LEGISLATURE TO PRODUCE TOMORROW

PREMIER WILL SPEAK TODAY ON GRAND FALLS

Flewelling Amendment Viewed as Want of Confidence

FARMERS LINE UP

Government Majority on Bill Expected to Be Largest in Four Years

FREDERICTON, April 29.—Should the debate on the Flewelling amendment to the New Brunswick Electric Power Act be completed this afternoon, there is every prospect of a government being re-elected early tomorrow. Premier Vandyke will speak this afternoon and will characterize the Flewelling amendment as a want of confidence motion and at the same time outline the Government's policy with respect to the Grand Falls development.

It is expected that the Government majority on the Flewelling amendment will be the largest the Government has secured on any motion in the last four years, as the Farmer members are almost certain to support the Government policy.

FARMERS CONFERENCE

This morning, S. R. Weston, chief engineer of the New Brunswick Hydro-Electric Commission, attended an informal conference called at the invitation of the Farmer group. Mr. Weston gave the members considerable detailed information regarding the proposed development, answering many questions as to the estimated cost of the various kinds of work planned, and pointed out that a prospective market for the electrical energy is now in sight. There was a sprinkling of Liberal and Conservative members present.

OPPOSITION CAUCUS

Later, the Conservative opposition held a short caucus, when the project was again discussed. There was a rumor about the lobby of the House today that the opposition might make another amendment on the third reading of the bill, but opposition members, following the caucus, said that no such step had been considered as yet.

John S. Martin and Fred Fowles, Independent Labor-Farmer members from Northumberland, today issued a statement to the effect that they intended to support the Government's bill, having been assured that every possible information regarding the project was available and that the best engineering authorities had endorsed the project.

CITY BUILDING LAW PASSES COMMITTEE

Common Council Will Be Given Greater Control Over Construction

Special to The Times-Star. FREDERICTON, April 29.—With very little discussion the municipalities committee this morning decided to report favorably the bill to regulate the construction of buildings in that city. By the terms of this act the Common Council is given more control of the building construction in the city and the building inspector may prescribe certain types of building construction for special areas, and may order partially-burned structures, which would prove a fire menace to be torn down and a special type of construction used in rebuilding.

ACTION OVER LOGS

Case of Frank Puddington vs Randolph & Baker Begun in Circuit

The April sittings of the Circuit Court were resumed this morning with Mr. Justice Crockett presiding. The non-jury case of Frank Puddington vs. Randolph & Baker was commenced. This is an action in which the plaintiff is suing for the price of logs rafted for the defendant in Craft's Cove on Washademoak Lake about a year ago. The amount involved is approximately \$1,000. The defence submitted to the effect that the logs were not delivered according to contract. Belyea & Gilbert are appearing for the plaintiff, and S. A. M. Skinner for the defendant company.

Special to The Times-Star. FREDERICTON, April 29.—The incorporation of the British Canadian Packing Co. Ltd., is gazetted today. The company is organized for the purpose of establishing an abattoir and packing plant at Saint John. The head office is at Saint John and capital stock is \$499,000.

3 HURT IN MOTOR ACCIDENT IN YORK

Driver Has Ribs Broken, and Constable Yerma Badly Shaken up.

Special to The Times-Star. FREDERICTON, April 29.—R. Bruce McFarlane, Constable A. Ford Yerma and Jack Doran, well-known guide, were victims of a motor accident last night seven miles west of Long's Creek, on the Woodstock-Frederickton road, where Constable Yerma had gone to serve papers. The car was owned by Mr. McFarlane and operated by him. Something went wrong with the steering gear and the car left the road bringing up against a huge boulder. Constable Yerma was thrown through the rear windshield and sustained severe cuts about the face and scalp. Mr. McFarlane sustained the most serious injuries. It being thought that three ribs are fractured. Mr. Doran escaped with a shaking up.

Boston Factory Destroyed by Explosion and Fire—Several Injured.

MALDEN, MASS., April 29.—The cement and varnish plant of the Boston Rubber Shoe Company, was destroyed today by an explosion that was heard for miles and was followed by fire. Several employees of the plant were injured, but early reports indicated that there had been no loss of life.

Stoker Found Dead In Halifax Cell

HALIFAX, N. S., April 29.—A man found by the police sleeping on a wharf last night and locked up was found dead in the cell this morning. When admitted his name had not been recorded, but it was discovered at noon that he was Frank McGrath, 40, a native of Ireland, and a stoker from the steamer Strandhill, now in port. He will be buried this afternoon.

CHEMISTS SAY NO DISEASE IN OUR TUBERS

Reassuring Wire Comes Today From J. C. Manzer

MARKET IS OPEN

Expectation Now Is That Local Surplus Will Be Disposed Of Quickly

NEW BRUNSWICK potatoes have been given a clean bill of health by the chemists of the Sanitary Department of Cuba, according to a cable received this morning by The Times-Star from J. C. Manzer Co. in Havana. The text of the telegram was as follows: "The chemists of the Vegetable Sanitary Department of Cuba just issued a statement printed in all the morning papers, that they find no disease in Canadian potatoes."

According to local potato men this means that the issue for the New Brunswick tubers is wide open and there are good hopes that all the surplus potatoes will be marketed successfully.

TUBERS REJECTED

Recently there had been an agitation in Cuba against Canadian potatoes. While no embargo was considered, it was felt by shippers that the reputation in Cuba was becoming extremely rigid and potatoes had been rejected by the officials when they really came up to the necessary standard.

It was pointed out this morning that potatoes going to Cuba had to pass inspection there and that an agitation by shippers from other countries had resulted in the rejection of some Canadian potatoes on the ground that some disease might infect them. Canadians, however, took the matter up with the Cuban authorities, pointing out that the potatoes from this country were of the highest class and did not show signs of any disease. Potatoes, which passed the inspectors here and appeared to be of the highest quality, were the object of criticism by certain inspectors in Cuba. This was believed to be discrimination and not based upon actual facts.

Now, however, Canadian potatoes have been given a clean bill of health. While the rigidity of the inspection and the attitude of certain inspectors in Cuba made the acceptance of New Brunswick potatoes a matter of conjecture, shipments had been steadily going forward but there was some curtailment.

PARIS, April 29.—Finance Minister Caillaux has initiated an expense trimming campaign by writing each minister: "See personally so that the most rigorous economy can be exercised in next year's budget." Every useless employee, he added, must be discharged.

Montreal Presbytery Clerk Refuses To Hand Over Papers When He is Relieved of Office

MONTREAL, April 29.—Rev. A. S. Reid, clerk of the Montreal Presbytery, was relieved of office, and overtures will be made to the General Assembly to remove Rev. Dr. J. Fraser, principal of the Presbyterian Theological College, and any other professors of the college opposed to church union, according to decision reached yesterday at the final general meeting of the Montreal Presbytery prior to entry into the United Church in June.

Tennesses charged the atmosphere when the Rev. A. S. Reid declined to vacate his office, or to hand over the papers and documents of the office to the Rev. Wm. Monroe, who was appointed the new clerk. Upon declining to accede to the wish of the Presbytery as expressed in resolutions, Rev. Mr. Reid was asked in another resolution to forthwith hand over papers and records to the new clerk. Again he declined.

At the close of the afternoon session, Rev. Mr. Reid was again asked to comply with the desires of the Presbytery. Scooping all the papers on the table into a bag, he closed it, and holding on to the bag tightly again declined to hand them over. A committee was appointed to take such steps as were deemed necessary to secure possession of the records.

The R-33 Returns

Here is shown the first photo of the giant Dirigible R-33, which tore loose from base moorings at Puffin, England, by a terrific wind storm and, after twenty-four hours buffeting about over the North Sea, was guided back to her hangar. The picture shows clearly the damage sustained to the big ship's nose when she broke away.

43,775 Canadians Return To Homes From U.S. in Fiscal Year

OTTAWA, April 29.—In March of this year immigration to Canada totaled 6,875, compared with 2,210 in February, an increase of 4,665. Of the 6,875, 3,278 were British, 1,287 from the United States, and 2,308 from other countries. In the same month 2,731 Canadians, who had been in the United States six months or longer, returned to the Dominion.

For the fiscal year 1924-25, ended March 31 last, the total immigration was 111,262 made up of 53,378 from the British Isles, 15,818 from the United States and 42,066 from other countries. In the same period 43,775 Canadians, who had been in the United States six months or longer, returned to the Dominion.

ARRANGEMENT MADE TODAY AT FREDERICTON

Railway Solicitor Confers With Provincial Government

ON MILEAGE BASIS

Road Has About 1,000 Miles In Province—C. P. R. Pays \$58,000 a Year

By Staff Correspondent of Times-Star. FREDERICTON, April 29.—New Brunswick will receive between \$90,000 and \$100,000 in taxes from the C. N. R. as a result of an agreement reached here this morning at a conference between the members of the Government and Gerald Ruel of Montreal, solicitor for the C. N. R.

It was announced following the meeting of the Government that Mr. Ruel had agreed to accept the New Brunswick system of railway taxation and the C. N. R. will this year pay into the treasury about \$100,000.

On Mileage Basis. At the present time the C. N. R. pays taxes in every province of Canada with the exception of New Brunswick and Prince Edward Island and under the arrangement completed here today this province will tax the National Railways on a mileage basis. The C. N. R. has about 1,000 miles of railway in this province. The C. P. R. pays about \$58,000 per year in New Brunswick.

PAPER COMPANY IS SUED FOR MILLION

Oil Concern Claims International Co. Did Not Carry Out Terms of Contract.

BOSTON, April 29.—Trial of a suit involving \$1,000,000 brought by the Beacon Oil Company, of Everett, against the International Paper Company of New York, began yesterday in the U. S. District Court.

The plaintiff alleges that the paper company, which controls more than a score of mills in Canada and the U. S. in October, 1920, entered into a contract to purchase the following year, 550,000 barrels of fuel oil at \$3.50 a barrel. The purchasers, the bill stated, took only 266,802 barrels, and the price in the meantime dropped to low levels, entailing heavy loss to the vendor firm. The defendant company declares that because of strikes and other unfavorable conditions, it was unable to carry out its terms.

Britain Holds Peace On Security Issue

LONDON, April 29.—With Field Marshal Von Hindenburg at the head of the German state and a new government in power in France, the British have fallen back on a policy of "wait and see," so far as the European security situation is concerned. British officialdom takes the view that what the further developments are, depends largely upon France.

The Weather

MONDAY, April 29.—Pressure is high from the Great Lakes eastward and over the western half of the continent, while a moderate disturbance centered this morning near Chicago, is moving southeastward. Except for showers in Cape Breton, the weather has been fair and cool over the Dominion.

THE CHURCHILL BUDGET.

Mr. Churchill, Chancellor of the Exchequer, has justified at least some of the optimistic forecasts concerning the budget. Sterling made another strong advance yesterday in response to the announcement of the restoration of the gold standard.

There are slight additions to the death duties on estates exceeding £12,500 in value, and duties are imposed on artificial silk, raw silk, hops and some other articles.

There is no country which has shown courage in taxation to match that of Great Britain since the war. In other countries much affected by the war, statesmen as a rule, notably in France and in Germany, have failed to meet the war burden by any such measures of taxation as those to which British governments have resorted.

PORT FACILITIES.

Mayor Potts has taken under consideration a suggestion by Mr. Matthew Lodge, New Brunswick Director of the C. N. R., that it might be well if the port committee were to pay another visit to Ottawa in the near future to impress upon the Government the importance of beginning work on the additional harbor facilities required at this port.

His Worship said yesterday that he was taking a little time to consider the matter, and that he probably would call the port committee together next week to discuss action along this line.

HIGH PRICES.

In the course of an exhaustive analysis of the effect of customs duties and freight rates upon prices Mr. Edward Nelson Dingley, an American whose name indicates relationship to the chief author of the Dingley tariff, contends that currency inflation has much more to do with high prices than either the tariff or the railroads.

There are several conditions. But between 1912 and 1920—a period of low tariff and increase in volume of money circulation of more than 100 per cent—retail prices advanced more than 100 per cent.

There is a cover behind which a Kaiser can sneak back. Probably the Luther government will hold on for a time and reaffirm its announced policies. But when all is said, the fact cannot be concealed that Germany has chosen to run an enormous risk, that she invites unsettlement at home and distrust abroad and that the German people will have to begin over again their struggle to convince the world that they believe in the new order which they can be trusted in their promises and purposes.

DELAY ASKED IN DEVELOPMENT OF GRAND FALLS

Opposition Amendment Would Defer Work Until After General Election

VENIOT ADJOURNS HOUSE DISCUSSION

Flawelling Motion Seeks to Have Plebiscite Held Before Operation Started.

FREDRICKTON, April 28.—Calling upon the government to defer actual work of construction until after the general provincial elections this year, the Opposition party in the House today made known its stand on the proposed hydro electric development at Grand Falls.

When Hon. J. C. Rand, Attorney-General, who has been allotted the task of piloting the Government's hydro legislation through the House, moved the second reading of the bill for increasing the borrowing powers of the New Brunswick Hydro Commission to obtain funds for proceeding with the Grand Falls project, John M. Flawelling, Conservative, Charlotte, moved an amendment demanding a delay of the Grand Falls project until the people of New Brunswick have been given the opportunity of pronouncing on the proposal when the general elections are held.

AMENDMENT'S PURPOSE. The amendment of Mr. Flawelling sets forth reasons why the Grand Falls project should not be proceeded with until the people have voted thereon. First, the amendment refers to the large expenditure involved and points out that this will

bring about an increase in the public debt which now exceeds \$20,000,000. Then it says the exact expenditure has not been definitely determined nor has the revenue to be derived been made known.

PREMIER'S WORDS QUOTED. The international features are touched upon and the statement of Premier Veniot, made in the House a year ago, when he said that the Government before causing the expenditure of one dollar in connection with the Grand Falls development, would give the people an opportunity of approving of the project which involved such a large expenditure, is quoted verbatim.

FAVORS HYDRO EXPANSION. Mr. Flawelling declared his party was strongly in favor of hydro-electric development, and also the Grand Falls project, provided that all necessary information in regard to the absolute cost of such had been thoroughly established and the market for power assured.

MAINE ACTION CITED. Once more Mr. Flawelling assailed the Musquash development and then referred to the demands that Maine will make for power. He pointed out that the governor of Maine had asked for the appointment of a New England representative on the International Joint Waterways Commission to make certain that the rights of Maine would be thoroughly respected. Mr. Flawelling jibed at the contract made by this province with Quebec and said that since Quebec had secured an exceptional bargain, this province might expect that Maine would be even more desirous of getting full value for any concessions it would make.

SAYS MIND CHANGED. In closing Mr. Flawelling charged that Premier Veniot had changed his mind with regard to the Grand Falls development within a year. In 1924 he favored submitting the project to the people but today he is ready to go ahead with the project without consulting the people of the province. Mr. Flawelling declared that the ultimate scheme will cost \$20,000,000. Premier Veniot adjourned the debate and moved that the further consideration of the Flawelling amendment be made the order of the day for tomorrow. Tonight the Liberal members of the House held a lengthy caucus when the Government's hydro policy, more particularly the Grand Falls project, was discussed.

GRANTS ARE TABLED. Hon. Mr. Hetherington presented a message from His Honor the Lieutenant-Governor submitting the supplementary estimates and moved that such message and estimates be referred to the committee of supply. The supplementary estimates follow:

Deaths

Nevin Cameron. The death of Nevin Cameron occurred last night at the age of 86 years at his home in Mascarene. Many friends will regret to learn of his passing. Mr. Cameron was well known in this city, where he was employed for many years as stevedore. He retired from active work about 18 years ago and left Saint John to make his home in Mascarene. He was in Saint John a few weeks ago attending the funeral of his brother, Angus. He is survived by his wife and one brother, Wallace Cameron, of West Saint John. The funeral will take place on Friday afternoon at Mascarene.

Mrs. John Ryan. Friends in the city were greatly grieved last night to learn of the sudden death of Mrs. John Ryan, which occurred at her home, 82 Clarence street, following an illness of only a few days. Besides her husband she leaves one daughter, Miss Mabel Ryan, R. N., of the V. O. N. staff at the Saint John Health Centre. She is also survived by five brothers and four sisters. The brothers are Bernard and

Yesterday In Parliament

IN THE SENATE—Senator Turgeon declared that the constitution of Canada should not be changed without the unanimous consent of all the provinces affected. He supported the Senate as being representative of Canada and opposed election for the Upper House. IN THE HOUSE—The following speakers took part in the debate on the budget: R. Miles, Progressive, New Brunswick; F. F. Casgrain, Liberal, Charlotte; Hon. S. F. Poindexter, Conservative, Victoria; F. Rinfret, Liberal, St. James; A. J. Lewis, Progressive, Swift Current; and D. Spence, Conservative, Parkdale. At the meeting of Luxor Temple, Mystic Shrine, last evening with the Potentate, J. H. Crockett, in the chair, plans were made for the pilgrimage to Montreal to attend the dedication of the hospital for crippled children on May 16. Encouraging reports from the children sent to the hospital by Luxor Temple were read at the meeting.

OPENS FINE STORE IN CITY THIS WEEK

Louis Green on Friday Starts Business in Magazine and Tobacco Emporium. Friday of this week will see the opening in Charlotte street, of one of the finest and best equipped magazine and tobacco stores in Eastern Canada. The store formerly occupied by Hunt's shirt shop is being remodelled and completely fixed over to suit the handling of tobacco and magazines. New fixtures are being rapidly installed and the latest type magazine rack will occupy a very prominent part of the store. The new fixtures finished in mahogany with their rich glass fronts rank them second to none and the color scheme that is being carried out in connection with the walls and floor will be very attractive. All in all much credit is given to the way Harry Green has built up this thriving little business to what it is today and his many friends will wish him every success in his new store.

In Parliament Today

THE SENATE will sit. IN THE HOUSE—The debate on the budget will be resumed. The correct amount of dry or moist air will be correctly circulated through the various cigars and tobaccos to insure their being in the proper condition. As to the decorations no amount of trouble has been spared. The planning and designing is being done by B. G. Cooper who has been especially engaged to plan and design the interior of the store.

an-Governor submitting the supplementary estimates and moved that such message and estimates be referred to the committee of supply. The supplementary estimates follow: Grant to tourist bureau at St. Stephen, \$500. Institute for the Adult Blind, Halifax, \$500. Expenses of Provincial Secretary-Treasurer vs. Royal Trust Company Ferguson succession duty case, \$2,165.98. Additional steam navigation, \$2,440. Interest on Government House trust fund, \$2,838. The House then went into committee with Mr. Hayes in the chair, and took up consideration of the supplementary estimates. The committee rose and reported the resolutions as agreed to.

FUNERAL WILL BE THURSDAY AT 2.30

A. W. McMackin to be Laid at Rest in Fernhill—Pioneer Telephone Man. The funeral of Arthur W. McMackin, who died yesterday at his home, Rothersey, after an illness of two months, will be held tomorrow afternoon. There will be a private service at the home and a public service at St. Paul's church, Rothersey, at 2.30. Interment will be in Fernhill. FOUR SUBSCRIBERS. Mr. McMackin was one of the pioneer telephone men of New Brunswick and had charge of the first exchange in Saint John, which at that time had only four subscribers, one at the International Steamship Company office, one in the Park Hotel, one in the I. C. R. station, and the fourth in the I. C. R. freight shed. That was in 1879. Among the early associates of Mr. McMackin, who are still in the employ of the New Brunswick Telephone Co., Ltd., are O. D. Thomson, Sherman Hoyt, William Murphy and F. T. Cery. Mr. McMackin was manager of the Saint John exchange until 1907, when he became general superintendent, and in 1909 he took the position of secretary-treasurer, which he held until the time of his death. He had been living in Rothersey since 1913. He was secretary of the school board of the village and also secretary of the measure of the village since its incorporation. He was a member of St. John's Lodge, F. and A. M., and was also identified with the Independent Order of Foresters. SURVIVING FAMILY. He is survived by his wife and one son, Harry, with Oscar Hudson & Co. chartered accountants. He was the son of the late Mr. and Mrs. Thomas A. McMackin, of Saint John, and was married to Miss Annie Longley, also of Saint John, and, like her husband, a descendant on both sides of her family from Loyalists. Mr. McMackin was born in Saint John, but had resided in Rothersey in later years, where he was a vestryman of St. Paul's church. Mr. McMackin also left three brothers, S. W. of Saint John, and Thomas I. and F. Ernest, both of Boston, and two sisters, Mrs. Arthur L. Mann, of Randolph, Mass., and Mrs. W. C. Short, of Edmonton. GLEN FALLS MEETING. At a meeting of residents of Glen Falls, held last evening at the Threemile House, with Jeremiah Donovan as chairman and Mrs. J. W. Lawlor as secretary, names omitted from the voters' lists were added, after an explanation by the revisors. The matter of light for the district was discussed but it was felt the meeting was not representative enough to pledge the district to the necessary expenditure and no action was taken. 74 YEARS OLD. FREDRICKTON, April 29.—Fred B. Edgecombe, one of the leading merchants and business men of Fredericton, yesterday celebrated his 74th birthday. Many friends all over the province are extending congratulations. SOCIAL HYGIENE. Dr. L. C. Requegnat, social hygiene expert, addressed a meeting of the Saint John Social Hygiene Council yesterday afternoon. W. A. Lockhart, the president, was in the chair. An educational committee is to be appointed later. SIR AUGUSTUS IS BURIED. WINNIPEG, April 28.—The funeral of Sir Augustus Nanton, late president of the Dominion Bank of Canada, was held here today.

Fables On Health

ROOT OF SERIOUS TROUBLES CONSTIPATION often is considered a minor ailment. But regardless, it is one of the most common of ailments, and often is the root of serious troubles. Persons who lead a sedentary life are most subject to constipation. For them there is one cardinal principle to be laid down for its treatment. This is diet. Medicine may relieve constipation, but it does not remove the cause. Diet is the thing. Avoid eating as much as usual. Substitute in the place of meat, more fruits, including apples, tomatoes, prunes and figs. Oatmeal, Indian and rye meal porridge are beneficial, the more so if they are eaten with molasses instead of milk. Coarse bread, as Graham, oatmeal or brown bread, is to be preferred to the fine white flour. Drink coffee without sugar. Plenty of water should be taken during the day. Sometimes a glass of cold water before breakfast is a sufficient aperient.

Adventures of the Twins

By OLIVE ROBERTS BARTON. ON THE POLICEMAN'S HAT.

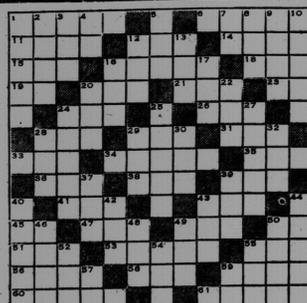

"How can we ever get to Beanstalk Land now?" exclaimed Nancy, when the magic beanstalk fell over. "The idea!" cried Mister Whiz. "Your memory isn't any longer than a guinea pig's tail. Have you forgotten about my magic aeroplane?" Nancy blushed. "Indeed I had, Mister Whiz," she said. "I'm dreadfully sorry. "No harm done," replied Mister Whiz brightly. "I'm only too glad to remind you of it. We never could get to Beanstalk Land, I'm afraid, if it were not for my magic aeroplane. Come on, and we'll be there before you can turn a flapjack in a frying pan. Do you wish to come along, Mister Beanstalk Fairy?" "Oh, no!" said the little green fellow. "I and my companions will wait for another beanstalk to grow. In the meantime we'll do very well as we are. A sinking ship is better than no ship at all—as long as it lasts." "Good-bye, then," said the three friends, and hurrying off to the place the magic aeroplane was, they got in and were soon buzzing away toward the sky. Pretty soon they sailed through a

"Sparrows!" shouted Mister Whiz. "Then the chickens must be as big as ostriches." Then he added gravely, "I'm afraid we are going to have some difficulty in finding our tiny friend. Come, my dears, we'll walk to the top of this hill and have a look around." Up to the top of the hill they climbed, when suddenly a voice under them belted out, "Moo! Mother, come and chase these flies off my head with your tail!" "Surely, darling, just lie still and I'll shoot the pesky things away," answered another voice. Before the Twins and Mister Whiz could scramble off the cliff head, a giant cow as big as a wind-mill came tearing across the field, swishing her tail like a huge fly-swatter. She gave one swish, and away they all went over a barn and six houses and never stopped until they came to a city. There they landed right on top of a giant policeman's hat. "This is as good a place as any," said Mister Whiz. "It's like being on top of the world up here. You look that way and I'll look this, and if the goblin goes by, we'll see him." To Be Continued.

"We Got Exercise at the Woodpile"

INDIGESTION is the great bug-bear of the modern business and professional man. If we had the old woodpile to tussle with we might keep the liver active without using medicine. But we neglect to take exercise and the best substitute is Dr. Chase's Kidney-Liver Pills. They arouse the action of liver, kidneys and bowels and entirely overcome indigestion, constipation, biliousness, backache and similar derangements. You can prove this to your own satisfaction with a single box of this popular medicine.

King Chosroes Would Have Loved These Rugs

BARRYMORE Guaranteed RUGS

KING CHOSROES I, of Persia, loved Summer. He loved to watch the feet of Summer dancing on the grass. So goes the old story of the Garden in Persia, land of romance. But Winter every year stole Summer away. One day a weaver-artist brought to the palace a wonderful rug. He had caught the spirit of Summer in the web of his design and had woven it into his rug. King Chosroes was never without Summer again.

Barrymore designs are the fruit of all the Eastern beauty that has gone before, adapted to modern tastes and requirements. The range and variety of effects gives you well-nigh infinite choice. In Barrymore Guaranteed Rugs the tints and tones of glorious Summer are captured for Canadian homes the year round.

When you think of rugs, think of Barrymore Rugs. They cost no more. Get to know the Barrymore type of rug. They are now on display in the stores—Barrymore Wiltons, Barrymore Axminsters, guaranteed rugs of high quality. Each Barrymore Rug is labelled and on the label is our steadfast guarantee of faultless manufacture.

When you serve Puffed Rice, they come with eager expectancy

EAGER children troop in glee to the table when mother serves Puffed Rice. To them the bowls are heaped with a delightful confection, but mother knows that this fascinating cereal is good food that brings rosy cheeks and happy health.

These wonderful whole grains, puffed to eight times normal size, are rich in minerals and carbohydrates. Served with milk or cream, vitamins are added. It is just the food little folk need for breakfast, at playtime, or in the evening.

Whenever hunger makes demand, serve them Puffed Rice or Puffed Wheat. They are easily digested. Between meals, they satisfy without over-crowding little systems. All cooked, ready to serve.

Your grocer keeps Puffed Rice and Puffed Wheat. Order both—the variety will please the children.

STOCK PRICES GO HIGHER IN WALL ST. TODAY

Developments in Great Britain Have Stimulating Effect on Market

GENERAL TONE IN MONTREAL STRONG

Early Trading, However, Fails to Develop Any Definite Activity.

NEW YORK, April 28—Stock prices pursued an upward trend at the opening of today's market, apparently in response to the available impression created by Great Britain's re-establishment of a free gold market, with the aid of a \$300,000,000 credit here.

U. S. Steel, however, declined fractionally in the face of a favorable earnings report, and sugar issues were depressed by lower prices for this product.

American Express jumped 4 1/2 points.

MONTREAL, April 29—The opening of today's stock market was not featured by any outstanding price changes, but the general tone was strong.

Consolidated Snolens was up 7/8; Shawinigan 1-2 to 181-1/2, and Atlantic Sugar 7-8 to 29-1/4. Other leaders were neglected.

Morning Stock Letter

NEW YORK, April 28—The return of England to a gold basis may be an important factor in helping various commodity markets. Copper, for instance, has been drifting for some time because of the absence of a foreign demand. Sugar has also. It is possible that these markets may be aided by England's action.

On the high traffic figures, rails have a pretty good chance of selling higher. So, by R. L. Seaboard issue.

Higher in the past few months. With the earnings statement out of the way, there may be some selling of Steel common. If any dips, believe it should be bought. It is likely March earnings may come by resemblance to those of the spring of last year. Demand for Steel products is holding up better than expected a few weeks ago and earnings for the current quarter should make a very favorable showing.

DR. FOSTER'S ATTITUDE

On the suggestion of Hon. Dr. W. E. Foster, the chairman of the committee, a Chase Fawcett, leader of the Farmer's group, called 6 o'clock, and the debate was resumed at 8 o'clock with Dr. Foster as the first speaker. He made a lengthy reference to the consideration of the bill before the corporations committee, spoke of the Plaster Rock dam, which is not recognized as an obstruction to the salmon, and finally concluded by announcing his intention of opposing the bill. Dr. Foster said he did not wish to retard any industrial development in New Brunswick and said it was unfortunate that something could not be done to harmonize the fishing and lumbering industry. He claimed that considerable doubt existed in the minds of the committee as to the probable result of this dam and which is not recognized as an obstruction to the salmon, and finally concluded by announcing his intention of opposing the bill. Hon. Dr. Roberts also opposed the bill, being in agreement with the wishes of the Lorneville fishermen. While Hon. J. E. Michaud, the final speaker in the debate, sided with the John members were not approaching the question in a broad way and argued that other interests should be taken into consideration. He asked that some slight sacrifice to insure industrial development.

The Current motion was lost without division.

ATTEMPT TO MAKE TO KILL TOBACCO BILL

Measure Passes House Committee After Opposition by Saint John Members

DEBATE LASTED FOR MORE THAN AN HOUR

R. T. Hayes is Only Local Member Who Argued for Passage of Bill.

FREDERICTON, N. B., April 28—Legislation which extends to the Fraser companies, Limited, the right to construct a dam and piers on the Tobique river at Red Rapids passed through the committee stage of the House tonight after a debate lasting over an hour, during which the members from the city and county of Saint John launched a vigorous attack on the bill.

MOVES TO KILL MEASURE.

Dr. L. M. Curran, M. L. A. for Saint John county, this afternoon moved an amendment that the committee report on the bill and that the motion, had it been adopted would have killed the bill.

Scott D. Gupill, farmer-fisherman member from Charlotte, seconded the Curran motion and the debate which followed indicated that many members of the House were not convinced that the construction of the proposed dam could be so arranged as to safeguard the salmon fishing industry in the Saint John River and the Bay of Fundy.

Mr. Scully said the fishermen of Lorneville were not satisfied with the safeguards in the bill and he would not support the measure because he felt it his duty to vote the way his constituents desired.

SUPPORTS FISHERMEN.

Mr. Bentley took the same stand and also referred to the fact that the Lorneville fishermen a few days ago. The salmon fishing industry, said Mr. Bentley, was increasing in the Bay of Fundy, while he personally did not believe the dam would work an injury to this industry, he was prepared to vote as the fishermen requested.

HAYES BACKS MEASURE.

Mr. Hayes, of Saint John city, was the only Saint John member to support the bill. He said the report of Mr. Hayes, the expert dam builder, had satisfied the members of the corporations committee that the construction of the dam would not result in the ascent of salmon to the spawning grounds. Further, Thomas Allen, of the Tobique Fishing Association, had sided with the question and his statement before the committee had naturally not weighed heavily on the minds of the members of the committee. Mr. Hayes admitted there was a sentiment abroad in the province that Saint John was too selfish, and he did not wish to aggravate that feeling, and would on this occasion at least support a measure which other Saint John members opposed. He believed every assurance had been provided in the bill to safeguard the salmon fishing industry.

How Far Can You Coast?

Another Lubricant - 261' ALEMITE Transmission Lubricant - Distance - 317'

WHAT THE COASTING TEST PROVES

The transmission and differential of a 1924 Buick Touring car were carefully drained and cleaned and filled with ALEMITE Transmission Lubricant. It was then driven to top of incline and car allowed to coast in neutral as far as it would travel. The entire operation was then repeated with various gear greases. Results: Free distance car travelled—Alemite Transmission Lubricant, 317 feet. Free distance car travelled, but other lubricant, 216 feet. Increase, 21 per cent.

And coasting farther means more machine mileage—more pep and power, in addition to longer life for gears.

A New ALEMITE Product

ALEMITE TRANSMISSION LUBRICANT is not just a gear compound—it is a new type lubricant for gears. It will do almost as much to keep down actual running costs and save repairs to transmissions and differentials as Alemite High Pressure Lubricating System is doing for chassis bearings on seven million cars. It shows highest heat and lowest cost tests, always working its way around the gears rather than over them, thus giving 100 per cent. lubrication.

Helpful Advice to Overworked Women

DAY in and day out, week in and week out the tired, overworked housewife and mother toils on, sweeping, dusting, cooking, cleaning and mending. Is it any wonder that after a time a weakness, such as Mrs. Chapman had, develops and the wife and mother pays a toll in physical weakness and pain for her efforts of love, the natural result of overwork?

Women who find themselves afflicted with weakness, pain, headaches, backache, nervousness, irritability and melancholia will be interested in Mrs. Chapman's letter, and should realize that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is especially adapted to overcome such conditions.

Mrs. Chapman's Letter Reads as Follows:

New Albany, Ind.—"I took Lydia E. Pinkham's Vegetable Compound for a weakness which many women have from over-work, and from which I suffered for quite a while. I wasn't fit to do my work and my master advised me to take this medicine. After the first few days the pains were not so severe as they had been and after taking a few bottles I was not bothered any more. I am doing my household every day and highly recommend the Vegetable Compound to any woman suffering from female trouble. Only yesterday a friend called me on the phone and knowing what it did for me wanted to know what to ask for as the drug store as she meant to give it a trial."—Mrs. C. E. CHAPMAN, 1220 Elm Street, New Albany, Indiana.

Helpful Advice to Overworked Women

Mrs. Chapman's Letter Reads as Follows:

Maisonville, Montreal.—"I was always feeling tired and heavy, with a weakness of the back and pains in my right side, and I had a nervous breakdown. A friend was taking Lydia E. Pinkham's Vegetable Compound and she gave me half a bottle to try. It did me so much good that I have been taking it ever since whenever I feel the need. I often go a month or so without taking it, but when I feel the least headache, or any other bad feeling, I just make for that bottle. I recommend it for any female trouble, and very few of my friends are without it in their homes."—Mrs. J. CHAPMAN, 381 Third Avenue, Maisonville, Montreal, Quebec.

WORLD'S CHAMPIONS TAKE LEAD IN AMERICAN LEAGUE RACE

WASHINGTON IS MAKING STRONG BID FOR PENNANT

Unreckoned Contenders Still Clinging To Leaders

NEW YORK, April 28.—Opening of the third week of the 1925 major league season today finds unreckoned contenders still clinging to the flying coat tails of the champion New York Giants and Washington Senators...

As Washington again stepped out into undisturbed possession of first place from a tie with Philadelphia in the American league yesterday, the veteran Walter Johnson, giving Boston only four hits, the Detroit Tigers pitched deeper into the mire by dropping their seventh straight game to the Browns, 5 to 3.

The Yankees, saved by rain yesterday, have likewise been one of the early season disappointments, with only a slight edge on Detroit. In the National League, Pittsburgh has almost matched Detroit in a failure to strike the gait figured for them on the basis of their form last year.

Cleveland In Third Cleveland in the American barred third place against the aggressive push of the White Sox, when George Uhle let the Sox down with five hits, while his team mates were gathering nine. George Sizer led the attack of the St. Louis Browns with three singles, making the fourteenth consecutive game in which he has hit safely and helped his team to a five to three victory over Detroit.

AMERICAN LEAGUE. St. Louis 5, Detroit 3. Cleveland 3, Chicago 2. Washington 9, Boston 2. Postponed Games. New York-Philadelphia, rain. NATIONAL LEAGUE. Cincinnati 9, Chicago 3. Along The Sport Trail

IT IS CERTAINLY gratifying news to baseball fans to know that two professional teams are now being organized, one in the East End and the other in the North End. Unless something unforeseen happens some thrilling games are assured, for there will undoubtedly be keen competition between the two organizations.

LOCAL FANS will certainly be glad to learn that Scotty Sterling has decided to remain in Saint John this summer. He is one of the fastest outfielders developed around here in years and is popular with the fans.

ACCORDING TO articles appearing in the Amherst News Nixey Kennedy, former Maritime amateur lightweight champion, and Willie Mitchell, Maritime amateur welterweight title holder, have been matched to meet in Amherst on May 11. Considerable publicity is being given to the proposed bout, but it is doubtful if it will be staged.

A MEETING OF the executive of the City Amateur League and managers of teams and officials of the South End League has been called for this evening. It is to be hoped that their differences will be patched up and that satisfactory arrangements will be made whereby they will all get together for the good of the game.

JUDGING FROM little news items which keep trickling in there was more doing at the recent semi-annual meeting of the Maritime Branch of the A. A. U. of C. in Moncton than has been disclosed. It is reported that President Millic presented a resolution to give notice of motion at the annual meeting of the parent body for the payment of amateur athletes for loss of time while participating in sport.

MANY ENTRIES RECEIVED FOR ATHLETIC MEET Forty-three entries have so far been received for the West Side Sunday school sports to be held on the new West Side playgrounds on Saturday afternoon. Practically all the speediest teen age boy runners are entered and some keen rivalry is expected as all are practicing hard.

Sunday School Boys Getting Ready For Saturday Eight are entered for the marathon, which will begin from Main street at the corner of Douglas avenue. The trial race was so close last Saturday that interest is keen in this event.

Jack Kearns Has Signed Mickey Walker LOS ANGELES, Cal., April 29.—Jack Kearns, manager of Jack Dempsey, announced here yesterday he had taken over the management of Mickey Walker, the welterweight title holder.

Who now can offer the slightest reason for going without the extra zip that Fundy gives every engine? Who can deny his car any longer the cleaner combustion of Fundy, with its protection against oil dilution and carbon troubles?

RIGID STANDARD

This month twenty thousand gallons of Fundy Gas were shipped back across a continent because they did not quite measure up to Fundy standards. It cost something to do this—and it cost the loss of a lot of business from the consequent shortage of gas. But the high standard of superiority established by Fundy was reckoned too precious to depart from, no matter how little and no matter how long.

CARL SEMONE IS ARRESTED IN CAR THEFT CASE

Action Follows Taking of G. G. Murdoch's Car from Square

DRIVER OF TAXI IS HELD ON CHARGE

Likely in Court Tomorrow and Detectives Keep Up Work on Case.

Carl Semone, a taxi driver, was arrested this morning in his home in Union street by Detectives Bidlocombe and Saunders on suspicion in connection with the theft of the automobile of G. G. Murdoch from in front of the Imperial Theatre on last Wednesday evening. The car was found in the woods in the vicinity of St. Martin's, and restored to the owner.
Members of the local detective force have been working steadily on the case, which led to the arrest of Semone this morning. The accused was taken to the central police station and will probably be brought before Police Magistrate Henderson tomorrow morning. Sergeant Detective Power said today that it was hoped to recover some of the parts taken from the car. He expected to have the case ready for the court in the morning, but there was a chance that some witnesses required would not be able to get here then.
Found in Woods.
The automobile was taken from in front of the Imperial Theatre the evening of last Wednesday, while Mr. Murdoch was attending the performance in the theatre. The police were immediately notified. Descriptions of the missing car were sent all over the province. It was finally discovered in the woods of a road near St. Martin's, where it had been partly dismantled and then covered with brush.
Later in the day the charge made against Carl Semone was that he did unlawfully steal one Hudson coach auto, valued at \$2,000, the property of G. G. Murdoch.

Courts as Now During May

ARRANGEMENTS have been made to keep the present quarters in the Masonic building for the month of May for court purposes. "We hope by that time the court house will be ready," said Sheriff A. A. Wilson this morning in reply to a query as to where the courts would be found after May 1. The quarters now occupied by the court rooms in the Masonic building have been leased by the Eika.

As Hiram Sees It
DUGBY, April 28.—Well, sir, here I be in Digby. They're a little ahead of us over here. I seen crocuses an' tulips an' some green leaves—an' the trees is buddin' out fine. Me and Doc Spangier an' Don Paterson walked all over the place. I was tickled to death to see a big yoke of oxen haulin' a wagon along the street. Then we seen the fish fixtures with a swarm of fish dryin' in the sun. We went up on the golf course an' seen what the Doc called a bunker—but it jist seemed to me like a wart on the landscape. When they get talkin' about golf I like a feller that couldn't understand their language. It beats all how golf takes hold of a reel sensible feller an' makes him talk hog-Latin or some such thing. The Bunkers an' niblicks an' stances—say it's was 'n pocket. But I'm hevin' a great time. You might phone Hanner an' say I didn't have to take no medicine on the boat. I wasn't a bit seasick—an' I got an appetite like a horse.

INCOME RETURNS ALL DUE TOMORROW

Last Day For Filing Statements at Office of Inspector McLeod.

Tomorrow is the last day on which those liable can file their income tax statements, and make a payment, if they want to escape penalties attached to violations of the regulations. The returns have been sent in steadily all week to the office of Inspector N. P. McLeod, Post Office building, and the office has been kept open each day until six o'clock. Tomorrow it will be open from 9 in the morning until 9 in the evening.

Those Who Pay
All single persons earning over \$1,000 have to pay on what they earn in excess of that amount, at the rate of 4 per cent. The return has to be made out on the form supplied by the government and at least one quarter of the amount due must accompany the return, the balance to be paid in three equal quarterly installments. Married men are exempt up to \$2,000 of income and they have a special exemption of \$500 for each dependent child under 18 years of age.

TEN OPPOSITION DELEGATES NAMED

Meeting is Held in East Saint John—Names Left Off Voters List.

At a largely attended opposition meeting held in Peck's Hall, East Saint John, last evening delegates for the forthcoming convention were elected consisting of R. G. Magee, Robt. McFarlane, John H. Young, Wm. L. Woods, James Reid, F. E. Josselyn, Rupert Taylor, S. J. Withers and J. A. Robertson; substitutes: Chas. Weidman, Reid Lewis and John Arthur. Routine business was taken care of, after which various committees were formed for the carrying on of general business and organization plans in general were perfected. Many names were found to be omitted from the new voters' list for the district and the matter is to be taken up at once and steps taken to have the lists rectified. Charles Weidman presided at the meeting and J. A. Robertson was secretary.

Workers Say There is Good Response to Appeal For Miners' Needs.

Tag day for the Nova Scotia miners' families, progressed favorably this morning with a ready response reported. Mrs. A. C. D. Wilson, general convener, was assisted at headquarters by Mrs. G. Wilford Campbell, convener of the standing finance committee, for the Local Council of Women, under whose auspices the tag was instituted. Miss Alice E. Estey was convener for banks; Mrs. C. A. Clark and Miss Alice E. Hising, tags. Orders for more tags came in repeatedly and the banks returned at noon were satisfactorily heavy. The effort was boosted by the receipt of \$50 from the Saint John division of the C. W. L. sent to Headquarters Mayor Pottinger. Their contribution to the work. Special mention was made today of the earnest work of the ladies, under the leadership of Mrs. J. Goldman, Saturday tag days they cannot assist. Mrs. Robert S. Crisp is ill at her home, Douglas avenue, and for this reason, Mrs. A. W. Estey, president of the Local Council of Women, was unable to be present at the headquarters today.

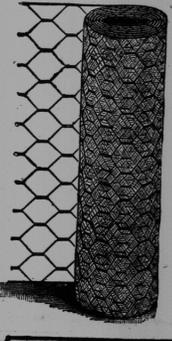

B. R. T. Auxiliary Has Dance And Bridge

More than \$60 was raised for the altruistic fund of the Ladies' Auxiliary of the Brotherhood of Railway Trainmen at a dance and bridge last evening in West Saint John. Mrs. W. A. Tobin, president of the auxiliary, was general convener. Mrs. A. E. Cox sold candy, and Mrs. W. F. Johnson had charge of the tickets. Mrs. Robert Baird, pianist, and Herbert Cox, accordion player, furnished music, and Charles Cox was floor manager. Those who assisted in serving refreshments were Mrs. Samuel Silliphant, Mrs. D. Ring, Mrs. H. Johnston, Mrs. C. Coxy, Mrs. W. Robson, Mrs. Fred Clifford, Mrs. H. McFarlane, Mrs. T. Perry and Mrs. A. Brown. The prize winners were Mrs. Walter Moore, Mrs. H. McLaughlin, Mrs. Vida B. Barlow, Mrs. E. Southard, Messrs. Samuel Silliphant, F. W. Robson, William Murray and J. Lynch.

CITY DECORATION

A new scheme of city decoration was illustrated in a circular received this morning by the Board of Trade. The idea is to have merchants put steel sockets in the sidewalk in front of their premises and when the call comes for decorating the flag poles, carrying the Union Jack can be placed.
