College of Physicians and Surgeons of Ontario.

ANNOUNCEMENT FOR THE ACADEMIC YEAR, 1875-6.

"THE COLLEGE OF PHYSICIANS AND SURGEONS OF ONTARIO" is the name adopted in its corporate capacity by the Medical Profession of the Province of Ontario. Every legally qualified Medical Practitioner in the Province being a Member of this College, it will at once be understood that it is not an Institution for the teaching of Medicine.

The Medical Profession in Ontario was first incorporated under this name by an Act of the Parliament of Canada passed in 1866. This Act was subsequently repealed by the Legislature of Ontario in 1869, and now the affairs of the Profession in this Province are regulated by an Act passed in 1874, (37 Vic., cap. 80), which is commonly known as the "Ontario Medical Act."

By this Act, the "COUNCIL OF THE COLLEGE OF PHYSICIANS AND SURGEONS OF ONTARIO" is empowered and directed to enact By-laws: for the Regulation of all matters connected with Medical Education; for the admission and enrolment of Students of Medicine; for determining from time to time the Curriculum of the Studies to be pursued by them; and to appoint a Board of Examiners before whom they must pass a satisfactory Examination before they can be enrolled as Members of the College, and thus be legally qualified to practise their profession in Ontario.

The Council moreover, has power and authority conferred upon it by this Act, to fix the terms upon which Practitioners of Medicine, duly qualified in other Countries, may be admitted as Members of the College of Physicians and Surgeons of Ontario; this being the only mode in which they can become legally entitled to practise their profession in this Province.

For the information and guidance of Students of Medicine, the Profession, and the public generally, the Council, in conformity with the "Ontario Medical Act," hereby promulgates for the Academic year 1875-6,* the "REGULATIONS" which hereinafter follow, repealing all others heretofore in force.

* The "Academic" year, here referred to, is from the beginning of the "Annual Meeting" of the Council in June or July in each year, to the beginning of the "Annual Meeting" in the following year.

1. No Teacher in any School of Medicine in Ontario can hold the position of Examiner on the Subjects upon which he lectures, or upon which he may have lectured within six months prior to the date of the Examinations.
2. Each Member of the Board of Examiners will prepare the Questions for the Written-Examinations upon the Subjects allotted to him by the Council. Any Examiner may be present at any of the Examinations, and there must invariably be not less than two Members of the Board present at every Examination.
3. The Questions proposed to Candidates will be dictated to them at the beginning of the Examination upon each Branch, or Sub-division of a Branch, but they are not to be circulated in printed form, nor allowed to be seen by any one.
4. Each Examiner will deliver to the Registrar, after the Examinations, a copy of the Questions which were proposed by him at the "Written-Examinations," with the view to their being ultimately printed under the direction of the Council, if it should be considered advisable.
5. The written answers to the Questions are to be handed to the Registrar, who will open the envelopes, in which they are hereinafter directed to be enclosed, and to each set of papers affix a Number by which the author will be known by Examiners during the Examinations. The Registrar will then deliver the papers to the Member of the Board of Examiners appointed by the Council to examine upon the Subject.
6. The papers, when delivered to the Member of the Board of Examiners appointed by the Council to examine upon the Subject, are to be by him examined, and the relative value of the answers marked by means of Numbers, ranging from 0 to 100, in the Schedule which will be furnished to him by the Registrar.
7. The values awarded by the individual Examiners to the answers of Candidates are not to be subject to revision, except by an appeal to the Executive Committee, or (if desired), to the Council.
8. The papers on the "General" Subjects of Examination are to be finally submitted to the whole Board for approval or rejection; and

those upon the Homœopathic Subjects, to the Examiners approved of for that purpose by the Representatives of that System in the Council.

9. The "Oral-Examinations" are to be conducted by the whole Board of Examiners, any Member of which may put such questions as may to him appear proper, to any Candidate, upon any of the "General" Subjects of Examination.

10. The passing or the rejection of any Candidate is to be decided by a vote of the whole Board of Examiners.

11. The "Written-Examination" shall be concluded, the answers valued by the Examiners (whose decision in the Special* Subjects shall be final), the Schedules compared, and, so far as the "Written-Examinations" are satisfactory to the Board, the decision must be recorded in favor of the Candidate, before he is brought face to face with the Examiners in the "Oral-Examination."

Rules for Candidates when in the Examination-Hall.

12. Each Candidate will receive from the Registrar a Ticket, upon which a Number will be written, referring to a seat in the Examination-Hall to be occupied by the Candidate at each Examination; the Ticket will also contain a list of the Subjects upon which the Candidate is to be examined, and it will entitle him to be admitted to the Examination-Hall during the progress of the Examinations upon such Subjects, but at no other time.

13. Candidates must write the answers to the Questions given out by the Examiners, legibly and neatly upon one side only of whole sheets of paper, and the Number given with each Question is to be put at the head of the answer to it. The sheets are to be paged and fastened together in regular order, by means of paper-fasteners, at the upper left corner, in such a manner as to have the first page facing outwards to the view; they are then to be folded neatly and enclosed in an envelope, on the outside of which each Candidate is to write his name. The packet is then to be handed to the Registrar, or to some one deputed by him. Neither signature, number nor sign by which the writer could be recognized by the Examiner, is to be written or marked upon any of the sheets enclosed in the envelope.

14. The Questions of the Examiners in the Homœopathic Subjects will be handed in writing, at the beginning of the "General" Examination on the same Subject, to such Candidates as have given notice to the Registrar in accordance with Section III, Sub-sec. 10. They shall write the answers to these Questions in the same Hall with the other Candidates, and hand their papers, when finished, to the

Registrar, in the same manner as provided for the other Candidates, to be by him given for examination to the Homœopathic Member of the Board of Examiners appointed to examine upon that subject.

15. If any abbreviations are used in answering the Questions, Candidates must be careful that they are such as are generally understood, or which cannot be mistaken.

16. No Candidate will be allowed to leave the Hall after the Questions are given out, until his answers have been handed in.

17. No Candidates will be allowed in the Hall during the hours of Examination, except those who are actually undergoing examination.

18. Any Candidate who may have brought any book or reference-paper to the Hall, must deposit it with the Examiner before the Examination begins.

19. Candidates must not communicate with each other while the Examinations are going on, neither by writing, signs, words, nor in any manner whatever.

20. Candidates must conduct themselves with decorum during the Examinations. They must bear themselves towards the Examiners with the utmost deference and respect; and they will not be permitted in any manner to manifest approbation or disapprobation of any Member of the Board of Examiners, during the progress of the Examinations.

21. Any infraction of the above rules, will lead to the exclusion of the Candidate who is guilty of it, from the remainder of the Examinations; and he will not receive credit for any Examination-papers which he may have handed in to the Registrar, previous to his being detected in such misconduct.

REMARKS ON
THE
PENAL CLAUSES
OF THE
ONTARIO MEDICAL ACT
FOR THE GUIDANCE OF MEDICAL PRACTITIONERS.

The following rules are intended for the guidance of Members of the College of Physicians and Surgeons of Ontario, in carrying into effect the "PENAL CLAUSES" of "The Ontario Medical Act."

Members will bear in mind that no prosecution can be successful unless the evidence against the accused party is sufficient to bring the case within the rules hereinafter laid down.

All communications with the officers of the Council will of course be considered strictly confidential.

The "PENAL AND GENERAL CLAUSES" which are referred to, are Section XXXIV and the Sections which follow it of the Medical Act of Ontario, 87 Vic., Cap. 80.

SECTION XXXIV.

This clause enacts that any registered Practitioner convicted of felony shall thereby forfeit the right of registration, or if already registered, his name by direction of the Council, may be erased.

RULE I.—In the first case, the Registrar should be furnished with the *christian* and *surname* of the party, and the offence for which he was convicted, together with his last known address, and the place and Assize at which he was tried.

RULE II.—In case any Member becomes aware that a party who has been convicted of felony intends to apply for registration, he should communicate to the Registrar the facts mentioned in Rule I., so that they may be of record in a list for that purpose kept by the Registrar.

SECTION XXXIX.

This Section refers to procuring registration by false or fraudulent representations or declarations, verbal or written, and the penalty to persons aiding or assisting therein.

RULE III.—As to “fraudulent representation,” be prepared to prove (1) any false representation that the person applying makes to bring himself within any of the eight clauses in Schedule “A” to the Act. Such as the alteration, falsification, or forgery of a certificate from any School or College—as mentioned—of any School or College recognized by the Medical Council. Any material alteration of a Certificate amounts to forgery thereof. A “material alteration” is of the date, name of person, or other fact in the instrument. (2) That the party seeking registration was not practising in Ontario prior to 1st January, 1850, and had not attended one course of lectures at any recognized School. (Sec. XXII, Sub-sec. 2.) (3) In case of Homœopaths and Eclectics, any false representation that the person seeking registration had been practising prior to 1st January, 1850, or for the last six years in Ontario (prior to the date of this Act coming into force, 24th March, 1874.) (Sec. XXII, Sub-sec. 2.)

SECTION XL, SUB-SECTION 1.

This clause is as follows:—

“It shall not be lawful for any person, not registered, to practise Physic, Surgery, or Midwifery in the Province of Ontario, for hire, gain, or hope of reward; and if any person not registered under this Act, shall, for hire, gain, or hope of reward, practise or profess to practise Physic, Surgery, or Midwifery, or advertise to give advice in Physic, Surgery, or Midwifery in the Province of Ontario, he shall upon a summary conviction thereof before any Justice of the Peace, for any and every such offence, pay a penalty not exceeding One Hundred Dollars, nor less than Twenty-five Dollars.”

RULE IV.—(1) If accused attempt to prove any registration, see that it be done according to Section XL, by the production of the Register with Registrar's certificate. (2) If he hold himself out to the public as a Physician or Surgeon, proof by parties aware of the fact, or the production and proof of advertisement, or proof of sign or notice in other form, published or circulated by him or by his agent, must be forthcoming. (3) If he has attended persons, and treated or prescribed for complaints or illness, the fact may be proved by a patient, and sometimes by the Druggist making up prescriptions signed or ordered by him; but in this case it must also be proved that he received pay or stipulated for it. (4) If he has taken fees, or been paid for Medical or Surgical services rendered, the best proof will be the evidence of the party who made the payment. (5) Where payment has not actually been made, and he has rendered an account, or has made some bargain for remuneration with the patient, the production and proof of the account, or the evidence of the patient will be necessary.

SECTION XL, SUB-SECTION 2.

This Clause is as follows :

"Any person who shall wilfully or falsely pretend to be a Physician, Doctor of Medicine, Surgeon, or General Practitioner, or shall assume any title, addition or description other than he actually possesses, and is legally entitled to, shall be liable, on conviction thereof before a Justice of the Peace, to a penalty not exceeding Fifty Dollars, nor less than Ten Dollars."

RULE V.—(1) Put him to proof of registration as above. (2) Prove that he has published or used cards, handbills, or other sign or means of circulating either the title of "Dr." or the letters M.D. or M.B., or any one of the additions or titles mentioned in the table of abbreviations in Medical Register, or any other description which would lead the public to believe him to be a Practitioner.

SECTION XL, SUB-SECTION 3.

This Clause is nearly to the same effect as the one preceding, but it will be found chiefly to apply to such Members of the Profession as have neglected or refused to register, and to Practitioners who assume titles to which they are not legally entitled.

HOW TO PROCEED TO PROCURE A CONVICTION.

Go to the nearest or most intelligent Magistrate and lay information, which may be sworn to, either on information and belief, or positively. (See forms below.)

The Magistrate thereupon issues his summons, or if he think fit, a warrant, for the arrest of the party; and if the party served with a summons do not appear, the Justice may on oath or affirmation substantiating the matter of the information, issue his warrant for the arrest of the party so summoned. In case of a warrant issued in the first instance, the Justice shall furnish a copy thereof, and a copy must be served on the party arrested at the time of his arrest.

In case of an adjournment of the case when the party accused is under arrest, the Justice may take bail.
