed perspiration.

Their Diuretic properties act on the kidneys, correcting and regulating the flow of urine.

Their Anti-Bilious properties stimulate the liver in the secretion of bile, and its discharge through the biliary ducts. In all cases of Headache, Jaundice, Bilious attacks, Saffron-colored Skin, Impaired Digestion, caused by the absorption

of bile and its mixing with the blood, these pills, in doses of four to six, will quickly *regulate* the action of the liver and free the patient from these difficulties. One or two of Radway's Pills, taken daily, by those subject to bilious pains and torpidity of the liver, will keep the system regular and insure healthy digestion.

The Dose of Radway's Pills will depend on the condition of the system. To Regulate to a healthy action any of the glands or organs of the system where the secretions are deficient or impaired, one to two pills for adults. For Inflammation or Congestion, four to six, every six hours. For costiveness or Indigestion, one to six pills every night. As a Dinner Pill, to increase the appetite, one pill two hours before dinner.

FOR BILIOUS DISEASES.

Not one in a thousand would suffer from bilious complaints if Dr. Radway's treatment is observed, and all who may be seized with Bilious Colic, Bilious Fever, Typhoid Fever, Chills and Fever, Fever and Ague, Remittent and Intermittent Fever; in fact, all animal and vegetable fevers, are prevented and cured by RADWAY'S PILLS, assisted, when required, by the READY RELIEF.

Treatment.—See directions around each bottle and in each box.

One Pill, taken when symptoms of dizziness, fullness or pain in the head, nausea at stomach, indigestion, costiveness, pain after eating, sleeplessness, bad dreams, etc., etc., appear, will soon cure this difficulty. Radway's Pills are unlike all other pills; each pill contains three grains of the active curative principles of extracts of the rarest products of the vegetable kingdom—of ingredients some of them never before used as medicine, and to be found only in these Pills.

In cases of colic, severe inflammation, or paralysis of the bowels, and a speedy discharge of their contents required, grind six of the pills to a powder, and take in some preserves or water. In half an hour, the pills, given in this way, will generally operate. The dose can be repeated, if necessary, in two hours. We have known the pills, given in this form, to open the bowels when CROTON OIL, *Elaterium Podophyllum*, MANDRAKE, have failed. It is seldom that a second dose will be required in these cases of *Intestinal Obstructions*.

It will greatly assist the pills in effecting a cure, by giving the patient a bowl of hot oatmeal gruel six hours after taking the pills, or in the evening previous to their operation. In sudden Colds, Influenza, etc., this treatment is a sure cure.

TORPID LIVER.

DEER CREEK, INDIANA, July 21, 1887.

DR. RADWAY—*Dear Sir*: I believe in bestowing praise on those that praise is due. I had been suffering with Dyspepsia for a long time caused by non-action of my liver. I took different doctor's medicine but it done me no good; I gradually grew worse till I could not sit up all day any more. I saw that I was going to die if I did not get something that would help me more than our doctors was giving me. I have taken two bottles of Resolvent and fifteen boxes of Pills, I consider myself almost cured; I sent for another dollar's worth of Pills yesterday. I believe my life has been saved through the use of your medicine and your little book "False and True." I have used some of your Relief, think it is a good medicine, etc.

Mrs. CAROLINE MONTEITH, Deer Creek, Ind.

DYSPEPSIA.

HUNDREDS of maladies spring from this complaint. The symptoms of this disease are the symptoms of a broken down-stomach. Indigestion, Flatulence, Heartburn, Acid Stomach, Pain after Eating—giving rise sometimes to the most excruciating Colic—Pyrosis or Water Brash, etc., etc.

Radway's Sarsaparillian, aided by Radway's Pills, when needed, is a cure for this complaint. It restores strength to the stomach and makes it perform its functions. The symptoms of Dyspepsia disappear, and with them the liability of the system to contract diseases. Take the medicine according to directions, and observe what we say in "False and True" respecting diet. The subject is too long to introduce in our Almanac, and dyspeptics must heed those rules.

Dyspepsia and Liver Complaint Cured.

To DR. RADWAY—*Dear Sir*: I have for years been troubled with Dyspepsia and Liver Complaint, and found but little relief until I got your Pills and Resolvent, and it made a perfect cure. They are the best medicines I ever had in my life; I will never be without them. Please send me a copy of your "False and True," also a copy of your "Illustrated Treatise on Irritable Urethra and Self-Abuse."

Your friend forever, JOSEPH FRANKLIN.

RICHMOND, QUEBEC, CANADA, June, 1877.

UNIONVILLE, MICH., March 10, 1882.

DR. R. G. RADWAY—*Dear Sir*: For a long time past I have been suffering in the most distressing manner from a long train of symptoms, which have baffled the skill of all the medical men down here, and which I feared, if not arrested in their progress, would terminate in the total prostration of my strength. Loss of appetite and desire of stimulating and artificial means of sustenance at irregular times, want of healthy sleep and consequent depression on arising in the morning, rendered life quite a burden to me, until a friend of mine induced me to try your medicines. So I got a bottle of Radway's Sarsaparillian, and a box of Radway's Regulating Pills, and took them according to directions. I soon found relief. I got three boxes and three bottles more, and I am in better health than ever before.

I remain your humble servant,

ARTHUR D. WRIGHT.

CHEBANSE, ILL., July, 1877.

RADWAY & Co.—*Gentlemen*: Your Pills have often warded off sickness in my family. I never think it safe to be without them; they are a fine, sure medicine.

Most respectfully yours,

HENRY KENWORTH.

CHEBANSE, Iroquois Co., Illinois.

What a Physician Says of Radway's Regulating Pills.

I am selling your R. R. Relief and your Regulating Pills, and have recommended them above all pills, and sell a great many of them, and have them on hand always, and use them in my practice and in my own family, and expect to in preference of all Pills.

Yours respectfully,

DORAVILLE, GA., Feb, 13th, 1876.

TO THE PUBLIC.

Too much care cannot be taken in selecting medicines that at all times can be relied upon.

We have described the wonderful properties of our old-established and world-renowned remedies which, for three generations, have been in use with the most beneficial results. Safe and sure, we have yet to hear of the first instance in which they have failed to give satisfaction.

The secrets of their success are the happy discovery of the components, the choice of the purest and best drugs that can be obtained, and the unabating care in conducting all the Pharmaceutical processes. Thus

The Medicines of DR. RADWAY can at all times be relied upon, if used according to directions.

So famous have our remedies become that there have been many fraudulent imitations and counterfeits; but the genuine can **EASILY BE DETECTED** by attention to the following:

Be careful and see that the *Ready Relief* is put up with **rubber stoppers**, and every wrapper engraved with "*Radway's Ready Relief*," in very small characters, all over the wrapper.

See that the name "**RADWAY**" is blown in the *Resolvent* and *Ready Relief* bottles, and take no *Resolvent*, *Ready Relief* or *Pills* that has not the signature of *Radway & Co.*

In particular, every bottle of *Ready Relief* put up by us since May, 1886, has a finely executed steel engraving like the annexed pasted OVER THE CORK. This **SAME** cork label is also pasted over every bottle of *Resolvent* put up by us since May, 1886; and pasted on the back of the *Ready Relief* bottle is an intricate steel engraving of which the following is an illustration.

These Labels are never used a second time by us; each bottle is inspected, and both labels are clean, perfect and unbroken when the bottle leaves our hands.

Persons would oblige us by defacing both labels after using the contents of any bottle, so that they could not by any means be used again by any unscrupulous adventurer who might like to fill the bottles with trash and deceive the public.
