UNIVERSITY OF TRINITY COLLEGE.

THE UNIVERSITY OF TRINITY COLLEGE was constituted by a Royal Charter, bearing date 16th July, 1852, and empowered to confer Degrees in Divinity, Arts, Law, and Medicine.

THE CONVOCATION of the University consists of the Chancellor, the Provost and Professors of Trinity College, and all persons admitted to the Degree of Master of Arts, or to any Degree in Divinity, Law, or Medicine in the University.

No Degree can be granted by the University, unless a Supplicat for that Degree shall have passed the Convocation, having been previously approved by the Caput.

THE CAPUT consists of the Vice-Chancellor, and four members of Convocation, to be elected annually by Convocation, at the first meeting in the Michaelmas Term.

The University confers no Degree whatever, unless the Candidate, being a British subject, has previously taken the oaths of allegiance and supremacy.

Subscription to the following declaration is also ordinarily required :—

“ I, A. B., do willingly and heartily declare that I am truly and sincerely a member of the United Church of England and Ireland.”*

The Chancellor and the Vice-Chancellor are, however, empowered to dispense with this Declaration, in the case of Degrees in Arts, Law, and Medicine, if such dispensation be sought by the Candidate on the ground that he is not a member of the Church of England.

* For any Degree in Divinity, subscription to the Three Articles of the XXXVIth Canon is also required.

Proceedings in Arts.

All Candidates for the Degree of B.A. must be Matriculated Students of Trinity College, and have kept nine complete Terms. They will be required by the University to pass two Examinations.

Residence and attendance at Lectures may, however, be dispensed with in individual cases, in which application, to that effect, shall have been made to the corporation, and the grounds assigned by the applicant unanimously approved by the corporation. In such cases the applicant must not be less than twenty-five years of age, and will be required to pass the Matriculation, the Previous, and the Final Examinations at intervals not less than those which are prescribed in the case of resident students, and to pay for such Examination which he undergoes, in addition to the fees for Matriculation and Degree, the sum of \$5.00 to the University Chest.

This Examination will take place, in the case of Students entering in the Michaelmas Term, at the end of the second year. The subjects for this Examination will be :—

DIVINITY—One of the Historical Books of the New Testament in Greek.

Evidences of Christianity.

Church Catechism.

CLASSICS.—Portions of two Greek and two Latin Authors.

Latin Prose Composition.

MATHEMATICS.—Euclid, Books I., II., III., IV., VI.

Algebra, to Binomial Theorem inclusive.

Trigonometry, to Solution of Triangles inclusive.

Elementary Statics.

Elementary Dynamics, to the end of Rectilinear Motion of a Particle.

The particular authors to be fixed at the beginning of the Lent Term of the preceding year.

The names of Students who pass this Examination will be arranged in three classes, in alphabetical order ; the first class consisting of those who shall have obtained at least half the whole amount of marks in each subject : the second of those who shall have passed creditably, though below this standard : the third of those to whom the Examiners shall have only not refused their certificate of approval.

Any student who shall have obtained a first-class in the previous Examination, and shall also have passed a satisfactory Examination in the Honour Subjects in Classics at the end of the second year, shall be

allowed to declare for Classical Honours, and shall be exempted from attendance at Mathematical Lectures during the third year.

The like exemption will be granted on the like conditions (*mutatis mutandis*) to Mathematical Students.

Those Students who shall have been rejected at the previous Examination of their own year, or who shall have been absent from such Examination, shall be required to attend the previous Examination of the succeeding year.

If any Student shall absent himself from the previous Examination of his year, without the written permission of the Provost, he shall be considered not to have kept the Easter Term of that year.

Students entering in the Lent or Easter Term must offer themselves for examination at the same time with those who entered in the preceding October.

II. EXAMINATION FOR THE DEGREE OF B.A.

The particular authors to be fixed before the end of the Easter Term of the second year.

HONOUR EXAMINATION AT B.A.

Those who shall have been approved at the Pass Examination for B.A. may present themselves for further Examination for Honours in Classics or Mathematics. The result of such Examination will be published in the College Hall, and in the public prints, in three classes : the order of merit in each subject being determined by the number of marks obtained in this Examination, together with those obtained in that subject in the Pass Examination.

The Examiners in Classics or Mathematics may, at their discretion, add a fourth Honorary class to their Honour list, consisting of those who, not being candidates for Honours, have highly distinguished themselves in the Classical or Mathematical parts of the Pass Examination respectively.

Trinity College.

TRINITY COLLEGE was, by an Act of the Legislature of the Province of Canada, passed in the year of our Lord 1851, constituted a body corporate, consisting of the Lord Bishop of Toronto, (or in case of the division of the Diocese of Toronto, of the Bishops of the several Dioceses into which the Diocese of Toronto shall be divided), the Trustees of the College, and the College Council.

On the first of January, 1850, An Act of the Provincial Legislature came into operation, constituting the University of Toronto; and under the provisions of this Act, the Faculty of Divinity was suppressed, and the use of the ritual of the English Church forbidden, in King's College, now known as University College.

This important change in the Constitution of a foundation which owed its origin mainly to the long continued and persevering efforts of the Bishop of Toronto, appeared to his Lordship, and to the great body of the Churchmen of the Province to render indispensable the erection of a College for the instruction of members of the Church of England.

The Bishop, consequently, on the 7th of February, 1850, issued a Pastoral Letter to the Clergy and Laity of the Diocese inviting their co-operation in the good work. This appeal was nobly responded to, and about £25,000 currency was subscribed in money, lands, and stock in building societies.

In the same year his Lordship proceeded to England, where he received very liberal assistance in carrying out his great design. The Society for the Propagation of the Gospel in Foreign Parts, made a vote of two thousand pounds payable by instalments of four hundred pounds per annum; and also gave seven acres and a half of land within the precincts of the City of Toronto. The society for promoting Christian Knowledge granted three thousand pounds; and the University of Oxford five hundred pounds. The subscriptions of individuals exceeded four thousand pounds.

On Wednesday, April 30th, 1851, the foundation stone of the College was laid, and on Thursday, the 15th of January, 1852, the Inauguration took place, and from that day the regular course of instruction commenced.

In the year 1852, the Ven. A. N. Bethune, D D., Archdeacon of York, raised further subscriptions in England; and in 1852-3, the Rev. William McMurray, D. D., by the appointment of the Bishop, made a tour in the United States, for the purpose of soliciting subscriptions on behalf of the College. He met everywhere with a most cordial reception from the members of the sister Church, and obtained in books and money, little short of \$10,000.

Within the Diocese, successful efforts were at the same time made by the Rev. T. B. Fuller, D D., and by the Rev. Saltern Givins—the former by the Bishop's appointment, undertaking the canvas of the Western—the latter that of the Eastern section of the Diocese.

In April, 1853, Dr. Burnside placed at the dis-

posal of the College the munificent sum of £6,000, in lands and money—a portion of which has been devoted to the foundation of two Burnside Scholarships for Students in Arts, in order permanently to associate with the College the name of this noble benefactor.

In the year 1864, the Rev. William McMurray, D.D., D.C.L. Rector of Niagara, was deputed by the Corporation of Trinity College, to visit England for the purpose of seeking aid towards the endowment of the College. The result of his laborious and successful endeavours was the realizing of an amount in money or in books of about \$20,000. The books are mentioned in detail in the account given of the Library of the College. Dr. McMurray's mission having been interrupted by the necessity of returning to Canada, the Rev. W. S. Darling was appointed in the following year to take up the unfinished work, and he succeeded in collecting \$2,526.

The Hon. James Gordon, M.L.C., bequeathed to the College, in 1865, the sum of £500 currency.

In the year 1866, Enoch Turner, Esq., of Toronto, bequeathed to the College £2,000 currency, payable on the death of his wife, out of his "Gas Stock, to be applied towards carrying on the charitable and holy purposes for which the College was incorporated."

Other benefactors to the College will be found mentioned in connection with the Library, or under the head of Scholarships.

Trinity College School.

—
"Beati mundo corde."
—

The School was first established in the village of Weston, near Toronto, and was opened May 1st, 1865. In consequence of the liberal offers of assistance made by the inhabitants of Port Hope, during the summer of 1868, the School was removed to that town, where it was established in buildings provided by the townspeople, free of rent for three years. Early in 1871, the property, consisting of ten acres of land, together with the buildings upon it, and situated on one of the most picturesque sites in Canada, was purchased by the School. The erection of large permanent buildings, designed by H. Macdougall, Esq., Architect, Toronto, was then proceeded with. They furnish accommodation for about seventy-five boarders, with apartments for Masters, Matron, and Servants, and were occupied for the first time in January, 1872.

Trinity College School was, by an Act of the Legislature of the Province of Ontario, passed during the Session of 1871-2, constituted a corporate body, consisting of the Lord Bishop of Toronto, the Chancellor of the University of Trinity College, the Provost and the Professors in Arts of Trinity College, the Head Master of the School, and such other persons as may from time to time be appointed by the Governing Body.

Pupils are prepared for the Matriculation Examination of the Universities, and the Entrance Examination of the Law and Medical Schools, the Army, Navy, etc. In the Modern Department special attention is directed to preparation for commercial pursuits.

The discipline and general management of the School are based upon the English Public School System. Out-of-School government is, accordingly, to a large extent, vested in the hands of the Prefects, who are in all cases selected from the senior boys by the Head Master.

FEES.

One Pupil.....	\$220 per annum.
Two Brothers (each)...	200 "
Day Pupils	60 "

(A reduction will be made for Sons of Clergymen, in certain cases, on application to the Head Master.)

The Piano-forte is taught as an extra. Fee, for tuition and use of instrument, \$10 per term.

The following Rule respecting the payment of Fees was adopted at a meeting of the Governing Body of the School, held on August 18th, 1870 :—

“The Fees for Board and Tuition in each Term, and any balance which may remain for Books or otherwise, from the previous Term, must be paid within a week after a Boy presents himself at the School. If this be not done, the Bursar is required to draw on the Parent or Guardian for the amount (with Bank charges,) at ten days, and should this draft be returned dishonoured, the Boy must be sent home by the Head Master.”

The payments for Board and Tuition, which are apportioned between the School Terms, must be paid *strictly in advance*. All other School Accounts will be sent in the usual way. A half term's notice must be given in writing before the removal of a pupil.

Boys over fourteen years of age will be admitted to the School only on the production of such testimonials of previous good conduct and diligence as shall perfectly satisfy the Head Master and the Governing Body.

Books and Stationery are supplied in the School at the ordinary prices.
