THE TWENTIETH ANNUAL REPORT  
OF THE  
PROVINCE OF QUEBEC RIFLE ASSOCIATION.

—1888.—

In submitting this, the Twentieth Annual Report, the Council are much pleased to be in a position to congratulate the members on the successful ending of a year which opened with but a poor outlook for the interests of the Association.

The Jubilee Cup arrived in due course, and was presented to the first winners, the 6th Fusiliers, at a special parade at the Drill Shed, on Thursday, 21st June, by Alderman Grenier, on behalf of the Corporation of City of Montreal.

MATCHES.

An entirely new departure was made this year, and, through the want of a Rifle Range in Montreal, the Association was compelled to hold its Matches on the Rideau Range, in Ottawa. The programme was drawn up on similar lines to last year, and, under the circumstances, was a complete success.

The entries, though not quite so numerous as last year, were most satisfactory, there being 33 teams and 1,944 individual, against 43 teams and 2,029 individual, the largest number of entries in any regular match being 152, as against 144 last year, in the Association, and 413 in the Extra Series 600 yards, as against 452 last year at 500 yards.

We have the same number of Affiliated Associations, 17, but only 32 Individual Members.

The Executive Officer was Lt.-Col. Mattice, with Major Radiger, Capt. Manly and Lieut. Winters, as Range Officers, to whose energy and promptness a good deal of the success of the meeting was due.

## MEDALS, CUPS, &amp;c.

The Governor-General's Silver Medal was won by Capt. Hood, Royal Scots, 76 points.

The Governor-General's Bronze Medal was won by Lieut. Spearing, 53rd Battalion, 76 points.

The Lieut-Governor's Medal was won by Pvt. Thompson, T. R. C., 90 points.

The Dolan Cup was won by Lieut.-Col. Miller, 8th R. R., 82 points.

The Martini-Henry Rifle was won by Sergt. Thompson, T. R. C., 87 points.

The Association Cup was won by the Royal Scots R. A., with 263 points.

The Corporation Jubilee Cup was won by 5th Royal Scots, with 421 points.

The Aggregate Cup was won by the Toronto Rifle Club, 868 points.

The N. R. A. Association Medal and P. Q. R. A. Champion's Badge was won by Pvt. Edward, 58th Batt., 191 points.

The D. R. A. Medal was won by Sergt. C. M. Hall, 79th Batt., 180 points.

## COMPETITORS' MEETING.

Some means should be taken to render this meeting of more service, as it is to the opinion of the competitors the Council must look for guidance in drawing up the Programme and laying out the Matches.

## AMMUNITION.

The system of 1887, for serving out packages, was continued, and found most satisfactory. The new Dominion of Canada make of ammunition, furnished to the competitors this year, was a great improvement on any previous issue, and appears quite equal to the old English standard.

The thanks of the Association are due to the Hon. Minister of Militia for having carried this matter to such a successful issue.

## RANGES.

The new Ranges at Cote St. Luc are still in an incomplete and unserviceable state. The Militia Department, during the past season, have placed 10 second-class target frames in position, but without the necessary background, or the material for using the Targets; and before the Range can be of any service to this Association, it will be necessary to have 20 more second-class and 6 first-class targets, with butts and firing points complete.

There is as yet no accommodation for the Caretaker, or Armory for rifles and ammunition, or Storehouses for the targets, flags, mats, &c., nor any shelter whatever for Markers or competitors against rain and bad weather.

The C. P. R. Station in the West End will be open early in the year, and some arrangement should be made with the Company for reduced fares and special train accommodation.

## PUBLIC PRESENTATION OF PRIZES.

No public presentation of Prizes took place this year, but there is no reason why it should not be made a very pleasant feature of our next year's meeting. The surroundings of the new ranges at Cote St. Luc are very favorable for a reception of this kind.

## PROPERTY.

A list of property is attached. All articles belonging to the Association have been removed from the old Ranges at Point St. Charles, and are now in store, with the exception of the following articles, which were transferred to the Brigade-Major for the use of the new ranges :—

33 Firing Stands, wood.	1 Wheelbarrow.
1,400 yards Telephone Wire.	1 Vice.
1 Flagstaff and Drum.	1 Screw-driver.
1 Blue Ensign.	2 Trammels.
2 Monkey Wrenches.	1 Hammer.
1 Padlock.	1 Hand Cart.

## FINANCES.

Having to hold the Annual Matches in Ottawa increased the expenditure very materially. We estimate the extra expense to have been about \$600. We have also had to incur some preliminary expense in connection with the new Ranges at Cote St. Luc, amounting to \$111.90. These two amounts, added to our present balance of \$303.96, would have given us a balance about equal to last year's, which is certainly as satisfactory as could be expected.

We are still without any general subscriptions from the other points in the Province, from whence we ought to receive a reasonable share of support.

## D. R. A. MEETING.

The Province was remarkably well represented at Ottawa, and though while not showing very many on the Wimbledon Team, won some very good prizes, amongst them the following :—

1st Prize, in the Ouimet Match, by Staff-Sergt. Clark, 53rd Batt.

2nd “ by Corp'l. Hawkins 8th Batt.

3rd “ Ind. in M. of M., Lt. Macfarlane, 50th Batt.

4th “ Team Prize in Minister of Militia Match, Sherbrooke

R. A.

2nd and 3rd Prizes in the Manufacturers, by Pvt. D. Smith, 6th Fusiliers, and Capt. Brown, 54th Batt., respectively.

5th Prize in the Grand Aggregate, by Staff-Sergt. Clark, 53rd Batt.

And 12 places in all out of the first 60.

1st, 3rd and 4th prizes in the Gzowski Match, by the Royal Scots, 8th Batt. and V. R. C., respectively.

2nd Prize in the British Challenge Shield, by the Royal Scots.

2nd Prize, Provincial Team Match.

## ONTARIO RIFLE ASSOCIATION.

The Province was well represented again this year in Toronto, getting the following prizes :

4th Prize in the Gilmour, by Capt. Hood, Royal Scots.

5th “ in the Walker, by Major Blaiklock, Royal Scots.

2nd Team prize in the Tait Brassay, by the Royal Scots.

2nd Prize in the Gibson, by Capt. Hood, Royal Scots.

1st Prize Martini-Henry Extra Series, by Capt. J. Hood, Royal Scots.

As we have already stated, these results are better than were anticipated, in view of our having no Ranges.

W. M. BLAIKLOCK, Major,

In cases where a competitor is excluded from "further competition," or where his score is disallowed, for any particular prize, *the circumstances only* under which the penalty was incurred shall be posted on the notice board, as a warning to others, without the name of the individual implicated.

In cases of "disqualification," the names of the offenders, as well as the particulars of the case, shall be posted on the notice board.

## MITIGATION OF PENALTIES.

- a. Bull's Eye..... White Disc.
- b. Inner..... Red Disc.
- c. Magpie..... Black and White Disc.
- d. Outer..... Black Disc.

c. *Misses* will *not* be signalled ; but if a target has been lowered under the impression that it has been hit, and if no hit is found on it, after raising it the Marker will wave a red flag, which will signify a miss.

2. When *two* shots strike a target simultaneously, that which has the highest value will alone be marked with the *marking disc*, and the competitor whose proper turn it was to fire at the target will be credited with that shot, provided he has fired.

3. On a target being lowered, the position of a hit, if any, and its value will be shown by the spotting disc, when the target is again raised.

4. The marking when signalled shall not be questioned, but if a shot is not signalled, and the officer in charge of the firing points be satisfied that a reasonable doubt exists as to whether the shot may not have struck the target, he may ask the officer at the butt to examine the target. *The result of this examination as signalled shall be final.* Any competitor challenging a shot shall deposit the sum of twenty-five cents with the officer in charge at the firing points, which shall be forfeited in case no hit is found on the target.

5. All alterations of the registers must be initialed by the Register Keeper making them, but no alteration, except in the case of a clerical error, shall be made without having first signalled to the butt.

6. No person will be permitted to go and examine a target during the meeting except the Range Officer, or such person or persons as he may duly authorize to do so in his behalf.

*In Skirmishing.*

When the number of hits counted on the targets exceed the number of shots allowed in the competition, three marks shall be deducted for every such hit in excess of the number of shots, unless it be proved that such hit on the target in excess of the number of shots allowed could only have been made by competitors in the squad firing more than their usual number of rounds, in which case the squad shall be disqualified.

## 6.—RIFLES.

The rifles shall be Snider and Martini-Henry rifles, either of Government issue or of *bona fide* Government pattern, and bearing the Government Viewer's mark.

1. Weight of Snider not to exceed, without bayonet, 9 lbs. 12 oz. Weight of Martini-Henry, without bayonet, not to exceed 9 lbs.

2. No pad or shoe for the heel plate of the butt will be allowed.

3. Minimum pull of trigger, 6 lbs.

4. Sights to be strictly in accordance with those of the Government issue. Filed sights will not be allowed.

(a) All sights may be temporarily blackened or whitened, but no application of a permanent nature will be allowed. No shading of sights will be permitted.

(b) The *back sight* may be tilted forward or backward, or supported at an angle by any extemporized means.

(c) The sliding bar may be reversed, and used on either side of the uprights. One permanent centre line for the Snider and three for the Martini-Henry will be allowed, and *temporary* marks or lines of any kind removeable at pleasure may be used.

## 7.—AMMUNITION.

Competitors must use the ammunition provided by the Association, the cost of which is included in the entrance fee.

## 8.—POSITION.

Unless otherwise specified, the shooting at all ranges shall be from the firing points, and may be in any position with the head to the target.

## 9.—ORDER OF SHOOTING.

1. When a competitor has joined a squad he shall not leave it, until he has retired or completed his firing, without leave from the Register Keeper; any competitor losing his turn, or being absent without leave, or who does not hand his scoring ticket to the Register Keeper at the firing point to which he is squadded at the time detailed on his ticket, will be disqualified for the match, and lose his entrance fee. Time will be regulated by the Association clock in the Secretary's Office.

2. In all competitions, *except* those open to "Any Rifles," competitors shall, when possible, be formed up by files, and fire shot and shot *alternately*.

3. Where but *one* competitor is present, he shall fire his shots without undue delay, but the officer in charge of the firing point, *or some person named by him*, must witness the shooting, and countersign the register. Failing such verification, the score will be invalidated.

4. No two competitors shall shoot in any competition with the same rifle, *excepting with Martini-Henry*; nor shall a competitor change his rifle at any range, during a competition, unless his first rifle should become unserviceable through an accident, which must be verified through the officer in charge.

5. In the case of unreasonable delay in firing on the part of any competitor, or of such delay as the Range Officer may consider likely to prolong the firing beyond the time allowed, the Range Officer shall have the right to caution and time the competitor by a sand glass, purporting to run one minute, more or less, and if after such caution the competitor does not fire before the sand glass has run out, the Range Officer shall declare the score forfeited, and call on the next competitor to proceed with his firing.

6. The competitor must, after delivering *each shot*, pay attention to the score called out by the Register Keeper, and himself see that such score is correctly entered on the register, so that any objection to the score recorded may be investigated before the next shot is fired.

#### 10.—TIES.

Ties shall be decided as follows:—

A.—*In Individual Competitions for a Series of Prizes*:—

1. If at more than *one* distance, by *the range totals* in *inverse order*.

2. By the fewest *outers*.

2. Every competitor shall enter and shoot under his own name, and not oftener than once for any prize, unless specially allowed by the terms of competition.

3. To meet the case where the difficulty may be experienced in selecting the actual competitors in sufficient time to make the required entries by the 2nd August, Officers commanding corps, and Secretaries of Local Associations, will be permitted to send in their applications for (state number of competitors), accompanying such application with the amount of the entrance fees, and to postpone the rendering of the actual names of those for whom they make the entries until the selection of the competitors is definitely made. In such case the Register Tickets shall not be issued before the final return is handed to the Secretary. Any payment made for entries in excess of the number of competitors nominated will be returned in full, as provided for under paragraph 12 (a), Return Entrance Fees.

4. Entrancé fees must be paid at the time when entries are made.

The Register Tickets will be issued on application at the Secretary's Office, on the Range.

**12.—RETURN OF ENTRANCE FEES.**

1. Entrance Fees in full will be returned to those—
  - (a) Who are prevented from being present at the meeting ; or
  - (b) Who attend the meeting, but who are incapacitated from illness or accident ;
 or
  - (c) Whose entries the Executive Committee may have cancelled.
2. Claims based on other considerations than the above will, if allowed, be subjected to a penalty of half forfeit.

**13.—SQUADDING.**

1. In the case of competitors classified as ordinary entries, arrangements will be made and details published, on the Range, of the day and target of which each competitor will be required to attend to fulfil his engagements.

In cases of post entries, competitors must await the squadding of ordinary competitors before being assigned to any target.

**14.—ALTERATION OF SQUADDING.**

Any alteration which the Executive Officer may find it necessary to make will be duly notified on the notice board, and such notice shall be a sufficient authority for the change. In the absence of such notice, tickets will be available only for the target for which they were originally issued, and any erasure or alteration will cancel the ticket, unless verified by the initials of the Executive Officer.

**15.—REGISTER TICKETS.**

1. Should a competitor lose his ticket, or omit to take it to the firing point, or fail to attend at the hour detailed, or give a wrong ticket, and so, by *his own neglect*, miss the opportunity of competing for the prize for which his ticket was issued, he shall forfeit his claim on the Association, *and no duplicate ticket shall be issued to him except under special circumstances.*

2. *Any erasure or substitution of one name for another shall invalidate the ticket.*

**16.—SIGHTING AND FOULING.**
